FOR IMMEDIATE DELIVERY

YOU'VE heard a lot about new power plants now being built and how they'll make more electricity for you tomorrow.

It's all true. We are expanding facilities at a rapid rate. But there's a certain underscore of rumor—natural enough, but sheer rumor just the same. It concerns the reason for this new construction: If new plants are being rushed, some seem to figure, it must be to outstrip some "power shortage" that exists or threatens today. That part just isn't so.

This company is anticipating your future needs. But it also has all the power you need right now... today.

Fact is, we have men out constantly, calling on industries and homes and farms in person, selling them power "for immediate delivery."

Through printed advertising like this, we're telling our present customers that we have power for sale... more power than they're now using... extra power they could use to their own advantage.

We advertise nationally, too. Industrialists outside our service area are repeatedly told about the benefits of locating here. Through magazine ads and direct mail, we stress the natural and human resources of our territory, its proximity to materials and markets... and the abundance of low-cost, dependable electric power.

Power shortage? Not in any of the communities we serve! Greater demand, yes. The demand's been greater every year since the war. But every year we've met the demand in full. We've got power for sale aplenty.

Beautiful Reception Marks
50th Anniversary For Roots

Mr. and Mrs. John A. Root whose fiftieth wedding anniversary was an event of Thursday, Sept. 29th, greeted approximately five hundred friends and acquaintances at their old home place on Railroad Street now occupied by their son, James and family. Open house was held from 2 to 5 and 7 to 9 p. m.

Assisting Mr. and Mrs. Root were their children, Mr. and Mrs. John F. Root, Mr. and Mrs. James, and their sister-in-law, Mrs. Anna Fite.

Many lovely baskets of yellow mums, roses and other beautiful flower arrangements had been received by Mr. and Mrs. Root and placed throughout the rooms. One basket contained fifty beautiful

yellow roses, one for each year of their married life. Besides the flowers, they were remembered with cards, and lovely gifts, all suggestive of their golden wedding. Refreshments were served from a table covered with a fine white wedding cake beautifully decorated. Gold colored tapers in high silver candelabra were at either end of the table and a lovely cream and gold linen cloth and a gold and silver service made a beautiful display.

The refreshments, served by the McNulty Doyle, caterers of Cleveland, consisted of ice cream molded in roses, bells, hearts or slippers, white and gold cake, nuts, bonbons, Sunset punch and coffee. White napkins were imprinted in

gold "Joie and John."

Married In Plymouth

Mr. and Mrs. Root have lived here many years. Mr. Root was born and reared in Medina. The wedding took place in the home of the bride's parents, Mr. and Mrs. John D. Fate, with Rev. J. A. Andrews, at the time, pastor of the Presbyterian church, officiating. Both are in good health. Besides their sons, they have six grandsons, John, Louis and Larry, sons of Mr. and Mrs. John F. Root, and James Carl, Benny and David Roger, sons of Mr. and Mrs. James Root.

Out of town guests were present from Cleveland, Columbus, Marion, Mansfield, Akron, Sandusky, Shelby, Bucyrus, North Fairfield, Ashland, Vermilion, Willard, Shiloh, New Washington, Troy, New Haven, Brunswick, New London, Ashland and Garret, Ind.
