

TEE TIME..

With Chuck Albury

Richland County sport fans, who don't mind taking a little exercise to get their thrills, have two fine golfing events coming up the next two Sundays that merit their attendance.

The annual Shelby Invitational is slated next Sunday at sporty Shelby Country Club while the 15th annual Richland County Men's Amateur comes off Sept. 19 at rolling Westbrook Country Club.

Both these links classics annually produce some golfing that equals amateur fairway productions can put in the way of entertainment.

And they both can be viewed with satisfaction by just as much walking as the golf fan cares to extend. There are plenty of vantage points at both courses where several greens, fairways and tees can be observed.

Both tournaments provide large scoreboards near the home holes where the standings are posted along with individual scores of all the contestants. And there's no admission charge.

Taking first things first, the Shelby meet brings to one course the finest players from nine different clubs in the Mansfield area.

Four-man teams from Westbrook, Possum Run and Coolidge join club teams from Ashland, Bucyrus, Galion, Mt. Vernon, Norwalk and Shelby in the competition. Fans here can compare the club champs from most of these layouts as they match shots.

The County Amateur brings together Richland's finest swingers who have qualified through their ability for the select 78-man field. Westbrook and Shelby entrants make the grade by virtue of their low club handicaps.

The Mansfield public course players are those who had the lowest scores in the 36-hole City Tournament, contested on the Possum Run and Coolidge fairways.

Rounding out the field are three youngsters from the annual County Junior meet, the low two scorers in the oldest age group and the champion of the younger division.

That enables links followers to see how the coming generation of area champs is going to fare against the older competitors.

Added up, the Shelby and Richland meets present the best in the area at one location for the fan to see. No sporting event can do more and such an event around the last green and scoreboard for the crowning of the champs.

Insurance 4 Boosts Big Lead

Franklin Life Insurance takes a five-point lead into the next-to-last match of the News-Journal Class A Golf League season at Possum Run Tuesday evening.

The Insurance quartet has totaled 56 1/2 points for the campaign in the 12-team circuit while Colony Recreation is next at 51 1/2. Batson's Furniture, with 48 1/2 markers, still holds an outside shot at the title.

Both Franklin and Colony face first division opposition Tuesday. Franklin opposes fifth place Hall's Shamrock (46) while Colony plays Batson's.

OTHER MATCHES

K & D Cafe (46 1/2) meets Hugo's Lounge (43), Erin Brew (43) battles Driving Range (42). Komito's Clothes (43) matches strokes with Convey-All (18) and Penn Auto (37) tests Greystone Nite Club (35).

Final matches in the 22-week season are slated Sept. 14. The loop will actually play only 19 matches since three early rainouts have been cancelled.

Al Hager, Franklin No. 1 man, holds the lead in the individual scoring race with a 35.4 average. Hager is 11 strokes under par for 17 trips around the Possum Run layout.

Joe Mayer, Batson's, is second to Hager with a 35.8 mark. Mayer's total for 17 rounds is four under par.

New Mentor Drilling 'Cat Grid Squad'

NEW LONDON — New Head Coach Don Jerry is drilling 33 football candidates at New London High School, assisted by Les Myers and John McGowan.

Eight lettermen are on the squad. They were: Royce Ganz, senior end; Joe Gorsuch, senior center; Larry Grammen, senior fullback; Ted Hardy, senior halfback; Howard Duta, junior end; Bill King, junior tackle; Ronnie Runkle, junior guard; Rodney Streng, junior guard; and John Rindemann, junior halfback who is reporting for football after a year's absence.

Only three of these lettermen were considered regulars last year. In addition to the lettermen, there were three seniors, three juniors, eight sophomores, and eleven freshmen reporting for practice.

Missing from last year's squad are 14 seniors who graduated this spring plus several others who failed to report because of entry into the service or work.

Coaches Jerry, Myers, and McGowan are running the players through two-day practice sessions in an effort to produce a smooth functioning machine.

The Wildcats are members of the newly formed Lakeland Conference which also includes Castalia, Huron, Amherst, Vermilion, and Wellington.

Fans may get their first look at the 1954 edition of the Wildcats at the league preview at Huron Friday night. The season's competition actually gets under way September 17, when New London meets Loudonville in a night contest.

Walker, Layne Began Grid Play As Guards

DETROIT — Doak Walker and Bobby Layne of the Detroit Lions started their respective football careers as guards in junior high school football in Highland Park, Texas.

Layne played the position for a season but Walker lasted only one game. He intercepted an enemy pass and returned it 75 yards to give his team a 7-0 victory.

Phantom Lady Given Chance To Capture Little Brown Jug

DELAWARE, O. (UP) — The world's record for age, sex and gait Erwin has sent word to Jug officials that he will make a determined effort to win the big race with the filly. He said the horse is completely sound and he will pass up the Walnut Hill Farm Filly Stakes to concentrate on the Jug race.

Fillys often have been well-liked contenders for the race but none has ever been a serious threat when the event was contested on the half-mile track here.

Only one filly, His Lady, an out-sider, has managed to win a Brown Jug heat. That was in the 1946 in a heat of the filly stakes at race, the first one, in which the Goshen, N.Y., where she got away on a bad break in stride.

The filly's best time this year was 1:59 3-5, which equaled the

Perryville 11 In Preview

PERRYVILLE — Perryville High School will participate in the annual football preview program at Massillon Washington High Stadium, Sept. 11, against Beach City. Tickets for the program can be purchased from any Admiral squad member.

Perryville Coach Jim Heiser is drilling a squad of 15 candidates for the coming six-man season.

Plymouth Uncovers Plunging Backfielder

PLYMOUTH — After two weeks of drills, it looks very much like Plymouth High's Pilgrims will boast a good plunging fullback when they open their 1954 season against Buckeye local at Valley City, Sept. 18.

John Fellers, a letterman in the line last season, has developed into the top visible source of power in the Plymouth backfield. Although handicapped by poor eyesight which does not permit him to see much beyond his interference without thick-lensed glasses, he has shown a big punch in intra-squad scrimmage.

Another noteworthy development has been the progress of veteran John Fox at end. Fox will call the plays for the Pilgrims, sizing up the opposition from the "catbird seat" in the forefront of the peculiar huddle style utilized by Coach Fred Kreutzfeldt. Fox is a steady and a serious competitor, and with Larry Taylor to anchor the other end of the line, Plymouth should have a fair pair of wing-men.

The contest with Buckeye local shaped up last spring as a fair chance of victory, since the school's enrollment was more or less equal to Plymouth's. During the spring, however, Buckeye local consolidated with three other schools, and there are over 60 for practice there. The school graduated 24 senior gridlers, more than the entire graduation class at Plymouth last May.

So far, there is no sign of any punting strength, a matter to which Kreutzfeldt will be directing his attention next week.

RESERVES WEAK

Coach Kreutzfeldt is not discouraged, however, although he admits his reserves are both small and inexperienced. During workouts this week, young Jim Hunt, reserve quarterback, demonstrated progress when working with the first string, and if development of the forward wall matches that of the backfield, Kreutzfeldt will be happy.

"If we get through the first four games," Kreutzfeldt says, "we could have a pretty good season. But Buckeye, Bellville and Butler will be loaded, as they have many more boys out for drills than we do, and we don't know much about Maumee Valley, whom we play Sept. 25." Maumee Valley is a private boys' day school located at Maumee near Toledo, but football is the required physical education for the enrollment of 20 men.

New Puck Coach

TROY, O. (UP) — Manager Ken Wilson of the Troy Bruins hockey club today announced appointment of Nelson Podolsky, 28, a veteran of the hockey wars, as the new Bruins coach.

Detroit Lions' offensive end Cloyce Box never played football until his junior year at West Tech as State.

Eagle Heads Galion Show

GALION — Chief Don Eagle tangles with Big Bill Miller here at Heise Park Monday night in the co-feature of the Labor Day wrestling card sponsored by the Galion Lions Club.

Women's Champion June Byers defends her title in another one hour bout against Barbara Baker. The 30-minute, one fall opener pairs Frankie Talaber and Whitey Whittier. First bout gets underway at 8:30 p. m.
