MEET SANTA

Thousands From Richmond and Adjoining Counties Travel to Mansfield to See Santa Claus.

Mansfield, Ohio, Approximately 20,000 North and Ohioans, including several hundred from Plymouth and vicinity, drove to the Mansfield Municipal Auditorium Sunday to see Santa Claus arrive and meet officially on the Christmas season for this year.

Instead of the traditional reindeer and sleigh Santa kept in tune with modern trends and arrived by special air transport. A half hour before the time set for Santa to arrive the overflow crowds made it necessary to call the State Highway Patrol in order to break traffic jams on roads leading to the airport.

Just a few minutes behind the schedule because of the inclement weather, the old fellow's plane came into view at 3:45, and after a brief stop at the airport, he flew to a perfect three point landing on the field soggy with the snow and rain of the preceding night. As the cream and green plane came in sight the thousands of children and grown-ups alike began to point skyward and cheer.

Immediately upon landing "Bud" Harrington, the pilot, cut his motor so the thousands of few who ran toward the plane would not be caught in the whirling propeller. Santa, in his traditional bright red suit and flowing beard, greeted these assembled and chattered briefly with the multitude of happy children. Presents were distributed to those fortunate enough to talk with Santa during his hour's visit. Evidently that stay in Mansfield was only a short one. Santa will be in constant touch with the local scene by means of a direct wire from his North Pole headquarters to the studio of WMAN, Mansfield. From 4:30 until 5 each afternoon he will speak personally to the boys and girls who are present at the WMAN studios. Those not able to attend can hear Santa by tuning to WMAN.

REV. MR. BETHEL ADDRESSES CHAPEL

Rev. Mr. Bethel of the Presbyterian Church spoke at the Thanksgiving assembly sponsored by the eighth grade of the Plymouth High. He told the students that they should be thankful for the freedoms such as those of worship, of education, of press, of movement, and of choosing a career which citizens of the United States enjoy. Rev. Bethel compared these blessings to the fruit of a vineyard with vines which may be likened to a firm belief in the Fatherhood of God and the brotherhood of man, and the worth of the individual, blessings which are seldom appreciated.

Lois Beberick presided over the assembly and the scripture was read by Margaret Briggs. The assembly sang the "Pagan Love Song" and "The Voice in the Old Village Choir."

Later the winner of this silver medal will enter a district gold medal competition, to determine a district winner who will enter the state competition in January for cash prizes and college scholarships.

In letters congratulating Miss Beth Clark, and other local church winners on gaining admittance to the county contest, Rev. B. F. Lamb, Columbus, executive secretary of the Ohio Council of Churches, said in part:

I trust you will continue to be active in the educational campaign for peace throughout your life."

The Prince of Peace Declaration Contest, now in its seventh year, is conducted annually by the Ohio Council of Churches among boys and girls of high school age as a means of building understanding of world problems and creating intelligent peace sentiment.

PLAY HERE FRIDAY NIGHT

NORTH FAIRFIELD TO ENGAGE IN FIRST HOME GAME.

By Ray Ford
In the first home game of the season, the North Fairfield Indians will engage the Plymouth Pilgrims in a Twin-Valley League contest on the local floor. The game will begin at 8:30, with the Reserve game at 7:30. It will be the second game of the season for Plymouth, having played New Haven Tuesday night.

Plymouth will be seeking to revenge the 12-0 beating given them by the Indians in the last football game of the season. Plymouth puts a veteran team on the floor this year, losing only Keith Kitchin from last year's team that won the Twin-Valley League Championship. Plymouth plays only one game with each of its Richland County League rivals, while playing twice with the Twin Valley League teams. This is reverse of the schedule of last year. Expected to start the game are James Lach and Bill Reed, forwards; Joe Moore center, and Dick Rule and Sid Thomas at the guard positions. Reed played last year with the New Haven variety, and Thomas is perhaps the only player with real experience, being on a sophomore. A good team is expected this year, so let's all get back of the boys and show them you appreciate them by attending their games.

PHYLIS MILLER may be slow in making up her mind, but she's quick on the trigger when it comes to shooting pheasants. While hunting with her Dad, E. B. Miller, Saturday afternoon, Phyllis spied a pheasant on the ground, and before that bird could "take off" Phyllis had fired the fatal shot.

MARIE FEATHERS GUTHRIE was all a-flutter Saturday night. It was on account of Francis, her husband, bringing in two birds and two rabbits. Dressing them delayed her with the Saturday shopping, and as a result she was just "getting under the line" before the stores closed.

THOUGHT FOR THE WEEK—Only 23 more shopping days until Christmas. May we suggest you read the ads in this issue and do your shopping early. PWT.

THE HUNTING SEASON was a complete success as far as Pop Teal was concerned as you will follow me on this very vivid explanation. Pop made a big wire book and carried it on the hand car with him. Whenever he saw one of those beautiful birds he would just pull out the big

wire and very expertly catch the bird by the leg without firing one shot. By the way "Bung" Rhine ran the motor car while this took place. The latter had all the places marked on a home made map from the past summers work so that any territory along the A. C. & Y. track was well sketched, and all that was necessary was to motor to the place where X-marked the spot. They both rode home with the LIMIT.

Miss Thelma Beelman of Columbus is spending the Thanksgiving vacation with her father, Mr. John I. Beelman.

Mr. and Mrs. Donald Anderson of Plymouth and Mr. and Mrs. John Newmyer of Celeryville will spend Thanksgiving Day in Cleveland and attend the "Follies Begone of 1942" at the Palace Theatre.

MEET SANTA

Thousands From Richland and Adjoining Counties Travel to Mansfield to See Santa Claus.

Mansfield, Ohio, Approximately 100 North Central Ohioans, including several hundred from Plymouth and vicinity, drove to the Mansfield Municipal Airport Sunday to see Santa Claus arrive and officially open the Christmas season for this area.

Instead of the traditional reindeer and sleigh Santa kept in tune with modern trends and flew in by special air transport. A half hour before the time set for Santa to arrive the overflow crowds made it necessary to call the State Highway Patrol in order to break traffic jams on roads leading to the airport.

Just a few minutes behind the schedule because of the inclement weather, the old fellow's plane came into view at 3:35, and after a few minutes' stay, he came to a perfect three point landing on the field soggy with the snow and rain of the preceding night. As the cream and green plane came to a stop, the thousands of children and grown-ups alike began to point skyward and cheer.

Immediately upon landing "Bud" Harrington, the pilot, cut off motors so the passengers few who ran toward the plane would not be caught in the whirling propeller. Santa, in his traditional bright red suit and flowing beard, greeted those assembled and chatted briefly with the multitude of happy children. Presents were distributed to those fortunate enough to talk with Santa during his hour's visit. Even though his stay in Mansfield was only a short one, Santa will be in constant touch with the local scene by means of a direct wire from his North Pole headquarters to the office of WMAN, Mansfield. From 4:30 until 5 p.m. afternoons he will speak personally to the boys and girls who are present at the WMAN studios. Those not able to attend can hear Santa by tuning to WMAN.

REV. MR. BETHEL ADDRESSES CHAPEL

Rev. Mr. Bethel of the Presbyterian Church spoke at the Thanksgiving assembly sponsored by the eighth grade of Plymouth High. He told the students that they should be thankful for the freedoms such as those of worship, of education, of press, of movement, and of choosing a career which citizens of the United States enjoy. Rev. Bethel compared these blessings to that of a vineyard with vines which may be likened to a firm belief in the Fatherhood of God and the brotherhood of man, and the worth of the individual blessings which are seldom appreciated.

Lois Beberick presided over the assembly and the scripture was read by Margaret Bethel. The assembly sang the "Pagan Love Song" and "The Voice in the Old Village Choir".

COMPETES FOR SILVER METAL

MISS BETH CLARK OF NEW HAVEN ENRANT IN PEACE CONTEST.

Representing the New Haven Church in the coming county-wide Prince of Peace Declaration Contest will be Miss Beth Clark, daughter of Mr. and Mrs. Haldon Clark, a student at New Haven School.

The various local church winners in the contest, sponsored by the Ohio Council of Churches, will compete for a silver medal, emblematic of the county championship. Later the winner of this silver medal will enter a district gold medal competition, to determine a district winner who will enter the state competition in January for cash prizes and college scholarships.

In letters congratulating Miss Beth Clark, and other local church winners on gaining admittance to the county contest, Rev. B. F. Lamb, Columbus, executive secretary of Ohio Council of Churches, said in part:

"Besides gaining public speaking experience, you have put yourself on the right side of the peace question and have rendered significant service toward the building of better international understanding. I trust you will continue to be active in the educational campaign for peace throughout your life."

The Prince of Peace Declaration Contest, now in its seventeenth year, is conducted annually by the Ohio Council of Churches among boys and girls of high school age as a means of building understanding of world problems and creating intelligent peace sentiment.

The county contest will be held either on December 7 or on December 14.

PLAY HERE FRIDAY NIGHT

NORTH FAIRFIELD TO ENGAGE IN FIRST HOME GAME.

By Ray Ford

In the first home game of the season, the North Fairfield Indians will engage the Plymouth Pilgrims in a Twin-Valley League contest on the infield floor. The varsity game will begin at 8:30, with the Reserve game at 7:30. It will be the second game of the season for Plymouth, having played the eleven Tuesday night, two Friday night games to revenge the 11-20 beating given them by the Indians in the last football game of the season. Plymouth puts a veteran team on the floor this year, losing only one game in the last season. Plymouth's only one game with each of its Richmond County League rivals, while playing two with the Twin Valley League teams. This is a reverse of the schedule of last year. Expected to start the game are James Lash and Bill Reed, forwards; Joe Moore center, and Dick Rule and Sid Thomas at the guard positions. Reed played last year with the New Haven varsity, and Thomas is perhaps the only lacking rookie. A good team is expected this year, so let's all get back of the boys and show them you appreciate them by attending their games.

We wonder what the conversation was about that caused Miss West to forget to stop when the car in front of her stopped. Would you know, Mr. Spirk?

Joan Hoffman did a very thorough job of wiping up the floor in the hall at the schoolhouse recently when she rounded a curve too fast and slipped.

"NAVY INTELLIGENCE"

Is it necessary to be a high school graduate in order to enlist in the Navy?

No. Navy enlistees need not be high school graduates. All applicants will be given an examination containing approximately 100 questions. A grade of 50 per cent or better on this examination is sufficiently high to pass the Navy educational standards. However, a high school education will be valuable to the seaman during his Navy enlistment.

If I enlist in the Navy or Naval Reserve, will I be sent to a Navy Trade School?

All new recruits are sent to one of four Naval Training Stations and after a training period they may take examinations for entrance into Navy Trade Schools. Those recruits who pass their examinations with sufficiently high grades are sent to Navy Trade Schools before assignment to the fleet. While attending these schools, they will receive regular Navy pay and free schooling valued at \$1500.

What is the greatest possible pay I can expect to earn during my first term of enlistment? It is possible to earn as much as

\$120 a month by the end of your first term of enlistment, and remember that your lodging, medical and dental care are all supplied free.

After I have served my term of enlistment, what benefits do I get for re-enlistment?

Depending on your rate and length of service, you can get a cash bonus up to \$600 plus 30 days leave with pay.

What does the term "ash can" mean in the Navy?

An "ash can" is a slang term applied to the depth charge used to combat submarines. The average ash can is a container filled with approximately 300 pounds of T.N.T. and can be dropped overboard from a ship and so controlled as to explode at depths ranging from 36 to 300 feet. These are generally carried by the fast ships in the fleet, as a boat dropping a charge regulated to explode at 70 feet depth must move away from the explosion area at a speed of 25 knots or more. These "ash cans" are either rolled off the stern or fired from "guns" which hurl one right and one left simultaneously.

TAKES BANK JOB

NORWALK—Myles S. Burras, serving his second term as Huron-co. clerk of courts, announced he has accepted a position with the Huron County Banking Co. here. Mr. Burras also announced that for a time at least, he will remain in charge of the clerk's office, in order that routine adjustments can be made. A successor to Burras is expected to be appointed at a later date by the Huron-co. commissioners.

Mrs. Emma Landis enjoyed Sunday in Shiloh at the home of Mr. and Mrs. R. E. McBride and family.

"Claudia" Coming to the Hanna Theatre, Cleveland

John Golden, the New York producer, is noted for his record number of long-run hits and one of the secrets of his success is that he invests every one of his presentations with a meritorious cast and a production that is meticulous to the most insignificant detail of staging. The Golden Rule embodies a wholesome respect for personal background and individual intelligence, this perhaps most aptly illustrated in the fact that all the principals in "Claudia" the dramatization of Rose Franken's best-seller of that name, are all possessors of college or university parchments.

This splendid comedy-romance of early married life and its vicissitudes is now rounding out a year's run on Broadway and will, come to the Hanna Theatre, in Cleveland, for one week starting Monday, December 1st.

With the exception of the mother role which is played by that sterling actress, Mabel Taliaferro, the characters in "Claudia" are noted for their youthfulness and vivacity of spirits; and so John Golden has chosen a cast of young but proven stage-personalities to interpret the "Claudia" characterizations. That these principals are college or university graduates may be a coincidence but it might also be taken as a tribute to their intelligence.

The anne-part of "Claudia" is

The important role of Julia is played by Eleanor Wilson who also became first interested in the theatre during her undergraduate days at Holland College, Va. GARDEN CLUB MEETING

Mrs. Beulah Shepherd entertained the Plymouth Garden Club at her home Friday evening, Nov. 21st.

Mrs. Bartholomew conducted the short business meeting and Miss Mollie Keller presented the study for the evening, the topic being "Beautiful Ohio." This proved a very interesting subject. The entire state was described by Miss Keller as to population, topography, industries, leading cities, etc. Many beauty spots such as the beautiful Lake Erie Coast line and the mountainous region of southern Ohio were described. Twelve members responded to Roll Call, which was "Historical Ohio." The outstanding responses were Mr. E. K. Trauger's account of the Indian War in which "Mad Anthony" Wayne drove the Indians out of Ohio and Mrs. Shepherd's account of the "Church of Latter Day Saints" at Kirtland, Ohio. Several other responses were very interesting. There was one guest, Mrs. Stanley Gribben of Mansfield.

NOW... I ASK YOU!

Mrs. J. C. Murlin of North Fairfield who is a patient in the Willard Municipal Hospital has turned her spare time while convalescing to writing poetry.

The verses very cleverly give you an idea of "who's who" in the hospital. It follows: Along about five in the evening From the nursery is heard a faint wail

A few minutes later however Six others join in without fail.

They keep it up longer and louder The mothers all feed and frolic They know something's hurting the baby The darling precious pet.

The halls must be cleared of visitors Other patients must take a back seat The nursery door opens and closes The babies are coming to eat.

Only now can we other patients Even dare to turn on a light Now I ask you your honest opinion Do you think we are treated right?

WONDERFUL LINTMENT

"Imagine me, steering a Destroyer!"

"And I've had two pay raises in only eight months! I'll say you can't beat Uncle Sam's Navy!"

YOU couldn't ask for a greater thrill than that which a fellow gets when he comes back home wearing a trim Navy uniform. The folks crowd around. They all want to know where you've been, what you've done. And man, do you have stories to tell!

GREATEST LIFE IN THE WORLD

You're proud. And you should be. For you've been leading the greatest life in the world. And it's a thrill to tell about it, too. A thrill to see the admiration in the eyes of the One and Only Girl as you tell about the first time you steered a Destroyer. Or handled a P.T. Boat at more than 45 miles per hour. Or stepped out in front of your shipmates to receive your first promotion.

And with that promotion came an increase in pay. And there were more to come. Second Class. First Class. And then Chief Petty Officer. Many might even go to Annapolis. Or to Pensacola with the flying cadets!

Exciting? You bet, and fun too. Something doing all the time. Real he-man's stuff. Boxing. Baseball. Football. Swimming. AND MOVIES... previews, too!
