

Man burned in accident on farm

Mrs. Robert Beck was released Friday from Cleveland clinic where she underwent major thoracic surgery.

Charles F. Karnes, former Plymouth resident, is a cardiac patient in Gallon Community hospital.

Mrs. Harvey Robinson underwent abdominal surgery in Willard Area hospital Sept. 7.

Mrs. Victor Coffey, Shiloh, Mrs. John Foley and Mrs. Roy Roberts were admitted to Shelby Memorial hospital Sunday.

George Conley, Shiloh, was admitted to Willard Area hospital Thursday. Rose Tuttle and Karen Bannenthorn were admitted at Willard Saturday.

Margaret Pennell, Foster Kelnath and Mrs. Lillie Post were admitted at Willard Sunday. Ronald Cook was released at Willard Sunday.

Richard Capelle, Plymouth route 1, was admitted Sunday to Mansfield General hospital.

Newsy notes . . .

A daughter was born in Willard Area hospital Saturday to Mr. and Mrs. Timothy Kosse.

Golfers tie with Colts, Ontario wins
Red golfers won one, tied one and lost one in a quadrangular match at Peeble Creek Monday.

Ontario scored 164, Plymouth and Clear Fork 171, Lexington 176. Bob Davis with a 38 was medalist.

Summary:
Plymouth: Steve Shutty, 45; Bob Davis, 38; Steve Fenner, 46; Jim Shutty, 42; Jeff Ream, 46; Mike Dick, 47.

Ontario: Jeff Koozer, 39; Jeff Wright, 40; Steve Wright, 42; Frank Hanah, 44; Chris Connelly, 43; Scott Pientinger, 45. Clear Fork: Bill Ridenour, 41; Craig Eyster, 44; Jeff Banks, 49; Kyle Schonauer, 47; Brad Howell, 54; Tim Coey, 46.

Lexington: Bret Yates, 44; Matt Tracy, 44; Dave Dunlap, 49; Jim Gish, 47; Mike Ek, 46; Harvey Eggleston, 42.

Why are bills late?

Village council heard Sept. 7 why utility bills have been late, some good news from Donald Vanderpool, captain of the ambulance squad, and re-ambulance squad, and a request by Ohio Power Co.

The billing machine simply does not work well, the council was told. And because it doesn't work well, July bills were out late. The new utility clerk, Mrs. Joseph Maynard, needs to learn the machine, if it can be suitably repaired.

And she could not begin August bills during the first week of September because the council hadn't set a cut-off date on the penalty for late payment.

Five members of the ambulance squad, Vanderpool, Kenneth and Kevin Echelberry, Mrs. Larry Lauer and Mark Didion, will attend an all-day session at Mansfield General hospital Sept. 25 on the emergency care of respiratory ailments. The council authorized the payment of \$5 each for the registration.

Vanderpool reported the village has eight certified persons qualifying under the new state law, so "we are in good shape". The new law requires rigid training that most volunteer crews do not have and exercised many communities when it was announced Sept. 1.

The mayor said she and Vanderpool agreed under no circumstances would the village fail to answer a call, even though its crew might not qualify. At the time the village had not been notified that the eight were certified.

Councilman D. Douglas Brumback engaged the

Carlton Ehret has sold 108 acres in Plymouth township to Donald L. Schroeder, Richland county recorder reports.

Snyder charged with untidiness

Earl C. Snyder, New Haven township, has been charged in Huron county common pleas court by the county prosecutor with allowing filth and offal to collect on his property.

The offense is a minor misdemeanor.

mayor in a cat-and-mouse game.

The pay ordinance was passed which gives a 10 per cent raise to all employees retroactive to Aug. 8. Brumback questioned the mayor as to the availability of funds. She said all funds with the exception of the general fund could meet the new rates. She would not say the general fund could afford it. She suggested removing any employees paid from that fund from the pay ordinance.

Charles Moulton, district manager for Ohio Power Co., asked the council to approve an ordinance giving the company a franchise for 50 years to cover the equipment it has in the village in order to furnish power. No action was taken until the council studies it further. McKown suggested a change in wording of one section which he believes put the power company in competition with the village for customers.

A special meeting was called for Saturday morning to consider a request by Carl Hass, who lives in Walnut street, to connect to the sanitary sewer on an emergency basis.

Councilman James L. Jacobs, Sr., was in hospital. Councilman Hubert V. Akers was at work. Only Councilman Tony Patton showed up and he and the mayor agreed to support Hass's request. Two other councilmen were seen on the Public Square at the appointed hour but apparently did not wish to attend the meeting.

Mrs. Novak, 50, dies in Toledo

Sister of J. Robert Martin, Mrs. Jane Martin Novak, 50, Toledo, died in St. Vincent's hospital there Thursday at 8:30 p. m. of a lengthy illness.

Prior to her illness, she was employed more than 25 years by Ohio Bell Telephone Co. in Toledo, where she lived over 30 years.

She is also survived by a sister, Mrs. Kathaleen Czerwinski, Johnstown, Pa.

Services were conducted from St. Charles Roman Catholic church in Toledo Monday at 11 a. m. Burial was in Toledo.

12 first, second graders to be bused to Shiloh

To equalize class enrollment among first and second graders, five first graders and seven second graders will be bused to Shiloh Elementary school, Plymouth Board of Education ruled Monday night.

The move came after Supt. John Fazzini recommended pupil load among first and second grade teachers be equalized. The transfers will reduce first grade classes here to 52 pupils and increase those at Shiloh to 52. Second grade classes here will be reduced to 49 pupils and increased at Shiloh to 56.

Official enrollment was expected to increase by about two per cent to 1,490 pupils. Instead, Fazzini reported, it is 1,454 pupils, of whom 628 are assigned at Shiloh. These include 38 individual education pupils, 94 in eighth grade, 108 in seventh grade, 97 in sixth grade, 58 in fifth grade, 50 in fourth grade, 46 in third grade, 49 in second grade, 47 in first grade and 42 in kindergarten.

Pupils assigned to Shiloh schools number 82% of whom 68 attend Pioneer Joint Vocational school, leaving a total of 758 in classes here. These include 62 in 12th grade, 86 in 11th grade, 124 in 10th grade, 134 in

ninth grade and 352 in the elementary school. There are 67 pupils in fifth grade, 60 in fourth grade, 48 in third grade, 64 in second grade, 57 in first grade and 56 in kindergarten.

Deed to the Charles Rhine army premises will be delivered to the board Oct. 7 at 11 a. m. Mrs. Kenneth Sander was hired as part-time secretary in the DPPE program. She will be paid \$2.72 an hour.

Rudolph Holthouse dies at Celeryville

A pioneer in the truck farming business at Celeryville, Rudolph Holthouse, 77, died Monday at his home there.

He was in failing health for many months. With his brothers, he was a founder of Holthouse & Sons, produce growers.

He was a member of Celeryville Christian Reformed church.

He is survived by his wife, Janna; three sons,

Wayne H. Strine, retired junior high school principal, was hired as part time library aide at \$2.65 an hour.

Miss Sara Kranz, Joseph Rice and William K. Northrup, 2nd, were assigned as driver education instructors, to conduct driver training after school and on Saturdays.

Miss Kranz was assigned as girls' varsity track and field coach. Paul McClintock and Jer-

ry Julian were assigned as junior high boys' track and field coaches.

Repair of boilers in Plymouth Elementary school will be undertaken, the board ruled unanimously (R. Harold Mack was absent), on the basis of a price quotation of about \$2,500.

Cynthia Ann Vasilakos, Ashland, was hired as learning disabilities tutor at Shiloh for \$6 an hour.

Salary of John Leonard, fifth grade teacher at Shiloh, was adjusted upward because he now holds the master's degree, obtained from Michigan State university at East Lansing during the summer.

Fazzini reported the district received an overpayment of \$3,880.48 in state foundation funds last year that must be recovered by the state this year. He also said the state foundation payment will be cut by \$6,327.25 during fiscal year 1977 because the level of experience of Plymouth district teachers is below the state average.

Shiloh names trustee

A 33-year-old electrician at Empire-Detroit Steel works, Mansfield, was named to a vacancy as trustee of public affairs at Shiloh Sept. 8. He is Danny Adkins. He will take one of the posts vacated by Robert Moser and James Blankenship, who resigned in a huff after Councilman Frank Cline criticized operation of the water department.

Both resignations have been accepted. Village of Shiloh will

offer a reward of \$25 for information leading to the arrest and conviction of the person or persons who threw a brick through the window of a van owned by Patrolman Dale Keesy, which was parked at his premises.

Sealed bids will be received up to noon on Oct. 2 for the sale of 10 acres of land owned by the village at the Little League field. The land was donated by the late Arlo W. Firestone. It is hoped an

industry will buy the land, which is served by municipal utilities.

Mayor Grady McDonaid announced he will enforce the curfew ordinance from Sept. 15. Children under 18 must be off the streets from 9 p. m. to 5 a. m. The curfew continues through Nov. 1.

Any children found in violation will be apprehended by police and their parents will be summoned with them.

By 12 to 6 —

Red victors over Trojans

A magnificent defensive performance by Co-Capt. Forest Dent led Plymouth to a 12 to 6 victory over South Central in the first game of the season here Friday night.

It was the first victory over South Central in five seasons and the first win in an opening game in six. Plymouth dominated throughout, save for the final four minutes, when the Trojans mounted a passing attack, indeed a sensational one, to score their lone touchdown. The visitors gained all but three of their 57 yards through the air in the final period, 27 of them on a sensational play in which

Braintrust of Big Red team in third game with Hopewell-Loudon (and the Chieftains have yet to win here tomorrow: Coach Mike McFarren and Co-Capt. Forest (Mick) Dent and Jimmy Cunningham.

Tony Hall passed over the line to Kevin Wilhelm who then lateraled to Rick Lucal. This gave the Trojans first down on the Red 10. Four plays later the visitors were in the end zone on an eight yard pass play from Lucal to Mark Clark.

Plymouth drew first blood as the first period was running out.

Dent blocked the first of two punts he was to stop this splendid night for football. Plymouth took over on the Trojan 30. It came at the end of Plymouth's second possession.

The Big Red needed nine plays to score. Jim Wallace bolted the final two yards with 32 seconds left on the clock. The big gainer was an 11-yard shot by Charlie Mack on second down that took Plymouth to the Trojan 18. A five yard penalty for illegal procedure set Plymouth back to the 12 after Mike Messer and Mack had taken the Big Red to the seven.

The place kick for PAT was low.

SOUTH CENTRAL DID not penetrate Plymouth territory at any time until its final possession of the game, with about three minutes left. That came on an interception of Tom Miller's pass at the Trojan 46. After a seven yard loss, Hall hit Wilhelm for 16 yards that brought the visitors to Plymouth's 39, their first entry into Red territory.

That Plymouth limited South Central to just 79 yards on the ground showed how awesome was Plymouth's defense. Dent was credited with nine solo tackles in addition to the two blocked punts. Plymouth produced its second touchdown on its first possession of the second period. The Big Red took over after a Trojan punt at the South Central 49, thanks to a nifty runback by Ray Gaultlett from the Red 42. Jimmy Cunningham got four, Mike Messer 10, then on first down Mack was thrown for no gain.

On second down he swept left end for the TD, running 34 yards on the fifth play after the punt. Miller's pass for Ross in the end zone was a bit long.

Plymouth led in the statistical fight at halftime, with eight first downs in 31 plays, 108 yards on the ground, 17 in the air on one completion in three tries. South Central had two first downs in 21 plays, with 44 yards rushing and three yards passing on a single completion in three tries.

PLYMOUTH WAS NOT without heroes. Bob Schriener played well up front. When Plymouth moved to its left with such consistency in the first half, which is unique for schoolboy football, the whole left side of the Red forward wall

was executing splendidly.

This is a team that should ripen as time goes on. Most of its players have little experience. Indeed, only nine 12th graders are on the roster, and three of them are in their first season. This has been billed as a "rebuilding year". If indeed it is, Plymouth fans have much to look forward to.

Score by periods:

S	0	0	0	6	--	6
P	6	6	0	0	--	12

Golfers lose to Bucks by six

Buckeye Central whipped Plymouth in a dual golf match at Cranberry Hills Sept. 8.

The score was 158 to 164.

Summary: Buckeye Central: Paul Kehres, 42; Rick Kehres, 38; Chuck Miller, 42; Chris Heydinger, 36; Bill Snipes, 43. Plymouth: Steve Shuty, 38; Bob Davis, 35; Steve Fenner, 46; Mike Dick, 47; Jim Shuty, 45. Buck reserves took Plymouth, 169 to 187.

Harriers win first, 17 to 43

Big Red harriers opened their 1976 season here Thursday with a convincing 17 to 43 victory over Black River.

Plymouth took the first three places.

Tim Lewis, in the footsteps of his illustrious brother, Steve, was home first in 10:29, a minute and 10 seconds ahead of the lead runner among the Pirate pack.

Summary:

Won by Lewis (P); Sutter (P), second, 11:25; Bill Tackett (P), third, 11:28; Mark Morgan (B), fourth, 11:39; Mike McClain (P), fifth, 11:42; A. Parkinson (P), sixth, 12:08.

The power company's job is to help you with your job.

All of our jobs, as well as the basic quality of our lives, depend, in part, on a stable supply of electric power.

But the price of electricity has been going up. And a lot of people are worrying about the possibility of shortages in a few years.

These are serious problems. Not just for you. For all of us.

Because without electricity machines stop. Work stops. Paychecks stop. The economy suffers. And progress stops.

So, how do we deal with this?

By working together.

At the power company, we're continuing to expand our search for economical fuel sources. Planning for new facilities that will be needed in the future. And, we're continuing our efforts to hold our operating costs in line so we can efficiently provide the electricity that helps all of us get our jobs done.

How can you help? By using electricity wisely. On the job. And at home, too.

You can also help by understanding and sharing the joint responsibility we have in assuring our electric supply.

And working together offers the best chance for all of us to get the job done.

Ohio Power Company
Working together is the only way.

Here's gist of new rules

Football fans may watch for three significant changes in the rules governing schoolboy football.

Most controversial is the "attacking rule," which appears on the books this season in an effort to prevent serious injury.

Basically, what it says is that it is a foul to use the helmet head on in a defensive maneuver.

In these two simulations, Coach Richard Roll essays the defensive role, with Co-Capt. Jimmy Cunningham as the ball carrier.

Note that in the upper photograph, Coach Roll's head is squarely in the ball carrier's stomach. This is a foul, and will cost the defensive team 15 yards from the point where it occurs.

In the lower photograph, Coach Roll's head is clearly to the side, or away from the stomach. This is a legal tackle.

The other changes seem less significant.

One of them relates to the defensive lineman's maneuvers before the ball is snapped.

Heretofore, he could violate the neutral zone and escape penalty so long as he recovered his position before the ball was snapped.

Now he can't do that. He is subject to an illegal procedure penalty if he conducts himself in such fashion.

Third rule change allows one coach to enter the huddle with either team during a time out.

Here're scores . . .

Here're schoolboy football results last week:

Hilldale 22, Loudonville 0;
Ontario 34, Bucyrus 8;
Crestline 6, Northmor 0;
Clear Fork 20, Mt. Gilead 6;
Plymouth 12, South Central 6;
Malabar 26, Lexington 14;
Marion Catholic 18, Fredericktown 15;
Smithville 0, New London 0;
Monroeville 32, Seneca East 7;
Black River 31, Key-stone 0;
Northwestern 14, Mapleton 0;
South Amherst 6, Western Reserve 0;
St. Mary's 13, St. Paul's 6;
Edison 14, Columbia Station 13.

Here's slate, this week —

Here's schoolboy football slate for this week:

TOMORROW:
Marion Catholic at Crestline;
Big Walnut at Clear Fork;
Columbus Mohawk at Ontario;
Lexington at Gallion;
Mt. Gilead at Fredericktown;
Northwestern at Loudonville;
Lucas at Crestview;
Plymouth - Loudon at Plymouth;
Seneca East at South Central;
Hilldale at Mapleton;
Clearview at New London;
SATURDAY:
Monroeville at St. Mary's.

The Old Timer —

On grid statistics --

After 41 seasons of covering schoolboy athletics, The O. T. has some fixed ideas.

One is that keeping of statistics is more difficult in schoolboy football than in any other sport. And the lower the classification, the harder the job. Reason: the fields aren't so well lighted, not nearly so well marked and the vantage point of the observer is nowhere near the equal of professional, college or big high school ball.

Which accounts for the variance in statistical data from one medium to

the other. The guy who's keeping them can write down only what he sees, and if his angle is poor, there'll be some difference between what he reports and what another man on the sideline submits.

Nevertheless, there are some rules that have been settled upon and everybody ought to follow them.

One is that the offensive team gets credit for a first down whenever it scores, no matter how it scores. Even if it's first and goal from the six inch line. Score a TD and you get another first down.

Punts are measured from the line of scrimmage to the point of touch, whether the ground or the receiver. At least this is true in high school ball.

A blocked punt is counted as minus yardage if it is recovered behind the line of scrimmage.

A muff and a fumble are counted as one and the same thing, statistically.

If the offensive team completes a pass for, say, 20 yards, then commits a dead ball foul costing it 15 yards, credit 20 yards to the passing attack and show 15 yards lost by penalty.

Miss Errecarte wed in Lakewood church

Robin Rene Errecarte became the bride of Mark Thomas Landers in an early evening ceremony Aug. 28 in St. Peter's Episcopal church, Lakewood.

She is the daughter of Mrs. Philip Tomic, Lakewood, and the granddaughter of Mr. and Mrs. Thomas J. Weber. Mr. Landers is the son of Mr. and Mrs. John Landers, Holmdel, N. J.

The couple exchanged their vows in the candle-lit church before the Rev. Richard Morris. Bouquets of fall flowers decorated the altar.

The bride party approached the altar as the organist played Purcell's "Trumpet Voluntary".

Given in marriage by her step-father, the bride wore a white silk organza gown trimmed with lace appliques designed by William Cahill. A lace Juliet cap held her veil, which also was appliqued with lace. She carried a bouquet of stephanotis with small white chrysanthemums and a white orchid.

When Rogers, Houston, Tex., was her maid of honor.

Pamela Hartford, New York, N. Y.; Nancy Cohen, Boston, Mass.; Jaceyln Watts, San Francisco, Cal., and Mary Ann Bernard, Lakewood, were bridesmaids.

Kimberly Weber, daughter of the John Web-

bers, Mansfield, was the flower girl.

They wore gowns of apricot chiffon designed with V necklines and wide collars. From the fitted bodices, the skirts fell into soft folds. Their bouquets were nosegays of fall flowers.

Kimberly carried a basket of white daisies.

Kenneth Fong, New York, N. Y., was the best man. Raymond Kelly, Oceanport, N. J.; Michael Mosco, Union Beach, N. Y.; Curtis Hart, Hazlett, N. J., and Robert Liechty, Denver, Colo., ushered.

Mrs. Tomic wore a taupe colored chiffon gown designed with full long sleeves and a full skirt with a shirwalet bodice.

The bridegroom's mother wore a coffee colored knit with a wide shawl front.

Mrs. Weber chose a turquoise chiffon with long sleeves. The gown was trimmed with small floral embroideries.

Douglas Winans, son of Mr. and Mrs. J. Michael Winans, Cleveland, registered guests.

After the ceremony, a dinner was served at the Clifton club. Guests were seated at tables for eight which were decorated with arrangements of fall flowers. An orchestra played for dancing.

The young couple left afterwards for Put-In-Bay.

They will live in Holmdel, N. J.

Both received a bachelor's degree from Yale university, New Haven, Conn. He was a member of Scroll and Key.

The Landerses were hosts at a rehearsal dinner Aug. 27 at the Golden Bowl.

Mrs. Albert Feichtner has visited her daughter, Mrs. Louisa Purcell, in Vermilion. Mrs. Feichtner was a guest at the 50th wedding anniversary celebration of the Clayton Albright. Her daughter spent the Labor day holiday with the Clayton Purcells at Buckeye Lake.

Miss Poth betrothed to Shilohan

Miss Marcia Irene Poth has promised to marry Ronnie Eugene Thompson, son of the James Thompsons, Shiloh, her parents, Mrs. Jean Poth, Plymouth and Walter B. Poth, Shiloh, announce. No wedding date has been chosen.

CHURCH NEWS

Methodists . . .

United Methodist churches of Plymouth and Shiloh combined parish council on Monday night to meet today at 7:30 p. m. in the Plymouth church. United Methodist Youth Fellowship will serve a spaghetti dinner with salad bar Saturday from 5 to 7 p. m. in the Plymouth church. Donations for the meal will be \$2.25 for adults and \$1.25 for those under 13. Public is invited.

Jennifer Cole and John Hutchison were the recipients of Bibles during the worship hour Sunday as part of the promotion day activities of the Plymouth church school. During the church school hour those children being promoted received certificates at the opening session, conducted by Mrs. Fred Port, superintendent.

Plymouth church choirs have resumed their practice schedules for the fall and are meeting on new days, adult choir on Wednesdays at 7 p. m. in the auditorium, junior choir, now open to all children in the elementary grades, on Tuesdays after school at 3:45 p. m. in the church. A youth choir open to all junior and senior high pupils is new. Practice for this group will also be on Wednesdays at 7 p. m. in the church's educational rooms.

Director for the choir is Mrs. John H. Hutchison, Jr., with Randolph A. Cole working with the new youth choir. Those interested in joining and singing in one of the choirs should contact Mrs. Hutchison or Cole for the youth choir. Rally day will be observed in the United

SCHAFFER'S MOTOR SALES

71 224 Willard

Mr. and Mrs. Timothy DeWitt returned Friday from a vacation trip to the western states and British Columbia, Canada.

Mrs. Richard Farner was hostess to the monthly meeting of Plymouth Garden club at her home Monday night.

Maj. Dayton Cramer, who visited his parents, Mr. and Mrs. Clarence O. Cramer, last week, left Sunday for Chicago, Ill., en route to his home in Miami, Fla. The Cramers spent the weekend with the Keith Goodings in Columbus.

Jane Hawk, daughter of the Ivan Hawks, will leave Sunday to resume her studies in Ohio State university, Columbus. Last week Mr. and Mrs. Aaron Hawk, Massillon, visited them.

Mrs. William R. Miller spent Friday in Kenton with Dr. and Mrs. W. Martin Miller.

Deborah Hantline, daughter of the Charles Hantlines, will leave Monday for Ohio State university, Columbus. Her brother,

Robert, left last week for Howe, Ind., where he attends Howe Military school and is a member of the football squad.

Bradley Turson, son of

the John Tursons, student in Ohio Northern university, Ada, spent the weekend with his parents.

If UHF is so great, how come it's so difficult to find?

The hit and miss UHF tuner on your television isn't the most accurate piece of engineering. As a matter of fact, we've some times wondered if Rubie Goldberg wasn't playing a practical joke on the vast viewing audience of America.

The point is, it's really not funny when there's a movie, or a sports event, or a play on a UHF channel you really want to see, and no matter what you do, you can't get a clear, sharp picture.

And that's only one reason why thousands of people, like you, subscribe to Cablevision. They simply got tired of tuning, twisting and turning themselves through their favorite television programs.

Of course, eliminating UHF tuning problems is only one advantage they enjoy. Now they have more movies, more sports, more educational programs to choose from than they ever realized were available.

And this time of the year is the best time to get more. The networks will be coming out with their new fall season of shows. And, because of syndicated and local programs, the independent and distant network stations that are too far away to pick up on your antenna, will be premiering shows that are even

bigger and better! And all this for only a few pennies a day! Pretty good deal!

So when it comes to UHF, quit flicking and turning, twisting and tuning. Let us do that. You just pick up your phone and dial us.

Cablevision. We're more than just a big antenna!

THE CLINCHER OF THE DEAL

In honor of the fall premiere, we're giving you a premiere price. If you subscribe between now and September 27, 1976, we'll install up to three active outlets of more television for only \$1.95. That's a savings of up to \$25.30! And, to show you how confident we are, we'll give you a 30 day money back guarantee! Even if you're already a Cablevision subscriber we have a deal for you... we'll install up to three additional active outlets for only \$1.95... a savings of up to \$18.30.

Cablevision, the new fall season and a savings of up to \$25.30! How about that for a clincher? Simply call 935-7333.

These women lost their lives in the Colorado flood...

*Irene Bissinger
Glenwood Springs, Colorado*

*June Fujiwara
Honolulu, Hawaii*

*Rae Ann Johnston
Crystal, North Dakota*

*Barbie Lyden
Thomson, Michigan*

*Cathie Loomis
Seattle, Washington*

*Precy Monongdo
Quezon City, Philippines*

*Carol Rhoad
Grantville, Pennsylvania*

But they are still alive. They have a message for you.

On July 31 these women hastily left a weekend retreat in the Colorado Rockies. They had been warned to flee a flash flood which was roaring down the canyon. They started out, but never reached the bottom of the canyon alive. More than 100 others also lost their lives in the Big Thompson Canyon that same night.

A tragedy, people say. It is certain that these seven women who were part of the staff of Campus Crusade for Christ International will be deeply missed by family, friends and fellow staff members.

But what these women and their families would want you to know is that they are more alive than ever—in heaven. That they lived a full and wonderful life on this earth. And that they now are better off in the presence of the loving God and Savior whom they served.

If you were to die today, do you know for certain that you would go to heaven? Would you spend eternity in heaven with Christ or separated from Him forever? For those who have a personal relationship with Jesus Christ, death's sting has been taken away. God is our refuge and strength. A very present help in trouble.

He reaches out in love to all men and women, offering His forgiveness, peace and comfort through Jesus Christ. So there is no reason to fear life or death.

Jesus said, "I am the resurrection, and the life; whoever believes in Me shall live even if he dies, and everyone who lives and believes in Me shall never die" (John 11:25,26).

A personal relationship with Jesus Christ doesn't begin at death—but it is available to you now—in life. Twenty-eight other women leaders of Campus Crusade for Christ International left that retreat with these seven. They are still alive—physically as well as spiritually.

But they also have a more keen awareness of the delicate balance between life and death. And more than 5,000 other staff of Campus Crusade for Christ have a keener awareness of life. For them, life is Christ. For the women who died, Christ is life. The message that follows explains what these women want you to know—how you can find new life in Jesus Christ. They had committed themselves to sharing this message in life or in death.

Just as there are physical laws that govern the physical universe, so are there spiritual laws which govern your relationship with God.

LAW ONE

GOD LOVES YOU, AND OFFERS A WONDERFUL PLAN FOR YOUR LIFE.

(References should be read in context from the Bible wherever possible.)

God's Love

"For God so loved the world, that He gave His only begotten Son, that whoever believes in Him should not perish, but have eternal life" (John 3:16).

God's Plan

(Christ speaking) "I came that they might have life, and might have it abundantly" (that it might be full and meaningful) (John 10:10).

Why is it that most people are not experiencing the abundant life?

Because...

LAW TWO

MAN IS SINFUL AND SEPARATED FROM GOD. THEREFORE, HE CANNOT KNOW AND EXPERIENCE GOD'S LOVE AND PLAN FOR HIS LIFE.

Man Is Sinful

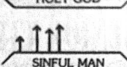

"For all have sinned and fall short of the glory of God" (Romans 3:23).

Man was created to have fellowship with God; but, because of his stubborn self-will, he chose to go his own independent way and fellowship with God was broken. This self-will, characterized by an attitude of active rebellion or passive indifference, is evidence of what the Bible calls sin.

Man Is Separated

"For the wages of sin is death" (spiritual separation from God) (Romans 6:23).

HOLY GOD

This diagram illustrates that God is holy and man is sinful. A great gulf separates the two. The arrows illustrate that man is continually trying to reach God and the abundant life through his own efforts, such as a good life, philosophy or religion.

The third law explains the only way to bridge this gulf...

LAW THREE

JESUS CHRIST IS GOD'S ONLY PROVISION FOR MAN'S SIN THROUGH HIM YOU CAN KNOW AND EXPERIENCE GOD'S LOVE AND PLAN FOR YOUR LIFE.

He Died in Our Place

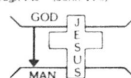

"But God demonstrates His own love toward us, in that while we were yet sinners, Christ died for us" (Romans 5:8).

He Rose from the Dead

"Christ died for our sins. He was buried. He was raised on the third day, according to the Scriptures. He appeared to Peter; then to the twelve. After that He appeared to more than five hundred..." (1 Corinthians 15:3-6)

He Is the Only Way to God

"Jesus said to him, 'I am the way, and the truth, and the life; no one comes to the Father, but through Me'" (John 14:6).

This diagram illustrates that God has bridged the gulf which separates us from God by sending His Son, Jesus Christ, to die on the cross in our place to pay the penalty for our sins.

It is not enough just to know these three laws.

LAW FOUR

WE MUST INDIVIDUALLY RECEIVE JESUS CHRIST AS SAVIOR AND LORD, THEN WE CAN KNOW AND EXPERIENCE GOD'S LOVE AND PLAN FOR OUR LIVES.

We Must Receive Christ

"But as many as received Him, to them He gave the right to become children of God, even to those who believe in His name" (John 1:12).

We Receive Christ through Faith

"For by grace you have been saved through faith, and that not of yourselves, it is the gift of God; not as a result of works, that no one should boast" (Ephesians 2:8,9).

When We Receive Christ, We Experience a New Birth.

(Read John 3:18.)

We Receive Christ by Personal Invitation

(Christ is speaking): "Behold, I stand at the door and knock, if any one hears My voice and opens the door, I will come in to him" (Revelation 3:20).

Receiving Christ involves turning from self to God (repentance) and trusting Christ to come into our lives to forgive our sins and to make us the kind of person He wants us to be. Just to agree intellectually that Jesus Christ is the Son of God and that He died on the cross for our sins is not enough. Nor is it enough to have an emotional experience. We receive Jesus Christ by faith, as an act of the will.

These two circles represent two kinds of lives:

SELF-DIRECTED LIFE

S—Self on the throne

—Christ is outside the life

Interests are directed by self, often resulting in discord and frustration

CHRIST DIRECTED LIFE

†—Christ is in the life

and on the throne

S—Self is yielding to Christ

Interests are directed by Christ, resulting in harmony with God's plan

Which circle best represents your life?

Which circle would you like to have represent your life?

The following explains how you can receive Christ:

YOU CAN RECEIVE CHRIST RIGHT NOW BY FAITH THROUGH PRAYER

(Prayer is talking with God)

God knows your heart and is not so concerned with your words as He is with the attitude of your heart. The following is a suggested prayer:

"Lord Jesus, I need You. Thank You for dying on the cross for my sins. I open the door of my life and receive You as my Savior and Lord. Thank You for forgiving my sins and giving me eternal life. Take control of the throne of my life. Make me the kind of person You want me to be."

Does this prayer express the desire of your heart?

If it does, pray this prayer right now, and Christ will come into your life, as He promised.

"I don't need Cablevision: I bought an antenna!"

That's what a lot of Cablevision subscribers said to us before they bought Cablevision. You see, we have nothing against antennas. As a matter of fact, our antenna systems, the best in the world, cost upwards of \$50,000! Designed to process the signals and take out all interference so that our subscribers have the best possible pictures in either black and white or color.

So you see, even if we were just giving you our antenna for your antenna, it would still be a pretty good deal for you. But we're more.

We bring you the networks, and it certainly looks like they're going to have an outstanding fall season. But we also bring you the independent stations, the Public Broadcasting stations, and distant network stations that are too far away to pick up on your antenna... all the kinds of stations that are showing more and more syndicated and local programming... programs that won't be on the networks.

Plus, don't overlook the dependability of Cablevision. If there's a storm, or high winds, chances are it won't affect your picture. But, if it does, our repair crews will have it put back quickly and efficiently. And that's much better than going up on your roof to fix it, now isn't it? So don't think of us just as an antenna. We're more. Besides, when our antenna has a problem, we fix it for free.

THE CLINCHER OF THE DEAL.
In honor of the fall premiere, we're giving you a premiere price. If you subscribe between now and September 27, 1976, we'll install up to three active outlets of more television for only \$1.95. That's a savings of up to \$25.30! And, to show you how confident we are, we'll give you a 30 day money back guarantee! Even if you're already a Cablevision subscriber we have a deal for you... we'll install up to three additional active outlets for only \$1.95... a savings of up to \$18.30.

Cablevision, the new fall season and a savings of up to \$25.30! How about that for a clincher? Simply call 935-7333. (Offer good in present service areas only)
