

Board chides PEA

But does so in private

To avoid jeopardy to its position in negotiations with Plymouth Education association, Plymouth Board of Education spent part of its meeting May 25 in executive session.

(Supt. John Fazzini told the board PEA violated its agreement with the board with a press release by its president, Miss Janeane Cunningham.

He asked the board if it wished to discuss the

Doneses here for holiday

The James Doneses, Columbus, were Memorial day visitors. Mrs. Dones is the former Jean Curpen.

Mrs. Donald E. Fettera, Columbus, and the Thomas Fetteras, Nelsonville, were weekend visitors of Mrs. Charles Hockenberry and of Mrs. Elton A. Robertson.

Martin Hampton visited his mother, Mrs. Richard Hampton, over the holiday.

Strohm admits drug guilt

The 20-year-old Plymouth route 1 youth arrested here May 19 on a charge of sale of hallucinogens has pleaded guilty in Huron county common pleas court to the felony charge.

Randall Strohm made his plea in court May 23. Judge Robert W. Smith ordered his probation department to prepare a pre-sentence report and he continued the case until June 22.

The Voice of The Advertiser -

Vote FOR!

It makes good sense, we've always held, to "pay as you go".

The federal income tax is based on that premise and, by and large, it has worked as well as we have any right to expect, given that all of us detest the damnable thing in the first place.

The proposal of the village council to "pay as you go" appears on the ballot Tuesday. It calls for us to tax ourselves to the extent of \$3 for each \$1,000 of tax valuation to raise enough money to pay for a new fire apparatus.

The requirement that we replace our present apparatus (which we have no intention of scrapping, but which will be relegated to a back-up pump) hangs over us. We cannot maintain our commitments to Plymouth and New Haven townships beyond the replacement date without a new pump.

The time to start to save the money is now. If we approve the levy, which runs for five years, we ought to have \$100,000 by the time the levy expires.

None of the money is for current expenses. It will all be earmarked for a new apparatus.

This method makes sense. We endorse the levy and we shall support it on Tuesday. We urge every registered voter in Plymouth to do the same.

matters concerning the PEA publicly. Mrs. Roger Pugh, board president, said it would be better to go into an executive session.

The board approved hiring George Tombaugh, assistant superintendent of Springfield Local school district near Toledo, as its representative to serve on the Impasse committee.

The PEA will be represented by Ken Cole, OEA

Chorus to sing at New Haven

New Haven United Methodist church will host June 12 to the St. Andrews Singers, Mesa, Ariz., on a three week tour.

They will sing at 9:30 a. m., during the regular church service. They will sing June 8 at 7:30 p. m. in St. Francis Xavier Roman Catholic church, Willard, on June 9 at 7:30 p. m. in Christian Alliance church, Willard, and on June 11 at 7:30 p. m. in Willard High school during a youth rally.

Families which have agreed to house the singers include the Claude Wilcoxes here, the Nevins Borders, Mrs. Jesse Ruth, Mrs. William Day, the Edward Postemas, the Robert Baxters, the William Chapmans, the Kenneth Fredmores, the Leroy Briggses and the H. H. Sjessmans, New Haven.

Newsy notes -

Estate of Luerrie Bailey, Shiloh, has been listed in Richland county common pleas court at \$33,830.

representative, Columbus.

The two men will choose a third member to serve. The teachers have asked the board to either give them a day off or pay for another day, because school was in session Feb. 21, which is President's day and a holiday.

The board contended that it had prepared a calendar on Feb. 14 which included a school day on Feb. 21, which at that time was in accordance with the existing stat law. The law was changed when House Bill 156 was effective on Apr. 6. It allowed for 15 days instead of five during which a school could close down because of inclement weather.

Harry M. Welsh, assistant prosecuting attorney of Richland county, agreed the board was within its legal rights and that no compensation should be paid for Feb. 21.

Another boiler will be added to the heating system of the high school, which will allow the choice of using oil or gas. It will cost about \$30,000.

The Rev. Arthur Hamman commented, "not an ideal situation, but the only thing we can do." Approval was given to employ an architect to write the specifications. During the discussion of summer maintenance work, which will be done by members of the school staff, Michael McFarren, Terry Pore, Mark Sheely, Richard Roll and Daniel

Kin of Shilohan, Mrs. Wyrick, 67, dies at Mansfield

Sister of Woodrow Huston, Shiloh, Mrs. Lloyd Wyrick, 67, died at her home in Mansfield May 25.

She was ill only briefly.

Born Dorothy B. Huston in Rome Jan. 14, 1910, she lived in Richland county almost all her life. A member of Holy Trinity Lutheran church, she was associate secretary for Mechanics Building & Loan Co., Mansfield.

Her husband, a son, Gene, Newark; two brothers, Bert Huston, Canton, and Chester Huston, Mansfield; a sister, Mrs. Vivian Owens, Mansfield, and three grandchildren also survive.

Her pastor, the Rev. Dr. Wray C. Smith, conducted services at Ontario Friday at 11 a. m. Burial was in Mansfield Memorial park.

Donoghue, David Howard asked Fazzini why the school did not employ persons in the community who needed the work more. Fazzini replied that this arrangement had been in effect for a number of years.

No salaries for the two positions were set because of the negotiations pending about the salary schedule.

THE BOARD WILL seek an administrative assistant for the school district. The job description of the newly created position calls for working in all the school programs. Persons applying for it must be certified in administration.

Michael Forsythe, high school business practices instructor, submitted his resignation. The board approved the hiring of Mrs. Linda Stockmaster as a substitute bus driver for the remainder of the school year.

A request by Dan Humrichouser to rent Plymouth Elementary school for Sunday morning and evening church services was tabled.

He asked for the use of the building for an indefinite time until a newly formed church can complete a building of its own. The request also asked for the use of four classrooms along with the all-purpose room. Board members said during the school year, this would be disruptive to the teachers. The problems of parking and the use of additional heat on the weekends was aired.

Howard moved to table the matter. All the board members agreed with only Hamman abstaining from the vote.

The board approved the Willard Taxi Co., transporting handicapped pupils to Mansfield. It has not increased its fees over last year.

King Typewriter Co., Mansfield, will service the machines at the rate of \$1.50 for manually operated ones and \$23.50 for electric ones.

Repairing of the sidewalk along Mechanic street at the annex in Shiloh will be investigated at the request of the village council there. Hamman suggested that black-topping it would be easier and less expensive than replacing the concrete.

For fire apparatus, junior high school -

2,549! Two tax levies on ballot here

When the last graduate passes through the line in the high school Sunday, the diploma clutched tightly, she will be the 2,549th person to receive the coveted document from Plymouth High school.

The first class was graduated in 1872. This commencement is the 98th.

\$75,000 note approved at Shiloh

To fund improvements in the water treatment and distribution station, Shiloh's village council will borrow \$75,000 from First National Bank of Mansfield, it ruled May 25.

The money will be repaid with interest from proceeds to water service charges, which will be increased later this month.

Fidelity Construction Co., Delphi, has been engaged to improve the water station building so that new water softening equipment can be accommodated.

New rest rooms and a water fountain will be installed at the little league baseball field. Severe weather during the winter resulted in bursting of pipes.

Village voters will go to the polls Tuesday between 6:30 a. m. and 7:30 p. m. to tell the village council what they think of a new three mill operating levy to benefit the fire department.

Replacement of the principal fire apparatus will be required by 1980. Purpose of the council is to collect sufficient funds so that when replacement is mandatory, purchase of a new pump

can be funded. If 55 per cent of those who cast ballots on Tuesday vote for it, the village will raise an additional \$18,919.32 a year. In three years, with earned interest, the fund should exceed \$60,000.

VOTERS IN PLYMOUTH Local School district will decide whether to tax real estate an additional 4.51 mills (\$4.51 for each \$1,000 of tax valuation) for 23 years to support issuance of building bonds to sell for \$1.15 million to pay for a new junior high school on the present site at Shiloh.

A previous request for approval of a slightly smaller issue was defeated on Nov. 7, 1976, by 58 ballots. Most of the opposition came from voters in Plymouth and in Plymouth township. Some poll observers said this was an expression of sentiment that they wish a new building to be raised in Plymouth.

Those who support construction at Shiloh argue that the issue should have been approved in 1976 and that approval of the present issue is "the next best bargain". The board of education has "squirrel-reiled" \$225,000 from operating funds as seed money for the building project.

Why does the board think the building ought to be torn down and a new one erected in its place?

There are four reasons. The first is that the building is in dilapidated condition. Part of it was raised in 1875. Another section was erected in 1922. A third part of it was added in 1950. State inspectors have found that the building does not meet the requirements of a thorough and efficient education, as stipulated by the Ohio Constitution, and specifically that it

lacks a private medical clinic or treatment room. The second is that the site at Shiloh is already the property of the board, whereas a new site elsewhere (a location on the Vanasdale property north of Charles Rhine armory and east of the Baltimore & Ohio railroad in the northwest section of Plymouth was under option, but after several renewals, the board voted to drop the option) would cost money to purchase and improve. The Shiloh site is already connected to Columbia Gas of Ohio, Inc., services and the new building would be entitled to service by natural gas.

The third is that the present junior high school, not engineered to cope with modern energy problems, is a scandalous consumer of precious natural gas supplies. During the last heating season, it ran over its energy allocation by 23.7 per cent.

The fourth is that renovation would cost almost as much as the \$1,375,000 proposed to be spent on the new building, the result would be a building whose core dates back over 100 years, and that to delay either renovation or new construction would be foolish, in the face of an inflationary trend, because the cost would be higher later. Already, within the space of a year, the cost factor has risen by 6.8 per cent.

PRESENT BONDED INDEBTEDNESS of the system is 4.90 mills. Total school tax is 30.60 mills, or \$30.60 for each \$1,000 of tax valuation. Slightly more than 63 per cent of each operational dollar spent by the schools comes from outside the school district.

One bond issue will be retired in 1982 and the other in 1990.

Action by your board was precipitated by the following two paragraphs as was received by the State Department of Education through its evaluation proceeding of the educational program and facilities made on Dec. 21, 1975.

STANDARD ED-401-09 (PHYSICAL FACILITIES)

Section A -- "The building housing grades one through six is attractive. However, the old school plant which houses kindergarten, special education and grades seven and eight does not support the educational program nor does it provide an adequate learning environment. I observed that it is unattractive and in some cases unsafe and unsanitary. The first section was built in 1875, the middle section in 1922 and the last section in 1950."

tion in 1922 and the last section in 1950."

Section I -- "An appropriate pupils' health clinic must be provided with privacy for pupils."

We are concerned about the condition of the old school plant. We recommend that efforts be made to improve the learning environment for the pupils. Every consideration needs to be given to replacing this school plant. A building can reach a state of deterioration when either a complete rehabilitation or replacement must be considered. This will require an in-depth study by the Board of Education and the Administration.

The School Board needs your support on its decision.

TO: Citizens of Plymouth Local Schools
FROM: School Issue Committee
SUBJECT: Bond Issue Report

The school administrators and school board members have indicated an imperative need and have taken action to place a Bond Issue for construction and remodeling of building facilities to educate your children in grades 7 and 8.

We, as members of the Bond Issue committee, commend the school administration for admitting this need and also commend the board of education for taking this action to give us the opportunity to

pass this Bond Issue on June 7.

As a group of concerned citizens serving on the Bond Issue committee, we ask you to join us in giving your children, our school administrators, and your school board a vote of confidence and help us to prove to our community, as well as surrounding communities, that there is no doubt that the Plymouth Local School is one of the best in the area.

96 seek diploma in commencement Sunday at Plymouth High school

Ninety-eight commencement of Plymouth High school will be conducted there Sunday at 3 p. m., when 96 boys and girls will be candidates for the diploma.

Rep. Sherrod Brown (D-Mansfield) will be the principal speaker.

The first class was graduated in 1872 but there were some years

when no 12th graders were produced.

Baccalaureate address will be by the Rev. James W. McDorman, pastor of First Evangelical Lutheran church.

Invocation will be by the class president, Michael J. Dick, son of the Michael Dicks.

Benediction will be by a classmate, Gail Knaus,

daughter of the Kent Knauses.

Richard L. Horton, principal of the school, will award honors.

Supt. John Fazzini will present the class for a-ward of diplomas to Mrs. Roger Fugh, president of the board of education, who will hand out 94 of the documents. The others will be reserved

as a special occasion to the Rev. Arthur Hamman, a board member, who will present the diploma to his son, Thomas A., and to R. Harold Mack, another member, who will present the diploma to his younger son, Charles D.

Plymouth High school band directed by David A. Miller, 2nd, will play the professional and re-

cessional.

A reception line will form on the front lawn after the ceremonies.

What is unique about this class is that two sets of female twins are among its number. These are Patty and Peggy Thornsberrys, and Lynette Kay and Lonette Rae Stevens, daughters

of the Delbert Stevens.

FIFTEEN MEMBERS of Louis Bromfield chapter of the National Honor society are among the candidates. They will wear gold cords.

These are John K. Adams, Michael L. Baker,

After golf, don't make play for caddie, make this supper

By AUNT LIZ

If you desperately want to talk to someone and cannot find him in his office, nor at home, just where is the most likely place to look for him. Try the local golf course.

The season is here again, and out everyone goes. It is really great exercise and what is so nice about it today is that everyone can enjoy it. When I was growing up, it was considered only for the rich because golf courses were then private clubs to which only a few could belong.

Now there are about 10,000 courses in our country and a large percent of them are run by municipalities as a recreational program.

Golf goes way back in history. The Dutch played a for of it on their frozen canals in the winter time and brought the game to the colonies. In fact, in 1657 some Dutchmen in New York state got fined for playing what they called "kovan" on Sunday.

The game just sort of evolved but there is a date which can be used as the beginning of it as a real

game in this country -- 1885.

The year before a Scotsman living in Yonkers, N. Y., asked a friend

who was going to England to bring him back some clubs and balls and he did, getting them at that famous course of St. Andrew

in Scotland.

They arrived on Washington's birthday, which was really a nice day, so Mr. Reid got a couple of

friends together and took them out to his cow pasture. The three scooped up some dirt and laid out three short holes. That

was our nation's first course. Then a second course was laid out, six holes this time, in a larger pas-

ture. The third was in an apple orchard, six better holes, and finally another site was found, and nine holes were laid out.

GOLF HAS COME A long way, but it can play havoc when it is time to eat, and everyone rushes please see page 7

After golf, don't make play for caddie, make this supper

home a little bushed from it all. Exercise, that is, not that 19th hole. This you can make at dawn and it will be ready

to eat when you come home, and you can even bring some friends because it will serve six beautifully.

Start with a pound and a half of sirloin, cook it up, when cooled, slice it thinly. It then goes in a bowl with some artichoke

hearts (these can be left out with no pain, but they do add a certain dash to it all), about two good size tomatoes cut in wedges,

and at least a half pound of mushrooms sliced not too thinly. In another bowl put two tablespoons of lemon

juice, a fourth of a cup of cheap red wine and of red wine vinegar, a half teaspoon of salt and of lemon pepper, a half cup of thin-

ly sliced green onions (greens included), three-fourths cup of salad oil, a fourth of a teaspoon of dry mustard and an eighth

of a teaspoon of rosemary, sage, thyme, marjoram and white pepper. For those last ones, you can just measure out some poultry seasoning, which has about the same mixture and is easier. Blend this all thoroughly with a whisk, then pour over the beef mixture and let it sit while you smack little white balls by the hour.

When you get home and get a table set, just put it all on a large platter with lettuce leaves, heat up some rolls and you have a presentable meal.

Spartans trip Red in finale on five hits

St. Peter's obtained revenge at Mansfield May 24, defeated Plymouth, 6 to 4, and sent the Big Red to a losing season at 8-and-9.

Coach Dave Dunn presented a different lineup, mostly because all save one of the 12th graders were absent.

Mike Baker pitched and allowed only five hits but he didn't get the necessary support.

Late scores win for Big Red over Crestview

Plymouth erupted late in the game here May 23 and downed Crestview in Johnny Appleseed conference play, 13 to 3.

The Big Red collected 19 base hits, including a big homer by George Brown. Tom Miller coasted for Plymouth, allowing nine safeties. He fanned seven.

Brown youngest ever in Ohio House

Rep. Sherrod Brown (D-Mansfield), youngest person ever elected to the Ohio House, will be principal speaker during the 95th commencement Sunday.

Richland county's most eligible bachelor, he is a life resident of the county seat, where his father is a physician. He was

graduated by Senior High school in 1970 and by Yale university, New Haven, Conn., in 1974. He won election to the Ohio House that year and reelection in 1976.

He is chairman of the sub-committee on state government and serves on the governmental affairs, elections and com-

merce and labor committees.

His interests lie chiefly in consumer, utility and nutrition legislation.

Dick president of graduating class

Michael Dick is president of the Class of 1977. Twin sisters, Patty and Peggy Thornberry, are

vice-president and secretary, respectively. Cynthia Faulkner is treasurer. Advisers to the class

are Michael McFarren, William K. Northrup, 2nd, and Herbert Heyl. The class colors are scarlet and gray, the

class motto "Fortune may have a yet better success in reserve for you, and they who lose today may win tomorrow".

Pupil recites

An 11th grader in Plymouth High school, Elaine Burron recited President Lincoln's address at Gettysburg, Pa., Nov. 19, 1863, before the Memorial day audience at Shelby Monday. She is the only child of the Ernest Burtons.

Only 14 going to college

A nation at international peace, and by an administration that decries armed intervention anywhere, and the rising cost of higher education are two big reasons why a smaller percentage of graduates than at any time since World War II will enter colleges and universities in the fall, a survey shows.

"The young became very sophisticated very fast when the Vietnam war was on, and the boys learned quickly how to evade the draft by legal means. Now it's not necessary for them to do that and they are proceeding directly to the work force," a college admissions office told The Advertiser.

Two Plymouth High school graduates will enter the University of Akron, each hoping to pursue an athletic career as well as obtain an academic degree. These are Michael L. Baker, an outstanding second baseman for the Big Red baseball team, who will study computer programming, and Robert M. Davis, lead singles player on the tennis team, who hopes to make the Akron net squad. Stanley C. Caudill and Michael J. Dick will enter Ohio State university, the latter as a pre-pharmacy student. Gail Knaus also has an interest in pharmacy but hasn't decided where she will go to pursue it.

Deborah DeWitt will enter Ohio State university. So will Cynthia Faulkner, intending to major in pedagogy. Marsha Harman, first exchange pupil in the history of Plymouth High school, has been accepted by Ohio State university. Jay Haver will enter the College of Wooster, aiming to become the fifth Plymouth graduate since World War I to matriculate there.

Charles D. Mack has been accepted at Findlay college.

Michael E. Elliott will go to Kent State university to major in business administration.

Gary Music will enter Ohio university, Athens. Steven Shuty has chosen Tiffin university for his collegiate work.

Lorette Stevens, one of twins graduating Sunday, will study nursing in Mansfield General hospital school of nursing.

Douglas Tallman has been accepted by Lincoln Technical school.

C. Tobias Thompson will enter Lee college or Grand Rapids Baptist college.

Cheeryl Bernhardt's college plans are not yet final.

James Cunningham will enter North Central Technical institute in Mansfield, where he has already been studying.

Girls entertain mothers at tea

A mother-daughter tea was served in Shiloh Methodist church by Shilohettes 4-H club May 22.

A program was conducted by the program chairman, Karen Russell. Ten members of the club formed a band and played six tunes for the mothers. These were Karen Russell, flute, Dianne Russell and Mary Ellen Pugh, trombones, Maureen Flora, Jo Ann Morris and Amy Echelbarger, clarinets; Margaret Flora and Jennifer Kranz, saxophones; Mary Lou Briner and Cheyne McGinnis, cornets.

Mary Motel and Carmila Sclotto played two numbers on their flutophones. Mary Motel also played a piano solo. Beth Kraft played a piano solo. Mrs. G. Deming Seymour showed slides of members of the club made at several times over the past few years.

Each mother and daughter were to design a cover for the invitation. The most original was won by

please see page 11

Jodine Courtright has chosen Mansfield School of Licensed Practical

Nursing. Peggy Thornberry will attend business school in

Toledo. Tracey Highlander has already joined the Navy.

Wayne Brown intends to enter the Army to become a paratrooper.

IN MEMORIAM In Loving Memory, Rosie Tuttle, our beloved grandmother, mother and wife, who passed away five months ago on Dec. 8, 1976. You hid no one a last farewell. Or could even say goodbye. You were gone before we knew. And only God knows why. There's grief and sorrow in our hearts. Since God took you away, Ma, "Grant Her, O Lord, Eternal Rest."

Lovingly missed by Willetta, other grandchildren, her seven sons, her one daughter, and her husband, Abel, whom I admire for his devotion and love in her time of need.

We wish to express our sincere thanks and appreciation to Dr. Liem, the nursing staff of the Willard hospital, the Plymouth Fire department, Rev. Howard Wynn, Rev. James McDorman, the Ladies of the Lutheran church, the McQuate-Secor Funeral home, and all our many friends and neighbors for all their help and kindness shown during our recent loss. The Howard Biller Family 26p

If carpets look dull and drab, remove spots as they appear with Blue Lustre. Rene electric shampooer. St. Miller's True Value Hardware. 2c
