VILLAGES SHOW CENSUS GAIN

Willard and Greenwich Show Gains While Shiloh Shows Noticeable Increase

Increase in population since the 1920 census are shown in the villages of Lucas, Shiloh and Butler, according to a report issued Friday by Clifford Frye, of Newark, supervisor of the census in the seventeenth congressional district.

Frye further reported increases in Willard and Jackson townships and a slight decrease in the number of persons residing in Jefferson township including the village of Belleville.

In the population survey reports Frye stated the figures are preliminary and are subject to correction although there is every reason to believe they represent accurate activity on the part of the census taker in each particular district.

The three villages and the same number of townships are the first to be recorded since the population count of 1920 was started in this district. Additional figures on Richmond county, villages, cities and townships are expected later.

In the village of Butler the 1930 census count was placed at 634 as compared with 622 on January 1, 1920.

Lucas shows a gain of 32 persons over the 1920 census. This year the population is placed at 396 as compared for the 1920 census.

A noticeable increase is shown in the population figures of Shiloh village. A total of 517 persons are recorded this year. In 1920 the figure of 490 represented this village's population. In this area nine farms are listed.

Both Willard and Greenwich have grown since 1920. Willard boasts an increase of 618, while Greenwich lists 130 more names.

The total population of Greenwich is now 967, and Willard totals 4,507. The official count in 1920 was 3,588. Shadydale, a town near Bellaire, Ohio, increased 1000.

CLASS PLAY ON FRIDAY NIGHT

Senior Class Students to Thrill Audience With Mystery Play at the High School.

"The Yellow Shadow" will roam Plymouth tomorrow night. This warning has been issued by Sheriff Macklin, all announcements by the sheriff should be closely observed for this worthy gentlemen has only recently completed a detective correspondence course and understands all methods used by suspicious characters.

"This particular shadow will make his headquarters at the High School building. It is understood, and the public is being requested to form part of the posse. The group will await the shadow in the Auditorium at 7:30."

In case you do not understand this notice which was brought in for publication, an explanation will be given by the class of 1930 Friday evening, at the high school building. The plot, to be explained, is woven around Nell Travis, Gilbert Wraith, Alice Perkins, Mildred Marvin, Hazel Wyrne, Jed Travis, Herbert Marvin, Sheriff Macklin, J. Steel, Wong Song. To be sure of a position in the posse which is to capture the shadow, secure a reserved seat at Webber's Drug Store.

THOMAS HIMES SUFFERS BREAK IN LEFT ARM

While high jumping in practice for the intramural field meet Saturday, Thomas Himes, son of Rev. and Mrs. A. M. Himes, had the misfortune to land on his left wrist and suffer a break.

While the injury is painful, the arm is healing quite nicely. Himes is in the eighth grade. This is the second time that he has broken his left arm, the break before coming at the elbow. The field meet was sponsored by the local Lion's Club, and directed by Rev. A. M. Himes.

BRIGHT BOYS

This is Plymouth's "Believe it or not." Four radio fans were attempting to raise a pole for the antenna. They worked hard and long. They figured, fumed, fretted, and finally raised the object. Just step back and observe the result. What? (Truth is stranger than fiction)—they had set the pole up okeh, but, alas, it was through two rungs of the ladder they had used! And so they had to knock the ladder apart in order to free the pole. This happened Monday night. And would you believe it, the principle characters were Johnny and Jasper Vogel, Frank Beberick and Kenneth Horner.

BOOK PRESENTED TO LIBRARY BY W. C. T. U.

A good many decisions regarding the success or failure of the 18th Amendment have been reached with knowledge of only one side of the question. While reading the accounts of where prohibition has succeeded, where prohibition has failed, why not also read the other side?

Those who see only one side of life, the one broadening side, are those who denounce what they do not understand. The dry side of the question is put forward in an economic treat by Samuel Crowther in his book Prohibition and Prosperity, which has been presented to the local public library. It is the privilege and duty of all interested in problems of life to be informed on all sides of a question.

Crowther, a journalist, and an authority on economics, wrote, with Henry Ford, "My Life and Work," "Moving Forward," and has contributed to the Saturday Evening Post, World's Work and other leading magazines. His states "Prohibition is fundamental to our prosperity—the greatest blow which has ever struck poverty." The moral side of the question has been discussed ragged. Crowther discusses the economic side of the affair. He considers the workman's efficiency, the workman's bank account, and of owned property.

GOVERNOR STILL HAS AUTHORITY

Cooper Refused to Remove Warden Thomas On Demand of State Prisoners.

COLUMBUS, May 8.—"The flag of authority will never be hauled down in Ohio while I am Governor."

With these words, in flatly refusing to remove Warden Preston E. Thomas on demand of the prisoners in the Ohio penitentiary, Governor Cooper settled the question for the duration of his administration, and established a precedent to last for all time, as to whether the convicts or the constituted authorities shall rule the penal institution of this state.

The governor's stand has been widely endorsed as "courageous and wise" by resolution of clubs and organizations and by prominent men and women of the state and nation. Not in recent years has any single action on the part of a governor of Ohio brought such a flood of voluntary telegrams and letters of a favorable nature to the executive offices.

When the prisoners demanded of Governor Cooper that he remove the warden in order to quiet them, and to prevent any possible outbreak of violence, the Governor realized that he was face to face with a crisis as great as any in the history of the state.

What he foresaw, and what now is generally believed, was that if he gave in to the demands of the prisoners on this point, other and bolder demands would follow, and no warden would be able to cope with the ensuing situation. Rule of the penitentiary by a prisoners' soviet would virtually follow, which would spread to other prisons, and break down the entire penal system of the state.

Governor Cooper emphatically refused to accede to such course. When he was told that bloodshed might follow his decision, he said that no one would regret this more than he, but that authority must be maintained at any cost.

That the Governor's foresight was correct in regard to the probable conduct of the prisoners in the event of the removal of the warden, was borne out by a later episode at the penitentiary. When the several hundred convicts were withdrawn from the penitentiary yard at the instance of the prisoners and upon their promise of behavior, leaving the militiamen and the penitentiary guards to control the situation, the 1400 men in the White City and adjacent cell block housing some of the more difficult prisoners, refused to fall in to march to the dining room. They demanded that their dinner be sent in to them in the cell house.

"No more bargaining," announced the warden, and after some further parley the prisoners fell in and marched to the dining room, although they had previously said that they would go on a hunger strike.

There is another side of the picture of the Governor's handling of the situation, possibly of equally far reaching consequence. He avoided the mistake of ordering drastic measures to break up the "passive resistance" of the prisoners immediately following the fire. It was recognized by those directly in charge that allowance must be made for nervous reaction on the part of the men, following the death of so many of their fellow prisoners, and that merely passive resistance would not justify the force that would be employed to subdue an outbreak. Instead, an orderly program of restoring order was inaugurated, including the gradual segregation of ring leaders, the re-establishing routine without adding anything to the tragedy of the fire.

COUNCIL BUYS STONE FOR STREET IMPROVEMENT

The meeting of the village council was held on Monday night. Little besides the regular routine business was taken care of, bills paid, etc.

Four carloads of stone have been ordered for the purpose of street improvement, and work will probably begin next week. This is a much needed step and citizens of Plymouth appreciate the act.

The question of the new water system has been deferred to a special meeting to be held in two weeks. The prospect for a new and improved system of wells is quite hopeful. In all probability Plymouth will soon enjoy pure water.

CRUSHED LEG CAUSES DEATH

Jay Thomas, Dealer of New London, Dies From Effects of Bloodpoisoning.

An ironical turn of fate opposed the skill of surgeons Tuesday evening when death took the life of Jay Thomas, of New London. Preparations were just being completed for the amputation of a crushed leg to save the man. Death, which occurred at 5 o'clock p. m., was attributed to blood poisoning.

Thomas was 40 years of age. He was a resident of New London, and extremely well known throughout the country in his business of Ford dealer, and horse trader. Had the amputation been made sooner, death might have been prevented, but the man was not in a condition to stand the operation. As has been proved before, the power of life and death is stronger than even the improved and amazing science.

Blood poisoning developed after an accident which occurred Sunday afternoon. Thomas has spent some time and trouble in breaking in a pair of western horses. The animals became unmanageable, turned suddenly and in their dash overturned the wagon they were pulling. The driver was hurled to the ground directly in the path of the enraged horses and wagon, and was crushed beneath the weight. He was rushed immediately to the hospital but did not fully regain consciousness before death.

Though Thomas was a life-long resident of New London, his business dealings made him known far and wide. Until a few months ago he was the Ford agent in his home town. Some time back he was associated in Greenwich with M. C. Switzer, his father-in-law.

Besides the widow, eight children survive him, four boys and four girls, ranging in age from five to 17 years. One sister resides in New London, Mrs. Sprague.

WARMER WEATHER BRINGS OUT LAKE FREIGHTERS

That the outdoors season is really here is shown by stories in the Sandusky Register and in the Harbor Beach Times, Michigan. Both concern ships that have made spring voyages.

A certain Captain Mansolf, of Harbor Beach, was the first to steer his freighter into the Duluth, Michigan, harbor for 1930. The steamer, Frank E. Taplin, carried several Harbor Beachers.

The second steamer, not so fortunate in having the elements of the first warmer months, was grounded on a shoal in Lake Superior during a storm. The ship Mustang was of the Cleveland Cliffs Iron Company. The crew remained aboard her.

LIONS CLUB TO MEET FOR NOMINATIONS

The Lions' Club will meet Tuesday evening, May 13. Nominations for the office of president will be given, and election night will be held two weeks from that time.

Stacy Brown is at present acting president, and Rev. A. M. Himes is filling the position of vice-president.

HIGH WINDS DO DAMAGE TO CROPS OF MARSHLAND

The high winds which blew across this district the latter part of last week did considerable damage to the fields around Celeryville and New Haven.

The toll around the young plants on the farms was blown away. Damage was roughly given in the thousands of dollars. The soil, blown around in clouds by the wind, gives the appearance of fire from a distance. Two years ago the soil was blown up in clouds, and did considerable damage.

MRS. J. C. BREWBAKER SUFFERS HEART ATTACK

Word has been received from Mr. and Mrs. J. C. Brewbaker who have been spending some time in Philadelphia. They will not return to Plymouth for awhile.

Mrs. Brewbaker suffered a heart attack about a week ago, and has been ordered by physicians to remain in bed until improvement is definitely shown.

GOV. ISSUES "MOTHER'S DAY" PROCLAMATION

"Mother is the heart and soul of the home," reads Governor Myers' V. Cooper's "Mother's Day" proclamation which was issued Saturday.

Declaring that "the influence of this day cannot be overestimated," the governor requested that each Ohioan on Mother's Day "do special honor to his mother" and to "let that honor be symbolized by the wearing of a bright flower for mother's day; a white flower for mothers departed."

"With a heart filled with gratitude and veneration, I declare Sunday—May 11—as Mother's Day in Ohio."

SERVICES HELD FOR J. L. JUDSON

Prominent Citizen Answers Last Call After Suffering of Eighteen Months.

Last rites were held Saturday afternoon at the Methodist church for the late J. L. Judson, who died at his home on Sandusky street after an illness lasting several months. Mr. Judson suffered a fall from a ladder about a year and a half ago, and since that time he has been in declining health. He contracted a cold which later developed into pneumonia which caused death.

Mr. Judson was a prominent figure in Plymouth's activities, having served several years as a member of the local school board, and also clerk of the Board of Public Affairs. He was a leader in church activities, directing the choir services and other departments of the church.

The deceased came to Plymouth in 1911 from Mansfield where he operated a drug store, and during his business association here won the highest respect of the community. Mr. Judson was a man of sterling worth, one of the highest Christian type, and his character reflected itself upon the community.

Interment was made in Greenlawn cemetery. H. B. Postle was in charge of arrangements.

John Lester Judson, son of William and Matilda Judson, was born at Wallaceburg, Ontario, May 27, 1856, and died at his home in Plymouth, May 1, 1930, being well advanced in the 74th year of his age.

On Feb. 10, 1885 he was united in marriage with Miss Alice Cornwell and during the next year they migrated to the United States, settling first at Sunbury, Ohio. Since that time they have lived in a number of communities in central Ohio, coming to Plymouth in 1911.

Their union was blessed with the birth of four sons, Milo Cornwell, who died in infancy, Eugene, of Dallas, Texas; Sumner, of Gary, Ind.; and Sidney, of Akron, Ohio. Besides these and his widow he is survived by three brothers and one sister.

CASE ENDED

R. K. Trauger was in Norwalk Monday morning, and finished the case of Mrs. Beulah Smith, of North Fairfield vs. F. E. Hines of Greenwich, administrator of the Joe Wilbur estate. The case was settled before being called for trial.

SHILOH LAD SUFFERS LOSS OF EYE, FRACTURE

An unusual and tragic accident occurred in Shiloh Sunday afternoon resulting in the death of a young man. The victim was a young man named Albert Seaman, who was the son of Mr. and Mrs. Albert Seaman, who were living in Shiloh.

Seaman stepped in the path of a golf club swung by Frank Patterson, and received the full force of the blow. He was immediately taken to Dr. Wise of Shiloh, but removed to the Mansfield General Hospital. All efforts are being made to save the other eye, but little hope is held.

It was discovered at the hospital that the skull was fractured. The accident occurred when Patterson was demonstrating a certain swing to a group of young men near the restaurant on the East side.

Seaman is the son of Mr. and Mrs. Charles Seaman, and is a member of the 1930 graduating class.

SCHOOL CENSUS TO BE TAKEN

Big Task of School Enumeration Is Being Planned; Indications Point to Gains

Mr. L. H. Munzenmayer, Director of Local Accounting, State Department of Education, will direct the taking of the school census of Ohio. The Ohio school census, while an annual affair, is of especial importance this year, due to the fact that the government is taking a complete census throughout the country.

According to Mr. Munzenmayer, in 1920, 29 per cent of the total population of the state were included in the school census. Nineteen per cent of the total population at that time were enrolled in school. Sixty-eight per cent of the children listed in the school census were enrolled in school in 1920.

The school census figures for 1929 indicate that there are approximately 1,500,000 children of census age in Ohio. The enrollment for 1929 is 1,249,612, which means that approximately 88 per cent of the children of school age are enrolled in school.

It is the plan to arrange for more accurate listtines of the children throughout the state this year. Specific instructions have gone forward to the enumerators, giving directions for securing such facts as nature of handicap, the age of handicapped youth, name of parent, and the place of residence.

The school census at one time served primarily as a basis for the distribution of certain school funds. That need is less important today, in view of the fact that the per capita distribution is small. The great need at the present time is to secure an accurate list of all youth of school age so that they may be placed in school and so that definite arrangements may be made for the defective school districts for their education.

Enumeration in Plymouth began this week.

The full cooperation of all parents through the state is absolutely essential to securing this most important information concerning school children of the state. The means of education are at hand, but if the school officials are not convinced of the children, it is often impossible to secure for them the advantages which the schools offer.

LUCILLE DEWITT GAINS TREASURED HONOR

Lucille DeWitt, student nurse at Tampa Municipal Hospital, Tampa, Florida, has received recognition for her unusually high averages carried in all of her studies and examinations. Out of a class of 38 members, she ranks first and on Saturday morning was quite surprised to be presented with a beautiful leather medical case by Dr. Mitchell, who is connected with the institution and in whose class Miss Lucille took honors.

The medical case was not offered as a prize for the highest honor, but was presented as a distinct reward for splendid scholarship, the students themselves being unaware of working for prize.

Miss DeWitt's last examination grades are as follows: Surgical nursing 98; physiology 99; internal medicine 98; and review 90. The grade of 90 in review was the highest obtained in the class.

Miss DeWitt is the daughter of Mr. and Mrs. Wilbur DeWitt and a graduate of the local high school, class of 1926. Following her graduation, when the family journeyed South, Lucille also went and while there decided to enter the nursing profession. She has met with splendid success and has served two and a half of the necessary three year period.

Plymouth friends offer their best wishes for future success.

MANAGER OF WILLARD THEATRE ESCAPES INJURY

H. L. Tracy, manager of the Willard Temple theatre and A. T. Hill escaped injury last week in a wreck which occurred near Milan, Ohio. While returning from Akron, May 17, the accident happened, tearing off the rear wheels of the Willard Cadillac.

WHICH FLAG?

The fact that 434 American Legion posts in Ohio, are working toward the objective of an American flag upon every school house in the state by Memorial Day, is the other side of the question which the Communists have been agitating on. Recent headlines read "Mayday Riots—" or "Reds Celebrate Mayday—" The Communist movement has taken a great spurt since the depression, beginning in 1929, and shows that the leaders have taken advantage of the conditions of unemployment. The jobless, it can be seen, are easily led. Those who have employment and satisfied families, are not taking part in the agitation for improvement by violence, substituting that course for improvement by hard work. During a recent meeting in an Ohio city, the American flag, flying at the top of a skyscraper, was denounced by a Communist speaker, who shouted to the effect that for the good of all people "that" flag should be torn down and the red flag run up. Just what does "that" flag mean to the American people? Struggle and suffering from the tyranny of royalty, bloodshed for the sake of unity, courage that carried a western boundary to the Pacific coast, pride in the fertile plains, rugged mountains, and advancing industry. Why does not the communist use the system of election to reach the policy-determining position? Advancement is made slowly, with firm steps, not by heated jumps that lead to nowhere, by planning, not by impulse, and is based on solid foundations, not on the shaky platform whose planks change with prevailing conditions.

NEW MEMBERS OF COUNTY ELECTION BOARD LISTED

Certificates of appointment of membership in the Richland County Board of Elections were given F. M. Hess, of Delville, and George Williams, of Shelby, by Secretary of State Clarence J. Brown.

Hess, a Democrat, succeeds Phil Summers, of Shelby. Both have been appointed for four year terms. Previously a board member was chosen for a period of two years. The meeting of the new board was May 5.

ATTICA MAY HAVE NEW MUNICIPAL LIGHT PLANT

If action, now backed by the Attica village council and prominent citizens, is successful, Attica may have a village owned electric light concern.

At present Attica pays a service charge of \$1 a month and a rate of 10 cents per kilowatt, under the direction of a private concern which resells Fremont current. The franchise of the private company expires in a few months and the people of Attica are anxious to try their hand at running a light plant.

GRADE NEWS

Toasts composed by sixth graders to their mothers:
"A toast! A toast!" came the cry. "All drink to the best dames tonight!" They raise their cups on high and drink to their ladies fair. I raise my cup and drink.
To the health of my lady fair who sits alone by the old wood fire, My Mother!

—Vincent Lybarger.

To a lady fair and lonely
If there's one better than mine
I have her yet to find
Oh Mother Mine.

—Velma Close.

I drink to my "Mother"
My dearest of friends
She's so true and so gentle
Her I shall always defend.

—Mary Munn.

A toast to mother so dear and sweet
No better a mother shall I ever meet.
—Lucy Anderson.

My mother I love who is so dear.
Always laughing and full of cheer.
—Betty Jane Resler.

I have a friend that is so divine.
No better friend will I ever find.
She is so sweet, nice and kind
She is the sweetest friend I will ever find.

—Helen Einsel.

A toast to my mother.
But never to another.
For she is so kind to me.
And she will some day be gone
Beyond that beautiful sea.

—Fred Buzard.

I like to think of you my own,
As the dearest mother I've ever known.
—Irene Berrier.

A toast to my mother!
So patient and kind
Better than sister or brother.
A better friend you'll never find
A toast to my mother!

A toast to my mother!
Such a dear friend,
She will love me
Even unto the end.
A toast to my mother!

—Bonnie Root.

A toast to my mother
She'll be true
Till death comes and claims her
Then I'll be blue.
A toast to my mother.

Mr. and Mrs. John Wiers and guests Brydine Elfers and Wm. Kniper of Cleveland, Rudy Holthouse and Janna Cok were Sunday evening visitors at the home of Rev. and Mrs. S. Struyk.

Mr. and Mrs. Sam Danhof and children, Mr. Ralph Workman and daughter Tena, visited with Mr. and Mrs. Frank Fransens at Shelby, Tuesday evening.

The children and grandchildren of Mr. and Mrs. Henry Wiers gathered at the Wiers home Friday evening in honor of Mr. Wiers' seventy-ninth birthday.

TOM MIX TO BE IN CIRCUS

Sells Floto Circus, considered by many the greatest show in America, is coming to Mansfield on Tuesday, May 13 and will present the world's greatest Western cowboy, Tom Mix, and his equally famous horse Tony. Both these famous movie stars will appear at every performance of Sells Floto Circus this season and will be supported by the greatest collection of circus acts ever assembled under a "big-top". Over one hundred feature acts will be in the big program. Tom Mix and Tony will bring before the public all the famous cowboys and cowgirls that were with them on the screen, featuring the most thrilling of cowboy stunts, with the great Mix heading the list.

In the three rings and two stages will be found a complete new program of circus stars, headed by Cervantes, Spanish acrobats; John and Gertrude Schubert, serial gymnasts; Mabel Polker, the silver girl of the silver whirl; the Schwarz Sisters, European equestrians; Koban, the Jap who walks up stairs on his head; Terrells thirty-six Liberty horses; the Three Thrillers, a flying act with no competition in their daring and sensational stunts; the brilliant Ward family of aerial stars; five herds of elephants, and a big fifty den menagerie of rare beasts of the jungle.

Over eleven hundred people are with Sells Floto this season. The new tent will seat over ten thousand people and two shows will be given daily at 2 and 8. The doors will be open one hour earlier to allow patrons to enjoy the wonders of the menagerie.

You, who have enjoyed Tom Mix and Tony on the screen, can now see this fine American cowboy in real life and watch him and his group of cowboys in the flesh. Tom is said to receive the largest salary ever paid a circus star and the tremendous crowds which see him daily, bear proof of his remarkable popularity amongst old and young alike.

PUPIL OF SIXTH GRADE IN HERSHISER SCHOOL WINS SPELLING TOURNAY

Edna Hershiser, sixth grade pupil of the Hershiser school, taught by Miss Glenna Baltzell, was awarded a blue ribbon at the Huron county spelling meet for the perfect grade of 100 per cent.

The contest was held at Greenwich on Saturday afternoon and all schools were eligible for participation. Five other students from schools in the surrounding district attained the perfect mark. Printed on the blue ribbon presented to Miss Hershiser were the words "Champion Speller—Huron County—Sixth Grade," of which she may be proud.

Miss Baltzell is planning a picnic and program for her school which closes May 15, and all parents are invited. There are twelve pupils in the six classes represented in the school.

We are happy to say that Mr. Wiers is enjoying good health and is able to perform many tasks about his home, each day.

Mrs. Warner Vogel spent last week with her parents, Mr. and Mrs. Sam Bringer at Clyde.

Mr. and Mrs. Ben Cok and children spent Wednesday with Mr. and Mrs. Fred Fransens at Shelby.

Among the guests who attended the birthday party of Adriana, daughter of Mr. and Mrs. Fred Fransens at Shelby Saturday afternoon, are: Steven, Marie, Ellen, Adriana and Calvil Cok, Ralph and Audrey Cok, the Misses Maatie and Janna Cok and Margartha van der Molen.

Word has been received here of the birth of a daughter to Mr. and Mrs. Ben Opeteker of Kalamazoo, Mich. Mrs. Opeteker was Miss Anna Newmyer, formerly of this place.

ACIDS IN STOMACH CAUSE INDIGESTION

Medical authorities state that nearly all cases of stomach trouble, indigestion, sourness, burning, gas, bloating, etc., are due to an excess of hydrochloric acid in the stomach. A delicate stomach lining is irritated, digestion is delayed and food soured, causing the disagreeable symptoms which every stomach sufferer knows so well.

Pharmalol is a wonderful reliever used in all cases of stomach and bowel trouble. Pharmalol comes in handy tablet form and is not unpleasant to take. Positively does not contain any habit-forming drugs and may be used by young and old. Entire satisfaction or your money cheerfully refunded.

SCOUT NEWS

Three girls in the Scout Nature Study class went on an observation hike Saturday afternoon at 5 o'clock. At the return many interesting items were written in their notebooks, the main ones being the discovery of a nest of newly hatched baby robins on a fence post, the discovery of the female oriole, and a short bird which was not at the time identified. Scouts studying birds must attend two of the three observation hikes planned.

At the Scout business meeting held Thursday afternoon, Doris Hatch was elected secretary, and Mary Gebert was voted in as treasurer for the ensuing term. Practice for drill was held in the school yard following the meeting.

Don't forget the Scout bazaar! Date will be announced soon.

NEW HAVEN SENIORS GIVE SUCCESSFUL CLASS PLAY

The Senior class play at New Haven was presented to an appreciative audience last Thursday and Friday evenings. Each member of the cast devoted special commendation for playing a particular part very well. The play was directed by the class advisor, P. L. Black.

Next Sunday evening the baccalaureate sermon will be given at the M. E. church by Rev. Earl Henderson. On the following Thursday evening May 15, the commencement address will be delivered by Dr. Ross Miller of Wittenberg College.

Members of the graduating class are Emma Hale, Harriet Babcock, Pauline Fox, Marguerite Duffy, Henry Chapman, Delmar Kennard and Robert Lewis.

CEDAR POINT OFFICIALLY OPENS JUNE 8 FOR SEASON

Cedar Point will be officially opened on June 8, for the season of 1930. The management of Cedar Point expect a big year as hundreds of workmen expect the grounds cleaned up, concessions ready, and the various amusement places in order.

Cedar Point is famed all over the country, and is usually classified as the largest and most popular playground located on inland water.

B. & O. EMPLOYEES MUST DROP OTHER EMPLOYMENT

A new ruling made by the Baltimore & Ohio railroad prohibits any employee from working at any other occupation than that of their railroad duties. The new rule will go into effect immediately.

The only railroad men exempt from these laws are those who own farms near Willard, and supervise them before and after working hours.

According to the Willard office the men who were doing outside work were prevented from giving their best at the regular duties. The enforcement of the rule will aid the non-employment situation in the town, as there will be vacancies in various occupations.

No One Guilty, Sir

There will be no likeness of any Plymouth high school student in the rogue's gallery. The latest report of Fuller, of the identification department of Ohio State Reformatory, states that no finger prints taken of the students corresponding with those taken at the scene of the burglary which occurred at the school building.

A new turn to the affair is rather humorous. The number of salesmen selling burglary insurance is increasing daily at the school house. The matter of insurance may be taken up at the next school board meeting.

Young People Injured

WILLARD—Five young people from Willard and Bucyrus escaped serious injury when a car belonging to a Willard boy crashed into a Baltimore & Ohio freight train at the grade crossing on Route No. 17, east of the Willard airport, at midnight, Saturday. The boys in the car were: Vaughn Layler, Robert Tompkins, and Richard Williams. They were accompanied by two Bucyrus girls. Layler suffered lacerations about the head and was treated at Municipal Hospital. Williams and Tompkins received slight injuries but the girls were unhurt.

Layler, who was driving, said he did not see the train until too late. He attempted to turn out of its path but his car was sideswiped by three freight cars and a caboose.

CELEBRATED COMEDIAN IN GAYNOR-FARRELL SHOW

William Collier, Sr., dean of the American stage and screen, cast in "High Society Blues," Fox Movietone musical romance co-starring Janet Gaynor and Charles Farrell, is one of the most ardent fight fans in America. For many years he has followed the fortunes of the prize ring leaders and he has seen the cauliflower industry grow from village store proportions to the present position as one of America's biggest businesses.

Collier was a great personal friend of the pugilistic giants in the days when fighters were more concerned with playing a tattoo on each other's ribs than on a cash register.

The famous light comedian was playing an extended engagement in San Francisco twenty years ago when Jim Jeffries was booked to fight Jack Johnson. Collier specified in his contract there would be no matinee the day of the fight as he was determined to see it.

He frequently visited Jeffries' training camp and some of his prodest possessions today are photographs showing him sparring with the famous champion who conquered Jim Corbett. "I was pretty handy with my fists myself in those days," Collier recounts. "And if I'd only known, I might have lost a haymaker when I was sparring with Jim and become the champion of the world. For he was only a shell of his former self, as was demonstrated when he finally succumbed to Johnson at Reno."

Collier, in "High Society Blues," booked for the week of May 11, at the Castamba, is the father of Miss Gaynor and has a role that is made to order for him.

Others in the cast include Louise Fazenda, Hedda Hopper, Joyce Compton, Lucien Littlefield, Brandon Hurst and Gregory Gage.

David Butler, of the sensational production of "Sunny Side Up," directed this picture. Dana Burnett, famous playwright, provided the story and the score was written by Joseph McCarthy and James F. Hanley.

Man Can't Sleep, Gets Nervous, Hates People

"I could not sleep and got so nervous I hated everybody. Since taking Vinol, I can sleep 10 hours and feel full of pep all day."—Julius Bender.
For 20 years doctors have prescribed Vinol because it contains important mineral elements of iron, calcium and cod liver peptone. The very FIRST bottle brings sound sleep and a BIG appetite. Nervous, worried people are surprised how QUICK Vinol gives new life and pep! Tastes delicious. Karl F. Webber, Druggist.

YOUNG MAN LOSES EYE

Sunday afternoon while a group of young men were conversing near the restaurant on the East side, and Frank Patterson was demonstrating the golf club swing, Albert Seaman, stepped in direct range of the club receiving the full force of the stroke in his left eye. He was taken at once to Dr. Wise in Mansfield, and then to the General Hospital, where every effort is being made to save the other eye. It was also found that he had sustained a fractured skull. Mr. Seaman is the son of Mr. and Mrs. Charles Seaman and he is a member of the graduating class this year. The unfortunate accident cast a gloom over the faculty and class.

HUNTER-PARK MARRIAGE

SATURDAY IN MANSFIELD
Miss Trosa Hunter of the Ford apartments, daughter of C. M. Hunter and Bernard C. Park, son of Mr. and Mrs. H. G. Park of 135 Prospect St., were united in marriage Saturday morning at 11 o'clock at the main of the First Presbyterian church with Rev. A. M. Hughes, pastor, officiating. Miss Hunter wore a powdered blue silk crepe ensemble with blue hat and harmonizing accessories. Only immediate members of the families witnessed the ceremony, after which Mr. and Mrs. Park left for a trip through the eastern states. Mrs. Park has been employed in the general office of the Ohio Brass Co. and Mr. Park is employed with a local contractor. They will make their home in Mansfield.
Miss Hunter is well known in this community, frequently visiting relatives and friends at this place. She is a granddaughter of the late Mrs. Alveta Hunter.

SCOUT NEWS

Scouts Dick, Doyle, Brown, Hatch and Bachrach observed Mayday under the supervision of their captain and Lieutenant and wished twenty-one individuals, veterans, and other worthy Plymouth people a happy May day by presenting them with bouquets of flowers.

The scouts met at the Grade School between six thirty and seven o'clock Monday morning, arranged their flowers and started out on their mission. Violets and wild flowers predominated in the bouquets, while dowering currant, apple and cherry blossoms, tulips and Easter flowers were also used. Scouts Dick and Hatch wore their uniforms.

There will be a Scout bazaar soon.

BOX CAR BURNED ON SHILOH BIG 4 TRACK

"Be it ever so humble, there's no place like home—" though the section gang working on the Big Four railroad at Shiloh Saturday morning. They were unable to curb the flames of a fire of undetermined origin, and the kitchen, dining and supply rooms in box cars were completely destroyed. The cars in which the men were sleeping were coupled with the burning sections, but were saved. A crew on a freight which was traveling through Shiloh noticed the fire and stopped. They uncoupled their engine and pulled the burning boxcar down the track to prevent the spread of the flames.

The Shiloh fire department was called, but was unable to connect any water line to reach the station. The sleeping crew was not awakened. Members of the rescuing squad investigated for further danger. An estimate of the damage was not made.

ESCAPE INJURY

Mr. J. D. Dupuis and Mr. Harry Judson of Detroit, Mich., escaped injury Saturday morning, when the Chevrolet sedan in which they were riding overturned on the Norwalk-Peru road. Driving at a moderate rate of speed, they failed to make the sharp bend, and the car leaving the road turned over.

Mr. Dupuis and Mr. Judson were enroute to Plymouth to attend the funeral of J. L. Judson.

VETERANS' PENSION MAY BE INCREASED IN FUTURE

A boost in the Civil war pensions was recommended by the house invalid pensions committee at Washington, D. C. The increase will total \$12,000,000.

According to this increase veterans receiving \$45 per month will receive \$57. Widows would receive \$40 a month pensions at the age of 70, instead of 75. It is not necessary to make application for the increased pension as the pension bureau automatically handles the affair.

NORWALK OBSERVES CLEAN UP DAY WITHOUT NOISE

People in Norwalk became over-industrious last week, cleaned up their back yards and hauled their rubbish to the front curb. All this without being requested to by the city.

But the results were not pleasant. There had been no clean-up day announced, and no city officials appointed to see that the rubbish was carried away. Junk dealers and small boys revelled in the rubbish piles and scattered some about. Street Supt. A. J. Heath, of Norwalk, finally had to request, through the Reflector-Herald, that citizens refrain from hauling their rubbish out until spring housecleaning was announced.

If citizens of neighboring towns can be as cleanly as all that, surely the citizens of Plymouth could cooperate with Mayor Derr, and clear up their yards this week.
