GANGING UP ON BOB

Like the seven-year locusts, a horde of political carpetbaggers have been swarming into Ohio for one purpose: to defeat Bob Taft. These outsiders are led on by the heads of the National unions, who have vowed vengeance on Senator Taft because they found out they couldn't push him around. They don't like him because the Taft-Hartley law cuts down their arbitrary power over their own members, the employers and the general public. James C. Petrillo told his union members that they were coming into Ohio to "knock Senator Taft's silly head out of the United States Senate and to keep it out."

The Ohio Federation of Labor reported plans to bring the presidents of A. F. of L.'s international unions into Ohio to campaign against our Senator. William Green, president of the A. F. of L. said: "We'll beat Taft with money," and the C. I. O. and A. F. of L. have been exacting \$2.00 a member from their millions of members, a good portion of which has been ear-marked for Ohio.

But wait, that's not all. It is now also apparent that the Truman administration is going the limit in its fanatical desire to eliminate Senator Taft. High ranking administration officials including cabinet officers and the vice-president himself are joining the union-boss-invasion of Ohio. Secretary of Labor, Secretary of Agriculture, Brannan and many others are determined to tell us how to vote. President Truman himself had planned to stump Ohio and it is only the fear of the violent public reaction against leaving his post in Washington during a war that caused him to change his plans. Vice-President Barkley, however, has been ordered to the Ohio battlefield.

Meanwhile the actual day to day campaign against Taft has been taken over by the PAC. The PAC has pushed the regular Democratic organization aside. They have imported organizers from outside the state to run the show. They control Taft's opponent completely—telling him what to say and where to go.

Most of the avalanche of literature flooding the state is signed by the PAC—and vile stuff it is. The radio programs are theirs and the campaign plan is theirs as outlined in the malicious CIO - PAC book on Taft.

A lot of honest Democrats are fed up and disgusted with the way their party is falling into the hands of the PAC. But, of course, that always was an objective of the PAC—to capture control of the Democratic party. They have already succeeded in Michigan and hope to do the same in Ohio.

The issue boils down to this. Are we Ohioans going to permit these sinister forces to come into our state and tell us how to vote? Or do we reserve the privilege of deciding how we vote?

FIVE YEARS OF SQUANDERING

Senator Byrd has summed up, in telling words, the financial experience of this government since the end of the last war.

"In these five years," he said, "we have squandered the greatest prosperity ever to come to any nation. The Federal government has collected far more taxes than ever before. It has spent far more money on purely domestic-civilian programs than ever before. It has spent far more money abroad than ever before. It has spent far more money for defense than ever before without achieving preparedness. And we have failed to curtail the greatest public debt any nation has ever known."

This is not a matter of crying over spilt milk. It is true that the ghastly waste of the past cannot be retrieved. But the failures of yesterday can serve as a guide for today and tomorrow.

Pending measures, which have the near-unanimous approval of Congress, will bring the cost of national defense alone to \$30,000,000,000 a year and perhaps much more. In the battle for survival in which we are engaged, such costs may continue indefinitely. In the light of this, what conceivable excuse can there be for domestic spending which can either be postponed or abandoned entirely? To take a single outstanding example, all the public-power fanatics are still in full cry with their proposals for billions of dollars for socialized electric plants and facilities. Yet these would not produce a single kilowatt of juice which would not be produced by the heavily taxed, publicly regulated utility industry if it is given the chance.

Many more examples could be cited—including the all-inclusive social security scheme whose cost cannot even be accurately estimated. It is said that the Russians look forward to the collapse of the capitalist nations, particularly the United States, from inner-weakness. If our criminal governmental waste continues, the Russians will eventually be proved right.

PUT YOUR HOUSE IN ORDER

Between October 8th and 14th, Fire Prevention Week will be observed. So it's time to consider just what that week can mean to you.

You can, of course, take a cursory glance at fire prevention posters and news items and promptly forget them. You can doze when a brief fire prevention film is shown at the movies. You can turn the radio to another station when a fire prevention week speaker comes on. Do that, and you'll run a good chance of having a destructive fire—with the ever-present possibility of death and injury—some time in the future.

On the other hand, you can take the week seriously—and give your full attention to the suggestions and advice offered you. Then you can apply the expert knowledge thus gained to your home and other property. As a rule, fire prevention is both easy and inexpensive. It consists largely of such common-sense practices as periodically inspecting heating and all lighting equipment, proper storage of cleaners and flammables, and giving due care to matches and smoking materials. The basic job of the week is to refresh your mind on such matters, and to encourage you to check over fire hazards at this time.

CONGRESS OVERRIDES PRESIDENT'S VETO

WASHINGTON, D. C.—Congress has finally adjourned after voting overwhelmingly to override President Truman's veto of the McCarran Anti-Communist bill. However, resolutions passed by both houses will call the national legislature back on November 27. Many of us opposed the type of adjournment procedure and thought Congress should remain in regular session during the present emergency.

Several unusual things happened during the closing hours. Perhaps the most unusual was the President's message accompanying his veto of the anti-Communist bill.

The Chief Executive sent a personal letter to every member of Congress along with his 5500 word message explaining why he turned down the measure and asking that his decision be upheld.

But little head was given to the President's demand and his veto was overridden by the large majority of 288 to 48 in the House of Representatives. This was 68 votes more than the two-thirds margin required.

CONGRESSMEN UNITED ON VOTE

THE voting clearly illustrates there was no politics or partisanship in the action of Congress. 161 Democrats joined with 125 Republicans in the vote, while 48 Congressmen voted to sustain the veto. The 48 included 45 Democrats, two Republicans (Representatives Burdick of North Dakota and Javits of New York), and one American Labor party member (Vito Marcantonio of New York).

I voted for the anti-Communist bill when it passed the House, voted for the House-Senate conference report on the bill and voted to override the President's veto.

The President was opposed to the legislation while the legislators insisted that Communism in the United States must be given immediate attention and those on the Federal payroll following the Communist party line should be removed.

Many Congressmen believed the President's action was a desperate effort to protect Communists and fellow-travelers now on the Government payroll, who are in a position to seriously undermine American institutions and defense efforts.

BILL WILL RESTRICT COMMUNISTS

THE bill is a definite sign that we are finally going to make certain Communists are treated as traitors and definite restrictions are placed on their activity in this country. I have long advocated this type of action.

The legislation makes it mandatory that Communists and Communist-front groups be forced to identify themselves to the Department of Justice, and in time of war the department would be required to round-up and hold spies and saboteurs.

Not only Federal jobs are denied to Communist followers but also positions in defense plants and on public transportation facilities. It also increases penalties that can be imposed on enemy undercover agents.

The enforcement and administration of all of our laws are under the jurisdiction of the President and his various departmental heads. Its provisions must be closely followed to insure our country protection from subversives who want to destroy our Government.

I sincerely hope, although the President does not agree with this new law, he will see that the proper department enforces it as ordered by Congress and the American people, who have shown themselves overwhelmingly in favor of the act.

Plymouth Telephone Exchange Completes
9,288 Long Distance Calls Last Month

The Korean War and the general inflation which has followed over the past two months has affected long distance telephone calls to a greater extent than most other commodities. John T. Wilson, District Manager of the Plymouth Ohio Telephone Company at Willard, states that the number of toll calls completed by long distance operators at Plymouth has increased by more than 19 per cent since the outbreak of hostilities in Korea. In many of the larger industrial cities the increase in long distance traffic has been as much as 40 per cent.

This big increase in number of toll calls appears to be the result of scarce buying and the scramble of almost all industries and business men to replenish their inventories or safeguard their source of supplies. The volume of toll traffic has exceeded toll circuits out of Plymouth and local operators are encountering an "all circuits busy" report when they attempt to complete calls to larger metropolitan areas. The result is that it now takes considerably longer to complete toll calls because the operators must wait for an idle circuit.

Senior Class Will Receive Plastic Quilted
Bed Spread For Trip-Fund Project

To help the Senior class of Plymouth High School secure the quilted, plastic bedspread offered by the Prizewinner Products Inc., Mrs. Alfred Parkin graciously opened her home to guests on Wednesday afternoon of last week for a plastic demonstration by Mrs. Annamie Hansen, of Bucyrus, O. The first Plastic party was held at the September P. T. A. meeting for the Senior Class, and in order to get the quilted bedspread, four demonstration meetings had to be scheduled by friends of the class. Mrs. Parkin and Mrs. Opal Mock offered their homes, and at the Wednesday demonstration, Mrs. Paul Baker and Mrs. Robert Lewis agreed to jointly sponsor a demonstration, and Mrs. F. Pitzer offered her plastic demonstration in October, so that the Seniors will receive the quilt for sale in the near future.

Guests present at the Parkin home were Mrs. Ervin C. Hindenburg, and Mrs. Chas. W. Oliver, of Shelby; Mesdames W. Wirth, R. Lewis, P. Baker, Mrs. Rose, Raymond DeWitt, J. Schneider, Daisy

September 29 Was Wedding Day

Friday, September 29, was the wedding day of Miss Rebecca Jeannette Keller, 18, daughter of Mr. and Mrs. Judd Keller, and Mr. Wade Garrett, 22, son of Mr. and Mrs. Art Bliss of New Haven, Conn. A. Heffelfinger, pastor of the Lutheran Church, Willard, officiated, using the double-ring ceremony. The rites were solemnized at 8 o'clock in the evening, before friends and relatives of the young couple.

The bride chose for her wedding gown a street length dress of turquoise blue, and her corsage was fashioned of red roses. She wore a single strand of pearls, a gift of her brother, James. Attending were Mr. and Mrs. James Keller, of New Haven, Mr. Keller being the bride's brother. Mrs. Keller, who is the sister of the bridegroom, wore a blue suit for the ceremony, and her corsage was of pink roses.

The bride's mother wore gray, and her corsage was of pink carnations and roses. Mrs. Bliss wore a dress of dark blue, and her flowers were yellow carnations and roses.

Following the ceremony a wedding dinner was served at New Haven for the bridal party. Mr. and Mrs. Garrett will make their home for the present with the bride's parents in Plymouth.

EASY ENTERTAINING

By BETTY NEWTON

A dessert bridge or afternoon tea is an easy way of entertaining, especially when you plan on serving a refrigerator dessert.

Fudge Pie
1/2 C. butter or margarine
2 tsp. (1 oz.) unsweetened chocolate
2 C. sugar
4 eggs, beaten
1 tsp. vanilla
1/2 C. broken walnut meats

Melt butter and chocolate together in a saucepan. Stir in sugar. In a large bowl, beat eggs, slightly; blend in chocolate mixture. Then add salt, vanilla, and nuts. Pour into a well buttered 9-inch pie plate and bake in a 350 degree oven 40 to 45 minutes. Cool and chill in refrigerator several hours or overnight. Cut in serving pieces and serve garnished with sweetened whipped cream or ice cream. Makes 8 to 10 servings.

Coffee Cream Clifton Pie
1 Tsp. gelatin
1/4 C. cold water
1 C. strong hot coffee
1/4 C. sugar
1 beaten egg yolk
1/2 tsp. vanilla
1/2 C. whipping cream
1/2 tsp. sugar
Few grains salt
1 egg white, beaten stiff
8-inch baked pie crust

Soak gelatin in cold water. Dissolve sugar and gelatin in strong hot coffee. Pour into beaten egg yolk. Beat thoroughly. Pour in top of double boiler and cook for 10 minutes. Let cool until gelatin stiffens. Beat until it is fluffy; then add vanilla. Beat cream until stiff and add sugar. Add salt to egg whites and beat until stiff. Fold the whipped cream into the coffee mixture and then fold in the egg whites. Pour into a baked 8-inch pie shell. Chill before serving. (May be prepared the day before.)

The SNAPSHOT GUILD

The photographer who snapped this pretty little girl on her western vacation trip would never have gotten such a pleasing shot if she had been facing the sun.

"Look Before You Shoot!"

IN SPITE of knowing that time and again you're been admonished to "Look before you shoot," ever since the days your mother worried about your crossing the street alone, I want to add another warning of the same type—photographically speaking, always "Look before you shoot!" By this I mean look, really look, closely at what you see in the viewfinder of your camera before tripping the shutter, remembering that what you see there—nothing more, nothing less—is going to appear in your picture. From the looks of some snapshots I see, it would seem that many people expect their camera to be endowed with superhuman powers of discrimination and selectivity. They expect them to eliminate all the undesirable elements that come within the scope of the lens and, at the same time, to reach out and bring into the picture something that is above, below, or to one side of the area shown in the viewfinder.

It is exactly up to you to eliminate the undesirable and to include what

More School Support
The local schools appreciate the cooperation of the village, and we hope that we can meet the expectations of our community.

This week two unsolicited contributions came to the fund, and Mrs. Eldon Nimmme have arranged for the purchase of a new flag for the school band. Mrs. Clayton Williams brought a contribution to my home to be placed in the fund. The money given, is being spent for the purchase of a flag carrying harness for the flag bearer.

It is the wish of the school, that every citizen in our community pay the schools a visit. The schools are your schools. We think you will appreciate what we have a little more after you see it.

Many times the lay person thinks of schools as one round of football games and other athletic contests almost in endless succession, with a couple of class plays, some dances and ending with commencement. That part of school life, while more spectacular perhaps, is not the whole picture. In a sense it is the side show. We list those activities as extracurricular and they are arranged for outside of school time. Behind the scenes, there is real school work being performed. While much new material has been added to the curriculum, we still cling to the fundamental processes that have made our country a literate and thinking nation. Spelling and reading are a part of our school curriculum through the twelfth grade; mathematics, science, English and history are strongly emphasized from grades one to twelve.

It is a credit to the people of a community when they recognize and do something about the needs of their young people.

ON HONOR ROLL
A Columbus—The honor roll of students achieving high scholastic attainments (averages of 3.25 or better) in Ohio State University College of Education during the summer quarter, is announced by Raymond D. Bennett, secretary of the college.
The list includes Ralph Allen Scott of Plymouth and Karl Leo Schlottner of Willard.

BUY PROPERTY
Mr. and Mrs. Paul Baker have purchased the property corner of Railroad Street and Mills Avenue from Mrs. Helen Hoffman and expect to move around the first of November. They are now residing in the home of Dr. and Mrs. C. W. Babcock. Tenants in the Hoffman home are Mr. and Mrs. Wilbert Ruckman and family.
Mr. Baker expects to make his new property into a duplex.

Fine Attendance At First Mothers' Club Meeting On Tuesday

A splendid attendance greeted the officers of the Mothers' Club of the Plymouth elementary school at the first meeting of the school year, Tuesday afternoon after the classes were dismissed.

Mrs. Robert McIntire, president, introduced the teachers of the grade school faculty, and business was conducted. Committee chairmen for the year have been named: Program, Mrs. V. J. Grubbs; Project, Mrs. Donald Felt; Membership, Mrs. Jacob Schneider.

Mrs. Larry Skene, of Films Unlimited, Mansfield, gave an introduction and explanation of audiovisual education in the classroom. Much discussion followed as to the purchase of equipment for the grade school, but no action was taken other than that a further demonstration was requested.

Members of the Club were then invited by Mrs. L. Brown and her committee for October, to the First Grade where the year's appointed tables were arranged for tea. The tables were lace covered, and decorated with flowers and introduced the teachers of the year, Mrs. V. J. Grubbs, Project, Mrs. Donald Felt; Membership, Mrs. Jacob Schneider.

Flowers for the table and room decoration were donated by Mrs. Charles Lybarger, Mrs. Jud Morrison, and Mrs. Jerry Caywood. The cookies were donated by Mrs. W. Briggs, Mrs. Leo Barnes, Mrs. Wm. Root, and the committee who served, Mrs. Brown, Mrs. Morrison, Mrs. Taylor, Mrs. Caywood, Mrs. DeWitt, and Mrs. Donald Akers. Although the afternoon hour was late, the Mothers and Teachers thoroughly enjoyed the sociability of the hour, and the October meeting proved to be a most pleasant one.

FORMER RESIDENT DIES IN CLEVELAND, OHIO
Funeral services for Charles E. Wicks, were held last Wednesday at the DeVand Funeral home in Cleveland and masonic rites by Pentapolis Blue Lodge the preceding evening.

The deceased is a former Plymouth resident and oftentimes returned here to visit old friends. Mr. Wicks was in Plymouth last summer cutting off friends among them were Mr. and Mrs. Chas. Barr.

Survivors include his wife Nellie, son Elmo and daughter Mrs. Lucile Hurl, sister, Mrs. Hettie

Wicks, brothers Jay and George William (deceased), and three grandchildren.

NARROW ESCAPE
Friends of Correll Scott of Lodi will be glad to know he is recovering satisfactorily from a hospital experience of several days, the result of a gas explosion in his home.

Stork Arrivals

Mr. and Mrs. Albert Workman of R. D. 2, Shiloh, are the parents of a daughter born Sunday afternoon at the Shelby Memorial hospital.

A concrete floor should not be painted until it is at least six months old. Concrete takes several months to dry out completely and paint applied before the concrete is dry will very likely peel off.

THINGS TO COME—For people who can't remember to set the alarm clock every night, there's an electric "repeater" model that automatically resets itself to ring at the same hour each morning. . . . Another timely innovation is a world clock that tells the time in 124 principal cities all over the globe. . . . Ice cubes won't melt for four hours in drinks served in new insulated tumblers. . . . Insulation is provided by a vacuum sandwiched between two layers of Lucite. . . . If you should run out of gas in a new Chrysler, just pour a quart of water in the tank—it will get you to the nearest filling station. The aqua causes the gas at the tank's bottom to rise to the level of a special filtering element, permitting the car to run a few more miles. . . . But be sure you run out of gas near water. . . . Unpended garbage cans, the but of thousands of home-owners, may eventually be a thing of the past. Mounted 20 inches above ground, a new-style container receives refuse from the top, drops it into collectors' cans from the bottom.

AMERICAN LEGION AND FIRE DEPARTMENT TO PRESENT "IT'S A DATE," BIG HOME TALENT SHOW, OCT. 11 - 12

Arrangements have been made by the American Legion and the Volunteer Fire Department, Oct. 11 and 12, at the High School auditorium for the big new musical revue, "It's A Date."

This brilliant production has a theme which will appeal to everyone, for it depicts through the two leading characters, Ginger and Joe, a typical situation faced by sweethearts the world over. These two, who have been raised as "kids next door" are trying to decide on a date for their wedding. The fun and excitement begins when a group of switchboard girls at the telephone office listen in on a conversation where the boy is trying to get his girl friend to say "It's a Date."

The two meet at a bench in the park to talk the situation over and as they discuss the various months of the year the audience is given an opportunity to see what will and will not happen to young new-lays if they say "It's A Date" during certain months of the year.

A big homecoming scene at the Bolla College is in progress during the month of November and this colorful and fast moving scene sets the pace which is followed by a clever and unique interpretation of what happens "The Night Before Christmas" in Santa Claus land. This holiday scene uses a large cast of youngsters as dancing dolls and good girls and boys who have come to visit Mr. and Mrs. Santa Claus.

The month of February is represented by a chorus of dancing girls who wear specially designed heart costumes and execute an outstanding routine which is done at special lighting effects and will win instant approval of the audience.

There is a scene where the famous radio comedian Eddie Cantor will be impersonated as he runs a "Take It or Leave It" program right on the stage, giving those attending the performance an opportunity to cash in on real money, as well as a jackpot, if they know the answers to the questions he asks.

Perhaps one of the most unusual scenes of the show is the one which shows Easter morning service by using a combined vested choir chosen from all the local churches. This inspiring number has received wide acclaim wherever the show has been staged. The crowning of the May Queen with

Archer Diehl, Guest Speaker at School

An assembly was held in the auditorium on Tuesday morning, September 26th, with the guest speaker being Mr. Archer Diehl of Cortland, Ohio. He is also known as "The Eggman Man," whereas he told many interesting ones, a few of which include: "Cheer up, the world can't come to an end, it's round." "It takes our kids to get our goats." "Puppy love goes to the dogs." "When

ever possible, marry a girl with interest and principle." After this interesting speech a color film of the 1930 Senior Class trip was shown which was enjoyed very much.

A beautiful line of shawls and sweater sets arrived this week. New shades and styles that are excellent for showers and gifts. See them. Payne's Tot-N-Teen Shoppe, east side of square, Shelby, O.

Miss Laura Babcock Wed To Mr. Robert Lee In Open Church Ceremony

Two beauty baskets of white gladioli with greenery, flanked against palms and two seven-branched candelabra was the scene of the wedding of Miss Laura Katharine Babcock, daughter of Dr. and Mrs. C. W. Babcock, of Huron, O., to Mr. Robert Lee, son of Mr. and Mrs. Robert Lee, of Shelby rural, on September 30, at the First Lutheran church, Plymouth. Rev. Paul Mumford officiated at three p. m. for the double ring service.

The custom of open church was observed. The pews for the family and relatives were marked by bows of white satin ribbon.

Mrs. Marie Guthrie, organist, presented a program of nuptial music and Mrs. Eugene Laws, Shelby, soloist, sang "Through the Years," "At Dawning" and "Transmutation."

Given in marriage by her father, the bride was attired in a beautiful formal wedding gown of white slipper satin. It was fashioned with a tight bodice, attached to a peplum trimmed with lace and tiny covered buttons from the center of the off-the-shoulder effect neckline to the waistline. The sleeves were long and ended in points over the hands. The full skirt extended into a long train and her finger tip veil of illusion edged with lace, was attached to a tiara. She carried a bouquet of white roses tied with white satin ribbon.

Mrs. Ralph Timmons of Milan, matron of honor, wore a pink net over pink tulle gown made with an off-shoulder effect bertha and edged with accordion pleated ruffle. The bodice was tight fitting and full skirt and she wore a head-dress of pink flowers and net and carried a bouquet of yellow roses tied with wide streamers of changeable ribbon in pink, yellow and blue. The bridesmaids, Miss Joan Ruckman of Plymouth and Miss Ida Mac-Babcock of Huron, sister of the bride wore identical frocks of yellow and aqua respectively made of marquisette over tulle and matching headdresses and carried bouquets of pink and yellow roses tied with wide streamers of changeable ribbon.

The bride's mother was attired in a wine gabardine suit, with matching accessories. The bridegroom's mother wore a grey suit with black accessories. Both wore a corsage of pink roses.

Jack Stickeny of Shelby, served as best man, and LeRoy Steiner and Peter Stiving, both of Shelby, served as ushers.

Following the receiving of gifts in the church, a reception for fifty guests was held in the dining room of the church. A three-tiered wedding cake surrounded by yellow roses and topped by a miniature bride and groom was served, with white lighted tapers placed at either end of the serving table.

Mrs. Tom Henry and Mrs. Raymond Willard presided at the punch bowl; Miss Jean Winck and Mrs. Margaret Stines, of Shelby, served the cake, and Mrs. Eugene Laws presided over the guest book.

Following a trip to an undisclosed destination, they will temporarily reside on West Broadway, Plymouth. For traveling, Mrs. Lee wore a navy blue tailored gabardine suit with red accessories and red corsage.

The former Miss Babcock is a graduate of Plymouth High School, class of 1947, and is employed at the Shelby Metal Works. Mr. Lee is employed at the Westinghouse in Mansfield.

Visit In New York

Mr. and Mrs. Miles Christian returned home Sunday evening from a week's visit in Larchmont, N. Y., where they were entertained in the home of Dr. and Mrs. Russell MacRobert for a week.

While there they had the pleasure of visiting many shows, restaurants and Radio City, in New York City.

Heart Tact At Malabar Farm

Among those from here who motored to Lucas last Friday to hear and see Robert A. Taft Ohio's Senior senator and J. Harry McGregor, 17th Ohio District representative were S. C. Brown, D. J. Ford, J. E. Nims, Harry Postema and Kenneth Ford from Shelby. Among others were Mr. and Mrs. George Mittenbuler of the North Street road, Mrs. Clay Hulbert, and Rev. and Mrs. Ralph Felix.

Miscellaneous Shower

Honor Bride-Elect
Miss Bonnie Bell of Shelby, the bride elect of Glen Swanger, also of Shelby, was feted Wednesday evening with a miscellaneous shower when Mrs. Robert Kennedy of West Broadway entertained in her honor.

Fifteen guests from Shelby, Ohio, and Plymouth were present and enjoyed playing Poken the winners presenting their gifts to the honoree. A very nice lunch with a color motif of green and white was served at the close of the evening, and Miss Bell received many nice gifts.

Picnic Supper, Movies Open Year For The Twentieth Century Circle

The annual picnic of the Twentieth Century Circle was held on Monday evening at the home of Mrs. Grace Dick. Twenty-one members, two honorary members and three guests, Mrs. Weller, Mrs. Felix and Mrs. Lanus enjoyed a delicious covered dish dinner.

The program consisted of a delightful treat described by Gerald Schneider and Marilyn Kies. Gerald gave an account of the first part of the trip taken by the senior class, telling of their travels over the turnpike, the stop at Gettysburg and then on to Washington. The time there was spent in seeing and inching the various monuments, Smithsonian Institute, Treasury dept., Library of Congress, both houses of Congress, Arlington cemetery, Mount Vernon, Washington Masonic Memorial and Christ Church where Washington worshipped.

Marilyn took over from there and told of their visit to points of interest in Philadelphia where they were happy to have their guide Mrs. Helen G. Meiser.

Next stop was New York City where they visited the Empire State Building, Radio City where they saw the Rockettes and the Jack Birch show rehearsing for a broadcast. A visit was made to the Statue of Liberty without which a trip to New York would be complete. Various parts of the city were visited giving an insight into life in the big town. The last stop was Pittsburgh where they spent the night and then home. Gerald showed colored pictures of many of the points of interest which they visited. Mr. and Mrs. Lanus took over from here and showed moving pictures of the trip from the time they left Plymouth until they returned home. They also showed a sound movie, showing how the bathing beauties are chosen at Atlantic City.

Due to the lateness of the hour no business meeting was held and the meeting closed with the retiring president, Mrs. Ramsey presenting the gavel to the new president, Mrs. Anderson.

The Circle wishes to thank Marilyn, Gerald and Mrs. Lanus for giving them such an enjoyable evening.

The Iowa Club
The Iowa Club of the Iowa Club opened the season with the September meeting being held at the home of Mrs. Byron Ream with Mrs. Richard Fackler, co-hostess.

The business meeting was opened with fourteen members present. The diversion of the evening was spent with contests and card playing, with prizes won by Mrs. Don Leininger and Mrs. Jerry Caywood. A delicious lunch was served at a late hour.

These cool nights call for nice warm sleepers. Either in knit or good quality union. Sizes 8 thru 14 years. Payne's Tot-N-Teen Shoppe, east side of square, Shelby, Ohio.

Features Tiny Tot Popularity Contest

A Tiny Tot Popularity Contest will begin Friday afternoon, October 6th, in connection with the big new home talent show "It's A Date," to be presented Wednesday and Thursday, October 11 and 12. "It's A Date" is being sponsored by the American Legion and the Volunteer Fire Dept. for the benefit of the High School Band.

The Tiny Tot Contest is open to all boys and girls six years old and under. Popularity is determined by votes of one cent each, proceeds to go to the show benefit. The winning boy and girl will be crowned king and queen of Toyland in the "Santa Claus Scene" of the show, and will receive silver loving cups. Second prizes will be awarded to the next highest boy and girl to be awarded.

Mothers wishing to enter their children in this contest should follow these steps: Decorate a quart size jar and put a slit in the top large enough for a silver dollar. Attach a snapshot of the child on the outside of the jar. Put the child's name on the bottom of the jar and indicate the name of the store in which the jar should be placed. This jar and a photograph of the child should be brought down to the American Legion Hall some time Thursday, October 5th. All photographs of the contest children will be on display in West's Hardware window until the contest closes on Thursday afternoon, October 12th.

Interested mothers should contact members of the Tiny Tot Contest Committee which includes Mrs. Opal Jacobs, Chairman, Mrs. Thelma Meiser, and Mrs. Violet Rooks.

SAILORS ROOT PILGRIMS IN FINAL CANTO 21-0

By Jim Shutt

The Plymouth Pilgrims played three quarters of good football on last Friday evening but completely fell apart in the final 12 minutes to allow the Vermilion Sailors three touchdowns and a 21-0 victory in the Dedication Game of the newly constructed Plymouth stadium.

The loss was the third in a row for the local lads while for the Sailors it was their first taste of victory in the 1950 campaign.

For three quarters of the way it was a 0-0 battle with neither team hitting pay dirt. Then late in the third period the Pilgrims' ace back, Larry Schreck, was helped off the field with a badly twisted knee. Schreck didn't get back in the game and nothing seemed to go right for the Pilgrims throughout these final twelve minutes.

Vermilion scored their first touchdown shortly after the opening of the fourth quarter when Harold Gebhardt struck pay dirt on a three yard plunge over tackle. Gebhardt also added the extra point. The next two scores both came on Gebhardt to Czarnicki passes, the first covering 20 yards and the last 15. Griffith added the second extra point while Gebhardt fired to Czarnicki for the 21st point.

The Pilgrims only threat to break into the scoring came in the first half when the Plymouth gridders drove to the Sailors 10 yard line where Louie Root was hit hard and fumbled and Vermilion recovered.

Practically the entire final canto was played in Plymouth territory with the Sailors in possession of the ball most of the time.

One of the main reasons in the Pilgrim downfall was their lack of an adequate pass defense. On the other hand the Pilgrims ground defense looked greatly improved. The longest individual gain was only about 10 or 12 yards by a Vermilion back.

IMPROVING Mrs. Walter Thrush of North Street who has been ill, is gradually improving and wishes her friends and neighbors to know that she greatly appreciates their kindness and interest shown while ill.

Does the little miss need a new coat this year? We have lovely styles and colors, either with or without black pants. Priced right at Payne's Tot-N-Teen Shoppe, east side of square, Shelby, Ohio.

IN WASHINGTON, D. C.
Mr. Sam Robertson of West Broadway left Sunday for Washington, D. C., on a two weeks business and pleasure trip.

BABY BAPTISED
Susan Lee, daughter of Mr. and Mrs. Robert Kennedy of W. Broad-

way, was baptised Sunday in the Ganges church.

Following the morning worship service a dinner was served in the home of the maternal grandparents, Mr. and Mrs. Dwight Briggs for the immediate families.

Mr. and Mrs. Robert Kennedy, daughter, and Mrs. Bais Kennedy attended from here.

PRODUCER VISITS SCHOOL HERE

Monday afternoon the Senior girls' music class was visited by Miss Lewis from New York. Miss Lewis, who is in charge of the production of the American Legion home talent show, was looking for girls to be in the show.

Senior Class News

Each and every one of the Senior Class members want to extend their appreciation and a "thank you" to all the business organizations who placed an ad in our annual.

The Seniors are soon going to start taking orders for them. They are \$1.50 or you can pay 50c down and the rest when you receive your Annual.

With Mrs. Huston's help we are putting our best forward to have a better Annual. There will be some changes made from last year and new ideas added.

If you want to order an Annual and no senior has seen you, get in touch with any senior. You must place an order now in order to receive an Annual later.

HAPPENINGS IN THE GIRLS' GYM CLASS

The girls' physical education in the years of 1950-51 has forty-one girls with Mrs. Huston as their instructor. We have divided into four teams known as the "Live-wires," "Greenhorns," "Peppy" Sophomores, and the Hit "Run" Sophomores. Captains are as follows: Live-wires, Anna Hamman; Greenhorns, Mary Ellen Kaylor; Hit "Run" Sophomores, Mary Kilgore, "Peppy" Sophomores, Shirley Wagner.

Since the weather has been rainy we had folk dancing and tumbling in the auditorium. When the weather was dry again, we played softball. The victors of these two games we had were Hit "Run" Sophomores and "Live-wires" with a score of 32 to 0. (My!) The "Peppy" Sophomores defeated "Greenhorns" with a score of 12-7.

Thursday rolled around the bend rather fast so we had our second game. In this game the Hit "Run" Sophomores defeated the "Live-wires" with a score of 32 to 0. (My!) The "Peppy" Sophomores defeated "Greenhorns" with a score of 12-7.

We are getting gym suits this year, also. "Live-wires" chose sky-blue for their color, "Greenhorns," chose jade (green), and the Hit "Run" Sophomores and "Peppy" Sophomores chose scarlet for their color.

So this leaves the whole physical ed. class waiting for gym suits to come, and the Hit "Run" Sophomores to play the Peppy Sophomores. Sophomores vs Sophomores. My! The Hit "Run" team is merging ahead so far.

SCHOOL CHATTER

The Home Ec. class which consists of sixteen Freshman and Sophomores have been keeping themselves busy making crabapple and grape jelly and pear preserves. We also canned tomatoes and made juice.

Most of the samples were taken home to see if they were good.

Mrs. Arnold has asked if we could make a few field trips to places of interest, but nothing has been settled as yet.

When a table has been marked by a hot dish, the white ring can usually be removed. Put a few drops of camphorated oil on the spot... let it stand for a few minutes... then polish with a hot cloth.

HAPPENINGS ON THE MAYFLOWER

School Hears From Teacher In Service

BATTERY "C"
6th Armored Field Artillery
Battalion
Fort Sill, Oklahoma

Mr. Bishop, now in the armed forces, recently wrote to the teachers and students of P. H. S. and we thought it would be of interest to the community.

Sept. 21, 1950
Mr. Dennis, Teaching Staff,
Students:

This may be the first time that most of you have ever received greetings from Fort Sill, Oklahoma, but there is always the first time for everything. To say that being a recruit in Uncle Sam's machine is different from teaching school is putting it mildly. But in times of emergency, such situations sometimes exist as is true with my own particular case.

It was my hope that hostilities

could have ceased so that things could have been taken up where they were laid down last June. It is my hope now to return to Plymouth High School some day in the near future. With the kind of guidance and direction you are now experiencing, there is little doubt that progress will not result. You students are fortunate to be a part of Plymouth High School.

The progress that I witnessed last year through the leadership, cooperation, and interest displayed was a marvel within itself. You students should consider yourselves fortunate and you can repay this privilege by being an asset to your school and to your community. The good people of Plymouth are behind you 100%. Don't let them down. Many of you are affected in some manner by our abnormal world conditions but consider it a duty and a privilege.

Fort Sill is a beautiful camp. The modern buildings remind you of a college campus. I was especially fortunate in securing fine living quarters. I think of all of you people a lot and all the experiences we encountered last year. I would be glad to hear from any of you. I'm especially interested in your school functions such as athletics, clubs, etc. I'll not hesitate to make a trip to Plymouth the first time I'm home on furlough. I will really seem like old times.

My serial number is US-5200-1111; not too difficult to remember (this address is the title of this

article.) With Mr. Dennis again showing his tireless energy in accomplishing so many worthwhile things, with the teaching staff cooperatively so before, and the student body still filled with that enthusiastic school spirit, you will continue to grow and serve your community. It is with my sincerest wishes that you will keep in touch with me. To each and everyone of you I extend the hand of good luck in all your future endeavors.

Sincerely,
Guy Bishop, Jr.

Eighth Grade Science Field Trip

The eighth grade science class went on a field trip through the park, Saturday, September 23 to learn more about trees and how to distinguish them from each other, but they learned many other interesting things too. Here are a few of them:

Did you know that the eyes of a crayfish are on stalks, that its skeleton is on the outside, and that its mouth isn't where mouths usually are. It is between the two front legs. Items such as these caught the interest of the eighth graders.

The eighth year students discovered some bloodroot plants and found it was so named because the root contains a red sap which has the appearance of blood. They also ate Red Haw, a kind of crab apple; and they thought the apples were, to borrow an expression, "puckery." Some wild cherries were found to be quite sweet while those on other trees were on the sour side.

These and many, many more are the wonders of nature that the eighth graders found could be discovered on an observing Saturday morning walk.

Did You Know!

By Doris Reber

That 120 years ago today our own city's first president of the United States was born in New York. During his lifetime he was a lawyer, Quartermaster General, leading Republican politician, and appointed collectorship of New York. In his term of office he raised tariffs, passed several commercial treaties, and increased the Navy.

Today more than ever we need faith, guidance and inspiration in the fight against the evils of the world. In the CHICAGO HERALD-AMERICAN read "Why I know There is a God," an inspiring series that tells of those who found faith. TIPS ON FITTING YOUR HAT TO YOUR FACE

BRIM WIDTH. Brims on most popu-
lar hat styles vary from 2 1/4 to
2 3/4, 2 1/2, and 2 3/8 inches in
width. A fraction of an inch more
or less can make a heap of dif-
ference.

BRIM TYPE. Turned up or down,
curled or snapped, every brim
gives a hat a different character
and gives you a different ap-
pearance. There's probably one type
that suits your face best.

BRIM FLANGE. This refers to the
angle of roll and snap of brim.
A sharp snap or flat-set brim can
perk you up or drop you down.
Some brims are snapped wide
across the hat; others much less
so.

CROWN SHAPE. Conservative (side
dents or undented) or fashionable,
the shape of your crown denotes
your taste. Consider the effect of
several variations before deciding.

CROWN HEIGHT. Too high or too
low a crown can ruin an otherwise
handsome appearance. Ask the
salesman to show you the height to
find the most flattering proportion.

HAIR WIDTH. This affects the vi-
sual height of the hat above the
eyes and is a matter of personal
and local preference.

ANGLE ON HEAD. You can change
the style of almost any hat just
by wearing it at a different angle!
Some men can wear a hat way
back on their head, others can't.
Find out which helps you.
