All winners of the state events are automatically entered into the Ohio Classic Meet to be held June 5 at Reading High School near Cincinnati.

Only one name is included on the list of state meet records, that of 1970 Mansfield Malabar graduate Jeff Linta who soared 15 feet, 514 inches in the pole yault.

Already this season, Ohio stars have posted better efforts than existing state meet records and two others have been equal. Dayton Roosevelt's Jeff Parks owns a pair of the "betters" with a long jump of 24-41/4 and a 13.8-second coursing over the 120-yard high sticks. The long jump effort could erase one of the two oldest marks on the triple-A books, both held by Jesse Owens set in 1933.

SAME AS WARFIELD

Toledo Libbey's Bob Lawson has equalled the 100yard dash mark with a 9.5 clocking and Jackson of East Cleveland Shaw has an 18.9 in the 180-yard lows - the same as Paul Warfield's 1960 time.

The other very possible new standard could come in the high jump where Hodge of Dayton Belmont has cleared 6-8 which is one inch better than the mark shared by Tony Wilson of Columbus Franklin Heights (1969) and Willis Price of East Cleveland Shaw (1970). Price, also in the running this year, has a season - best of 6-5.
