THE EMPRESS OF RUSSIA.

A BEAUTIFUL STORY.

In the little town of Mariberg lived a German minister by the name of Skrovnik, who was devoted for his piety, benevolence, and unwarred efforts in doing good...

That child was a beautiful little girl not a year old. It was at once adopted by the pastor, and placed in the care of his faithful servant, an old lady, who had long resided in the family...

As she grew up, she interested herself in the management of the household affairs, and was always ready to assist as occasion required...

On the 20th of August, 1702, Mariberg was taken by the Russians, and many of its inhabitants were slain...

"The Russians are at Mariberg!" exclaimed he, rushing into the apartment...

"What have you returned?" said the General, in a solemn voice, "do your duty and God will bless you."

"What shall I do with her?" inquired the General, addressing himself to the soldier...

"You cannot suppose I am proud--a child without a name is without a name."

SATURDAY EVENING.

How sweet the evening shadows fall,
Drawing from the west,
As the sun sinks,
And ends the day of rest.

Good People--The Lyons (France) papers are full of the following singular story...

On the 29th instant, a number of Englishmen established in that city, gave a splendid banquet to a countryman of theirs...

About a twelvemonth ago, Mr. Fleming, a rich merchant of London, had just completed a residence of eleven months in the city of Frankfurt, Germany...

She has been the greatest assistance to us in all our dangers, and particularly in the Battle of France. She was blessed with a son, who was named Peter...

GENERIC INCIDENTS--A gentleman living near Adrian, recites two singular circumstances which occurred on his farm...

LETTERS TO LAW STUDENTS--What is the difference between a fine and recovery?
Ans--A fine is for getting out of the law, and a recovery is for getting into it.

QUESTIONS--What animals come under the description of game?
Ans--Timid witnesses and female defendants.

TRAVELERS REMOVED OF AMERICANS--The following are not recommended in the Declaration of Sentiments...

QUESTIONS--What is an original bill?
Ans--A bill which has not been passed by the House of Representatives.
