SOUTH AMHERST - After seven football games this year, South Amherst is within one win of posting their most victories since 1976 when they won their third game of the year by edging winless Keystone, 14-8, Saturday

Two more wins could assure them of their first non-losing season since 1965. That has been the story of Cavalier football during the past twenty years but from the looks of things, coach Jon Altonen has turned that program around and put it on a positive track.

believe in themselves and are putting a lot in football this year," said Altonen. "They never believe they are beaten and keep hitting until the final gun."

Keystone took command of the game from the opening kickoff and completely stopped the Cavaliers the entire first half. Meanwhile, the Wildcats were putting eight points on the board and the way they were playing that looked liked it would be more than enough.

South Amherst was held to just 25 yards on the ground and 26 yards through the air in that

other hand, the Wildcats had rushed for 78 yards but could not get their passing game working, completing just one of five attempts for just two yards.

It was a different game in the second half as the Wildcats went flat and the Cavaliers found both their passing and running game.

"I can't explain it." said Wildcat coach Dave Ring. "We just didn't play any ball in the second half. We were flat and that's it. Last week we put 300 yards in the books and this week I doubt if we got a 100. We

stopped them cold the first half and they did what they wanted to do in the second. We just didn't do the job on offense or defense.

The Wildcats scored early in the second period when Brian Holliday crashed over from the one, capping a 10-play, 62-yard drive that was strictly power

In the third period the Cavaliers, facing a fourth and 11 from the Keystone 31 went for the yardage and John Wooldridge hit Joe Hembree on a short pass and Hembree did the

Eagles win game

By JEFF JONTZEN **C-T Sports Writer**

ROCKY RIVER - It was a bittersweet victory for North Olmsted coach Tom Watts.

The Eagles' high-scoring single wing attack turned back Rocky River, 39-21, in a shootout Saturday afternoon to climb into a share of first place in the Southwestern Conference with Westlake and Bay.

But they also saw their attack's triggerman, Scott Kalinoski, go to the sidelines late in the third quarter with a potentially serious injury.
