# Shelby air attack wrecks Truckers 36-20

By CARL RIDENOUR Globe correspondent

NORWALK-Coming back strong following their lone Northern Ohio League setback, Shelby High School scored four second half touchdowns to come from behind the Norwalk Truckers Friday evening by a 36-20 score

The Whippets rode the sterling passing combination of Randy Fagg to Jeff Rickens for all four second half scores, including a 78-yard strike that killed any comeback hopes for the

For the evening Fagg completed 10 passes (all to Rickens) in 15 attempts for 178 yards.

"J.R. (Jeff Rickens) is a magician," said Shelby head coach Ron Stepsis. "He managed to do it all. He made the big plays and got us out of trouble.

Stepsis also remarked, "Don't forget about Randy (Fagg). He put the ball where it had to be, and we did a little better job of protecting him tonight.

"Their (Norwalk's) secondary did not key on J.R. like Tiffin's did. Fagg to Rickens is a nice combination, and Norwalk gave us the pass all night and we took what they gave us," said Shelby offensive coordinator Roger Ebersole.

Ebersole continued, "Randy should get a lot of the credit for our success passing the ball tonight becuase he read the secondary very well and put the ball where it had to be. And our line did their best job of protec-

ting him this season."
"We had some kids filling in for some injured players, and the younger kids did a nice job Stu Mitchell moved back from the defense and after only two days of practice did a fine job of blocking and handling the snap-ping with our offense," added Ebersole.

Ebersole also praised the performances of John Helinski snapping for extra points and Trent Barber at offensive

The Whippets raced to an early 10-0 lead, but the opportunistic Truckers took advantage of some Shelby errors for a pair of second quarter touchdowns and a 14-10 lead at the half—one a 23-yard drive following a Shelby fumble.

But in the second half it was a Norwalk turnover that got the Whippets rolling toward their fifth win of the season against two losses and a 3-1 NOL mark. The Truckers are now 2-5 and

1-3.
With 9:47 remaining in the third quarter Curt Thomas pounced on a Norwalk fumble at midfield, and six plays later the Fagg to Rickens combination soared eight yards for the first score of the second half.

"Give Norwalk a lot of credit. They played the best football we seen them play all year," said Shelby coach Ron Stepsis. "We didn't seem to be up for the challenge, but managed to get some opportunities and win the ballgame.

The Whippet coach also related, "There were a lot of breaks in this game and we had a lot of bad things happen. The men handled a lot of adversity and we're proud of them. Next

week we must be a lot sharper." On the ground, Shelby rushed for 187 yards led by sophomore tailback Doug Noblet who had 92 stripes in only 11 carries. Following Noblet was Terry Baldridge with ten carries for 44

The Truckers were paced in rushing by Roy Staley with 65 yards in 17 attempts.

Defensively, the Hungry Hounds forced three turnovers including the fumble recovery by Thomas, and interceptions by Reid Lederer and Steve Stiefel.

Stiefel's theft came with 5:53 to go in the game as the Truckers were apparently about to score. On first and goal at the seven yard-line Norwalk elected to pass into the endzone and Stiefel stepped in front of the Ken Moore aerial to stop what could have been a 30-21 game.

Another potential score by the Truckers was negated by a penalty. Sean Oglesby caught a 51-yard touchdown pass to possibly make the score 24-21, but an illegal procedure penalty brought the ball back, and two plays later Norwalk had to punt the ball away to the Whippets.

"Basically we played well, but we gave them some momentum with some big plays," said Gary

Dvorak, coordinator of the Hungry Hound defense. "They have a big play offense, and we had to give up certain things to stop others.

"We had a few players out with some injuries and the younger one filled in well. Dan Markel did a real fine job and responded well to what he had to

do."

Next Friday the undefeated Galion Tigers (7-0) roll into Shelby for a key NOL clash. The Tigerrs rolled up a 67-12 win over Upper Sandusky last night.

PLYMOUTH—Troy Keene fired three touchdown passes to Steve Hall to propel Plymouth High School to a 21-0 win over Edison Friday on homecoming night for the Big Red.

Keene's strikes to Hall covered 18, 17 and 29-yards to snap a two-game losing streak for Plymouth. Plymouth is 5-2 overall and 2-2

"I'm tickled pink with the per-formance of the defense," said Plymouth coach Dick Roll following the win. "Things have been shakey for us defensively

this year and tonight the boys showed what they were made

"The defense hit hard and pursued very well. They were totally intense for 48 minutes," said

Roll singled out the play of freshman linebacker James Fletcher, sophomore linebacker Bill Castle and senior middle guard Terry Mansfield who plugged things up for the Edison offense.

Hall's first score came with 7:09 on the clock. The drive covered 18 yards following a Edison fumble. Randy Myers booted the PAT for a 7-0 lead

With 1:33 remaining in the first quarter Hall notched his second scoring catch, but the kick failed and Plymouth led 13-0. Keene found Hall on a 29-yard

pass with 2:40 remaining in the first half and the Plymouth quarerback tacked on the PAT with a successful run to account for the game's scoring.

Plymouth rushed for 92 yards and Keene passed for another 145 yands

KC nips Toronto 6-5 sonal 0-11 post-season drought,

KANSAS CITY, Mo. (UPI)—George Brett did not stop the rain at Royals Stadium Friday night, but he did supply the thunder.

Five days of rain at Kansas City broke long enough to squeeze in Game 3 of the American League Championship Series. So Brett took it upon himself to drench the Toronto Blue Jays, pounding two homers, a double, a single and scoring four runs to

deliver the Royals to a 6-5 victory. "Who was going to get George Brett out tonight?" Kansas City manager Dick Howser said. "There's nobody around who's going to get him out when he's

on a roll like that. That was a Hall of Fame performance by a Hall of Fame player.' The victory ended Kansas City
