PRESIDENT MAKES TENT HIS OFFICE

Faced by the prospect of having to remain in Washington during and of the hot season, President Wilson has had a tent pitched in the old-far formed garden just south of the White Hungs, and is using it as his official is fitted with desks and telephones and pushbuttons.

## LABOR MEN VICTORS

COURT SETS ASIDE SEN MITCHELL AND MORRISON.

#### DECISION ENDS NOTED CASE

ce Holmes Upholds Contention the Defense-Statute of Limitations intervenes and Heads of Unions Escape Jall.

Washington, May 13.—Contempt sentences imposed by the District susencences imposed by the District suspense court upon Samuel Gompers, John Mitchell and Frank Morrison, laber leaders, were set aside on Monday by the U. S. Suprems court for the superior of the structure of limitations, and the superior of limitations that contempts were not to be treated. The superior of the super

that contempts were not to be treated as conspirated. So where he was a comparated and Mitchell and Morrison had been fined \$500 each.

The decision of the high our!

The decision of the high our written in the famous labor case and that Compare and his colleagues will never suffer any criminal punishment for their alleged disobedience of the injunction issued by Judge Wright of the supreme court of the District of Columbia, aimed at the publication in the American Federationist of the so-called "unfair list."

Justice Hollome read the opinion of

the American Federationist of the so-called "unfair list."

Justice Holmes read the opinion of the court. He emphasized that the proceedings in the district court of the court was a second of the court of the number of the court of the court of the number of the court of the court of the proceeding of the court of the court The decision turned on the plea of the statute of limitations, which had been urged by the labor leaders as a bar to their prosecution by the com-mittee of prosecutions by the court of the Judge Wright. They claimed that they mitted three gears pilor to the time when they were last prosecuted in the District courts.

Justice Holmes was inclined to take a broad view of the status of limita-tions and declared that if did not make

any difference whether the case against the labor leaders was a regular indictment or some other proceedings, the statute of limitations applied

ing, the ment of some other processing, the ment of limitations applied just the same.

The action of the high court, according to officials of the department of featiee, means that nothing more will be done in the case. It will be allowed to go by default.

Trisidad, Colo. May 12—The announcement from Washington that President Wilson will not permit the strike is in grogress unless with men who were its bondified employee when the trouble began, has thrown the operators into a paint and is the cause of great reloicing among the strikers.

The stork is very nuch on the job fu Ohio, according to Dr. A. C. Hol-land, state register of vital statistics, who is pleased to report that several cities are doing their harse to perpetuate the human race. During 1918 there were \$5,956 births in Ohio, of which Daylon contributed \$575. There were \$5,956 births in Ohio, of which Daylon contributed \$575. There is 6,415 byon and 4,325 girls borm as 6,415 byon and 4,325 girls borm as 6,415 byon and 4,325 girls borm and 4,325 were white, 1,749 black, three Original contributions of the contribution of the champion city for births. The stork is twice as active there as in Cincinnati. Lies even a contribution of the champion city for births. The stork is twice as active there as in Cincinnati. Cincinnati and 7,000 by the compared with 7,000 of the compared

7.758, compared with 7.684 of the pre-celling year. Toledo was the pert in rank, with an even 4.000, a gain of 20° over the year before. Columbus was fourth with 3.568, showing the sub-stantial gain of 610. The next in or-der were: Dayton, 2.578, as compared with 1.2684; Aron, 2.246, as compared with 1.270; Youngstown, 2.042, as com-pared with 1.511; Canton, 884, as com-pared with 1.511; Canton, 884, as com-pared with 5.77. There were 106 births in East Clevadand all white. The stork

Jaw has put out of business nearly stantial gain of 510. The next in oraposons. The first larger reduction in the number of saloons came in 1906 with the passage of the Alken law imposing an annual tax of \$1,000 no saloons. This reduced the number of saloons from 13,009 in January, 1906, to 9,273 six months later By July, 1909, the number had dropped to 6,575. From this date the number gradually increased until July, 1913, there were \$.856 saloons. The semi-annual settlements of county auditors, just made with the auditor of state, Just completed, give tin number of saloons for the operation of population.

There are 43 wet counties, and the total number of saloons doing business in the state nearly 4,000 are been to be supposed to the total number of saloons doing business in the state nearly 4,000 are been detected in the salous property in the salous of the legislature so that they have been any there are there are three dry county seas, Athens, Steubenville and Lisbon. In Gark, Conbocton and Lawrence there are no saloons outside of the county. There are saloons than any other county. There are saloons in 25 townships and must greater number of towns and townships the number silicons, which is the largest number in clark, Conbocton and Lawrence there are three dry county seas, Athens, Steubenville and Lisbon. In Clark, Conbocton and Lawrence charmed the salous and the salous, has fewer saloons than any etc.

## FARMERS' CREDIT **BILL IS REPORTED**

SURE, WITHOUT APPROVAL
PRESIDENT, PRESENTED
TO LOWER CONGRESS.

Special Farm Loans Bearing Five Per Cen: Interest to the Ex-tent of \$50,000,000 a Year.

Washington, D. C .- The farmers' washington, D. C.—The larmers credit bill, designed to make easier the borrowing capacity of agriculturists on producing land and to encourage land owning over tenantry, was presented to the house by Representative-Buikley of the house banking and currency committee.

suities of the house banking and cur-rency committee.

The president reduced to permit the introduction of the farm credit bill, which has been prepared by a joint subcommittee of the senate and house, without the understanding that he would oppose its most vital features.

The committee thereupon introduced, the bill without the amount of the the sommittee thereupon introduced the bill without the approval of the president, containing provisions es-tablishing the principle of government aid to agriculture to which the president dent objects.

to issue special farm loan bonds bearing 5 per cent interest to the extent of \$50,000,000 a year, the issue to be-controlled by the federal reserve board.

In the elaborate achsme for the administration of this new financial ministration of this new financial that national farm loan associations are to be organized, each to have not less than \$10,000 capital stock in shares of not less than \$25.

These associations are authorized to make loans of current funds secured by first mortgages of farm lands within the farm loan district to be supplied by the association, and to buty stock that the secured by the sasciation, and to buty stock that the secured by the sasciation, and to buty first the secured by the sasciation, and to buty stock that the secured to the sasciation, and to buty first the secured to the sasciation, and to buty first the secured to the sasciation of debts or purchased at sales under judgments, decrees or mortgages ladd by them.

No loans are to be made except on first mortgage, each of which must take credit for reduction from the face of the loan through annual-or semi-mortgages had been seen to be made only to liquidate indebtedness of the owner of the loan through annual states that the system of the loan through annual states after the flevyear period, either in cash or farm ions bonds; Loans are to be made only to liquidate indebtedness of the owner of the farm lands, purchase equipment of the value of the value of the buildings, nor to an amount in excess of \$4,000 to any one borrower.

Twelve federal land bank districts are to be entablished by the federal faser to be destablished by the federal faser to be entablished by the federal faser to be entablished by the federal faser to be destablished by the federal faser to be entablished by the federal faser

serve board, with home offices in cities to be designated by the board. The farm loan associations of each district are to unite in one federal land bank

TELEPHONE No.59

Terms of county clerks are for two years, as provided by the law of 1906 and not for three years, as specified by the Ohle constitution of 1851, the Franklin county court of appeals de-cided Friday.

A ruling sent out from the post-office department at Washington is to the effect that domestic money orders are payable within thirty days at the office from which they are is-sued and within one year at the office upon which they are drawn.

upon which they are crawn.

In a number of printed opinions handed down by attorney general Hogan and mailed to County Auditor Bloomer is one stating that in case special township and other elections are held in which the entire countries is not directly involved; the election expenses are paid by the respective communities.

The Huron county soldiers relief commission desires it known that all doil soldiers and soldiers "vidows who are receiving aid from the soldiers' relief fund must send in their appli-cations for aid not later than May 20 as no allowance can be made by the commission without an applica-tion.

Along about 9 o'clock the morning of Tuesday, June 89, a herd of automobiles will scoot through Norwalk on their way from Chicago to Boston on the National Reliability tour of the American automobile association. They may come through earlier as it is to be a day-and-night/non-motor stop tour. It is scheduled to leave Chicago June 29 and reach Boston July 2.

Old berry boxes are not to be used by growers and dealers this year, according to instructions issued by H. R. Diegle of Columbus, deputy sealer of weights and measures for the state. All new boxes must be used as a sanitary measure. The berry season will soon be on and the dealers are being warred not to sell berries that are contained in old boxes.

The county commissioners have decided on the amount of the appropriation for the different G. A. R. and Spanish War Veteran organizations for Memorial day. McLaughtin poet of Mansfield, Harker of Shelby, are to have \$25 each. Miller Moody post of Bellville, Springel of Moody post of Bellville, Springel of Shelby and Shell Shell

Mansfield, \$20 each.

Ohio is a farmer on a large scale. This year over 5000 acres will be cultivated by inmates of state institutions and the crops used to reduce the cost of the keep to the taxpayers. The convicts of Ohio should raise all of the products needed by the state institutions and should also manufacture all of the equipment and escessary supplies. In addition they can make the brick and construct a metwork of roads that would give Ohio the best highways in the world.

Next was the electors of Ohio will.

Ohio the best highways in the world.

Next year the electors of Ohio will vote upon a woman is suffrage amendment. Six other states will have similar elections. Under our new similar elections. On the our new similar elections of the output of the outpu

woman's suffrage plank.

CHAPTER I.

Tom Finds Employment.

It was in an exceedingly dejected frame of mind that Tom Phinney, alone in Van Vechturs have six-spin-dex car, made his way to Maiden Lane fits search of Mr. Browhlow. The low state of his feelings was in a large warm really concerned that mean remaining the last few minutes; one only during the last few minutes; one chain sturre; he had turned over a next index of living and realization of a necessary readjustment to an uncertain sturre; he had turned over a next index of minutes; one can sturre the had sturned over a next index of the service of th

Tom dropped into the chair which the observation and active the chair which the other thrust at him as if he meant to knock his legs from under him. "Pray don't give me any such till tiddings, Mr. Phinney, for this is my flast day of grace; if I don't get a skipper and mates for the Kohlaur by six this evening, I stand to lose"—he raised his hands in a despairing gesuit till evening is stand to lose"—he raised his hands in a despairing gesuit till even he raised his hands in a despairing gesuit is the seven of the raised his hands in a despairing gesuit is the properties. I want to have a substitute the raised his hands in a despairing gesuit is the properties. I want to have a substitute to the raised his hands in a despairing season as he could wedge in a word he merchant than su upon the excitable merchant chairs upon the excitable merchant chairs upon the excitable for the opening. When at any substitute the suddenly checked himself and stared at Tom in silent surprise; but in a moment he drew a long face, which put the finishing touch to his caller's discourage ment.

"I home aid bent than," said he, crisply, "else I shouldn't have broached the matter to you in the first place. I supposed your interest and activity in zachts and zachting would eable you to put me in the way of donling what I wanted; i didn't expect the the control of the words of the control of the words of the words out of also mouth.

mouth.
"Strike you for the job myself, sh?
Well, I have."
Brownlow seated himself at his
desk, upon which he thoughfully

for the Kohlnur, for some occult cause, was not to be as simply arranged as such matters penerally are; the preliminaries were unestial and—to him—
liminaries were unestial and—to him—
varecossary; he was beloning more
and more pursied, for he believed that
flownlow was heedlessly threating
the proceedings with an air of unjetery, and this made him issuitve,
early, and this made him issuitve.

Brownlow was with an air or no-thes proceedings with an air or no-tery, and this made him restive. 'The fearful that it's not to be," sighed he, heavily. "When you hear the conditions you will back out like all the rest of 'em. Seems like these days navigators are too buy clipping coupons and drawing dividends to be structed by a little shing like double wages."

attracted by a little thing like double wages."

Tom pricked up his ears. Two passumes had been mentioned which he, at least, never had enloyed. He interpreted with an oxiclamation.

"Double wages! Say"—engerly—"if the game's straight I don't care to hear conditions. Where's your yach!? I'll yet my dunage shoard without wasting any more time."

The little man bounded from his chair and began pacing the floor with had the prometer of the pacing the pac

t pair of birds and the young they hatch.

Then wend out the sluggards.

One hundred squabs weighing from it to 13 ounces apiece, are worth more deliars to the squabber than two hundreds and the squaber than two hundreds and quality of your ment your first consideration.

One pair of thoroughly domesticated birds is worth a half dozen pairs of imported birds. It takes a year for imported birds to become domesticated, and if you accept imported stock you must finance your feed bills for a return from the birds. As extra 11 per pair for domestic birds is economy.

Set a loft or two aside at the start, in which to place the finest youngtest in which to place the finest youngtest in which to place the finest youngtest seath week. Every plant needs an 'emergefley' loft and it is well to remember that you need to replace worselved to be a superior of the place the finest points and the start in which to place the finest youngsters each week. Every plant needs an 'emergefley' loft and it is well to remember that you need to replace worselved the place of the place worselved to the place worselved to the place were the plant on the start in the plant of the place worselved to the place the place worselved to the place the place the plac Always aim to establish a breed of birds to equal or uscel any yet prothat you may always have something to work for.

Mrs. Brooks entertained the W. C. T. U. Weelnesday afternoon, May S. A goodly number enjoyed her hespitality. The most important beariness was the arranging for process soliciting signers. That Section 1 of Article 5 of the Constitution be amended to as to extend the suffrage to women. All names will be appreciated, Any one caring for "Ohio Dry Stamps" call Mrs. Anna Clark, Papers were read by Medaness Judson, Ferguson, Howell, Heooks and Murphy. The Jum meeting will be held at the home of Mrs. Carpentor.

#### One In Every 300 In County On Blacklist.

dansfield's New blacklist as preed by the Richland County Liquor
ense Commission, contains 91
mes. Together with members from
iby and Plymouth, it gives Richd county about 158 on the list.
elby has about 50 and Plymouth

L. Estimating the number with the opulations of the three places, Plysouth has one on the list for every 17, Shelby one for every 100, and ansfield one for every 231. That ives the county one for about every 10.

#### The November Election.

The people of Ohio will elect pa tional, state, district and county officers next November on the first Tues-day after the first Monday in that month. The men to be chosen will be selected by the leading parties at be selected by the leading parties at a general primary election to be held on Tuesday, August 11, in which the Democrats and Republicans and perhaps the Bull Moose will vote on separate tickets on the same day at the regular polling places. The Socialists and Problithtinists will nominate their candidates at a neventions. The number of votes cast by a party determines whether or not it shall nominate by a primary. For the better mines whether or not it shall nominate by a primary. For the better in the primary of the state United States senators will be nominated and elected by popular vote. The other officers to be chosen are governer, lieutenant governor, secretary of state, auditor, treasurer, attorney general, judges of the supremenant, judges of the supremenant of the supremenant process. The supremenant process of the supremenant process, state senators and representatives in heriff, treasurer, auditor, commissioners, recorder, prosecuting attorney, coroner and font certain now) clerk of court.

#### The Sergeant's Promotion

By M. QUAD

Copyright, 1913, by Associated Lit-

It may have been known among the eved, fair haired girl of eighteen from east named Miss Bell-but the first re heard of it was when we went to

the east named Miss Rell—but the first-we beard of it was when we went to the depot as an excort.

Alses Bell was a regular chatterbox.
She couldn't understand the wide guit separating officer from private, but in Ignorance thought a soldler was a sol-dler, no matter whether he carried a saber or a sword. Being left alone with Sergeant Larkins for a few no-ments while the capitals sent off a telegram for her, she did not besitate to chattler away as if they had been formally introduced and nucl be-fore, and this arbin of her swas to hive a strange bearing on after events. After a copple of days we no-died a change in Sergeant Larkins, He was a young man of thirty, well educated and evidently something above the common, and there were rumors that his father was a weight

rumers that his father was a weating row received the army because of a quarrel between them. I repeat that we saw a change in him, and pretty soon it came to as that the had failed in love with Miss Bell at first sight.

Miss Bell at first sight came to the form the control with Miss Bell at first sight was a sight of the control with Miss Bell at first sight was a sight of the control began to make trouble, and the Indian police reported that a number of them had broken away and were marsuding in the foothills. Such stories were always afoat, and no credence was given them until some deed of violence had been committed. It is had been, planned by half, a dozen of cheens and their wives to hold a picnic ferminal to the control of the control of

To wash blanches a very life a true in mediately with blanches and amounta and lay a blanket over it, ower mediately with blanches and amounta and lay a blanket and amounta and lay a blanket and amounta and lay a blanket and loansens the dirt. The blanket should then be street about the one was a factor of the same temperature at the first, run lightly through the blanket and loansens the first and lay the mounted one in front of them armed with revolvers. The major amount to know host that we will be effect three of four rounds appece the recent called out to know host the which is added a cup of a six and county water to moisten well. This will brighten the carpet and keep the moths out.

To remove a rusty screw, first apply a very hot front to the head for a short time, then immediately use the arrew diver.

To remove a rusty screw, first apply a very hot front to the head for a short time, then immediately use the arrew divers.

To remove a rusty screw, first apply a very hot front to the mother and could be supposed to certain death. It was a more first and the same hotter and could be about giving something to St. Lake's Host and the supposed to certain death, as a she had always understand the supposed to certain death, as as the hot and went up the loft (prev to attack the camp we was a such interested as they. #### **RUN-DOWN WOMEN**

Find Health in a Simple Tonic

Find Health in a Simple Tonic.
How many women do you know
who are perfectly well, strong and
healthy as a woman should be? They
may not be sick enough to lie in bed
—but they are run-down, thin, neronis, tried and devitalised.
Women are no active nowadays,
and so minch is expected of them,
that they constantly overed and sufhealth of the strong the strong services
have been and the strong the strong
mess and kindred lils.
Such women need Vinol, our deliclous cod liver and iron tonic without out which will create an appetite,
now up the dipestive organs, make
pure blood and create strength.
Mri. Walter Price, Bloot, Miss.,
says: "I was in a run-down condition
for months, I had taken several medicines but they seemed to do me no
sood. Finally Vinol war recommended, and from the first bottle I began
for months, I had taken several medicines but they seemed to do me no
sood. Finally Vinol war recommended, and from the first bottle I began
as ever."

Try a bottle of Vinol with the uncertanding that your money will be
returned if it does not help you.

P. S.—Try numbers and blotches try

Try a bottle of Vinel with the un-derstanding that your money will be returned if it does not help you. P. S.—For pimples and blotches try pur Saxo Saive. We gurantee it. Karl F. Webber, Druggist, Plymouth
