

Hand-Picker Nixes Browns

By JACK HAND

NEW YORK (AP) — Picking against Green Bay is akin to attacking motherhood, burning the flag and wearing an orange tie on St. Patrick's Day. But the old Hand-picker is going to try it again with Baltimore after failing with St. Louis.

The Cardinals did give the Packers a real scare and the New York Giants did upset the Cleveland Browns.

Unfortunately for the average, similar upsets by the Detroit Lions, Atlanta Falcons and Philadelphia Eagles were not predicted.

After an 8-4 weekend, thanks to a sweep in the AFL, the batting average for the year is 56-20 (37-145 in the NFL and 19-6-2 in the AFL). Let's give it another whirl. All games this week are Sunday afternoon.

NATIONAL FOOTBALL LEAGUE

Pittsburgh 24, Cleveland 17 — Yeah, an upset especially if Frank Ryan can't play or has trouble throwing with that sore arm. Steelers still have a chance in jungle of Century Division and have defense to handle Browns' running game. Browns won first game 21-10, Oct. 7.

Baltimore 24, Green Bay 20 — A wild, wild day in Baltimore with the unbeaten Colts very much aware they have lost five straight to Green Bay. The Packers had a rugged night in St. Louis Monday and must carry a few bruises into this big one. Lionel Aldridge may be out. Johnny Unitas vs. Bart Starr and what more could you ask? Colts have big air punch but no ground game. Packers tops in defense. Lou Michaels or Don Chandler decide this with a field goal.

Los Angeles 28, San Francisco 17 — Forget that rout of the 49ers by the Lions last week. San Francisco beat the Rams 27-24 in Oct. 8 meeting with a John Brodie-Sonny Randle pass. Rams didn't get to Brodie once but that Fear-some Foursome is geared for the big push. Rams must win to stay in there with Baltimore in Coastal Division. And they can run on 49ers with Dick Bass and Les Josephson.

New York 31, Minnesota 27 — Now the Vikings find out how the other half lives, chasing Fran Tarkenton. Giants running hot hand on offense. Porous defense should hold up before Minnesota's sputtering attack. Giants won preseason game 21-3 but never have beaten Vikings in regular season.

Dallas 28, Atlanta 17 — Return of Don Meredith with what was needed to revive sagging attack. Falcons riding on pink cloud after first victory of season and could be dangerous with new battery of Randy Johnson and Tommy McDonald, if they can keep Cowboys off Randy's neck.

St. Louis 27, Washington 21 — Scared to death of this one. Cards may be down after losing that big effort to Packers Monday night. Jim Hart, Dave Williams, Johnny Roland and Jim Bakken must be in top form to outscore Sonny Jurgensen's arm with Charley Taylor back in action. Defense gives Cards edge in tight fit.

Detroit 21, Chicago 10 — Despite the usual guessing game about Gale Sayers' availability. Bears beat Lions

14-3 at Chicago Oct. 15 when Sayers ran for 142 yards in the rain. Karl Sweetan seems to have found touch to ignite Lions' offense in ramble over 49ers.

Philadelphia 31, New Orleans 14 — Unpredictable Eagles ride up and down on a seesaw from week to week. Strictly on last week's inspired effort against Cowboys, we'll take Eagles but they had better not let down because Gary Cuozzo has Saints marching.

AMERICAN FOOTBALL LEAGUE

Kansas City 24, New York 21 — Doubt about Joe Namath's condition makes this a real puzzle. Chiefs' Len Dawson hit the targets last week against staggering Denver team but the Chiefs are hurting physically. Jets can't do it without Namath despite running of Emerson Boozer. Chiefs won preseason game 30-17.

Oakland 35, Denver 14 — Raiders rode into lead in the Western Division by manhandling San Diego 51-10 and don't figure to be upset by team they bombed 51-0 on Sept. 10. Things so tough in Denver that Lou Saban may go with rookie Jim Leclair at quarterback. Home field may help Broncos.

Houston 21, Boston 17 — An upset. Patriots slight favorites because Oilers' offense is weak. Houston defense should contain Boston whether it's Babe Parilli or ex-Oiler Don Trull. Runbacks and interceptions big part of Oilers offense.

Buffalo 21, Miami 7 — Bills hurting with Harry Jacobs out for year. Miami coming off bye and five-game losing streak with Bob Griese likely quarterback. But Buffalo should sneak home despite 10-7 preseason loss.

San Diego has the bye this week.

Highland Hi Victor Over Centerburg

SPARTA — Highland (6-2-1) closed out its 1967 football season at home here last night with a 51-0 romp over Centerburg in a non-league game.

Don Davidson scored three touchdowns and six extra points to lead Highland, which finished with a 4-2-1 mark in the Mid-Ohio Conference.

Davidson, who gained 148 yards rushing for a school record, scored on runs of seven, 20, and 32 yards as the Scot-ties scored in every period. He also set a record with 754 yards gained on the season and with 102 points.

Bill Irvine, Ed Throckmorton, and Tom Stevens each scored one TD for Highland, which set a new home-field mark by scoring 51 points.

Highland ends — Kanegsy, Shunaberger, Weaver, Jones, Kanegsy, Wood, Tackles — Dane Rogers, Martin, G. R. and S. T. F. Woods, Farris, Bush, Harbison, Guards — Perkins, LaFever, Davidson, Higgins, Rogers, Hart, Rinehart. Centers — Leo D. Shunaberger, Puthick. Backs — Davidson, Throckmorton, Irvine, Young, Stevens, Young, Rowlen, Gockley, Myser, Tobin, Phillips, Ghenco.

Highland 8 15 14 4-51
Centerburg 0 0 0 0-0

Irving (four and three-yard runs), Throckmorton (suey run), Stevens (75-yard run), Davidson (seven, 20, and 32-yard runs). Extra points — Davidson (6 runs), Throckmorton (2 runs), Perkins (kick).

OUT IN FRONT — Mansfield junior John Masquelier leads the pack in a Bethany (W. Va.) College cross country meet. Masquelier has been running one two from Bethany in meets this season. The Bisons will defend their championship in the President's Athletic Conference cross country meet in Cleveland today. Masquelier was a member of the winning team in 1966.

Freddie's Ascend To JAC Throne

(Continued From Page 9)

Howard, who was the top ground-gainer with 75 yards, capped the 60-yard drive in

eight plays with seven minutes left in the third stanza. Gene Kok booted the extra point.

Plymouth advanced to Crestline's nine-yard line in the second quarter, but was stopped on downs. Crestline, kept as far as the Plymouth

Top Ten..

How the Top Ten Class AA and Class A high school football teams in The Associated Press press forced this week:

- CLASS AA**
1. Steubenville, 8-1, lost to Massillon Washington 26-16
 2. Upper Arlington, 9-0, beat Cambridge 47-0
 3. Cincinnati Roger Bacon, 9-0, beat Cincinnati Pucelli 42-0
 4. Massillon, 8-1, beat Steubenville 26-16
 5. Dover, 9-0, beat Canton Timken 26-0
 6. Shelby, 9-0, beat Norwalk 42-0
 7. Sandusky, 9-1, beat Lorain Admiral King 26-8
 8. Circleville, 9-0, beat Franklin Heights 25-0
 9. Toledo St. Francis, 6-1, plays Oregon Cardinal St. today
 10. Cincinnati Princeton, 7-1-1, beat Fairfield 48-0

- CLASS A**
1. Versailles, 9-0, beat Munster 28-6
 2. Portsmouth North Dams, 6-0, beat Wheelersburg 34-6
 3. Newark St. Paul, 8-0, plays Ottawa Hills today
 4. Dixie, 8-0, at Jefferson, postponed until Tuesday
 5. Columbus 8-1, lost to Lisbon 8-7
 6. Kent State High, 8-0, plays Southwest today
 7. Lorain St. Mary, 7-0, plays Elyria Catholic today
 8. Fredericktown, 8-0-1, beat Lexington 18-0
 9. Newark Catholic, 6-0, plays New Lexington St. Aloysius today
 10. Milan, 9-0, beat Western Reserve 13-0

John Croft's Leader In Crestline Kegling

CRESTLINE — John Croft rolled a 561 series and Carl Bowman had a 258 single to lead league bowling at Mahak's Recreation here.

WOMEN'S LEAGUE

INDIVIDUAL — Geri Armstrong, 158-169; 45; Terry House, 456; Doris Ford, 41.

PITTSBURGH PLATE GLASS

INDIVIDUAL — John Croft, 234-186-141; Carl Bowman, 228-246; Nelson Selick, 229-542.

Catcher Okay

PITTSBURGH (UP I) — Catcher Jim Pagliaroni of the Pittsburgh Pirates was resting comfortably today following surgery for the removal of a surgical disk in his spine. The operation, performed Friday, was called "a complete success."

Harvard Victor

BOSTON (AP) — Harvard won the Big Three cross country championship Friday for an unprecedented fifth straight year. The Crimson placed five runners in the top 10 to amass 35 points. Yale was second with 46, followed by Princeton with 47.

Irish vs. Spartans

SOUTH BEND, Ind. (AP) — Notre Dame and Michigan State play each other in football again Sunday afternoon. This time it's the freshman game postponed from Wednesday night.

LEGAL NOTICE

Notice is hereby given that accounts and vouchers have been filed in the Probate Court of executor, administrators, trustees, etc. of the various estates named. All persons interested in any way whatsoever will take notice:

Section 5. Each house of representatives shall be divided into districts. Each district shall be composed of one or more whole counties. The number of whole counties shall be determined by dividing the population of the county by the ratio of representation in the senate determined under section 2 of this Article.

Section 6. District boundaries established pursuant to this Article shall not be changed until the next general census and the ensuing reapportionment or as provided in section 13 of this Article, unless the legislature shall determine otherwise.

Section 7. (A) Every house of representatives shall be divided into districts. Each district shall be composed of one or more whole counties. The number of whole counties shall be determined by dividing the population of the county by the ratio of representation in the senate determined under section 2 of this Article.

(B) Where the requirements of section 3 of this Article cannot be met, the legislature may divide a district from a whole county or counties, such district shall be formed by the legislature and shall be subject to the approval of the voters at the next general election. The boundaries of districts shall be so drawn as to delineate an area containing one or more whole counties.

(C) Where the requirements of section 3 of this Article cannot be met, the legislature may divide a district from a whole county or counties, such district shall be formed by the legislature and shall be subject to the approval of the voters at the next general election. The boundaries of districts shall be so drawn as to delineate an area containing one or more whole counties.

(D) In making a new apportionment, the legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 8. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 9. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 10. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 11. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 12. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 13. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 14. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 15. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 16. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 17. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 18. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 19. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 20. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 21. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 22. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 23. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 24. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 25. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 26. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 27. The boundaries of the house of representatives districts shall be determined by the legislature. The legislature shall be guided by the following principles: (1) The number of representatives shall be equal to the number of senators. (2) The number of representatives shall be equal to the number of senators. (3) The number of representatives shall be equal to the number of senators.

Section 28. The boundaries of the house of representatives districts shall be determined by the legislature.
