POS: Write position of each player, using F, G or C.

QUARTERS PLAYED: "X" each period in which the player participates.

PLAYER: Name of each player.

NO.: Jersey number of each player.

FOULS: "X" each personal foul charged against the player.

TEAM FOULS: As personal fouls are committed and marked against individual players, "X" the proper numbered square in the TEAM FOULS section for each half.

INDIVIDUAL SCORING: Upper section of scoring spaces is intended for field goals. Write a 2 in the proper quarter column as each player makes a field goal. (See sample on following pages.)

Lower section of scoring spaces is intended for free throws. Write O for each throw attempted; if made, place a distinguishing mark inside the O such as ⊗. (See sample) Ample space is provided if the scorer wishes to improvise symbols to indicate two-shot and one-and-one situations.

RUNNING SCORE: Place a mark in the proper numbered square as each score is made. As a scoring aid, note that odd numbers are in shaded squares. Separate spaces are provided to record score by periods.

TIME OUTS: Record the number of time outs by the team in each period.

SUMMARY: FG — number of field goals made (not total points scored on field goals).

FT — number of free throws made.

F — number of personal fouls charged against individual player.

TP — to arrive at TOTAL POINTS scored, multiply FG x 2 and add FT.
