

Shiloh School Board Takes First Step Toward New School

\$170,000 BOND ISSUE MAY COME BEFORE

VOTERS IN THE NOVEMBER ELECTION.

The first step for a new school in Shiloh was taken Monday night when the Board of Education approved and passed a resolution declaring the need and necessity for a new 10-room structure. Citing the needs for a new building, the resolution also carries other detailed information regarding costs, tax rate and valuation which the state and county auditors must approve before the board can make further moves.

In the event that the resolution gets approval of the state and the county auditors, it is very likely that voters of Shiloh and Cass township will vote on a \$170,000 bond issue this fall. According to Ronald Howard, member and clerk of the board, there is quite a bit of preliminary work to be done before the issue is placed on the ballot, but there is little doubt but what the issue will be put up to the voters in the November election.

The school situation in Shiloh has been a perplexing one for several years. During the war years high school attendance was off which made per pupil cost unusually high. In order to overcome this extremely high cost vocational education in the school was eliminated. The building which was used for instruction in this course was turned into classrooms. During the war years classes in high school dwindled down as low as eighteen students. However, with the close of the war and the few years that followed, the over-crowded under-grade school increased the attendance in high school to an all time high. And today, the

FOOTBALL SQUAD OPENS PRACTICE

The football training grid began Monday for twenty-three candidates for the Plymouth High school football squad, with at least three more to report.

Coach McMillen is putting the group through a practice between the hours of 5 to 7 p. m. daily.

This morning, Thursday, the county league will be presented to give a physical examination to the boys. After the exams insurance will be arranged.

This year's schedule calls for seven games, the first game announced for Sept. 16th with Norwalk St. Paul's.

235 Cases Handled At Cancer Clinic

SHELBY—The Shelby - Plymouth - Shiloh Cancer Detection Clinic at Memorial hospital here has handled a total of 235 cases since its beginning on Nov. 13, 1947.

Of the total cases handled only three suspicions of the dreaded disease were noted and only two were determined positive.

The clinic does not treat cancer. It determines whether cancer is present or whether the suspicion of cancer is not a positive patient is referred to his or her family doctor.

Miss Josephine Hoover, superintendent of the Shelby hospital, said the physiological effect of the diagnosis is a tonic in itself. When the patient discovers his or her reactions are negative the feelings of apprehension are dispelled and the fear which they approached the clinic is arrested.

Under the direction of Dr. Harry A. Duncan, retired associate professor of gynecology at Temple University, the clinic provides a means for those whose financial situation cannot afford this type of service since the clinic is operated on a voluntary basis and the patient gives what he is able.

Miss Hoover said there would be no clinic in October and the clinic would be resumed in November.

PRESBYTERIANS TO HOLD CHURCH SCHOOL PICNIC

The Presbyterian church school is giving for all church school and church members a picnic supper. It will be held Thursday, August 25th at the Mary Fats Park. Supper is scheduled to be served at 6 p. m. with recreation to follow.

Attendees are asked to bring a well filled picnic basket and own refreshments. Drinks (that is lemonade and coffee) will be furnished. You may also bring a friend and good appetites for there will be plenty of good food for all.

MARRIAGE LICENSE

Kathryn E. Wilson and Ernest Fay Burkirk, both of Tiro, have received a marriage license at the Crawford county court house. The bride-elect is a teacher and Mr. Burkirk, a locomotive engineer.

Kindergarten Opens Monday, Sept. 12th

Mrs. H. H. Fackler who has successfully conducted a kindergarten in Plymouth for a number of years, announces that the school will be open on Monday, Sept. 12th for the Fall term.

The four year olds will attend morning classes from 9:30 to 11:30 and the five year olds will attend afternoon from 1 to 3 p. m.

Supervised play periods, songs, games, dramatizations, folk dances, stories and handicraft will occupy the hours for the little tots.

18 Complete Reading Club; Receive Awards

Thursday afternoon a picnic at the Mary Fats Memorial park marked the close of the summer reading club here in Plymouth for fifteen children who successfully completed their reading requirements.

All eighteen received certificates from Mrs. Lois Pennell, county librarian. She indicated the number of years the child has participated in the summer reading program.

In addition, three girls received books, two boys having completed their third summer, Bette Carter and Carol Jo Cunningham and Phyllis Arlene Willet for completing their seventh year.

These books containing their name plates are read by the children and then presented to the library.

Holding the record for the long participation in the reading program were Joyce Bowman and Janet Robertson, both of whom completed their eighth year. Suzanne Farrar and Marie Mueca completed their seventh year.

Reading with the close of the summer program.

Others receiving certificates included Shirley Kay Donnemith, Emily Rose Ford, Connie Bowman, Jimmie Hunt, Jack McQuate, Alice Jean Mueca, Lucille Newmyer, Georgianna Pitzer, Leanna Shields, John Fetters, Jeanette Jones.

Although it rained most of the afternoon there was a good attendance for the picnic. Mrs. Belle Bachrach, president of the local library board and Mrs. Lois Pennell were guests. The Plymouth library board furnished ice cream and cake for the annual picnic.

New Books—Four class members and an auditorium were added.

Now, after twenty-seven years without alterations or additions, the present building is no longer suitable for housing the growing and reading pupils who crowd into its classrooms daily.

School and classrooms equipment, toilet facilities and other features that go to make a sound school life healthy and happy are far behind modern day standards. Despite the handicap of overcrowding, the superintendent Randall Hartley and his teaching staff have maintained a high degree of efficiency in mental attitude of the students.

Having taken the first step in securing a new school building for Shiloh, there is little doubt but what wholehearted support will be given the school board by the community.

TO LIST DELINQUENTS

Announcement of the publication of delinquent taxpayers on Sept. 1st and 8th has been advised. In addition to the advertisement, Huron County Treasurer H. B. Collier has notified all delinquents of this publication. While the total amount of delinquent taxes is down over last year, there are more individuals delinquent this year.

SHELBY WORKER DIES SUDDENLY

Mr. Braden, a typewriter at the Shelby Salesbook factory died suddenly Tuesday morning of a heart attack while at work. He had been an employee of the Salesbook Co. for several years.

Surviving include his widow and one daughter Mrs. William Gates both of Shelby.

GUEST SOLOIST AT METHODIST CHURCH

Miss Kathleen Paulin of Doylestown will be guest soloist Sunday morning at the Methodist church. Miss Paulin is a major in the voice at Muskingum College where she is in her junior year. She has frequently traveled with the Colby choir and has been featured soloist. She is the daughter of Mr. and Mrs. Cedric Paulin.

LOCAL GIRL FEATURED ON DEPOT PROGRAM OVER RADIO STATION

"WORLD PEACE — FREEDOM AND PROSPERITY" was the subject of the regular program over Station WWS, Wooster, Tuesday evening, August 23rd sponsored by the \$31st AF Specialized Depot, Shelby, Ohio.

During the program Miss Mary Alice Weller, a music major at Ohio State University and a senior this coming year, presented two vocal solos: "It's a big, wide, wonderful world" by John Kern, and "Look for the Silver Lining" by Jerome Kern.

Next week's program, Tuesday, August 30th will feature the town of Dalton.

Daring Stunts At Huron County Fair

NORWALK—Motorcycle maniacs who take far greater risks than the general public can imagine even after seeing movies of daring hill-climbing events held in various sections of the country will attempt a super-thriller in the Aerial Criss-Cross as one of the twenty-seven features to be staged by World of Beauty, the champion Auto Thrill show at the Huron County Fair here Saturday afternoon and evening, Sept. 17th.

Jackie Cornell and Jimmie Walker, graduates of the daring hill climbs, will attempt the criss-cross, which calls for split-second timing as well as courage and riding skill.

Cornell and Walker start side by side and speed around the oval track. Cornell then sends his machine up a high ramp and off into the air. The judges guide his machine directly under Cornell's hurtling cycle.

Raise Street, Walk Level

Improvements were started on Spring street this week which call for the raising of the roadway and sidewalk. The project was approved by council at a meeting Tuesday evening, and the estimated cost is set at \$495.00.

There is to be a 9 1/2 inch grade starting at Sandusky street and gradually tapering off about half way to Fort street. The sidewalk will also be raised and curbing placed to take care of surface water.

A layer of gravel has been placed on the macadam road and this will be wet and packed, and a black top mixture will be laid over this.

Luckies have had some difficulty in finding sewers in which to tap a main for draining off surface water. The project will probably be completed some time next week.

ELIGIBLE FOR PAROLE

NORWALK—Notice has been received by the Huron-co. common pleas court that three men sentenced to the Ohio state penitentiary or reformatory from this county are eligible for hearing before the Ohio pardon and parole commission at its Oct. 1st meeting.

The three are: Harold M. Hayes, re-hearing; Otis Berg, Willard, sentenced one to 20 years on a statutory charge; and Thomas, sentenced same term on a manslaughter charge.

OPERATES ON ARM

Mrs. Harry Griffith of Shelby Row is recuperating from an operation on her left arm for a calcium deposit.

House Numbers Approved

The renumbering of the village was requested by the post office many months ago, but the request didn't include a complete survey. The post office department doesn't recognize any one by name as it did years ago in the distribution of mail, but a system of numbers has been adopted all over the country instead.

According to Mayor Robinson, there will be no further official numbers issued than the one that was chalked up on your front door. The mayor asks the cooperation of all residents in the placing of a legible number where it can be seen easily and located from the sidewalk.

It is important that residents notify publishers, stores, and retailers of their change in house numbers.

The cost of surveying and plotting the numbers is estimated at approximately \$3,000 or \$6,000 per home.

Announce Wheat Allotments

A 1950 wheat allotment of 34,490 acres for Huron County was announced today by the county Agricultural Conservation Committee.

This represents Huron county's proportionate share of the national wheat acreage allotment of 68.9 million acres for the crop that will be harvested next year. Mr. Finlay county committee chairman explains.

The national allotment is the acreage that at normal yields will produce an amount of wheat which together with the expected carry over next July will supply contemplated domestic and export requirements and provide safe reserve.

"Individual farm allotments, based on acreage and production records over the past several months, have been established," Mr. Finlay stated, "and notices to growers have been mailed from the county office."

Acreage allotment are not an enforced limitation on production, but provide a limitation on Government expenditures for price support beyond the national interest. Only those farmers who seed within their farm allotments will be entitled to price supporting commodity loans or purchase agreements on their 1950 crop.

New Hours Set For Selective Service

MANSHFIELD—The hours of duty of the clerk of the board of selective service were announced effective August 22nd. The hours will be 9 to 12:30 and 1 to 3:30 p. m. Monday through Friday and 9 to 12:30 on Saturday.

All boys becoming 18 years of age must continue to register. All boys discharged from service who have not registered under the present act, born between August 30, 1922 through present date on 1931, must register.

The board must be kept informed of changes in address. Information can be mailed in.

HOME FROM HOSPITAL

Mrs. Helen Row was released Sunday from the Shelby Memorial hospital and taken to the home of her son William and family on Sandusky Street.

Bible School Program Sunday At Shiloh

The Shiloh Community Vacation Bible School program will be held August 28th, Sunday 7:30 p. m. at the Methodist church.

Participants will present some of the work that has been done during the week in song, Bible verses or Bible stories.

There has been an increasing attendance daily with a registration of fifty-two on Monday.

The following teachers and helpers have assisted in the Bible school.

BEGINNERS—Teachers: Mrs. Huston, Mrs. Company, Mrs. Glenn Swanger, Mrs. Dewey Hammon and Mrs. James Parker.

PIANIST—Mrs. Barnard.

HELPER—Mary Kiersey.

A cordial invitation is extended to everyone to attend the program Sunday evening.

FUNERAL WEDNESDAY IN GREENWICH FOR TRAFFIC VICTIM

GREENWICH—Funeral services were held Wednesday at 1:30 p. m. at the Bender funeral home for Mrs. Louise King, 58, of Erie.

Greenwich who was fatally injured Sunday when the car she was driving, which was headed for Greenwich on the Ninevah road, was hit by a truck coming east from Tiffin at the intersection of Route 224.

Officers said she was starting on a fishing trip and apparently drove onto the federal highway in the path of the truck. She sustained a fractured skull and broken neck.

The truck driver, Nolan F. Greeter, 30, of Tiffin, escaped injury.

Represent County At Ohio State Fair

Walter Will, 17, son of Mr. and Mrs. Clair Will, Shelby R. D. 2 and Miss Carolyn Snyder, daughter of Mr. and Mrs. John Snyder of Sandusky were named as the representatives of the Junior Fair next week. Richard Taylor, 13, and Beverly Dine, 13, both of Shiloh, were chosen as the health and beauty queens of the Junior Fair held Thursday, Friday and Saturday in Mansfield but are too young for the State Fair competition.

Others chosen to go to the State Fair as the result of their showing at the Junior Fair include Joan Brook of South Boulevard who will exhibit a sports outfit and a member of the Junior Fair who will exhibit a complete costume.

Girls chosen to model were Wynne Barr of the Classy Lassies, Lucas, who will model a sport outfit and Ruth Wolford of R. D. 2, Greenwich, member of the Sew Club who will model a "dress-up" costume.

The complete costume review exhibitor at the State Fair will be Sheryl Holmes of the Merry Stitches, Mansfield, R. D. 1 and the College Girl complete costume review exhibitor, Ann Sir Louis of the Happy Homemakers of Weller township.

Announcement of winners in the costume review contest by county agent C. N. McGraw and Miss Mable Spray, home demonstration agent.

Junior Fair Area Winners

The Richland County Holstein Breeders' association award, at the Junior Fair was won by Ronald Cline of the Ohio Farmers club. He received \$7 and a model of a Holstein cow with the award based on the individuality of the animal shown.

Hershel Smith of Sunnyside Farmers won third place and \$3 in the dairy gilt contest. The Ashland-Richland-Wayne County Duroc Breeders' association awards were presented on the basis of individuality.

Maynard Livesey of the Sunnyside Farmers won \$1.75 and eighth place in the special fat barrow class.

Maurice Hartz of the Ohio Farmers club won third place and a show halter for the special showmanship award contest.

Around THE Square

By Phyllis Whittlewood

This is a tale about the fish that didn't get away — in fact 100 pounds of the most delicious fresh fish, filleted, you ever saw will be served tomorrow night, Friday, August 26th at the Mary Fats Park. All you have to do is buy a ticket for \$1.00 and you can have all the fish you can eat, plus cold slaw, potato chips, bun, and coffee.

Ed Ford and Luther Brown are going to be the cooks and both have had experience in frying them just right — that golden brown that seals the flavor in and makes the most tempting sandwiches. Serving will begin at 6 o'clock, cafeteria style.

The fish fry is being sponsored as a benefit for the Boy Scout trip and with good weather promised, a record turnout is expected. Tickets have been on sale the past week or so, but you may also buy your ticket at the park.

In the past, the troop has relied on the sale of scrap paper, but that is a thing of the past, and new sources of revenue have to be found. So come out to the park, have a good meal, meet your neighbors, and friends and enjoy our beautiful park. You can't possibly regret it.

While there was no morning worship service at the local Lutheran church last Sunday, a number of the congregation had the privilege of hearing Dr. Richard C. Wolf of Gettysburg, Pa., via the radio. Dr. Wolf is substituting at the Ashland Lutheran church during the absence of their pastor the service being broadcast.

FIVE EXTRA nice fox terrier and beagle pups, approximately five weeks old, are in the market for a home. Mrs. Glenn Moore who resides on the Fenner Road, west of Plymouth, is willing to give them away to anyone who will give them a good home. They make very nice pets and aren't too large for small children.

WOE IS ME! It's going to cost more to mail newspapers and magazines in the not too far distance. No decision has been reached yet on the size of the increase. Rep. Miller (D) calls states there will be a general increase on second and third class mail matter.

S. C. McDONOUGH of Shaker Heights, a native of Plymouth, was featured in an article last week in the Cleveland Press on Baby-Sitting Grandfathers having time for their lives. He is pictured with his granddaughter, Mary Ellen McDonough, 8, daughter of Mr. and Mrs. Norman McDonough who was teaching him new card tricks.

BARRY FETTERS, young son of Mr. and Mrs. Luther Fetters, is quite a newspaper fan and delights in seeing his name in print. He thought perhaps we'd all be interested in knowing he has a fine dog, that it can jump six feet and is a "bad, bad, bad" dog. — whoops — Beware cat owners!

A LITTLE TOWN

I like to live in a little town. Where the trees meet over the street.

You wave your hand and say "Hello" To every man that you meet.

I like to stop for a minute Outside of a grocery store; And hear the kindly gossip Of folks moving in next door.

For life is interwoven With friends you learn to know; And feel their joys and sorrows As they daily come and go.

So I'm glad to live in a little town. And care no more to roam; For every house in a little town Is more than a house—it's home!

Our sincere thanks to the Unknown author

Plymouth Grange Day At County Home

Sunday, August 21st was a day apart at Richland County Home Mansfield for the Grangers of Richland county to spend the day with the inmates of the home. The dinner was taken in by members of different granges and the tables were carefully filled to capacity with the best of everything. In the afternoon a very nice program of readings and music was given.

Those from Plymouth Grange attending were Mr. and Mrs. Glen Frakes, Master and Lecturer of Plymouth Grange; Mrs. Kit Forker, Miss Nina Predmore, and Miss Heubeger and Mr. Frank

Amund. The young ladies entertained with two numbers on their accordions and Mr. Amund played some old time fiddle music. We feel these people of the Home greatly enjoyed their day as well as those attending.

Norris Family Hold Reunion at Clyde

There were thirty-six members of the Norris family who gathered Sunday at the park in Clyde, O., for their annual reunion. New Haven Teacher Married In Willard

Miss Irene Arce chose a formal gown of heavy, ivory satin when she and Mr. Richard W. Fink exchanged nuptial vows in a ceremony before the altar of the Trinity Lutheran Church at 2 p.m. Sunday afternoon, August 14th, with Rev. G. C. Heffelfinger officiating. The church was decorated with two large baskets of glads, lighted candles, altar and satin ribbons marked the pews for the immediate families.

Preceding the ceremony a program of nuptial music was presented by Miss Rose Kinnear of New Haven, and canticles were lighted by Carol Fink, who wore a white organ dress over yellow taffeta.

The bride given in marriage by her father was lovely in her gown made with net yoke, lace bertha, and long sleeves ending in points

over the hands. Her tiara made of net held in place a finger tip veil of illusion. She carried an arm bouquet of white roses tied with white satin streamers.

Miss Mary Louise Fink, sister of the groom was bridesmaid and wore a blue marquisette gown, designed like the bride's, with matching picture hat and carried a bouquet of pink roses.

Clifford J. Fink, brother of the groom served as best man and guests were seated by Calvin and Roger Beamer, cousins of the groom.

The mother of the bride was attired in aqua crepe with white accessories and a shoulder corsage of white roses. The groom's mother chose a black and white print dress with black accessories and wore a pink rose corsage.

A dinner was served at the groom's parents' for the bridal party and immediate family, following the ceremony, and after September 1st the young couple will be at home in Tiffin.

The new Mrs. Fink is the daughter of Mr. and Mrs. Peter W. Arce of Tucson, Arizona and has been teaching in the New Haven Schools. She is a graduate of the Tucson schools and from the University of Arizona and University of New Mexico.

Mr. Fink is the son of Mr. and Mrs. Walton Fink of New Haven, a graduate of the Willard schools and attending Tiffin University.

Notes From Readers

Along with checks for renewals to The Advertiser, we find several interesting notes from various subscribers. Recently, we received a few lines from Frank Graham of Cove Orchard, Oregon. Mr. Graham writes:

"Until July 29 I have been a patient in the hospital at McMinnville, Ore., for the past two months, been operated on for an abscess in the abdomen, but am now recuperating in the hills, returning to Cove Orchard in a week or so.

"During my illness The Advertiser accumulated. However, when I was able to look them over recently, I was inspired by Alex Spear's letter, to write you at some future date and tell more about some of Plymouth's pioneer builders as I knew the man my boyhood including, of course, Mr. Sol Spear. There were many grand old characters whom I am sure merit our admiration, and doubtless the present day citizens of Plymouth will be glad to know about. By that time I trust my hand will be able to master a pen. My love to everybody in and around Plymouth.

"Very sincerely,

Frank C. Graham"

Mr. Graham should be able to "go way back" and relate some of the incidents in Plymouth that happened a half a century ago. He left the village when a very young man, going to Colorado, and then into Oregon. He has had a very successful life, and there are many of us who will be waiting for his letter.

We're glad to hear from Mrs. Thelma (Fox) McDaniel, who tells interestingly of her home and the work she is doing. Before her marriage Mrs. McDaniel was employed at the Fate-Root-Heath Co. Her many acquaintances here will be glad to hear from her. She says:

"I thought you might like to know that my husband, Sgt. Luther C. McDaniel, is being sent overseas. Reports to embarkation point, New Orleans, August 25th for shipment to someplace in the "Antilles Command". He thinks it may be Puerto Rico but secrecy still covers a part of it so that is all he will know until

he gets to Birmingham. I mean New Orleans. Why I said Birmingham is because he is stopping off a few days in Birmingham, Ala. to see his folks, also will visit in Atlanta with my brother Carl and his wife and family. When I saw we were not going with him, tho if housing conditions are favorable, also the climate, we may go later. I took a job with the Sunflower Ordnance which is keeping it intact. I understand it is the largest Ordnance plant in the country. Working hours are excellent from 7-4:15. Am home by 4:30. The children are kept in the day nursery at Sunflower and the gentleman who takes me to work also takes and brings them from the nursery (we pass it anyway). Plant located about 1-1/2 miles from Sunflower proper. We don't expect my husband to be gone more than 14 mos. as his present enlistment is up in Jan. 1951. I probably would have gone to the West Coast for my folks but since Bob was just released from Navy Hospital in June and his lungs still show "positive" feel it is no place for 3 young children to be.

I am Nursery Supt. of Community Sunday School here which keeps me busy on Sunday as some classes are held in grade school and some in the Community Bldg. and those in Community Bldg. you have to put chairs up, take them down, close all windows, shut off lights & lock all doors (about 6 involved) so it is a job no one is too fond of tho I really don't mind. My children attend Sunday School each Sunday and thrilled of course. They surprise one by what they learn and understand about what is being taught.

I really read the Advertiser from cover to cover each week and while many names are new, there still are many old names and so I keep informed that way. Changes come so fast of course and it doesn't quite seem possible all the Ross boys are married.

I do hope this finds you not working too hard (tho I know you are) and you and your family in the best of health. Enjoyed reading your account of your trip down South.

Sincerely
Thelma (Fox) McDaniel

Community Sale at Shiloh This Saturday

The committee of Shiloh Mount Hope Lutheran church has done a splendid job in promoting the Community Sale, which will be held on Saturday, August 27, starting at 10 o'clock in the morning.

Many items have been listed on the sale bill and also below, but there are others coming in daily. The sale is to be held at the J. B. Zeigler barn on Pettit street in Shiloh, and the public is invited to attend.

Among the articles already listed for sale are: a new John Deere 60-tooth harrow, a line spreader, like new, lawnmower, good Hestrola, coal and wood ranges, platform scales, baby bed, circulating gas heater, roll-top desk, 2 ice boxes, 25 & 100 lb. Majestic porcelain coal range, several beds, No. 12 Delaval separator, Westinghouse temperature control for warm air furnace Taylor Tot, folding baby buggy, high chair (converts into play table); play pen, gas range, Victrola, gas water heater, 7-ft. step ladder, post hole digger, maul, a screen door, double bit ax, wood carder, pitch fork, hand sprayer, hand car pet sweeper, riding plows, 6-foot mower, 2 coal ranges, hard coal brooder stove, wheelbarrow, grass seeder, all kinds of chairs, 50-gal. oil drum, library table, large mirror, Hoover sweeper, tank oil heater, rugs, table lamp, small electric brooder, Peacock dishes, Holly wood 3-4 bed, 6-ft. Deering mower, set of 14-in. John Deere plows, two-bottom plow, one horse cultivator, baby chick feeders, feeding mash feeders, egg mash feed-

ers, several 2x2 used benches, 3 hog lanagers, electric iron, electric mangle, new combination radio-record player. More coming in daily.

Space does not permit a complete list, so check the sale bills. Lunch served on the grounds.

Ram Day In Greenwich Aug. 25

The Purebred Ram Sale which is held each year for sheepmen interested in purchasing rams for their flocks will be held Thursday, August 25th, at the Greenwich Lamb Pool Yards. Purebred rams have been purchased by the Ram Committee and will be graded by L. K. Bear, Extension Animal Husbandman, Ohio State University, before they are offered for sale. These rams have been selected on the basis of their quality and type comparable to breed.

The Huron-Richard Lamb Pool was organized to provide a market outlet for top quality lambs. Since

the ram is fifty percent of any farmer's flock of sheep, the committee believes that Ram Day is the most important single event of the year. All sheepmen interested in purchasing purebred rams should be present on Thursday forenoon, August 25th.

A Lamb Pool will also be held on the same date. Any farmers desiring to have their lambs sorted prior to the Pool should contact the Agricultural Extension Office.

Return From Canadian Trip

Mr. and Mrs. Ronald Howard returned home Monday after a two-weeks flier trip. Their itinerary took them to Buffalo, N. Y. where they were joined by their cousins, Mr. and Mrs. James Bailey. They visited in Toronto and other Canadian points. Following a brief visit in this section they motored as far West as Des Moines, Iowa. Enroute to Shiloh, visited friends and relatives in Springfield, Illinois.

Mr. Howard reports excellent crops in the West. Corn and soy beans are exceptionally good. Many bins are full of 1948 corn and with a bumper crop this fall, additional storage space will be required. "Farms and crops are the best I've ever seen," said Mr. Howard.

Mr. and Mrs. Bailey spent a few days at the Howard home, leaving Wednesday for their home in Buffalo.

Cut Your Feed Costs in Half

BY COMBINING YOUR OWN GRAIN WITH
USE SWIFT'S CONCENTRATE

Swift's 43% Swine Concentrate

to get fast growth on your pigs. This concentrate contains lots of tankage and minerals and will give you the most for your money.

35 lbs. Concentrate and 6 1/2 bushels of corn will produce 100 pound gain. Feed free choice or mixed with your ground grain.

SWIFT'S CONCENTRATE USE

Swift's 37% Poultry Concentrate

combined with your own grains to make laying mash. 1500 lbs. of your grains, plus 500 lbs. Concentrate ground and mixed will make a rich 20 percent Egg Mash, that will make pullets lay heavy now while egg prices are high.

Swift's 37 percent Poultry Concentrate contains plenty of animal protein vitamins and minerals to give Maximum production.

Swift's 20 percent EGG MASH CRUMBLES are now available.

OTHER SWIFT CONCENTRATES ARE:

Swift 36 percent Dairy Concentrate
Swift 36 percent Steer Concentrate

We will grind and mix your feeds according to Swift's approved formulas.

FILES SUIT FOR PERSONAL INJURIES BUCYRUS—A \$3,663 action for damages has been filed in Crawford county court here by William A. Gearhart Sr., 50, New Washington restaurant proprietor, against Arden F. High, 20, New Washington as the result of an altercation in August, 1948.

Gearhart alleges he was injured seriously during a fight which occurred near the Gearhart tavern. The argument started over High's parking his auto in an alley, obstructing Gearhart's garage, according to plaintiff.

Wanted to thank friends, neighbors and all those who remembered us with cards, flowers, gifts and visits while at the hospital; also the Shelby hospital staff and Dr. Faust. Everything was greatly appreciated.
