

LIGHT QUESTION TO GO BEFORE THE VOTERS

BOARD OF PUBLIC AFFAIRS REFUSE TO WITHDRAW ITS PETITION ON REFERENDUM.

At a meeting of the Board of Public Affairs held Monday night the board failed to withdraw the petitions calling for a referendum on the municipal light plant, and the Village Council will bring the issue directly before the people of Plymouth.

Now the Village Council will continue with its legal proceedings necessary for the construction of the municipal plant.

It is reported that the Village Council will call a special election the early part of June and that the citizens will vote on the issue. If the issue passes and the proceedings continue to a certain stage, under the law, another referendum can be filed thus halting the work on the plant.

There are predictions that a power shortage will be experienced by 1942 and with new taxes coming on Plymouth citizens have no assurance that the present rates will be in effect a year or two years from now. The situation has thoroughly been studied from every angle by the mayor and council and they are still of the opinion that Plymouth can manufacture and sell its current cheaper than what the village is now paying for.

The issue will no doubt cause quite a bit of talk, but it is one which the light users are entitled to understand and information will be gladly given to those requesting it by any member of the council or the mayor.

COUNTY LINE TO GET NEEDED REPAIRS

AGREEMENT IS MADE BETWEEN OFFICIALS FOR THE MAINTENANCE OF ROAD.

Through the continued efforts of a committee composed of C. Weber, J. W. McIntire and D. J. Ford, the Richland and Huron County Commissioners got together Friday at Norwalk and settled a road maintenance problem that has been troubling them for some time.

Mr. Weber some weeks ago presented the road maintenance situation of the County Line road before the local business men. A committee of three was appointed to take the matter up with the proper officials, and now it seems that the County Line will get the much needed improvement and upkeep.

Each county agreed to accept and maintain half of the North County Line road east of Plymouth and the Richland county maintaining the western six miles of the road and Huron county taking the eastern six miles.

C. L. Mitchell, chairman of the Richland board of commissioners and who has been a question of maintenance of the road for several years. It follows the Richland-Huron boundary line, with parts of the road in both counties.

The improvement on this road will be greatly beneficial to Plymouth and to those using it as an outlet for trade. With the exception of the West Road, all roads leading into Plymouth will be in good shape and there is a possibility that the West Road will get some attention at a later date.

SHILOH SCHOOL NEWS

ORGANIZE 4-H CLUB
On May 8th at 7:30, twelve girls ranging in age from 10 to 14, gathered at the home of the Malone sisters to organize a 4-H club. They chose their advisor and there was a short business meeting which consisted of election of officers as follows:

Betty Rose President
Mable Malone V. President
Virginia Kirkendall, Secy.-Treas.
Evelyn Fredmore Recreation
Lottie Malone Leader
Later they named the club the "Happy Stitches Club." They will meet twice a month and are looking forward to an interesting season of club work. The club adjourned until the next meeting which will be held at the school house at 3:30, on May 13.
Lottie Malone, News Reporter.

SEVENTH GRADE NEWS
The seventh and eighth grade Physical Ed. girls went on a hike last Tuesday. Then Thursday we played volleyball in P.E. Ed. The seventh grade played the eighth. The eighth grade won two games and the seventh grade won one.
The seventh graders have finished their exams in Health. They will soon finish them in Geography.

The seventh grade won the plant this month in P. T. A. The sixth grade has held it the other times.
Our room is very aromatic with spring flowers. The different children have brought them in.

IMPORTANT NEWS
The local superintendents and their families of the county along with County Superintendent Boyd Robinson and wife, will hold a picnic at the picnic grounds at the Road Side Park at Olivesburg. As usual they will have two baked hams and all the trimmings.

STRANGE CREATURES
On Tuesday of this week the seniors were dressed very queerly. They were dressed as farmers. The girls had on old gingham dresses. The boys wore overalls. They also had red handkerchiefs about their necks. This was farmers' day observed by the seniors.

In the evening we went on a wiener roast at the Roadside Park at Olivesburg. Each person brought a covered dish. The winners were paid for by the check we received from the Curtis Co. for selling magazines. Everybody had a good time.

History of Class of 1941

CERTAINLY IT WOULD be said by all historians, should we hereby not publish our history, that this was a period known as the second Dark Age. However, some events stand out and will live forever by being handed down from generation to generation, through word of mouth.

To be sure that the glorious achievements of our class shall be retained for posterity and that all may read, we will try to crowd into these pages the history of our class.

There was an unusual atmosphere, as of some long expected event; pupils were whispering and looking on in amazement that first day of school in September, 1937, when we entered Cass Twp. High School as an extraordinary group of Freshmen, eighteen in number. They were as follows:

Jayne Backensto, Betty Burdge, Elden Dininger, Evelyn England, Arlene Garrett, Lucille Gedney, Grace Guthrie, Charles Harrington, Miriam Hoffman, Joe Mock, Pauline Miller, Delmar Nesbitt, Kenneth Noble, Mary Phillips, Grace Stober, Dean Ruckman, Dale Troxell, and Donna Varchmin.

1937 - 1938
On the fourth day of September, 1937, eighteen smiling green freshmen entered the doors of Shiloh School to pursue a four year course.
The second week of school we were permitted to organize.

The first few weeks, it seemed, as if we were a sheep without a leader, but when we were told by Mr. Joseph, that we might organize, we selected Mr. Richards as our captain and advisor. Our first mate was Pres. Dean Ruckman; second mate, Vice Pres. Joe Mock; third mate, Sec. and Treas. Betty Burdge.

Our class has always been small. We have been trying to build it up, but before we knew it we lost two members, Donna Varchmin and Pauline Miller.

The Freshman year is the growing of things and different ideas toward life. In this year we received the first step of knowledge and felt the first pull of our career.

1938 - 39
In our Sophomore year we reorganized. We selected Miss Pettit for our advisor. Our class of-

ficers were: President, Joe Mock; Vice President, Miriam Hoffman, and Secretary-Treasurer, Lucille Gedney.

We were happy to see Pauline Miller come back and at the same time glad to see Leona Winely enter into our Sophomore class. When we thought that our class was going to become larger we found two of our group moved to another school, LeRoy McFadden and Mary Phillip.

This year we were looking ahead, longing to be Juniors.

1939 - 1940
When we organized in our Junior year we selected Mr. Eley as our advisor. Our officers were: President, Miriam Hoffman; Vice President, Joe Mock, and Secretary-Treasurer, Lucille Gedney.

In this year we found our class increased by three. We welcomed Kathleen James, LeRoy McFadden, and John Heeden, and at this time we were sorry to lose one of our old members, Andrew Phillips.

The main events in our Junior year, were when we entertained the Seniors at a banquet at the High School auditorium, and presented our class play, "For Pete's Sake." For one means of support we had candy sales during the school year.

At last we have reached the time when we are Seniors. We selected this year for our advisor, Mr. Nesbitt and our officers were: President, Joe Mock; Vice President, Dean Ruckman, Secretary-Treasurer, Lucille Gedney, and Historian, Miriam Hoffman.

We were sorry this year to lose LeRoy McFadden and Jane Backensto, a member who had been with us since our organization.

Our outstanding event was the Senior Class play, "Drums of Fury," given on May 2, 1941. As a means of building up our treasury we conducted a magazine sale which added seventy-five dollars. So as we near the end of our record of events, we close with a feeling that we, as a class, have done much to uphold the traditions and activities of Shiloh High School. We have been outstanding in scholarship, in athletics, in music and all other extra curricular activities.

Then let us say as the prophet of old, "Well done thou good and faithful servants."

Class Will of 1941

KNOW ALL MEN BY THESE PRESENTS that we, The Class of 1941 of Shiloh High School, being of sound, disposing mind and memory and desiring of disposing of our worldly estate after our departure, respectfully do make, publish, and declare this and none other to be our and each of our last will and testament, hereby revoking all and singular and other wills by us or either of us at any time made.

We the Class of 1941 do hereby bequeath the following:

To the coming Seniors, we leave our ability to agree and hope that they may be an example.

To the coming Juniors, we leave our ability to plan for and accept a good banquet.

To the Sophomores, we leave our ability to carry on the scholastic, athletic and musical activities, for which we are noted.

And to the coming Freshmen, we can only hope that they will not be as green as this year's crop of "Froshs."

To our Junior, we leave all our old notes and scraps of paper which he may find cluttering the building.

We express our heartiest thanks to the school board for making our journey a pleasant one.

To the faculty, we give our thanks for lending us a helping hand in so many ways and hope that the Seniors in years to come will keep you busy.

Each of us individually bequeath the following:

BETTY BURDGE leaves her beauty to Florence
Elden Dininger leaves his ability to be quiet to Marcella Clark.
EVELYN ENGLAND leaves her slow talk and stride to Thelma Hutchinson.
ARLENE GARRETT leaves her ability to sing to Janice Clark.
LUCILLE GEDNEY leaves her ability to study

and concentrate on books to the Glamor Girls. GRACE GUTHRIE leaves her ability to cook and sew to Doris Reynolds. We hear she's in the market for such things.

CHUCK HARRINGTON leaves his ability to run to Clyde Meyers.

MIRIAM HOFFMAN leaves her way with the men to her sister Donna. From all reports she may need it.

KATHLEEN JAMES leaves her ability to keep out of study room and wander the halls to Thelma Hutchinson.

JOE MOCK leaves his vocabulary to Jr. Stivings. You better start practicing Jr.

PAULINE MILLER leaves her ability to chew gum to her sister Marlene.

DELMAR NESBITT leaves his ability to sleep in the morning to Edna Miller.

KENNETH NOBLE leaves his love of playing hockey to Homer Markwell and Ralph Brown.

DEAN RUCKMAN leaves his ability to pass, sidestep, and run to Junior James.

DALE TROXELL leaves Ann to any one who will be kind enough to look after her.

LEONA WINELY leaves her quiet-even temper to Jane Stivings.
JOHN HEDEEN leaves his way with the women to Harold Russell.
GRACE STOBBER leaves her ability to skip bad practice without getting bawled out to Dorothy Wittche.
All said property that has not herein been disposed of, we bequeath to the Class of '42, with the hope that they may dispose of it the best way they see fit.
And we here do constitute and appoint the said Yabotai sole executor of our last will and testament.
IN WITNESS WHEREOF, We, the Class of '41 set our hand and seal this 14th day of May, Anno Domini, one thousand nine hundred and forty-one.
WITNESSES: CHARLES MCCARTHY, BABY SNOOZS.

Mrs. Josephine Rogers Makes Trip By Air

Mrs. Josephine Rogers of Long Beach, California, but formerly of Plymouth, has added another interesting chapter to her "See America First" program.

Returning last year to Plymouth after several years absence, Mrs. Rogers made the trip by bus and included almost every state in the union in her itinerary. Word was received this week that she enjoyed her first trip by airplane from Long Beach to San Diego, Calif. A distance of 100 miles, the flight was made

in 40 minutes, which Mrs. Rogers says, was entirely too short. She hardly knew when they took off, over the blue Pacific, over towns, over and past mountains, snow on several, and hardly knew when they landed.

She enjoyed several days in the southern California city making her headquarters at the U. S. Grant hotel, one of the largest, and located in the heart of town.

Berlin Call Is Sold

The Berlin Call, published by A. W. Clinger at Berlin Heights, Erie county, since April 25, 1912, was sold last week to Victor L.

Day, son of Mrs. F. A. Day, owner of the Milan Ledger, and a brother of Ivan Day, former employee at the Advertiser. Mr. Day has been foreman for the past five years in the plant of the Rittman Press, a weekly.

The Call will continue to be published at Berlin Heights and Miss Eva Clinger, daughter of the former editor, will remain as linotype operator.

NEW EGG AUCTION OPENS IN SHELBY

The North Central Egg and Poultry Cooperative held their first egg auction at Shelby on Friday, May 9. Three hundred sixty-six cases of eggs went under the hammer of auctioneer Eddie Lehnart, according to Raymond King, manager of the auction.

The new organization which is located in the plant of the North Central Farm Bureau Creamery Association at Shelby, is made up of poultrymen who are not novices in the art of producing good eggs. This new organization is a merger of the Bucyrus Egg Auction and the Shelby Branch of the Farm Bureau. Both organizations have been specializing in the production of fine quality eggs for several years and the government egg grading service has been continuously used at both plants.

Of the 366 cases sold over the auction block, 127 passed the government grading inspection as large extras or grade A, while 239 were placed in the second quality classification known as standards or Grade B.

Eggs sold on the auction in small lots of one, two or three cases at a time. The selling is done from a blackboard on which each lot of eggs is described by color, weight, quality and the lot number of the producer. This method permits both large and small buyers to purchase their requirements in the particular size and grade of eggs which they need for their trade.

Special cooling and humiditying equipment are used in the Shelby plant to maintain ideal holding conditions for the eggs from the time they arrive at the plant until they are candled, graded, sold and placed on the buyers' trucks.

GIVEN PROMOTION

Carl B. Sponseller, son of Mr. and Mrs. Moody Sponseller of near Plymouth, received a special rating of third class radio operator when promotions in Headquarters Battery, Second Battalion, 134th field artillery, stationed at Camp Shelby, Miss., were announced recently at the camp.

MOTHER'S REMEMBERED

AT LUTHERAN CHURCH

Mother's Day was fittingly ob-

served in the Lutheran church

last Sunday morning.

The Young Peoples choir, com-

posed of girls of the ages of thir-

teen through twenty, sang For-

syth's arrangement of the Lord's

Prayer. Rev. Wolf's sermon dealt

with Hannah, a Great Mother.

As a token of the honor and

respect in which the church holds

its Mothers a rose bud was pre-

sented to each Mother. More than

six dozen buds were needed to

supply the Mothers. As in years

past several of the Mothers have

already planted their rose buds

and in a number of homes there

are lovely rose bushes which

mark the result of the planting of

these Mother's Day roses. The

roses were provided by the Sun-

day school under the leadership

of Orva Dawson, superintendent.

The church was well filled for

there were more than fifty moth-

ers present and almost all of

them had brought at least a part,

if not all of their family with

them. The service was made

much more impressive by the par-

ticipation of the Mothers and their

families.

TRIPLE FOUR CLUB

The Triple-Four Bridge Club

was entertained Friday afternoon

at the home of Mrs. George Mit-

tenbuhler on North street road.

Three tables were at play. Mrs.

and Miss Tomlinson from Shelby

were guests. Prizes were won by

Mrs. Harold Stock, Mrs. A. E.

Brumbach, Mrs. Roscoe Major

and Mrs. Glenn Will. Miss Tom-

linson received guest prize. Re-

freshments were served at the

close of the play.

The next meeting will be held

at the home of Mrs. Glenn Will

in Shelby.
