Strike affects village income

What effect will the strike of Plymouth Locomotive works employees have on the village income tax?

As payment

works employees have on the village in come tax?

As payments stand now a total of \$47,755.94 has been collected as of Sept. 30, Mrs. G. Thomas Moore, income tax director, reports.

Another \$10,000 to \$11,000 for withheld taxes by employers is due Oct. 31.

At the rate of collections so far for this year, the income tax will generate less than had been anticipated when it was put into effect.

When it was begun Dec. 9, 1979, it was estimated that about \$100,000 could be expected annually.

A plan to resolve Plymouth's financial difficulties has been approved by the village council. It was presented by Mayor Eric J. Akers Friday might during a special meeting which was necessary because there was not a quorum present for the regularly scheduled meeting Thursday. Also because there were not enough councilmen present to pass on the legislation as an emergency, two other meetings were necessary, one Sunday and one Monday evening.

The mayor's plan calls for the transfer of about \$60,000 from the electric reserve fund to the operating and maintenance fund of the utility. This will pay off outstanding debts and bring the fund into the black.

50% water rate hike

in mayor's plan

side of the village.

He estimates it will generate \$4,000 to 5,000, which will be used for street improvements.

A change in the ambulance reserve fund is recommended. The present ordinance calls for one half of all gross ambulance money to be put in the

reserve.

He would like it changed to "net" money, which would then allow the ambulance fund to stay out of deficit spending.

A rate study of the electric system should be provided for by the council to determine if the present rates are adequate to provide for day-to-day spending plus anticipated capital improvements.

The sewer fund is holding its own and will be able to pay off its debts to Farmers Home administration. The village is delinquent with two years of payments.

The village is delinquent with two years or payments.

The sewer fund, the mayor says, is now in a position to repay a loan of \$17,500 to the cemetery fund. Trust money was borrowed in 1970 to pay an outstanding loan to what was then People's National bank. It was necessary at the time this loan be paid off, so there were no outstanning debts in the sewer fund. This was required by the Farmers Home administration before it would enter into a loan agreement to proceed with the second phase of the sewer system. he money had been borrowed in 1965 to complete first phase and only \$17.500 was as 19

The money had been borrowed in 1965 to complete the first phase and only \$17,500 was still owing.

Because of necessary improvements to the water system, the mayor is recommending a 50 per cent rate increase be approved.

Also on the agenda for Friday night's meeting was, the approval for the police department of overtime pay necessitated by the PLW strike.

James C. Root, village administrator, submitted eight hours of overtime for village electrician, Terry-Junn, for approval.

Jump, for approval.

Councilman D. Douglas Brumbach rec

Councilman D. Douglas Brumbach recommended that it be approved since Jump did the work required on a Sunday. Brumbach also said that former village electrician, Thomas Baker, pitched in and helped with the problem.

Councilman G. Thomas Moore agreed that under the circumstance Jump should be paid, since the work was an emergency. Moore also said that if work the councilman G. Thomas Moore agreed that under the work was an emergency. Moore also said that if work the council has completed during work was an emergency. Moore also saud that! work during an ordinary day cannot be completed during regular hours, compensatory time should be taken rather than overtime pay.

Village children will trick-or-treat Oct. 29 from 6

until 7 p.m.
This coincides with Shiloh and Shelby timing.

goes to Fletcher

Council post

at Shiloh

By vote of three to two. Gary Fletcher is the new councilman at Shiloh. He will complete the term of Francis Gowitzka, who suc-

Planners seeking data

"What I want to see is a map with red and blue lines on it." Miss Luella Vander-vort, secretary of the newly revived village planning commission, said last week. "I know hardly anything about Plymouth." she con-tinued

about Plymouth," she con-tinued.

What she and the other members of the commission want to know is what are the resources of the village. For the most part, the members are newcomers and they simply want to know where are the storm and sanitary sewer lines the water lines and electrical lines.

water lines and recursions.

Meeting Oct. 7, they maped this information out as their first priority.

ed.

A zoning ordinance in the future is another priority.

The commission is still firm in its stand to enfore the

Collinses buy

into the black.

The other fund with a deficit is the general fund. It is estimated that it needs \$17,000 to bring itself out of the red. Of that amount \$10,000 is earmarked to pay off a long standing note to First Buckeye bank, \$5,000 to pay off other debts and \$2,000 to be transferred to the fire pumper fund.

Themayor proposes that this amount be taken from income tax money for the time being. He wants that fund divided 75 per cent and 25 per cent in order to provide enough for the general fund now.

Later, with the hope that the three mill levy to be voted upon next month is approved, he would like the income tax money to be divided 50 per cent for the general fund and the other half amoung the other funds for capital improvements.

funds for capital improvements.

He is recommending that any revenue sharing sends during 1981 be earmarked for capital improvements within the safety fund of the general

Charges for sale of graves and openings and closings in Greenlawn cemetery will be raised. The increase has already been proposed by the cemetery

board. The increase, however, must have council

The mayor also pointed out that a half mill levy

The mayor also pointed out that a half mill levy should be renewed in 1881. Stopping the transfer of money into the reserve fund of the fire department will allow for necessary expenditures to maintain its operation and provide for capital improvements.

The park fund will hold its own, according to the

Ine-park tund will hold its own, according to the plan, with the help of income tax money for certain necessary capital improvements.

Akers is recommending that the village assess the same permissive tax of \$5 on vehicles on the Richland county side of the village which has been charged for a number of years on the Huron county

American Electric Power System.

It's one reason your electric rates are below the national average.

We're your hometown power company. But we're also part of American Electric Power, one of the largest electric systems in the country.

When you turn on a light

switch, or an appliance, or a television, chances are you don't care where the electricity

comes from But we do.
You see, at different times of the day, the cost of making electricity can vary from plant to plant. And, because we're part of the AEP System, we're able to use the best combination of generation and transmission efficiency to instantly

get the most economical

get the most economical power to you from anywhere in the system.

Being part of this power system with split second efficiency is one way we've kept your electric rates below the national average.

Red to face

Two winless football teams will lock horns in Mary Fate park tomorrow.

History does not record a season, since Ontario began to play varsity football, that the Warriors failed to win a

game.
They've a new coach, Ron Reinking, who went there from Colonel Crawford, but not too much material and apparently even less enthusiasm. The Warriors took a 40 to 0

The Warriors took a 40 to 0 beating at the hands of Loundonville Friday, ending a relationship of 17 years, in which Ontario won twice as many games, 12, as the Redbirds did.

Loudonville will enter the Mid-Ohio conference next season and won't have room on its schedule for the Warriors.

on its schedule for the War-riors.
Ontano's attack, if it can be called that, is led by Brian Gates at quarterback and by Shawn Fleming, the l-back. But they couldn't make any headway against Lou-donville, whose defenses limited the Ontario ground

Ontario here

Joe Messer, an 11th grader, follows in distinguished footsteps. His older brother, Mike, now in the Navy, shone for Plymouth as an 11th grader. Where Mike carried the mail, Joe labors in the trenches. He'll be looking for a victory over

A letter winner as a ninth grader, Jeff Jacobs hoped to set a modern record for a Plymouth pupil: 11 varsity letters. Blindsided in the last pre-season scrimmage with Hillsdale, he broke his collar bone. He returned to action Friday, this time as

Aichholz scores three touchdowns had made its best offensive quarterback, was intercept-

Handy Aichholz scored three touchdowns and an extra point here Friday night to lead Seneca East to its first victory ever over Plymouth and spoil the Big Red's Homecoming. The score was 38 to 0.

Homecoming. The score was 38 to 0:

There never was any doubt that the Tigers would prevail. They took the opening kickoff and marched 67 yards in 13 plays to produce the first score. Aichholz got in from the one. He had gains of seven, 10 and 12 yards during the drive. His kick for PAT was blocked.

The clock at the end of the

The clock at the end of the field didn't operate all night. The timer on the field said

CONTINUE PROMPT

had made its best offensive showing of the night.

The Big Red fielded the kickoff after Aichholz's section of the night of the highest play, be burst through the Tigers' right side for 36 yards. Plymouth was to make one more first down before bogging down at the Seneca East 11, whence Bill Hudson tried a field goal. It was short and that was the come to a score.

Seneca East took over at its

ed. The interceptor in turn fumbled, John Cole recov-ered for the Big Red, but time

Seneca East too much for Red;

rumpied, John Cole recovered for the Big Red, but time ran out.

Seneca East dominated the first half statistics. On 35 plays, the Tigers had recorded 14 first downs, gained 173 yards rushing, and 22 yards passing, had fumbled twice and lost both, but had not punted nor been pensized. Plymouth, on the other hand, with only 19 plays, had three first downs, gained 79 yards rushing, had ried two passes and lost one by interception, had punted twice for an average of 15 yards and had lost 30 yards by penalty.

by penalty.

What was foreordained in the first half came to pass in

the first half came to pass in the last half.
Plymouth took the kickoff and couldn't move. After losing eight yards in two plays, on fourth down Gowleys, on fourth down Gowleys, on fourth down Gowleys, on fourth down four the hold through left tackle for eight and Smith straight ahead for 12. Davis then tipped 28 yards for the touchdown. The kick for PAT was again a failure.
Harris connected with Jamerson for 2T yards and a first down in the next series but Plymouth could not

but Plymouth could not penetrate beyond the Tigers' 32, where Hampton fumbled. Seneca East recovered and went on to score driving 67

yards in eight plays. The big gainer was the result of a fantastic lapse by Plymouth's defense.
Stallings had dropped back to pass. Clearly in the grasp of two Plymouth tacklers, he broke loose for 20 yards and a first down at the Red 20. He passed to Miller, whose fumble was recovered by a teanmate.

whose fumble was recovered by a teammate. With second down at the Plymouth 15, the Tigers needed only three plays to score. Aichholz got the last five yards. His place kick for PAT was good. Second the play the final score. Davis ran in from the Plymouth 30 but the play was called back because of a clipping penalty. Stallings passed to Aichholz for nine. David got 12, Stallings rolled out for three and then Smith bolted home from the five with five minutes to play. A finnish exchange student, Kari Haataja, kicked the PAT.
Plymouth reached the Tiger 37 in the next series, with mostly second stringers on the field for the visitors, but a fumble on fourth down killed any Red chances.

One answer is to
buy U.S. Savings Bonds
through the Payroll
Savings Plan. They'll
take out that "little extra"
from each nawbeek from each paycheck for Bonds.

for Bonds.
You're automatically saving the amount you want to save, without ever seeing it. So you can't spend it. You won't even miss it. But you can spend what's left of your pay (after bills) without feeling guilty. Without worry.

News

that's fair,

concise.

accurate. that seeks out solutions to world problems, that gives you a clearer view of both national and international news.

You, too, can train your dog to "go fetch." It's worth the trouble, for the interesting things you read make you a more conversant and interesting person. The informed reader is the newspaper reader.

Here's How: The fireplace chimney draft will draw heat out of your home, so keep the damper closed when not in use. Or block the opening with a removable panel of phywood or fiberboard. Don't let dollars go up the chimney.
