St. Paul's Roth is 23rd in state meet

COLUMBUS — St. Paul junior Monica Roth placed 23rd Saturday in the state Class A girls' cross country meet held at Scioto Downs in Columbus.

Roth, making her third straight trip to Columbus, posted a 20:28 clocking on the 5,000-meter (3.1 mile) course.

"Horrible," is the way Roth described her race. "It was just not the same without the team being here."

The Flyers competed at a team in Columbus the last two years, placing eighth in 1985 and fifth in 1986. As a freshman Roth was 19th as an individual and last season she placed seventh. "I was hoping to at least be in the top 12," she said.

Five other area athletes competed:

- Junior Susan Helms of Plymouth was 52nd (21:26) in the girls' Class A race.
- Senior Tim Sword of New London was 20th (16:44) in the boys' Class A race.
- Junior Wendell Burton of Plymouth was 43rd (17:23) in the boys' Class A race.
- Freshman Anne Roeder of New London was 33rd (20:18) in the girls' Class AA race.
- Senior Chad Farshman of Edison was 69th (17:22) in the boys' Class AA race.

Three teams from the area captured team titles — Sandusky St. Mary's in girls' Class A; Perkins in boys' Class AA; and Bellevue in girls' Class AAA.

Bellevue's boys were also second behind Perkins in the Class AA race.
