

CAROLS WILL BE SING DECEMBER 21ST AT CHURCH

AUDIENCE AND PLAYERS WILL SING THE FAMILIAR SONGS AT THE METHODIST CHURCH.

Everybody seems to like the Christmas carols, old and new, so everybody is cordially invited to come to the Methodist church on Sunday evening, December 21, at 7:30 o'clock and sing the familiar songs they love: "Oh, Little Town of Bethlehem" and "It Came Upon a Midnight Clear" and that best beloved of all carols which Schuman Heink sang to a listening world each Christmas Eve until she could sing no more, "Silent Night, Holy Night."

There is a theme story to this evening of Christmas music, but only enough to center the attention to the carols themselves. Those who have heard the fine voice of Robert Ross will be glad to know that he is one of the evening's soloists. Although only a Junior in high school, Bob is widely known in music circles, and is really going places with his talent. He will sing "Cantique de Noel," by Adams.

Mrs. H. Wintermute and Miss Drusilla Hints will have the solo parts, and Miss Ross will sing "The Little Austrian Town," and the recited composer of "Away in a Manger," widely known as Luther's Cradle Hymn; Frau Gruber will be played by Mrs. Jack Lowry; their son, by the Rev. and the theme of the little drama is love and forgiveness at Christmas time.

The committee appointed by the Sunday School Board of Education, in Mrs. D. Dunham, Miss R. Lewis, Mrs. W. Ross, Mrs. H. Wintermute and Mrs. F. Pitzer. So save the evening of December 21st, and come and enjoy the Christmas carols which everyone loves.

Sportsmanship Stressed In Game With Shiloh

Plymouth High School has always been noted for good sportsmanship. It is, we hope, living up to that ideal. Good sportsmanship does not imply that we must be sanctimonious, but that we can win without boasting, lose without giving an alibi, and treat our guests and patrons courteously. Good sportsmanship has been manifest in our games with North Fairfield and New Haven. These two opponents have been good sports, the crowds were friendly rivals showing their loyalty to their own schools, and all were the best of friends after the games were history.

Shiloh is our opponent on Friday night. Rivalry has been of course, but the game is between two schools and communities. They are our guests and are in our home. It is urged that all come, join in the fun, and show our sportsmanship in this annual classic.

ON PROBATION

MANSLAUGHTER WOMAN IS RELEASSED ON MANSLAUGHTER CHARGE.

Miss Sarah Mosberg, of Mansfield has been placed on probation for two years in common pleas court after she pleaded guilty to the grand jury indictment for second-degree manslaughter. Judge C. H. Huston ordered her to report to David Lantz, county probation officer and court bailiff. Miss Mosberg was indicted secretly by the grand jury several weeks ago but the indictment was not served until Nov. 15. She was released then under \$1,000 bond.

The indictment resulted from a traffic accident last July 12, at the intersection of Bowman road and State Route 96, north of Mansfield, where Raymond Reider, 37, of Shiloh, was fatally injured. Miss Mosberg was accused of failing to observe a stop sign at the intersection. The car she was driving collided with one driven by Reider.

Mr. Parsel has recently been elevated to the rank of Captain.

Paul left Plymouth on Monday, November 24th stopping overnight at Nashville, Tenn. Bad head winds slowed him up considerably and he made a forced landing fifteen miles north of Cincinnati when he ran out of gas which necessitated a "dead stick" landing. He reached his destination Tuesday afternoon. The remainder of the week was spent in Chicago, Ill. and he returned home Monday. This week he will leave for Miami, Fla. to enroll in the Embury-Riddle School of Aviation. His brother Thomas and cousin Bob are also students at the same school.

PLYMOUTH HITS NEW HIGH IN ANNUAL DRIVE

Final reports for the Red Cross Drive which opened on Armistice Day and closed officially on November 30th have been turned in for Plymouth and Plymouth Township by Mrs. Mabel McFadden and Mrs. Marjorie Ehret. Plymouth which lies in two counties has always been considered a part of the Mansfield district where reports were filed Monday. No quota was set this year but looking up last year's quota of \$260, the 1941 report for this community certainly speaks for itself. A total of \$358.18 was turned in from both the village and the township or an increase of \$98.18 over last year's quota.

The campaign in Plymouth for the past several years has been under the leadership of Mrs. Mabel McFadden, who with her splendid corps of workers have never failed to reach or top their set goal. The work is done systematically with the various streets assigned to the workers who make a house-to-house canvass. That some were able to turn in larger sums than others is due to the larger or smaller number of homes on the various streets covered. All workers did splendid work, gave freely of their time and efforts without compensation and are deserving of the thanks which the community in not permitting Plymouth to lag behind other nearby communities.

The workers and amounts turned in are as follows: Mrs. S. C. Brown, \$17.00; Don W. Biegel, Jr., \$33.50; Elizabeth Weber, \$22.75; Frank Pitzer, \$41.40; Mrs. Beryl Miller, \$25.00; Mrs. Mabel McFadden, \$95.00; Sherwood Miller, \$8.00; Mrs. Root, \$24.00; Junior Red Cross, \$1.78 and turned in by Mr. Ehret from the township \$91.25.

Total amount turned in last year was \$279.55 with the town donating \$207.85 and the township \$65.10 or \$129.55 over and above the quota of \$260.00 set.

Automatic Electric, two slice Toasters \$1.55; Brown & Silco, \$1.55.

RIGHT YOU ARE, MR. MCGREGOR

The Average American citizen isn't so smart "at figures," but we are not so dumb as to have suspicions toward our present Administration when it comes to "wondering how much more can they spend?"

The Honorable J. Harry McGregor is in line with the trend of thought among his constituents in this district who have expressed an opinion in his speech before the House of Representatives on November 21, 1941. The talk was short, concise and merited the attention of every voter who still believes there is a Democracy in the United States. The address in full is as follows:

Mr. Speaker: Where and when will it end? Let's look at the record—At the end of March, 1940, there were 949,229 civilians on the Federal payroll; on March 31, 1941, there were 1,262,347; on September 1, 1941, there were 1,444,985. In other words, approximately 500,000 persons have been added

Please all attend this program on Christmas Eve at the Lutheran Church.

OUR 1942 CLUB OPENS DECEMBER 10, 1941

The Peoples National Bank

Member F. D. I. C.

At The Hanna Theatre, Cleveland

Local theatregoers are eagerly anticipating the coming of America's most favorite dancing couple, Veloz and Yolanda, who will present "Danation," an evening of creative dance rhythm, at the Hanna Theatre, Cleveland, the week of Monday, December 8th, with the usual Wednesday and Saturday matinees.

Assisted by a company of brilliant musical artists, Veloz and Yolanda, exceptional entertainers that they are, present a diversified program of original dance routines. First and foremost, their own creation, "The Sambo," of Brazilian origin, and a distinctive streamlined 1942 version of the Rhumba and Tango, two dances which they, probably more than any one else, have made popular in this country. Their romantic numbers this year are "Reverie" and "Adoration," the former danced in a sacred mood, while "Adoration," tells the story in dance of two young people in love.

The sly humor that is always a part of their entertainment is present in "Carnival," "When We Were Seventeen," "The Veolanda" and "Now and Then." No Veloz and Yolanda evening is ever complete without their "Trot" numbers, "Darktown quest."

Strutters' Ball" and "Alexander's Ragtime Band."

A special feature this season is "March Militaire." It is timely and is danced to the stirring melody of Sousa's "Stars and Stripes Forever."

A delightful interlude of exciting music is presented by assisting musical artists, including Jerry Shelton, the celebrated American accordionist, Harry and John Hynda, noted piano duo, with Vicente Gomez, the brilliant Spanish guitar virtuoso. All are important to the harmonious musical backgrounds of the dancing program, and in addition present special solo and ensemble compositions.

"WANNA" BUY A MAGAZINE

PLYMOUTH STUDENTS SELL
MAGAZINES; EDWARD CROY
LEADING SALESMAN.

"Won't you buy a magazine?" is the question Plymouth "High Juniors, Seniors, and members of the basketball squad are putting to townspeople these days. Thru a subscription campaign students are attempting to provide their school with a much needed addition, an electric score board. Previously a card scoring system has been used but nearly every school in the surrounding communities has an electric board and P. H. S. does not want to be out done.

This week the students are offering the publications of the Curtis Publishing Company which include such popular magazines as "The Saturday Evening Post," "The Ladies Home Journal," "Country Gentleman," and the new children's magazine, "Jack and Jill." In addition to these about twenty-five other magazines are offered including "Look," "Redbook," "Hygeia," and many others.

Edward Croy of the Senior Class is leading all other salesmen this week with sales amounting to over twenty-eight dollars, thus capturing the one dollar prize offered for the first student who sells over ten dollars worth.

Later this week or early next the students will sell publications of the Crowell Company including "Colliers," "Woman's Home

Grade Cards Out Next

Week for 2nd Semester

The second semester grade cards will be given to the pupils of the Plymouth grade and high school next Wednesday, December 10. Parents are urged to give careful consideration to the student's grades and to his attendance and tardy record. Teachers of the public schools would welcome any suggestions from parents which might help solve student problems and enable each pupil to do his best work.

Notice of Rehearsal

All members of the Lutheran Choirs are urged to attend all rehearsals regularly and, on time, especially until after Christmas. If the Christmas music is to be presented as it should be and to your liking the cooperation of each and every member is imperative. If at any time the choir needs loyal members it is now. The group then adjourned to an attractively decorated table with a large popcorn Santa Claus leading his reindeer as the centerpiece. Tiny evergreen wreaths and red and white nut cups were favors.

JUNIOR CLASS NEWS

We're all happy now. Our play was a big success and we received our class rings Friday. We want to thank our advisor Mr. Spirk, for being so patient with us and the other teachers who helped us.

Did you see some of the Junior juggling some big boxes up the stairs Monday morning? You did for that was our candy order for the week. We have many new kinds of candy and also all our old kinds back. We are sure you can get the candy bar of your choice.

On Friday, November 28, the regular meeting of the Jolly Junior English Club was called to order by the President, Blanche Smith.

Officers were elected as follows for the month of December: President—Dolores Zeigler Vice President—Jr. James Sec-Treas.—Blaine Haverfield News Reporter—Paul Clark

The speeches given on Friday all concerned inventors or inventions or both.

For our program for next Friday, we will have motions concerning amendments. Miss Southwick will have charge of the meeting.

THE SNOOPER ! ! !

We wonder why Miss Southwick was so shocked as she came out of the office Monday. Could it be anything Mr. Joseph had said? How about it, Mr. Joseph?

Did anyone else besides Miss West enjoy the show "One STEP In Heaven?"

In Latin this morning Miss West was showing the students how to distinguish between active and passive voices. She called on

several students asking them to change the sentence. The dog chased the cat from active to passive. After several attempts, Miss West asked Lorna Witche to change it. Lorna answered: "The cat chased the dog." Nice work, Lorna!

Merle Lutz finally found out why there are very few foreign teachers in the United States. The reason is that absent-minded people are not allowed to enter the country. Are you sure it wasn't feeble-minded, Mickey?

We wonder if Bill Russell enjoyed the show at Norwalk last Sunday night?

G. A. A.

It was a surprise to go to class last week and see no volley ball net on the gym floor. Why? The basketball season is here. There certainly were a lot of shouts and yells when we were told this. The captains chosen for the basketball season were Janice Moser and Marcella Clark. Come on, Captains! It looks like there is going to be a plenty competition between teams for this exciting season.

LIFE OF CHRIST!

The show "The Life of Christ" will be given here at the school on Friday, December 5. The public is invited. The admission will be 10c for adults and 5c for school children. Everyone is welcome to come and get into the true Christmas spirit.

Rev. Grimm of the Ganges Reformed Church spoke to the student body last week on "Christ or the Crisis."

8th GRADE NEWS

Miss West, our English teacher, was giving us a lesson on parts of speech. We noticed she gazed out of the windows at intervals, and she couldn't keep her mind on her work. Finally, when someone asked her what part of speech "play" was, she said, "Play tells what you do."

"NAVY TRADE TRAINING GAVE ME MY START" SAYS PRESIDENT, SPERRY CORPORATION

THOMAS A. MORGAN (pictured in insert), president of the Sperry Corporation, world's largest manufacturer of aeronautical and marine instruments, received his early technical training in the U. S. Navy, in which he enlisted as a young man. "This has proved of great value to me in later years," said ex-sailor Morgan. Pictured above are new Navy recruits receiving electrical training at one

of the modernly equipped Navy Trade Schools. The Navy offers training to young men in nearly 50 different trades and vocations.

Opportunities for advancement, to learn skilled trades, for travel and adventure are identical whether a man enlists in the regular Navy or the Naval Reserve—and his pay, food, clothing, medical and dental care are the same.

RED CROSS DRIVE GOES OVER TOP

Under the supervision of Mrs. Dewey Reynolds and her assistants in the Red Cross drive in town and township, the report is far better than that of the preceding year.

Convincing from house to house is not an easy work, as all those who have had the experience can testify. All the workers were busy people and it took time and patience and a number were at some expense, as all the work was donated. It is a worthy cause, and workers are difficult to secure, so the community should greatly appreciate the efforts made by these solicitors.

The contribution from the town was \$102. The township donated \$27.70, making a total of \$129.70. Total last year was \$11, making an increase of \$83.70.
