Willard tops Shelby, turns NOL race into logiam

WILLARD - Fullback Bill McLendon rushed for 135 yards and the stingy Flashes defense held Shelby to just 17 yards on the ground in defeating the

Whippets, 29-20, Friday.
The victory by Willard threw
the Northern Ohio League football standings into a three-team tie for first place between Willard, Shelby and Galion — all with 4-1 league marks.

Not only that, but Bellevue and Tiffin Columbian are now 3-2 and just one game out of first place with two weeks remain-

make it 14-7 at halftime.

Willard stretched its lead with just under two minutes left in the third period on a one-yard touchdown run by Dan Bauman, with McLendon running for the two-point conversion. Willard led entering the fourth period,

But Shelby stormed back with a pair of scores to close the margin to 22-20. Baldridge threw a 59-yard pass to Mike Stanford with 5:25 remaining in the game, but the run for two points failed, leaving the score at 22-13.

Less than a minute later, Baldridge connected again with Stanford, this time for 49 yards, and Amstutz kicked the extra point to pull Shelby within 22-20

But Willard retaliated with a final touchdown, as McLendon went over from seven-yards out and Storts added another kick with 3:11 to go.

Amazingly, Shelby gained just 17 yards rushing for the game, and had zero yards on the ground in the first half. Shelby has made a living off the running game, but the Whippets stopped them cold.

"We did feel we could move the ball on them and stop their running game," Willard coach Terry King said. "That's our game, to play the rush. We wanted them to pass more than they wanted to, and we did, although they did pass pretty

"We have relied on our defense all year long and our offense is starting to come along now," King said. "Bill McLendon did a fantastic job running the ball. We have a great center in Mark Secor, and McLendon did a great job reading the blocks.

TIFFIN - Tiffin Columbian spotted Norwalk 12 points, then scored 21 straight points to knock-off the injury-plagued Truckers, 21-12.

Tiffin, the defending NOL champs, is back in the race with a 5-3 mark overall and a 3-2 league record. Norwalk fell to 2-6 and 1-4, and hasn't won a game since their outstanding running back James Lover broke his ankle a month ago.

But Norwalk scored the first two touchdowns, as Chris Harkness stepped in front of a Tiffin pass and returned it 68

BUCYRUS - The big game every year in Crawford County is the Galion-Bucyrus NOL football battle. But this year, it was all Galion.

The Tigers, 6-1 overall and 4-1 in the league, romped past Bucyrus, 1-6 and 0-4, by a 46-0 count Friday in the most lopsided game in the NOL this season.

Galion used a balanced attack offensively, rushing for 207 yards and 202 yards passing for 409 yards in total offense.

Rob Monnett had 93 yards in 14 carries and scored Galion's first three touchdowns, on runs of 24, four and one yard.

PLYMOUTH - Not only was the game a high-scoring affair, it was also marred by a late outbreak which forced the contest

Black River, which moved to a 23-6 lead at halftime, was forced to hold back a gallant effort by the Big Red.

A pair of touchdowns by Scott Ryman and another by Steve Hall on a 58-yard pass from Troy Keene played a key role in the Plymouth comeback.

In fact, the only Black River score in the second half came on a 34-yard run by Larry Ensign after an interception. That allowed the South leaders to take a 29-6 lead.

The Big Red came back five minutes later to score on Hall's reception and Ryman added scoring runs of five and one yards within a two minute span midway through the fourth period.

Both teams enjoyed a big offensive night with Plymouth totaling 384 yards including 257 through the air on a 14-of-39 showing. Meanwhile, Black River stuck primarily to the ground with 282 yards.
