### **Palmer And The Masters**

MANSFIELDER JOHN MASQUELIER is a distance runner on the Bethany (W. Va.) College varsity track-field team. . . The Malabar High grad is a freshman and lettered in cross country last fall. . . . San Francisco Warrior Rick Barry has been named "rookie of the year" in the National Basketball Association, polling 84 of 86 ballots.

... Billy Cunningham of Philadelphia got the other pair. . . . The six-foot-seven former All-American at Miami, Fla. scored 2,059 points (25.7 average) to rate as the No. 4 scorer in the league. . . . He became the fourth NBA rookie to ever score more than 2,000 points. Wilt Chamberlain of Philadelphia, Walt Bellamy of New York and Oscar Robertson of Cincinnati. . . . Barry, who led the nation as a collegian with a 37.4 average, broke the rookie record for a forward which had been held by Los Angeles' Elgin Baylor, 1,742 points. . . . His best single game was 57 points - which is only one behind Chamberlain's rookie record. . . . Alex Hannum, who coached the Warriors last season, says, "One big plus about Rick is that he is never satisfied. After every game, even when he scores 40 points, he will go home and think about the shot he missed and then go to practice and work on it so he won't miss again."

. . . All readers of sports pages must realize by now that Arnie Palmer has won the Masters tournament on even numbered years, starting in 1958. . . . That's one reason he is favored this time around the Augusta layout. . . . Actually he hasn't been far from the top in the other four tournaments since 1958, tying for second twice, finishing third once and tying for ninth the other time. . . . Palmer, Jack Nicklaus and Gary Player, the Big Three, have won seven of the last eight Masters and finished 1-2-2 last time. . . . There's a three-year-old race horse named He Jr. . . . He was foaled in Oklahoma and won stakes races last season at Keeneland, Churchill Downs and Arlington Park.

TWO YOUNGSTERS who performed on Mansfield Madison athletic teams are among the 75 candidates who will report for spring football drills at Bowling Green State University April 12. . . . This group includes 21 lettermen from a squad which won seven and lost two in 1965. . . . And those 21 players logged enough playing time that Bee-Gee must be considered an early favorite for the Mid-American Conference title they shared last fall. . . . Biggest problems now seem to be depth at tackle and a quarterback. . . . Bowling Green was fifth in the nation in total defense (187.6 yards per game) and fourth in passing defense (81.1) and nine defensive starters return. . . . The two Madison candidates are: Tackle Jerry Hunter and Halfback Joe Pearce. . . . Hunter is one of two letter winners at tackle . . He is six-foot-one, weighs 235 pounds and is a senior . . . A junior, Pearce is five-foot-nine and weighs 165 pounds. . . . His specialty is defense while Hunter accumulates most of his playing time on offense. . . . Three other area athletes are on the Bowling Green ros-

The Cloverleaf Speedway at Valley View Ohio hopes to open its late model super stock season Sunday . . . Snow KO'd the program last Sunday. . . .

Time trials are at 1 p. m. and racing at 3 p. m. . . . Pete Rose was the finest second baseman in the National League last year. . . . However, he hasn't been a ball of fire this spring since switching to third base for the Cincinnati Red Stockings. . . . Scouts say he has shown good range and excellent hands . ## **Mets Blast Detroit In** 11-2 Rout

By GARY KALE

**UP1 Sports Writer** The "Gold Dust Twins" may be a misnomer for Sandy Koufax and Don Drysdale, who at the moment might have difficulty making the Fort Knox Baseball team.

The Los Angeles Dodgers' pitching stars spent so much time dickering over baseball contracts and eyeing movie offers that they missed a crucial portion of the spring training season.

#### LOTS OF LOOT

Koufax and Drysdale, combining for 49 victories last year. held out for 32 days and finally settled for an estimated \$230 000 between them. With a week's accelerated training program they finally made their 1966 debut Tucsday—and were tagged for six runs as San Francisco scored a 7-2 win.

Drysdale went to the whipping post first and was bombed for four runs, one unearned, in three innings. The big righthander gave up four hits, included a three-run homer by Jim Pavi Hart in the first inning Hart later belted Johnny Podres with his second homer of the game.

Koufax succeeded his high-

priced partner for the middle three innings and allowed two runs. Tom Haller, the first batter to face the Dodger southpaw, homered in the fourth inning and Hal Lanier drove in a run with a double in

Wes Parker salvaged Dodger honors with a two-run homer off Gaylord Perry.

#### **METS AGAIN**

The New York Mets continued to raise eyebrows as they hammered Detroit Tiger pitching for five homers in an 11-2: victory. Ken Boyer, Dick Stuart, Ron Hunt, Jerry Grote and Lou Klimchock socked the home runs during a 13-hit Met attack.

Jack Nicklaus, the Ohio golfer who will be trying for an unprecedented second straight Masters victory, scoffs at claims he has the golfing plum all wrapped up.

"That's a lot of baloney," Nicklaus said before a final tune-up for Thursday's start of the 72-hole grind over the Augusta National course. "A lot of golfers can win

this thing," the 26-year-old Golden Bear said. "A couple of bad breaks can ruin you. Most of the time this tournament is lost, not won.

"The player who doesn't

make any mistakes is the player who wins." He predicted a score of 278

would be good enough to take the title. That is seven strokes above the record set last year by Nicklaus, who fired rounds of 67-71-64-69 in one of golf's most

dazzling exhibitions. Nicklaus conceded the hilly, 6,980-yard course is long enough to eliminate some of the 104-man field.

He doesn't think, however. that Doug Sanders, hottest player on the 1966 tour with three 1965 triumphs, is out of the running because he isn't a long driver.

"Doug hits the ball as far as Gary Player and Player's record speaks for itself." said Nicklaus. "If you look in the records you'll find most of the winners of the Masters weren't long hitters."

Nicklaus singled out Arnold Palmer and Player - the other members of the Big Three who have won every Masters crown since 1960 — as his leading rivals. As an afterthought, he tossed in the names of Sanders and Bruce Devlin, the lanky Australian who collected \$67,000 on the tour last year without winning a tournament.
