THE HISTORICAL OR LIVING CHRIST?

Modern theologians often use the phrase, "The hisrorical Christ." By this norm they refer to Jesus Christ in His earthly life. But, thank God, Jesus not only came and lived here on earth and died on the cross for our sins but He arose again and is alive right now.

Today everyone must choose what to do with this living Person, either to receive Him as Saviour of their life or reject Him. To all who receive Him He actually comes to live within them. Col. 1:37 speaks of 'Christ in you -- and Gal. 2:20 says, Christ liveth in me. To know about the historical Christ is basic, yet the ultimate purpose of God in your salvation is that you might know the LIVING CHRIST as a personal, living union, it makes all the difference in the world -- in this world and in the world to come. (I John 5:11) 'He that hath the Son hath life; and he that bath not the Son of God hath not life.' You know about the HISTORICAL CHRIST BUT HAVE YOU RECEIVED THE LIVING CHRIST!
