Pilgrims Win Thriller Tues.

At 8:58 p. m.

The Plymouth Pilgrims took the tip to start an exciting game which increased with cheers and yells as the game moved into the middle of the quarter with a tied score of 5 to 5. Donnemith's three seconds moved the Pilgrims out in front with a shot from the corner. Lucas soon found the loop again to tie at 7 to 7. Hampton came through with a rebound and a moment later, after another to end the quarter with the Pilgrims out in front by four points.

Lawrence, starting his first game at guard, began the second period by adding a free throw. Lucas soon found the points to again make the two teams even score. Then one of the best playing of the season soon gave the Pilgrims a three point lead.

No. 7 Lucas tallied two points, No. 10 a fine throw, 7 led again. VanderBilt took a rebound for 2 points; the whistle—end of half. Plymouth 21, Lucas 19.

Second half the game went to Lucas. Fenner added two, giving the Pilgrims another step out in front. No. 7 hit for Lucas, and the ball game cooled to slower pace, both teams catching their breath. Hampton slipped thru and hit two more, then Fenner. No. 5 Lucas, a long one. Hampton again Donnemith again—time for Lucas.

Time in and Fenner added two to end the quarter, score: Plymouth 24, Lucas 28.

In the fourth quarter, both of the teams weary, the game goes at a slower pace. Both teams trying and missing. No. 10 Lucas founds the mark and added two. Trauger followed for Plymouth—then Fenner on a rebound for two; Trauger again, Hampton again. Lucas raised two; two more with one-half minute left—Lucas, desperate, tries long ones, but misses.

Game ends 49-35. Fenner led the Pilgrims with 15 goals; Hampton followed with 12; Stale tallied for Lucas.

Those who missed this game missed seeing the greatest game of the season and one of the best little ball teams to play for the Pilgrims.

PTA Meeting

Remove Peanut From Lung Of Small Child

The second regular meeting of the Plymouth P.T.A. opened on last Thursday night at 8 o'clock with the enthusiastic singing of "Vingle Vingle John Lanus acted as chorister and Rev. Haines led in prayer preceding the business meeting.

President Miles Christian conducted the routine business, and announced that all committees and chairmen are appointed. The Program Committee outlined their plans for the following school year months, and it sounds like very interesting days ahead for the P.T.A. members.

A regular vote was voted, the SECOND THURSDAY evening of each month, 8:15 o'clock. It was voted not to join the State or National P.T.A. for the coming year, until the local group is better organized.

Upon entering the school auditorium, each one was given a questionnaire to fill out and deposit in the ballot box. Such pertinent questions as "Do parents and teachers co-operate?" "Are the teachers underpaid?" "What should the P.T.A. do?" and much other necessary information.

The play group committee has been busy, and it is announced that the tennis courts are to be put into good condition as soon as the weather permits, so that the girls of the Plymouth schools will have a place for games. As there is no athletic training for the girls, the thought is to turn the tennis courts over to them.

The lot at the south side of the school is to be graded when weather permits for a playground for the grade children, so that they will not have to cross a road way.

The closing of the roadway back of the school was discussed, as it is a dangerous place for traffic and school children to mix during school hours. After that discussion it was suggested that if at all possible, the road is to be blocked to traffic during school hours, and opened after students are dismissed from classes.

The savings which were on hand on the railroad bridge, have been stored, and by John Stambaugh, the new playground for the use of the grade children, as they have no equipment to play over for recess and noon periods.

At the close of the business meeting the Holiday Season was brought to mind by the singing of Christmas carols, led by John Stambaugh, and by John Stambaugh, the new playground for the use of the grade children, as they have no equipment to play over for recess and noon periods.

The refreshment committee served a very nice lunch of sandwiches, cookies and coffee, and the evening concluded a very successful meeting.

Cleveland Couple Takes Charge of Bay Camp

Colonel and Mrs. S. E. G. Wells, who have operated the Plymouth Shore, nationally known girls' camp on the shore of Sandusky Bay in Danbury-tp. for the past seventeen seasons, have announced the sale of the camp to Mr. and Mrs. D. L. Peters formerly of Cleveland.

Col. Wells is now stationed at Valley Forge General Hospital, where he hopes to be retired from active duty at an early date. The new owners expect to continue to operate Plymouth Shore camp, without any major changes. After his discharge from service, Col. and Mrs. Wells plan on an extended trip through the west. The camp is known to many Plymouth people having been named after this village. Years ago a local group purchased a tract of land on the lake shores which was later sold to various owners and the tract included the above.

Several of the third, fourth and fifth grade boys sang some well known and well loved Christmas carols. Margaret Kemp, a Senior, sang "Coventry Carol." All the music was accompanied by Miss Joy Bethel.

Huron Rural Youth Have Interesting Meet

The Huron County Rural Youth Study Club held its regular meeting Monday evening, December 2nd, in the Olena Community Hall.

Robert Solsson, Norwalk, led the group in Mixers and Get-Acquainted Games as members arrived. Musical contests, featuring a musical speeddown were directed by Madge Kime, North Fairfield. Norman and Lyle Smith, Greenfield Township, put on two stunts for the group.

During the business meeting, reports on the Fall Dance at Forest Lake Park were given by Madge Kime who was General Chairman and Patricia Porter who was in charge of the Refreshment Booth.

A discussion on Parliamentary Procedure in charge of Doris McPherson, North Fairfield, followed. It was pointed out that a business meeting can be carried on in much less time and with less effort on the part of both the chairman and others participating, when a few simple rules of Parliamentary Procedure are observed.

Patricia Porter, Doris McPherson, and Norman Smith assisted with play party games and folk dances, after which the club adjourned with a friendship circle. The next meeting will be held December 16, and will be the club's annual Christmas party.

FORMER RESIDENT DIES

Word has been received in Plymouth of the death of Mrs. Maurine Ford Miller, 37, of Columbus, former resident of Attica and Plymouth. The deceased passed away on Nov. 28, in Tecumseh, Michigan, where she had been cared for at the home of her parents. She had been ill for the past year and death resulted from cancer.

Mrs. Miller was born in Ashland county, Dec. 3, 1899, to Hammond P. and Alice (Patterson) Ford. She had spent her school days in Attica and was graduated from the Attica high school in 1927. She was married in Covington, Kentucky, Dec. 23, 1928, to E. R. Miller and is survived by her husband and her parents who reside in Tecumseh, Mich.; four children, Gene, Kathleen, Jeanette, and Sharon; a brother and four sisters, Mrs. Brown, Attica; Mrs. Farnella Blandin, Tecumseh, Mich.; Mrs. Betsy Jean Price, Colesburg, North Carolina; Miss Mildred Ford, Chicago and Hammond Ford, Jr., Tecumseh. Mrs. Miller had resided in Columbus practically ever since her marriage. She was a member of the Methodist Church. Burial was made in the Attica cemetery. Years ago the H. P. Ford family resided in Plymouth and still have many friends and acquaintances here. Mr. Ford at that time operated the Plymouth Elevator.

Miss Doris Garrett, student at Ohio State University, Columbus, Ohio, spent the week-end with her parents, Mr. and Mrs. Wiley Garrett.

WHERE ARE THE DEAD? by Dalton F. McDougal Part VI

In my last writing of November 28th I promised to answer the questions: Is there any intelligent part of man that lives on after death? God's word says "Put not your trust in princes, nor in the son of man, in whom there is no help. His breath (spirit) goeth forth, he returneth to his earth; in that very day his thoughts perish." Ps. 146:3, 4. Let us notice the last phrase of this text "In that very day his thoughts perish." The word "thoughts" here include the act of the mind in the process of thinking. The very power to think ceases when the breath of

life leaves the body at death.

There is no intelligent understanding part of man that lives on after death. Since man cannot think after he dies, the dead are bound to be unconscious. The soul is not conscious for an instant after death. In Gen. 2:7 we learned that it was the union of the breath of life from God with the body that made man a living, conscious personality. Now Ps. 146: 3, 4 completes the story by showing that the separation of this breath of life, or spirit, from the body at death makes him an unconscious personality. While the breath of life is in the body, man is a living soul, but when the breath of life is taken away, he is a dead soul till the resurrection. There is no longer a conscious individual existence. The individual no longer exists as a living, conscious, thinking being. He exists only in the mind, plan, and purpose of God through Christ and the resurrection. In this sense "All live unto Him." (Luke 20:38), for all are to be raised from the dead. (Acts 24:15;

Rom. 4:17).

In Part VII I want to close this subject of "Where are the Dead" by answering two questions: "In what condition are the dead, and does man know anything at all after death?"

LONG DISTANCE TELEPHONE CALLS INCREASE!

Although many people (perhaps including the telephone company) expected long distance calls to decrease following the end of the war, just the opposite has happened. Traffic on long distance lines is reaching new peaks each year and the equipment necessary to take care of the increase just can't be produced fast enough. The 1946 long distance traffic load is officially pegged at about 5,000,000 calls per day, about 370,000 more than last year's daily average. Perhaps this graphic illustration will help to explain why it takes your operator longer to answer and why your calls are sometimes delayed.

From where I sit... by Joe Marsh

**How to
Stop Worrying**

I guess folks in our town do about as much worrying as in yours—over housing and prices, and crops, and jobs—and the little domestic problems that are always coming up.

Dad Hoskins, who's lived to the happy age of eighty, has a simple formula for stopping worry. About every problem, he asks himself: Is there anything I can do about it? If there is, he never postpones making a decision, or taking necessary action.

If there isn't anything he can do about it, he sets aside a "worrying

hour" after dinner, and gets his "worrying over in one concentrated period. When that's over, he relaxes over a friendly glass of beer with Ma Hoskins—and they talk about pleasant things together, until bedtime.

From where I sit, that's as workable a formula as you could find... right down to the mellow glass of beer that seems to wink away your worries.
