Dear Santa Claus:

I would like a game of 3 Keys to a Treasure. And a dress like Mrs. Santa Claus. A circle pin and bracelet. A picture of you and Mrs. Santa Claus and your helpers and please put down their names.

Love,

Paula Postema

Dear Santa Claus:

I have been a good boy. I would like a Robot Commando, a B-B gun, a King Zor, a Mighty Ma, a Jimmy Jet and an electric train. There will be some cookies and milk in front of the TV.

Your friend,
Bobby Vogel

SPONGE OR ROCK? It's a sponge.
But it illustrates the porous sandstone in which
natural gas is stored underground by your gas
company. Located thousands of feet below
the surface of the earth, this sandstone "soaks
up" tremendous volumes of natural gas,
pumped there during summer months. The
stored gas is held among the grains of the
rock, ready for use to heat homes in winter.
Underground storage, pioneered by
Columbia Gas System companies, is one of
the big reasons why people in this area can
depend on the best possible gas service at
reasonable rates.
