### Rose faces indictment

**United Press International** Pete Rose, banished from baseball, may be indicted next week by a grand jury investigating the alleged gambling of the ousted manager of the Cincinnati Reds.

Chicago radio station WBBM reported Friday a federal grand jury in Cincinnati has nearly completed its investigation of Rose and could hand up indictments as early as next week.

Rose was barred from baseball in an agreement with Commissioner A. Bartlett Giamatti Thursday, ending a gambling scandal that has darkened the game since spring training. Baseball's all-time hit leader may apply for reinstatement in a year.

Giamatti said he believed Rose bet on Reds games. However, Rose denied gambling on baseball or having a gambling prob-

Quoting unidentified sources, WBBM said federal investigators are looking at four Chicago-area tele-phone numbers called frequently by Rose. The sources said one of the numbers was that of a service providing recorded sports scores. The others apparently were to cellular telephones since disconnected.

The investigators were trying to determine if any of the numbers belonged to Dominic Basso, a convicted bookmaker with mob connections. Rose has denied knowing Basso.

## Monroeville balance pays in 21st consecutive win, 35-14

LAGRANGE — Monroeville rushed for 121 yards and added 127 in the air in displaying what the run-and-shoot is all about

Coach Steve Ringholz's squad, unbeaten the last two regular seasons, posted its 21st victory in succession with a 35-14 romp over host Keystone.

The Eagles rushed 29 times and converted on 17 of 25 passes by Sean Smith in a convincing win.

John Anderson was the leading rusher with 58 yards on just 4 carries for the winners, while first-team Firelands Conference selection Chris Gies had a sensational effort in the receiving department. He caught 9 passes for 124 yards.

Anderson opened the scoring with a 22-yard jaunt at the 8:19 mark of the first period, then it was Rick Bryant bulling over from two yards out 4 minutes later for a 14-0 first-quarter lead.

Monroeville stretched the margin to 21-0 by halftime as Gies hauled in a 10-yard scoring strike from Smith.

After Keystone scored in the third period, the Eagles retaliated as Bryant thundered in from 3 yards out at the 7:19 mark of the same period.

Smith fired his second touchdown pass with 1:33 remaining in the game, this time 34 yards to Anderson.

# Tough day in pro qualifying

Staff Writer

NORWALK - Much of the noise being made at Norwalk Raceway Park Friday came from the Alcohol Funny

While most of the Nitro Funny Car and Top Fuel Dragster drivers were experiencing problems during qualifying, such was not the case in the Alcohol Funny Car

Bob Newberry shattered the track speed record for Alcohol Funny, hitting the top end in 230.18 miles per

That was good enough to earn him the No. 1 qualifying spot after the first day of the 12th annual Loctite/Nationwise World Nationals at NRP. Action resumes today when gates open at 8 a.m. The

first of two professional qualifying sessions will be held at 2 p.m. with another starting at 7 p.m. That leads up to the final eliminations, which commence at noon Sunday. Newberry, of Schenectady, N.Y., also owns the elapsed time record in the division with a time of 6.210 set during

last year's nationals. It was not only Newberry setting a sizzling pace in Alcohol Funny as the top three qualifiers on the first day were within six-hundreths of a second of each other.

Right behind Newberry's pace shot of 6.216 seconds was current season points leader Greg Moss, of Fenton, Mo., with a time of 6.219 at 226.13 miles per hour and Mark Thomas, of Louisville, Ohio, is third at 6.222 and 218.45

mph.
In all, there were nine qualifiers under 6.50 in Alcohol

Meanwhile, most Nitro Funny and Top Fuel drivers were shutting it down early.

In Nitro Funny, R.C. Sherman, of Frederick, Md., leads the way with an elapsed time of 5.653 seconds at 238.10 miles per hour while Tom Motry, of Plainfield, Ill., checked in second with 6.036, 229.59.

Sherman is No. 2 in season points with 1,510, trailing

Doc Halladay's 1,965. Late in the day, Kenny Bernstein in the famed Budweiser King clicked off a 5.53 clocking at 269 miles per hour but the run was not made during the qualifying session and will not hold up as the fastest elapsed time of the day

in Nitro Funny Car. In other Nitro happenings, Shirl Greer's car suffered major damage while making a run. The blower exploded and totally destroyed the Tosti Asti Corvette body which scattered at mid track after the fireball eruption of Greer's engine. He was not injured and held on to the No.

6 qualifying spot. Jim Head, of Columbus, had the fastest time (9.143 seconds) and fastest speed (80.790) in the Top Fuel division.
All dragsters making a run Friday shut down early or didn't even make the journey down the quarter mile.

Thus, there should be some very intense qualifying during the two sessions today.

In early Pro Stock qualifying, James Antonette, of Long Island, N.Y., leads the way in his 1989 Pontiac, having hit the lights in 7.513 seconds at 185.19 miles per hour. Billy Ewing, who sits fourth in qualifying with a time of 7.550, recorded the fastest speed of the day at 190.68.

In addition to the professional qualifying today, all

sportsman categories will be making qualifying runs. Friday, the Top Sportsman ranks were led by Bill Kuhlmann, of Wentzville, Mo., with a 7.05 second, 205 mph performance while New York's Mike Ashley broke the NRP

## Port Clinton's first play touchdown nullified in loss

record in practice with a run of 7.022 at 200 mph.

GENOA - When it rains, it

At least that has been the case for Port Clinton since Pete Moore took over a year ago.

The Redskins, who suffered through a 0-10 season in

Moore's first season, had a 75yard touchdown called back on their first play from scrimmage Friday in the season opener with Genoa

As a result, the Comets wasted no time scoring and went on to had Port Clinton its 11th straight defeat, 20-6.

"We called a waggle pass on the first play and our quar-terback (Eric George) hit our receiver (Cully Elmes) right on the money and we wind up with a 75-yard touchdown. We were really excited. However, there was a flag on the oppsosite side of the field and they (officials) said we pushed off and the touchdown was nullified, we lost a down and had to give the ball up a couple of plays later," Moore said.

"Genoa gets on the board quickly and it's 7-0. That was all the scoring in the first half," Moore related.

"We come out the second half and George hooks up with Elmes for a down-and-out that covers 93 yards and we're back in the game. We go for the two points on the PAT and miss. We're down, 7-6, but that's okay because we're right in the game," Moore said.

"However, we just couldn't run the ball and I believe we had 19 yards rushing for the game. You can't win games with statistics like that. We just don't have anyone with foot speed. We had some holes open, but our backs were too slow getting to them," Moore

Genoa scored later in the third period to go up 13-6 as Port Clinton blocked the kick, then put the game away with its third touchdown of the night in the final minute of play.
