THE PLYMOUTH (OHIO) ADVERTISER, THURSDAY, FEBRUARY 6, 1942

NUMBER 42

YOUTH IN AIR TRADE SCHOOL

Farrell Williamson, 18, of Rt. 3, Shelby, Ohio, today ranks among the leading students at the U. S. Navy's Jacksonville, Florida aviation trade school.

With an average close to 90, young Williamson is keeping pace with other outstanding students who are preparing seriously for future service with Naval Air Squadrons in the fleet or ashore.

At Jacksonville, American bluejackets are trained in aviation mechanics so thoroughly that when the time comes, they are ready to accept the important assignment awarded all navy crews, that of "keeping 'em in the air."

In the Aviation Mechanist's Mate school, Williamson is acquiring foundation work in mechanical drawing, mathematics, blueprint study and hand tool operators. Later he will concentrate on the assembly of airplane engines and structural parts.

Interviewed recently, Williamson had this to say about the Navy: "I intend to do all I can to serve my country. I am anxious to learn my trade and put it to work."

Before enlisting in the service, he attended Plymouth high school where he won a letter in football. He also attended Louisville high school, Louisville, Ky.

Son of Mrs. Lacey Williamson, of Shelby, he joined the navy December 5th, 1940 in Cleveland, O.

REID TUTTLE PASSES AWAY

Reid Matthews Tuttle, 42, son of Merritt and Sam (Matthew) Tuttle, passed away at the Shelby Memorial hospital, Wednesday evening at 10 o'clock after a brief illness.

He is survived by his father, step mother, one sister, Mrs. Pearl Zepfel of Toledo, one brother, Gaylord W. Tuttle of Shelby, and a host of relatives and friends. He was preceded in death by his mother.

Funeral services were held at the McQuate Funeral Home, Shiloh, Saturday at 2 p. m. and in interment made at New Haven cemetery.

DIES AT WHEEL

Funeral services were held on Sunday for Charles Twaddle, 52, at the Churchfield Methodist Church with the Rev. W. H. Mitchell officiating. Mr. Twaddle died last Wednesday night as the result of a freak auto mishap near Norwalk.

According to Dr. Jay D. Bradish, Huron County coroner, Twaddle died from a heart attack brought on by a loaded steel carrier. Leonard Williams, 27, of Clyde, driver in the Norwalk hospital with a fractured leg.

SWING TIME?

Announcements received in Plymouth on the arrival of a new daughter to Mr. and Mrs. Melvin Scherer of Toledo gave the date as of February 29th. Actually the date was January 29th. That certainly has the edge on President Roosevelt's "war time."

INSTRUCTIONS BEGIN TONIGHT

CLASSES TO GET UNDER WAY FOR CIVILIAN DEFENSE TRAINING; MEET AT HIGH SCHOOL.

That Plymouth is interested in its Home Defense program was evidenced Monday evening when 185 citizens attended the organization meeting of the Civilian Defense Council which was held at the Plymouth High School.

Major J. B. Derr presided as the chairman of the meeting and he explained in detail the functioning of the various defense groups.

While no classes were held on Monday night a preliminary program of instruction was outlined, and classes will start Thursday evening at 7:30 o'clock. The sessions will last for two hours. It is reported from various sources that local clubs which have been holding their meetings on Monday evenings will arrange their schedule so that all members may attend the school of instruction.

It was pointed out by Mayor Derr that those wishing to participate in the defense school must fill out an application blank which may be secured from the local post office or The Plymouth Advertiser.

From the attendance and interest shown in the organization meeting Monday night Plymouth will have a good record for the next few weeks in its home defense program.

The outstanding feature of which quite a number of residents are interested in is the "First Aid" instruction. A number of employees at The First Root-Heath Co. have expressed themselves as being happy to take this course, and in every instance it is one of benefit in time of peace as well as war.

Plan now to be on hand at 7 p. m. this evening and get a good start on the instructions in that department for which you have signed up.

650 Auto Use Stamps Sold in Plymouth

Nearly 650 auto use stamps were sold at the Plymouth Post Office by closing time. Saturday noon, according to Postmaster Claude E. Sourvine. Quite a number were disposed of Monday and a rather steady business is anticipated for the balance of the week.

The stamps sell for \$2.09, plus an extra cent for the registration card and are good until July 1st. The February issue, which is the issue now being sold, will be on sale until February 28th at the present price but automobile owners who do not have the stamps applied to their car will be without the legal right to operate until after they have purchased the stamps. The cost for the stamp will gradually decrease each month after the 28th until July 1st when a full year stamp will be sold for \$5.00.

Maximum penalty for driving an automobile without the federal use stamp is a \$5 fine and 30 days imprisonment.

ATTEND FUNERAL

Mrs. Albert Felchiner and Mrs. Ida Beird attended the funeral services last Wednesday for Margaret Livensparger held at the Union Bethel Church. Burial was made in the Union Bethel cemetery.

SCHOOL TIME

Plymouth Public Schools will conform to the President's request that all changes to daylight savings time. Since the factory and other enterprises are expecting to operate on the new plan the schools will also conform. The only change in the program will be that school will begin its morning session at 9:00 a. m. rather than at 8:45, and a normal noon at 12 o'clock. This will give each student living in town one hour to go home and return at noon. The afternoon session will be from 1:30 p. m. to 4:30 p. m. as usual. All school activities will be scheduled on the new daylight savings plan. The school buses will advance their schedule to the new plan. It may seem rather difficult at first but all can conform to the program for the best interest of all.

FARMERS ORDER MACHINE PARTS

A survey of machinery dealers, recently made by the County Agricultural Extension Office, indicates that orders for farm machinery repairs are coming in faster than normal for this time of year. This survey shows that approximately 40 per cent of all farmers have made a preliminary survey and have ordered the repairs which are needed. Only a very small percent are ordering beyond actual needs.

Machinery dealers have on hand many of the repairs which are normally needed and they are supplying these parts to farmers. Some heavy repair parts, not carried in stock, will have to be ordered from district offices or manufacturers.

Only a few farmers have made a complete check on all their machinery for needed repairs. The more aggressive operators are doing this and are getting all machines in shape to handle the coming season, including corn harvesters and other machines which will not be needed until late next fall.

100 per cent of these reports say that orders for machinery repairs are coming in earlier than normal. 40 percent or more have made preliminary surveys and have made a complete check of all machinery.

With the present and anticipated shortage of farm labor, timely and safe farming will be dependent upon good working machinery. Operating farm machinery short-handed, or with inexperienced help is one of the chief causes of farm accidents. Machinery repairs, good management and careful operation will, therefore contribute much toward a safer use of farm machinery and in getting the job done at planting and harvest time.

TOUGH LUCK

RESERVES LOSE FIRST GAME IN TWELVE STARTS, 17-12.

By Ray Ford
The Plymouth Reserves, also playing off a bad night, lost their first game in twelve starts when they were defeated by the Madison Reserves by the score of 17-12. Playing sluggish ball, Plymouth failed to score in the third period, after keeping on even terms with the smaller, but faster, Madison boys. This gave Madison a five point advantage, which they held the rest of the game. D. Selby was high scorer for the game, scoring 11 for Madison. Bob Ross led the Plymouth team with 8 points and runner-up honors.

REAL ESTATE TRANSFERS

Katherine A. Mellick, et al., to Harold J. Company, et al., 79 acres in Cass township.

NOW ON WAR TIME

When clocks are moved ahead an hour next Monday, February 9th they are going to operate on "War time." That is the name picked by President Roosevelt for the new daylight saving time by Congress as a means of conserving power for defense operations. And of course, everybody knows what "war" is.

COUNCIL MAKES APPOINTMENTS

ALSO PROPOSED FIRE HOSE AND NOZZLES WHICH IS BADLY NEEDED BY FIRE DEPARTMENT.

The second regular monthly meeting of the year was held on Tuesday night by members of the Village Council with Mayor J. B. Derr presiding. Regular routine business was transacted which included the approval and payment of all current bills.

A resolution was adopted to give the street committee the necessary authority in planning and carrying out a tree-trimming program which is so necessary for the protection of property.

Two appointments were made and approved by the council. F. B. Stewart was reappointed fire chief. He has served the village in this capacity for the past several years. Mrs. John A. Root, who has been serving on the cemetery board for many years, was reappointed. The cemetery board is now composed of M. F. Dick, two years; J. W. McIntire, four years, and Mrs. Root, six years.

Harry Dick was employed as custodian for the village building for the month of February at a salary of \$15.00 per month.

Fire Chief Stewart sent in his recommendation for the purchase of 300 feet of one and one-half inch fire hose and a set of nozzles. The purchase of the fire equipment was approved by the mayor and council, the cost to be \$340.

Consideration is being given by the council for the erection of a steel fence around the water works plant. Discussion was at some length on this subject but no action was taken.

NAMED TO PLUM

BROOK POST

Walter S. Hoag, of near-by Greenwich, formerly of the transportation department of the Pennsylvania Railroad, has been appointed railroad yardmaster at the \$40,000.00 Plum Brook advance works north of Norwalk.

SHELBY WOMAN TAKEN BY DEATH

A life-long resident of Richland County, Mrs. Eliza Long Hartz, 78, died Saturday at the home of her daughter, Mrs. Eliza Hartz, following a brief illness.

Surviving are three daughters, Mrs. Stella Shultz of Toledo, Mrs. Lydia Ross of Shiloh and Mrs. Fannie Hanlon of Shelby; six sons, William, Roman, Scott, Clarence, Carl and Albert, all of Shelby; two sisters, Mrs. Kathryn Tappaymer of Tiro, and Mrs. Frank Nelson of Detroit, Mich.; forty-two grandchildren and eight great grandchildren.

Funeral services were held at the Hartz home at 2:30 p. m. on Monday. Rev. D. B. Young, pastor of First Lutheran church officiated. Burial was made in London cemetery, northeast of Shelby.

PUBLISHER DIES

Funeral services for J. Schuyler Hossler, 68, publisher of the Bloomfield Gazette and Republic Reporter, Attica Hub and the Tiro World, who died in his home following a stroke were held Friday at 2 p. m. in the Bloomfield Methodist Church. Burial was made in the Woodlawn cemetery of that village.

Surviving are his widow, formerly Dolle E. Kimmel, and four daughters, Mrs. Howard, Bower and Mrs. Wayne Lester, both of Cleveland; Mrs. Glenn George and Mrs. Raymond Musselman, Bloomfield; and two sisters, Mrs. J. E. Shaw of Canfield and Mrs. J. E. Shaw of Youngstown. He had been active in Republican politics.

KILLED IN AN AUTO CRASH

BERNARD S. EDELMAN FATALLY INJURED IN CLEVELAND.

Bernard S. Edelman, 30, an architect and assistant city planner with the Cleveland Regional Association for the last two years, was Euclid's first traffic fatality of the year Friday—victim of an accident in which he was run over by his own automobile.

Edelman was married to Miss Rosemary Bachrach formerly of Plymouth two months ago. Edelman was driving to an architects' meeting in Euclid, accompanied by Frederick Abendroth, 35, when his car was struck head-on by an automobile at Euclid Avenue and E. 196th St. Police said the other driver was intoxicated.

Killed by Own Car
Edelman got out to inspect his car and a third car struck his car and from the rear. His own car knocked him down and passed over him. He was pronounced dead on arrival at Emergency Clinic Hospital. Abendroth was uninjured.

Edelman had just completed the graduate course in city planning at the Massachusetts Institute of Technology when he joined the technical staff of the Regional Association June 19, 1939. He took his undergraduate work in landscape architecture at University of Michigan.

Ernest J. Bohn, director of the Regional Association, said Edelman's death was "a real loss to the community." He was one of the coming city planners in the nation, Bohn said.

In 1929 Edelman was graduated from Lincoln High School. He spent three years planning CCC work under the National Park Service.

Funeral services were held Sunday afternoon at 2 o'clock from the Deutsch Funeral Home, Wade Park and Crawford Road. Burial was made in Mayfield Cemetery.

Surviving besides his wife are his parents, Mr. and Mrs. Edward Edelman and one sister, Mrs. Grace Paul.

Those attending the services from here included Mr. and Mrs. Robert Bachrach, Mr. and Mrs. S. B. Bachrach, David Bachrach and Mrs. Dale Clark of Shelby.

1813 PHONES INSTALLED BY TELEPHONE CO.

A total of 1813 telephones gained 47 exchanges was the record of a highly successful year as reported after a meeting of stockholders of the Northern Ohio Telephone Co. last week. The total number of telephones in the company service at the termination of 1941 was 32,030.

Nine directors were named by the stockholders. They are Allan G. Aigler, William C. Henry, Bellevue, H. H. Thornton, Oberlin; John E. Wise, Willard; Frank L. McKinney, A. W. Surrill, Grosse Pointe, H. A. Erf, Cleveland and F. W. Uhlman, Bowling Green.

Officers elected were Allan Aigler, president John Wise, vice-president and William Henry, secretary-treasurer and general manager.

COMPLETES TRANSACTION

Ed Mellick of near Shiloh has completed the transaction for the purchase of the property on East High Street owned by Wilbur Workman of Shelby. Mr. and Mrs. Glenn Deats are the tenants who will continue to reside in the property.

The deal was made through the E. DeVore Real Estate Agency.

A NEW DAUGHTER

Mr. and Mrs. Fred Port of Maple Street announce the birth of a daughter at the home, Thursday January 29th. The child has been named Mary LaVaughn.

NEW BEAUTICIAN

Miss Lillian Hoffman of Shiloh has accepted a position at the Myrtle Beauty Parlor to fill the vacancy made by the resignation of Miss Jayne Gardner of Willard.

Around the Square

(By Phineas Whittlesloe)

ANOTHER TALL STORY crops up in Plymouth, but it is a very true one. The mother of the Beaver boys—George, Frank, Dave and Bun, passed away in 1923. She had known some elderly ladies a couple of years before. After all these years, Frank, who has been keeping house, came across a pint can of the berries used in making the pie. He presented them to Mrs. Gottfried, a well-known, old-fashioned pie baker. Mrs. Gottfried proceeded to bake a pie, using the berries for the filling. The result was astounding. The berries were firm and the pie excellent. Which proves that age does a lot of good in some instances, as well as bad.

BUT TO TOP OFF the story Mrs. Mrs. Gottfried avers she has a can of peaches down at her home which she put up before Norman, her son was born, and that was 39 years ago. Now, how about a peach pie?

WHEN THE TAKING OF FINGERPRINTS was begun down at the First Root-Heath Plant last Thursday the first group of men came in, had their prints made and then proceeded back to their respective jobs. After a few hours, one of the workmen went over to one of the men who had had his fingerprints taken and asked: "What do they ask you to do when they take your prints?" The fellow who had already been fingerprinted replied: "Well, they ink your fingers, put them on a piece of paper. Then they ask you to take off your shoes and socks and step on a large board covered with ink."

"Gee," said the fellow who hadn't been printed "I hope they don't take me until Monday, I didn't wash my feet last night."

GEORGE DAWSON OF Willard Route was in Plymouth Monday on business. After his transaction he visited the boys at Jack's Harness Shop. Mr. Dawson is looking good, and apparently is getting a lot out of his life. He's enjoyed several trips of the Ohio Farmer tours, but this year he hasn't made any definite plans so far.

WEDNESDAY WAS A TYPICAL February day as far as the weather was concerned. The Ground Hog saw his shadow; it was around 8 degrees above zero, and plenty of snow on the ground. Well, after February there's March, and the springtime in June, even the weather, and so like everything else you can take it from day to day.

CONGRATULATIONS! Enough for eighty-four years of living are in order this week for Dan E. Clark, who quietly observed his birthday on February 2nd, at his home on West Broadway. An up-to-the-minute man, an interesting conversationalist, a dandy neighbor and a good citizen we can all say of Dan, and we hope we can say "Happy Birthday" for many more years. We hope you received a lot of those good cigars that you enjoy so much.

GETTING ACQUAINTED WITH old acquaintances is a lot of pleasure. And we had our share Saturday night when Clem McDougal paid us a visit. Clem was at the local elevator (five years ago), and since then he has visited Plymouth not any too often. His many friends here will be glad to know he is getting along nicely on a forty-acre farm eight miles east of Plymouth, just off the County Line road. During the day he works for Lester Egan, trucking logs, and as Clem says: "I do my harning mostly at night" that's what electrical equipment on tractors do for the farmer. Mrs. McDougal and the children were also in Plymouth Saturday night, and they wound up the evening by calling at the home of Clem's father, Warren McDougal; Warren, we regret, isn't enjoying the best of health.

PLANE LANDS NEAR TOWN

KENTON PILOT FORCED TO COME DOWN NEAR HERE DUE TO FOG AND RAIN.

Emerson Porter, a young man from Kenton was enjoying a ride in his airplane on Friday afternoon, and when near Shiloh the visibility was so bad on account of the fog and light rain, that he found it necessary to make a forced landing. He attempted to land in the Wolaver field near are barn but on account of the unevenness of the ground, flew about one half mile and made a perfect landing in the southeast corner of the Coburn field.

The young man was a personal friend of R. E. McQuate, they having attended school together.

The young man enjoyed their visit and Earl Porter was early Saturday morning to aid him in getting started out of the mud.

He showed by the handling of his plane to be an exceptionally good pilot.

Mr. Porter is associated with his father in the Undertaking business in Kenton.

The plane landing so near town caused a great excitement especially among the school children, who were curious to know all the "why's and wherefores." Mr. Porter's courtesy and evasive answers were quite a lesson for the most of them.

Reception For Rev. and Mrs. Goerner

Many friends in this community noted with pleasure the reception given Rev. and Mrs. O. S. Goerner by the congregation of St. Paul's Lutheran church of Lucas, on Thursday evening.

Following a covered dish supper, the reception was given by the included addresses by Rev. H. I. Gilbert of St. Paul's Lutheran Church at Mansfield, and R. N. McMichael of Lucas.

Don Parfitt gave a vocal solo.

Rev. Goerner, recently called to the Lucas parish, responded with a short talk.

A miscellaneous shower was presented Rev. and Mrs. Goerner by Miss Elizabeth Black whose wedding was a society event in Mansfield, on June 2, of last year.

90TH BIRTHDAY

AGED RESIDENT MADE HAPPY WITH CARDS AND GIFTS.

Mrs. Elizabeth Crawford observed her ninetieth birthday on Sunday. Friends who had expected to help her celebrate the important event were unable to be present on account of the bad weather.

Her day was made happy by a host of friends who sent their greetings, through cards, telegrams and gifts. She enjoys reading the sentiment expressed, and appreciated the gifts.

Mrs. Crawford's keen mind, her sense of humor and geniality makes her companionable and a true friend.

Unable to work much, she spends much of her time reading and keeps in touch with the worlds latest news.

On the third Friday anything that you would like to talk about, and on the fourth Friday Talks of Famous men.

CHAPEL
Chapel on Monday, February 2 was in charge of the Girl Reserves. The Program was as follows:

February—
Girl Reserves Code
Playlet—"What a Clerk!"—
Dorothy Diebert, Doris Reynolds, Helen Guthrie, Eleanor Garrett, Doris Moritz, Doris Reynolds

Playlet—Mary Jean Homerick, Ann Kopina, Eileen Miller, Jane Stirling, Dolores Zeigler, Blanche Smith
Musical Story Contest—Janice Moser, Mary Jean Homerick
Everyone enjoyed the program immensely. I think the girls deserve a big hand including Miss Pettit, the advisor of the group.

THE SNOOPER!!!!
Speaking of sparklers—look at Juanita's hand. Is it real, Juanita?

We wonder why Margy Benedict's face was so red in chapel last Monday. Did you think the story meant you, Margy?

Don't forget the game this Thursday with New Haven. Let's have a stage full of rosters. There's a game Friday night too, with North Fairfield.

We wonder if Mr. Joseph's jaws were tired and stiff the other day from chewing gum. He says he is unaccustomed to it. He takes a certain senior for a stick of gum to chew so that he would not be different from the rest of his class.

MUSIC CLUB
After asking all of the first chair players in the band what their opinion of the contest music is, all of them thought that it's not too hard for us. If we work for the next few weeks, we ought to be able to prove to the judges that our band can really play.

There are also several boys and girls in the music club that are entering solo contests. They are: Blaine Haverfield, Junior James Marcella, Clark, Charlotte Seaton, Betty Seaman, Eileen Miller, Elizabeth Hammett, and Janice Black.

Boy's and Girl's Glee Club and the Mixed Chorus are getting along fine with their music.

Let's go kids and show Mr. Spirk that we are working with a good and that we all want to get a good rating as well as he does.

EIGHTH GRADE NEWS
The Seventh and Eighth Grade girls chose teams again last Tuesday. Ruth Wimbler and Bonnie Pennell were elected captains. In a game Friday, Bonnie Pennell's team defeated Ruth Wimbler's with a score of 10 to 4.

ENTHUSIASTIC "28"
The regular meeting of the "Enthusiastic 28" was called to order by Dick Clark, President on Friday, January 30. Officers were elected for the month of February. They are as follows:

Daniel Hudson—President
Naomi Wolford—V. President
Jean Wisler—Sec-Treasurer
Mary Benedict—News Reporter
Martha Miller, Billy Halliwell, John Aumend—Program Com.

JUNIOR CLASS NEWS

We're all glad to see our classmate, Blaine Haverfield, back to school although he is a little peaked and scabby. We missed you Blaine but take it easy so you won't have to miss school again.

There will be a basketball game here this week. We will have candy, pop, and hot dogs to sell. Our headquarters are in the Home Ec. Kitchen. Help the Juniors!

STUDENT COUNCIL

At the last meeting of the Student Council, Mr. Whiting from the American Institute of Zoology put a proposition before them. It was that we should accept his proposition. This Institute will bring a group of strange birds to our school this Thursday at 11:30 and will give the history of these birds.

BEHIND THE SCENES OF AMERICAN INDUSTRY

MAL.—The feverish national shopping spree continues unabated as customers stock their pantries, clothes closets and linen presses against threatened shortages. Department store sales for four weeks average 34 per cent above a year ago, and other storekeepers report distinctly abnormal demand for about 30 items and commodities. OPA has been given power to ration all consumers' goods, but until the machinery for official limiting of purchases can be set up it'll be largely a matter of customers' patriotism, conscience and good taste that determine whether the buying wave is confined to prudent anticipation of needs or breaks over into the category of hoarding. Old-timers say that, generally speaking, hoarding is not as rare now as during World War 1.... they're confident that pressure of public opinion and disapproval by "the neighbors" is raising in check any tendency for customers to stock up outlandishly, at the expense of fellow-consumers.

HALF-AGAIN.—Indications now are that by the time the industry reaches its peak of arms production—around mid-'43—it will require a total of about half-again as many workers as it ever employed at any one time in making autos. General Motors, for example, expects to have need for 450,000, against a peak time top of 300,000. Rate of re-employment in the industry's new and converted armaments plants now is figured at about 20,000 a month, and the hiring rate will get progressively faster.

'HOME MADE'.—America's all-out war effort works vast changes throughout the whole geography of the nation. A case in point is Arkansas. Known as the principal U. S. source of bauxite (one of aluminum's raw materials), a half-century, the Razorback state has never achieved a plant for making aluminum, nor one for making alumina, the intermediate step in the conversion of bauxite to metal. You see, it takes nine pounds of other materials, and more than 10,000 watts of electric power to make a pound of aluminum; and Arkansas is rich in the other materials, but has had sufficient cheap hydroelectric power to make aluminum production commercially feasible in peacetime. But the country's war needs have changed the scales. The economic disadvantages, and when new government plants are completed, Arkansas will become the first state to produce "all three"—bauxite, alumina and aluminum.

BITS O' BUSINESS.—Quick-frozen foods, due to get a further popularity push from the tin can's displacement, already have been making giant strides. Installation of some 4,500 freezer-locker plants has doubled consumption of that type of food, with plants in nearly every state serving at least a million families. "Home sewing's comeback," as a war economy trend is reflected in White Sewing Machine company's sales gains for 1941.... Precourt Stupich company has renewed its pledge of a year ahead to increase its base price of sulphur for delivery this year, an action applauded by OPA chief Henderson as exemplary (this product is a primary industrial raw material particularly vital to war industries).... Spring fashion notes, a la WPB: skirts will be shorter and have fewer flared effects, women's coats and will have trim, non-balloon sleeves, "inside" rather than "patch" pockets, and scantier linings....

ARMY TRAILERS.—If there were any lingering doubts in civilian minds about the reality and criticality of the rubber situation, they should be dispelled by news that the Army is doing its part to conserve rubber and make tires go further—even as you and I, and maybe more so! A new training school, in which army personnel will learn tire re-treading and proper tire care, went into session last week under the direction of B. F. Goodrich technicians. In addition to instruction in care and maintenance of tires and tubes of all types, the soldiers will learn about rubber "endless tracks," aircraft rubber and other products made by the company for military purposes.

THINGS TO WATCH FOR.—Nylon, because of its strength in dollar bills (though you won't be able to tell the difference).... Perfume made from coffee flowers, in lieu of that from flowery oils of southern France (some marked yet, but potential loss).

the South American good-neighborly way). . . . Electric eye control that turns lights on and off in schoolrooms to keep, automatically, an optimum, constant light intensity regardless of outdoor conditions. . . . Synthetic caraway seed—in lieu of the imported product, an economical domestic replacement is still being impregnated with caraway oil. . . . Various types of fire hydrants—they have them in Fall River, Mass., not for civic beauty but to help the firemen, for the different colors indicate the water pressure available.

American and Canadian Sportsmen's Show in Cleveland, Mar. 21-29

Convinced that good hunters and active sportsmen make good defenders of democracy, the American and Canadian Sportsmen's Show is working to make its fifth annual event in the Cleveland Public Auditorium, on March 21-29, bigger than ever before. In the list of sixty attractions are many never before seen in Cleveland. Not just one, but three tanks will be erected for the show, and two masters of ceremony have been engaged to run off the afternoon and evening tank-and-platform performances in the main arena.

Governor John W. Bricker of Ohio and Mayor Frank J. Lausche of Cleveland will open the nine day show.

Orin Benson of the Oconomowoc Game Fields in Wisconsin will bring his retriever dogs to fetch live ducks unharmed from the water. Ted Conner of New Jersey, winner of the national fly fishing professional championship, will demonstrate right and wrong techniques in bait and fly casting. Florence McVay, American Olympic swimmer, will bring three girl swimmers from New England, each a champion in her own stroke, to exhibit correct swimming form and perform feats of aquatic rhythm.

Phil DeGraft, naturalist and woodsman with a gift of gab, will share honors as M. C. with Art Hoard.

Out of the lumber shanties of northern Michigan will come seven old lumberjacks to jig, fiddle, "stomp" dance and tell tall tales. From the northwoods of Nova Scotia and Maine will come accredited guides to add a portage race to their canoe-tilting, log-rolling contests.

The U. S. Forest Service, The Ohio State Conservation Department, the Ohio Agricultural Experiment Station and the Metropolitan Park System will have exhibits stressing the conservation angle.

Kitchen Katchall

Buttermilk Bread

6 C. buttermilk
1 cake dry yeast
1/2 C. lukewarm water
Flour

1. Top salt
2. Top sugar
3. Top melted butter

Heat buttermilk, stirring constantly until scalded. Remove from fire and let cool. Add yeast which has been softened in the water. Add sugar, salt, butter, and enough flour to make a dough just stiff enough to knead. Turn onto lightly floured board and knead until smooth and elastic. Allow to rise until double in bulk and work down. Let rise again until double in bulk. Form into loaves. Place in well-greased pans and let rise until double in bulk. Bake in hot oven, 425 degrees, for about 45 minutes. Makes 4 loaves.

Spiced Prunes

1 lb. prunes
1 C. salt pork, dried
6 cloves
2 C. sugar
3 slices lemon
1 tsp. mace

Wash prunes, cover with water. Simmer 30 minutes. Add sugar, spices, and lemon. Continue simmering 30 minutes, or until prunes are tender. Let stand overnight before using.

Raisin Honey Sandwiches

1 C. chopped raisins
1/2 tsp. salt
1/2 tsp. lemon juice
1/2 tsp. mayonnaise

Combine ingredients. Mix thoroughly. Use as a filling between thin, buttered slices of either brown or white bread.

Navy Bean Soup

1/2 C. navy beans
1/2 C. salt pork, dried
Salt and pepper

Wash beans, and cover with water. Add pork. Cover. Simmer until beans are tender. Add more water if necessary. If desired, milk or cream may be added to beaten eggs and bread crumbs. Fry in deep fat, 365 degrees, until golden brown. Drain on crumpled absorbent paper.

Fried Hominy Squats

Pour cooked hominy into shallow pan. Chill until firm. Cut in 2-inch squares, 1/2-inch thick. Dip each square in flour. Dip into beaten egg and bread crumbs. Fry in deep fat, 365 degrees, until golden brown. Drain on crumpled absorbent paper.

Indian Pudding

1/2 C. corn meal
1/2 C. flour
1/2 C. molasses
1/2 C. sugar
1/2 C. salt
1/2 tsp. ginger
1/2 tsp. cinnamon
1 C. milk, scalded
1 egg, well-beaten

Combine corn meal, flour, molasses, sugar, egg, salt, and spices. Beat thoroughly. Add milk slowly, stirring constantly. Cook slowly, stirring constantly, until mixture begins to thicken. Pour into well greased baking dish and bake in slow oven, 325 degrees, about 30 minutes. Serve warm with lemon or orange sauce. Serves 8.

Sugars and Sweeties Use molasses and brown sugar often for sweetening. They contain minerals which while sugar does not have.

SET PRICES FOR TOMATOES

Robert E. Finlay, Chairman of the Huron County USDA War Board, announced minimum fair prices for tomatoes for canning which have been established by the Ohio USDA War Board, in accordance with the recently announced minimum fair price policy of the U. S. Department of Agriculture.

For tomatoes purchased on an ungraded or flat basis, and delivered at the cannery, major grading station or assembly point, Mr. Finlay said, it was decided that Ohio growers should receive a minimum price of \$17.00 a ton.

Minimum fair prices for tomatoes purchased on a graded basis, delivered at the plant, major grading station or assembly point, were established at \$21.00 per ton for No. 1 grade tomatoes, and \$14.00 per ton for No. 2 grade tomatoes. The minimum fair price scale for tomatoes as established by the Ohio USDA War Board applies primarily to those canners who qualify for Government purchase of their products. The Department of Agriculture, through the Agricultural Marketing Administration, will purchase all quantities of 1942 canned tomatoes offered to it by canners who have been certified by the Ohio USDA War Board as having agreed by contract to pay growers at least the minimum fair prices set up.

Adjustment of prices for tomatoes for canning comes at a time when the Government is calling for an increase in the tomato crop to the highest peak in history. Ohio growers have been asked to grow 25 percent more tomatoes this year than were grown in 1941. It is expected that establishment of the minimum fair price scale by the State USDA War Board will provide the incentive to growers to meet the increased demands. On a national scale, the Department of Agriculture is asking for 10 million cases of canned tomatoes for use in meeting increased civilian and Lend-Lease requirements.

Members of the Ohio USDA War Board consulted a committee selected by the Ohio canners association, and a number of representative tomato growers, while determining the minimum fair price to Ohio tomato growers. Allowances were made, according to the Board, for increased costs of cannery operations, as well as other factors such as transportation difficulties and material shortages.

The minimum fair price scale established for tomatoes does not constitute a ceiling on prices, the Board stressed. Any increase over those prices is a matter for negotiation between canners and growers.

The U. S. Department of Agriculture has agreed to purchase

canned tomatoes from canneries, provided they are certified by the Ohio USDA War Board, through December 31, 1942, at a base price of 95 cents per dozen for No. 2 cans, f. o. b. cannery, for U. S. Grade C Canned tomatoes.

Ohio USDA War Board was asked by the U. S. Department of Agriculture on December 19, 1941, to recommend minimum fair prices for tomatoes at least \$5.00 per ton, in the case of tomatoes for canning, over the comparable average 1940 prices found by the Board to have paid to growers in Ohio.

The USDA War Board also recommended that the minimum fair prices established for tomatoes for canning serve as minimum fair prices for tomatoes purchased for processing.

Huron County Women In Farmers' Program

Fifteen women from the Huron County Rural Homemaker's Chorus attended the Farmers' Week program and took part in the All-State Chorus which was trained on music in individual counties and were massed together in Columbus. A group of eighty-eight women, from nine counties, received instruction from Professor Joseph Leeder, of Ohio State University, and were directed by him in the concert given at 3 o'clock, Wednesday afternoon, January 28th.

The Huron County Rural Women's Chorus has been meeting the second and fourth Monday of each month and is glad to have any women of the county who like to sing take part in their chorus. "Everyone has a job to do in our national program today. All that goes on in the home and community is most important. Attention is needed now more than ever before to those things which help folks to maintain a wholesome outlook on life—those things which dispel gloom—those things which mean much to the atmosphere of the home. Music stands high on the list of those things to which priority is given in the month ahead."

The women from Huron County who participated in this fine chorus in Columbus were: Mrs. Clifford Skinner, Mrs. Howard Vandrest and Mrs. Elizabeth Lafene, Norwalk Township; Mrs. Otto Wolff and Mrs. C. T. Bailey, Wakeman Township; Mrs. Archie Case, Mrs. Roger Luxon and Mrs. Glenn Jennings, Fitchville Township; Mrs. Elmer Burns, Mrs. Dalton Tanner, Mrs. Jennie Palm and Mrs. T. K. Perry, Fairfield Township; and Mrs. G. R. Young, Mrs. Lynn Morrow and Mrs. Howard Washburn, Ripley Township.

YOUR INCOME TAX

Many farmers will be liable for filing income tax returns and payment of tax for the first time this year. The term "farmers" includes livestock raisers, fruit and truck growers, and operators of plantations and ranches.

Farmers may maintain their records and file their returns of income on either the cash receipts and disbursements basis or on the accrual basis of accounting. A consistent method must, however, be employed. If a cash basis is used, Form 1040F, "Schedule of Farm Income and Expenses," is required to be filled out and filed in conjunction with Form 1040.

Deductions from gross income may be made by farmers as necessary expenses, all amounts expended (other than those constituting capital expenditures) in carrying on the business of farming. Deductions for expenses include such items as cost of feeding and raising livestock (except the value of farm produce grown upon the farm and the labor of the taxpayer); cost of seed, minor repairs to farm buildings (other than the dwelling of the farmer); small tools used up in the course of a year or two; fuel and oil used for farm work; repairs and maintenance of farm machinery; hired laborers and hired machines, and cost of commercial fertilizers the benefit of which is of short duration.

The cost of farm machinery, equipment and farm buildings; amounts expended in the de-

velopment of farms, orchards and ranches, as well as the amounts expended in the restoration of soil fertility (preparatory to actual production of crops and the cost of liming soil to increase productivity over a period of years, are capital expenditures.

Losses incurred in the operation of farms as business enterprises are deductible from gross income. If livestock has been purchased for any purpose, and afterwards dies from disease, exposure or injury, or is killed by order of the authorities of a State or the United States, the actual purchase price of such livestock, less any depreciation allowable as a deduction in respect of such perished livestock, may be deducted as a loss if the loss is not compensated for by insurance or otherwise.

If gross income is ascertained by the use of inventories, no deduction can be taken separately for livestock or products lost during the year.

COUNTY CHRISTIAN ENDEAVOR HAS RALLY HERE SUNDAY

A large attendance took part in the Richland County Christian Endeavor Rally Sunday at the First Presbyterian church in Plymouth.

Observance of National Christian Endeavor Day was made during the rally.

Miss Maxine Ott of Shelby presided over the afternoon session with the junior and high groups which featured a pageant, "Keeper of the Keys," Miss Leroy Mowers of Shiloh and Miss Geneva Craig of Mansfield had charge of the pageant.

Fred Ott of Shelby presided at the supper program. Wayne Vandasdale told of the state convention that will be held June 25-28 at Akron.

The closing evening program had Rev. R. D. Wingert of Nankin as guest speaker. Members of the Shelby United Brethren Christian Endeavor Society had charge of the evening devotions.

Song services throughout the day were led by Rev. J. C. Searle of Shelby.

RAMS WALLOP THE PILGRIMS

PLYMOUTH RECEIVES WORST BEATING OF THE YEAR, 55-19.

By Ray Ford

The Plymouth Pilgrims met a red-hot team of Mansfield Rams at Madison High School last Friday and absorbed their worst beating of the season, by the lopsided score of 55-19. This defeat dropped the Pilgrims into a new low with the Rams for second place. Butler is in the lead at present. Madison scored almost at will, after the first quarter, and their defense completely bottled up the Plymouth offense. Notable was the attempt of Bill Reed, Pilgrim forward, to keep Plymouth in the game. He scored 13 out of the total of 19 that the Pilgrims scored in the game. He also scored all of Plymouth's points in the first half. The Plymouth team entered the game without the services of Joe Moore, who was confined to his home with a cold. Except for the first half of the first quarter, the Pilgrims were no match for the Rams, Plymouth at one time holding an 8-6 lead. Madison lead, 13-8, at the end of the first quarter, 25-10, at the half-way mark, and 38-16 at the end of the third quarter. High point man for the game was Wynn, who had a field day, scoring 19 points. Reed of Plymouth took runner-up honors with 13 points, with Windsor and Roberts close behind, with 12 and 10, respectively. Madison was declared a Class A School at the first of the season and will not play in the County Tournament.

WAR CONDITIONS HIT MAGAZINES

The degree to which future war conditions are likely to affect many publications of all kinds is demonstrated by a survey being conducted to a nationwide scale by The Research Bureau of New York City.

"Because of war conditions," the Bureau points out, "some of the best known magazines in America may have to suspend publication within the next twelve months."

DRAWINGS SET FOR TOURNEY

RICHLAND COUNTY CAGERS
TO PLAY AT MANSFIELD.

Drawings for the annual Richland county Class B cage tournament are announced by Willard S. Weekley, Butler schools superintendent and tourney manager.

To be played in the Mansfield high school gymnasium starting Feb. 26, at 8:30 p. m., the competition will match Bellville and Butler, Lexington and Union, Lucas and Plymouth and Shiloh and Ontario in the opening rounds.

On Feb. 28 at 1:30 p. m., winners of those four games will be matched to determine two semi-finalists and at 8 p. m., the same day the semi-final and final rounds will be run off.

Madison high school, although playing in the county league this season will not take part in the tournament because it has grown into Class A size.

Leading the league so far and highly favored to take the tourney is Butler high.

Referees will be Dean Schuler and L. Blackburn, both of Lucasville, Weekley said.

The seven Class B High Schools in Huron-co. have conducted drawing for the annual basketball tournament to be staged Wednesday, Feb. 25, Friday, Feb. 27, and Saturday, Feb. 28, at Norwalk High School.

Seven teams will again participate. -Tourney officials are Supt. W. S. Wood of Wakeman High chairman, Supt. M. C. Temple of Greenwich High and Supt. T. S. Jenkins of Townsend-twp. High.

Both the county champion and runner-up teams will be eligible to participate in the sectional-district tournament to be held at Fremont.

Raymond Hatch, of Shelby, has been engaged as one official. Austin Shadle of Norwalk will referee on Wednesday and Saturday evenings, with Eldon Burgess of New London to officiate on Friday evening.

SERVICE FLAG DEDICATED IN SCHOOL CHAPEL

A service flag was dedicated to the boys of Plymouth school district, who have left to serve their country, in the regular P. H. S. Chapel service held Friday morning. The first star was that of Mr. LaMar Fleagle, teacher at the local school, who left to serve in the army two weeks ago. A star will be placed on the flag for each boy who has left the community and for those who will leave in the future. Townspeople are urged to send to the school the names of any who might be forgotten, so that all will be rightly honored.

The chapel was in charge of the Junior Class with Spencer Heath presiding. The Scripture lesson was read by Margaret Ellison followed by the salute to the flag led by Anna Mae Steele. Bill Day, Arline Ford, Francine Fortney and Bob Ross took part in the flag dedication. Short talks were given by Margaret Bradford on the topic "Women and the War" and Herbert Beeching and Mr. Bailey spoke on the dedication of the service flag.

A number of patriotic songs were sung by the entire assembly including "America," "The Star Spangled Banner" and "Columbia, Gem of the Ocean."

AT FT. BENJAMIN HARRISON

Word has been received in Plymouth that LaMar Fleagle is at present temporarily stationed at Ft. Benjamin Harrison, Indianapolis, Indiana, awaiting orders to move to a yet unnamed army camp.

FUNERAL RITES HELD MONDAY IN CRESTLINE

Funeral rites for Mrs. Mary Straka, 47, mother of Mrs. Anna Gantzier of Troy, were held Monday at the Trinity Evangelical Lutheran church in Crestline.

Mrs. Straka died Friday after an illness of three years.

CARD OF THANKS

We wish to express our sincere thanks to all those who offered services and floral pieces during the illness and death of our son and brother.

Sheep Claims Allowed

The following sheep claims were allowed in Huron County in January: Virgil P. Hershiser, R. D. 2, Willard, Oct. 3, 19—\$146; Lucy Wyandt, R. D. 1, Willard, Oct. 3, 9—\$87; Virgil P. Hershiser, R. D. 2, Willard, Nov. 10, six—\$46; E. A. Starkey, North Fairfield, Nov. 10, three—\$15; E. A. Starkey, North Fairfield, Nov. 10, two—\$8; J. T. Gifford, Greenwich, Nov. 25, one—\$7.

A claim of \$68 for 17 turkeys said to have been killed by dogs was not allowed because the law authorizing the dog tax does not cover loss of birds. In addition to the above a number of claims were also allowed in Greenwich and Wakeman.

AT CONVENTION

Mr. and Mrs. Thorrt Woodworth accompanied Mr. and Mrs. Clayton Jenkins of Elyria to Columbus over the week-end where they attended the Thirtieth Annual State Convention of the Motorist Mutual Insurance Company.

The convention was held Jan. 30-31 and Feb. 1st at the Deschler-Wallick Hotel and more than four hundred agents from over the state were in attendance. Saturday evening, the president Vic Donahy presided over the Banquet which later was followed by a dance. In addition to a number of very good speakers late movies were shown on bombings and fire hazards.

MARCH OF DIMES DRIVE IS ENDED

\$19.00 has been contributed towards the March of Dimes Campaign on the Huron County Side of the Village. Just what amount was taken in on the Richland County side will not be known until a report is submitted from Mansfield.

Plymouth, as we are well aware, is similar to that old line in Caesar where "All Gaul is divided into three parts." Plymouth is divided into two counties and at times the situation becomes a little embarrassing.

Mrs. Mabel McFadden who has willingly given of her time and effort as chairman in practically every drive that has been conducted the past several years found herself in the midst of the "Wishing Well"—wishing she hadn't accepted the chairmanship. It seems that Plymouth was included in two distinct districts—Norwalk and Mansfield. In distributing her containers received from Norwalk, Mrs. McFadden discovered that the Richland County side of the Village had already been canvassed with Mansfield claiming Plymouth as part of her set-up.

The Plymouth schools lie in Huron County, the Post Office and factory in Richland with taxes paid and received in both counties and village officials most of the time in that "third part of Gaul"—up in the air.

Of course, we have been told time and time again that it can't be changed—that it has something to do with that parallel line, etc., but since it is only an imaginary line anyhow, it wouldn't overtax the imagination much to move it and place us in one county or the other where we would receive some definite consideration. The drives are usually national in scope and deserve the fullest cooperation without the dissension.

CALL ON PRIVATE ENTERPRISE

When big emergency jobs need to be done, call on private enterprise.

A notable example of that is found in the campaign to sell billions of dollars worth of Defense Bonds and Stamps.

The burden of that campaign has been accepted by this country's banks. They are advertising bonds, displaying bonds, and talking bonds to their customers. They are doing it without a penny of profit—all the money realized goes to the Treasury. They are paying sales and promotion expenses out of their own pockets. And they are selling the securities in gigantic quantities.

Other industries, such as merchandising, have joined in—and they, too, without profit, are raising millions daily for America's arms program.

Private enterprise makes this country tick in normal times. And private enterprise builds its defenses in times of danger. Private enterprise in manufacturing, private enterprise in finance, private enterprise in distribution and transportation—everywhere in America private enterprise is working toward the common goal of national security. That means it is working for us all.

HERE'S THE AVERAGE WOMAN

Someone is always figuring out statistics on something or other, so now Bruce Cole comes along with his findings on what makes an average woman. As reported in Your Life Magazine here are details:

Marries at the age of 24; Quarrels at least twice a month with her husband; Has a baby weighing 7-12 lbs; Spends four years washing dishes; Is five feet four inches tall; Spends \$784 hours (five years) gossiping; Weighs 128 pounds—until she becomes careless about her figure.

Spends \$312 in beauty parlors and \$387 on drug-store cosmetics; Attends 3027 movie matinees, many of them double features; Threatens at least eight times to go home to mother—but never does; Spends three years and eight months talking on the telephone; Listens to 18 radio serials each week; Is positive that her child is better than the one next door; Buys 369 hats and 582 dresses; Devotes the best seven years of her life in attempting to make her husband over—without success.

Ruins three fenders on the car and tears off one garage door; Occasionally wishes she'd married someone else; Lives five years longer than her husband; Darns 4827 pairs of socks; Never learns to drive a nail without hitting her thumb; And makes a darn good wife in spite of it all.

To the man who shovels his own, the beautiful snow is the kind that melts as it falls.

As America fights for Freedom, let's resolve to buy Defense Stamps and Bonds; participate in Civilian Defense; work at our own jobs harder than ever before.

LETTERS FROM BOYS IN CAMP

AMERICAN LEGION AUXILIARY RECEIVES THANKS FOR THEIR CHRISTMAS CHECKS.

Six letters from the far corners of the United States have been received by the American Legion Auxiliary with thanks for the Christmas greeting and check which was sent to Plymouth boys in camp with the hope of making the holidays more cheerful for those who had to be away from home.

Replies have come from Mac Trauger at Fort Cass, Houston, Texas; Carl Fox at Jackson, Mississippi; Army Air Base; Chas. Rhine of March Field, Riverside, California; Norman McQuown, Chanute Field, Rantoul, Ill.; Robert Cornell, Fort Stevens, Oregon; C. R. Payne, Pasadena, California. Thinking that Plymouth folks would find these letters as interesting as we have, we obtained permission to print them.

The Auxiliary is headed by Mrs. Ned Earnest, President; Mrs. George Hershner, Secretary, and Mrs. Chas. Lookabaugh, Treasurer. Some of the boys evidently thought that the check came from the Huron Post, American Legion, but the idea and donation should be credited to the Auxiliary organization.

Dear Sirs:

Received your card and check so thought I would drop you a line. Many thanks for the check. We are still in Fort Sam, Houston and have no idea of when we will move out or where we will go.

The boys in our camp has quit complaining as we know we have our job to do and we will do it. It seems the same in all camps as I hear from boys in other camps. I am driving truck for our company at present and like it real well, so far.

The weather here in Texas is nice. It is a little chilly in the mornings but warms up during the day. As for me I still take Ohio and its cold and snow.

Had a very good Christmas dinner here in camp. We ate pretty good food here in camp but I will say I think we have a little above average cooks in our company.

Will close hoping it don't last long and know it will be "victory" in the end regardless of what lies before us.

I remain,

Private Mae A. Trauger

Many thanks again for the check.

Dear Mrs. Lookabaugh:

I didn't know to whom I should write this letter to so am sending it to you. I wish to express my thanks and appreciation for the check given me at Christmas. It made me feel as if I was not forgotten and wish you would convey my best wishes to the members of the organization for a Happy New Year.

I went down to the Post Office and bought defense stamps with the check.

Dear Friends:

I was very much surprised and pleased to receive your fine Christmas gift. I put it to the best use I could think of and that was by buying the largest T-Bone Steak dinner I could when I received my first pay off the post since the war began.

We have been busy planting mines up until Monday and since then the weather has been too bad to leave the dock. I had intended coming home on Tuesday over Xmas but all furloughs in the Coast Artillery were cancelled so I don't know now when I will be able to visit home.

It will be just a year ago next month that I came into the army

but the time has passed so quickly it hardly seems possible. Well I must close my equipment so had better close and get busy. Many thanks for the kind remembrance and hope to see you all some time soon.

Sincerely,

American Legion
Dear Mrs. Lookabaugh:

I received your most welcome greeting. It is very kind of the American Legion to think of us soldiers. I appreciate your thoughtfulness to the highest degree.

When this war is over I hope I can join your organization. I am sorry that I can't say it in words to express my deepest appreciation.

Yours truly,

Pvt. C. R. Payne

December 23, 1941

Dear Mrs. Lookabaugh:

The cash and Christmas check was truly a surprise to me. I never would have suspected that the American Legion would take the time to send me a gift let alone think of me. I always had the impression that "people" in Plymouth did not care if I were dead or alive. Now I know definitely that at least the American Legion thinks about me.

I sincerely thank everyone for remembering me this Christmas. It is a joyous sensation to receive a present from your own town. No matter how much I thank you, you will never know how much I do appreciate the gift. It is something that cannot be expressed in words.

There is something about a soldier that when he receives a gift he appreciates it twice as much as do civilians.

If you desire to know about this air Base, I will be glad to tell you, as much as I am permitted to do.

Sincerely,
Pvt. Carl A. Fox

BOY SCOUT NEWS

Boy Scouts will again call at your home next Saturday morning to collect old newspapers and magazines. Books for the boys in service will also be picked up. Save all waste paper, it is needed now more than ever, for national defense.

Eleven Scouts covered the village of Plymouth Saturday morning in co-operation with the Victory Book Campaign.

Scout meetings will be held on Tuesday evenings until further notice. This is in co-operation with the Civilian Defense Efforts in the city. Scouts are attending these meetings and will be trained as Messengers. Special courses will be given them in First Aid, Fire Defense, Gas Defense, The General Course and Drill.

Jim Keller and Eldon Burkett sorted over two ton of magazines Friday evening in the Scout Rooms.

The A. L. Garber Co. of Ashland purchased 11,147 lbs. of newspapers and magazines from local Scout authorities Saturday morning. This is a portion of the 25,635 lbs. of paper collected thus far.

Scouts last month completed the following activities, 128 hours civic duties, 10 hours hiking, 33 tests passed, 1 Tenderfoot Scout, 2 Second Class Scouts and 2 Merit Badges earned. Two full sessions and two half sessions of the Troop Leaders Council were also held.

Eldon Burkett and Jack Hampton are tied for high Scout of the week with two First Class tests each. High Scout for the month of January was Jack Hampton, who passed one Second Class test, seven First Class tests and one Merit Badge. Jim Keller was a close second with five Second Class tests passed.

LETTERS TO THE EDITOR

Jan. 29, 1942

Dear Editor:

Now that we're short on sugar rations we are all going to see the benefit of our cutting down farming in the past few years, especially sugar beets.

We could of had these sugar beets grown right here in Ohio, but NO, the farmers were forced to cut down on acreage and the sugar refineries could only sell so much sugar in one year.

This was done for the benefit of the foreign farmer; now the government comes to us to furnish the money for the "Lend-Lease" Bill.

This is just one small part of our farm trouble.

C. I. Bloom

Dear Editor:

We are asked to conserve rubber and go back to horses and horse-drawn vehicles with steel tires and of course, less. The horses would have to be kept shod, and when this war is over (if it lasts as long as some 20-thirty years) there will not be 30-thirty of good road bed left at one place for there is nothing like this to spoil the present good highways which cost the farmers so much money. I have in mind one 250-acre farm that cost its owner \$4000 in this county.

C. I. Bloom.

Golden Wedding Anniversary Is Happy Day For The Ruckmans

MANY FRIENDS AND RELATIVES ATTENDED OPEN HOUSE SUNDAY MORNING MR. AND MRS. FAY RUCKMAN.

The Golden Anniversary Day is a very important day in the lives of a couple who have walked together "for better and for worse" for fifty years, and friends of Mr. and Mrs. Fay Ruckman joined in saying "Congratulations" to them on Sunday, February 1st.

February 2, 1892 was the day when wedding bells rang for a young couple who were married at the home of Mr. and Mrs. Marion Davis, in North Robinson, O. Rev. Baker read the marriage lines which have been remembered by the former Miss Virginia Davis and Mr. Fay Ruckman during the years of their wedded life.

The children of the Ruckmans honored them this year by planning for the celebration of the Golden Wedding day, and an open house was held on Sunday so that friends and relatives could more conveniently attend at their home on Franklin Avenue, during the afternoon and evening.

As we entered we were cordially greeted by Mr. and Mrs. Harold Ruckman, and Mr. Marion Ruckman. The dining room table was beautifully decorated, a huge bowl of tea roses, jonquills, carnations and ferns, a remembrance from the grandchildren, was in the center. Presiding graciously at either end, at a lovely silver tea and coffee service, were two granddaughters, Miss Juanita Ruckman of Plymouth and Miss Thora Ruckman of Mansfield.

Guests were served small cakes decorated with yellow icing roses, ice cream slices centered with a yellow wedding bell, and dainty mints. We then were asked to register and visit awhile with Mr. and Mrs. Ruckman, a very happy looking bride and bridegroom. Mrs. Ruckman wore a black dress with a gold ornament, and wore at her shoulder a corsage of yellow roses. Over eighty people called during the afternoon and evening.

Both rooms were decorated with flowers, prominent color being yellow. Bouquets were received from the Neighbors, the Masons, and the Friendship Class of the Methodist Church. Many other beautiful gifts from their children and relatives, and friends were received by Mr. and Mrs. Ruckman, among them being a gold and ivory lamp from the O. E. S., Plymouth Chapter. Many letters, cards and telegrams were received from near and far, and a nice remembrance from the Fats-Health Company was presented by Mr. and Mrs. John O. E. S. SOCIAL

CIRCLE
Mrs. Harold Ruckman will be the hostess next Thursday, Feb. 12th when the Stella Social Circle meets for its February session.

REACH DESTINATION

Mrs. Arthur Myers has received word from Miss Jayne Gardner of Willard, formerly employed in her shop as beautician, that she had reached her destination at Fort Sill, Okla.

Miss Gardner became the bride of Sergeant James Resseger Saturday. She was accompanied by her mother, Mrs. W. E. Gardner, Mrs. Robert H. Smith and daughter and Mr. and Mrs. Wyatt Hagen of Willard. Mr. and Mrs. J. E. Resseger also attended the wedding of their son.

The couple will reside in Lawton near Fort Sill, Okla.

BRIDGE CLUB ENTERTAINED

Mrs. Anna Fox entertained the members of the Birthday Club, Friday afternoon at a 1 o'clock luncheon-bridge at the Shelby Inn, Shelby.

Following the delicious luncheon, bridge was played at three tables, with prizes of defense stamps received by Mrs. J. Howard Smith and Mrs. Sam Bachrach.

WEEK-END GUESTS

Mr. and Mrs. Robert Rudd and daughter of Chelsea, Mich., spent the week-end with Mrs. Rudd's parents, Mr. and Mrs. D. K. McGinty. Mr. McGinty accompanied them home for a short visit.

Other Sunday guests in the same home were Mr. and Mrs. Percy Grimmer and children of Crestline, Ohio.

Root.
Accompanying the Neighborhood flowers was a framed verse, composed by Mrs. Bruce Myers: 1892-1942

Your Golden Anniversary
Fifty years of wedded life,
Fifty years of toil and strife,
Together you've traveled life's rugged way,
Hoping and praying to reach this day

When you can sit in your home
With comfort and ease
And say to the World
"We'll do as we please!"

So in honor of this great day
All your neighbors are happy to say
That it's with greatest pleasure
To present you with this little treasure

Of flowers.
It has come from all our hearts
So true
And we hope God's richest blessings
Will always follow you.

The Stars and Masons attended in a group Sunday evening and made quite a festive occasion.

Members of the family who were present for the occasion, and who assisted were Mr. and Mrs. Harold Ruckman, daughters Juanita and Joan and son Wilbert. Mr. and Mrs. Luther Fetters, and son James, Mr. and Mrs. Donald Fetters and sons, Mr. and Mrs. Roy Carter and daughters, of Plymouth, Mrs. Rhule Clapp of Toledo, Mr. and Mrs. Marion Ruckman and daughter Thora and Mr. and Mrs. Chas. Hockenberry and son of Mansfield.

Mr. and Mrs. Ruckman have made their home in North Robinson, Bucyrus, and finally Plymouth, and this village, along with friends in their hometowns, wishes them future years of happy life together.

WEDDING OF INTEREST

Word has been received by Mr. and Mrs. Elmer Davis of Tiro of the marriage of Miss Madeline Davis of Hollywood, Cal., former resident of this vicinity, to Mr. Joseph P. Smith, also of that city. Mrs. Smith had several small parts in the movies during her stay in Hollywood.

VISIT IN WASHINGTON

Mrs. Glen Deats and Mrs. C. A. Willard of Willard spent from Thursday morning until Monday in Washington, D. C. While there they visited Miss Thelma Fox.

CATHERINE TAYLOR CLASS ENTERTAINED

The Catherine Taylor Class met at the home of Miss Florence Danner on Wednesday evening, January 28. The usual program of devotion, Bible study and business was given. The group voted to give two dollars to the Red Cross and to send gifts to soldiers. Guests present were Mrs. Arthur Weaver and Mrs. George Hough. Miss Helen Akers presented several games for the recreational period and the hostess served delicious refreshments.

BRIDE-ELECT HONORED

Miss Mary Simon of Norwalk, bride-elect of Richard Coe of Plymouth, was honored last Wednesday evening, with a kitchen shower given her by Mrs. George Bailey of Sandusky and Miss Gertrude McManus at the latter's home.

Contests and the "Bride's Book" were the diversion and at a late hour refreshments were served from a gaily decorated table centered with a silver ship and small ship favors representing the Sea of Matrimony. The guests of honor was presented many gifts. Mrs. Florence Coe and daughter Miss Virginia, attended from Plymouth. The wedding will be Saturday, February 7th.

W. E. C. S. MEETS TODAY AT METHODIST CHURCH

The monthly luncheon of the Methodist Women's Society of Christian Service is being served today at noon (Thursday) at the church dining room. The afternoon will be spent with business and sewing.

ATTENDED O. E. S. DISTRICT DAY

Due to bad weather and worse roads, only two Plymouth Chapter, O. E. S. members attended the District Day activities at Crestline, Ohio, on Monday of this week. Worthing Mastrom, Don Danner, Secretary, Anna Mackley, and Esther W. Ken-

nedy, braved the icy pavements, but after they arrived in Crestline enjoyed the day very much. Mrs. Glendora Moore of Plymouth, but who is a member of Ripshap Chapter, Shelby, also attended the activities.

At election of officers Mrs. Elsie Thelma Hartman of Mansfield who has served as vice president of the district the past year, was elected to the presidency.

Other officers are: Miss Elsie Howard of Carey, vice president; and Mrs. Mae Olinger of Bucyrus, secretary-treasurer.

Installation was conducted by Mrs. Esther Place of Canton, deputy of District No. 10.

The meeting place for the 1943 district session was set for Plymouth.

Remember February 20 As World Day of Prayer

This date should be reserved by all the people of Plymouth who are interested in the real welfare of our world. This is the date set for the World Day of Prayer and millions of Christians will gather in various churches of all denominations for prayer and spiritual fellowship.

We need to seek God's guidance and inspiration in these days of uncertainty and suffering. It is a beautiful and helpful custom which has been established for all churches to unite in this observance and we are happy that the people of Plymouth take an interest in it. This year the committee in charge has decided to hold the service in the evening so that those who are working during the day may have a chance to take part. The Presbyterian Church is selected as the place and the hour will be 8:00. Will you be there?

BINGO PARTY

A Bingo Party sponsored by the members of St. Joseph's Church will be held in the American Legion Hall on Saturday, February 7, 1942. Everybody welcome.

PLAY LAST HOME GAME

TOMORROW NIGHT'S GAME CONCLUDES SCHEDULE HERE

By Ray Ford
Plymouth will play its last home game tomorrow night, Feb. 6, when it engages the Lexington Minute Men in a Richland County league game. The local boys have had a very successful season at home this year, and they deserve your attendance at this last game.

Playing their last game before a local audience will be four Seniors. They are Junior Leach, Captain Dick Rule and Joe Moore, all first string men. Also playing in his last game will be Vance Hoffman, who is a replacement for the first five. These boys have taken an active part in all sports since their entrance into high school, and will appreciate a large crowd at this game. Plymouth is in second place in the County League at the present time, being tied with Madison for this position. This promises to be a very good game. Price will be fifteen and thirty cents, and the first game will start at 7:30.
