LOCAL SQUADS IN FIRST GAME

TEAMS GO TO SHELBY FOR THEIR FIRST GAME OF THE SEASON.

The local Varsity and Reserve teams will open their season on next Wednesday, Nov. 25, when they journey to Shelby. Both squads have had several practices during the past three weeks, drilling mostly on fundamentals in passing and shooting. This week the boys are really getting down to work smoothing out their offense and defense.

Both Varsity and Reserve seasons are handicapped by lack of height, but it is hoped that their speed and deception will make up for this. Although the Varsity squad rather bright for a successful season, Coach Roth states he will not make any predictions until after the first three or four games when he has seen his boys in real action.

Three lettermen are back on the Varsity, namely, Beam, Miller and Hamilton. So far these boys have showed up well in the forward and pivot positions. Bob Kennedy, who is trying for a forward position on the Varsity, has had little practice due to a knee injury, but should be ready to go when the opening whistle blows.

Corny Vandenberg, a Sophomore, has been improving rapidly, and with a little more experience should be a great asset to the team. Elden Burkett and Leonard Fennell will probably get all the call in the guard spots. Both boys handle the ball well and are good set shots. However, Elden Sourwine has been improving fast and may have a lot of action in one of the guard positions.

Fighting it out for places on the Reserve team are the following: Seniors—Warren Wirth, Dick Ross, Elden Sourwine, and Pete Smith. Juniors—Kenny Echelberry, Ed Gamble and John Turner. Sophomores—Jim Buehler and Bill Lawrence. Freshmen—Ronald Trauger, Des Donnerwirth, Hubert Metcalf, Glenn Barger, Kenneth Smith, and James H. Ford. Donald Smith, Hartley and Lewis Steele.

Don't forget if you haven't purchased a tag to become a member of the Athletic Association, you will may do so. JOIN AND BE A BOOSTER!

Here's the schedule for the 1945 and 1946 seasons:

- Nov. 23—Shelby.
- Dec. 4—New Haven.
- Dec. 7—Greenwich.
- Dec. 11—North Fairfield.
- Dec. 14—Lucas.
- Jan. 11—At Shiloh.
- Jan. 15—At North Fairfield.
- Jan. 18—Bellville.
- Jan. 22—At New Haven.
- Jan. 25—At Madison.
- Feb. 1—Lexington.
- Feb. 8—At Butler.
- Feb. 12—Shiloh.
- Feb. 15—Union.

Monroeville Hits War Fund Quota

Monroeville is the second Huron county community to go over the top in the current national War Fund Drive. George Scheld, assistant cashier of the Farmers & Citizens bank and a host of loyal workers put the drive over. The community was reported over last week, and the unique system of conducting a campaign by mail was publicized all over the state in last week's Ohio Campaign bulletin. With two communities in the county over their quota, it proves that it can be done, and there is general realization of the need for that end of the shooting war has not lessened that need for USO and our friendlies.

At North Fairfield, Elton Hoyt, recently returned 37th Division Veteran with the 14th Infantry's Anti-Tank Company, has voluntarily offered his services as a representative of the Fairview Drive. One of the first men to enter the Service from Huron county, he is one of the first to assume a civic responsibility on this campaign. He plans to wind up his drive this week.

Rural Huron county reached 91 per cent of its quota on Saturday, representing an increase of ten per cent the past week. Several townships have but one or two isolated neighborhoods still to reach, and one or two townships have several to report. It is hoped that all communities and townships will complete their drive by November 28.

Local Group Furnishes Music

More than 200 young people of Willard gathered at the Youth Center Saturday evening, chose crowned Barbara, 18, as football queen with Sara Evans and Beverly Draine, as her attendants.

Guests were members of the football team, and A. J. Hollinger and Harry Jump, football scouts, Supt. and Mrs. E. W. Gates and P. A. Wiebe, high school principal and Mrs. Wiebe.

Music for the affair was furnished by the Plymouth Swingers with the following personnel: Russ Baker, drums; Phyllis Haines, saxophone; Leland Cole, Eldon Sourwine, trumpet; Mary Alice Weller, piano; Mary Ellen and Leonard Fennell, guitar. The local musicians report a wonderful time and are hoping a recreational center could be established in Plymouth.

Both Varsity and Reserve seasons are handicapped by lack of height, but it is hoped that their speed and deception will make up for this.

Labor Unions And Organizations Are Taking Big "Toll"

A treasury report that 26,638 labor unions and organizations took in \$389,636,000 in one year brought renewed insistence by some of the lawmakers in Washington that the curbs be placed on union financial contributions in elections.

Congress also confronted one of its most complicated problems when the report disclosed that tax-exempt organizations, including unions and farm co-operatives, had gross income of \$5,000,000.

Farm co-ops, the report said, collected a gross of \$23,934,000. The report on income of tax-exempt organizations was prepared on instructions from Congress, written into the tax law early last year when there was wide controversy over contribution to the Smith-Corbin War Labor Disputes Act, said this report.

Rep. Smith (D-Va.), co-author of the Smith-Corbin War Labor Disputes Act, said this report, "The report discloses the need for strengthening the corrupt practices law to prevent unions from financing elections, as was done in 1944."

We have just to look into this matter from a tax viewpoint. The co-ops are growing by leaps and bounds. The possibilities of their qualifying for tax exemption have multiplied. They are a problem not only for other enterprise, but they are a tax problem."

AMBULANCE TRIP Miss Willa Fairchild was removed Sunday afternoon in the McQuay ambulance to the Willard hospital to her home on the New Haven road.

MOVING TO GREENWICH Mr. and Mrs. George Whisman of Adario moved Tuesday into Greenwich where they will make their future home.

OVER 4 CENTS ON GAS RECEIPTS

SALES TAX REVENUE IS ON INCREASE SINCE CLOSE OF WAR; RETAIL SALES UP

Huron and Richland counties made substantial gains in sales tax receipts for the week ending Nov. 3, according to the weekly report just released by Don H. Ebricht, treasurer of 166,726. The comparative report reveals a gain of over four and three quarter million dollars for 1945 in sales tax receipts over the same period in 1944. The comparative figures are up to November 3, of this year.

For the week ending Nov. 3, 1945, Huron county showed a gain of \$855,000 over the same week in 1944. Sales tax receipts for Huron county up to and including November 3 results a gain of \$23.10 over the first ten months in 1944. The comparison chart shows that up to Nov. 3, 1944, state sales tax receipts for Huron county had a grand total of \$189,263.75 in comparison to \$211,594.38. In other words the gain in receipts for the first ten months of 1945 in Huron county totals \$22,330.63, or better than \$2,000 per month increase.

In Richland county, Ebricht's report indicates a gain of \$5,468 for the week ending Nov. 3, 1945 over the same period in 1944. Total sales tax revenue in Richland county for the entire year of 1945 ending Nov. 3, shows \$597,087.35 in sales tax receipts in comparison to the same period in 1944 which totalled \$551,390.46.

As to the amount of sales tax paid by various classifications, it was revealed that the gross sale of tax stamps for the week ending Nov. 3, 1945 on groceries and meats totalled \$10,826; restaurants and hotels, \$166,726; candy and confectionaries, \$8,329.

The men paid out \$48,971.57 for clothing taxes for the week while the women "chipped in" \$8,000. In the automotive classification, prepaid stamp receipts totalled \$76,410.83 for the weekly period, while oil statistics showed a total collection of \$23,543.76 for the same week.

Treasurer Ebricht's report is very interesting, assuming it gives a detailed breakdown by classifications of all sales tax revenue. And if current gains are continued for November and December, while oil statistics are to those of the first ten months of the current year, the treasury should show a generous gain over the year when we made headway to a great extent," was off the market.

IN SHELBY HOSPITAL

Miss Cora Statler is a patient in the Memorial hospital, Shelby. She was given a blood transfusion Tuesday by Miss Arline Ford and on Wednesday by Miss Bertha Williams.

Miss Statler is an employee in the office of the Fate-Roth-Heath Co., and her many friends regret to learn of her illness.

RESIDE WITH MRS. WEAVER

Mr. and Mrs. J. A. Conn, who have been residing in the second floor apartment of the Elizabeth Hotel, have moved to their new home with Mrs. Rose Weaver this winter.

Rep. Alvin Weichel Charges Troops Overseas Rotting Waiting For Ships

13TH DISTRICT REPRESENTATIVE WANTS HEARING TO LEARN WHEREABOUTS OF AMERICAN SHIPS.

Constituents of the Thirteenth District of which Alvin Weichel is representative, will be interested in knowing the plea Rep. Weichel made in Congress a few days ago. An Associated Press dispatch says:

"Rep. Alvin F. Weichel, Republican of Sandusky, in a speech before the House Friday, charged the House merchant marine committee investigate the shortage of vessel space.

"With the War and Navy departments going on this subject, I demand that a special investigation be held, the public hearings be had before the merchant marine committee, and that the State Department, the Maritime Commission, the War Shipping Administration, the Army and the Navy be all called for information as to what has become of American ships and why American ships remain in the hands of Britain and other countries while our boys are rotting overseas."

Rep. Weichel said that the merchant marine committee had refused to tell how many American ships the British have in their possession and what they paid for the use of such ships.

"I demand that a special investigation be held, the public hearings be had before the merchant marine committee, and that the State Department, the Maritime Commission, the War Shipping Administration, the Army and the Navy be all called for information as to what has become of American ships and why American ships remain in the hands of Britain and other countries while our boys are rotting overseas."

XMAS SEALS NOW ON SALE

SEAL THIS YEAR IS DEDICATED TO X-RAY AND ITS USE IN PREVENTION OF T.B.

The opening of the Christmas Seal Sale on November 18th commemorates the discovery of the X-ray fifty years ago this November by the German scientist, Wilhelm Konrad Roentgen. The X-ray is our most effective method of finding cases of tuberculosis and modern improvements in equipment have made possible its widespread use in finding the disease in its earliest stages.

Joseph B. Stockholm, M.D., President of the Ohio Public Health Association, said today in announcing the opening of the annual Christmas Seal Sale Campaign.

The Seal Sale, sponsored by the 88 county tuberculosis and health associations in Ohio, will continue until Christmas. The campaign in Ohio is part of the 39th annual national Christmas Seal Sale.

Funds raised from the Seal Sale are used for the prevention and control of tuberculosis. "Among the services performed for the local communities by many associations in Ohio is the inauguration of industrial X-ray surveys," Dr. Stockholm said. "One of the easiest ways of detecting larger groups of people is by X-ray workers who can be reached without much difficulty and without great loss of time. With modern X-ray equipment between 100 and 200 chest X-rays can be made in an hour."

Dr. Stockholm said, "For the protection of the individual, it is imperative that those closely associated with him, it is vitally important that we find cases of tuberculosis before outward symptoms appear."

Christmas Seals were mailed out last Friday to more than 22,000 residents in Richland county.

RESIGNS POSITION

Mrs. Mary Belle Sanders of New London, who has been employed the past year in the office of the Fate-Roth-Heath Co., has resigned her position Friday. Her husband, who has been in Service, expects to return home soon.

A NEW DAUGHTER

Mr. and Mrs. Paul Kooz of Trux street are the parents of a baby girl born Saturday evening at the Shelby Memorial hospital.

BREAKS LEG

A leg bone of Mt. Vernon is a patient in the E. & M. hospital in Mt. Vernon, with a broken leg. An operation was performed Tuesday to wire the bones together.

Mr. Tinkey was accidentally thrown from a moving van Monday, Nov. 12th, while assisting in moving some church property. He was injured in the van when he fell out balance causing the accident.

Mr. Elmer Tinkey of Plymouth is a brother, who spent the week end with him in Mt. Vernon.

Mrs. Leor Farnwald and infant son were removed Friday from the Shelby Memorial hospital to their home on Plymouth street.

INJURED IN ACCIDENT

Mrs. Ruth Squires of North Fairfield was injured early Saturday morning when her north-bound motor car ran into a parked truck in charge of Joseph P. Reinhardt, Bellevue, in Norwalk.

Mrs. Squires was taken to the Memorial hospital, Norwalk. Reinhardt said that inasmuch as he thought there was sufficient light to see, he did not put out his lights. The truck was stopped to permit the motor to cool off, the driver said. Mrs. Squires said she did not see the truck until about 40 feet from the vehicle.

Funeral Rites Held For Farmer Killed By Bull

Funeral rites were held Sunday afternoon at one o'clock, and at 2:30 at Sand Hill Church near Bellevue, for John B. Strong, father of nine children, who was

thought to death by a bull at his home Thursday near Adario. According to reports, Mr. Strong was seriously injured when he entered the bull's stall last Thursday during the course of his farm work for some equipment. Unexpectedly the bull attacked Mr. Strong, striking him in the right groin. In some way the injured man managed to close the door of the stall and get out of the barn before collapsing at the barnyard gate.

Richland county coroner, L. B. McCullough, stated that Strong had died from loss of blood. The injured man was found dead in the barnyard where he had fallen after the attack.

Mr. Strong was born Jan. 22, 1880 at Bloomingville, and came to Richland county about five years ago. Surviving are his wife, Nellie, nine children, Allen, Glen, Clara, Charles, James, Juanita, Lanthia, Rachel and Mary, all at home. He is also survived by his mother, Mrs. Emma Strong of Bloomingville and four brothers.

Mr. Strong, during his residence in his community, made many friends and was well-liked. He was a member of the community is extended to the bereaved family in the tragic loss of husband and father.

Monroeville Tilt On Friday Is 'Off'

The basketball game scheduled with Monroeville, Friday, Nov. 23 had to be cancelled.

Instead of a game on this date the Plymouth Athletic Association will be held. Officers will be elected and plans for the year will be made.

After the meeting a basketball clinic will be held. It will be open to the public with no admission charge.

Various rules will be explained with offensive and defensive formations demonstrated by the local high school squad.

Remember the date, Friday, Nov. 30, 7:30 at the high school.

Attend Rites

Mr. and Mrs. J. C. Holtz and grandson, Donald Smith, attended the funeral rites Monday at 2:30 p. m. for Mrs. Elizabeth Ersk Hersher, at the United Brethren Church in Willard. Rev. D. B. Wright officiated and burial was made in the Willard cemetery.

Mr. Hersher died following a lingering illness. She was born in Richmond township, Huron county and had lived in that vicinity all her life.

She is survived by her husband Lawrence D. Hersher; three daughters, Mrs. Nellie Dawson of Willard, Mrs. Ida Cook of Willard, and Mrs. Margaret Wilkison of Adario; five sons, Harold, John, Almon and Raymond, all of Willard, and Leon of North Fairfield; one brother, John E. Fink of Willard and twenty-three grandchildren.

AAA VOTING DATES GIVEN

FINLAY, CHAIRMAN OF AAA, SAYS 2000 FARMERS ARE ELIGIBLE TO VOTE.

The schedule for AAA committee elections in Huron county was announced this week by Robert E. Finlay, chairman of the Huron County AAA committee.

The communities, the polling places and the dates for the election meetings are listed as follows:

Bronson—Center Hall, Dec. 7. Clarkfield—Town Hall, Dec. 5. Fairfield—Agricultural Room, High School, Nov. 26.

Fitchville—Town Hall, Dec. 3. Greenfield—Town Hall, Nov. 28. Greenwich—Greenwich Central School, Nov. 26.

Hartland—Community Hall, Dec. 5th. Lyme—Town Hall, Dec. 3. New Haven—Township Hall, Nov. 28th.

New London—New London Library, Nov. 28th. Norwalk—Room 104 Telephone Bldg., Nov. 28th.

Norwich—Town Hall, Nov. 26th. Peru—Peru Central School, Dec. 3rd. Richmond—Township Hall, Dec. 5th.

Ridgefield—Trustees' Room in Town Hall, Nov. 26th. Ripley—Ripley Center, Dec. 7. Shorman—Township Hall, Nov. 29th.

Townsend—Township Hall, Nov. 29th. Wakarusa—Township Hall—Nov. 30.

The time of voting for all places is set for 8:00 o'clock in the evening.

Three county committees and two alternates, as well as a delegate to one county convention, will be chosen in each of the county's nineteen farming communities. The delegates later will elect the three man committee which will administer the AAA activities within the county.

The AAA chairman said approximately 2000 farmers in Huron county are eligible to cast their votes in elections. The number includes all farmers who are co-operating in the 1945 Agricultural Conservation, Crop Insurance, Sugar or Flaxseed Payment program.

Discussing the role of community committees, Mr. Finlay pointed out that soil, and water conservation will continue to rank among the most important objectives of the AAA program under next year's program. Funds will be allocated to each county to encourage conservation work.

Greater responsibility in helping their neighbors to round out soil building plans for individual farms within the scope of approved practices.

(By Phyllis Whitlender)

ELMER MARKLEY and Arthur Pocock returned home Saturday from a "deer" trip. Whoops!

We mean a "deer" trip to hunt deer in "dear Old Main." Oh, well, the boys said they needed those three weeks' vacation, and it was nice going while it lasted, even if they didn't bring home the bacon—or deer.

AND SPARKING of hunting—there is plenty of it but the game is scarce. After strapping all day, Willy and Dick Ross only got one shot, a rabbit Saturday and then on their return home—right in their own driveway, they scared up three of the little bunies. Strange work, isn't it?

WHILE IN Columbus last Saturday "Fee Wee" Ross of the B & G, stepped into the entrance of a building, pulled out a bottle and tipped it to his lips. While in the act of taking a drink a cop walked up, took hold of the bottle, and with a first business look he walked away. It was only cough syrup. Either the cop was greatly disappointed or "Fee Wee" thought up a good story about himself!

MY THOUGHT for the week: If you're disappointed in love; if you haven't received a letter for a long time; if you're lonely and don't see a thing; if you have a flat tire . . . if you walk the floor nights with baby . . . Why be irritated . . . smile. Or, if you're a little homesick, Lorillard's should be overworked if those Old Golds will keep a man's nerve center on an even keel in these trying days.

RIP VAN WRINKLE didn't have anything on members of the Quarry Fishing Club, who this week held their first business meeting in thirty years. Members met at the Legion Hall and elected Chris Weber as president and Carl Lofland as secretary. They voted to advertise the Quarry site for sale. So, if you want a private lake or fishing pool, better put in your bid.

RECALLING the battlefront action over the world a year ago this Thanksgiving we truly have something to be thankful for. We want to thank the Old Pilgrims and their purpose in establishing a Day of Thanksgiving. Today, we have before us the history of a people who have many hours of life—yet, rugged as they were, they had self-respect, they worked and remained dependant on no one. We, in a land of plenty, quibble over how many hours we should work, the pay we receive, and in plain English, gripe about everything. The war casualties are coming from far lands in America and we are deeply concerned, not about ourselves, but about our loved ones who were on the firing lines. The war ended, and we celebrate it in the matter of weeks the nation becomes perplexed with many problems, while in reality we have something to be thankful for. Truly thankful that the world conflict is at an end—at least temporarily.

IT HAS BEEN a long, long time since I've heard so many favorable comments toward a class play. The Junior Class, in its production, held Friday night at the school of "Mama's Baby Boy" certainly proved that work and determination to make it the best can and does pay dividends. Every member of the cast and director and those assisting are to be commended for the fine entertainment, and a play that was really well received by the public.

WE HOPE that Arthur Myers will find a buyer for his harness shop. Arthur is doing well to ease it, if he has to close shop, and which he is going to do soon. He has signed his willingness to sell to the right party. So, say the word along to someone who knows how to mend shoes and repair harness. Plymouth can't afford to have its only harness and shoe repair shop closed!

THOUGHT OF THE WEEK: Women's whims keep goods and men moving . . .

RESIDENTS on North Street got the "fitters" Saturday evening. The fitters were out to see the storm and electrical storm when a bolt of lightning came very, very close to the J. E. Nimmons' home, causing the lights to turn on. So, say the word along to someone who knows how to mend shoes and repair harness. Plymouth can't afford to have its only harness and shoe repair shop closed!

WE GIVE THEE THANKS

In the name of the living, and of the dead,
And of those unborn — Lord, bless the bread
Of brotherhood that now we break
In gratitude for Thy sweet sake.

In the name of the living — we thank Thee, Lord,
For deliverance from flame and sword;
For loved ones spared; for the task well done;
For the battle fought — and the victory won.

In the name of the dead — locked deep in sleep
Under alien earth — give us strength to keep
Untarnished their dear-bought legacy,
The brave, bright armor of liberty.

And for those unborn — Lord, we lift a prayer
For a wiser world where we all may share
A lasting amity with men.
We thank Thee, Lord, for peace.

Amen.

Dr. and Mrs. G. J. Searle In New York For Navy Day; Tell of the Interesting Experiences While At Celebration

Dr. and Mrs. George J. Searle who recently left Plymouth for their winter home in Bradenton, Fla., first visited their daughter, Mrs. C. V. Whitney and husband, Col. Whitney in their home at Old Westbury, L. I. This week they write the Advertiser of their visit which we pass on to our readers knowing they will also be interested in their trip. The letter follows:

Dear Mr. and Mrs. Thomas,
Enclosed is a subscription for another year and change our address to 108 26th St. N. Bradenton, Fla. We had a very nice trip to N. Y. C. and on to Bradenton.

Found Col. Eleanor and Searle in good health, and enjoying their new home at Old Westbury, L. I. New York City has and is still entertaining many celebrities. The Saturday we were there was Navy Day. Estimated over a million people were in Central Park to hear President Truman speak. We had the honor of sitting on the speaker's platform only a short distance from the president in the front row of seats. They made a news reel and here Dr. George and I are in it. Sure excitement.

Newbold Morris one of the candidates who ran for mayor took us in his car to the park with police escort. His car was second after President Truman's. When we left the park after the speech, he they took us to go on a destroyer. The Missouri, the ship on which the Japanese signed the surrender was anchored in the river with many others.

While we were doing this sight-seeing, Col. Whitney and Eleanor were at a luncheon in the Rainbow Room of the RCA building,

where Mayor LaGuardia and other high officials were entertaining. On our return from the destroyer we went to the top of the RCA building and had a good view of all the ships anchored there. Some said seven miles and there. Anyway we could see the flash of the 21-gun salute and could hear no report.

The armada was a wonderful sight. There were hundreds of planes in formation flying over the city during the afternoon.

In the evening we dined at the Ritz Hotel having Dr. George, Marjory Miles Campbell and mother, Mrs. W. J. Miles and three other guests. After our delicious dinner we attended the theater and saw "Harvey." Col. and Eleanor had previously accepted an invitation to the Navy Day Victory Dinner at the Waldorf-Astoria Hotel to meet the British, Chinese and French ambassadors, Secretary of War and Secretary of the Navy.

So while they were listening to speeches by these great men we were enjoying a good laugh at this comedy, "Harvey," at the theater.

When we took our train Monday for Bradenton, President Osma of the Philippines, and his be-ribboned and medaled escort arrived at N. Y. Central Depot. The Lieut. Chief of Police who took care of them took us to our train, escorting Dr. Searle, arm in arm. So it goes even if from our lovely little town of Plymouth we get much attention.

May she ever prosper.

Sincerely,
Dr. and Mrs. G. J. Searle

A man in a crowded bus fell in a dead faint overcome by the heat. A stout lady in the rear of the bus said "step aside I am a first aid student, I'll give him artificial respiration."

Her husband pulled her by the arm and said "for heaven's sake Jenny you can't do that to a sick man."

AVON TO HAVE HUGE PLANT

Lorain county is to have the largest truck-trailer manufac-

ing plant in the world.

Located at Avon Lake, the new plant will be owned and operated by the Fruehauf Trailer Co., and will be almost a half mile long, housing 800,000 square feet of floor space and employ about 2,500 persons, most of whom will be recruited locally in that vicinity.

The main manufacturing building will be 400 feet wide and 2-350 feet long. Grading will be started at once and it is expected that the plant will be in operation next August. The new factory will not displace the present Fruehauf facilities but will augment them. The Avon Lake site was one of 36 investigated by the company before making its decision to locate there.

New Refrigerators On Display By Dealers

Plymouth had its first view last week-end of refrigerators, the first new ones received here since the war began. Robby's Shop, dealer for Frigidaire, has a new and modern refrigerator on display, which has attracted wide attention.

These Frigidaires have been in production for some time, but have not been available to the public due to War Production

Board restrictions. Elton Robertson, new GE refrigerator has been placed on exhibition the firm has booked several orders. New styling and shelf-arrangements are added features in the new GE model, and it has many of the new and improved General Electric features which have made this a most popular refrigerator.

If you're anticipating the purchase of a new refrigerator, you may stop at either place and see these two new popular models. But don't think you're going to have one delivered next week. However, an inspection of the two units will give you some idea of the many new improvements that have been added to the things that are to come.

Band News

The band has been asked to play at two different places so far this year. They played at the first PTA meeting in October. On Oct. 31 they played at the Plymouth Halloween program. The band has been highly honored to play and march for Plymouth and many compliments were tendered to the band. However, the band has run up against a couple of difficulties such as teaching new members to play their instruments and getting music for everyone. Each section of the band has a separate period every week for practicing.

Orchestra News

The orchestra also has separate classes for different parts. Soon the orchestra will be called together for the first time this term. This is the first orchestra Shiloh has had for almost four years.

Glee Club News

The boys and girls glee club again held organized in singing Christmas carols this year. A special chorus has been chosen to participate in morning programs that are to be presented to the entire school each morning.

Sextet News

Members of the sextet are as follows: First soprano, Mary Benedict and Marilyn Brunn; Second soprano, Donna Garrett and Doris Garrett; Alto, Naomi Wolford and Betty Erat.

They have sung at the Grange in Ganges, the Shiloh Grange and the PTA program last October.

The sextet, along with all the other musical organizations, wish to give "thanks" to Mr. Mylander for the help he has given us so far this year in music.

Violins—Solo, Doris Garrett & Donna Garrett; 1st, Don Hudson, Joan Guthrie; Second, Peggy Mock, Betty Mock; 3rd, Iona Millen, Mary Seaman.

Viola—Solo, Mildred Kilgore, Mary Leaphy.

SOLDIER NEWS

With Repair Unit

Mrs. Julia Rowe of Shelby, formerly of Plymouth, received the following news item which was broadcast over WMAN, Mansfield, recently, regarding her son, Charles.

ULITHI ATOLL, WESTERN CAROLINE ISLANDS—Charles H. Rowe, coxswain, 46 Walnut street, Shelby, Ohio, on duty with Standard Landing Craft Unit 34, the boat pool here, can feel pride and satisfaction at news of the fleet's entrance into Japan, as the unit provided supplies and did repair work for the fighting ships.

The base, built despite adverse weather conditions, hazardous coral reefs and rugged shore conditions, was said to be the model of advance base construction in the Pacific. Here every major fleet unit had boats and pontoon barges assigned for its use in procuring supplies, sending men to recreational camps and to important operational meetings and for ferrying crippled planes from carriers to an island airstrip.

One night in March a Japanese plane mistook the small island for a carrier, suicided in, killed three men and wounded many others. The unit regards with special pride two commendatory dispatches received in its 10 months' service. One of these was from

Fleet Admiral Chester W. Nimitz and the other from Commander O. O. Kessing, former staff commander.

Promoted

Tom Henry recently was promoted to the rank of corporal. He is stationed at Cairo, Egypt. Cpl. Henry is the son of Mrs. Edith Henry of West High Street.

Member of Task Force

WAKAYAMA, HONSHU, JAPAN—Most men of this task force were topside watching landing craft put occupation troops ashore here Sept. 25. The troops were landed at this harbor on the southeastern coast of Honshu for the occupation of Japan's inland cities of Kobe and Osaka.

Elmer Prater, S-2-c of Rt. 1, Plymouth, was a member of the USS Mifflin, which assisted in the work.

Home For Xmas

Albert Marvin, Jr., who has been in the Hawaiian Islands for the past 18 months, wrote home this week that he expected to leave for the States on Nov. 14. He is the son of Mr. and Mrs. Albert Marvin, Sr., and a member of the 1944 class of boys who joined the Navy in a group.

Leaves Saipan For Home

Sgt. Earl Hankammer hopes to arrive in Los Angeles on the 27th if plans are not held up. He advised his wife, Mrs. Eunice Hankammer that he had left Saipan enroute home.

Goes To Columbus

James Moore, son of Mr. and Mrs. Phillip Moore, left Tuesday for Columbus for his army physical exam. Jim enlisted in the regular army for an 18-month period, pending his examination.

In Japan

Sgt. Joe Moore is now stationed about fifty miles north of Tokyo, but is hoping to be out of Service by Xmas. He was one of the boys on Okinawa who was caught in the typhoon and later transferred to Japan. He is the son of Mr. & Mrs. C. C. Moore of Sandusky street.

Home For Xmas

A telephone call Sunday from Carl Spenseller in San Francisco, to his parents, Mr. and Mrs. M. R. Spenseller, advised them he will probably be home for Christmas. T-4 Carl Spenseller is one of the first boys of the 37th Division recently returned to the States. He has received his discharge and at present is residing with Will Boardman in San Francisco.

Welcome Home

Friends were greeting Sgt. Roger Ross Tuesday, who returned home Monday evening after twenty-nine months' Service overseas. He has been in service three years the past November 3rd. He has now received his honorable discharge at Camp Atterbury, Ind. Sgt. Ross was awarded five bronze stars for participation in the following campaigns: Southern Philippines, Luzon, New Guinea, Northern Solomons and Western Pacific. He also holds the good conduct medal and World War II Victory medal.

Glider Veteran Home

S-Sgt. Clair Foraker, member of the 325th Glider Infantry of the 82nd Airborne Division, received his honorable discharge at Indiantown Gap, Pa., Nov. 12th and is now at the home of his mother, Mrs. Kit Foraker and other relatives. He arrived at New York on the Kokomo, Nov. 6th from two and one-half years in the ETO and a total of four years' service. His company, the first to spearhead the Normandy invasion, received the Bronze Spearhead; he also holds the Good Conduct medal, Presidential Citation for the Battle of the Bulge, Expert Rifleman's badge; six battle stars for participation in the Normandy, Holland, Belgium and Germany campaigns. His company was also awarded the French Croix de Guerre.

Clair is one of ten surviving members of the original company.

Receives Discharge

Burton E. Morse received his honorable discharge from the Toledo Naval Separation Center this week.

Home From India

T-Sgt. Haldon C. Myers has returned to Plymouth after three years of service in the army. He received his discharge at Camp Atterbury, Nov. 1. After more than a year's training in this country he was sent to Calcutta, India, where he served with the 205th Ordnance Company until his release.

Back Home

After receiving his discharge at Indiantown Gap, Pa., Pfc. Johnny Coe arrived in Plymouth last Thursday. He has been in service 33 months, 27 of them being spent overseas.

Promotion

In Regular Army

Floyd L. Robbins, Jr., who recently left Plymouth for service, was given a choice of enlisting in the regular army for an 18-month period or going in under selective service plan. He chose the 18-month service, and is now located at Ft. Sill, Okla. His address will be found elsewhere in this column.

Home On Leave

Robert Crox, S-2-c, arrived in Plymouth Sunday evening from Memphis, Tenn., and will spend this week in the home of his grandfather, Ben Parsel, and other relatives. He reports this Sunday to Memphis, later leaving for Norman, Okla., where he will attend school for the next eighteen weeks, as aviation ordnance man.

In the States

Mrs. Ernie Rooks received a telegram Monday from her husband stating that he arrived on the transport, President Hayes, at Los Angeles, Calif., and was enroute to Great Lakes. He hopes to be home soon with a discharge.

Blackstone To Be At Hanna Theatre

For theatregoers who like white magic, the appearance of Blackstone at the Hanna Theatre in Cleveland, week beginning on Sunday, Nov. 25, will be a great event. He is the world's foremost exponent of the school of necromancy which produced Herrmann the Great, Harry Kellie, Howard Thurston, Houdini and Dante.

In the Blackstone show of 1901 wonders you will see for the first time on any stage, "The Hindu Rope Trick" which has baffled the world for a great number of years, but it is solved by the super magician. In full light a rope rises from a basket and hangs suspended in mid-air, the top of the rope is quite visible. To the accompaniment of Oriental music a boy climbs the rope and hangs from it in full view of the audience. Blackstone fires a pistol and in the puff of smoke the boy completely disappears, but the rope remains suspended. Upon firing the second shot the rope itself drops limply to the stage.

DYNAMITE DALEY — Case Daley, explosive exponent of singing a la swing, will be applying his specialized treatment to top tunes of the day on the "Fitch Bandwagon" program Sunday nights on NBC. Case is also one of Hollywood's top comedians.

Plymouth School Notes

Name Omitted From Roll

The name of John Fetter was inadvertently omitted from the honor roll which was published last week for the Plymouth schools. Johnny is a second grade pupil and his name should have been included.

"Failures" Notices Out This Week

Approximately forty failure notices will be sent out this week to parents of school children, according to an announcement by Supt. Van Brunt. These notices are sent in preparation of grades for the second six weeks period, and in some cases grades can be brought up before the cards are made out. This number is approximately 15 less than in the preceding period.

Thanksgiving Vacation

Plymouth school students will be dismissed today, Wednesday, at 3:15 for over the Thanksgiving vacation, and school will be resumed Monday, Nov. 25th.

Students Withdrawn

Miss Betty Davis has withdrawn from school, and will accompany her parents, Mr. and Mrs. R. C. Davis to Lakeland, Fla., to spend the winter.

Kenneth McDougal has also withdrawn from school, while names of four new children have been added. The Koser children are the new enrollees.

Doings in Congress

By CONGRESSMAN WILLIAM LEMKE

STRANGE THINGS are happening. We live in an uncertain world. The Italians caved in. We whipped the Germans and the Japs. We adopted the United Nations' Charter. We discovered how to use atomic power for destruction. We have thrown the Constitution out of the window. We are asked to let one man—and that not even the president, but a representative of the United Nations—to declare war for us.

THE INVESTIGATION of Pearl Harbor makes it uncertain whether the war with Japan started in Tokyo or Washington. We now know that the commander-in-chief and the chief of the general staff had knowledge of a planned attack—that for some unknown reason they deliberately withheld this information from Admiral Kimmel and General Short. Eventually the truth will out. One hundred million men, women and children are no more as a result of World War II. One million three hundred thousand of our own are either disabled or dead.

WE WERE promised the Atlantic Charter—freedom from fear, freedom from want, freedom of worship and freedom of the press.

The world has none of these freedoms—they were lost in the shuffle. In spite of the unconditional surrender, and brutality participated in by the nations, there is war and revolution.

GREAT BRITAIN is waging war in India, Greece and other nations, using our planes, munitions and weapons. Talk about aggressor nations? Not even a protest from the United Nations. China is struggling, no longer with the Japs, but with its own people. We are accused of interfering on one side and Russia on the other. With one hand we still recognize the representatives of some of the Balkan nations—with the other we bless the grabbing of their territory. Hate and greed—not friendship and decency—are rampant.

WE ARE ASKED to turn the atomic bomb over to Russia—a nation, whether right or wrong, with which we are seriously at odds. I agree with the president. I am opposed to giving to any nation any instrumentality with which to murder and destroy other nations' people. I feel that the atomic bomb should be internationally outlawed—that any nation that uses it in the future should receive the just condemnation of all humanity. I do not believe that we should repeat the mistake we made when we armed Japan.

AT HOME we have strikes and more strikes—some justified and others not. We again made millionaires and billionaires out of human misery. These would now crush all labor by false propaganda. The servicemen of all nations are going through the agony of being readjusted into civilian life. The war workers of all nations are being reshuffled.

WE ARE STILL being played for a sucker. Great Britain, who already owes us \$34,000,000,000, wants six billion more. Russia seven billion more and smaller nations have their hands out accordingly. The time has come that we take care of our veterans and put them into the same position they were in when we took them out of civilian life.

OUR JOB is tremendous. But we must not despair. We are going to make this nation and this world a better place to live in. We will survive all shocks, and ultimately learn our lesson. The lesson that there can only be universal peace when we bring about universal decency and justice—when we outgrow all racial and religious hatreds and substitute friendship and good fellowship.

THE LIGHTS are getting dim again all over the world. The president asks for universal military training. Under this peacetime conscription, your seventeen or eighteen year old son will be taken out of college, and out of his home to an army camp for one year of military training and education. His morals will not be improved. There is no high standard of morals around an army camp. There will be no home influence and no home restraint.

WE ENTERED World War I to end all wars—to make the world safe for democracy. We went into World War II to obtain a lasting peace—a United Nations Charter. Now, we are told that peace and security can be maintained only by power—by our becoming the military dictator of the world. We are told that we were nearly destroyed four years ago. That statement is intended to frighten and sway the unthinking.

WHAT HAS become of the "Four Freedoms"—the freedom from fear? It is true that the author of the "Four Freedoms," in his last address to congress, forgot all about them, and boasted of the "three great military powers." Then it was three that were to rule the world. Now it is one great military power. We are going to rule the world, not free from fear, but by fear—by mass military might.

WE ARE told that we are a peace loving nation. Yet, just now we are in league with the aggressor that grabbed part of Poland and Finland and all of Lithuania, Latvia and Estonia. We threw off the British yoke, and put it on the Indians and forced them into concentration camps—reservations. Then we whipped the Spaniards and grabbed Puerto Rico, the Philippines, Iceland and other islands. We instigated a revolution in Columbia and got the Panama Canal, and as late as 1917 we compelled Denmark to sell the Virgin Islands under threat that we would take them anyway.

THE FATHERS and mothers of today, and of tomorrow, must make their desires known. If we must have conscription, let us

In fact, it's dangerous to have your child's shoes fitted in any other way. The tender child foot with its soft bones and pliant muscle can be compressed into almost any type of shoe. The child, feeling no pain, cannot tell if the shoe fits properly or not. That's why we insist upon fitting children's shoes by X-Ray. That's the only way we, and you, can be sure that your child's shoes will help to develop normal, healthy feet for a lifetime of foot health and comfort.

Hildegard Extends Reign of Charm With New Honor As 'Queen of Roses'

CABBIET—The incomparable Hildegard wears her cable hat to sing the "Cab Song" during a rehearsal for her NBC weekly broadcast. The enchanting singer is considered one of the best dressed women in America, in her private as well as professional wardrobe.

NEW YORK, Nov. 22. — Before a recent NBC "Raleigh Room" broadcast Hildegard presented a surprised sailor with a bouquet of lovely, long stemmed roses. It was the 5,000th bouquet of roses she has given away during her fascinating career.

And now she is the Queen of the Roses, so chosen during National Flower Week by the Society of American Florists as "the person who has done most for roses."

Hildegard has awarded roses to presidents, heroes, kings, artists, industrial tycoons, scientists, generals and just plain John Doe. She has handed them to hundreds of wounded servicemen during her many visits to service hospitals. She has given them to wide-eyed children who have kept them and pressed them in spell-

ing books, and to GI Joe just back from overseas.

Although the enchanting singer has won many honors for her voice, her beauty, her clothes and her charm, one that she values among the most precious was the creation of the "Hildegard Rose."

That happened some years ago shortly after she introduced "rose-time" in her hotel supper clubs and as a prelude to her NBC broadcasts on (10:30 p. m.) Tuesdays, set in a dark believe night club setting.

Roses are to Hildegard what orchids are to Walter Winchell. Many radio fans send her roses, and her love for them, she says, goes back to her childhood in Milwaukee, before she went to Europe to return as an entrancing continental chanteuse.
