Shiloh Wins Two Over Week-End

The Shiloh Legion baseball team won two games over the week-end, defeating Shelby Settlement 7 to 1 on Sunday, and Greenwich 9 to 3 on Monday.

A big inning in each game was the margin of victory for the local lads. Scoring six runs in the first inning Shiloh went on to defeat Shelby Settlement 7 to 1. Bushy held the losers to seven scattered hits while whipping six and walking four. The victors gathered 16 hits off of Shuty.

On Monday, Shiloh scored 9 runs in the last of the seventh inning to defeat Greenwich 9 to 3. Going into the seventh the score was 1 and 1. Hamman did the pitching, for the victors, allowing 7 hits, whipping 9 and walking two. Strimpe, pitching for the Greenwich team, held the winners in check until the seventh inning in which he was relieved by Gifford.

Next Sunday, the Shiloh Legion will travel to Leesville to play the Leesville Reds at 2:30 P. M., E.T.

Tractor Explodes On Wells' Farm

The Fire Department was called to the farm of Raymond Wells on Tuesday morning where they found a blaze pretty well under control by the Bucket Brigade. Mr. Wells was working at the time in the field with one tractor, and his young son, went to the shed to start the second tractor, and it exploded.

The boy quickly jumped from the machine and called his father who brought his tractor from the field and pulled the blazing tractor from the shed. The tractor was burned, the shed charred, but the boy luckily escaped being engulfed by flames.

Obituary

HENRY MELVIN LUTZ

Henry Melvin Lutz, son of William and Mary Lutz, passed away at his home in Ripley township, May 11th, 1948 at the age of 65 years, 3 months and 11 days.

He was born in Darke county, February 1, 1883. At a very early age he moved with his parents to the home where he lived his

entire life with the exception of a few years. Early in life he united with the Brethren Church and was a faithful member until his health failed.

He was united in marriage to Emma Whatman, November 22nd, 1905. To this union were born three daughters, Mrs. Vera Bell of Shiloh, and Mrs. Mabel Baird and Mrs. Mary Hench of Shelby. He is survived by his wife Emma, and three daughters, seven grandchildren, and two great-grandchildren. He will be greatly missed in his home and community.

The blow was hard, the shock severe. We little thought his death so near. He bade none a last farewell. He said "Goodbye" to none. The Heavenly Gates had opened. A Lovely Voice said "Come," And with farewells unspoken, He gently entered Home.

Tom proposed by telephone!

Even a marriage proposal is typical of the endless variety of services performed by telephone. For this and countless other reasons, most people appreciate the enormous value of the telephone. That is why our installations, which reached a record peak in 1947, are already soaring higher in 1948. We are anxious to bring the benefits of telephone service to all who wish it. Our progress in this direction gains speed with each passing day.

Bradford-Ream Nuptials
Performed Sunday Afternoon

A very simple and quiet wedding took place in the First Lutheran church at 2 o'clock on Sunday, June 30th with Rev. M. P. Paetznick officiating when Miss Joy Lee Bradford and Mr. Quentin Ream were united in marriage during a double ring ceremony. There were no attendants and only members of the immediate families and one guest Barbara Shadler of Willard, houseguest of Miss Margaret Bradford were present for the ceremony.

The bride was lovely in an ice blue linen street length dress with a fitted bodice, a full gathered skirt and drop shoulder neckline. Her accessories were white pumps and a small white lace straw hat. She wore a dainty gold chain at her neck and carried a small white Bible tied with a corsage of white rose buds.

Both mothers wore pastel green suits with dark accessories. Mrs. Betty Eckelberry sang "Because" accompanied by Mrs. Marie Guthrie at the organ and Mrs. Guthrie then rendered soft sweet music during the short service.

The reception followed immedi-

ately in the church parlors. Mr. Thomas Root was present with business school friends. The bride and groom at the bridal table cutting the first piece of wedding cake. Mrs. Byron Ream then took charge of the reception assisted by Miss Patricia Darling, Miss Dolores Yutzy, Miss Kayroll McGinty and Mrs. Betty Eckelberry. A dainty lunch of wedding cake, punch, wafers and mints was served.

The bridal couple left Sunday evening for Pittsburgh where they would stay overnight, departing Monday morning for Lewisville, Pa., to spend the week visiting relatives of the bride near Lewisville.

The new Mrs. Ream is the daughter of Mr. and Mrs. John Bradford and a member of this year's graduating class. The groom is the son of Mr. and Mrs. Ralph Ream, a graduate of the class of 1944, Plymouth High School, served two years in the Navy and is now employed on the A. C. & T. Railroad as an assistant signalman.

Miss Naomi M. Lawrence United In
Marriage To Gaylord Martin Friday
At Closed Church Ceremony

Friends and relatives from Adair, Cleveland, Ashland, Greenwich, Mansfield, Shelby, Bedford, Shiloh and Plymouth, Ohio, and Dearborn, Mich., attended the closed church wedding Friday evening of Miss Naomi M. Lawrence to Mr. Gaylord W. Martin at 7:30 p. m. in the Plymouth Methodist Church.

Rev. E. R. Haines, pastor, officiated at the candlelight service, using the double ring ceremony and the church was beautifully decorated with palms and baskets of Iris and Orange blossoms.

While guests were being seated by Glenn Strong and William Lawrence, Jr., ushers, a program of nuptial music was presented by Herbert Beeching, organist. Guest soloist was John F. Root, who sang "Because" and "I Love You Truly."

The bride who was given in marriage by her father, was attired in a white slipper satin gown, waist length veil and carried a bouquet of white carnations. Her only jewelry was a beautiful single strand of pearls, a gift of the groom.

Mrs. Beatrice Kochenderfer served as Matron of Honor and wore a blue lace formal with dark rose colored carnations. Her gift from the bride was a rhinestone bracelet which she wore with her costume.

Bridesmaids were Miss Marilyn Lawrence, sister of the bride, who wore an orchid net and lace formal and her flowers were yellow carnations; and Miss Irene Norris, a school mate, whose gown was light green taffeta, and carried light pink carnations. Gifts to the bridesmaids were rhinestone bracelets similar to that of the Matron of Honor.

Flower girls were Karen Ann Ream who wore a floor length gown of crisp white organdy over taffeta and Ruth VanLoon, whose floor length dress was pink over taffeta. Both carried baskets of white flowers. The ring bearer was James Lawrence, a brother of the bride who carried the ring on a beautiful white satin pillow. Best man was Gordon Pickeworth.

Mrs. Lawrence attended her daughter's wedding in a light blue crepe dress with white accessories and Mrs. Martin wore a flowered crepe dress with black accessories. Their corsages were white carnations.

Immediately following the ceremony a reception was held in the church parlors. A four tiered wedding cake with miniature bride and groom centered the at-

in covered table from which refreshments were served with a blue and white motif.

The young couple then left for a wedding trip to Michigan and Canada and upon their return will make their home with the groom's parents, on R. F. D. 2, Greenwich.

The bride is the daughter of Mr. and Mrs. W. L. Lawrence, graduated from the Shiloh School and has been employed at the N. O. Telephone Company. The groom, whose parents are Mr. and Mrs. George Martin of R. D. 2, Greenwich graduated from the Savannah High School and is engaged in farming.

Best wishes are extended the young couple from their many friends.

GAS HEATING RESTRICTIONS
DO NOT EFFECT THE USE OR
SALE OF GAS HOUSEHOLD
APPLIANCES OTHER THAN
SPACE HEATING

Since our announcement of the necessary continued restrictions against accepting additional gas space heating for the coming heating season, many customers have inquired as to how this affects other uses of gas.

Gas ranges, water heaters, refrigerators, laundry dryers and waste incinerators are not affected. Employed for their intended purposes, these appliances use no more gas on a zero day than on any average winter day. Thus, they do not create peak demands for gas on the zero days when heating gas is at a premium.

The average family can cook or refrigerate with gas for 60 days with approximately the same amount of gas needed to heat one home on one zero day. By like reasoning, water heating with gas can be accomplished for 48 days with this amount of gas.

The large majority of sales of gas ranges and water heaters goes to replace outmoded equipment. If the user does not increase his demands on the new appliance, he likely will save gas through its improved efficiency over the old.

Such appliances constitute what we call our "base load," with somewhat steady demands for gas the year 'round. It is this year 'round use of gas that helps hold down the cost, and offers supporting reasons for our contracting huge additional amounts of gas for the years ahead.

Furthermore, the gas heating restrictions do not affect the sale of replacement gas space heating equipment, providing the new equipment does not exceed the capacity of the equipment replaced. Modernization of old gas space heating equipment often gives better heating service with a reduction in amount of gas used.

One of the purposes of the recent continued restrictions in the use of gas space heating was to protect the service to those who depend on gas for general household purposes, as well as those already using gas for space heating. The relatively small additions in gas supply in the picture for next winter should offer improvements in service over last winter even with the same severity of weather.

Kroger

Do you know that in 1947 Kroger made only 1 1/2 cents profit for every dollar of sales? Kroger was founded and grew on the principle of selling close to cost. And Kroger's policy is particularly important to you in these high-cost-of-living days.
