'LONG LIVE THE KING' --

Ox roast to resume

For 22 years the undisputed king of Plymouth's annual social events before it was interrupted last year, the American Legion ox roast staged by Ennet-Parsel Post 447 returns to the calendar Saturday and Sunday.

The format is different. Previously the ox roast was staged in Jacobs' grove in County Line road. It will instead take place on the grounds of the Legion hall in Trux street.

Where meat was roasted in pits in the ground, instead it will be prepared in a bakery.

All of the other attractions of the ox roast, says Arden Kessler, second vice-commander of the post, co-chairman of the event with James L. Jacobs, Sr., commander, will return. We are counting on a big attendance.

The ox roast will open Saturday at 5 p. m. and Sunday at 9 a. m.

Drawing for \$470 will be conducted Sunday at 9 p. m.

A dance will be conducted in connection with the ox roast Saturday from 9 p. m. to 12:30 a. m.

Big Red fans meet new team

Plymouth's Big Red football squad conducted "Meet the Team" night before engaging Buckeye Central in a controlled scrimmage in Marysville park yesterday at 8 p. m.

It's the smallest school believed to be a factor in the Frieland conference race this season, there Saturday, three scores to none.

Speedy John Conley broke off an 80-yard dash for a touchdown. Bill Hill Van Wagner bucked for another and Jim Cartright snared a pass for the third.

KEY TO PLYMOUTH'S season is in two important words: "a tight ship." The Big Red hasn't much depth, for several reasons.

It's the smallest school in the Johnny Appleseed conference and has the least number of players suiting up, 36. Foot-

Shiloh asks 1/2-mill tax for police

Will Shilohans pay an additional one-half mill in taxes to pay for a police department?

Village council there voted Aug. 25 to submit to electors on Nov. 2 a one-half mill tax levy that would run five years for the purpose of funding the police department. Only police protection now is a part-time marshal, Kenneth L. Huston.

Mayor Grady McDonald said it is the first time Shiloh has asked for such a tax.

Councilman Delmar Nesbitt said he believes many Shilohans are opposed to a full-time police officer if this would mean more rigid enforcement of traffic regulations.

But he supported the resolution requesting the tax.

Eligibility criteria for free lunches

Families falling within this scale or those victims of unusual circumstances or hardships may apply for free lunches for their children by filling in the application forms sent home in a letter to parents. Additional copies are available at the principal's office in each school. Applications may be submitted any time during the school year. The form itself is simple to complete and requests information needed to determine economic need based on the income, number of persons in the family, number of children in school and any usual circumstances or hardships which affect the family's ability to pay for school lunches. The information provided on the application is confidential and will be used only for the purpose of determining eligibility.

The principal of each building will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the local official he may make a request, either orally or in writing, for a hearing to appeal the decision.

The local superintendent of each district has been designated as the hearing official. Hearing procedures are outlined in the policy.

The policy also provides there will be no identification of or discrimination against any unable to pay the full cost of a lunch.

A complete copy of the policy is on file in each school and in the office of each local superintendent where it may be reviewed by any interested person.

LETTERS TO THE EDITOR

Sir: A Wish for a Son Off to His First Day at School

Dear World: My youngest son starts to school next week. It's going to be strange and new to him for a while, and I wish you would sort of treat him gently. He's going to walk down the front steps and start on the great adventure - an adventure that will probably include tragedy and sorrow.

To live his life in the world he has to live in will require faith and love and courage. So, world, I wish you would take him by his young hand and teach him the things he will have to know.

He will have to learn that not all men are just, that not all men are true. But teach him also that for every scoundrel there is a hero, for every crooked politician there is a dedicated leader, for every enemy there is a friend.

It will take time, world, I know, but teach him if you can that a nickel earned is far more valuable than a dollar found. Teach him to learn to lose, and to enjoy winning. Steer him, too, away from bullies and teach him the secret of quiet laughter. Let him learn early that bullies are the easiest people to tick.

Teach him the wonder of books. But also give him the test of ponder the eternal mystery of birds in the sky, bees at work, and flowers on a green hill.

Teach him gently, world, but don't coddle him, because only the test of time makes fine steel. Let him have courage to be impatient; let him have the patience to be prone.

Teach him always to have faith in himself, because then he will always have faith in mankind. This is a big order, world, but see what you can do. He's such a nice little fellow ... my son!

A Mother

Miss Condon bride of Ohio State student

Miss Ellen Irene Condon was married before the altar of First Evangelical Lutheran church Saturday to Thomas Jay Rinehart.

The Rev. Ronald F. Graham performed the double ring ceremony.

A large bouquet of white summer flowers decorated the altar, lighted by candelabra. The family pews were marked with satin bows.

James Cashman was the acolyte. Mrs. Charles Ness, organist, played a nuptial prelude. She accompanied the bridegroom's aunt, Mrs. Bruce Lacombe, Shelby soloist.

Daughter of the Stanley E. Condons, 109 Plymouth street, the bride was attired in a formal gown of white organza fashioned with sheer illusion neckline and short puffed sleeves. The bell-shaped skirt was gathered gently at the raised waistline. A Schiffli embroidered overskirt extended to a scalloped hem. Matching lace bordered the chapel-length mantilla of bridal illusion.

She carried a colonial bouquet of sweetheart roses with yellow and white daisies and baby's breath.

Her sister, Mrs. George R. DeVeny, nee Hilda L. Elliott, was matron of honor.

A sister-in-law, Mrs. John B. Elliott; Mrs. William R. Miller, nee Constance Davis, and Mrs. Dennis Henry were bridesmaids.

Their dotted Swiss organza gowns were in rainbow colors of orchid, blue, green and pink. The fitted bodices were designed with short puffed sleeves and high rounded necklines banded with colored embroidery to match each shade. The skirts fell in straight lines down the front and were fully gathered around the back of the waist line.

They wore circlets of multi-colored daisies in their hair and carried baskets of carnations,

roses, daisies and baby's breath.

Nancy Rinehart was flower girl.

Her gown was similarly designed in yellow. She is the bridegroom's young sister.

THOMAS DYE WAS best man.

John Elliott, the bride's brother, and George De Veny, her brother-in-law, ushered. The bridegroom's brothers, Gary and Timothy Rinehart, and Bruce Winemiller were groomsmen.

John B. Elliott, Jr., was ringbearer.

Mrs. Condon wore pink crepe and chifton. The high neckline and waist were banded with braided crystals. So were the

wrists of the long chiffon sleeves.

Mrs. Rinehart was in long sleeved mint green crepe dress with a sleeveless lace coat.

Both mothers wore orchids.

Grandmothers of the couple, Mrs. Harvey Mosher and Mrs. R. E. Aderron, Loudonville, Mrs. C. E. Condon, Mt. Vernon, and Mrs. Thomas Rinehart, Bellville, were honored guests. They wore carnation corsages tied with silver ribbon.

A reception took place in Plymouth Elementary school. Thereafter the bride's parents were hosts at their home.

The bride's aunt, Mrs. Dwaine Simmons, Lou-

donville, registered guests.

The bride's cake was an arctic creation with a fountain and miniature figurines to represent the wedding party. Guests were assisted by Mrs. Robert Mosher, Loudonville, another aunt of the bride; Mrs. James C. Davis, Mrs. Clyde J. Lasch and Miss Carol Kirdendall, Mansfield.

The couple will live in Columbus, where both will be enrolled in Ohio State university, she majoring in speech and hearing therapy, he in architectural design.

Mrs. Rinehart is an alumna of Plymouth High school who attended Mansfield branch of Ohio State university.

Son of the Paul D. Rineharts, Mansfield route 2, the bridegroom is a graduate of Cresview High school who also attended the Mansfield campus of Ohio State university.

She was employed by Welles Department store, Mansfield, he by the Kroger Co., Mansfield.

Memorial hospital to the Earl Lynches, Shelby route 3. The Milton Lynches are the paternal

grandparents.

A daughter was born Aug. 24 in Shelby Memorial hospital to the James Harringtons, Shelby. The child is a great-

granddaughter of the late Archie P. Cornells, Plymouth, and the grandchild of Mrs. Donald Kinsel, nee Harriet Cornell.

We hope that this will clarify any misconceptions that may be in existence about the Council's purpose and action in Village affairs.

The first of these articles appears elsewhere in today's edition.

(POLITICAL ADVERTISEMENT) ARTICLE #1

JUST WHAT HAS THE PLYMOUTH VILLAGE COUNCIL BEEN DOING?

In an attempt to "set the record straight" below is a partial listing of accomplishments, related to VILLAGE FINANCES, which have been implemented under the present administration.

1. We have obtained and analyzed Village Profit and Loss Statements for the years 1968, 1969, 1970 and are keeping accurate receipt and expenditure figures for the current year.
2. We feel the Village is in the best financial position that it has been in for many years. Village funds have been reinvested in Time Certificates, which are advantageous to the village.
3. A new, streamlined group insurance policy for city employees has been obtained.
4. We have audited and consolidated city insurance contracts into a package form, covering all village assets, and which has resulted in premium savings.
5. A modern system of bookkeeping, related to the operation of our village, is being installed.
6. We have hired a capable City Administrator, William Forquer, whom we feel, is performing in a most satisfactory manner.
7. In an effort to upgrade the town, we are attempting to obtain State Issue No. 1 Funds out of Norwalk, which amounts to a government grant.
8. Records showing gasoline consumption for mowing equipment and backhoe work have been started so that the village collects 7¢ per gallon rebate from the State for off-road vehicles. Stricter control of gas consumption in all village vehicles is being observed.
9. A purchase order system to control city spending has been set up.
10. Each department of the village government is in the process of being audited.
11. The TV Contract was reviewed, and it was discovered that the village had never billed the Company and will receive approximately \$900 in back payments.
12. Village finances have been increased through the collection of sewer accounts, which had been delinquent for several years.

One of a series of Political Advertisements which will attempt to outline the positive approach to local government which has been taken by your present Village Council. Of vital interest to Plymouth Citizens, the general topics for review will include: the Purchase and Distribution of Electricity; the City Water and Sewer Departments; the Plymouth Police Department and General Civic Improvements and Projects, along with the Financial Facts and Figures stated above. The ideas, the group effort put forth by council, their discussions, actions and results described in this series of articles are all capable of verification by examining the minutes of previous council meetings, or by personal observation. It is not our intent to heap praise upon ourselves for merely performing our duties as councilmen, but to make available knowledge of councilmic efforts and achievements which have perhaps in the past escaped notice by the reading public. Obviously, we have experienced failures, and have had our share of disappointments, and certainly not all of our efforts and programs have been 100% effective. Problems and difficulties to overcome will always be present, however, our policy is and always has been to act in the best interests of all the citizens of Plymouth. This we shall continue to do.

Red must avoid serious injury

fixure at fullback. Conley is an outstanding tailback. Kim Carter is the likely choice at wingback.

All are letter winners. Cutright is the class of the material at end. Ray Hughes should do well there. For he has speed and good hands. Kelly Clark got first call at Mapleton.

IT WON'T BE EASY TO develop a substantial forward wall from holdovers because there aren't that many. With 11 lettermen -- and the possibility that Tony Amstutz can be made eligible for a 12th -- Root has only seven to choose from, enough to make one line.

Sid Ream and Mike Giordano have experience at center and guard, respectively. Joe Woodmanson is big enough to handle a tackle job.

Dave Howard, an experienced end, declined to report.

Earl Sexton and Jerry Deskins are looked upon as important factors in the interior line.

"The spirit is there," observes Root. "These boys are really up for the season. If we can get a good start and avoid injuries, we'll be representative."

Plymouth will need to be Ontario and Lexington are strong. Crestline wants to retain its crown. Clear Fork expects to rebound from a dismal season. Fredericktown and Loudonville are on the way up and Crestview is said to be much stronger than last year, when Plymouth was 4-6.

TO LIVE IN ST. LOUIS, MO. --

Billie Jean Reed weds medical student

Miss Billie Jean Reed was married in a Greek Orthodox ceremony in Dayton Aug. 22 to Pete D. Stavrides.

She is the daughter of the William Reeds, Willard, formerly of Plymouth. He is the son of Mr. and Mrs. Demos P. Stavrides, Dayton, a sophomore medical student in St. Louis university, St. Louis, Mo.

The ceremony was performed by the Rev. Fulmon Paylates, Dayton, assisted by the Rev. Anthony Sarrus, Columbus.

Given in marriage by her father, the bride wore a white gown of silk organza and Chantilly lace styled with A-line skirt, accented throughout and girt at the hemline with lace motifs. The empire bodice of lace featured a sheer yoke, high scalloped collar of lace and long, full Dresden sleeves. Her veil was of silk illusion. It was suspended from a lace and seed pearl profile. She carried a cascade of daisies in rainbow colors.

Miss Sheree Klingler, Columbus, maid of honor, and the Misses Kathy Mullins and Helen Leakes, cousins of the bridegroom, and Linda Merrow and Diann Dickson, Columbus, and Bonnie Reed, the bride's sister, Willard, were bridesmaids. Each was attired in silk chiffon in pastel colors, styled with Empire waist-

line and A-line floor-length skirt and long, full sleeves. They wore pouf veiling attached to silk

flowered profiles. They carried colonial bouquets.

JAMES MAYER, DAYTON, was best man.

John Stamatakos and Richard Rickett, Dayton; Robert Reed, the bride's brother; Willard; John Sandru, Niles, and George Stavrides, the bridegroom's brother, ushered.

Sotiraky Argeros was ringbearer. Steven Leakes carried the Stephanina, the symbolic tharas worn by the wedding couple.

Mrs. Reed chose a floor-length gown of bright yellow with white and yellow roses. Mrs. Stavrides selected a floor-length creation of turquoise with red roses. A reception took place in the church community center.

The bride is an alumna of Plymouth High school who attended Ohio State university and Columbus Business university. She has recently been a secretary in Ohio State university.

The bridegroom obtained his baccalaureate degree from Ohio State university.

They will live in St. Louis, Mo.
