## Whippets go to airways to shackle Ashland, 20-6

By CHUCK RIDENOUR

**Globe Sports Writer** Friday night the Shelby High School football team dodged flying arrows and responded with a pulsating come-frombehind victory over visiting Ashland in an independent contest at W W Skiles Field before 3,237 fans, 20-6

The contest pitted two teams which are mirror images of each other on offense and defense with each going its own way. Shelby improved to 3-0 while Shelby graduate Larry Baldridge's charges are

winless in three outings Both teams came into the contest with surprising results from their season openers. Shelby, down 3-0 at halftime, rallied to beat Madison, 12-3, while Ashland watched a 13-0 halftime lead disappear in its first game with Galion and turn into a 14-13 loss Well, Ashland was leading the Whippets 6-0 at the intermission and wouldn't you know it, Shelby turned the trick on the Arrows and overwhelmed Ashland in the second half

Baldridge said the key to the game was Shelby's new platoon system which was-

"Shelby's platoon system wore us down in the second half, but I am very proud of the way our kids hung in there. We have had flu and injuries all week and started only one senior tonight. I was hoping we could score on Shelby twice and get up on them because I felt we were playing good defense," said Baldridge.

Shelby looked like they wanted to hand the game to Ashland in the third period after the Arrows had punted to SHS. With the ball at their own 36, the Whippets lost the ball on a fumble which AHS recovered at the 34-yard line. Two plays later Ashland was knocking on the door at the 14-yard line when Brad Mikolajczyk snuffed the drive with a timely fumble recovery at the 13-yard line.

That was all Shelby needed to open its eyes and realize that the Arrows meant business, Whippet quarterback Chip Fugate engineered a 12-play drive which resulted in Shelby's first score of the

87-yard scoring drive which was capped off with a 25-yard pass hauled in by Tom Keller for the first six SHS points at the 2:36 point of the third canto. The SHS try to go ahead was no good when the kick was

An Ashland possession and seven plays later resulted in the tie-breaking points for the Whippets who took advantage of a shanked punt with 28 ticks left on the third

period clock. Martin was hammered for a five-yard loss on the first play to make it second and 15 from the Ashland 41-yard line as time expired in the third period.

Martin got three yards back on the next play and Fugate followed by firing a quick pass off of the line to Paul Wagoner which was good enough for 15-yards and the first down at the Ashland 23-yard line. Martin got the call the next three plays to place the ball at the Arrow eight-yard line.

Shelby came back with the same play they had scored with the first time as Fugate faked a handoff to Martin, rolled right and threw back across the field to Keller who made an excellent grab near the goal line and fell into the endzone with 9.44 left to play. Tim Amstutz converted the PAT kick for a 13-6 lead.

"We worked on the boot pass all week," said Baldridge of the fiest touchdown pass caught by Keller. "Fugate put the ball on the money and the kid made a fine effort to catch the ball. It's plays like that which win games."

A poor kick-off by the Whippets gave the Arrows excellent field position at their own 47 yard line and a roughing the passer penalty on the first play of this series moved the ball to the Shelby 37-yard line.

Three plays later the Arrows tried to set up a screen on the right side but Craig Ridenour broke through and stole the aerial from intended receiver Jeff Wallery and raced down the right sideline cutting across the grain at the Ashland 20-yard line and scoring the points needed for the icing on the cake with eight minutes remaining. Tim Amstutz booted the PAT kick and Shelby was in complete control.

Ashland then went to the air and drove down to the Shelby 30-yard line in five plays where an alert Ed Yetzer intercepted the pass at the Shelby eight-yard

Shelby went into a ball-hawking offense which took 12 plays for the Whippets to move the ball to the Ashland 10-yard line where time expired.

"There was a lot of good hitting in the game by both teams tonight. I felt we hit exceptionally well in the first half," said head coach Bill Varble.

The hard hitting may have a part to do with the 12 fumbles by both teams in the contest. Shelby was plagued by early errors in ball handling and ball exchanges, but Varble disallowed a negative aspect by saying the ball handling straightened itself out in the second half as the Whippets wore down Ashland and pieced together two scoring drives.

'Ashland played well," said Varble of the Arrows who are a deceptive 0-3. "They (Ashland) took advantage of three third downs in a row and converted them. Even though we allowed over 102 yards passing, I felt we had good pressure on the quarterback all night and made him hurry his

"The Whippets showed character in the third quarter with solid drives," said offensive coordinator Roger Ebersole. "The offensive line did a fine job and put it all together in the third period and controlled the line of scrimmage."

"We overwhelmed Ashland in the second half, but broke our own backs in the first half and put the defense in an awful bind the first half with our mistakes. But, our first score came right after a mistake which is a positive sign for us," commented Ebersole.

"The biggest improvement for us on defense was the way we hit against Ashland," said defensive coordinator Ron Stepsis of his stingy defense. "The intensity in our hitting picked up against Ashland as opposed to what it had been."

Shelby held a 257-172 edge in yardage as the Whippets bulled their way for 194 of those yards on the ground. Martin was the top ball handler for Shelby with 117 yards on 20 carries. Ashland got most of its yardage through the air with 102 yards. Ashland's only score came after a

Shelby pass was picked off by the Arrows at the SHS 27-yard line. Nine plays later Bruce Fagert kept the ball on a quarterback sneak for a two-yard score with 6:18 left in the first half. A bad snap resulted in no extra point kick which was fumbled away and recovered by Tim Hess.

Leading the SHS defense was Rick Coleman with nine tackles while Mike Roberts and Mikolajczyk had eight stops each. Other Shelby tacklers were Tim Hess (4), Yetzer (3), Tom Lewis (3), Ridenour (4), Bryan Kreinbrink (4), Ed Ingle (4), Jeff Edlridge (5) and Bill Triska

After a series of non-league battles the Whippets open Northern Ohio League play

#### Aussies predict four straight

NEWPORT, R.I. (UPI) — Australia II skipper John Bertrand, clobbered by Liberty on the race course and in a jury room, vowed the wingedkeel boat will win four straight America's Cup races starting today.

"There will be no more equipment breakdowns," Bertrand said. "My ambition is to win."

The latest defeat came from an international panel of jurors who upheld Liberty's second America's Cup victory over the Aussies, leaving defending champion Dennis Conner at 2-0 and Bertrand at 0-2 in the bestof-seven series on Rhode Island Sound.

The two Twelves race again todayn weather permitting. The Newport Nautical Weather Center predicted 15 to 25 knot winds mixed with fog and

The Aussies, determined to launch a comeback on water and land, don't intend to accept the verdict without a fight, if possible.

"We're going to study the decision and see what appropriate action to take," Bond said after the five-member America's Cup International Committee ruled Liberty had not cut too closely across Australia II's path, almost causing a collision.

The unanimous decision was particularly cheering to Conner, celebrating his 41st birthday.

Liberty needs only two more wins to ensure the world's most prestigious sailing trophy remains bolted to a table in the host New York Yacht Club's. Manhattan mansion and maintain the 132-year American domination of the event - sports' longest winning streak.
