N&W

Continued from page 1

N & W allegedly told the men they were protected only to the extent of their earnings in Sandusky before the merger, a difference of thousands of dollars per year for many of the men.

Negotiations proved futile. Finally the matter was taken to court, and in 1969 U.S. 6th District Court Judge Don Young of Toledo ruled the men were entitled to the compensation they sought.

THE N&W APPEALED the decision, and in 1970 the U.S. 6th District Court of Appeals affirmed the lower court's decision.

The N&W again appealed the case, this time to the U.S. Supreme Court.

Odds against having a suit heard by the Supreme Court almost are overwhelming, but the Interstate Commerce Commission urged that the body review the case because of its possible effect on the entire railroad industry.

THE SUIT has the potential of resulting in a landmark decision if the Supreme Court decides to make this the basis of a treatise on the Interstate Commerce Act regulating employee compensation following mergers and other forms of acquisition, according to Murray.

Fined For Killing Wildlife

State officials reported today that a Sandusky company was one of three firms fined nearly \$8,000 for fish and animals killed by pollution.

Bechtel-McLaughlin, Inc., 3612 Milan Rd., paid the state \$569 for 59 wild animals killed during September of 1968.

Dan C. Armbruster, chief of the state Division of Wildlife, said that industrial wastes from the Bechtel-McLaughlin spilled into a marsh area near the plant and killed 59 wild animals, mostly ducks.

Verkamp Ammonia, Inc., paid \$6,684 for killing 37,377 fish in the Big Darby Creek Aug. 8, 1969. Aerona, Inc., Middletown, paid \$596 for 812 fish killed in Butler County during September, 1970.

Findlay Thwarts Lorain

Findlay surprisingly relied on its running attack in turning back a stubborn Lorain Senior 11 last night, 14-7, and keep the Trojans in a tie for the Buckeye Conference lead.

Coach Bob Bockrath's club managed just 42 yards in the air in claiming win No. 3 in the conference and now share the top rung with Elyria.

Sparked by the running of tailback Lee McNutt, the Trojans chewed up 195 yards on the ground and held off the charging Steelers in the final stanza.

THE FIRST SCORE came when Kevin Zahler punched over from the four in the second period, while McNutt covered the same distance in the third canto, and supplied the bonus points for a 14-0 lead.

Lorain came to life in the final canto with Jess Camera directing the attack. The young quarterback hooked up with Dean Imbragno for a 10-yard scoring strike midway through the period. Kevin Welch kicked the extra point to shave the margin in half, 14-7, but Findlay's ball-control tactics consumed most of the remaining minutes.

The win was the fifth straight for Findlay after a shocking 14-12 opening-game loss to Columbus Northland. Lorain has dropped to 1-2 in the Buckeye, and 2-4 overall.

Ron Castle engineered a last-minute touchdown march in leading Mansfield to an exciting 28-26 verdict over invading Lorain Admiral King in a battle of Buckeye Conference also-rans last night.

The senior quarterback buried a nine-yard strike to end Terone Butler with just 19 seconds on the clock as the Tigers rallied to pull out their first Buckeye win of the season.

The winners gained 323 yards in total offense, 11 less than the Admirals. Both clubs enjoyed fine performances in the aerial game. The Tigers clicked on 13 of 26 for 187 yards.

Firelands Rolls

Firelands High (3-3, 3-1) moved into a tie for second place in the Inland Conference with Highland and Buckeye last night, with a dominating 42-0 rout of host Columbia (0-6, 0-4).

In other conference action, Highland (4-2, 3-1) lambasted hapless Avon (0-6, 0-4) 60-0, and Keystone (6-4, 4-0) edged Buckeye (4-2, 3-1) 14-6 in a battle for league supremacy.

SOPHOMORE running back Larry Matus got the Falcons off and winging in the big win, with a 57-yard run in the first period.

Senior fullback Mike Mills romped 88 yards in the second stanza, and senior quarterback Jack Love hit senior end Art Daniels with the conversion pass for a 14-0 halftime lead.

In the third period, Love and Daniels teamed up on a 32-yard scoring toss, and Mills complimented the play with a run for the conversion.

THE SENIOR fullback then took over, scoring two touchdowns on runs of three and one yard. After the latter score, Love and Daniels again combined for the conversion pass.

The Falcons' final tally came as senior John Cline broke off an 18-yard scoring jaunt.

Mills had his best night of the season, with 151 yards gained on 13 carries, while scoring 20 points. Cline added 70 yards on 11 attempts, Daniels hauled in two passes for 69 yards, and Love hit on five of six attempts for 126 yards.

Plymouth Unable To Find Key

Plymouth is still looking for its first football triumph over Ontario.

The Johnny Appleseed Conference representatives tangled for the 10th time in the series which began in 1962, and Ontario rolled to an easy 38-0 decision.

PLYMOUTH HAS FALLEN nine times to the Warriors and gained a 12-12 deadlock in the 1966 battle.

Ontario scored in every quarter in hiking its conference record to 3-0-1, and season mark to 5-0-1. The front-runners have two more games remaining in the JAC.

Plymouth was limited to a meager 88 yards in total offense by the aroused hosts who rushed for 337 yards alone.

The Big Red utilized the passing game more than before, but with little success. Of the 26 aerials attempted, just seven were completed, and four intercepted.

ONTARIO TWICE scored after interceptions. Doug Schwall dashed three yards to cap a 38-yard three-play drive three minutes into the game, and Dan Wolfe rambled 57 yards late in the fourth stanza as the hosts stripped off 78 yards in seven plays after another theft.

Plymouth has dipped to 2-4 on the season and 1-3 in the conference, and returns home to face another powerful conference opponent, Lexington, next week.
