PLYMOUTH

JAS. G. ROBINSON AND D. R. LOCKE.

ONE DOLLAR AND FIFTY CENTS PER YEAR.

A WEEKLY FAMILY NEWSPAPER--DEVOTED TO LOCAL AND GENERAL NEWS, LITERATURE, EDUCATION, AGRICULTURE, SCIENCE, ETC.

Polume 1.

Alymouth, Thio, Satuday Morning, Asbruary 18, 1854.

Aumber 18.

Don't think yourself a "happy of For all your merry ways;
But learn to wear a sober phiz,
Be stunid if you can,
It's such a very serious thing
To be a funny man!

You're at an evening party, with A group of pleasant folks,—
You venture quiedly to crack
The least of little jokes,—
A lady doesn't catch the point,
And begs you to explain—
Alas! for one who drops a jest
And takes it up again!

You're talking deep philosophy
With very special force
To edify a clergman
With suitable discourse,—
You think you've got him—when he
A friend across the way.
And begs you'll say that funny thing
You said the other day!

salect way benner, this made nor neignous be at-temble to the second of the But she has been gradually declining, of the But she has been gradually declining, and the political state of Guropes, the justification oneine exating among its princes has been statisticated the source of the second of

A WERKLY FAMILY NEWSPAPER—DEVOTED TO COLAL AND CERTAIN ENGAGE STREAM PROPERTY. FOR THE PROPERTY OF THE PROPERY determined to have a fresh supply of water every day, and this duty was performed aiternately.

On one of these occasions, after White
had filled his cantenan, he aris a few mentiwant was in the first of the supply of the supply
tued extra dupon turning around, he

Corresnondence.

sans. Entress: —When't wrote to you hast ove I was at Somnerville, in the south-rn part of this State, and from which I re-d to the city of Memphis, and after re-ing there for eight days, during which time mathing there for eight days, during which time nothing wordly of note occurred, except that there was two murders in one week, and both the culprite encaped, although the foul deeds were committed im large crowds. It was the see and time/one of the nurdeeres had killed his many for the same city, which is an evidence that they do not much regard human life, as much medi steamer of about 500 tons burthern, we med steamer of about 500 tons burthern, we med steamer of about 500 tons burthern, we med solve progress; up the father of reverse which had friem about 500 feet in the hast feet by the father of the steamer of the solve of the burther of the steamer of the solve of the solve of the steamer of the solve of the sol see as the numbered about 200, while set was only large enough to necessimodete one-fourth the number with comfort; odd clot uch a load we were nearly two days and about one-fourth the number with comfort with neah aloud we were nearly two days and nights in according the Comberland; but such a large many the company of the company o present time it is tifty fort above low water-mask and is a mile with a more planer, overflowing, fagma and surrounding houser. We obligate fagma and surrounding houser. We obligate houses where he extered the second-stery winches, the water being almost to the top of the door—we were told this was not a muser-all occurrence. Nashville is the most beautiful city that I have seen asouth of Ohio, excepting Washington, D. C. The Capital building here transit on a heautiful circular leventins of about 100-feet above the river; it is built of whiteli street and the house. The monament leef point white morable of the Date offer, shown it force with morable of the Date order, shown it force the force force, shown it force that force them for feet from the ground, and is supported by four point columns about cight feet high; it is chaste and boundful structure. four plain columns about eight rees inguiters and in an honor to the relatives of the illustrious dead.

Yours, Books.

One of the most positive announcers of the state of the s hould have a few weeks' run, after a the suit of Hottack Have & Garginst T be felt assured, they would at the season had ever done in defense it country. It is said that the interest has in every direction considerable autofaction. War, I is attendant, seems to all classes by preferable to the solicious; and the operations of commerce and the operation of the
