SUNDAY YOUR BIRTHDAY TODAY: Be less critical in the months ahead and you will improve the quality of both romance and your friendships. Others share your dislike of being constantly corrected. Keep up to date with new developments in your chosen field. Some adult education courses could mean greater career progress.

ARIES (March 21-April 19): Go first class if you want to be accepted into a new social circle. Traveling with an old friend brings many benefits.

TAURUS (April 20-May 20): A sudden financial windfall restores peace of mind. Family members help you put your home in better order.

GEMINI (May 21-June 20): Entertain at home. Reject a compromise that goes against your beliefs.

CANCER (June 21-July 22): Do not succumb to the charm of someone with mixed motives. Trying to improve a bad relationship may be more trouble than it is worth.

LEO (July 23-Aug. 22): Take a breather this weekend and spend time with loved one who has been feeling neglected. Romance is a source of glamour.
