Whippets fourth quarter score produces 7-0 win

Globe Sports Writer

ASHLAND - In a battle of defenses, Shelby pulled out a 7-0 win to run their scoreless string to eight quarters over the scrappy Ashland Arrows Friday evening at Community Stadium before a large crowd.

With the win the Whippets, the win their second straight contest, are 2-1 overall entering next weekend's Northern Ohio League play at

home against Norwalk. The Arrows under the direction of formerSHS standout and former Shelby assistant coach, Larry Baldridge, saw their seasonal slate dip to

The first half was a repeat performance of last weekend's Whippet win over Lexington as the

defenses ruled in the first 24 minutes of play The two squads battered each other, defensively, and the scoreboard had a pair of goose eggs, one each for the Arrows and Whippets at

The Arrows had their chances to get on the scoreboard in the first half by taking the opening kickoff and driving to the Shelby 28 yard line before the AHS offense sputtered and ran out of downs when a pass fell short on the fourth down

The Whippets were unable to generate any offense and again the Arrows took the ball and were knocking on the door at the SHS 14 with a

An Arrow penalty put the ball in play at the SHS 19 before a blitz by linebacker Rob Mahon turned the Arrows hopes into miseries as the AHS offense was knocked out of field goal range with the quarterback sack.

With 11 ticks left on the clock in the first quarter, the Arrows called timeout with a third and 13 call awaiting.

Eric Halterman then ran a quarterback sneak which picked up eight yards but on the fourth down play Buddy Baker walked in front of an Arrow aerial and picked it off at the Shelby 11

Shelby's offense was sputtering through the first half and reached the Ashland 45 before running out of downs against the stingy Arrow

During the third quarter, the Whippets got a big break on a 15 yard punt which gave the SHS gridiron crew the ball, first and ten, at the Ashland 38 yard line.

The Whippets got as far as the Ashland 33 before holding and personal foul penalties pushed the Whippets back to their own 38 yard

aided by a four-yard punt which put the SHS footballers at the Arrow 49

Rob Howerton picked up ten yards on a run from an option from quarterback Chip Fugate, and a face masking penalty against the Arrows added another 15 yards and the Whippets were at the Arrow 24 vard line.

The Whippets ended the quarter on a pop pass from Fugate to Al Dowds to get the ball down to the Ashland 11 yard line.

Rob Howerton picked up four yards to start off the fourth quarter and the Arrows called timeout with 11:37 on the clock.

On the next play Howerton got dropped in the backfield and was also called for a motion penalty which Ashland declined.

At third and nine from the Arrow nine yard line, Howerton rolled on a sweep to his left and got the first and only score of the night with 11:28 on the clock.

Al Dowds then booted the extra point kick for a 7-0 lead for the Whippets.

The Shelby defense didn't rest much in the fourth quarter as the Hungry Hounds had to stop Arrow drives at the Shelby 42 and 40 yard lines.

The Shelby ground attack chewed up a total of 127 yards of real estate on 31 carries as Howerton led the Shelby ground gainers with 88 stripes on

Next in line on the ground attack was junior Buddy Baker who swiped 38 yards on a pair of Fugate finished the game with minus five

yards on a pair of carries and Doug Fagan ran once for zero yards.

Fugate had a rough night in the passing department by going one of five for 14 yards with one pass being intercepted. Halterman was five of 12 for 33 yards with one

interception and Terry Mowry was zeto for one on the half back option pass. Ashland picked up 106 yards on the ground in

the first half before the Shelby defense shut the Arrows offense down and limited them to 52 during the second half. For the night the Arrows had a total of 158

yards on 46 rushes as Dan Mager led all rushers with 103 yards on 22 carries for Ashland. Mowry picked up an additional 50 yards and

Halterman added one yard on 11 carries and Jeff Weiss had four yards on three carries. For comments about the game from the Shelby

PLYMOUTH — The Plymouth Big Red football squad fell short of a victory Friday night against the Hopewell Chieftans by the score of 20-15 as PHS fell to 1-2 on the year.

Hopewell lighted up the first points on the board with a two yard run by Shalk and the PAT In the second period Hopewell scored again on a 15 yard run by the quarterback, Craft and the conversion was good.

But down 14-0, Plymouth came right back and completed a 45 yard pass from Mike McKenzie to Tom Baker to put Plymouth back in the ball

Big Red added two on the conversion with a pass to Brian Vrendenburgh bringing them to a first half score of 14-8.

In the third quarter quarterback Jeff Jacobs passed to Baker for a touchdown and Jim Will kicked the PAT putting Plymouth out in front, 15-

The Chieftans rushed for 258 yards as 167 of: them came in the first half while the Big Red: secondary held them to zero yards passing. Plymouth rushed for 53 yards and passed for 140.

The Plymouth offense was highlighted by Jeff Jacobs who passed for 78 yards on five of eight completions.

"The offense made the big comeback plays when we needed them, but the defense lacked the, mental intensity to tackle and be aggressive, we just really beat ourselves," commented PHS head coach Dick Roll,

"Even though we did not win I am very proud. of the team because they hung in there when they! were down by 14 points, they came back not quitting at all." said Roll

Plymouth travels to Monroeville Friday to look for their second win.

By CARL RIDENOUR **Globe Sports Correspondent**

ASHLAND - Coming into the encounter with Ashland the Whippets had recorded a mark of 1-1, with a decisive 20-0 defeat of the Lexington Minutemen the previous week, and upped their

record to 2-1 with a 7-0 edging of the Arrows Friday night. Obviously, the Whippet staff was pleased with the win, but each coach cited weak points in his respective coaching area, while all the coaches felt that there were many strong points as

well.
"We've struggled offensively for three weeks now, but again like last week we had a good second half," related head coach

"Our offense took advantage of the opportunity they(Ashland) gave us," commented Varble about the lone touchdown of the game, that occurred after a 4-yard punt by the Arrows, and was later moved closer to the goal line because of a face mask

Varble felt that both his team and the Arrows played very well, and this was reflected by the 7-0 score.

A lack of field position was also cited by the Whippets' head coach as a weak point of the offensive attack, as was the case in the opener with Madison.

On a few occasions in the first half the Hungry Hound defense was called upon to stop the Arrows when they had reached the four down zone and threatened to score, but the Hounds rose to the occasion and stopped the Ashland penetration to retain the

"Our defense was strong in the first half, and came through

again later on in the game when we needed them," remarked Varble on the defensive effort.

He also commented on the fine pressure applied to the Arrows quarterback, which combined with good coverage of the secondary that kept the Ashland attack under control

Defensive coach Ron Stepsis felt his Hounds were on the field too long, but when they had their backs to the wall they found some extra energy and came through when they needed to, although Stepsis did feel the tackling in the first half was not up

Back to the offense and coach Roger Ebersole, who felt the running attack of the Whippets was a little shakey

Ebersole aslo commented, "We had the chances to score but penalties took them away We were our own worst enemy." About the scoring drive Ebersole related, "We had some real

nice blocking on the goal line, especially from our fullback (Buddy Baker) who took out two guys with his block to help spring Rob (Howerton) free.'

"We had some people open, but we coundn't get the ball to them, said Ebersole about the passing ganie

"Also they had a guy on Steve (Stine) all night so we threw away from Stine, and the people were right there." Of all the plays in the scoring drive, Ebersole felt the option

play triggered by Chip Fugate to Rob Howerton was the play that broke the game. 'Chip reads the ends very well on the option, but we haven't

had many chances to use that play," quoted Ebersole of the junior sign-caller.

This week the Whippets open Northern Ohio League competition with the Norwalk Truckers, the team that helped eliminate the Whippets from a possible NOL title.

The game will be a true rivalry for many of the Whippet seniors who remember the 3-3 tie the last week of the year. Game time is 8:00 for the contest to be held at W W. Skiles
