President Wilson has had much to say about his 14 points.

Plymouth has but one but she is doing her best to make that one point worth while.

Wednesday morning came Elmer Ervin and his good son, Walter, with two big strong teams, plows and scrapers.

Men from town joined in the work with axes, rakes and mattocks, and by noon the trees to the number of eleven were uprooted and hauled away.

A big shipment of shrubs are here ready for planting as soon as the ground is crowned and in shape.

Grass seed will be sown in abundance, and by August the results of the labor should be reflected in a green sward and much bloom.

The only handlamp now in found in the cave of electric light and telephone poles, but these will be painted and made as sightly as possible.

Of course you cannot have a fullblown park in one season, but the start is a fine one and already is a far cry from the straggled weed patch of yesterday.

Next season will find additional effort and ultimately it will be a fine grass plot with abundant bloom and foliage.

And aside from the work being done, is the notable community spirit that is doing it. It is fine to do something like that usefully.

**Mr. Member.**

Don't stay away from the Chamber meeting of Wednesday evening, May 21.

That's the night the Commissioners of Huron and Richland townships are to present.

Mr. Carley, Mr. Ralston, and others, please look after the music.

The hour is 8 o'clock, and you should sit in on this good roads night.

**Barnes' Baby Chicks.**

Postmaster Barnes was hove to 2500 baby chicks, arriving Tuesday in the Northern Ohio mail for transfer to the B. & O.

Not long ago the postoffice in a neighboring town received 100 chicks by mail and there was much comment. That wouldn't make a "peep" in Plymouth.

But when you get over 2000 little noisy fellows in one consignment, there is enough music to make you listen.

These came from the hatcheries at New Washington and Chatfield, and indicate that the industry is pretty busy down that way.

**The Junior-Senior Reception.**

The Junior-Senior reception given in the Chamber of Commerce Friday evening was one of the most elaborate and most enjoyable ever held.

The decorations were elaborate, and the setting for the banquet class functions.

Covers were laid for twenty-seven, and the program as published last week provided abundant interest.

The address of Harold Morrow, townmaster, was exceptionally worthy, and given with an ease and composure not usually found in the Junior are and experienced.

The young folks were delighted with the convenience and environment which the Chamber headquarters provided, and like all who are interested in such a community center, voiced their appreciation unenthusiastically.

On April 29, the Supreme Court of Ohio affirmed the decision of the Court of Appeals in the Tiro Consolidated School case, thereby dissolving the injunction that prohibited the Board of Education from issuing bonds for \$400,000 to build a new school house on the E. P. Johnson estate at Pleasant Hill, near the town of Pleasant Hill.

That's the day everybody begins to trade in their old coats. It's the day that starts two big weeks that will lead up to Saturday evening May 31.

On Saturday evening May 31, the merchants of the first band concert the merchants will give away thirty big dollars in cash.

Eighteen people will get prizes. Fifteen will get one dollar each and three will get five dollars each.

Who will get the first dollar? Will it go to some one in the country, or will someone in town get it? Who will get the first five dollar prize?

Our notion is that the prizes will be about evenly divided between town and country.

All you have to do is to trade in your Plymouth during those two weeks, and don't forget to ask for the tickets. Get all the tickets you can get. Every time you trade a

dollar's worth you get a ticket. They cost but one cent. If you trade five dollars worth, or one dollar, or twenty dollars, get a ticket for each dollar.

When you get the tickets write your name on each one. Drop them in the boxes. If you come back the next day, or at any time within the two weeks, get a ticket for every dollar you spend.

When the first prize is drawn, remember you are still in for all the other prizes. Even though you get the first dollar you have a chance to get some of the other prizes if you have tickets in the big drum.

Where do you find these tickets? Who will find them at:

- Ralston's Nimmions & Nimmions
- Chappell's
- Clark Bros.
- Lofland's
- Miller's Furniture

Elison Taylor's J. W. McIntire's Judson's Pharmacy Webber's Drug Store McClincey's Harness Shop. Kappenberg Bros. Mackellogg's Clothing Rogger's Shoe Store Edw. Curpen's Jewelry J. L. Price's Jewelry.

Tell all your friends. Tell them to trade in Plymouth from the 19th to the 31st. You can get tickets up to 8 o'clock Saturday evening on the 31st.

- First ticket out gets ..... \$1.00
- Second ticket ..... 1.00
- Third ticket ..... 1.00
- Fourth ticket ..... 1.00
- Fifth ticket ..... 1.00
- Sixth ticket ..... 1.00
- Seventh ticket ..... 5.00
- Eighth ticket ..... 1.00
- Ninth ticket ..... 1.00
- Tenth ticket ..... 1.00
- Eleventh ticket ..... 5.00
- Twelfth ticket ..... 1.00

- Thirteenth ticket ..... 1.00
- Fourteenth ticket ..... 1.00
- Fifteenth ticket ..... 1.00
- Sixteenth ticket ..... 1.00
- Seventeenth ticket ..... 1.00
- Eighteenth ticket ..... 5.00
- Total ..... \$30.00

The band will throw in a selection after each \$5.00 prize. It will be a big night.

Don't forget to ask for the tickets. Don't forget the 19th to the 31st.

Don't forget to be in Plymouth on the big drawing night.

Plymouth is a humdinger of a town, and she's going to have the busiest summer in her history.

The advertiser wants to start her off with a big concert, a big crowd, and a little cash scattered about just to put a little wind in the old town's sails.

When it's all over we will publish the names of the winners.

## ATTENTION!

Members of the Chamber of Commerce will please take note that--

The Commissioners of Richland county and the Commissioners of Huron county will meet with the Chamber Membership.

Wednesday Evening May 21.

This is to be a conference night on the Plymouth-Shelby and the Plymouth-New Haven roads, and your presence will help mightily. There is a manifest spirit of cooperation in this meeting, and the stronger we are the stronger we can cooperate.

Of course there will be eats and orchestra, and song, but down under it all there will be business--road business. Now listen. Don't miss this night. We want to snuggle up close and get these commissioners to see the light.

Remember the night, Wednesday May 21. Remember the hour, 8 o'clock. Remember the purpose, good roads. Remember your duty, get here. Remember the eats and melody and song. Remember the guests, six commissioners.

### Death of Mrs. Rose Bachrach.

Mrs. Rose Bachrach died Sunday morning at her home on Porter street, after a lingering illness.

Recently she returned from a hospital in Pittsburg, whither she had been taken in the hope that something might be done that would spare her life to home and family, but without avail. Gradually she grew worse and died closed her earthly career and put an end to her suffering.

Mrs. Bachrach loved her home, and labored incessantly in the interest of her husband and two children, Rosemary and Robert. She was admired for her devotion and sacrifice and was loved by all who knew her, and all were her friends.

Prior to her marriage she was connected with the telephone exchange, and for fourteen years served as clerk in the local post office where her accuracy and courtesy endeared her to its patrons.

Funeral services were conducted Tuesday morning at 10 o'clock by Rabbi Wolsey, of Cleveland. Interment made in Greenlawn.

### Death of Mrs. Maria Blymer.

Funeral services for Mrs. Hannah Maria Ray Blymer, widow of John Schell Blymer, who died at Dayton, Fla., last Friday, were held Thursday morning at 10 o'clock at the home of her niece, Mrs. W. M. Weldon, 55 Marion avenue.

She was born at Chatman, N. J. Dec. 20, 1829, moved to Ohio in 1834, and was married in 1851. She united with the First Congregational church of this city in 1843 and has always retained her membership and interest in this church, of which she is the oldest member. She moved to Dayton in 1892. Even at the advanced age of 90, she displayed the same energy, cheerful disposition which had endeared her to her Mansfield friends in earlier years. She is survived by a brother, Adolph Frank Day, of Glasgow, Va., Mansfield News.

**Well, Look at the Carnera Grand.**

Edw. B. Curpen, Jeweler, placed a quarter page ad in the Advertiser, telling the people about the Carnera Grand, and right away the people came and took three instruments, all he had. Now Ed is wiring for more and carrying the copy in his house that you read in the Carnera Grand. It is only come.

### Commencement

The Commencement exercises of the Plymouth High School will be held in Hamilton's hall Thursday evening May 22 at which the graduating class will produce "Stargazer."

Sets for this event may be secured at H. H. Chappell's cream station on Tuesday evening at 7 o'clock. This location has been chosen because of the room it affords for the line up for the ticket sale. After Tuesday evening the plat will be removed to Judson's Pharmacy.

Get-in line early Tuesday evening next if you wish choice seats for this interesting event.

### Mrs. Ada Tilton Dead.

Mrs. Ada (Lyon) Tilton died at her home on Trux street, Monday, May 12, 1919, aged 48 years, having been born in Huron county, March 22, 1871. Her husband died two years ago.

She had been in failing health for several years, and her passing leaves two children.

Funeral services were held Wednesday at 2 o'clock from the home, conducted by Rev. C. B. Phillips, pastor of the Presbyterian church.

Miss Harriet Rogers and Miss Gladys Phillips contributed the song service. Interment in Greenlawn.

### Ice Weather Is Here.

Ice weather is here, and Plymouth is fortunate in having a good supply and prompt delivery by Beaver Bros.

Delivery days will be Monday, Wednesday and Saturday forenoon, in the residential districts, and in the business section daily. Ice blocks in \$3.00 and \$5.00 sizes are ready for your purchase, and now is the time to open your ice box, hang out your ice card, by Beaver Bros. for a new one.

Ice is no longer a luxury. It is a necessity, and you are fortunate indeed to have good pure ice at your beck and call.

### Sunshine Now.

Tuesday morning when we awoke found our slumber the square was full of sunshine to the house-tops and above, and pouring through all windows and doors. Life seemed good, and we got out of bed, leaving expressions of a single dreary day.

### At The Warner.

The banquet given at the Warner Hotel Thursday evening of last week was attended by about sixty, the occasion being in the form of a welcome to Ross Sourwine, who recently returned with the 332d from Italy.

It grew out of the fact that on his departure more than a year ago a little dinner was given, at which a silk flag was presented him by George H. Scott, of Norwalk, Great Recorder of Records, of the Macabees of Ohio.

This flag was accepted with instructions to keep and carry same through the service and bring it back unsoiled. These injunctions were religiously obeyed, and in recognition of the discharged trust, it was thought fitting to assemble the company again.

O. A. White spoke briefly, welcoming Ross and all the boys, and introducing Judge Suhr, of Norwalk, head of the sick and accident department of the Macabees. Judge Suhr emphasized the service and loyalty of the boys, and was followed by Mr. Scott. West Broadway, Rev. Hollett, pastor of the M. E. church, officiating.

The marriage of Mr. Thomas Perry of Hamilton, Ohio, to Miss Emma J. Thomas, of Philadelphia, was solemnized Wednesday evening at 6 o'clock, at the home of Mr. and Mrs. Herman Thomas, on West Broadway, Rev. Hollett, pastor of the M. E. church, officiating.

Mrs. Perry is a sister of Mr. Thomas, and her friends here wish her the fullest measure of happiness in the relations they have chosen.

### Mother's Day Observed.

Mother's Day was most appropriately observed in Plymouth. The congregation at the M. E. church, Sunday morning, was unusually large and listened attentively to Rev. Hollett's sermon built around the theme: Jesus' Appreciation of His Mother.

At the Lutheran church the attendance was also larger than usual, and the music inspiring. Rev. Smith preached an interesting sermon, and intercessory prayers clustered around the always inspiring themes of motherhood and mother love.

### All Checks Good Now.

On and after June 10 of this year a bank check will be the same as a bank note or United States paper money, in the way of transactions in business in the state of Ohio. On and after that date any one issuing a bank check on a bank in which he has no deposit, or insufficient funds to cover the amount of the check, is subject to a fine on conviction of from \$50 to \$200 and imprisonment of from one to three years, or both. This law was inserted in the new banking code at the request of the Ohio Association of Credit Men and the bill has been signed by Governor Cox.

### A Record Price Paid For Hogs.

The Tiro Equity Exchange Co. shipped a car load of hogs to Cleveland, Monday, paying \$30.05 per cwt. This was the highest price ever paid for our bred ones.

Miss Ruby and Mrs. Nixon, of Cleveland, were guests Sunday of Mr. and Mrs. W. H. Nimmions.

### Card of Thanks.

We thank all our friends who were so kind to us during the illness of Mrs. Rose Bachrach and Family.

### Matinee.

There will be a matinee Wednesday for Heart of Humanity. It will begin at 2 p. m., as it requires two hours to show the film.

### Philis Maryland's Party.

Little Miss Phillis Maryland Clark held her first little party at her home on Mills avenue last Saturday.

The occasion was her first birth anniversary, and she was hostess to Master George Clark, Miriam and Ruth Root, Mildred and Charles Shesley, Carrie Steiner, Leslie Smith, Perry and Alice Ritter, Jane and Elizabeth Sykes, and one little soldier boy, Freddie Koeler. Her mother, Mrs. R. G. Clark, was present.

### Misses Ruby and Mrs. Nixon.

Misses Ruby and Mrs. Nixon, of Cleveland, were guests Sunday of Mr. and Mrs. W. H. Nimmions.

We were talking the other day with an enthusiast on horsehoe pitching.

That's an old game, and age has not robbed it of fun and interest.

We'd like to see a pitching contest staged some afternoon between the Richland and Huron county sides.

Or, between any division that would get row exciting.

They tell us that Charles Brown, Manager of Local Telephone, is the tallest onk in these parts when it comes to laying the steel close to the peg.

Whether there is any other art route here that can make it interesting for Mr. Brown is a matter for development.

We might make the contest territory include New Haven and Plymouth townships. This would take in the farmers, and some of them are hard to beat.

Some say make it suits, but we like the old fashioned shoes at about 35 or 40 feet.

Of course we are all awfully busy now, but some of these Saturday afternoons it wouldn't hurt to rest up a bit, and pitch off the contest while we are resting.

If there was a good stiff prize to pitch for it would put zest in the event.

We'll back Mr. Brown and Doc Babeek against any other two comers.

### Frank P. Willett Sells Farm.

Frank P. Willett sold his farm of 154 acres Wednesday to A. A. Richards & Son, Willard, for \$15,000. The deal was consummated through the Perry Immel real estate agency.

Mr. Richards formerly owned the Elevator Willard. This is a highly regarded thrifty citizen and we are glad to have him interested in this vicinity.

### New Premier Auto.

C. S. McDonough arrived Wednesday from Cleveland with a new seven passenger Premier which he delivered to Karl E. Webber.

It is a beautiful car and Mr. McDonough, who has the Cleveland agency, is enthusiastic over its lines and performance. So firm is its hold on the public that it is outstripping competitors in sales, and many are placed in the hands of Premier fanciers in the last two weeks.

It is probable that other sales will be made in this vicinity as the delivery yesterday is exciting much favorable comment.

### Little Miss Phillis Maryland.

Little Miss Phillis Maryland Clark held her first little party at her home on Mills avenue last Saturday.

The occasion was her first birth anniversary, and she was hostess to Master George Clark, Miriam and Ruth Root, Mildred and Charles Shesley, Carrie Steiner, Leslie Smith, Perry and Alice Ritter, Jane and Elizabeth Sykes, and one little soldier boy, Freddie Koeler. Her mother, Mrs. R. G. Clark, was present.

It was a merry day for the big and little folks, and refreshments were served.

### The Best Laying Hens.

The great secret of securing eggs is really no secret, for every experienced person knows that everything depends upon the conditions. It is not always the breed or the feed that makes the hen lay. The main point is, not to make a laying hen fat. If you have hens for market that are to be fattened, remove your laying hens. Keep the market hens confined closely, but keep your laying hens at work. The secret of making hens lay is to have them always busy at scratching. It is something they should be compelled to do from the time they come off the roost in the morning until they go on again at night. The laying hen is a scratching hen. The idle, lazy hen never lays. Do not forget the fact.

### DELPHI.

Carrol T. Pest, a young man of 20 years, from Berlin Heights M. E. church, delivered the minute man's address in Delphi last Sunday. That shows a man's zeal he will drive 35 miles to deliver a 5 minute address. It was a great comfort to our church goers, and an honor to himself and God.

James Dellervar who has been serving his country in overseas service for the past year in France is visiting his mother. He has re-enlisted for three years and leaves for Camp Sherman Friday when his regiment leaves for the Sandwich Islands and Japan for one year thence to Panama.

The annual thank offering services were given by the W. F. M. S. was well attended last Sunday evening. A good collection was taken. Mrs. Emma Silliman is the president and Waneta Boardman the secretary.

H. D. Fessenden, son-in-law of W. G. Blackmore, is dangerously ill from double pneumonia at his home in North Fairfield.

Ripley township Sunday School Convention will be held in the Delphi church, Sunday afternoon and evening, June 1. This will be the 49th. The boys and girls congress of Ripley will stage the program for the evening. It will be wonderfully patriotic in keeping with the annual Ripley patriotic services.

Mrs. J. S. Lewis who has been ill is now much improved. Her sister, Mrs. Addie Silliman is her nurse.

Clarence Boose, Harry Keiser, F. L. Reeber, and James Dellanover with overseas service were with relatives here. James Dellanover will return to the service for three years.

Corinne Gleason missed her high school work in Greenwich last week on account of illness.

Mrs. W. G. Blackmore, who was recovering from several weeks of illness has taken a relapse and is again under the physician's care.

H. H. Sibbett is busy with his foreman on the farm, building fence and making general repairs.

G. A. Fessinger had the misfortune to lose one of his work him a roving.

The "Old Maid's Triumph" was a most interesting and laughable play staged recently at the Delphi church, by members of the North Fairfield M. E. church. The house was packed. The musical features with Mrs. A. R. Brown as star actor was the best.

H. H. Sibbett and the writer had the privilege of attending the U. B. Sunday school at Willard, where a drive was made for 700 attendees, and went over the top at 749. The writer was on the program for the occasion and was somewhat startled to look into such a sea of faces beaming with enthusiasm.

Come to the Huron county Sunday School Convention, Norwalk, May 20 and 21. O. A. White, of Plymouth, has accepted a place on the program for Wednesday afternoon.

### Bucyrus Hotel Sold.

Hotel Reber, Bucyrus, was sold last week for \$35,000 to George and Thomas Gianakouras, Greek restaurant men.

The acquiring of the property two years ago by Messrs. Kiess and Myers presented the amusing anomaly of two active "dry" workers and members of church owning the home of a saloon, while at the same time they were aiding and directing active efforts to put the saloon as an institution out of business.

The lease held by Hagamier & Roelle at the time Kiess and Myers purchased the saloon thru T. M. Drolesbaugh, as agent, could not be disturbed and it ran until expiration. The coming of dry Ohio being only a few weeks further on than the expiration of the lease, the saloon proprietors were permitted possession until they automatically go out of business.

Miss Bess Gambee of Attica, who went overseas in May 1917, with Base Hospital Unit No. 12, from Cook County hospital, has arrived in time from New York city. Miss Gambee went overseas with the first nurses contingent sent over after America declared war, and was with Miss Edith Ayers, another Attica nurse when she was killed by a bursting shell aboard the transport Mongolia. Miss Gambee was stationed at Etahle near the channel and the hospital at which she was stationed was made the target several times for German raiding parties. More than fifty automobiles went from Attica to Bucyrus to meet Miss Gambee, and on arrival in Attica was banqueted and otherwise accorded much honor and attention.

### This Horrid Weather.

As we write this the temperature is low enough to make us light the gas and the sun is hidden above a thick gray blanket of clouds that make for gloom and discomfort.

When you read this it may be warm and the sun may be flooding mother earth with a deluge of brilliancy. If so you have probably forgotten the past and are neck deep in your delayed farm and garden work.

Nevertheless, this isn't such a cold May after all. Only two years ago it was colder. The average for the first ten days of May 1917 was 44 degrees. The average of the present May for the first 10 days was 54, or 10 degrees warmer.

But in the matter of moisture it is the wettest since 1910. In inches of rainfall, taking Cleveland as a district, the rainfall since 1911 to the present, and covering the first ten days of May is as follows:

1911	32 inches
1912	74
1913	10
1914	1.09
1915	.49
1916	.40
1917	.28
1918	.33
1919	.181

Up to May 1, 1919, the deficiency of rainfall for the year was 3.44 inches, and it seems to be willing to supply the lack.

It will all come out in the wash, and the cold weather is really helping the wheat.

Compare **Goodrich 375's** with other **Ford Car Tires**

If you have not used these husky, *de luxe* tires for the Ford car, go at once to a Goodrich dealer and say to him, "Give me a Goodrich Three-Seventy-Five."

Compare it with an ordinary Ford-size tire, and you will find it bigger and burlier in every way.

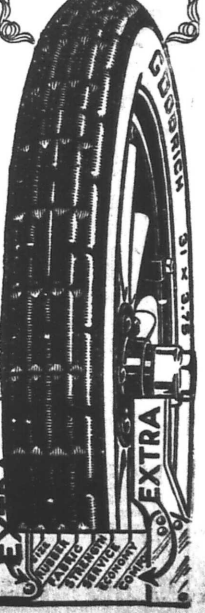

As a matter of figures and measurements, it is an inch bigger on the circumference, and much thicker in the cross section—that is, a 31 x 3 3/4 inch tire.

That extra size means a finer looking, easier riding Ford car to begin, and a longer lived car and tires in the end.

Though "Three-Seventy-Fives" cost a little more at the outset, built to meet the essential needs of the Ford car and bring out its known virtues, they soon reveal a greater dollar economy, which makes it the better buy in the long run.

**It Isn't Your Town, It's You!**

If there is one idea that we like to harp upon it is that which says that a town is a reflection of its citizenship, and that when they say a town is "dead," they are simply declaring that the business men of that town lack energy.

It is a thought that should be pounded into the heads of the business men everywhere. Houses, store buildings, churches, theaters, etc., don't make a town. It's the men of the town; that are the town. If the town is dead, it's business men that are in that condition. Pundt that thought eternally home, and the merchants will be slow to say, "My town is dead." He doesn't like to feel that he is declaring himself ready for embalming.

Remember this. When you see a big rock rolling ponderously up a steep hill, you know without going back of it to look, that there is some force behind that rock that is pushing to beat the band; and when you see a town that is going forward steadily and surely, overcoming the obstacles that all growing communities have to encounter, riding down its little, old-time, good-enough-for father

and good-enough-for me obstructionists, you will know without the question of a doubt that good men and true are behind that movement, and that they have their shoulders to the job. There may be exceptions to the rule—and if so they only serve to prove the rule—but the fact is that towns and cities are only what their citizens make them, and in such matters, "citizens" means "business men."

You say, "That town has great possibilities," and it is all bosh. Human possibilities are man-made; nothing else. They say, "You can't make a silk purse out of a sow's ear," but the truth is that a skillful man can make a purse out of a sow's ear that has a silk purse skinned to death. It isn't so much what you have, as what you think you have, and what you make others think you have. Half a loaf to a wise man is worth more than a whole bakery to the man who does not realize the value of his possessions.

You say, "My town is dead," and you immediately contribute liberally toward its burial ceremonies. Your town is what you and your townspeople think it is. Reverse your attitude. Instead of thinking it's dead—think it's alive, and you will immediately begin to contribute toward its enlightenment. Say it's alive, and get others to saying it. They will soon be believing it, and when they begin to believe it, it will become a fact.—Western Lumberman.

If the Germans are slow enough in affixing their signatures, they may keep President Wilson in France long enough to win a service stripe.

**Not A Freak Stunt.**

Some people think that successful advertising is an occasional freak stunt of some kind that will make people talk. This sort of thing once in a while will pay; but certainly is not real advertising. The real results from advertising are secured only when you keep doing it week after week and month after month.—Popular Store-keeper.

**The Most Potent Force.**

Journalism is the most potent educational force in the world. The greatest responsibility rests upon the owner or editor of a newspaper. Those who are true to the higher ideals which they have the opportunity of inculcating thru their newspapers will materially aid in blessing the world with liberty and happiness and peace.—Louis Wiley, Business Manager of the New York Times.

Then if also an S, and an I, and a G,

There's nothing much left for a speller to do.  
But go, commit siouxeyesighed!

**Obituary.**

Mildred Elizabeth Brinson, daughter of George and Mary Brinson, was born July 23, 1906, Ripley township, Huron county, and departed this life May 5, 1919, at Loudenville, having reached the age of 12 years, 9 months, and 7 days.

Last summer Mildred suffered a nervous breakdown and in September went to Loudenville where she took treatment in the hope of regaining her health. She appeared to be in an improved condition and on the road to recovery, when a delicate child, the lost health could not be restored and all that willing hands could do seemed to no avail and on Monday morning death stole in and claimed her for the grave, but her pure spirit returned to the God who gave it, and she passed peacefully away at the home of her grandmother, Mrs. Sarah Hannan, where she had spent the past eight months, her parents gratifying her wishes in every way as it was her desire to visit there.

While in Loudenville, she became an active member in the Baptist Sunday school, and when her health permitted her, was always to be found in her class. She was of a kind and loving disposition, as willing to share others sorrows as well as their joys, and in the school possessed the friendship of a large circle of schoolmates.

A child, in all her innocence, has gone from our midst. Her life has been like a rose that buds, blooms, sends forth its refreshing fragrance and early falls back to earth. Her beautiful, pleasing smile and buoyant hope has left an impression on the minds of her friends that will linger in their memories forever.

Her body lay in state in the home of her grandmother at Loudenville, where many friends took their last view and on Tuesday morning, her father, accompanied her remains to their country home.

She was the eldest child and leaves her father, mother, three brothers, James, Robert, and Frank, one sister, Lena, an infant sister Martha Jane, having preceded her in death in May 1913. Besides these, she will be sadly missed in the community of Loudenville and Plymouth, where she was best known by a large circle of relatives and friends.

**Card of Thanks.**

We desire to thank our friends and neighbors for their many kind expressions of sympathy and bereavement of our daughter. To those who furnished their autos, also those who sent floral tributes, to Mr. and Mrs. E. Willett, for their singing and to Rev. Brown for his words of consolation.  
Mr. and Mrs. G. W. Brinson and Family.

**Thoughts on Thrift.**  
By Ben Franklin.

Save and have.  
Every mickle makes a muckle.  
Little strokes fell great oaks.  
A rolling stone gathers no moss.  
God helps those that help themselves.

Spend one penny less than thy clear-gains.  
Look before or you'll find yourself behind.

The way to wealth is as short as the way to market.  
He that waits upon fortune is never sure of a dinner.

Money can beget money, and its offspring can beget more of its kind. It is foolish to lay out money in a purchase of repentance.

Learning is to the studious and riches to the careful.  
Waste neither time nor money, but make the best use of both.

Remember that money is of the prolific, generating nature.  
Things are cheap to the saving, dear to the wasteful.

If you would be wealthy, think of saving as well as getting.  
Beware of small expenses; a small leak will sink a great ship.  
A penny saved is a twopenny clear. A pin a day is a great a year.

One may be temporary and uncertain, but expense is constant and certain.  
Buy what thou hast no need of, and ere long thou shalt sell the necessities.

It is easier to suppress the first desire than to satisfy all that follow it.

**Extravagance Versus Saving.**  
Extravagance gets character; train youth away from it. On the other hand the habit of saving money while it stiffens the will, also brightens the energies. If you would be wise that you are beginning right, begin to save.—Theodore Roosevelt.

## Out of Town For An Evening.

Last Friday evening we glided through the storm over to Willard, in answer to a telephone call asking for an address, the occasion being a banquet given by the men of the U. B. church. In speaking of the event the Willard Telegraph prints as follows:

In every contest someone must lose. So it was in the Otterbein Bible Class of the First U. B. S. S. The Reds were defeated in the membership campaign just closed but the class and Sunday School were surely winners along with the Blues.

The Blues under the leadership of Mr. Jno. Milburn are to be congratulated on the quantity and quality of their work and while they won in the race, they were pushed every inch of the way by the Reds with their captain, Mr. A. N. Richards.

On last Friday evening the Reds true to their agreement invited the Blues to a banquet which so far as a "feed" was concerned, was sure a success, and a credit to the Reds and the King's Daughters Class who prepared it. After dinner Editor O. A. White, of Plymouth, gave the class an address of such a high order as is seldom heard from any platform. His proposition was one to appeal to the men and was put to them in such a forceful and pleasing way as to leave open only one course to pursue, and that was to accept it and stand for the church and the highest type of citizenship. The men are still congratulating themselves on the fact that White is such a Christian and want to say "Come again Mr. White." Willard Telegraph.

MY HEAD!

America's Immortals. Most striking instance of gallantry for which the Distinguished Service Cross has been awarded.

The only criticism that foreign military leaders had to make of the American soldiers was that they would not stop when their objective was reached. The records of the war department bear out this criticism.

Private Stockton was decorated for exceptional heroism in action near Beaumont, France, November 9, 1918. While a member of a patrol sent to reconnoiter the launch of the Moselle river, he was severely wounded.

DAIRY PROFITS BIG

Splendid Returns From Farms in Western Canada.

Production of Butter and Cheese, Commanding Highest Prices, Increases Steadily—Livestock Raisers at Height of Prosperity.

Dairying is rapidly approaching one of the first positions in Western Canada as a profitable industry. This does not apply particularly to any one of the three Western Canadian provinces, as they all participate in the distinction.

No better evidence of the growth of Western Canada can be given than by the fact that in ten years the production of butter has increased from 2,500,000 pounds and of cheese from 88,570 to the 650,000 pounds.

Further evidence of the great interest taken in the dairy and livestock industries is found in recent bull sales. At Edmonton the average price of 141 was \$221.95.

There is complete government supervision over creameries and cheese factories. The government takes care of the sales, looks after the manufacturer and employs a host of the institutions' highly paid and efficient managers.

It may well be said that the dairy industry of Western Canada is rapidly coming into its own. As present it is but an adjunct to the parent or foremost industry of the country—the growing of grain, but with an adjunct, it is a highly important one.

The reports from government sources that the present year will show a 10 per cent immigration over the past four or five years. The man who has made a tour of inspection of the country will give you the reason.

Letter From Charles Pottit.  
San Francisco, Calif.  
May 4, 1919.

Dear Folks:  
 Haven't heard from you for several days but hope all are well. Was in Portland, Oregon, last Sunday, arrived there about noon and left early Tuesday morning. Had a dandy time there. Autos were furnished to take us out the Columbia highway on Monday afternoon. About a 100-mile drive along the river, and some of the prettiest scenery I ever saw. They gave us a banquet in the evening. We received orders while at Bremerton to make this trip to San Diego, then return to Bremerton and put the old "Tub" out of commission. So I'm hoping to be released as soon as that takes place, which will be sometime in June.

I hope you have had some good news from Wilbur stating that he will soon be home. Possibly he is there already.

We arrived here on Thursday evening. Had a parade yesterday at one o'clock and a sham battle between the U. S. S. Oregon and submarines. A few sub-chasers helped us out. We fired twenty-type shots, but nobody hurt. This took place just inside of the Golden Gate at four o'clock.

Will close, as I'm in a hurry. Have an appointment to take some young folks on board the old "bottle wagon".

With Love,  
Charles F. Pottit.

### Obituary.

Minnie Rose Wright was born in North Fairfield township, April 4, 1871 and died May 4, 1919, aged 48 years and 1 month. She was the youngest daughter of Abel K. and Esther Ann Wright.

She was married Jan. 1, 1890 to James E. Southard. To this union were born three children, Leo K. having preceded her to the other world seven years ago, two of whom still live to mourn the loss of mother, Dale W. and Marg Esther, who reside at the Southard homestead.

She leaves to mourn her loss her husband, two children, one grandchild, two brothers and one sister, and a host of friends.

Funeral services were held last week Tuesday at 1 o'clock at M. E. church, Now Haven, Rev. C. J. Coby of Wellington, conducting the service. Interment in Maple Grove cemetery.

Those from a distance were Mr. and Mrs. Kent Southard of Cleveland, Mr. and Mrs. Frank Wilford and daughter, of Elyria, Mr. and Mrs. L. E. Wright of Youngstown, H. L. Wright and family of Greenwich, Mesdames H. F. Dickinson and F. P. Vogus, of Lorain, and Mrs. C. J. Kilmer of Amherst. Another hand is beckoning on. Another call is given and once More glows with angel feet. The path that leads to heaven.

### Resolutions

The W. M. Society of New Haven submit the following resolutions:

Whereas, The hand of divine providence has removed our beloved sister and co-worker Mrs. Rose Southard, from the scene of her temporal life to the beautiful home beyond;

Resolved, That the sudden removal of such a life from our midst leaves a vacancy and a shadow that will be deeply realized by all the members and friends of our society, and will prove a serious loss to the community.

Resolved, That we recognized in her one of our esteemed and untiring workers, and that we ever hold in sacred memory the friendly face of one who always had a smile and kindly word for all.

Resolved, That with deep sympathy with the bereaved relatives of the deceased we express our hope that even so great a loss to us all may be over ruled for good by Him who doeth all things well.

Resolved, That a copy of these resolutions be spread upon the records of this society, a copy printed in the local paper, and a copy sent to the bereaved family.

The gilded gates were open. A gentle voice said "Come". And with farewells unspoken. She calmly entered Home.
