New London sweeps FC track titles; St. Paul girls are third

ASHLAND — New London swept both titles Saturday at the annual Firelands Conference track meet held at Ashland Crestview High School.

The boys won by 10 points over Black River, while the girls ran away with the title by 69 points over South Central.

"It was a very good day," said New London coach Bob Knoll. "We had several events where we got double-winners and a lot of people scored. There was quite a bit of difference in the girls' results and I was surprised by that."

"We had a very good week last week. I hope we can carry that right on. We will just try to put it together in our best events and try to get as far as we can. That's our goal (to get as many athletes as possible to Columbus)."

District action for Class A runners is Wednesday and Friday at Shelby High School.

"A little disappointed," said St. Paul coach Jeff Colvin. "I thought the girls should have given New London a better shot and finished second. I thought Amy Klausung and Paula Poole both did well, along with all of the relay teams."

"I think we are in good shape. We just want to continue to improve. We have to iron our some handoff problems in the relays and if we can do that it should knock a couple of seconds off our times."

Here are Saturday's results:
