HALLOWEEN PARTY A HUGE SUCCESS

The Halloween Party sponsored by the American Legion and Legion Auxiliary Thursday night, October 30th, for the Shiloh School children was a huge success. Approximately one hundred and ten children attended the affair attired in gala costumes of all colors and designs. There was everything present from a docile tiger and a little female Captain Kidd to a demure little Southern maiden with the usual sprinkling of ghosts and skeletons.

After a short march through the business section of town prizes were given to the best dressed girl, the best dressed boy, the funniest girl, the funniest boy, the most unusual girl and the most unusual boy.

Refreshments of cider, doughnuts and popcorn balls were then served after which the usual Halloween games—bobbing for apples, pinning the tail on the cat, an egg race, etc.—were enjoyed.

We wish to thank Mrs. Huston, our advisor, and all others who helped in making our Learn How Club to be a banner club this year.

CLUB DISBANDED

The Fisherman's Club of Shiloh disbanded because of lack of interest. The President John Swartz says that likely those who wish such a fellowship may be able to join similar groups in near by communities.

MOTHER'S STUDY CLUB

The Mother's Study Club Halloween Party was held in the American Legion Hall, Friday evening, October 31st. The hall was very decorative with orange and black streamers and the walls adorned with pumpkin faces and black cats. Games were planned by the entertainment committee and prizes were given to Dr. and Mrs. Butler for the most original costume, Mrs. Book and Mrs. Gundrum for the prettiest, and Mr. Loren Kline for the funniest. Refreshments were served consisting of sandwiches, coffee, donuts and cider. Twenty-six attended and fun was had by all.

1. Thorough combing and brushing of hair at least twice daily; a fine comb is better for this purpose.
2. Wash hair at least once a week under supervision.
3. Bathe thoroughly three times weekly.
4. Change clothing completely three times weekly.
5. Change all bedding completely at least once each week.

From where I sit... by Joe Marsh

Square Biscuits, Yet!

I see by a neighboring paper, that the round biscuit is on the way out. Yes, sir, home-management specialists have found that the square biscuit lends itself to assembly-line production and easy storage better than those customary ovals.

Well, we're all for progress, but that's one new idea we just don't cotton to. A round biscuit, spread nicely amidships with snappy country cheese, looks like a biscuit! And accompanied by a mellow glass of beer, it's a combination that you can't improve on!

So at the risk of being called old-fashioned, I'm voting for round biscuits, that fit a hungry man's mouth like no square imitation ever will... and for American beer served in the good old-fashioned way, in tall, cool mugs or ordinary glasses, with frosty sides and bubbles winking at the brim!

Think I'll step out to the kitchen for a snack right now!

Joe Marsh

Parent-Teachers Association Hold Good Meeting; Discuss Projects

The P. T. A. held its second meeting last Thursday, October 23, 1947. The President, Miles Christian had charge of the business. The playground was reported on; the teacher totters are up and the swings are nearing completion. I want to say thanks to the Good Samaritan who is putting up the swings. I certainly appreciate it and I know the children are enjoying them very much. Mr. VanBrunt then explained the Voting on the 4½ mill tax levy that came up at election.

The temporary closing of Maple Street was then brought up discussed and shelved, as the school board is taking care of this. They have set aside money for this and it will be taken care of as soon as necessary arrangement can be completed.

The tennis courts are going to

be used—if possible—for a skating rink this winter; but first there has to be a few ditches dug around the edges. Mr. Apple was made chairman of this and Coach Lindsey is going to assist him. When the boys do this job, we are going to erect bleachers around the tennis court and sell admission tickets just to see them do a little sweating.

Clarence Riggles was appointed chairman of a committee for working up and leveling off the extra ground on the other side of the school house, so it can also be used as a playground.

This ended the business meeting and the president then turned the meeting over to the program committee. All of you people that weren't there, just can't realize what you missed. I'll just bet the people of Plymouth don't know what talent is in this town.

Mrs. Karl McGinty had charge of the program and folks she is really good. She put on a Doctor I. Q. program assisted by her daughter Carol, and I want to say here if Doctor I. Q. is looking for an assistant he should call on Carol, as her part was all made up just as she went along. She went through the audience with her portable mike and picked out her contestants. I want to say Thanks Carol, you certainly handled your part very capably.

The first contestants to come forward were Joy Lee Bradford and Geneva McDougal, who sang a duet. These girls are always good. They were accompanied by Audrey Arnold, who by the way is a newcomer to our school, but a very talented one. Here I would like to put in a plug for the school — anyone that listened to WMAN last Saturday morning — know just what these pupils of our school can do.

Mrs. Agnes McFadden gave us a reading. Now I know why the children of her grade sit spell-bound in school when she tells them a story; she has real talent.

Janice Ramsey and Julia Dawson favored us with a piano duet. If you remember these girls played for graduation exercises and after hearing them again on Thursday evening, we all know they have talent enough to be on the radio and some day girls I hope to hear you there.

Mrs. Suttles and Mrs. Arlene Schreck then gave us a book review. The sketch was written by Arlene and if there is anything you want to know just get the girls together over the bridge table. They were so interested in gossip they nearly forgot to play cards, but no fooling just look what good material we have for a Home Talent play.

Elaine Rooks, accompanied on the piano by Arlene Schreck rendered two whistling numbers for us—you will have to go some boys to beat her—just keep it up Elaine, some day you may take Fred Lowery's place.

Iden Jackson sang two numbers accompanied by Miss Bethel. We all know what a singer Iden is, as he is connected with the master singers of Mansfield.

To close the program Mrs. McGinty nominated Mr. VanBrunt as man of the evening, and Miles Christian lady of the evening, and with the corsage and hat, he made a very nice looking lady. These two needed a chaperone to take care of them so Clarence Riggles was appointed fire chief with his helmet and spray gun he completed the picture.

Thanks Mrs. McGinty you certainly put on a fine program. The next meeting is to be in charge of the Mothers of the Junior Class and you ladies will have to do some tall stepping to beat this one.

Mrs. Eby and her committee then served refreshments in the Home Ec room. Thanks Mrs. Eby to you and your assistants, it was very delicious.

As our next meeting would fall on Thanksgiving the date will be the third Thursday instead, which will be the 20th of November.

We had a very good crowd this meeting let's keep it up or even do better the next.
