READ THE REASON: Unable to give needed time and attention, both to the operation of this store, and other business interests, I have decided to quit THE RETAIL FURNITURE BUSINESS. This decision is regretfully announced, for I have enjoyed many pleasant contacts with the families of Shelby and Central Ohio and have found among them genuine appreciation of my business policy of dealing only in nationally known finer quality furniture lines. This store has never known dramatically staged "sales" — this announcement then gives its own positive assurance of a genuine GOING - OUT - OF - THE RETAIL FURNITURE BUSINESS SALE — of bona fide price reductions on every article throughout the store. Participation in the SAVINGS OFFERED is extended to friends and customers, old and new alike:—"my loss is your gain." I take this opportunity also to express my thanks for all past patronage and kindnesses accorded me. (Signed) R. L. ULMER.

\$3.60 Wheat...

Would be talked about over every line fence in the country but when feed prices tumble it's so gradual most folks miss what really has taken place.

LARRO, "Farm Tested" feeds are among those that have dropped the most since the high of earlier in the year. For instance,

LARRO 20% Dairy	has dropped	\$27.00 a ton
LARRO Broiler Mash	has dropped	\$21.80 a ton
LARRO Egg Mash	has dropped	\$25.80 a ton
LARRO Chick Builder	has dropped	\$27.30 a ton
LARRO Sow & Pig	has dropped	\$24.40 a ton
LARRO 40% Hog Concentrate		\$30.90 a ton

LARRO prices today are as low as many cheap feeds that lack nutrient balance. But, low Larro prices in no way reflect any attempt to lower the HIGH QUALITY proven by "Farm Testing."

THIS WEEK IN SPORTS

The Plymouth Merchants baseball team has been inactive this past week, but they hit the baseball trail again tonight as they journey to Nova to meet the Nova Merchants.

Well, the baseball season is all over for most of the American Legion Junior baseball teams all over the nation, and this includes the Plymouth team. But let's look at the record and see how the local team made out during the recent campaign. In the first game of the season they squeezed by Shelby 8-7. Next the Plymouth team took a licking from Willard 10-4, which was the only defeat of the season. Then they journeyed to New London and had a field day as they hammered out a 13-1 victory over the Legion Junior team there. Following this they went to Willard where they battled to an 8-1 tie in 8 innings. This game was then played off the following day at Plymouth and the Plymouth Juniors emerged victors by the score of 3-0. Shiloh was next on the list and they gave the local nine plenty of trouble, but Plymouth managed to slip past them 2-1. Then New London came to Plymouth and the Plymouth team beat them 5-1. The highlight of this game was Louie Root's home run over the left-center field fence. The game was the final game of the season with Shelby. It was a close game all the way, but Plymouth pulled it out of the fire, winning 3-2.

The totals on the season figured out at seven wins as against one loss and one tie decision, which is a creditable record any way you look at it. Rev. Paetznick did a very good job as coach of the team.

The football uniforms will be passed out at the school this afternoon. The date for the opening of football practice has been moved up to Monday morning, Aug. 23rd. Practice will get under way at 9:30 a. m. and there will be practice sessions both in the afternoon and morning for the first three days and after that just once a day.

Here and there the Shelby Blues took a sound trouncing from the Shiloh Legion baseball team as the Shiloh nine hammered out a 15-2 triumph... in the recent Indiana - White Sox four game series at Chicago, the Sox were able to score only four runs, although they collected 31 hits... Pat Serrys has hit 15 home runs for the White Sox since he left the Indians... the Shelby All-Stars defeated Mansfield German Ruff 4-3 in a benefit softball game Monday evening at Shelby... the U. S. Olympic team capped 38 first places as they ran away with the 1948 Olympic games.

DID YOU KNOW? The Williams predicts that he will break Babe Ruth's home run record... that Carl Furillo's throwing so impressed Manager Burt Shotton of the Brooklyn Dodgers that he nicknamed him "Big Boy" and that the highest score ever recorded in a World's series was the 18-4 pasting the Yankees slappers on the Giants 1936... that the last triple-header played in the majors occurred Oct. 2, 1920, between Cincinnati and Pittsburgh with the first game starting at noon... that Stan Musial broke into baseball as a pitcher... that there has never been a fair ball hit out of Yankee Stadium... that Joe DiMaggio received \$7,500 for his first season (1936) with the Yankees and now that sum would hardly make a down payment on his income tax.

THOUGHT FOR THE WEEK - Take the "s" out of fast and that's what Bob Feller's fast ball has looked like to a lot of batters this year.
