Ontario's first tally came after a 23-yard catch, by Scott, put the ball at the Falcon 12-yard line. Three plays later, at 10:31 in the second period, Chelski drilled across the goal line from one yard out.

Ontario moved out to a 21-13 edge at 10:38 in the third period. Chelski, with a Falcon defender hanging on, found Scott open in the end zone and connected with a perfect strike. Chelski finalized the Band Parents night contest, at 1:56 remaining. The senior tailback scooted around the left end for two yards and the score.

Dick Baker and Jon Dwyer ran for eight and five-yard touchdowns for Fairless.

Redbirds Blast West Holmes

By Jim Brewer

MILLERSBURG — Loudonville earned its first undefeated high school football season since 1951 Friday night, but it had to work hard as West Holmes threw a rugged, muscular defense at the high-flying Redbird offense before falling to the state-ranked club, 17-6.

The Knights kept Loudonville deep in their own territory through most of the early going and took the lead in the second quarter when Jim Miller landed on a blocked punt of Duane Stitzlein's in the end zone.

That play sparked the Loudonville offense as it drove right back on an 11-play, 73-yard series to take the lead, as Tim Cowen scored from two yards.

Vikings' Streak Safe This Week

By Hal Bock

NEW YORK (AP) — Paint the Minnesota Vikings gray. After all, you wouldn't want the color to clash with their beards.

The Vikings own one of the National Football League's older teams. And, perhaps not coincidentally, they're also one of the most successful.

Stealing a tactic from the George Allen School of Football, Minnesota owns 10 players — almost one quarter of the 43-man roster — with 11 or more years of experience in the NFL. The Vikes also own the season's only perfect record at the halfway point with seven straight victories.

Coach Bud Grant's club has opened a fat three-game lead in the National Football Conference's Central race as it bids for a third consecutive NFC crown.

Fast starts are nothing new for these old Vikings. They won their first nine games in 1973 and their first five last season on the way to consecutive Super Bowl appearances.

The streak seems safe this week when Minnesota entertains the struggling Atlanta Falcons. But, of course, you never know in the NFL. Ask Buffalo, which should have won two weeks ago against Miami but lost and then should have lost last week against the New York Jets and won.

This pro picker knew enough to go 10-3 last week, running the season's log to 66-25 for a .725 percentage.

The picks:

Minnesota 30, Atlanta 17

Quarterback Fran Tarkenton is enjoying a super season for the Vikings. He's going so well that even showing up on a national magazine cover this week shouldn't slow him against the Falcons.

Buffalo 27, Baltimore 10

The Bills have no complaints. They gave a game away to the Dolphins with a foolhardy late pass two weeks ago, then got a present from the Jets last Sunday. Now that those two strange games are out of their system, the Bills should return to good, basic football.

Lucas Victor, 18 to 13

SPARTA — A sizzling 61-yard punt return with 2½ minutes to go Friday night gave the Lucas Cubs an 18-13 independent high school football victory over the Highland Scotties.

Lucas (2-7), blanked after scoring two quick first-quarter touchdowns, was losing 13-12 when Junior Cary Henry latched on to the punt and weaved 61 yards for the score at the 2:32 mark in the final quarter.
