

# Shot as gun fires accidentally

A 22-year-old youth and his 19-year-old girlfriend narrowly escaped death in a shooting accident at his home at 75 North street Monday at 7 p. m.

A calibre .22 pistol newly repaired by his 17-year-old brother jammed and discharged a round that penetrated the girl's right shoulder and then lodged in the flesh behind

the left ear of the youth. Steven Courtright and Arlene Miller were treated in Willard Area hospital and released.

Young Courtright, employed by R. R. Donnellay & Sons Co., Willard, was ill at home, not having reported for employment. His father, Daniel, was visiting him in his bedroom when Daniel Courtright came in with his

pistol, to which a new bolt had been fitted because the pistol was jamming. Earlier, Daniel Courtright and his father, Marvin, had manually tested the repair.

Daniel Courtright manipulated the bolt of the pistol and the round jammed in it was off.

Both youths were taken to the hospital by ambulance.

Police Sgt. James Reffett investigated. He said the shooting was accidental, "and will report it that way."

AT WILLARD --

# Open house set Nov. 27 to dedicate new hospital

Nov. 27-28 have been tentatively set for open houses in the new facilities of Willard Area hospital, Dick A. Flak, hospital administrator, says.

The \$3 million addition will be opened to the public from 1 to 5 p. m. on Saturday and Sunday, Nov. 27 and 28. Staff members and trustees will assist in explaining the facilities.

A dedication ceremony is planned for Nov. 27 at 10 a. m.

The addition more than doubles the size of the hospital.

The entire expansion is a call for modernization and improvements in the old portion.

The addition will not be completely finished when the public sees it. Falk notes that many public institutions can open and be in operation for a time before there is a formal grand opening, this is not feasible in the case of a hospital addition. Once the new surgery and laboratories are up and there are patients in the rooms, the public cannot be allowed to tour the place.

# How will village replace McQuate ambulance service in '72?

McQuate Funeral home attempts to phase out its ambulance services during 1972, Mayor Hugh W. Washburn told village council Tuesday night.

Councilman Robert McKown proposed study of the feasibility of establishing the service under the village's safety division, with 10 trained persons to man the equipment.

He said the council could petition the federal government for a lend-lease arrangement of a vehicle and equipment.

Mrs. A. L. Paddock, Jr., said she believes such a service should be self-supporting.

The area the service would cover would most likely be patterned along district lines.

Under these circumstances, there is the chance that Shiloh and the several townships would cooperate in any cost.

An informal poll of the council showed all believe the service should be provided.

Councilman Robert L. Bachrach proposed the salary of Village Administrator William Forquer be raised from \$8,500 to \$10,000 annually.

The mayor and McKown said Forquer has "proven himself" in the job, which is to be reviewed after a six-month period. They

said his handling of village affairs has saved money and was very efficient.

Mrs. Paddock said she understood that when the actual construction of Phase III of the sewer system begins, he would take over duties as sewer superintendent, when a raise would be forthcoming because of the additional work.

The motion to amend the ordinance to raise his salary was passed, Councilman McKown, Bachrach, Edward O. Ramsey and Kenneth Echelberry voting ye and Councilmen Frank R. Garber and Mrs. Paddock voting nay.

Forquer recommended the salary of the assistant clerk, Mrs. Quentin R. Ream, be raised \$700 to \$4,000 annually.

McKown said the recent audit of village records and recommendations made by the state examiner show village records should be maintained as has increased her workload.

A motion increase her salary was carried, Mrs. Paddock again voting no.

because she said all salaries should be reviewed at the beginning of the year and revised then.

Other councilmen said salaries were raised last summer with the exception of Mrs. Ream's position, so it is necessary to raise it now.

An ordinance effective Dec. 1 to require security deposits on utilities in the amount of \$30 for landowners and \$50 for renters was passed.

The present deposit of \$30 for each new user does not cover services which have been rendered, Forquer said.

The village has recently been left with three bills in amounts of \$18, \$20 and \$22 over the \$30 deposited from users who simply moved away.

A suggestion that the village sell some of its land was made by McKown.

He proposed that about 30 acres east of the lagoons site be sold, since it is sitting idle and has no use and is in excess of the required 10,000 feet the Ohio Pollution board requires for the sewer lagoons. The land is in the approximate location of the old village dump and is bordered by land owned by Cyrilus Miller, E. B. Miller and a very small portion owned by Mrs. John McKown.

The village also has an increase in Riggs street, which was purchased for the water tower.

Mrs. Paddock said the lagoons land could eventually become a park.

Kown said he thinks this would be impractical and the Riggs street land would be a better site for a park.

An ordinance proposed by Garber regulating trailers and mobile homes in the village was passed on its first reading.

The council felt the plot of ground required for a trailer should be 9,100 square feet, which is the existing regulation. Garber proposed changing it to 5,000 square feet.

It is essentially the same as Ordinance 9-70 passed June 2, 1970, with the exception that trailers or mobile homes must be at least 12 x 60 rather than 8 x 60 feet and that once a trailer is moved from a site, it must be replaced by one meeting the specifications of the new ordinance and that it cannot be placed on another site within the village.

Garber also proposed an ordinance regulating recreational vehicles within the village. It will be studied further.

The council approved a resolution to hire Arthur Burras, North Fairfield, to prepare easements in Contract III of the sewer system that are necessary for the requirements of the FHA and the sewer engineer.

Another resolution was passed to authorize Eugene Gerkin, sewer engineer, to include part of Springfield road in Phase III of the system.

# Profits up 1,000%, Banner says

Net income for three months ended Sept. 30 was \$440,462, or 10 cents a share, compared with only \$4,529 for the same period in 1970, Banner Industries, Inc., parent firm of the Fate-Root-Health Co., reports.

Stocks and revenues amounted to \$14,463,789, compared with \$14,755,913 a year ago.

Parent firm of the Fate-Root-Health Co., Banner Industries, Inc., Cleveland, has bought another business.

For cash, Banner bought a line of pumps, ranging in discharge sizes from 10 through 48 inches, from Balwin-Lima Hamilton Corp., Lima, a wholly owned subsidiary of the parent.

The pumps will now be manufactured by Patterson Pump Division, Erie, Pa., belonging to Banner Shiloh Engine Division, which already makes pumps in sizes up to 10 inches of discharge diameter.

Born in Lucas, Harris is married and the father of five children. He served as village marshal from 1956 to 1970 and five years as village zoning inspector.

A farmer of 75 acres as well, he is a member of Mr. Hope Lutheran church and of Richland County Farm Bureau.

**LETTERS TO THE EDITOR**

Sir: An open letter to Tommy Root.  
I just read your letter in The Advertiser and I was mad. Mad to think that all you said was exactly how I felt and didn't have the nerve to write it. Then I became embarrassed to think my so-called generation would do such an underhanded thing. Then I was even more embarrassed to think the so-called younger generation had to point it out to me.

I have always had faith in the youth of America, Tommy, and you just strengthened that faith. Now that the election is over, it proved one thing: that is that more people can think for themselves than some people thought. If you ever run for mayor of Plymouth, Tommy, you have my vote.

God bless our youth,  
Helen Gebert

Sir: The Boosters' club ap-

preciates and needs all the help and support it receives for any of its projects and I want to thank publicly those who helped in the football concession stand:

The Quentin R. Reams, the R. Harold Macks, the James Gullett, the Byron Reams, the James C. Davises, the Bernard A. Garrets, the James L. Jacobs, Jr., the W. Lawrence Corrie, the Jack Reynolds, the Robert Pittengers, the Harold Lasers, the Ervin Howards, the Joseph J. Lasches, the M. E. Mel-lotts, the Clarence Har-rises and the William R. Millers;

Also, Mmes. James R. Broderick, John Gilger, Leo Russell, Kirby Nes-bit, Kenneth Echelberry, Robert Sutter, Gerald Lillo and F. Ellsworth Ford;

Also, the Misses Jean Ann Smith, Sharon Dye and Dixie Baker.

Last but not least, my husband, and a special thank you to Anthony Fen-ner, our president, and William Flaherty.

I needed a lot of help-ers, 50 to be exact, and of that number, only five did not show up at game

time. That is a pretty good batting average, but with the batting aver-age of attendance were higher at our meet-ings on the first Wednesday night each month. We de-sperately need new faces and new ideas. Without these, I'm afraid the Boosters' club will cease to exist.

We welcome joiners to keep the Boosters' club alive and well, and pro-ductive. Sincerely,  
Joan Ruckman  
(Mrs. Harold W. Ruck-man)

Stephanie Lebar became the bride of Daniel Ivan Hawk during a morning ceremony performed Nov. 4 in Price of Peace Lutheran church, Colorado Springs, Colo., by the Rev. Ivan Anderson. Auntie doesn't like it but —

# 'Use kraut in cake!'

By AUNT LIZ  
Even when someone we like very much gives us homemade sauerkraut, I still do not like it. It really isn't that bad tasting, when it comes right down to it. I even grew up in a household where it was standard fare.

My grandmother's aunt made it by the ton for the whole family and kept it stored in her old stone cellar, where she also kept all the family jellies, jams and wines. She was Viennese and could really brew up wonderful things.

It could be that sauerkraut has such an unpleasant odor, and one does associate smells with tastes. The Ohio Agricultural Research and Development center in Wooster has discovered that adding about an eighth of a teaspoon of caraway seeds to a pound of kraut will take away any nasty odors. Dill seeds do it, too.

It also found that a rather good salad can be made by adding some chopped onions and sugar. Red and green peppers and a dash of vinegar can be used. It is recommended that the mixture be allowed to blend by being in the refrigerator over night. AMONG THE STUDIES the research center did was to find more uses for kraut juice, which would be wasted otherwise. The experimenters thought that using it to

marinate meats to be charcoal grilled added a good flavor and that the dried juice which turns into flakes makes a good dip with sour cream.

They really outdid themselves, though, when they came up with this recipe. They call it Fudge Surprise Cake. It is an ordinary sounding recipe until you get to the end. That is where the surprise is.

Sift together two and one-quarter cups of flour with one teaspoon each of baking soda and baking powder.

Cream one and a half cups of sugar with two-thirds cup of shortening. Add three eggs, a half cup of cocoa, a fourth of a teaspoon of salt and one and a fourth teaspoons of vanilla. Mix and gradually combine with dry ingredients while adding a cup of water.

When it is thoroughly mixed, add a half cup of sauerkraut that has been well drained. This makes a two layer cake or one long one.

A chocolate packaged cake can also be used. Just add the kraut. They say it is a nice, moist cake.

Some day, maybe, I will have the courage to try this, but right now this is a much more seasonable recipe for kraut.

Brown good looking, lean pork chops, six of them. In a bowl mix together 12 small pearl onions, two apples which have been quartered, a half cup of seedless raisins, a tab-

leespoon of brown sugar and two cups of undrained sauerkraut. Sprinkle salt and pepper over it and spoon it into a baking dish, put the chops on top, and bake in a moderate oven for a little over an hour.

Should you be weight watching, this is a wonderful dish, just eliminate everything except the kraut. Two cups add up to only 78 calories.

# Five lettermen report to Neff

Bryan Neff is approaching his new job as head basketball coach of Plymouth High school in a cautious, low-key manner.

The Big Red opens an 18-game season at Clear Fork Dec. 3.

He has about decided on the identity of the personnel of the 12-man squad.

But he hasn't decided who among them will be his starting five. Nor has he decided if his team can win the Johnny Apple-

seed conference championship this season, but "Lexington is the team to beat".

Neff succeeds Ron Hooper as head coach. He moves up from the reserve post.

HE HAS FIVE SENIORS who are returning lettermen.

Two of them won second team mention in the JAC last season. These are John Conley, 5 ft. 11 in., and Bill Van Wagner, 6 ft. 3 in.

The other three are Lar-

ry Taylor, 6-3; Brad Ream, 6-2, and Jeff Fazio, 5-11.

Two other seniors, both second halves, without a varsity monogram, are Lee Wilkins, 6-5, and Dean Cline, 5-9.

THE CROWD OF JUNIORS is small but almost as well seasoned.

These include Ray Hughes, John Haver, Chuck Willford, Steve Baker and John Ferguson.

Neff will have to make some cuts now that football season has ended.

Twenty survived the preliminary drills.

Conley, Van Wagner, Taylor and Fazio will exchange molestins for basketball shorts.

So the cuts will be in the nature of which team one is assigned to rather than as an order to turn in one's suit.

REMAINDER OF THE slate:

Dec. 10, Loudonville, here; 17, Crestview, here; 18, Lexington, here; \*23, Buckeye Central, here; \*29, South

Central, there; Jan. 7, Fredericktown, here; \*8, Mapleton, here; Crestline, here; 15, Ontario, there; 21, Loudonville, there; 28, Crestview, there; 29, Lexington, here; Feb. 4, Fredericktown, there; 11, Crestline, there; 12, Ontario, here; 18, Clear Fork, here; \*19, Buckeye Central, there.

\* denotes non-league games.

# Van Wagner chosen all-JAC on defense

Bill Van Wagner won all-Johnny Appleseed conference honors as one of three defensive ends, the only Big Red player to win first team selection.

Earl Sexton won a second team berth and three were named to the second team offense.

These are Jim Cutright at end, Jerry Deskins at center and John Conley at halfback.

Curtis Reppart, who tore Plymouth apart in the mismatch with Fredericktown, was the only two-way selection. He won honors as all-league quarterback and as safety.

Ontario, conference champion, as expected, dominated both offense and defense, winning four offensive choices and five defensive selections.

Fredericktown had three offensive picks and two on defense.

Loudonville also named three offensive selections and two defensive ones.

THE DEFENSIVE team:

Dave Hatton, Fredericktown, Bruce Boyce, Ontario, and Bill Van Wag-

ner, Plymouth, ends; Jim Allering, Loudonville, and Bob Cosgrove, Ontario, tackles; Gerald McGinnis, Ontario, middle guard; Carl Shores, Crestview, and Kim Gates, Ontario, inside linebackers; Curtis Reppart, Fredericktown, and Ron Zook, Loudonville, safeties.

SECOND TEAM SELECTIONS:

Jeff Cheney, Crestline, and Bill Porter, Fredericktown, ends; Howard Snavely, Clear Fork, and Earl Sexton, Plymouth, tackles; Jeff Wilkinson, Lexington, middle guard; Dan Brown, Fredericktown, Vince Knapp, Lexington, and John Burkhardt, Loudonville, inside linebackers; Chris Pore, Lexington, and Bob Shafer, Ontario, safeties.

OFFENSIVE FIRST TEAM:

Tom Etler, Crestline, and Mike Simpson, Fredericktown, ends; Steve Moore, Fred-

ericktown, and Gary Thompson, Ontario, tackles; John Burkhardt, Loudonville, and Rich Beer, Ontario, guards; Mary Snyder, Loudonville, center; Curtis Reppart, Fredericktown, quarterback; Dan Brown, Fredericktown, and Rob Shafer and Rick Kaber, Ontario, halfbacks; Bob Taylor, Loudonville, fullback.

OFFENSIVE SECOND TEAM:

Doug Schwall, Ontario, and Jim Cutright, Plymouth, ends; Rick Petty, Clear Fork, and Jerry McCluggage, Loudonville, tackles; Vince Knapp, Lexington, guard; Bill Porter, Fredericktown, and Jim Clever, Lexington, and Jerry Deskins, Plymouth, centers; Brad Bauer, Crestline, and Ron Zook, Loudonville, quarterbacks; Randy Thomas, Clear Fork, and John Conley, Plymouth, halfbacks; Rod Fritz, Lexington, and Vernon Young, Ontario, fullbacks.

# Flyers nip Big Red

## Plymouth muffs chance to win in fourth period

WITH 7:48 REMAINING in the game Friday night, Plymouth had an opportunity to win.

The score was St. Paul's 21, Plymouth 20. The Big Red had just scored its third TD, a 10-yard pass

play from Larry Taylor to Kelly Clark, who stamped himself as a capable receiver in this one.

The play came in from the bench.

Taylor passed to Clark in the left flat. Clark got a hand on the ball, stumbled and fell, and there went Plymouth's chance for a victory.

did better than Plymouth.

Unable to gain with the opening kickoff, Plymouth punted, one of two such boots all night. St. Paul's took over at its 23 and ran in 13 plays to the Red 14, where it ran out of downs.

John Conley fumbled on third down at the Red 29, Charley Brown recovered and in five plays the Flyers were in the end zone.

The last one was a 14-yard shot by Tom Bellamy, with which he set a new Flyer rushing record.

John Brutsche, who booted only one field goal and two PATs all season, kicked the first of three good placements for the PAT.

Plymouth struck back the next time it got possession, marching 68 yards in 12 plays with the kickoff.

The big play was a 41-yard pass on third down, from Taylor to Clark, who made a fine catch and raced down the south sideline before he was knifed out of bounds at the Flyer 20.

It took Plymouth three plays, because of a penalty to get in, but get in Conley did with 8:58 left in the first half. Conley's run on a pitchout to the right was short, although there were those, including at least one official, who thought otherwise.

THE FLYERS WERE not intimidated by any means.

They took the kickoff and scored in three plays, the last one a magnificent 50-yard pass from Jeff Fields to Jim Borgia, all alone in the Red second drive. The Flyers covered 51 yards in this drive. Brutsche again kicked the extra point.

St. Paul's was to score again before the half was over, but just barely.

With nine seconds left, Bellamy plunged into the end zone from a yard and way, climaxing a 36-yard push after Harold Gilchrist recovered a fumble by Kim Carter.

Brutsche's kick made it 21 to 6 for the visitors at the half.

IT WAS CLEARLY A Norwalk victory in the first half, any way you look at it. The Flyers had 11 first downs, 96 yards rushing, 92 yards passing. Plymouth collected six first downs, 70 yards rushing, 41

yards passing.

The Big Red narrowed the gap with its first possession of the second half.

The Flyers punted, their only one of the game, for 32 yards to the Red 35. Plymouth went 65 yards in 14 plays, two of them passes, both to Rick Strohm, for 14 and 18 yards.

Clark scored on a seven-yard heave from Taylor to Clark, who made a magnificent catch and fought off two tacklers to get in.

Taylor passed to Conley for the PATs and Plymouth now had a chance to win.

## Big Red 29th in Region 10

Here're computerized ratings of local football squads after the ninth game:

Class A, Region 9: Mapleton 27th; Black River, tied for 28th; Class A, Region 10: Monroeville, fifth; St. Paul's seventh; Lucas, 10th; Buckeye Central, 20th; Western Reserve, 24th; New London, 28th; Plymouth, 29th; South Central, 31st; Class AA, Region 5: Loudonville 11th; 34th; Crestview, tied for 64th; Class AA, Region 3: Class AA, Region 6: Ontario, 15th; Edison, 28th; Crestline, 30th; Lexington, 48th; Clear Fork, tied for 58th; Class AA, Region 7: Fredericktown, 23rd.

Here're results from last week:

St. Paul's 21, Plymouth 20;

Bucyrus 9, Lexington 7; Ontario 22, Carrollton 9; Crestline 26, Lakota 12; Wellington 20, New London 18;

West Holmes 22, Loudonville 18;

Clear Fork 22, Northmor 8.

TO DO SO IT NEEDED to halt a Flyer drive that started from the visitors' 42 and petered out at the Red 21. But Plymouth could not gain and punted.

On second down, St. Paul's sent Fields to pass. His throw was tipped by a linebacker and fell into the hands of the speedy Conley, who raced from the Red 35 to the Flyer 20 before he was thrust out of bounds.

Plymouth scored in four plays.

This set the stage for the dramatic fall of Taylor to Clark that would have won for the Big Red.

As it was, Plymouth closed another dismal and discouraging season. Its record was 3-and-7, with two wins in the Johnny Appleseed conference.

The record should have been 6-and-4, it being doubtful that Plymouth could have beaten Monroeville, Ontario, Fredericktown or Crestline. But it should have won the others.

For some players it was the last game. These included Jeff Fazio, Taylor, Conley, Bill Van Wagner, Mike Glorioso, Jerry Deskins, Tony Amstutz, Earl Sexton, Clark and Jim Cutright, who did not play because he has a separated shoulder.

Others to graduate are John Mack and Eddie Mellett.

The Bible Answer To:  
CAN BEING RELIGIOUS SAVE US?  
"Neither is there salvation in any other; for there is none other name under heaven among men where by we must be saved." Acts 4:12.

The Bible is clear that there are many names under heaven in which we can find religion; but salvation can be found in only one. "The wages of sin is death; but the gift of God is eternal life through CHRIST JESUS OUR LORD." Rom. 6:23.

There is no salvation in priests or preachers, and charities, service and sacraments, tears and treasure, ritual and reformation - all may serve a good purpose, but all are powerless to produce life. The Bible says "God has given us eternal life and this life is in His Son. He that hath the Son hath life; he that hath not the Son of God hath not life." 1 John 5:11-12.

Religion is the improving of an old nature through works. Salvation is the imparting of a new nature through receiving Christ. The Bible says, "As many as receive HIM to them gave He power to become sons of God." John 1:12.
