

DRAFT NUMBERS OF LOCAL AREA

HERE'S HURON COUNTY LIST FOR THE VILLAGE OF PLYMOUTH

As a service to its readers, especially the potential draftees of Plymouth, The Advertiser is publishing a list of all young men between the ages of 21 and 35, who recently registered on the Huron county side of the village. We regret exceedingly that we were unable to obtain in time those on the Richland county side of the town. The Mansfield News-Journal published a complete list of the numbers in their Sunday edition, so it is possible that most young men already obtained their numbers.

A registrant whose number was among the first twenty drawn on Tuesday afternoon will have a pretty good chance of being in uniform within the next few months, unless he is in a deferred class. If he were the first 500 he may anticipate a call by next June, but if he is past that number the chances are that he will have to wait a year or more.

Here are the names and numbers of those on the Huron county side:

- 1405—Rodney Allen
- 1405—Donald Anderson
- 733—Edw. Babcock
- 733—Robt. Bachrach
- 131—Roy Bixby
- 723—Walter Bland

- 413—Clarence Donnerrith
- 743—Darryl Daugherty
- 881—Raymond DeWitt
- 783—Tom DeWitt
- 1619—Donald Dunham
- 1332—Roy Eckstein
- 1586—Lemar Fiegle
- 43—Ora Farnwall
- 1375—Leo Farnwall
- 1375—Paul Feltz
- 1322—Madison Fitch
- 1561—R. L. Fortney
- 461—Donald Fox
- 1571—Howard Frederick
- 247—Donald Fidler
- 788—C. Hockenberry
- 793—LeRoy Hole
- 230—Frank Hooser
- 655—James Jacobs
- 778—Albert Keyser
- 748—Aden Lofland

AGED MAN DIES

IRVIN ROOKS DIES AT AGE OF 79; SERVICE SATUR- DAY AFTERNOON.

Irvin Rooks, 79, who lived his entire life near Plymouth on the West Road, passed away early Wednesday morning at the Shelby Memorial hospital. Death was due to infirmities of old age. Mr. Rooks has been in ill health for some time.

The deceased, who never married, is survived by two nephews, Charles Rooks of near Plymouth and Wirth Rooks of Toledo and other distant relatives. Services will be held Saturday afternoon at two o'clock from the Postle Funeral home with Rev. J. A. Thomas, pastor of the Presbyterian church, officiating. Burial will be made in Greenlawn cemetery, Plymouth.

Richland County C. E. Endeavor Will Meet Sunday In Mansfield

The fall conference of the Richland County Christian Endeavor Union will be held this Sunday, Nov. 3rd, at the First Presbyterian Church, Mansfield, Ohio.

This meeting has been planned to be different from the ones which have been held recently. In the afternoon there will be a short playlet given by members of the county board and conference. Then to really put a climax to the convention there is to be STATE NIGHT. The State President, Rev. Harry W. Baumer, will be the speaker of the evening. Rev. Baumer comes from Cleveland to be with us on this occasion and the Sunday school, Rev. James Thomas of Plymouth, will have charge of devotions.

Registrations will be regular—10c and spots—50c which lunch tickets are 15c. Those wishing to go may get their tickets from Mrs. Judy Keller or Luella Vander vort. However all reservations for lunch must be in by Thursday night at 5 p. m. This makes it much easier for the committee preparing the menu.

Won't you show your loyalty to this cause and be in Mansfield at the First Presbyterian church at 2:30 p. m. next Sunday? There will be something every minute, but everything sponsored by the county board will be found in the church.

Vote For the 1 Mill Levy

Next Tuesday Plymouth voters will have the opportunity of voting on an issue that is more important to them locally than any of the national issues—the one mill levy for the upkeep of Greenlawn cemetery.

About all that the average citizen knows of Greenlawn is the fact that it "is pretty." Naturally, those in charge of the cemetery know more about its operation and upkeep, and they also know that it takes money to keep Greenlawn in a presentable condition. We believe that the functioning of the cemetery board has been perfect—no needless expenditures of any kind. And, with the little extra money that the one mill levy brings in, it will enable the Board to keep our cemetery up to its present standard.

A lot of taxpayers get real "huffy" when you mention an additional one mill levy. Which after all, isn't very much—10c on every one hundred dollars. And I get just a little huffy, too, when I think of taxes. For instance, we local people vote a one mill levy, and we get all the benefits out of it. When I drive my car up to a filling station and buy a gallon of gasoline—well, I'm paying somebody six cents—in the form of "hidden tax." That cigarette or seven cents out of each package goes somewhere in the form of taxes. And we don't get all-fired mad when we buy gasoline, cigarettes or a hundred other items on which there is a heavy tax.

So, in behalf of your hometown, and for the sole purpose of keeping Greenlawn beautiful, won't you vote for the one mill levy next Tuesday? This will be greatly appreciated by a large majority of the citizens, because two years ago the issue lost out by a small margin.

Remember, vote for the ONE Mill Levy. You can see then, where your tax money is spent.

BUSINESS MEN TO MEET

NEXT MONDAY NIGHT
The regular meeting of Plymouth's Business Men's association has been set for Monday night, Nov. 3rd, at the Fortney's Nite Club. Dinner will precede the meeting and all members urged to attend.

RECOVERING

James Phillips of near Plymouth, who underwent an operation at the Willard Municipal hospital at Willard, is reported to be recovering satisfactorily.

NEW CLERK AT BAKERY

Mrs. Doris Vandaele is the new clerk at the Plymouth bakery. She succeeds Miss Violet Van Buskirk, who recently resigned.

Preliminary Survey To Be For Municipal Light Plant

VAN WERT FIRM TO MAKE COMPLETE REPORT; VIL- LAGE MAY BUILD PLANT.

With the view of constructing a municipal light plant, the village council, at its meeting last week, passed a resolution which calls for the hiring of Carl J. Simon and Associates of Van Wert.

The preliminary survey will be a complete report, containing all necessary data and estimates for the construction of a municipal light plant. The survey, which of course, is the first step, will have all the facts and figures concerning the manufacture and distribution of electrical energy, as well as all possible revenues from its sale.

During the past few weeks members of the Board of Public Affairs and the Village council, including Mayor Johns, have visited other towns and cities which operate municipal plants. In every instance the report must have found in regard to operating expense and revenues, have been amazing. The low cost of power in those towns visited is considerable less than the rate Plymouth is now paying, and it is believed that the preliminary report by Carl Simon and Associates will reveal that Plymouth, too, can install its own plant, thereby giving consumers a better rate.

Plymouth is very unusual in comparison with other towns that operate a municipal plant, inasmuch as it already owns its distribution system, and the cost of constructing this part of the power project is eliminated.

The resolution calls for the survey to be completed within not less than forty days, which means that immediate action must be started by the consulting engineers. The resolution, in its entirety, is published in this issue. Should the report be favorable to the construction of a municipal plant, and council and the board.

ELECTION TIME IS HERE!

Election time's coming! On November the Fifth, all voters in the United States will have the privilege of registering their preference—deciding which one of several men will hold the office of President for the next four years.

Election Day is not the only special day in our American past. Not even Great Britain, with all its long history, has more occasions for genuine rejoicing or for serious thankfulness than its ancestors have. Men and women that they proved to be. But Election Day is one of the primary importance to us as individuals and as a society.

In only a few hands on this election day, the choosing of the head of the state have a real meaning at the present time. Even in England, there is small time for the exercise of representative government during the war emergency. And on the continent of Europe, even when the rulers there decide to hold a parody of an election, it goes by a name unfamiliar to American ears—"plebiscite"—and there is only one candidate's name on the ballot.

We Americans will show our wisdom if we ponder these matters and VOTE!

Well Known Mansfield Man Passes Away

Funeral services were held on Friday at the family home in Mansfield for T. J. Metcalf, 47, World War veteran and well known Mansfielder, who died Wednesday following a heart attack.

Mr. Metcalf for 25 years was identified with the Freudlich Clothing company in that city and for the past year operated a grocery store on Lexington avenue.

His wife, Edith Metcalf, formerly with the State Sales Tax Division, and a son Richard, are his immediate survivors. Mrs. Metcalf is well known to Plymouth, being included in her division while in the employ of the sales tax division.

deem it advisable to proceed with the project, the construction and installation will be made through sale of mortgage redemption bonds. By this method it will not be necessary to go through a special bond issue; there will be no increase in taxes, and no red tape. But, the cost of the power plant would be absorbed by its earnings, and within a few years Plymouth could really have a surplus of cash with which it could operate, and with the possibility of reducing the tax rate of the corporation.

Election Supper To Be Served Tuesday

A number of non-partisan chickens are already in the bag to be roasted for the election day supper on Tuesday, Nov. 5th. So it won't make a particle of difference whether you voted democratic or republican, the dinner will taste just the same—delicious.

Of course all the trimmings go with it including pie and the price per plate is 40c for adults and 25c for children under twelve. This dinner has been an annual affair sponsored by the Friendship Class of the Methodist church, but this year, the entire church organization known as the Women's Social Service, will be in charge. It will be held in the church parlors and serving will commence at five o'clock. So make your plans now to attend.

Tickets will be available by members of the organization and can also be obtained at the door.

The menu is as follows:
Chicken Mashed Potatoes
Candied Sweet Potatoes
Cabbage Salad
Jelly Buttered Rolls
Apple or Pumpkin Pie
Coffee

ATTENDS FUNERAL

Dr. Frank Chicago returned Friday from Holc where he was called on account of the death of Mrs. Thomas J. Corners.

Free Picture Show Here Friday Night

A few years ago only a relatively small number of people outside of southern localities had ever heard of termite. Today termites represent at least a potential menace to homes and other buildings throughout practically the entire United States.

Even here in Plymouth, termites have been discovered in a number of homes and buildings and steps have been taken to control the pests.

In order to better acquaint the public with these insects one of the most unusual sound pictures ever filmed will be shown at the grade school building on Friday, Nov. 1st, at 7:30 o'clock.

The picture is entitled "Hidden Enemies," with Lowell Thomas as popular radio commentator, movie traveler and author, as its narrator.

The picture shows microscopic views of the ingenious termite family at work, reveals their hidden damage and presents a striking story of the termite problem. If you are worried about the terrible problem in your home or interested in their extermination, don't fail to attend this show. There is no admission and Mr. Thomas will be in the office, representative of the Buckeye Termite Company, Inc., will be present to answer and confer with you on the subject.

DR. BLACKMAN APPOINTED

Dr. R. P. Scott, Huron county health commissioner, has been called to Camp Shelby for service and his resignation was accepted at a special meeting of the Huron county health board. Dr. R. A. Blackman was appointed as part time health commissioner to serve until January 1, 1941. He is located in the office on the third floor of the court house in Norwalk every morning.

CENTENNIAL AT LOCAL CHURCH COMES TO CLOSE

REV. SITTLER BRINGS FINAL MESSAGE TO LARGE AUDI- ENCE SUNDAY MORNING.

"Jesus Christ, the same yesterday, today and forever," this eighth verse of the thirteenth chapter of Hebrews, was the text for the inspiring sermon which the Rev. Joseph Sittler, D.D., President of the Synod of Ohio, preached at the closing service of the Centennial Celebration of the Lutheran church, Sunday morning.

Doctor Sittler asked that all men remember that "even though all else may falter and fall, the Church of Jesus Christ goes on forever and cannot fail." Quoting the words of Saint Paul, "Forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark of the prize of the high calling of God in Jesus Christ."

Rev. Sittler challenged his hearers to forget the past and to make the future the center of their attention and labor. "The good old days," said he, "loom too large in many people's vision simply because they make no demands on anyone's time or effort since they are past."

Following the sermon more than one hundred fifty of the church members partook of the Lord's Supper, administered by Rev. Wolf, with the assistance of the Rev. Mr. Sittler. This marked a fitting close to what was a week of wonderfully inspiring services.

The congregational night dinner on Friday night was a beautiful affair. Mrs. E. L. Bailey had arranged the dining room in a color scheme of blue and gold and the decorations were done in old fashioned dresses of fifty years ago. A miniature altar graced the center of the main table and a "Go to Church" scene was placed at each end of the main table. The favors supplied by the Young Peoples' Class were cut-outs of the church building and were in harmony with the general color scheme.

Three fifty-year members were present and were presented with fitting tokens. Mrs. G. J. Searle and Mrs. William Bittenger were given lovely corsages, while Mr. Elmer K. Trauger was presented with a boutonniere corsage. Mrs. Searle and Mrs. Bittenger, accompanied by her mother, Mrs. Fred W. Shirley. And Rev. Shirley was present at the dinner. A talk by Rev. Wolf closed the meeting for which E. L. Bailey was toastmaster.

"Quiz Kids" Star Performer Is Related to Local Woman

Among the pre-adolescent "braintrusts" who have been starring on the "Quiz Kids" program, Chicago's junior edition of "Information Please," is Jack Lucas, a great-nephew of Mrs. Marjorie Strong of Sandusky St., Plymouth, Ohio.

Jack's grandfather is Tom Strong, brother of Miss Marjorie Strong, and spent his boyhood days in this village. For many years Mr. Strong was head clerk salesman at the Marshall Field store in Chicago and will be remembered by a great many of the older generation of Plymouth.

Jack, who has reached the ripe old and quite mature age of 13, has been starred on seven consecutive programs and has answered many a brain-teasing question which adults are looking askance at their 13's. He resides with his parents, Mr. and Mrs. Luke Lucas at 328 South Grove avenue, Oak Park, Chicago, and has received so much notoriety because of his family goes out. Mr. Lucas is pointed out as "Jack's father," submerging his own personality. For each successful program Jack receives a \$100 government bond which will be used for his future education.

In recommending him for the program, his grade school principal wrote:

"Jack is a very capable pupil of the near-genius type. He was the leader in his class of seventy, won the American Legion award for scholarship and citizenship,

Teachers To Attend Convention Tomorrow

Plymouth students will enjoy a day's vacation tomorrow while their teachers attend the various conventions of the Ohio Educational association. Local teachers have been granted a choice in attending any of the conventions held throughout the state.

Several will attend the Cleveland convention where the Cleveland Symphony will open the session and Barclay Acheson, editor of the Reader's Digest, will be the main speaker.

The Toledo convention will feature Alexander J. Stoddard, superintendent of the Philadelphia schools, and Dr. Edgar J. Doudna, secretary of the board of regents of Wisconsin Normal schools. Father Flannigan of Boy's Town will address the Cleveland convention in the evening.

FISH FRY FRIDAY

Another fish fry is announced by members of the American Legion for Friday, Nov. 1 in their hall. The general public is invited and assured of a fine meal.

AMERICAN LEGION MEETING

The regular business meeting of the American Legion is set for Monday, Nov. 4th in their hall. All members are asked to be present.

REMOVED FROM HOSPITAL

James Major was removed on Thursday from the Shelby Memorial hospital in the Barford invalid coach to the home of his daughter, Mrs. Ort Morse.

RETURNS TO PLYMOUTH

Miss Foyra Sampson returned home Wednesday after spending the past seventeen months at Hamilton Field, Calif., and Salt Lake City, Utah.

Clark, who were unable to attend.

Mr. E. K. Trauger responded for the fifty year members to the kind greetings of Mr. C. R. Bear, president of the church council. Later, Mr. Trauger and Mrs. Searle hung the pictures of their respective grandfathers, Samuel H. Trauger and Felix Fenner, Sr. Miss Elizabeth Shirley of Shiloh played a beautiful solo, accompanied by her mother, Mrs. Fred W. Shirley. And Rev. Shirley was present at the dinner. A talk by Rev. Wolf closed the meeting for which E. L. Bailey was toastmaster.

The Lutheran church is grateful to all members and friends, who so ably assisted in making this Centennial Celebration the outstanding event which it was. It will long live in the memories of those who shared in its joys.

and also, wrote and delivered a paper, "Address, which was done on the adult level. Jack is especially competent in the field of social studies.

While history, geography and civics are his specialties, Lucas is usually well informed on almost any subject. But life in school was not solely an academic siege. To list some of his extra curricular achievements, he was captain of his home room, editor-in-chief of the yearbook. In addition, he took part in several plays, represented the school as an orator, participated in the safety patrol, and wrote and produced neighborhood talent plays.

Lucas's inquisitive mind finds expression in his hobbies—fishing, collecting newspaper headlines, stamping old coins and medals. Always delving beneath the superficialities of a subject, he knows, for example, that the first stamp was printed in 1847 and was called the "Fenny Block." An omnivorous reader, Lucas goes through three newspapers every day as well as numerous magazines.

Jack studied the piano and saxophone and has attended his children's concert for the past two seasons. He is also familiar with many operas and symphonies and with several schools of art.

Lucas modestly says "I guess I was born with a good memory for it is no effort for me to recall what I have learned."

NO THIRD TERM FOR U. S.

Our forefathers, who fought and died for independence and freedom, did not want ANY individual to get too much power. They knew you could not entrust too much power to ANY ONE MAN for too long a time. From them comes the tradition of NO THIRD TERM. They knew more about how to protect liberty than the present day "brain trusters." Make no mistake about this — If you put your stamp of approval on a third term for ANYBODY for President of the United States, then you have travelled a long way down the . . .

Then Dictatorship Creeps In!

Just as the road to destruction is paved with good intentions, so is the path to dictatorship starts out, pretending to help the "common people." Some one comes along and (for what seems to be a good cause) gradually breaks down the safeguards set up by men who fought for freedom as a check against tyranny. Who made Hitler dictator . . . Hitler. Who made Mussolini dictator . . . Mussolini. Who nominated Roosevelt for 3rd term . . . Roosevelt. Mussolini and Hitler claim to be champions of the common people until they had destroyed all safeguard and made themselves the masters. These people woke up too late. Don't let it happen to you. What is the standing of the man who works in Russia? In Germany? In France? Since Hitler conquered France all labor unions have been abolished. There is no collective bargaining. A Dictator doesn't bargain. He tells you what to do and when to do it. Look at accompanying chart. See for yourself how far we have gone down the path to dictatorship. Election day is just around the corner. Cast your vote against a third term.

HALLOWEEN

Witches riding through the night,
On a hurrying, scurrying flight,
A sat-in-at sound from the corn
A horrid sound comes from a horn

Ugly faces fat and thin,
By the windows looking in;
Scares and thrills and scares some
And a knocking at the door.

Mother goes to see who's there,
And is greeted by thin air;
A night of mystery it would seem
But this is all Old Halloween.

FRESHMAN ENGLISH

The Ninth grade English class elected new officers Friday. They are as follows:
President, Marcella Clark
Vice president, Harold Daup
Secretary, Betty Seaman
Treasurer, John Decker
The program for Friday was very interesting. It consisted of speeches taken from magazines that were of interest to the students.

F. F. A.

Last Thursday, 8:30 a. m., we left to go to the corn husking contest near Marion, Ohio. We arrived at the Ransom Buck farm on which the corn husking contest was held. We walked over the ground until 10:30, looking at exhibits of machinery and corn until the plowing demonstration started. There were eleven different kinds of tractors at this demonstration. There were four tractors that we thought were doing an excellent job of plowing. These were John Deere Silver King, Allis Chalmers and Clastron.

At twenty minutes to twelve the contest started. We were amazed at the speed the men husked the corn. The winner was husking at the rate of 53 ears a minute. The contest ended at 1 o'clock. Then came the weighing. The WLW entertainers were on the stage entertaining the big crowd until the weighing was over. At 3:30 the huskers and the amount husked were posted on the bulletin board. Then we knew the winner was No. 8 from Hardin county, with 2,021 pounds husked. He was presented with a large trophy. He will go to Iowa to husk in the National Corn Husking contest.

We enjoyed our trip immensely and wish to thank Mr. Nesbitt and Elden Dinger for taking us.

SEVENTH & EIGHTH GRAD

The seventh and eighth grade girls sang "Jeanie with the Light Brown Hair." Wednesday in music class Mr. Spirk made a record of it. Some thought it was well done while others thought it wasn't.

The seventh grade pupils were teachers in Health Wednesday. Each one got to ask the other the question they had written down. Doris Garrett had the most twisted ones.

HI-Y

The HI-Y had a meeting Monday evening to decide what sort of program it would present at the All-School party Friday night.

We decided on presenting a push-button radio program. Joe Mock was to give a sermonette entitled, "Old Mother Hubbard."

Nearly all the members took part in this program and we are glad to say that it was a success.

FIRE DRILLS

Last Monday, the students heard a chitter of bells. The fire bell. Everybody left their seat and scurried for an exit. Very shortly the building was emptied. The time keeper later informed us we had cleared the building in 35 seconds.

This was the second fire drill of the school year. The first time it took us a minute and 22 seconds to clear the building. This was partly due to the fact that the students were not sure as to what exits to take. We all studied the fire drill charts and soon found that we knew how to exit from each room.

We students are going to see if at the next fire drill we can clear the building in 30 seconds. Now don't get the wrong impression, we clear the building in

an orderly way and there is no running or pushing.

THIRD & FOURTH GRADE

The fourth grade has had three spell downs this year. The first ended in a tie among LaVern Oney, Robert Thomas and Charles Waterbeck. The second was won by Dale Laser while Robert Thomas won again last Friday.

The spatter paintings we have been making of our collections of native leaves are growing in number. To date we have sugar, silver and cutleaf maple, scarlet, scrub and pin oak, mulberry, buckeye, locust, box elder, willow cottonwood, tulip, sycamore, catalpa, elm, assafra, English walnut, dogwood, poplar, beech, walnut and ash leaves.

HOME EC

There really was a lot of laughter when the Home Ec girls gave their little performance at the masquerade party. They used people from the audience as their scenery, which took place on a frosty morning, consisting of: footlights, street lights, sidewalk, dog trees, town pump, and fire plug. When the scenery was completed they gave the title: "The Gathering of the Nuts," and then drew the curtain.

The cream puffs used in the Student Council act were made by the Home Ec girls and they must have been good because they sure disappeared in a hurry.

P. T. A.

The following program is being planned for the next meeting of the P. T. A. which is November 4, at 8:00:

Two selections by the high school band.
Reading, Joe Mock.
Solo, Arlene Garrett.
The Old Red Cow, F. F. A. Boys.
Talk, Miss Martha Brennan.
Home Instructor for Blind.
Selection, Band.

CHAPEL SERVICE, WEDNESDAY, OCT. 31

The past chapel services have been well taken. Our service on Oct. 23 was among the best. The band played a march as the pupils took their regular places. The following program was given:

Devotion—Dean Ruckman. He read concerning the Parable of the Talents, and made some outstanding comments on the different abilities and the use of the same.

Rev. Wolf talked on the "Straight Life." This was an exceptionally good talk. No doubt every student was brought into deep meditation over his points. The program was closed by singing the National Anthem. The band played as we assembled for our sixth period classes.

CHAPEL SERVICE FOR NOVEMBER 6 AND 11

The following chapel service will be given on Nov. 6. This being National Education Week, we have Supt. E. L. Bailey from the Plymouth schools for a talk. There will be some other numbers by the students. Instead of assembling on Nov. 14 for our chapel we will assemble on Nov. 11, "Armistice Day" and the Shiloh American Legion will have charge of this program.

Initiation of the freshmen closed the stunt program. Each member of the Freshman Class drew a stunt to perform. You should have seen James Black and Bob Hamman roll a pencil across the floor with their nose.

After the stunts, cider, doughnuts and pumpkin pie were served. After the refreshments the crowd dispersed all but Mr. Joseph, Mr. Richards and Mr. Nesbitt, each had a tire to pump up!

BAND

The Shiloh High band will be out in full regalia for the football game with Plymouth Thursday, Oct. 31. To start the program the band will march onto the field led by their drum majorettes. The first formation will be a "Cat's Head," with eyes, ears, nose and mouth; first the mouth turns up and then down. This formation represents the Plymouth Tigers, and should make the audience think of Halloween. At the end of this formation, the band then assembles their regular band formation. They then march back down the field, counter march and then up the field they came. As they marched up the field they dropped off in sections and at the sound of the whistle broke into S. H. S.

doing some real work. Through this organization we are able to work with the teachers and find that they are really human.

Some of the business discussed at our last meeting was school dances, featured motion pictures and honor study halls.

The school dances will be limited until after our basketball season ends since we have a heavy basketball schedule.

The council decided to have six featured motion pictures for the rest of the school year.

The third and fourth period study halls are honor study halls. Come on students, since the teachers have faith in us to keep our own study halls, let us not betray it.

FOOTBALL GAME

Don't fail to see the Plymouth-Shiloh football game to be played at Shiloh, Thursday, Oct. 31, 2:45 p. m. This is the second meeting of the two games this season and a good game is expected. Plymouth will be anxious for revenge for the 17-6 beating handed them by the Drummer Boys in the first round. May the best team win!

INTRAMURAL

The Intramural tag football game is going over in a big way. Harold Diebert's team took the honors in the first round of the play, winning four straight and no defeats. Bob Swartz's team came in second with a 5-0 average.

Probably the best game of the senior league was played Monday afternoon when Harold Russell's team defeated Eugene Russell's team in a close game by the score of 9 to 8. Eugene's team scored the first touchdown and made the extra kick good. Harold's team then received and scored a touchdown making one extra point and the score 7-8. The decisive play was made by play Harrington tagged Eugene behind his own goal line for a safety, putting Harold's team in the lead, 9-8.

Three more games remain to be played before the league is over. These are Nesbitt vs. Ruckman; James vs. Russell; James vs. Ruckman.

TEACHERS' CONVENTION

The students are glad that we have no school Friday because of the Teachers' convention. All of the teachers are planning to go to the convention. We imagine that when they get back they will be somewhat better informed on some things.

They are having teachers' conventions in Athens, Toledo, Columbus, Cleveland and Marietta. Mr. Joseph, Mr. Hinger, Miss Harnly, Miss Black, Mrs. Heeden and Mr. Nesbitt are going to Cleveland. Mr. Richards is going to Columbus and then will go to Springfield on Saturday for his college home coming. He will also visit his sister Lily Helen, who graduated from Shiloh with the class of 1937. He will be accompanied by his wife. Mr. Spirk is going to Toledo. Miss Pettit is going to Toledo. Miss West and Miss Southwick are going to Athens.

The students hope the teachers enjoy their short vacations from Shiloh, and hope to see them all safe and ready for more work again on Monday morning.

5th and 6th Grade

We are planning a Halloween masquerade Thursday afternoon along with Miss Black's room. There will be prizes given for the prettiest, the ugliest, and the fun-

niest costumes. We hope to have a good time.

Our room used Miss Black's sprayers and made some spatter paint pictures for Halloween which we think are quite attractive.

There are twenty one from our room who are taking lessons on an instrument and who hope to be members of the junior band.

SENIOR INVITATIONS

Tuesday the Invitation committee consisting of Dean Ruckman, Lucille Gedney, Kathleen James met with Mr. Cook of Maumee and selected several different types of announcements. They were then submitted to the Senior Class and the members finally decided on one.

JUNIOR CLASS RINGS

Tuesday was a busy day here for Mr. Cook of Maumee, Ohio. He was not only wanted by the Senior Class but by the Juniors as well. Mr. Cook is the representative of the Herf-Jones Co. The members of the ring committee are Mary Jean Hisinger, Doris Moritz, Kenneth Soimer and Neal Garrett. This group picked out two rings which they thought were the best. The Class then picked out the one ring they wanted as Class ring.

A special series of National Defense stamps are now on sale at the local post office. The new stamps were placed on sale first in Washington, D. C., on October 16, the day of registration for compulsory training.

Central design for the one-cent stamp is a reproduction of the Statue of Liberty, above which, in dark gothic, are the words "Industry and Agriculture." The two-cent stamp has for its central subject a reproduction of the 90 millimeter anti-aircraft gun, while the three-cent issue bears an upflitted torch symbolizing enlightenment. Only one two and three-cent stamps will be issued in the group.

NOTHING can soften the sadness of parting from our young men who are answering the call to the colors.

But just watching them swing by, you know there is a cause for giving thanks on bended knees that they are the kind of young men they are.

May we all find ways of telling them the brimming appreciation in our hearts for the high purpose behind the noble sacrifice they are making. God speed them . . . and return them home safely and soon.

HALLOWEEN PARTY

A Halloween party was held at the home of Mrs. Hazel Amstutz of Mansfield, Saturday evening.

There were about fifty guests present. Those attending from Plymouth were Mr. and Mrs. Donis Starks and daughter Geraldine Rae, and Miss Edna Hackett. A fine time was had by all.

ATTEND QUARTERLY CONFERENCE

A number of the people of the Plymouth and Shiloh Methodist churches attended the group first

quarterly conference of the church which was held at New Haven last Wednesday evening, Oct. 23rd.

The program consisted of talks by a pastor, layman, a woman and a youth, each presenting a different phase of the work. The layman's talk was given by Prof. J. C. Martin of North Fairfield, and the pastor's talk was by Rev. H. T. Wintermute of Plymouth.

A three reel motion picture on work and life of a young man in India was presented by Rev. Karl P. Meister of Elyria, superintendent of the Norwalk district. The churches of the North Fairfield, Willard and Plymouth charges were all represented. Those attending from Shiloh were Mr. and Mrs. T. A. Barnes, Mrs. Alice Maring and Mr. and Mrs. H. W. Huddleston. Plymouth people attending were Mr. and Mrs. B. S. Ford, Mr. and Mrs. L. Koning, Mrs. F. M. Poland, Mrs. Frank Gleason, Mr. Ralph Ream, Mr. Chas. Fox, Mrs. E. E. Markley, Mrs. Willard Ross, Mrs. Mary Fleck, Mrs. Ira Ross and Rev. H. T. Wintermute.

MOVINGS

Mr. and Mrs. Hattenbaugh of Gallon have rented the upstairs apartment in the home of Miss Ida Cheesman on West Broadway.

Mr. and Mrs. Porter of Mt. Vernon have rented the property of Mr. and Mrs. O. L. Kinsell on Park Avenue, recently vacated by E. Brown and family. Mr. Porter is employed at the Fate-Roor-Heath Co.

Mr. and Mrs. E. H. Smith, who have resided in the furnished apartment in the John Hough home on Trux street, have moved to the Cheesman apartment over the Hatch Style Shop.

Mr. and Mrs. H. F. Root and family, who have been living in their summer home in Vermilion, moved last week to the property of Karl Gleason on Maple street. Mr. and Mrs. R. W. Eckstein and family moved Tuesday to their newly acquired property on Sandusky street.

NORTH FAIRFIELD SCHOOL NEWS

The several organizations of the community are not only getting behind the local school project, but also helping explain this plan that the Board of Education is presenting to the voters on November 5th. The P. T. A. had Supt. E. A. Bell explain the need of the project at a special meeting last Friday evening. The class of '41 is staging a free entertainment at a public meeting to be held at the Town Hall on Tuesday evening. The community organizations have been encouraging their different members to study the project thoroughly. The P. T. A. is sending out volunteers this week to explain the plan to each voter. Other organizations that have pledged their support are the FFA, the PHA, the 8th grade and the community council executive board.

The local PTA held the October meeting in the music room on Friday night, C. C. Cook led the devotions. He took as his topic, a very appropriate one, "Build-

ing." Miss Willis gave a fifth grade history lesson demonstration. H. P. Messmer presented a group of seniors who conducted a panel discussion on "Hereditary vs Environment." Ruth McPherson gave two piano accordion solos.

Supt. E. A. Bell gave a very vivid picture of the need of the school project, which is being presented to the voters on Nov. 5th. The executive officers have been receiving some very fine comments on the well planned program.

PERSONALS

Mrs. LaVera Copac and daughter Mary Lou of Ravenna were week-end guests at her brother's home, Mr. and Mrs. J. C. Murlin.

The PTA improvement committee headed by B. O. Maerklisch presented prices of flags for the grade rooms. It was decided to purchase three from Hankammer and Holden.

HONOR STUDENTS

LOCAL STUFF

(By Phiness Whittleseed)

Yep, there's something more to these Indian Summer days than just "burning a few leaves." Let's take the little wife who gets a thorough job of fall housecleaning on her program. And nine times out of ten hubby gets called on a job which requires a lot of skill, patience and ability to swear.

I was asked to give an hour of my time to do a little job around the house. Inquiring as to what the "little job" might be, she replied: "Oh, just hanging some rods for the drapes."

Well, sir, I opened up the carton and found a real piece of skill which had been put into what the manufacturer called "Drape Rods." I instantly realized that it would be necessary for me to make a list of tools required — one hammer, two screw drivers, one drill, a step ladder, six old newspapers, a pair of gloves and a steady nerve. I'm not giving anymore, but that one hour wound up with three — and the

miraculous part about the whole thing, I didn't even say "damn."

It's been rather interesting to note so many candidates from Norwalk and Mansfield drifting into Plymouth. The gamble that those who may be lucky enough to get elected, won't even know where Plymouth is located after election. It's not theory, either, for I've observed this fact for the past fifteen years.

Want Ads generally prove interesting both to buyer and seller, but we've run across some which add a little humor. They made me laugh, and I guess you'll get a chuckle, too. Here they are:

WANTED — A place to show her wares by an antique lady with a Spanish chest and other odd things. — Cold Springs, (Ga.) Times.

WANTED — A salesgirl: must be respectable until after Christmas — Belen, (N. M.) News.

— And a couple of little typographical errors which also add humor:

"George" had charge of the entertainment during the past year. His birth-provoking antics

were always the life of the party and he will be greatly missed." — Willard (Ohio) Times.

"The victim said that when he left the cafe with his two pretty companions that he had \$60 on him besides several pockets full of loose change. But after he was hit on the head he says he woke up without a dame." — Painter (Okla.) Recorder.

Charlie Wyandt is running for Huron county commissioner on the Democratic ticket. Charlie is a good fellow, and would make southern Huron county an excellent representative in Norwalk. We might also add that Carl Ellis of Greenwich is running for county commissioner. Now, you voters living in Southern Huron county couldn't do better than to vote for these two men. Charlie and Carl need your support and we need representation in Norwalk.

The theme song in Plymouth Tuesday among the men from 21 to 35 years was: "I've got numbers on my mind."

And former Governor Davey wasn't so far off when he said in one of his campaign speeches that Oct. 18 will be the most sorrowful day in all America — the day of the draft registration.

Just took a little time off to estimate the outcome of next Tuesday's election. The "statist" tells me that Roosevelt will have 197 electoral votes, while Willkie will get 334. No, these figures did not come from an astrologist, but I figured them out, using the reaction at the conventions, the 1936 popular votes, and the way the tide has turned the past few days.

ROSES IN DECEMBER
It's not quite December, but roses after the first snow fall last Saturday, a week ago, is quite a record. And to prove it, Will Link, who resides on the North Street road, brought in a bouquet Saturday night. And to top it off, they are of the thornless variety.

Mr. Link says that this particular species, name unknown, has been in the family for forty years. Although the roses have been exposed to exceptionally cold weather and the first snow of the season, they possessed a great amount of their sweet scent.

Thanks, Will, for the roses, even if the oddity of them did force you to bring them in.

NEW TENANTS

WENDELL L. WILLKIE
for PRESIDENT

JOHN W. BRICKER
for GOVERNOR

for TRUE AMERICANISM

Republican Leadership for STATE and NATION

The issue is clear in the coming state election—Whether to retain the decent, solvent, business-like administration instituted by Governor Bricker—or to return to the welter of extravagance, inefficiency and deficits which characterized the regime of his present opponent and predecessor in office, John W. Bricker has kept his promise. He cleaned house and rooted out waste in state management. He kept Ohio within its income and asked for no new taxes, no increase in old ones. He paid off millions of the inherited debt and still showed a surplus in the State treasury instead of a deficit. He reduced expenses, yet provided more dollars for every essential service—relief, schools, pensions, highways, etc.—than did his predecessor. John W. Bricker has again made public office a public trust. There has been NO SCANDAL during his administration. Vote for Governor Bricker and retain Ohio's solvency and self-respect.

Wendell L. Willkie does not think that the Constitution and the Bill of Rights are "horse and buggy" stuff. He knows that democracy is doomed, unless the government again becomes the people's servant, not their master. He believes that laws should be passed by Congress, not made by bureaucratic decree; that courts must be independent or our liberties will vanish. To create an invincible national defense, America must have confidence and prosperity within. Workmen want steady jobs, not relief. Farmers want parity markets, not doles. Business needs encouragement under fair regulation, not throttling restrictions. Eight years of ever-growing Presidential dictation and federal borrowing have failed to cure the depression or make the country secure. There is no valid excuse for the third term. ONE-MAN POWER MUST GO. If you love America, get behind Wendell L. Willkie. Elect him by your vote.

America must be strong enough to meet any crisis which threatens. Ohio is a pivotal state. It must keep itself strong by retaining the clean administration of Governor Bricker and electing Republican legislators and officials who will support him. It must help make the nation strong by electing Harold H. Burton to the United States Senate, and Republican Congressmen to the United States House of Representatives. Protect your ballot. Vote both the Republican National Ticket and the Republican State Ticket next Tuesday.

RESOLUTION No. 35
WHEREAS, It is deemed advisable by the Council of the Village of Plymouth, Ohio to construct a Municipal Electric Light and Power Plant, and whereas, it is necessary according to law to employ a registered engineer for the necessary engineering services, and

THEREFORE, BE IT ORDAINED by the Council of the Village of Plymouth, State of Ohio, three-fourths of the members concurring,

SECTION 1. That the Mayor and Clerk of the Village of Plymouth, Ohio be and hereby are authorized to enter into a contract of hire with Carl J. Simon and Associates, Consulting and Registered Engineers.

SECTION 2. That Carl J. Simon and Associates, Registered Engineers, shall furnish all necessary data, preliminary surveys, reports, estimates and all engineering services required to construct a municipal Electric Light and Power Plant in the village of Plymouth, Ohio.

SECTION 3. That Carl J. Simon and Associates are to agree to furnish a preliminary report,

surveys, estimates and plans for the Municipal Electric Light and Power Plant in the Village of Plymouth, Ohio, for the sum of Two Hundred Seventy Five Dollars (\$275.00). Said preliminary report, surveys, estimates and plans for the municipal Electric Light and Power Plant are to be completed and filed by said engineer with the Clerk of the Village of Plymouth, Ohio, on or before 40 days after date of passage of this resolution, and if the project is proceeded with, said engineers are to furnish the remaining engineering services and general supervision for a sum equal to 7 per cent of the total cost of construction (labor and material) included, less the previous payment of \$275.00 hereinbefore mentioned.

SECTION 4. That said Engineers shall be paid said 7 per cent if the project is proceeded with upon the following schedule.

Three per cent of the total cost of construction based upon the estimate of the contract price, upon completion of the detailed plans and specifications being furnished by said Engineers.

The balance of 4 per cent shall be paid the engineer as the work progresses, based upon estimates paid contractors.

This ordinance shall take effect and be in force from and after the earliest possible date allowed by law.

W. M. JOHNS, Mayor.

RICHLAND COUNTY

Schad for Sheriff, Richland Co. I will appreciate your support.

Credit—Where Credit Is Due

Bonded indebtedness of any county or political sub-division of the state of Ohio must be paid over the span of years for which any bonds are issued.

Richland county is now free of any bonded indebtedness—credit being given for the retirement of all bonds issued in past years, while new bonds have been issued or authorized by the voters of this county.

During the years 1937-1940, inclusive, when the present bond of county commissioners was in power a total of approximately \$800,000.00 in bonds was retired. BUT COMPARE THIS RECORD WITH THE RECORD OF OTHER COUNTY COMMISSIONERS DURING THE PREVIOUS EIGHT YEARS.

Here are the figures taken from the County Auditor's annual financial statement on file in the court house of the amount of bonds retired:

1928—\$667,362.73	1935—\$296,425.84
1929—\$426,887.20	1936—\$255,473.81
1931—\$414,371.60	1938—\$217,138.96
1932—\$470,068.49	1939—\$188,161.69
\$1,672,610.02	\$961,146.30
TOTAL BONDS RETIRED 1929-32	\$1,672,610.02
TOTAL BONDS RETIRED 1933-36	\$861,146.30
TOTAL BONDS RETIRED 1937-40	\$600,000.00

IS THE PRESENT RECORD SOMETHING SO WONDERFUL TO BOAST ABOUT?

Do the present county commissioners also take credit for the reappraisal of real estate that resulted in an increase in taxes for many property owners in Richland county?

WHAT ABOUT THE \$3,000,000 BONDED INDEBTEDNESS OF THE FEDERAL GOVERNMENT THROUGH EXPENDITURES IN RICHLAND COUNTY? Do the present board of commissioners take credit for this?

Republican candidates for county commissioner are just as capable as their opponents in looking after the business of the county in the retirement of bonded indebtedness. They have no alternative but to pay off bonds when they become due. They have had that experience in holding the office of township trustees in the retirement of bonds. They claim no unusual credit for that.

Cyrus L. Shoup and Harry Orewiller are honest, capable and efficient men, and citizens of Richland county are assured of the highest type of officials by electing them on Nov. 5th.

Don't Trade Facts For Promises

On November 5, the voters of Richland County will choose their county commissioners for the next four years. Let us look over the past four years, and consider some outstanding achievements.

In 1937, the county had a bonded indebtedness of \$800,000.00. Guy Stewart and Ray Hout have adhered strictly to a policy of wise and careful administration of county funds. Because of their refusal to sanction unnecessary expenditures, no new bond issues were required. The result is that today, Richland is 100% free of any bonded indebtedness. No other county in Ohio, whose industrial capacity compares with Richland, can boast of such a record.

However, this policy of wise economy has not in any way interfered with or curtailed the administration of necessary projects.

Until recently, for example, indigent tuberculous residents were cared for in private institutions. In July, 1940, the county leased and began to operate the Thomas Sanatorium, for the care of these unfortunate. This arrangement, which has the approval of the State Medical Board promises to be much more efficient and economical than the previous one.

Another important point has been the splendid upkeep of county roads. In 1939 and 1940 alone, approximately forty-five miles of hard surfaced road were constructed in the county. It is a recognized fact that Richland now has one of the finest county road systems in the State.

The Welfare Department, caring for the dependent children and blind persons, is now functioning with more real efficiency than at any other time in its history.

Largely through the efforts of the County Commissioners the county received credit from the State Welfare Department for some \$40,000.00 which the Commissioners maintained represented overcharge during the past ten years for the care of patients in the Feeble Minded Institution.

These Commissioners have sponsored a program for the collection of delinquent taxes during the past few years that have reduced the outstanding back taxes to the lowest figure in thirty years and has provided thousands of dollars for the subdivisions of Richland County.

Naturally, Mr. Stewart and Mr. Hout do not claim all the credit for this splendid record. However, when it is considered that they have held two important administrative positions during these years, it is obvious that they are, in a large measure, responsible for it.

If you would like a continuation of this able, careful and efficient form of county government for the next four years, re-elect Stewart and Hout for county commissioners on November 5.

LEO BARNES TAKES NORWALK GIRL FOR BRIDE

At eight o'clock Friday evening, Miss Agnes Hippler, a charming and well-known Norwalk girl, became the bride of Leo Barnes of Plymouth. Rev. Father Friemuth, assistant pastor of St. Paul's Catholic church, performed the ceremony in St. Paul's rectory.

Mr. and Mrs. Frank Janata, uncle and aunt of the bride, were the attendants.

The bride was charmingly attired in a gown of garnet velvet with accessories of hat, hose and shoes to match. She wore a corsage of Roosevelt roses intermingled with fern.

Immediately after the ceremony an informal reception was held at the home of Mr. and Mrs. Fred Laible, with whom the bride has resided for the past 15 years. The house was beautifully decorated with bronze and yellow mums.

The young couple left by motor late in the evening for a honeymoon in the South and will be at home to their friends in Plymouth after Nov. 15, 1940.

CORRECTION IN DATE

The correct date for the next meeting of the Stella Social Circle is Thursday, November 14th at the home of Mrs. Jennie Ruckman. Her assistant will be Mrs. B. R. Scott. This will be the annual election of officers and other important business matters, so all members are urged to attend.

YOU ARE INVITED TO A PARTY FRIDAY

No doubt it has been a long time since you have gone to a large social gathering where a sincere welcome awaits you and a whole evening of entertainment, dancing and special musical numbers to intersperse, can be had for the small price of twenty-five cents.

This Friday evening in the High school auditorium, complete plans are announced for just such an evening. This is the annual dance and party given by the Stella Social Circle, the social division of the Eastern Stars.

A five piece orchestra has been secured, and card tables arranged for various card games.

Another feature of the evening

is the Cake Walk. A number of cakes have been secured and if you are one of the lucky ones this alone is well worth the admission charge.

The committees and the capacity in which they will serve, are as follows:

Mrs. Ada Van Wagner and Mrs. Anona Root head the ticket committee; decorations are in charge of Mrs. Julia Einsel, Mrs. Gladys Fellers, Mrs. Ruth Ruckman and Mrs. Maude Poir. Entertainment committee: Mesdames Gladys Fellers, J. Einsel and Eva Ross; Refreshments, Mesdames Myrtle Dawson, Miriam Hersher, Anna Markley, Virginia Ruckman, Mable Stewart, Kathryn Sourwine, Zella Carter and Iva Gleason; Games and tables, Mesdames Marguerite Pitzen and Maude Poir; Service committee: Mesdames Arline Schreck, Alice Ellis, Josephine Schreck, Lucy Curpen, Mattie Major Alta Munn, Florence Faust, Harriett Robinson, Gladys Bailey and Donna Dawson, and Reception committee: Mesdames Zella Carter, Stella Eastman, Arline Schreck, Carol Dunham and Harriett Robinson.

HALLOWEEN PARTY

Members of their Pinochle Club came masked Monday evening for their October meeting, which met with Mrs. Robert F. Eichelberry of West High street.

After unmasking, the guests enjoyed the evening with Pinochle with Mrs. Donald Fellers holding high score and Mrs. Whitney Briggs, low.

Members are Mesdames Whitney Briggs, Robert Meiser, Donald Fellers, Charles Hockenberry Lee Blakely, Vincent Taylor and Miss Mary Louise Miller.

A lunch in keeping with the Halloween season was served at the close of the evening.

MISS RUTH HUNTER IS AUTUMN BRIDE

A lovely bride of Autumn was Miss Ruth Hunter, who chose October 26 of this year as her wedding day. At seven o'clock at the altar of the Plymouth Presbyterian church, she exchanged the nuptial vows with Mr. Chester Ramsey of Wooster. Rev. Thomas used the single ring ceremony.

The bride is the daughter of Mr. and Mrs. Bert Hunter of West Broadway, and the groom is the son of Mr. and Mrs. A. Ramsey of near Loudonville.

Those who attended the wedding Saturday evening were Mr. and Mrs. Bert Hunter, Mr. Joseph Hunter, Mr. and Mrs. A.

The bride chose as her marriage gown, a black fall dress with white accessories, and she wore a corsage of red roses and white pom poms. The lovely necklace which she wore was the one which her mother had worn as a bride.

The young couple were honored after the ceremony by a buffet supper at the Hunter home. The centerpiece was a beautiful wedding cake decorated with wedding bells and a miniature bride and groom.

On Sunday Mr. and Mrs. Ramsey left for Wooster, where he is employed, and where they will make their home.

The History of Martin L. Davey

Born July 25, 1884, at Kent, Ohio, the third of seven children of John and Bertha Reeves Davey.

Started selling vegetables at age seven from his father's little farm. Established a horse-radish route at age ten, since from his earnings helped support the family.

Was graduated from Kent public schools at age fifteen. Spent the next four years selling his father's new book, "The Tree Doctor," and also typewriters in Cleveland, in order to earn the money to go to college.

Entered Oberlin Academy at age twenty. Spent nearly three years at Oberlin Academy and College.

Left college at age twenty-three to help in the struggling little business of his father, the care and treatment of trees.

At this early age, Martin L. Davey became the general manager, and he built a successful nation-wide business, on the foundation of his father's creative genius.

It was Martin L. Davey who paid off his father's debts, and made his father's dream a business success. He has a thousand loyal employees, and does a business of more than two million dollars a year. His concern, The Davey Tree Expert Company, has the highest credit and professional standing.

MARK WELL THIS FACT!

The State of Ohio cannot tax real estate, without a vote of the people. The constitution forbids it. And the people will never vote for it.

Even your local officials cannot tax real estate more than one per cent of its value unless you vote for it. Again the constitution forbids it. Real estate is protected by iron-bound conditions in the State Constitution — as it should be. See Article XII, Section 2, of Ohio's Constitution.

If anyone tries to tell you that real estate taxes will be affected by repealing the sales tax, or by any other State activity, tell him that he is either inexcusably ignorant, or is resorting to a willful falsehood. Tell him he needs to read the Ohio Constitution.

District, Portage, Summit, Medina and Lorain counties.

Served as Governor of Ohio for two terms, 1935-6-7-8.

Success never turned his head. He was always democratic, friendly, sympathetic and natural. He was never guilty of sanctimonious pretense. He was always honorable, always a square shooter, always kept his word, always loyal to his friends, always devoted to the common people, and always unbossed.

Davey made enemies, powerful ones, who sought by mean and despicable methods to destroy him. This was because he was courageous enough to do his duty, stand on his own feet, and not take orders from selfish enemies of the people.

And yet, Davey has an unusual capacity and willingness to cooperate with all people and legitimate interests. As Governor, he gave willing service to tens of thousands of people. His instincts are kind and sympathetic and helpful. He fights only when he has to, and then he fights courageously, and never in a mean or, underhanded way.

Junior Red Cross To Check Home and Farm Hazards

Junior Red Cross throughout the county will conduct its annual Home and Farm Accident Prevention survey next week, when members will distribute 13,000 self-check lists on hazards around homes and farms.

The Junior Red Cross of the nation has set aside Oct. 28 to Nov. 2, inclusive, for its check. Questionnaires are delivered to the home of every school child and parents are asked to check the lists against all possible hazards around the home.

Harold K. Mansfield safety supervisor of the Red Cross in Mansfield and the county, states that the annual Home and Farm Accident Prevention week is a step toward reducing the appalling number of accidents at homes. He said that last year's fatal accidents in homes and on farms was 32,000, only 600 less than those caused by autos, while the number of non-fatal accidents was 470,000 or four times the number injured in auto accidents, and that of this number 14,000 were permanently crippled or disabled.

The check lists taken home by children inquire about such hazards as cluttered stairways, broken electric cords, toys with sharp or broken edges, firearms and poisons around the home, dangerous animals, the use of gasoline and dozens of similar questions.

Parents are urged to mark the check list and then to post it in some place in the home where it will be a constant reminder that hazards about the place bring injury or death.

Distribution of the check lists is one of the Junior Red Cross projects of the year.

ECONOMY AND COMPETENCE

Theodore L. Lutz, Republican Candidate, Prosecuting Attorney, Richland County. Since 1935 your prosecuting attorney has been required to employ special assistants to efficiently perform the duties of the office. The special assistance has been in the nature of "assistance to the assistant prosecutor and has cost the tax payers of Richland county \$113,735.00.

The records show that while this special assistance was employed the regular assistant prosecuting attorney (who now seeks election as Prosecuting Attorney) has been paid \$175.00 monthly and has also engaged in private practice.

The records give you a partial picture of his private practice, and show him to have been active in 39 divorce cases, seven civil actions and 21 estate cases.

If elected Prosecuting Attorney I shall do the work of that office with one regular assistant and I pledge the citizens of Richland county economy, competence and courtesy at the lowest possible cost consistent with good public service.

Signed: THEODORE L. LUTZ, Your north-end of county neighbor — Republican Candidate for Prosecuting Attorney of Richland county.

Red Cross Presents Chapel Program

The Richland County Red Cross organization presented the chapel program Wednesday morning at Plymouth. Mrs. Scott and Mrs. Heiber of Mansfield, the speakers, pointed out the work of the Junior and Senior Red Cross. Mrs. Heiber stated that the organization began in Italy under the leadership of Henri Dunant, and how the Red Cross was organized in the United States in 1861 with Clara Barton at its head. The Junior Red Cross was formed in Canada during the World War by children who wanted to do their share.

Huron Edges Plymouth; Play Shiloh Team Today

In the most exciting contest of the local football season, Huron, a highly favored aggregation edged Plymouth in the last forty seconds 26 to 25. Huron, which has gained national recognition in six man football, found the local boys to push-over and victory came only after a desperate pass in the closing seconds of the game. The contest was a see-saw affair with each team forging ahead only to see their lead overtaken by the other.

The score by quarters: Plymouth 6 6 6 7 Huron 8 12 6 7 Plymouth will play Shiloh in a return game today, Thursday, Oct. 31, at 3:45. Coach Dunham's crew will be attempting to avenge the 16 to 6 surprise upset inflicted by the Drummer boys earlier in the season. The proceeds of the game will go to George Harrington, Shiloh player, who received a broken leg in the Monroeville-Shiloh game.

Rev. Clyde Barnes of the Akron district, as the preacher. At noon the group gathered in the basement for a basket dinner following which an informal program of "reminiscences" was

given with practically every visitor and some local people taking part. It was a day of good fellowship and many fine comments were heard as to the success of the undertaking.

DON'T FORGET SHAD FOR SHERIFF!

UNUSUAL CRASH CASE SETTELED

Agreement For Unannounced Sum Ends Suit of Rail Engine's Owners.

A suit in which the Northern Ohio Railroad company sought \$588 for damages to one of its locomotives in a train-automobile collision in Plymouth had been settled out of court last Wednesday for an unannounced amount. George E. Hagenbuch and H. B. Stewart, trustees for the railroad, brought the action against John E. Haas of Willard, the motorist, contending that Haas drove his car into the side of the locomotive at a Plymouth crossing, last November 3rd.

In their petition, the plaintiffs also contended that the car damaged the electric flasher at the crossing which allegedly was operating when Haas drove onto the crossing.

The petition stated that Haas

— VOTE FOR —

EDWARD J. T. SCHREINER

— FOR —

STATE REPRESENTATIVE

IN ASKING FOR YOUR VOTE WANT TO GIVE YOU MY ATTITUDE ON

— POOR RELIEF

I am for an efficient and reasonable handling of this important matter. I am opposed to any plan diverting any of Huron county's share of any other county. I am opposed to the transferring of "ear marked" funds thereby depriving the Poor Relief fund of its share in appropriations. The 93rd General Assembly passed an appropriation of \$5,000,000 for Poor Relief. Then transferred the appropriation of Poor Relief to the Department of Public Welfare and administration of Poor Relief. The result of this transfer of funds provided that said department distribute the \$5,000,000.00 on this basis of need as determined by said department. The result of this plan was that thirty-eight counties received absolutely no share and eighty rural counties received the remaining 14 per cent. In THE ORIGINAL APPROPRIATION HURON COUNTY WAS TO RECEIVE \$24,464.05 BUT RECEIVED ONLY \$5,517.67 or a loss of \$18,946.38. This Act was later repealed but the diverted funds were not restored.

— SCHOOLS

I will oppose any plan to divert or transfer any "ear-marked" school funds to any other fund. I will support any plan whereby the schools will receive every dollar the Legislature appropriates and every dollar derived from taxes intended for school purposes.

I favor the continuance of the "pay-as-you-go" policy of financing the School Foundation through biennial appropriations. As a safeguard to efficient teaching I favor a plan through legislation to provide for continuing contracts to teachers whose experience and training conform to standards to be established by law and for an orderly procedure whereby such contracts may be terminated for causes to be specified by law.

— OLD AGE PENSIONS

The people of Ohio by popular vote approved an Old Age Pension law. I favor the preservation of that law and favor the payment of an adequate pension to every eligible person. I am opposed to the setting of a quota for or county whereby the number of pensioners permitted from the county depends on a particular allotment of money to that county. It is unfair that persons be kept from receiving pensions because they reside in a particular locality which quota is filled. Every eligible person should be taken care of.

— REST HOMES

In Ohio we have a condition which should be corrected at once. I favor the passing of a law regulating the so-called Rest Homes. From time to time you read of disastrous fires in Rest Homes carried on for aged persons. These Rest Homes with Old Age pensioners crowded together, huddle them into crowded quarters, giving little attention to fire hazards and sanitary conditions.

— SALES TAX

I favor an amendment to the Retail Sales Tax law affecting the sales tax on motor vehicles. I favor an amendment to provide that sales tax shall be collected only on the actual difference between the selling price of an automobile purchased and the allowance on the automobile traded in. This will result in a substantial saving to every person buying an automobile from a dealer.

— GENERAL LEGISLATION

If elected as your STATE REPRESENTATIVE I will carry out your wishes. I will oppose and vote against proposed legislation which is opposed to the interest of the people of Huron county. When you receive your ballots on November 5th look for my name in the DEMOCRATIC column and mark your State and County ballot thus:

FORMER MANSFIELD MAN WILL MARRY SHELBY RESIDENT

Announcement is made of the approaching marriage of Miss Mabel Lynch, daughter of Mr. and Mrs. Milton Lynch of near Shelby, to Clifford W. Smith of Shelby son of Mr. and Mrs. C. P. Smith of Mansfield.

The ceremony will take place Tuesday, Nov. 12, at the United Brethren church, Shelby, Rev. J. C. Seale, pastor of the church, will perform the single ring ceremony before members of the immediate families and close friends. Attending the bride will be her sister, Mrs. Howard Guerin, as matron of honor, and her nieces, the Misses Peggy Miller and Bernadine Workman, as flower girls.

Miss Lynch was graduated from Shelby high school. She has been employed in the office of the Shelby Cycle company for the past several years. Mr. Smith attended the Mansfield schools. He is employed at the Sutter furniture company in Shelby where the couple will make their home.

MRS. HENRY FACKLER HOSTESS TO MARTHA JEFFERSON CLUB

There were twenty-two members present for a meeting of the Martha Jefferson Club at the home of Mrs. H. H. Fackler on Plymouth street, Plymouth, on Tuesday last. Mrs. Downend, presided over the business meeting. Elizabeth Weber conducted the lesson in civil government. The coming election and its districts was the subject of discussion, and many interesting facts were brought out.

Again we were honored by the presence of Mrs. Clark Brook and several of her co-workers and democratic friends from Mansfield. Mrs. Brook brought with her the women's activities during the present campaign. She is also president of the Dolly Madison club, an organization of democratic women from Mansfield.

Guy Stewart, present county commissioner, who is seeking reelection, also paid us a brief visit. From Norwalk we welcomed Mrs. Stoll, who seeks the office of clerk of courts in Huron county.

Mrs. L. E. Brown served as co-hostess with Mrs. Fackler, and lovely refreshments were served after a social hour. The next meeting will be with Mrs. Louise Holtz of the Plymouth-Shelby party on December third, with pot luck. We look forward to a good attendance at this meeting, and as we wish to increase the membership, bring a friend, a potential member. Their time will not be wasted.

ANNOUNCE MARRIAGE

Mr. and Mrs. George Cheesman, who reside west of Plymouth, are announcing the marriage of their daughter Dorothy Jean to Mr. Herschel Fried of Toledo, Ohio, October 12. The couple motored to Maysville, Ky., and were married by Rev. King pastor of a Methodist church.

The young couple are making their home in Toledo where the groom is employed. Mrs. Fried is a graduate of Plymouth Hi school, class of '39 while Mr. Fried graduated from the Tiro school in 1935. He is the son of Mr. and Mrs. Amos Fried of Shelby.

The young couple are receiving the best wishes of their many friends.

CLASSES HOLD TWO PARTIES

The two classes of the High school, eighth and tenth, had hallowe'en parties Tuesday eve. All were asked to mask. The eighth grade held their party at the home of Kenneth McDougal. The refreshments were doughnuts, apples, pumpkin pie and sandwiches. Games and other amusements were enjoyed. Teachers were invited.

The Sophomore class held their party at the home of Adeline Pump. It was to be masquerade. The refreshments were cider, donuts and apples. Games were the amusements.

DO STRICT DIET AND HARD KNOCKS ADD TO YOUR CHILD'S LIFE

A special article in The American Weekly, with the Nov. 5 issue of The Detroit Sunday Times, reveals unusual facts about which seem to indicate that overfed babies who don't have early hard ships live shorter lives than less fortunate children—but explains that a set of hardy grandparents is the safest way to assure a good old age. Be sure to get The Detroit Sunday Times.

Miller-McQuate Firm Has "Lay-Away Plan"

With the national election over within a week, the next big problem on the hands of American people will be, "what are you doing for Christmas?"

Within the past several years, the trend has been moving away from the small individual gifts to something usually for the home and which the entire family enjoys.

With this idea in mind, the Miller-McQuate Furniture store announces for the first time a "lay-away plan" for Christmas.

By giving your choice now from their unusually large stock of stands, novelty furniture, hassocks, chairs, lamps, and in fact, furnishings for the entire home, the article chosen will be laid away by making small down payment and paying each pay day, until paid in full.

With two full months to make easy payments, it not only insures you of a good selection, but makes Christmas a pleasure instead of a burden, when all the bills roll in.

Mr. McQuate, who has made great strides in the management of the Miller Furniture store, states he will be glad to talk over the plans with you. Just stop in, pick out the piece you want and it will be laid away.

Reports Progress Shown On County Highway Program

Richland county's road schedule for 1940 is well on the way to completion despite the fact that on Aug. 1 the entire program was more than a month behind. Because of prolonged rains early in the spring the road work did not get fully under way until July 1, according to Howard Sward, county engineer, and at other times WPA labor was very scarce.

The WPA road program, consisting of 18.9 miles of county roads of bituminous surfacing is all completed except finishing a few of the ditches, slopes and borm. Sward said today. The regular county program in conjunction with township trustees has less than five miles to go. There

are 28.65 miles of various types of roads on this schedule.

The third phase of the county highway program for the year is made up of 55.3 miles of reconstruction, and of this 25 miles has been completed.

All of this, Sward said, will be completed before the end of the year.

A NEW SON
Mr. and Mrs. Jacob Fox of Castalia announce the arrival of a son on Sunday, Oct. 27. The youngster weighed in at six pounds. Mrs. Fox is the former Miss Fay Minzer of Plymouth.

BOY SCOUTS STILL

NEED FURNISHINGS

The Boy Scouts are busy getting settled in their new quarters on the second floor of the large barn in the rear of the James Root residence on North street. Although the response to their plea for aid in furnishing same was very good, there are still a number of articles needed. Floor lamps, chairs and large pieces of floor linoleum are still lacking. If there is anybody who can assist the boys by donating these furnishings, a call to Rev. Wolf Don Elms, Jr., or James Crockett will immediately have the proper committee at your home to take care of it.

GLEN W. MARRIOTT

On account of the present demands of the Prosecutor's Office I find that it will be impossible for me personally to see a number of my friends before election.

My experience as Prosecutor and the handling of a multitude of cases where juveniles were concerned would be an experience which would eminently qualify me for this important office.

My name will not appear on either of the party ballots but will be on the Non-Partisan Judicial ballot.

Let me assure you of my sincere appreciation of your assistance in this coming election.

Signed GLENN W. MARRIOTT.
