

Queen Jamie Jacobs, seated at left, will be 1977 Homecoming queen when Plymouth High school's unbeaten team takes on Ontario in Mary Fete park tomorrow. Members of her court are kneeling. Terri Hale, 12th grade; standing, Joan Wallace, 10th grade; Kathy Hale, 11th grade; Shannon Roof, ninth grade.

What are chances to defeat Ontario?

If there's a hotter news story in town, it'd be hard to find. What's hot is that Plymouth, with its most successful football team in 21 years, will face Ontario, whom it has never beaten, in a Johnny Appleseed conference game here tomorrow at 8 p. m. This is the 13th meeting with the Warriors, whose football program is much younger, albeit larger, than Plymouth's. The series started in 1964. Plymouth tied the Warriors, 12 to 12, in 1966. Ontario has won 11 and lost none in the series.

Chest seeks \$5,000 again

Community chest will seek \$5,000, the same amount as last year, in its annual campaign that will begin Saturday and close Nov. 17.
Douglas A. Dickson, high school teacher, is again president.
B. Mark Ream, a teacher in Shelby, replaces Mrs. Fred Bais as vice-president. Mrs. Dale McPherson continues as secretary, Mrs. Arthur Jacob as treasurer, Ivan Hawk, Miss Catherine Williams and Stanley E. Gordon are carry-over directors. New directors are Mrs. Ruth Ann Pittenger, postmaster, replacing Mrs. Harvey York; replacing Mrs. Grady McDonald, and Mary Jo Sutter.
For the first time in several years, American Red Cross will be the beneficiary of contributions from the chest. Firelands Chapter, which

Four taps of sewer approved

The Dickson and Wicker properties in West Broadway may tie into the sanitary sewer line, village council said Tuesday night.
The Wicker line has caused an overflow of sewer waters across the street and this is the easiest way to solve the problem. The other solution would be to completely dig up West Broadway in that area.

An arrangement had been made by the previous owners of both properties to have their taps installed side by side so that they could share a trench to a certain point where the tile would separate to enter its own tap.
Councilmen agreed that the Dickson property could also connect at this time as a convenience.
Permission was also given to Robert Haas to allow his lot, which is in the south side of Walnut street, to connect to the line. He is selling the property, on which a new home is to be built. Eugene C. Gerken, sanitary sewer engineer, is to be consulted, however, concerning the installation of a tap in the line. This was not put in when the line was installed, since it was not contemplated at the time there would be a building at that location.

Clarence Barnes also received permission to connect to the West Broadway line.
The request of Ronald Postema, West Broadway, to connect was tabled until it is determined if his septic tank needs cleaning and is causing a stoppage or if it is from another cause.

After a question-answer period with Sup't. John Eyler, the council endorsed the school bond issue to construct a new junior high school building on its present site in Shiloh.
Councilman James L. Jacobs, Sr., asked why the building could not be in Plymouth. Fazzini's answer was that the site and utilities were more beneficial in Shiloh.
Councilman Toy Patton said that every time a school issue comes up, the teachers get another raise.

Six plots sold in school district

Mabel H. Smith has sold 10.73 acres along North street to Wayne and Virginia L. Robinson, Huron county recorder reports.
H. James and Clara J. Root have sold Lot 73, at North and Portner streets, to Norman Lee Burton, Jr., and Ruth E. Burton.
Harold and Sandra A. Fletcher have bought Lot 126, in Park avenue, from Kenneth W. and Betty H. Heisler.
James William and Nancy Ann McClure bought Lot 313, in Willow circle, from Fenfor Development Co.

Larry F. and Delores J. Keinath bought 61/100 of an acre in Base Line road, New Haven township, from his parents, Foster I. and Ethel C. Keinath.
Benjamin Patrick bought part of Outlot 33 and 5.31 acres, in the west side of Plymouth Springmill road, from James M. Smith, Richland county recorder reports.

Driver, 37, held on DWI count

Eugene Dawson, 37, Plymouth, was arrested on a charge of drunken driving Friday night after his car left Ridge road in Huron county and struck a truck. The collision occurred south of Peru Glens road.
When it rains for Miles W. Christian, general manager of Plymouth Locomotive Works, Inc., it pours.
Hourly workers in the plant went on strike for only the second time in 23 years Friday at midnight.
He is up to his neck in negotiations to settle the labor dispute.
And at the same time he must prepare himself to justify to the Huron county probate judge his appointment as a park commissioner of Huron county.
Judge Thomas E. Heydinger says his research of the law shows the county commissioners erred when they appointed park commissioners.
Christian was appointed by Heydinger's predecessor, the late Judge Russell T. Antrim, according to law, Heydinger says. Others appointed at that time were the late Lewis Conger, who lived near North Fairfield, and Henry Timman, Norwalk.

Dispatcher killed

Mrs. Hall dies in collision near Fitchville

Tragedy struck the official village family for the second time in nine months early Thursday when the 31-year-old police dispatcher lost her life in a one car collision in Route 13 south of Fitchville.
Mrs. Phyllis Hall, who lived with her husband, Thomas, and three children in Myers road near Shelby, was pronounced dead on arrival at the Fitchville Memorial hospital, Norwalk.

She was a CETA assigned and paid dispatcher in the police department, supposed to have reported for duty Thursday at 7 p. m. Instead, she went to Wakefield, where she conversed with Ronald Crawford, formerly a patrolman here. He said she seemed disturbed and incoherent.

State highway patrol a Norwalk said Mrs. Hall's 1970 model Maverick, southbound, went off the road, struck a tree, careened off it and struck another tree.

Mrs. Eyler dies at Shelby

Mother of Mrs. J. Harrie Postema, Mrs. John Eyler, widow of John Eyler, died Saturday in Crestwood Care center, Shelby, of a lengthy illness.
Born in Huron county, she always lived there, for many years in Willard West road, where she dealt in antiques. The sale of much of her collection was staged at Fairhaven, Mansfield, several weeks ago. It drew buyers and collectors from several states.

Three grandchildren and eight great-grandchildren also survive.
The Rev. Robert Myers, Mennonite church, Wauseon, conducted services at Willard Tuesday at 1:30 p. m. Burial was in Maple Grove cemetery, New Haven township.

Mrs. Hall is survived by her husband, Thomas, a psychologist in Mansfield schools; two sons, Thomas and Brett, and a daughter, Julie, all at home.

her mother, Mrs. Eleanor Hyde, Toledo; a sister, Mrs. Margaret Seltzer, Toledo, and her grandparents, the Stanley Locks, Toledo.

Services were conducted Monday at 11 a. m. in Toledo's St. Hyacinth Roman Catholic church. Burial was in Calvary cemetery.

Suits for damages now total \$15.25 million

Another damage suit, this one seeking \$10 million, has been filed as the result of a fatal collision at Boughtonville and Walnut roads, New Haven township, May 16.

Plaintiff is Gerald J. Dannemiller, who lives in Route 224 east of New Haven. He filed the action in Huron county common pleas court Sept. 23.
Defendants are the driver of the car in which Dannemiller's son was injured, Michael N. Bonham, 16, who lives in Skinner road; his father, Gerald N. Bonham, and the Roy L. Enzors, administrators of the estate of Raymond Enzor, driver of the second car in the collision. Enzor died May 17.

Plaintiff filed the suit in behalf of his son, Andrew, who is totally and permanently disabled. The boy is still in a coma in a Mansfield hospital. The suit brings to \$15,253,657 the total of damages sought as a result of the collision.

The Enzors have sued the Bonham boy for \$353,657. Randy Bonham has sued his brother and the Enzors for \$4,900,000.

Selvino Predire stricken at 77

Selvino Predire, 77, a retired foreman on the Baltimore & Ohio railroad, died in Willard Area hospital Sept. 28.

He was earlier stricken at his home, where his wife could not obtain use of the telephone. Despite his seizure, she managed to get him to their car, which he drove to the office of Dr. T. T. Liem here. There he was administered oxygen and from there taken by ambulance to Willard.

Born in Brazil, he lived near Willard for 50 years. His wife, Sylvia, a son, Alfred, Johnstown, Pa., a step-son, J. Richard Mitchell, Willard, three stepdaughters, Mary Ellen, now Mrs. Alva Kellen, now Mrs. Donna Kellen, Norwalk, Altona, now Mrs. Frank Oster, Willard, and Betty Moore, Mrs. G. Thomas Moser, Plymouth, two sisters, Mary, now Mrs. Robert Clark, near Willard, and Alvin, now Mrs. Troy Collins, Plymouth, four brothers, Tony, James and John, Willard, and Joe, Plymouth. He had 16 grandchildren and 13 great-grandchildren survive.

Contract up, 142 strike local shop

For only the second time in 23 years, hourly workers in Plymouth Locomotive Works, Inc., are on strike.
Their labor contract expired Friday at midnight. They established picket lines shortly thereafter.

For the first time in modern memory, the warning whistle did not sound Monday at 6:55 a. m.
Larry Bailey, Plymouth, is president of Plymouth Order of Mechanics, the company union, which has a membership of 142.

Discussions between the employer and the union stalled on what the union called fundamental issues: number of paid holidays, length of vacations, the pension plan, an upward adjustment in the cost of living clause in the contract and a union request for five days of annual leave for personal reasons for each employee.

Further discussions Saturday, after the picket lines were established, were not productive, Bailey said.
Another session began yesterday at 9 a. m.

Rain? It's pouring!

Three to lead issue support

Earl C. Cashman, senior vice-president, First National Bank of Mansfield; Clarence (Joe) Harris, Shiloh councilman, R. Harold Mack, member of Plymouth board of education, are co-chairmen of a committee to promote approval of a 4-51 mill bond issue that will appear on the ballot for a third time Nov. 8.
Proceeds of the issue, estimated to be \$1.5 million, will be applied to the construction of a new junior high school on the present site at Shiloh.
Others on the committee are Mrs. R. Eugene Russell, Wayne R.

Heydinger says they were appointed illegally, that there should be three, not six commissioners, and that each and all of them must appear before him on Oct. 17 at 1:30 p. m. to justify his appointment.
At least one of the commissioners, Thomas Garabin, a Norwalk Republican, agrees with Heydinger. He said the county prosecutor, Richard Hauser, looked into the law and verified that what Heydinger says is true. If Heydinger so rules, the whole texture of the county park board may be changed: he may discharge three or all six or retain one or more or none.

Stirne, retired principal of Plymouth High school and of Shiloh Junior High school; Larry O. Vredenburg, a candidate for councilman, Douglas Stagg, administrative assistant to the superintendent, and Sup't. John Fazzini.
Sub-committees are being organized to obtain supporters of the issue, to organize a telephone campaign, to provide financing, to encourage voter registration and to advertise the issue.

Red rally wins fourth

Danville victim of second half ground game

Plymouth spotted Danville an early touchdown here Friday night, then dominated the contest, notably in the second half, to forge a 21 to 14 victory that was in doubt until the final play.

Neither team played well, but Plymouth made fewer mistakes and put together in the last half a ground game that was denied it in the first two quarters to prevail.

Mike the Knife Messer scored two touchdowns to bring his season's total to 10.

Plymouth's biggest score, however, and the one that put it into a safe lead, came on the last play of the first half.

Steve Shaver, who came up with two interceptions during the game, nailed Jeff Durbin's pass at the Red 11 and sped 89 yards down the south sideline untouched.

At the time, the Big Red was clinging to a slight lead at 7 to 6.

This came with six minutes remaining in the half. Messer bolted home from the one. Plymouth drove four yards in two plays after recovering a Blue Devil fumble. Jim Wallace booted the PAT.

THE SCORE CAME ABOUT after a Plymouth drive from its 12 was halted at the Danville 38. John Ross's fine punt carried 37 yards to the one, where Mike Berberick downed it. Mark Lewis recovered the Blue Devil fumble and Plymouth promptly scored.

The visitors had fashioned their lead in the first quarter.

They took possession at the Danville 46, and on first down Jim Durbin ripped through his right tackle for 27 yards and a

first down. The Blue Devils punched through guard and off tackle for first down at the 11 and in two plays were in the end zone. Jeff Durbin making the last three. They try for PAT was not good.

Until Shaver's heroics at the end of the half, Danville had much the better of it, although Plymouth gained better ground yardage in the second period. Danville did not get into Plymouth territory without a break. The Blue Devils utilized the finest play in football: punt and recover the receiver's fumble.

From the Red 36, Jeff Durbin ran for six to the 30. On third down he threw to Jim Durbin for nine. And on first down, from the 21, Jeff Durbin let fly a pass that Shaver grabbed and ran with.

During the first 24 minutes, Danville led in the statistics sheet if nowhere else. The Blue Devils had seven first downs, 110 yards rushing, 38 yards passing, punted once for 40 yards, fumbled twice and lost two and suffered two penalties for 30 yards.

Plymouth, correspondingly, had four first downs, 57 yards rushing, none passing, had lost one of two fumbles, punted four times for 36 yards and had been penalized four times for 50 yards.

MESSER SCORED again at the end of the third period, when Plymouth went 36 yards in 10 plays after recovering a fumbled punt.

Greg Reno fell on the ball after Ross booted 21 yards from scrimmage to the Blue Devil 36. Messer's scoring bolt was from a yard out. The place kick for PAT was not

good. There followed in the fourth period a splendid display of ball control

when the Big Red put on a sustained drive that took over seven minutes of the clock and produced the

Hero

Hero of Friday's victory over Danville was Steve Shaver, who intercepted two passes and ran one of them 89 yards for the second touchdown.

final score, a safety.

Referee Jim Reed blew his whistle too soon. The Blue Devil quarterback had been hit in the end zone but he was not down. The ball squirmed into the fringe of the goal line, where Mark Lewis fell on it. But Reed had already ruled that a safety occurred. The quick call probably cost Plymouth a touchdown.

Bob Combs was penalized 15 yards for unsportsmanlike conduct after a dispute with the umpire. Trent Shively, and Danville kicked off from the 35. Unable to gain a first down, Plymouth punted. Danville had one last gasp and it made the most of it.

THE BLUE DEVILS were back in the game because they completed a 35-yard pass play on the fifth play of the final period.

When Plymouth kicked off after Messer's second score, the runback carried to the Danville 30. Jeff Durbin lost seven yards attempting to pass.

Then he hit Ted Bratton for 10, sent his big fullback, Lyle Lyons, through guard in two shots for seven yards, and called another pass play.

His receiver, Jim Durbin, was free as a bird behind the Plymouth secondary and the play was good for 55 yards and a TD.

Jeff Durbin passed to Steve Boeshart for the PATs, making the score 19 to 14 and giving Danville

an outside chance to win.

The safety put greater pressure on the visitors, because to win they would have had to produce a touchdown and a two-point conversion.

Be it said for the Blue Devils, they tried. With only 21 seconds left in the game, after Ross's punt, Danville went to the air.

Plymouth shut it off on the first play and Jeff Durbin got seven on the ground. A pass interference play cost the Big Red 15 yards and a first down. With time already expired, Jeff Durbin hit his receiver at the Red 27. But it was all over.

The Plymouth bench was socked with a 15-yard penalty for unsportsmanlike conduct (read complaining to the officials, of whom there were only three, a severe handicap to them and to the contestants) and Plymouth all told lost 90 yards by penalty. Danville gave up 30.

Voter registration open until Oct. 18

With the general election approaching, Huron County Board of Elections reminds countians the deadline for registering for the Nov. 8 election is Oct. 18 at 9 p.m.

Any person wishing to register for the election must be a citizen of the United States at least 18 years of age by the day of the election and a resident of Ohio for 30 days. The board's office at 180 Milan avenue, Norwalk, is open daily from 8:30 a.m. until 4 p.m. and on Saturdays from 9 a.m. until noon. On Oct. 12 and 18, the office will remain open until 9 p.m. On the Saturdays of Oct. 8 and 15 the office will be open from 8 a.m. until noon.

High schools in the county are taking voter registration for all pupils. The branch offices taking voter registration during their regular business hours include Bellevue library, New London library, Monroeville library, Wakeman bank, the Willard United bank, at its main office in Willard and branch offices in Green-

wich and North Fairfield. Persons who have already registered and voted at least once during the calendar years 1975 and 1976 need no re-register. However, if one has moved since one last voted, one should correct his address at the board's office. If one has questions or is in doubt of the status of his registration, he should call 668-8238.

Under the new registration law, any qualified person may apply for forms from the board of elections in person, by mail, by telephone or through another person. Any registered resident

About letters

to the editor . . .

Letters to the editor are always welcome, subject to some rules. They must deal with a subject of common interest, be free of libelous, obscene and impertinent matter, be limited to 250 words, and signed by the writer.

The name of the writer will be concealed on request.

Letters that have been previously published elsewhere are not acceptable. The newspaper does not customarily accept letters written by persons not usually residing within its circulation area.

Letters that are typewritten, double spaced, on one side of the sheet, normally receive greater consideration, but others will be accepted.

The newspaper reserves the right to edit all letters to conform with good taste, its rules of style and its rule of brevity.

Letters arguing one political question or another are not accepted after two weeks before an election in which the question is pertinent.

WANT ADS

Sir:
On behalf of the senior citizens of Plymouth and Shiloh (as well as several from Willard, Norwalk, Shelby, North Fairfield and New Haven), we want to say thank you to Mr. and Mrs. Charles Woodmansee and the members of the Plymouth American Legion for donating their fine facilities to us on Tuesdays and Thursdays for our noon luncheons.

We also want to thank the fine people at the Frontier Inn for preparing the food. Every meal has been excellent; well-balanced, attractive and delicious.

We serve approximately 45 folks a day but are able to serve 55. Their are no income or residency requirements. In fact, the only requirement is that you be 60 (one member of a married couple may be under 60). This is NOT a welfare program but a social activity for senior citizens. You may make a confidential donation toward the meal, whatever amount you wish.

If you are interested in joining us and meeting old friends and making new ones, call 697-1451 collect. Transportation is available.

No matter how you slice it, a wiener is a wiener is a wiener!

By AUNT LIZ
Predicting winter weather is a great indoor sport and everyone is a real expert at it.
They all have a real "in" with various squirrels and know how many nuts they are hoarding up for the season. One gal up in Wisconsin has a friendly black bear she has been watching, and the guy is putting on weight like mad, which she says is a sure sign that there is in for another long, hard winter.
Then there are the happy little wormy worms, which are another sure way to

are another sure way to predict temperatures and snow. You all know when they turn black, we are in for it, and when they are an orange beige shade, things are not so bad.
Well, those kids have not made up their cotton-pickin' minds yet because a friend slighted three crossing and the other day. One was black as he could get and the other two were really light, so we have hope of maybe a decent winter.
No matter what it is going to be like, we must have the utmost courage to face it. This is some-

thing that no one can pass a law or regulation about but I do wish we could vote on the days we would prefer to be knee deep in snow.
There is nothing I like better, if the sky must shower down the pretty white stuff, than to have it be on Saturday noon until Sunday noon. By then I am inside and can horse around the kitchen like mad the whole weekend and do not have to even think of going anywhere. Then if it quits by Sunday noon, the road crews have time to get out and get everything ready so everyone can move around on Monday.
Wishful thinking, natch. And while you are waiting for it all to appear, try a tasty wiener recipe that is like clothing an ordinary one-in-mink and sable. Anyone who has one of these barbecues then; this has more oomph and takes four times as long to get ready.
Cut up a package of wieners into quarter inch pieces.
Open a 13-ounce can of pineapple tidbits, drain and put the liquid in a bowl with enough cold water to make one and a half cups.
To this you add two tablespoons of cornstarch,

one tablespoon each of brown sugar, lemon juice and vinegar, a half teaspoon of salt, a quarter teaspoon of dry mustard and a few shakes of ground ginger. Stir this into a nice smooth paste.
Have ready a fourth of a cup of minced onion and a cup of sliced celery. Either cut up a good sized orange or open a small can of mandarin oranges, but be sure to drain them.
This should be made in a wok, but an ordinary skillet also works. Watch

the heat. Start with a tablespoon of oil and brown the wieners for a few minutes. Push aside and add the onion and celery, cook while stirring for one minute, then mix with the wieners.
Add the liquid ingredients and for two minutes stir while it thickens.
Then add the pineapple and oranges.
It may be a real Chinese dish, but it is tasty served over mashed potatoes.
Just add a good tossed salad with homemade dressing that can be

whipped up in a blender in a couple of minutes.
Break an egg into your blender, add two tablespoons of lemon juice and one strip of lemon peel (what you get with a good swish of a potato peeler).
Add a half teaspoon of dry mustard, a teaspoon of salt and a half a cup of oil (olive oil is best). Put it on low speed for a second or two, just to mix it up. Then add another half a cup of oil in a thin stream as it churns around. Refrigerate it for a while before serving.

Robert M. Davis and a classmate, Michael Haszto, Long Island, N. Y., freshmen in The University of Akron, spent a weekend with the former's parents, Mr. and Mrs. James C. Davis.
Young Davis and Michael Mellor, who is a Kent State university student, plan to be home this weekend for Plymouth High School's homecoming.

and her sister, Mrs. Dwayne Simmons, Loudonville, returned Tuesday from a three week vacation in Hawaii. Mr. Condon is back from a business trip to Japan.

Mr. and Mrs. George Ryerson and Mrs. Robert Gilger returned Monday from Rome, Ga., where they visited Mr. and Mrs. John McGready.
Mrs. V. C. Mack, Clintonville, Wis., is visiting her son and daughter-in-law, the R. Harold Macks.

Members of Richland Lodge 201, F&AM, will serve breakfast Saturday from 6 to 10:30 a. m. The menu will include ham, eggs and French toast and is priced at \$1.75.
Public is invited.

Big Red Boosters will meet Wednesday at 7:30 p. m. in Plymouth High school.
Plans for the turkey dinner will be started and a date chosen.

Anyone wishing to work in the Boosters' trailer at the football game tomorrow night is asked to call Mrs. Perry McKenzie at 687-8781.

Auxiliary of Ehret-Parsel Post 447, American Legion, will meet Monday at 7:30 p. m. in the Legion hall.
Plans will be made to attend the 5th district convention in Bellville Wednesday.
Legionnaires will have their district convention there on Sunday.

Mr. and Mrs. R. Earl McQuate were weekend guests of their son, Jack E., in Muncie, Ind.

STEP 1.
To vote, first check in with the precinct official. He will give you a ballot card envelope. After receiving your ballot card and envelope, retire to the voting booth. Lay envelope to one side and using both hands, insert your ballot card in the slot at the top center of the vote recorder.

STEP 2.
Slide the card down as far as it will go and make sure the holes at the top of the ballot card are positioned over the short pins at the top of the vote recorder.

STEP 3.
Start at the front of the ballot page booklet. Examine each office and how many to vote for in each office. Using the stylus or punch device attached to the vote recorder, record your vote by punching the hole opposite the candidate or issue of your choice. **HOLD PUNCH STRAIGHT UP AND DOWN WHEN VOTING. DO NOT VOTE FOR MORE THAN IS ALLOWED IN EACH OFFICE OR ISSUE.**

Continue turning the ballot pages and vote your selection of candidates and issues.

If you make a mistake, return your ballot card to the precinct official for a replacement.

STEP 4.
When your ballot is completed to your satisfaction, remove your ballot from the vote recorder. For secrecy of your vote, place your ballot card in the special ballot card envelope provided.

Turn ballot booklet back to first page for next voter.

Should you wish to vote for someone who is not listed in the ballot booklet, you may do so by using the inside flap of the special envelope provided.

STEP 5.
Return your ballot card in the envelope to the precinct official

Huron county adopts new voting system

Huron county board of elections wants every voter in the county to be aware that a complete new punch card voting and computer tabulating system will be used in all precincts for the Nov. 8 general election.

To educate the voter on the new system before the election, a concentrated effort is being made by the board to have demonstration units on display and available for trial use in locations throughout each community in the county. There is one in First National bank. All on election day, there will be a demonstration unit in each precinct so the voter can become acquainted with the new voting procedure before actually casting his ballot.

All precinct officials will be thoroughly trained in the new procedures. The board of elections is confident that the new punch card voting and computer tabulating equipment will simplify the voting process as well as make it easier for the precinct officials, since no vote tabulating will be done in the precinct.

The accompanying pictures and text explain the new procedure. If any person in the county has questions regarding the new system or wants to have a demonstration unit available for his club or organization

meeting, he should call the Huron county board of elections, 180 Milan avenue, Norwalk, Tel. 668-8238.

Red faces Ontario

Plymouth has kept to a ground game. On a few occasions, Miller's offense to Marty McKenzie have produced some important yardage, but for the most part the passing game has been negligible in Plymouth's total attack.

THE KICKING GAME has improved. It will be needed against the Warrior offense. John Ross, punting, save for the last half at Bascom, has been more than satisfactory. Wallace's place kicking is a real threat inside the 25-yard line.

It's Homecoming, when alumni are expected to come back and savor the old days and sing the alma mater with a throb in the throat.

There won't be much of that here tomorrow. It's not Plymouth's style. But there will be pageantry of a sort. The usual cortege of pretty girls chosen by their peers for the honor will be paraded before the stands and presented as attendants to the Homecoming queen, who's Jamie Jacobs, a 12th grader, only daughter of the James L. Jacobses, Jr.

A noise parade will be staged by pupils of the high school today. A bonfire will be lighted at the school afterward.

FRIDAY IS THE DAY OF THE CAT

INTRODUCING THE ENERGY ENGINEERED 1978 MERCURY ZEPHYR. LIKE NO CAR WE'VE OFFERED FOR UNDER \$4,000.

ENERGY ENGINEERED FOR MILEAGE. EPA EST. 33 HWY. 23 CITY.

With a new energy-efficient engine, you'll have a fuel mileage that varies depending on your car's condition. Up normal equipment, now and where you drive. Ward estimates, lower.

ENERGY ENGINEERED FOR SPACE.

Engineers can improve gas mileage by making an over-engineer. But the Energy Engineered Zephyr gives you good mileage ratings and inside room.

RATED MORE INSIDE SPACE THAN A ROLLS ROYCE.

RATED MORE TRUNK SPACE THAN A VOLARE.

Zephyr EPA rated 17 cu. ft. to Volare's 15 cu. ft.

RATED MORE CARGO SPACE THAN A VOLARE WAGON.

Zephyr 4-door Wagon is EPA rated 4 cubic feet more cargo space than a Volare Wagon.

SEE ALL THE EXCITING '78'S. THE BOBCATS, NEWLY STYLED MONARCHS, THE COUGARS, AND THE MARQUIS.

ENGINEERED FOR RIDE.

Zephyr's Wide Mount Strut Suspension was engineered for this new car design. Computer selected coil springs, variable mounted shock absorbers.

ENGINEERED FOR TOUGHNESS.

Passes the same durability tests as the Lincoln and Mercury. Created with the help of computer stress analysis. A car built tough.

ENGINEERED FOR PRECISION STEERING.

Zephyr has the same type of steering as many high performance cars. Rack and pinion steering, for precise control.

ENGINEERED POWER PLANTS.

Every previous gallon works hard. Zephyr has a 2.3 litre engine, 4 cylinders, overhead camshaft, and two-stage carburetor. Also available, a 3.3 litre Six or a 5.0 litre V-8.

ENGINEERED ROAD COMMAND SEATING.

Zephyr's new design offers excellent visibility, a commanding view of the

road and inside dash instrument panel. Your passengers, also, share the view just as comfortably as you. Zephyr. See it today.

AVAILABLE IN 2 AND 4 DR. SEDANS AND 4-DR. WAGONS.

Think about it. Get in a Zephyr. Inch for inch. Design it all. A car for today, and tomorrow. Merit any Zephyr.

NOTICE OF ELECTION
No. 7 Plymouth Village
Notice is hereby given that in pursuance of a Resolution of the Council of the Village of Plymouth, Huron and Richland Counties, Ohio, passed on the 2nd day of August, 1977, there will be submitted to a vote of the people of said VILLAGE OF PLYMOUTH, OHIO, at a General Election to be held in the Village of Plymouth, Ohio, at the regular places of voting therein, on Tuesday, the eighth day of November, 1977, the question of levying, in excess of the ten mill limitation, for the benefit of the Village of Plymouth FOR THE PURPOSE OF PROVIDING ADDITIONAL FUNDS FOR THE PURCHASE OF A NEW FIRE PUMP FOR THE FIRE DEPARTMENT OF WHICH SAID PUMP IS REQUIRED BY LAW TO BE PURCHASED BY SAID VILLAGE.

Said tax being: a new tax of three (3) mills to run for five (5) years at a rate not exceeding three (3) mills for each one dollar of valuation, which amounts to thirty cents (\$0.30) for each one hundred dollars of valuation for a period of five (5) years, to wit: 1977, 1978, 1979, 1980 and 1981.

The Polls for said Election will be open at 6:30 o'clock A. M. and remain open until 7:30 o'clock P. M. Ohio Standard Time of said day.

By Order of the Board of Elections, of Richland County, Ohio.

ORDINANCE NO. 10-77
AN ORDINANCE OF THE COUNCIL OF THE VILLAGE OF PLYMOUTH, OHIO, DECLARING AN IMMEDIATE AND EMINENT EMERGENCY AND GRANTING THE MAYOR THE POWER AND AUTHORITY TO PROCLAIM FURTHER EMERGENCIES AND TO OVERSEE ANY AND ALL PRESENT VILLAGE ORDINANCES CONCERNING THE USE, CONSUMPTION, TRANSPORTATION AND SALE OF WATER TO CONSUMERS OF WATER FROM THE MUNICIPAL SUPPLY.

WHEREAS: The Village of Plymouth is faced with a critical water shortage and as a result thereof, the health, safety and welfare of the entire community is in jeopardy.

WHEREAS: Any curtailment of the consumption and use of water is necessary to preserve the health, safety and welfare of the entire Village and its inhabitants.

WHEREAS: The critical water shortage has jeopardized the amount of safe drinking water that is available to the inhabitants of said Village.

WHEREAS: It is eminently necessary to further conserve water so that an adequate supply will be available to the Village fire department, should a further emergency situation arise.

WHEREAS: The condition of the water supply and system is presently in such a grave situation that immediate action must be taken by the Mayor and Council in order to abate any further waste of water and to conserve the Village's minimal remaining supply in order that safe drinking water will be available to sustain the lives of the inhabitants of said Village.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL, VILLAGE OF PLYMOUTH, HURON AND RICHLAND COUNTIES, OHIO, THREE-FOURTHS OF THE MEMBERS CONCURRING THEREIN:

Section 1: That the Council of the Village of Plymouth, Ohio, after weighing all other possible alternatives, hereby authorizes and directs the Mayor of the Village of Plymouth to declare an immediate state of emergency and to proceed with whatever action she deems necessary to curtail and conserve the further use of water by the residents and businesses of the Village of Plymouth, Ohio.

Section 2: That the Mayor is hereby granted complete and total authority to alter any contractual relationships with consumers of water during the period of emergency.

Section 3: That the Mayor shall be and is hereby granted complete and total authority to alter any contractual relationships with consumers of water during the period of emergency.

Section 4: That Council hereby grants that the Mayor shall be permitted to curtail the sale of all water hauled to consumers outside of the corporation limits of said Village.

Section 5: That the Council further declares that this emergency is so imminent and so grave that strict continuance with Ohio Revised Code Section 122.12 in reference to Twenty-Four (24) hour notification to the news media is totally impractical. However, any of the appropriate news media has been notified in advance by the Mayor with sufficient time for their representatives to be present at this meeting.

Section 6: That this Ordinance shall be effective from the passage hereof and until such time that the Council determines the emergency has passed and the crucial water shortage has been abated.

Section 7: That this Ordinance is an emergency measure necessary for the immediate preservation of public health, safety, welfare, lives and property and shall be placed into effect immediately upon its passage and signing by the Mayor.

The Good Neighbor
of the water supply and system is presently in such a grave situation that immediate action must be taken by the Mayor and Council in order to abate any further waste of water and to conserve the Village's minimal remaining supply in order that safe drinking water will be available to sustain the lives of the inhabitants of said Village.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL, VILLAGE OF PLYMOUTH, HURON AND RICHLAND COUNTIES, OHIO, THREE-FOURTHS OF THE MEMBERS CONCURRING THEREIN:

Section 1: That the Council of the Village of Plymouth, Ohio, after weighing all other possible alternatives, hereby authorizes and directs the Mayor of the Village of Plymouth to declare an immediate state of emergency and to proceed with whatever action she deems necessary to curtail and conserve the further use of water by the residents and businesses of the Village of Plymouth, Ohio.

Section 3: That the Mayor shall be and is hereby granted complete and total authority to alter any contractual relationships with consumers of water during the period of emergency.

Section 4: That Council hereby grants that the Mayor shall be permitted to curtail the sale of all water hauled to consumers outside of the corporation limits of said Village.

Section 5: That the Council further declares that this emergency is so imminent and so grave that strict continuance with Ohio Revised Code Section 122.12 in reference to Twenty-Four (24) hour notification to the news media is totally impractical. Section 7: That this Ordinance is an emergency measure necessary for the immediate preservation of public health, safety, welfare, lives and property and shall be placed into effect immediately upon its passage and signing by the Mayor.

The reason for this emergency being that the Village of Plymouth is presently at a crucial stage in its supply of water and without the adequate water supply, safe drinking water will not be available and the fire protection will be non-existent.

Passed this 20th day of September, 1977.
