

Scorecard? How else can you tell which bank is which?

One almost needs a scorecard to keep track of the several changes in the banking scene.

"So what?" says our neighbor. "Why get all excited about one bank selling out to another? They're all in it to milk the customer for all they can get, no matter who owns them. Second National, Peoples Trust - Trust? - ha, that's laugh! A pox on the whole lot."

There are times when we empathize with his attitude. But not often. It is to a bank that we owe a monthly payment, which amounts to a considerable piece of change, before the house in which we live is ours. Ours and the county auditor's, that is.

The bank is the repository of such funds as we can husband and, more or less, it disburses them and accounts for them accurately. Even when we differ, and differ so strongly that we go to sleep knowing we're right, we know that in the long run we will lose and that evil computer has done us in again.

What prompts these observations is the announcement, compelled by the Securities Exchange commission, that Toledo Trust, which has swallowed up six banks, or branches thereof, in this county within the last year or so, with assets of \$1.7 billion, is talking with BancOne, a Columbus holding company, with net holdings about four times those of Toledo Trust, about a merger.

Noises to this effect were heard in November. For a time trading in TrustCorp stock was suspended for a time. Too late to prevent the insiders from reaping a grand harvest, but suspended all the same.

That management has come forth and said so now lends support to the conclusion that, barring reentry of the Soviet satellite in Toledo or Columbus, the marriage will be consummated.

Whether it's a shotgun affair will be seen later on.

That it diminishes competition is what concerns us.

A banker whom we respect immensely said Monday night, "By 1986 or 1987, there won't be but 16 or 17 banks in the whole country."

Which scares us even more.

And the word on the national wire that failure of the oil cartel to agree on a new price for crude and production quotas to sustain the new price may lead to failure of the oil producer states to settle their enormous obligations with American banks, precipitating a banking crisis and a fiscal collapse, frightens us down to our bootstraps.

What happens when local management and control of the banking process is swallowed up into a great conglomerate is that the ordinary fellow, who depends so heavily upon negotiated credit, encounters difficulty of such proportions that he is afraid to tackle the proposition of funding his plans by borrowing money. This destroys the classic American entrepreneurial spirit, which is already under fire from other quarters, not the least of them at either end of Pennsylvania avenue in Washington. Only a fool would fail to see that confidence in the power and glory of, and the opportunity in, our national economy has diminished to the point that we have fewer and fewer folks who are willing to take a chance on America. And this opens another new can of worms that will plague us for the remainder of the century and well into the next.

Collision fatal to Coy Hillis, New Havenite

A prominent New Haven man was killed Friday evening in a collision in Route 103 east of Willard.

Coy Hillis, 73, was pronounced dead of chest injuries at Willard Area hospital.

State highway patrolmen said he was eastbound in Route 103 trailing two vehicles, which slowed before he was able to stop. His car slid into the path of a westbound car driven by Bobby Patton, 23, Attica. The impact threw Patton's car into a ditch at the north edge of the highway.

Hillis was alone. Patton had three passengers, Teddy Stone, 23, New Washington; Laura Stone, 19, New Washington; and Wayne Dye, 23, Willard, each of whom was taken to Willard Area hospital, where Patton was also admitted.

Born in Richmond township June 20, 1909, Mr. Hillis lived most of his life in New Haven township. He retired after 20 years as superintendent of the Huron county highway department.

Chapel sets new slate for services

Church services at Rainbow Valley Chapel are Sundays at 10 a.m. and 7 p.m. Children's chapel for ages three to 12 is at 10 a.m. and the teen chapel at 7 p.m.

A prayer and praise service begins Wednesdays at 7:30 p.m.

Shiloh's kin succumbs at 64 at Willard

Brother of Mrs. Aaron Mitchell, Shiloh, Marian (Elmer) Luteman, 64, Willard, died at his home Friday morning of a brief illness.

Born in Boughtonville Jan. 25, 1919, he lived his whole life there and in Willard, where he was a member of BPOEiks.

He is also survived by two brothers, Kenneth, Willard, and Robert, Nova, and three sisters, Viola, now Mrs. Kinsey Hettinger, Green-Field, Mrs. Flora Kieffer, Willard, and Mrs. Emma Talley, Whitehall.

Services were conducted at Willard Saturday at 2 p.m. Burial was in Maple Grove cemetery, New Haven township.

Kin of Hawks succumbs at 88 of brief illness

Mother of Mrs. Ivan Hawk, Mrs. Robert C. Shackelford, 88, died Friday in Union hospital, New Philadelphia, of a brief illness.

Born Carrie G. Oehler, daughter of the late John and Catherine Oehler, in Sharon Valley Nov. 17, 1894, she lived in or near New Philadelphia her whole life.

She was a member of Broadway United Methodist church there, of the American Legion auxiliary, of the Old Town Ladies' Aid and of Union Grange.

Her husband died in 1960. A daughter, her parents, four brothers and three sisters also died earlier.

She is also survived by three daughters, Dorothy, now Mrs. William Metzger, New Philadelphia; Bernice, now Mrs. Harold Walters, Wooster; and Kathleen, now Mrs. George Patterson, Monroe, Conn.; 12 grandchildren and 13 great-grandchildren.

The Rev. Wayne Wheeler officiated at services Sunday at 1:20 p.m. at New Philadelphia, where interment was in Evergreen park. Memorial gifts may be sent to the trustee of Multiple Sclerosis fund, care of Broadway United Methodist church, New Philadelphia.

He was a member of New Haven United Methodist church, of Richland Lodge 201, F&AM, here, and of Superior Chapter, OES, Willard.

A son, Robert Rowland Hillis, died earlier as the result of cancer. He is survived by his wife, Doris; three grandchildren and two great-grandchildren.

His minister, the Rev. Charles Naylor, conducted services at Willard Monday at 2 p.m. Burial was in Bethel cemetery west of Willard.

Who's buried in what plot to be resolved

Records of Greenlawn cemetery will be brought up to date as accurately as possible.

Trustees of the cemetery, Carl V. Ellis, J. Harold Cashman and Cleland Marvin, contracted with Mrs. Dennis Lybarger to do the work Monday night.

She will be paid \$3.50 an hour for 200 hours of work and will alphabetize the charting records, which the cemetery has received from the Ohio Genealogical society, Mansfield, along with updating the present records.

Over the years the record-ings of burials have not always been made, although cemetery deeds show who bought a lot, but not who is buried in it.

The charting was done late in the summer of 1980, and updating it will be simple. It is realized, however, that there are some graves which do not have stones or a marker.

Persons having knowledge of an unmarked grave may notify the trustees or Mrs. Lybarger.

Mayor fines four drivers

Four drivers paid speeding fines in Mayor Dean A. Cline's court Jan. 25.

These were Felix Alonzo, Willard, \$17; James A. Souther, Norwalk, \$14; Marvin Lewis, Fairborn, \$17, and Timothy Atkins, Shiloh, \$17.

The charge of aggravated menacing against David Cole, Shiloh, was dismissed by the mayor.

Green Conley, Plymouth, was fined \$15 for not having license plates.

Gary S. Tackett, Plymouth, was fined \$15 for peeling tires.

Bertine Whatman, charged with having a barking dog, did not appear and will pay a waiver.

Pot charge costs Strong fine of \$100

Dale A. Strong was fined \$100 in mayor's court Jan. 25 for possession of marijuana.

The charge stemmed from a report by Police Chief Robert Conley, who had gone to Strong's apartment above the Plymouth Laundromat to check a breaking and entering.

A neighbor had reported a person was seen attempting to climb the side of the building.

How to reorganize the fire department to comply with state law was resolved Thursday by Cass and Bloominggrove townships trustees and Shiloh's village council.

The burr under the saddle of the trustee and the council is a regulation that payments must be made to the Volunteer Firefighters' Dependent fund (VDFD) so

Five posts on ballot here Nov. 8; who'll run?

Political control of the village will be at stake Nov. 8 when electors to the polls to choose a mayor and four councilmen.

They will also choose a clerk-treasurer.

Terms of Dean A. Cline, mayor, and Councilmen John E. Hedeon, Keith Hebble, Ronald Predieri and Roy Barber will expire Dec. 31.

Cline succeeded Eric J. Akers, resigned as mayor, and ran unopposed to complete the remainder of Akers's four-year term, to which he was elected in November, 1979.

The four councilmen are all appointees, completing unexpired terms of officers chosen on the ballot in 1979.

Whether they will seek reelection is unclear.

John Fazzini, clerk-treasurer, has several times said he is serving as an interim functionary and has no interest in seeking election, most especially "at the rate of salary paid now." He points out that his net pay is about 40 per cent of what the utility clerk is paid. Fazzini is the fourth clerk to serve since Jan. 1, 1980.

Glorioso feted on retirement

Salvatore J. Glorioso was guest of honor at retirement dinner Saturday night in Mansfield. The hosts were Mr. and Mrs. Max Caywood and Mr. and Mrs. Willard Postema.

Elizabeth Fackler and her husband, Robert Kuhn, Toledo, will be weekend guests of her parents, Mr. and Mrs. Richard D. Fackler.

Tina Buzard, daughter of the Fred Buzards, a Bowling Green State university student, skied in Michigan over the weekend. She is now working in the treasurer's department of the university along with her class work.

Mr. and Mrs. Harold Lasar, Midvale, were weekend guests of their son and daughter-in-law, the Jack Lasars, Sunday they and Larry Lasars and the David Myerases were guests of the Michael Lasars, Shelby, for a Super Bowl party.

Mr. and Mrs. Christopher Wilcox and their son, Andrew, Galion, were Sunday dinner guests of her parents, Mr. and Mrs. William L. Van Wagner. The boy stayed the night and his mother drove here Monday to take him home.

Mr. and Mrs. J. Harold Cashman and Mr. and Mrs. Kenneth Burrer, St. Gangue, were Sunday guests of Mr. and Mrs. Samuel Cashman, Columbus.

Organization of vamps at Shiloh resolved

that if firefighters are totally disabled or killed on duty, their dependents will receive benefits.

What benefits? An indemnity of \$1,000 to the surviving widow or widower, a monthly indemnity of \$100 to the spouse if there is no remarriage, \$25 a month for each child under 16 unless the child is in school, whereupon the pay-

Seven Plymouth High school pupils made 4.0 grade-point averages for the second nine week period, their principal, Jeffrey Slauson, reported.

Twenty-six others were named to the honor roll (above 3.5) and 67 to the merit roll (3.0 to 3.49).

Perfect grades were recorded by *Vickie Brown, Traci Caywood and Janet Walters, 12th graders; *Debra Collins, 11th grader; Renee Carter, 10th grader, and Marilyn Tackett and Kevin Taylor, ninth graders.

Honor roll grades went to *David Burkett, Stony Crag, *Vicki Freeman, Kathy Horne, Frank Lawrence, *Jennifer Martin, Thomas Newmyer, *Nancy Ritchie, Dawn Robertson, *Linda Steele and *Steven Tackett, 12th graders;

Also, *Sandy Brown, *Steven Brown, *Richard Cunningham, *Tami Deskins, *Christine Elliott, Nathan Sponseller and *Kim Wilson, 11th graders;

Also, Bertha Hall, Michael Hawkins, Jesse Miller and Alice Stephens, 10th graders; Also, Kris Barnhouse, Susan Beebe, Angie Martin and Sharon Stephens, ninth graders.

Merit roll grades were assigned to Jay Adams, Lisa Baldrige, Lisa Daron, *Amy Echelberger, Bryan Edler, Jeffrey Fenner, Denise Hall, Rick Hawkins, Fayette Hudson, Jeffrey Jacobs, Jeffrey Laney, Laura Kleman, *Rhonda McDonald, Cheyne McGinnis, *Mary Nease, *Sharon Niedmeier, Gregory Polachek, *Timothy Schodorf, *Kim Schirner, Laura Sidam, Craig Thorsberry, *Charles Warr and *Jesse Woodmansee, 12th graders.

Also, Amy Adkins, Darren Branham, Kenneth Collins, Patti Griffiths, Rodney Hampton, Brian Hess, Loren Krane, Shelli Mowry, Julie Ross, Charleen Sams, *Deanna Sexton, Daniel Sponseller, *William Stephens, Vicki Thorsberry, Glenda

Will and Melanie Wolf, 11th graders.

*denotes Pioneer Joint Vocational school pupil.

Also, Rhonda Branham, David Burks, Jeffrey Caudill, Lorna Collins, Nathaniel David, Lori Fidler, Angela Foster, Barbara Harness, Sarah Keinath, Jeannie Manuel, Dana Myers, Ronald Nease, Brian Niedmeier, Jodi Fitzen, Jennifer Rath, Robert Stephens, Linda Tackett, Theresa Taylor, Julie Von Stein and Brenda Wireman, 10th graders;

Also, Judy Arnold, Karmel Edler, Ricky Gibson, Dianne Hudson, Sandi Polachek, Lisa Robinson, Krist Staggs and Tammy Tash, ninth graders.

Here're excerpts from PPD log -

Here're excerpts from the log of Plymouth Police department.

Jan. 25, 9 p.m.: Plymouth High school reported an Ashland school jacket was stolen.

Jan. 27, 5:05 p.m.: Fight among Plymouth High school girls reported.

Jan. 27, 6:11 p.m.: Fire reported in Walnut street extension woods. None found.

Jan. 27, 0:51 p.m.: Bell street resident reported having trouble with a person in his home.

Jan. 28, 9:05 a.m.: Door to an office found unlocked.

Jan. 28, 3:34 p.m.: Plymouth street resident reported a property line stake overrun.

Jan. 28, 3:39 p.m.: Baseline road resident complained about a loose animal.

Jan. 28, 10:23 p.m.: Person reported threatening a life for breaking up his home. He was transported to the Va hospital, Brecksville.

Jan. 28, 1:40 p.m.: complaint received that a 16-year-old step-son had come home drunk. Advice given how to handle the problem through juvenile authorities.

Jan. 30, 12:09 a.m.: Collision reported at Bell and Franklin street, where a utility pole was severed. Driver of the car was injured and taken to a hospital.

Jan. 30, 1:29 a.m.: Person told police officer Tiro police officers are not upholding the law. Informant was under the influence of liquor.

He's so quick he scares Big Red fans and enrages opposing coaches, one of whom, at Ontario Friday night, belabored the referees to penalize him because he was in position to defend against a lost tipoff almost before the offense got its hands on the ball. Mike McKenney, 11th grader and starter for Coach David P. Dunn's team that has so far won only one game, seeks to turn his team around this weekend. His, and its, work is cut out for them. Opposition is Mapleton and Western Reserve, each of whom has defeated Plymouth once so far.

OES to meet During 1982 - Births exceeded deaths by 209 in Huron county

Births exceeded deaths in Huron county by 209 during 1982, Huron county department of health reports.

The statistics do not cover Bellevue, which has its own health department.

Births numbered 626, 309 males and 317 females, of whom 520 were born at Norwalk, 99 at Willard and seven at home.

Deaths numbered 417, of whom 202 were male and 212 female. Place of death for 256 was in Norwalk, 117 in Willard and 44 elsewhere in the county.

Principal cause of death was cardiovascular disease, resulting in 267 deaths. Others: cancer, 73; accidents and collisions, 20; respiratory diseases, 13; suicides; deaths of early infancy, four; other causes, 32. By age, 51 deaths occurred to persons over 90, 116 to persons between 80 and 89, 125 to persons between 70 and 79, 55 to persons between 60 and 69, 43 to persons between 50 and 59 and 27 to persons under 40.

What folks here did 25, 20, 15, 10, five years ago

25 years ago, 1958
Shiloh would oppose any transfer of Plymouth Local School district to Huron county, Arlo W. Firestone told the school board.

Gerald W. Caywood will move his business to 5 East Main street.

Townsend-Wakeman 64, Huron Valley 55, Ted Fox and Mickey Hampton scoring 15 each.

Hubert Martin fell and fractured his hip.

Shall Willard schools merge with Greenfield, New Haven and Richmond? Petitions to do just that are circulating.

Carol J. Cunningham and Donald L. Brooks will wed Jan. 31.

Eleven made the Shiloh High school honor roll: Judith Patterson, 12th grader; Nancy Ballitch, 11th grader; Joan Ballitch, 10th grader; Wayne Kessler, Ruth Wallace and Jesse Hamman, ninth graders.

A son was born at Shelby to the John Gilgiers.

Fay Ruckman reached No. 90.

20 years ago, 1963

Five high school pupils made 4.0 grades: L. Diane Ruckman, 11th grader; E. Jane Fenner, 10th grader; Suzanne E. Paddock and Kenneth Springer, ninth graders.

Susan Shaver received a bruised eye in a collision in Route 61. She was a passenger on a car driven by Linda Shaver, who was driving a pickup truck.

Phil Fletcher scored 12, Ontario 64, Plymouth 45.

Martha Louise Bores and Philip Tay Ramey became engaged.

The Arlow Smiths prepared to mark their 50th anniversary.

Shiloh's council was evenly divided on whether to

vacate Keeser's alley. A daughter was born at Galion to the Thomas Meisera.

Twelfth great-grandchild of Mrs. D. Karl McInty was born at Jackson, Mich., to the Delmer Marshalls, Chelsea, Mich. Mother is the former Judy Ruddy.

15 years ago, 1968

Harland R. Nesbitt, 86, died at Ft. Myers, Fla.

The Vincent Alexanders marked their 41st anniversary.

Larry Tucker and John T. Dick were chosen members of the session by First United Presbyterian church, which elected David Brooks and Ronald D. Munes as trustees.

Chief Robert L. Meisera said he will withdraw his verbal resignation but village council was divided as to whether it should permit him to do so.

Sharon G. Hamman and Philip E. Strong became engaged.

Plymouth 28, Ontario 72. Red leads the Johnny Appleseed conference with two games left.

Plymouth won its 10th in a row, downing South Central 55 to 39, Vance Hoffman and Jim Clark leading the scoring with 16 and 14.

Five years ago, 1978
R. Keith Dawson, 60, died of cancer.

Worst snow ever paralyzed the village.

Mother of G. Deming Seymour, Shiloh, Mrs. Alice Moulton, 90, died at Ravenna.

Albert H. Newmyer, 75, Plymouth route 1, died at Cleveland.

Bert Koonz, 82, died in Tampa, Fla.

Richard Stiver, 49, former village employee, died unexpectedly at Willard.

A \$4,000 fire struck the residence of Robert C. Haas, Carole Myers and Sue Shuty were named to the dean's list by Ashland college.

Here're menus in cafeteria —

Here're menus in Shiloh school cafeteria for the week:

Today: Chicken noodle casserole, celery and carrot sticks, bread and butter, pineapple, milk.

Tomorrow: Fish sandwich, tomato or potato soup with crackers, peas, milk.

Monday: Sloppy Joe sandwich, potato rounds, cookies, applesauce, milk.

Tuesday: Chili with crackers, cheese, bread and butter, pineapple upside down cake, milk.

Wednesday: Ham salad sandwich, baked beans, peas, cookie, milk.

Here're menus in Plymouth school cafeteria for the week:

Today: Turkey noodle casserole, bread and butter, buttered peas, strawberries, milk.

Tomorrow: Pizzaburger sandwich, buttered rice, green beans, fruit cocktail, milk.

Warriors scalp Big Red, 77 to 54

Big Red basketballers joined the Republican party at Ontario Friday night.

At least, that's what the Washington experts would say.

After a good first half, during which Plymouth held the Warriors down to manageable proportions at 31 to 27, thanks to a rare four point play at the end of the second period (Mike McKenzie fired a field goal with 35 seconds left and Brian Vredenburg converted a free throw and its bonus before the buzzer sounded) and some good defensive work against all of Ontario save one.

That one was Larry Kotterman, six feet eight inches of rebounder (he accounted for 21 of the 40 credited to the Warriors), who scored 19 of his game high of 23 points.

When the third period began, Ontario's defense went to work. Its trigger was Rob Grow, who made five steals in the third period alone, each of them resulting in a basket.

A steal on one side is a turnover on the other and reflects a mistake by one who cannot afford to make a mistake.

The Warriors simply bombed Plymouth in the third quarter. They fired for field goal only 13 times and made 10 of them, only two of the shots from beyond eight feet. Kotterman took three shots and made two. Grow did the damage. Plymouth got into foul trouble early on and Grow went to the line five times. He made each one. And he also shot three field goals.

With a 27-point outcrop, the Warriors built their lead to 21 points at 58 to 37 and simply coasted the rest of the way. Even the coach's son got into action. The Warriors finished with 33-of-66, 13-of-19 at the foul line. Plymouth was 21-of-47 and 12-of-19.

Rodney Hampton, who scored 19 for the Big Red, managed seven points on three of four field goal tries in the third period or Plymouth

would not have survived at all. Plymouth scored with five of 12 tries for field goal and didn't get a free throw. During the last period, lesser players were on the court for Ontario and they did well enough against a tired Plymouth team that simply could not rebound with Kotterman. He had 14 of his 21 rebounds in the second half.

KOTTERMAN TORE Plymouth up in the first half. In the second half Plymouth paid attention to the six feet eight inch giant, held him down to a pittance, but watched his teammates kill the Big Red from outside.

Observers at the press table noted that throughout the second half the Ontario defense engaged Plymouth's attack up the floor and often left a broad lane, so broad a light truck could have been driven across the end of the court, under the visitors' basket. But Plymouth did not venture into that lane. Most of its shots in the second half were from greater than nine feet range.

Plymouth was held to 20 rebounds. The visitors made more mistakes by two, 20 to 18. Seven of them came in the third period.

Craig Thornsberry got his fourth personal foul midway in the second quarter and rode the bench until halfway through the fourth period. Greg Polachek, who took only eight shots at the basket, converted half of them and added three free throws.

For the Warriors, it was victory No. 4 against nine defeats. For the Big Red, it was defeat No. 12 against one win.

6th grade splits two, now 13-3

St. Peter's defeated sixth grade Vikings in overtime, 25 to 19, and the Vikings downed Clear Fork, 28 to 12, last week.

Billy Weiss couldn't play in the game with the Spartans, owing to a death in the family and to a case of influenza.

Terry Branham scored eight against St. Peter's. Weiss bagged nine against the Colts.

Vikes are now 13-and-3.

Eagles down ninth graders

Monroeville's ninth graders downed Plymouth, 41 to 28, here Jan. 28.

Jeff Winslow with 16 and Brett Colahan with 12 together outscored the Plymouth team.

Wrestlers last in loop tourney

There's no way but up for Big Red wrestlers in the Firelands conference.

Competing in their first league championships, the Big Red wrestlers finished dead last. Edison won it with 153 points. St. Paul's placed second with 167.

Only two Big Red competitors reached the finals. These were Richard Cunningham, 167-pounder, who engaged Tim Whistler, Crestview, in 3-45, and James Will, pinned by Dan Sousa, New London, in 5-18 in the 175-pound class.

Other champions:
John McFadden, St. Paul's, 98-lb.; Joe Mack, St. Paul's, 105-lb.; Greg Wallace, Black River, 112-lb.; Todd

Shadle, Norwalk, vice-president and rules interpreter of the Association. Other officers are Salvatore J. Glorioso, Plymouth, president; Nelson V. Lonz, Monroeville, secretary-treasurer; Arthur L. Paddock, Jr., Plymouth, and Anthony S. Aiello, Norwalk, executive committee.

Mankin, Edison, 119-lb.; Kevin Jaworski, St. Paul's, 126-lb.;
Also, Don Carabin, St. Paul's, 132-lb.; Scott Jaworski, St. Paul's, 138-lb.; Mark Rospert, St. Paul's, 145-lb.; Steve Bowersox, Mapleton, 155-lb.; Dwight Buchanan, Western Reserve, 185-lb.; Keith Stephens, Edison, heavyweight.

Umpires to meet at Norwalk

Norwalk Area Officials association, composed of baseball and softball umpires certified by the Ohio High School Athletic association, has scheduled 10 rules interpretation meetings to be conducted in Room 104, Norwalk High school, Mondays at 7:30 p.m. on Feb. 7, 14

and 28, Mar. 7, 14, 21 and 28, Apr. 11 and 25 and May 2.

No meeting will take place Monday, Feb. 21, in observance of President's day.

Experienced umpires will be detailed to discuss rules by assignment of Austin E. Shadle, Norwalk, vice-presi-

ly metered single and 3-phase service drops, a separate bill will be rendered for each service drop location.

6. Requirements To Qualify For Single Metering: If Consumer arranges for wiring at his cost so that all requirements can be supplied by means of a single 3 or 4 wire service drop extending to a single meter, and designated by Utility and providing that such service can be supplied from a single transformer bank and metered there, a single bill will be rendered for such service.

In place of a single meter, Utility reserves the right to use separate single and 3-phase meters in order to determine Minimum Charge compliance as specified in (c) under "Monthly Minimum Charge For Service."

7. Metering Voltage: Under the Schedule "GS", Utility reserves the right to meter Consumer's requirements in the most practical manner possible. Utility's secondary or primary distribution voltage and in either case of the billing Kwh shall be the metered Kwh.

8. Service Classification For Billing Purposes: In determining Consumer's Classification for billing purposes, any establishment carrying a business, professional, commercial or non-residential telephone in a directory listing shall automatically be classified as being Non-Residential in character and Schedule "GS" shall apply. However, the absence of such listing shall not be the determining factor in establishing whether or not the service utilization is Non-Residential in Character.

See Section 9 as to Consumer's option where Combined Service is involved.

9. Combined Residential and Non-Residential Service: Where the premises are used and occupied by a Consumer for both Residential and Non-Residential use as defined herein, all service shall be metered under the "GS" or at Consumer's option the wiring may be separated (subject to Utility's inspection and approval). In such an event each phase of service shall be separately metered and billed under the applicable Schedule.

10. Definition of General Service: Service furnished by Utility to a Consumer in accordance with the following limitations shall be considered General Service in character where such service is not incidental to Residential use. Such service includes that used to provide or process food or other products to the extent that same are substantially in a form that they can be used or can be sold, adopted, sold, or for sale to the ultimate Consumer.

In addition, all electric service supplied outside Utility's Corporate Limits for activities for purposes other than that when carried on within Utility's Corporate Limits shall be classified as being Non-Residential in character and so billed, shall likewise be considered General Service.

Non-Residential in character and Schedule "GS" shall apply. For the billing of Combined Service, see preceding Section 9.

11. 3-Phase Service is Required for Unbalanced or Fluctuating Loads: For highly fluctuating loads such as welders and electric melting furnaces and/or unbalanced single phase loads, Utility reserves the right to require Consumer to operate such loads at 3-phase, with the loads balanced as far as practicable. Multiple meters equal on each phase. As an alternate Utility reserves the right to require Consumer to supply such fluctuating loads by means of 3-phase service drop generally in accordance with the provisions of this Schedule as if fully written.

A separate bill shall be rendered for each separate service drop and meter location.

NET RATE PER MONTH PER SERVICE OR PER TRANSFORMER INSTALLATION

The total Monthly Billing shall be the sum of the charges (A), (B) and (C) that follow:

(A) SERVICE CHARGE PER MONTH @ \$50.00 per month

(B) CAPACITY CHARGE PER KVA OF BILLING DEMAND @ \$8.00 per Kva

(C) ENERGY CHARGE PER KWH OF BILLING ENERGY @ \$0.09 per Kwh

All billings under the above rates shall be subject to the provisions hereinafter set forth relating to:

(a) Determination of Kva Billing Capacity; (b) Purchased Power, Special Tax and Assessment Adjustment; (c) Discount For Furnishing of Substation by Consumer; (d) Billing Where Utility furnishes transformer banks; and (e) Monthly Minimum Charge, etc.

MONTHLY MINIMUM CHARGE: The Monthly Minimum Charge under this Schedule shall be \$8.00 Kva of Billing Capacity as hereinafter determined plus the service charge of \$50.00 per month, but not less than the minimum charge specified in Consumer's Service Application or Contract with Utility.

Said Minimum Charge shall be applied by reason of the Application for the "Discount For Furnishing of Substation," as herein-after provided.

There shall be added to the Minimum Charge, if applicable, any applicable Purchased Power or Tax cost Adjustment. Said Adjustment shall be applied to the Billing Kwh as hereinafter determined.

The Minimum charge is applicable on a 12-month year-round basis and Seasonal Discounts will not be available for the minimum Billing Capacity and resultant Minimum Charge except as provided under (d) of "Determination of Kva Billing Capacity."

DETERMINATION OF MONTHLY KVA BILLING CAPACITY: The Kva Billing Capacity (to nearest Kva) shall normally be determined by measurement using the highest 15 minute integrated or equivalent thermal Kw capacity and dividing same by the power factor expressed as a decimal.

The power factor shall be determined by means of a ratcheted Kwh meter or by means of 15 minute integrated or other Rkw and Kw capacity metering equipment or by means of other standard metering equipment or by means of periodic test made by such equipment.

Where highly fluctuating or intermittent loads, welding machines, electric furnaces, hoists, elevators, X-Rays and the like are operated by the Consumer, Utility reserves the right to determine the Billing Capacity by averaging Consumer's total load over a 2 minute period or by increasing the 15 minute Measured Maximum Capacity in operation by the Consumer by 50% of the Kva name plate rating of said fluctuating load.

Where such fluctuating loads require additional or separate transformers or additional system capacity, the Measured Billing Capacity shall be increased by 70% of the name plate rating Kva capacity of the separate transformer that serves such fluctuating load.

The Kva Billing Capacity shall be determined as above, but in no event shall it be less than 50 Kva nor less than the highest Kva as determined by any of the following methods:

(a) The Minimum Kva Capacity specified by Utility and set forth in Consumer's Service Application or Contract with Utility.

Utility will take into consideration the system capacity and companion investment required to provide the service in order to adequately supply both the Consumer's initial and probably future requirements.

(b) 60% of Highest Kva Metered: During the immediate preceding 11 month period.

(c) 60% of the Total Kva Installed or allocated Transformer Capacity used to meter the Consumer's requirements - whether or not same is furnished by Utility or Consumer.

BILLING KWH & METERING: The foregoing rates shall be applied upon the basis of being metered by Utility's Secondary Voltage available at Consumer's premises. Utility reserves the right to meter at either the Primary or Secondary Voltage, whichever is determined by Utility. If metered at Primary Voltage, the Billing Kwh shall be the metered Kwh multiplied by 0.95.

For further definition of Primary and Secondary Service and Voltage, see "Discount For Furnishing of Substation Equipment by Consumer."

DISCOUNT WHERE MULTIPLE TRANSFORMER BANKS ARE FURNISHED: Service under this Schedule is based upon Utility furnishing all service at a single voltage level. If the Consumer, Utility may, at its option, supply additional voltages thru additional transformer banks.

Where Utility furnishes more than one transformer bank, Consumer shall pay a transformer rental charge of \$35 per Kva of the name plate rating of the additional transformer furnished by Utility in excess of 1 transformer bank.

The Minimum Billing Capacity where Multiple Transformer Banks are furnished, shall be the total agreed-to amount to be determined as specified under "Determination of Monthly Kva Billing Capacity."

Utility reserves the right to meter multiple transformer banks at secondary voltage and to bill each transformer bank separately or to meter and bill as a single meter.

Utility determines the service to be furnished to Consumer at Primary Voltage and Consumer furnishes the service at Primary Voltage and Consumer furnishes the service at Primary Voltage and Consumer furnishes the service at Primary Voltage.

Consumer's wiring is arranged at Consumer's costs so that all service can be supplied by a single 3 or 4 wire service drop to a single meter location. Utility reserves the right to use separate single and 3-phase meters in order to determine Minimum Charge compliance as specified in (c) under "Monthly Minimum Charge For Service."

Consumer's requirements in the most practical manner possible. Utility's secondary or primary distribution voltage and in either case of the billing Kwh shall be the metered Kwh.

In determining Consumer's Classification for billing purposes, any establishment carrying a business, professional, commercial or non-residential telephone in a directory listing shall automatically be classified as being Non-Residential in character and Schedule "GS" shall apply.

See Section 9 as to Consumer's option where Combined Service is involved.

whether or not the Billing Kwh is to be based on service metered at Primary or Secondary Voltage.

1. Single Billing: If all service is supplied through a single 3 or 4 wire service drop to a single meter location, a single bill will be rendered.

2. Multiple Billing: If service is delivered through individual and separately metered single and 3-phase service drops, a separate bill will be rendered for each meter.

3. Multiple Service Requirements In Order to Qualify for Single Billing: Consumer's wiring is arranged at Consumer's costs so that all service can be supplied by a single 3 or 4 wire service drop to a single meter location.

Utility reserves the right to use separate single and 3-phase meters and to arithmetic the total Kwh and Kva Meter Readings.

7. Motor Specifications: In order to avoid the operation and/or starting of motors that are determined to be service furnished to other Consumers, Utility reserves the right to require that such motors be equipped with such reduced voltage and/or other protective devices necessary to avoid detrimental service to Utility's other Consumers.

8. 3-Phase Service Unbalanced or Fluctuating Loads: For highly fluctuating loads such as welders, electric melting furnaces and/or other unbalanced single phase loads, Utility reserves the right to require that such loads be converted to 3-phase operations so that as far as is practical the load on each phase is balanced.

9. Power Factor and Voltage Regulation: When Consumer installs Power Factor Corrective Equipment, Utility may require Consumer to install at his expense, such Control Devices as are necessary to prevent excessive detrimental voltage variations on Utility's system. In event of non-compliance by Consumer, the Kva Billing Capacity will be determined as though the corrective equipment was disconnected.

10. Temporary, Seasonal or Unusual Service: For such service, the Minimum Charge and Financing of the facilities required, etc., will be covered by a Special Agreement and the Consumer shall pay all of the "Up and Down Costs" involved.

11. Use of Service: Under no condition shall service be resold, submetered or shared with any other Consumer. Any violation of this provision shall be cause for disconnection of service.

12. General Rules and Regulations: For further details as to the rights, responsibilities and obligations of both the Utility and Consumer, see Utility's General Rules and Regulations which apply to service under this Schedule as if fully written.

SCHEDULE "SL" OUTDOOR SECURITY LIGHTING: Available to consumers where Utility (standard outdoor lighting unit can be installed on Utility's existing pole and without requiring any exterior or additional to Utility existing secondary or primary distribution facilities.

Where additional facilities are required, the Consumer shall pay in advance the total cost of the additional distribution facilities (poles, wires and appurtenances) as are required. In all cases the lighting fixture installed on the lamp will be installed, owned, operated and maintained by Utility.

This service is available only where there is assurance that the service to be furnished will be used. Utility reserves the right to refuse to furnish such service when, in Utility's opinion, the installation will not be of permanent benefit to the Tenant. However, the Property Owner shall be responsible for the payment of all bills.

APPLICATIONS FOR SERVICE: All Applications shall be on a 12-month year-round basis. Where the premises are occupied by a Tenant, Utility reserves the right to require the Application for Service to be made by the Property Owner with bills to be sent to the premises.

When the Property Owner is a Tenant, however, the Property Owner shall be responsible for the payment of all bills.

TERMS OF PAYMENT: The above rates and other charges shall be paid in full at the time of disconnection of service. If all accounts due and payable are not paid on or before payment date specified on bill, the Gross Rates shall become payable, which are 10% but not less than \$40.00 more than said Net Rates.

If any bill is not paid within the date specified, the Consumer shall be subject to Disconnection of Service for the additional expense involved, any Reconnection of Service shall be subject to the charges set forth in the General Rules and Regulations.

OTHER TERMS & CONDITIONS:

1. Contract Provisions: A written Contract may be required to cover service furnished under this Schedule, the term to depend upon investment required by Utility, revenue to be received, etc. The Contract shall specify the Minimum or Maximum Minimum Billing Capacity, Contribution in Aid of Construction (if any), and related matters required to protect voltage level, investment and to secure payment of Consumers' accounts.

2. Transformer Capacity Limitations: If more than 150 Kva of transformer capacity or an unusual installation is involved, Utility reserves the right to require Consumer to install the complete substation, in which event the Discount shall apply.

3. Low Voltage Service will normally be supplied thru a single set of service wires. The Consumer, at his option, may, at his option, be either 120/240 volt single phase 3 wire; 240/480 volt 3-phase, 3 wire; or 120/208 or 277/480 volt, 3-phase, 4 wire. If the voltage required is less than 120 volts, Utility to furnish, Consumer shall furnish at his expense such transformers as are necessary to deliver such

CHARACTER OF SERVICE: The Utility will install, operate and maintain at its expense the necessary main arm mounted lighting unit and related appurtenances.

The lighting unit shall be a mercury vapor type of luminaire. The lighting unit shall be photometrically controlled as to provide substantially 12 to 16 foot year-round lighting service of approximately 4,000 hours per year.

NET RATE PER MONTH PER OVERHEAD MERCURY VAPOR OR EQUIVALENT LIGHTING UNIT SHALL BE: Nominal Lumens Rating of Lamp 7,000 Approx. Watts Lamp Rating 75

Total Watts With Ballast 208 Yearly KWH (INCLUDES MONTHLY BASE NET RATE) \$6.50 MONTHLY ADJUSTMENT IN BASE RATE FOR EACH 0.4 MILL VARIATION IN PP&A 40.05 Nominal Lumens Rating Lamp 20,000 Approx. Watts Lamp Rating 400

Total Watts With Ballast 400 Yearly KWH (Includes Losses) 2000 Monthly Base Net Rate \$10.00 Monthly Adjustment in Base Rate For Each 0.4 Mill Variation In PP&A 0.10

* Rates for other than standard overhead fixtures shall be multiplied by Special Agreement Adjustment.

MINIMUM CHARGE: This lighting service is furnished only on a permanent, continuous 12-month year-round basis. The Annual Minimum Charge Per Lamp is payable. When disconnected of service will not avoid the applicable Annual Charge Per Lamp.

ADVANCE PAYMENT: Security Deposit: When disconnected of service shall be as specified in said Schedule.

VILLAGE PLYMOUTH ELECTRIC UTILITY DEPARTMENT CHARGES FOR RECONNECTION, DISCONNECTION AND OTHER SPECIAL SERVICE (Applicable to Section 12 General Rules & Regulations):

DESCRIPTION OF SERVICE FURNISHED:

1. Initial Service Connection - Locating, Topping of Service Entrance, Etc. \$20.00

2. Transfer of Account - Where no meter reading or special trip required None

3. Trip Charge - To Reconnect Service at Consumer's request None

4. Trip Charge - To Collect or Disconnect Delinquent Account \$10.00

5. Trip Charge - To Reconnect Service when DISCONNECTED FOR NON-PAYMENT OF BILL \$10.00

6. Trip Charge - To DISCONNECT SERVICE caused by violation of rules or regulations \$50.00

7. Trip Charge - To RECONNECT SERVICE caused by violation of rules or regulations \$50.00

8. Trip Charge - To RECONNECT SERVICE caused by violation of rules or regulations \$50.00

(Total Charge for the required 2 trips shall be \$100.00)

9. Trip Charge to Establish Temporary Service For Contractors, Mobile Homes, Etc. \$50.00

(Section 10 of Rules & Regulations)

* This \$50.00 charge only covers the trips and service necessary to establish the temporary service.

The additional cost to establish temporary service shall include all of the costs involved as specified under (c) on Page 2. To cover these costs, a security deposit shall be made by the Applicant to the Village.

If permanent service is established at the same time the temporary service is removed, the final cost to be paid by Applicant to Utility for the temporary service shall reflect an appropriate credit for materials only that were used in the permanent service installation.

The permanent service will not be established until all costs of the temporary service have been paid.

10. Return of Consumer's Check by bank because of insufficient funds \$10.00

11. Other Special Services will be furnished under the following conditions:

(a) Service Connections made by bank because of insufficient funds \$10.00

You are cordially invited to our
TLC* MONTH FOR PEOPLE'S DIAMONDS
*Your diamonds deserve Tender Loving Care.

Rings can wear thin—and you know what can happen then. Maybe your diamonds would look better in a new mounting.

Diamonds are lost when prongs are loose. All diamonds deserve to be cleaned—at least once a year!

FREE DURING JANUARY

CLEANING OF YOUR DIAMOND JEWELRY Making it sparkling again. Just take your diamond jewelry and bring it in.

SAFETY INSPECTION OF YOUR DIAMONDS. Looking for weak prongs, for worn ring shanks, for defective catches etc. This may prevent the loss of a valuable piece.

ADVICE ON OLD-FASHIONED DIAMOND STYLES. We will tell you how you can remodel old jewelry. How much it will cost. (Surprisingly little!) How it will look. How long it will take us to do it.
