

Mrs. Paddock not guilty of conflict of interest

Mayor Hugh W. Washburn, Councilman Robert L. Bachrach, Robert A. McKown, Kenneth Eichelberry and Edward O. Ramsey and former Councilmen Wayne E. Strine and William A. Forquer are dead wrong, says Attorney General William J. Brown. There is no conflict of interest because Mrs. A. L. Paddock, Jr., a councilman, reports proceedings of the council in The Advertiser nor is there any conflict of interest because The Advertiser is paid for publishing legal notices of the village.

Mayor Hugh Washburn when he was councilman joined Bachrach, McKown, Forquer and Strine in demanding Mrs. Paddock's resignation because of alleged conflict of interest. Later, after Washburn acceded to the mayorship, Eichelberry and Ramsey joined in the move.

Solicitor Joseph F. Dush was directed to obtain an opinion of Ohio's attorney-general. He did so through Huron County Prosecutor Bernard W. Freeman.

On Sept. 1, Attorney-General Brown wrote opinion No. 71-048, which is reproduced verbatim here:

"Your request for my opinion states that the only newspaper published in a village is owned by the husband of a village councilwoman. The councilwoman is also a reporter for the newspaper. The questions posed are: (1) do these facts present such a conflict of interest as would prevent the newspaper from publishing legal notices for the village, and (2) is it permissible for the councilwoman to take notes at the council meetings which she later uses as the basis for newspaper reports of said meetings?"

Section 731.21, Revised Code, sets out the quali-

fications of members of a legislative authority and provides, in part, as follows:

"... no member of the legislative authority shall hold any other public office, be interested in any contract with the village or hold employment with said village..."

Section 731.21, Revised Code, prescribes the method of publishing all village legal notices. It provides as follows:

"All municipal ordinances, resolutions, statements, orders, proclamations, notices, and reports, required by law or ordinance to be published, shall be published as follows:

(A) In two English newspapers of opposite circulation in the municipal corporation, then in one such political newspaper and one other English newspaper published and of general circulation therein;

(B) If no English newspaper is published and of general circulation in the municipal corporation, then in any English newspaper of general circulation therein or by posting as provided in section 731.25 of the Revised Code, at the option of the legislative authority of such municipal corporation. Proof of the publication and required circulation of any newspaper used as a medium of publication as provided by this section shall be made by affidavit of the proprietor of either of such newspapers, and shall be filed with the clerk of the legislative authority.

(C) If no English newspaper is published and of general circulation in the municipal corporation, then in any English newspaper of general circulation therein or by posting as provided in section 731.25 of the Revised Code, at the option of the legislative authority of such municipal corporation. Proof of the publication and required circulation of any newspaper used as a medium of publication as provided by this section shall be made by affidavit of the proprietor of either of such newspapers, and shall be filed with the clerk of the legislative authority.

(C) If no English newspaper is published and of general circulation in the municipal corporation, then in any English newspaper of general circulation therein or by posting as provided in section 731.25 of the Revised Code, at the option of the legislative authority of such municipal corporation. Proof of the publication and required circulation of any newspaper used as a medium of publication as provided by this section shall be made by affidavit of the proprietor of either of such newspapers, and shall be filed with the clerk of the legislative authority.

"In view of the necessity for publication of legal notices and the strict statutory regulation of the rates to be charged therefor (Section 7.10, Revised Code), my predecessors have held that the facts stated in your request present no prohibited conflict. The Syllabus at Opinion No. 1159, Opinions of the Attorney General for 1916, reads, in part, as follows:

"When but one newspaper is printed in a municipality in which said newspaper..."

"...the publication of ordinances and other matters therein specified is required to be made, the fact that an officer of the municipality is interested in said newspaper does not disqualify it from making said publication nor does said publication make said officer liable..."

"The Opinion pointed out, at page 7, that there was no opportunity for dishonesty under the circumstances, since:

"In the cases here presented the consideration to be paid for the publication required by the statutes under consideration fixed by statutory law and no exercise of discretion or judgment is required of any official in determining what medium shall be selected for the publication of any ordinance because there is but one medium in each case through and in which said publication may be made."

"This Opinion was reinforced by Opinion No. 1598, Opinions of the Attorney General for 1928, the Syllabus of which reads as follows:

"A member of a village council who owns the only English newspaper published and of general circulation in the village may legally be paid

the legal rate for publication of the village ordinances, resolutions, statements, orders, proclamations, notices and reports which are required by law or ordinance to be published."

"Since a village's only newspaper, which is owned by a member of the village council, may publish legal notices, it follows that the fact that a councilwoman is the wife of the newspaper's owner, and is employed by the newspaper, would not prohibit the newspaper from publishing legal notices."

"Your second question concerns the taking of notes by the councilwoman for later use in newspaper reporting. Section 731.46, Revised Code, provides, in part that meetings of the legislative authority of a municipal corporation "...shall, at all times, be open to the public. Since the meeting of the village council is, by statute, open to the public, there would be no violation if the councilwoman reports what occurs."

"In specific answer to your question, it is my opinion, and you are so advised that:

"1. Where the only newspaper published in a village is owned by the husband of a village councilwoman, such newspaper is not prevented from publishing legal notices of the village.

"2. Where the only newspaper published in a village is owned by the husband of a village councilwoman, such councilwoman may take reports of council action during council sessions as a basis for articles to be published in said newspaper concerning such sessions."

Respectfully,
William J. Brown
Attorney General

Dush wants editor to send new reporter

The contract, signed by Mayor William Fazio and Mrs. Harold Lippus, clerk, in 1969, calls for a yearly payment of \$2,500 for each utility pole in the village used by the company for a 10-year period with an option to renew the contract for another 10 years.

It has just been discovered that the company is paying over double that amount for using telephone poles. The solicitor told the council that at the time the contract was negotiated, he did not recommend because of the length of time involved and the changes in costs which could occur.

Village solicitor Joseph F. Dush said in writing at Tuesday night's village council meeting that amount for joint use of poles was signed in 1933 and the second in 1952. In the second contract a rate of 60 to 40 was set, the company paying the village for each pole over the 40 per cent rate.

The council Administrator William Forquer thinks the figure is now between 80 and 90 per cent.

Forquer says over a year ago he thought the company has not been billed nor has it paid for using the poles.

Mrs. Paddock suggested the clerk should maintain a master calendar, on which such items should be entered.

The new contract is to be studied by each council member before any action is taken.

Councilman Edward W. Ramsey said the police department is beginning a safety check on all village owned vehicles and that a report will be ready at the next meeting.

She also said the village will get \$600 from federal funds toward the cost of an \$800 police radio.

Are you in a pickle? Try making pickles, Auntie suggests

By AUNT LIZ
This is the time for making things while they are still around. And so many seem to be taking advantage of the season. It is really amazing how many pickle recipes seem to be turning up.

With the terrific variety on the shelves, I was beginning to think people simply did not bother to make them anymore. They can be very time-consuming, but there are some simple ways of preparing them that do not take days and days.

This cucumber pickle shouldn't take long at all. Start with five medium sized onions. Cut off the ends, then with a good sharp paring knife, cut about four or five good slashes down the width, going just a little bit inward. Slice the whole thing then in pieces about a quarter inch thick and put in a deep bowl.

In another bowl finely chop three cloves of garlic with two tablespoons of dill weed. Mix this very well with a cup of salt. With two and a half cups of sugar mixed with one tablespoon white pepper, mix together with the cucumber slices. Let them

stand for an hour or so. The last step is to add four cups of white vinegar. Either plan to eat them right then and there or stash them in the refrigerator for a few days.

ANOTHER NICE THING to have around for special dinners is cantaloupe preserves. They can perk up a relish dish when the snows are falling and a little can go a long way. It is the same principle as watermelon pickles and considerably easier to make.

Start with a pretty good sized melon and cut the fruit into small cubes. Sprinkle it with three tablespoons of salt and let it stand all night.

The next day, drain well in a colander and add it to a boiling mixture of one quart of water and a cup of ordinary vinegar. Bring to a boil again. Drain the melon again, toss the liquid away and start with this mixture: three cups of sugar, one cup of vinegar, one teaspoon of cloves and one tablespoon of cinnamon.

This is to be boiled for about two minutes before adding the melon pieces.

When they are added, take the pan off the stove

and let it stand for an hour or so before putting it in small, very sterilized jars and sealing.

A little aging helps this recipe, and it should have its fullest flavor about Thanksgiving time.

THERE ARE ALL sorts of chutney recipes to make now, too. The very best, which we all like the best, we buy, since it is made from mangoes, the real kind, not what is really a green pepper, and they are too hard to find, and when you do find them, almost too expensive.

For a pseudo-chutney, which can be very tasty with a roast, this is a rather economical recipe because about all of it may be growing in your back yard.

Prepare three pounds of tomatoes which are peeled properly, two seeded green peppers, a pound and a half of peaches, peeled and pitted, and two onions.

These should be chopped together. Add three fourths of a cup of seeded raisins, a quarter pound of preserved ginger, two cups of brown sugar, one and half cups of vinegar and a tablespoon of salt.

Cook slowly until it is thick, which should take about a whole morning or afternoon. Put in small jars and seal. You purposely want it in small doses because when served, you do not need much, and once opened and left around, it somehow loses something.

Mrs. Charles Seaholts celebrated her birthday anniversary Aug. 25 at a picnic in Mary Faye park with the John Seaholtses, Willard, and the Gordon Seaholtses, Kent, who were here for the week to visit the young Mrs. Seaholts' parents, Mr. and Mrs. John A. Weller, Fire Chief and Mrs. Judson A. Morrison vacationed in Canada last week and drove as far as Quebec.

Recent honor graduate of Mansfield General hospital school of nursing, Mrs. Gerald McKown, Plymouth route 1, will join the hospital's staff as a registered nurse.

OF DAVID L. WILLIAMSON --

Gena Postema bride

Miss Gena Lynn Postema was married to David L. Williamson before the altar of Celeryville Christian Reformed church in a double ring ceremony by the Rev. Clarence DeHaan Aug. 27 at 7:30 p. m.

She is the eldest daughter of the Wilford Postemas, Route 598. He is the elder son of the Luce Williams, 371 West Broadway.

Both are students in Ball State University, Muncie, Ind.

Given in marriage by her father, the bride carried five long-stemmed yellow roses tied with yellow and white streamers, wearing a gown of white silk organza over crepe-backed satin. The gown was styled with long double organza sleeves and chapel-length train. Three rows of lace marked the front of the gown, five rows the back. Her veil was of Camelot style.

Her sister, Paula Ann, was maid of honor. A cousin, Peggy Adair Postema, and Dorothy Jean Hawk, a high school classmate, were bridesmaids. A younger sister, Amy, was junior brides-

maid. Another cousin, Beth Murray, daughter of the Richard Murrays, was flower girl.

The maid of honor was attired in a yellow crepe of floor length with long sleeves. Braided strands accented the waist.

The other attendants were dressed similarly save in orange.

THE BRIDEGROOM'S brother, Steven, was best man.

His cousin, Ray Lenczowski, Columbus; another cousin, Rocky Black, Burlington, and Thomas Reid, Howa, Ind., ushered. The bride's younger brother, Brad, was ringbearer.

A 1970 alumna of Plymouth High school, the bride attended Bowling Green State university for her freshman year. She will major in special education in Ball State, where the bridegroom, a 1969 alumnus of Plymouth High school, is a junior, majoring in radio-television production. He is production director for WBST in the university. He belongs to Alpha Phi Omega fraternity.

A reception for 200 took place in the church rooms, where a buffet dinner was served.

'71 graduates heading for 11 campuses this month

Fifteen 1971 graduates of Plymouth High school will attend colleges and universities this month. It is the smallest percentage in 12 years. One reason, say some experts, is "tight mon-

ey and increased fees". Another is that many colleges (although none that are state-supported in Ohio) advanced the level of ACT or SAT score minimums for entering freshmen.

A third, say these same experts, is that the draft law is "confused" and some boys are reluctant to get started if they can't expect to finish with a deferment.

Shiloh Grange reelects Thomas Kranz as master, to meet Wednesday

Shiloh Community Grange No. 2608 re-elected Thomas Kranz master for the coming year.

Other officers are Robert Forsythe, overseer; Mrs. Harvey Yost, lecturer; James Russell, steward; Russell Dinninger, assistant steward; Mrs. Paul Kranz, chaplain; Mrs. Harvey Yost, treasurer; Mrs. G. Deming Seymour, secretary; Richard Seymour, gatekeeper; Mrs. Forsythe, Ceres; Mrs. John Helfner, Pomona; Mrs. Russell, Flora; Mrs. Dinninger, lady assistant steward; Paul Kranz, executive committee.

At Wednesday's meeting James Suter will speak to the Grangers on "Drugs and Alcoholism". A 12th grader in Plymouth High school, he attended a three-day seminar this summer at the Ohio Dominican college, Columbus. Two Buckeye Farmers 4-H members, James Miller and Richard Seymour, will give the talks they presented at the Ohio State fair. Making plans for the evening's program are Lucille Russell, Jeff Yost, Helen Wells, and L. Chila. Mr. and Mrs. Robert Forsythe, Mr. and Mrs. David Rish will provide the refreshments. Mr. and Mrs. Derrell Parker are the parents of a 6 1/2 pound daughter, Amy Elizabeth, born Sept. 1. Mr. and Mrs. Harold Russell, Macon, Ga., are the grandparents.

Weekend visitors of the Lutheran parsonage were Mrs. Gentszler's parents, Mr. and Mrs. Frank A. Griesbacher, and her grandmother, Mrs. Margaret A. Loesch, all of Long Island, N. Y. Deborah Dawson will leave Saturday for the Isle of Syll, in the North Sea where she will be working at a camp that is part of the Hamburg, Germany, school system.

Vicki Gilger will return to Ohio State university to resume classes Sept. 29.

Sara Adams is spending a 10-day vacation with her father, Clyde Adams. She will begin her second year of nurse's training when she returns to Columbus.

Mr. and Mrs. Alvin Carretre spent the Labor day weekend in Ft. Wayne, Ind., with the Francis Garretts.

Kay Forsythe, Columbus, spent the weekend with her parents, Mr. and Mrs. Robert Forsythe. Mr. and Mrs. Robert Forsythe, Jr., Lexington, were Sunday guests.

Mrs. Maxine Simpson, Pittsburgh, Pa., and Mr. and Mrs. Francis Tenney, Pitcairn, were weekend guests of Mr. and Mrs. David Dick.

Nineteen members of the family of Mrs. Emma Lutz met at the Robert Wagner home Friday evening for a picnic supper. They came from Galena, Fla.; Crestline, Tiffin, Bucyrus, Shelby and Shiloh.

Members of Angelus Chapter, OES, who attended the Past Matrons association meeting in Bucyrus, Saturday were Mrs. C. O. Barner, Mrs. Fern Frennger, Mrs. Frank Dawson, Mrs. Atee Imhoff and Miss Ollie Zeligler.

Holy communion was celebrated Sunday in Mt. Lutheran church. Worship hour returned to 10:45 a. m.

Angelus Chapter, OES, resumed regular meetings yesterday.

Past Matrons will meet tomorrow at the home of Mrs. Veri Malone.

Shilohetres 4-H club conducted the final meeting of the year in Mary Faye park, Aug. 17. After swimming and sack lunch the meeting was called to order by the president, Teresa Larabee. Roll call was answered by expressing one's idea of 4-H. Complete project books and grade ribbons were given out.

Report of fair activities included: Mary Beth Kranz, health queen attendant; Laureen Larabee, Jennifer Kranz and Diana Nesbitt, style revue entrants;

Teresa Larabee, Diana Nesbitt, Barbara Cuppy, Linda Garrett, Mary Beth Kranz, food revue entrants; Teresa and Mary Beth receiving a first, Diana a second; Barbara Cuppy, Maureen Flora, Teresa Larabee, single decorations, and Diana Russell and Jennifer Kranz, and Beth Kraft and Laureen Larabee, team demonstrations. Both teams were first place winners, the team of Kraft and Larabee receiving the Ohio Edison award of the day. Teresa Larabee won and went to the state fair. Maureen Flora placed second with her demonstration.

A Christmas party will be planned in December. Jon Daup returned Monday for his senior year at Ashland college.

Jacque Daup left for Spring Arbor college, Spring Arbor, Mich., for his second year.

Mrs. Barbara Daup Ruckman will teach in Colonel Drawfoot school this year, having concluded four years of college last spring.

Her husband will again teach in Madison school. He took an eight week course at OCU this summer, working on his Master's degree.

Sara Kranz who graduated from Ashland college last spring, will

teach at John Sherman Junior High school, Mansfield.

Mary Beth Kranz will leave Sept. 27 for Elkhart, Ind., where she will

enter the Elkhart Institute of Technology, to become a medical laboratory technician.

Timothy Rook returned to Heidelberg college,

Tiffin, last week. This will be his senior year.

Mr. and Mrs. Ralph Richards of Ashland were Sunday callers of Mrs. Ruth Forsythe.

Mrs. Emma Lutz spent last week in Crestline with her daughter, Mrs. Clarence Hench.

Mr. and Mrs. David Dick attended the Dick family reunion at Seltzer park, Shelby, Sunday. The Dicks spent Friday with the Carl Wagners in Van Buren.

Mrs. Woodrow Huston and Mrs. Chester Bell were in Warsaw Sunday to attend services in the Methodist church, where the Rev. Richard G. Harper is pastor.

On Sunday, a surprise party was given for Mrs.

James Allen, Jr., Willard by her daughter, Mrs. Clell Jones, at her home in Shiloh route 1. Three of Mrs. Jones' children with their families attended, 10 in all. Mrs. Allen has a son in service in Vietnam. He could not be present.

Article No. 2

JUST WHAT HAS THE PLYMOUTH VILLAGE COUNCIL BEEN DOING?

This is the second of a series of articles which our Plymouth Council will use to advise you of the 11 important improvements in our Electric system. Please read on --

1. Trimmed approximately eighty per cent of the trees necessary to be trimmed in Plymouth on all streets and areas to protect power lines and make street lighting more efficient.

2. Spent approximately fifteen thousand dollars on the electric system in 1 1/2 years. Approximately 25 new street lights, upgraded Willow Root, upgraded Trux street, reid Border's Market, Mack's Market and Kaple Larbee Co, thereby increasing revenue for the Electric Dept. Moved all street lights on Sandusky street to one side.

3. Removed and replaced obsolete arc street lighting.

4. Removed street lighting from alleys and placed on streets where needed.

5. Installed new poles and new wiring on Maple St.

6. Rebuilt emergency electric engine at water plant and acquainted personnel with its operation.

7. Evenly distributed the consumer load on each primary circuit and installed larger transformers where needed to upgrade our power system and prevent future failure.

8. Revised all electric hookups so the policy to each user is on an equal basis.

9. We have collected 90 per cent of the delinquent electric Bills.

10. Have started to repair or replace electric meters.

11. For the past 6 months we have sought the advice of not less than 4 electrical consultants concerning the electrical problem that exists at the high school. Conflicting opinions prevented an immediate remedy. We feel the problem is now solved and are proceeding as fast as possible to implement changes as recommended by the consultant. Bids have been let as required by law. The job will be completed soon.

In some areas transformers were not large enough. At this time transformers have been installed to accommodate the power factor, which is the basis for charge by the Ohio Power Co.

In the next issue we will present the improvements and repairs made in the water department.

Please bear in mind that these facts may be verified through inspection of the minutes of the meetings or personal observation.

Wheat allotments sent to farmers, Nolan reports

"Notices of farm wheat allotments for the 1972 crop to be mailed to wheat producers should be in the mails now," Patrick J. Nolan, chairman, Huron County Agriculture Stabilization and Conservation Service committee, announces.

Individual allotments represent each farm's share of the 19.7 million acre national domestic wheat allotment," Nolan says. Producers may grow any number of acres of wheat and still participate in the 1972 wheat program by setting aside an acreage equal to 83 per cent of the farm allotment. Soybeans, corn, grain sorghum or barley may be substituted for wheat to preserve the farm wheat history.

Farm projected yields for 1972 wheat will be announced later. Wheat growers wishing to establish a proven yield have until Sept. 20, 1971, to submit their evidence of production to the county ASC office.

Sign-up dates for the new wheat program will be Feb. 28 through April 9, 1972.

Hammans' trotter wins

Cousin Cap, a two-year-old gelded trotter by Hild out of Cousin Mattie, owned and campaigned by the Jesse Wayne Hammans of Shiloh, won the \$1,500 purse in a two-year-old harness race at the Ohio State fair Aug. 31.

Driven by Frank Hansen, Bucyrus, the winner was timed in 2 mins. 12 1/2 secs.

Cousin Cap has previously trotted at Hilliard, Tiffin, Atica, Bucyrus, Wellington and Mt. Gilead and finished in the money five times.

Thirty-three of her family and friends gathered at the Hugh Boyce home Sunday to celebrate her

birthday anniversary. They came from Willard, Hamsfield, Canton, Republic, Hayeville, Mansfield, Greenwch and Shelby.

On Aug. 22, 64 members and four guests of the Hamman family conducted their annual reunion at Mary Fete park. Mr. and Mrs. Vinal Cox, Ormond Beach, Fla., were the only out-of-state attendees. Others were from Willard, Mansfield, Shelby, Plymouth and Shiloh. Mr. and Mrs. Cox, the former Leola Hamman, spent the past 10 days visiting here.

Miss Patricia Kim Irelan, daughter of Mrs. Col-

sen Irelan, Shiloh, and of Joseph Irelan, Mansfield, and Marvin Dean Smedley, London East road, were wed Saturday before the altar of the Church of God in Shelby. They will live in a trailer in Sandusky street, Plymouth, where he is custodian in Plymouth schools.

Mr. and Mrs. George Adams have purchased and occupied the Moore home in West Main street.

Mr. and Mrs. Paul Kranz went to Plattsburg Sunday to see their new grandson, Michael Dale, born to Mr. and Mrs. Edwin Kranz, Aug. 4.

Red favored to win opener, but it may be uphill thereafter

Despite a sluggish, if not wholly unsatisfactory, performance in a controlled scrimmage with Western Reserve here Saturday, Plymouth's Big Red sets out to break a losing streak by tackling South Central there tomorrow.

Only because the Trojans are weaker than they ought to be, Plymouth is a one touchdown favorite. The rating is a qualified one, for it depends on whether John Conley is available. He has a pulled leg muscle and did not suit up Saturday.

Two other players upon whom Coach Larry Root counts heavily also did not play. These are Sid Ream, who will play a good deal at guard when his dislocated finger heals, and Joe Woodmansee, a big tackle and letter winner who has sore ribs.

Plymouth's second string outshone the starters in Saturday's exhibition. But it is plain that lack of experience at quarterback is apt to cost Root some grey hairs. Neither Larry Taylor nor Jeff Fazio has served much time there, and Ray Hughes scarcely any, but these are the three Root must depend on. Fazio's performance Saturday was superior to that of Taylor, but then Fazio was operating largely against second stringers. If Conley is ready, Plymouth will start him with Kim Carter and Bill Van Wagner to carry the ball, with Taylor initially calling the signals.

Up front, Kelly Clark and the veteran Jim Cut-

right will man the flanks. If Woodmansee is ready, he will play tackle. Earl Sexton gets the call at the other. Mike Glorioso and Ream will start at guard and Jerry Deskins

over the ball.

The Trojans have a new coach, a new system and, they say, a new attitude. If these are true, Plymouth may have its hands full.

But on past performance, the Big Red should prevail. It will need all the experience it can get, because it faces powerful Monroeville there in the next game.

A POSSIBLE LEADER

A little child shall lead them
 Is what the prophet foretold.
 When war will be studied no longer
 And the lion brings no harm to the fold.
 When swords shall be beat into ploughshares
 The pruning hook made from the spear.
 Atom power used for the good of all
 And not be something to fear.
 So heed what you do and say
 To each child - and never cease,
 To guard against harming a leader
 Who could bring everlasting peace.

The Bible Answer To Rest From Religion

What is religion? The dictionary says, "Any system of faith and worship." Religion is the keeping of rules and ceremonies so as to be accepted by God. Religion is embracing a lot of facts about God. But unless you know God personally and experimentally, religious facts and ceremonies are a drag.

But true Christianity is more than embracing facts about Jesus. True Christianity is embracing the Person these facts embody, Permitting Him to live in you and through you. Walking with Him and talking to Him. Sharing each joy and sorrow, following His will and plan for your life. This is living. Jesus said to the religious people of His day who were finding religion a drag, "Come unto Me, all ye that labour and are heavy laden, and I will give you REST." (Matt. 11:28).

RELIGIOUS FACTS AND CEREMONIES ARE A DRAG BUT JESUS CAN GIVE YOU REST!
