Your life never stands still, you are constantly moving forward, rising to new heights, and stepping on to new and demanding experiences. You are forever growing and learning.

During your years here at Plymouth High School you will take many important steps in your life. Steps that can never be retaken, but ones well worth remembering.

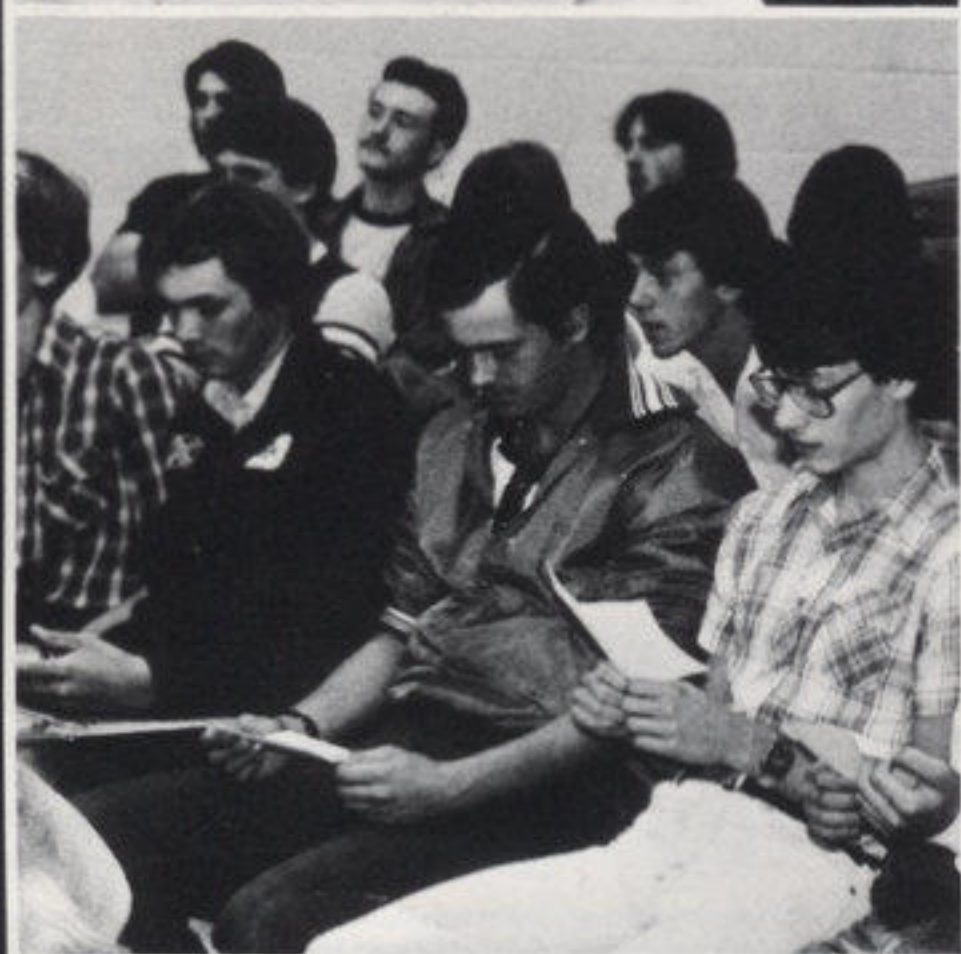

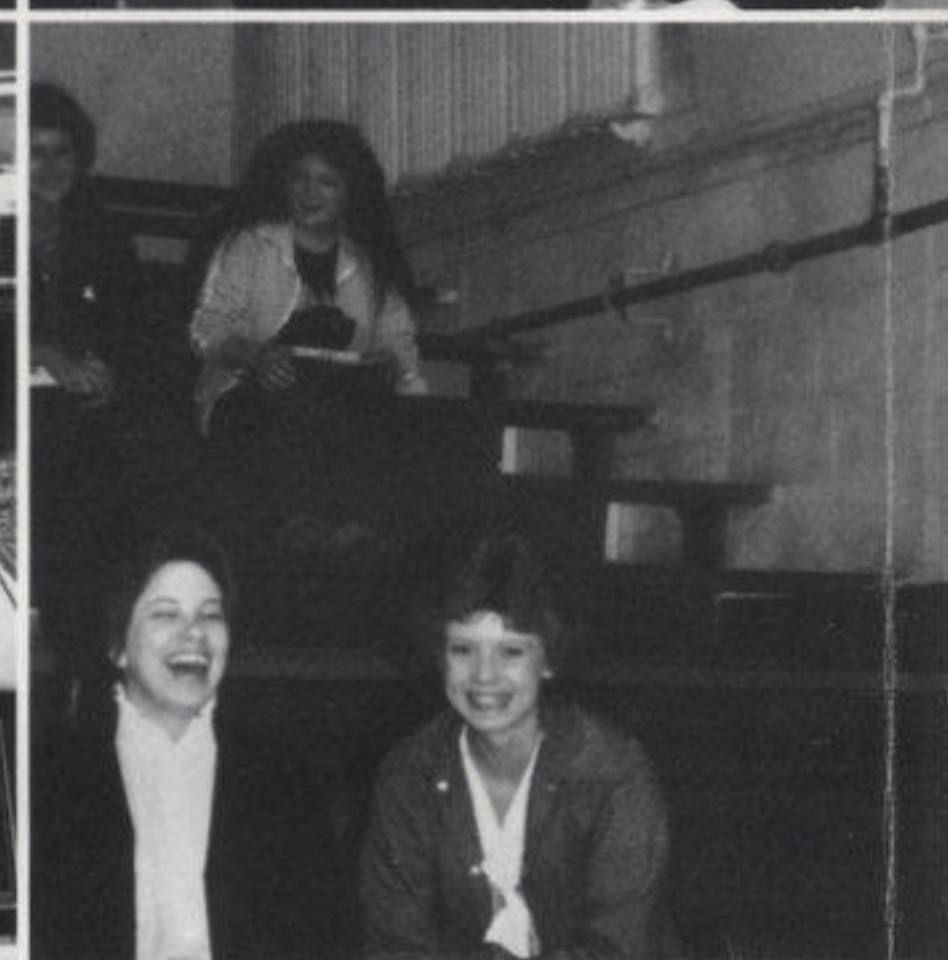

We hope that our narration of these steps will help imprint them into the sands of time and memory forever.

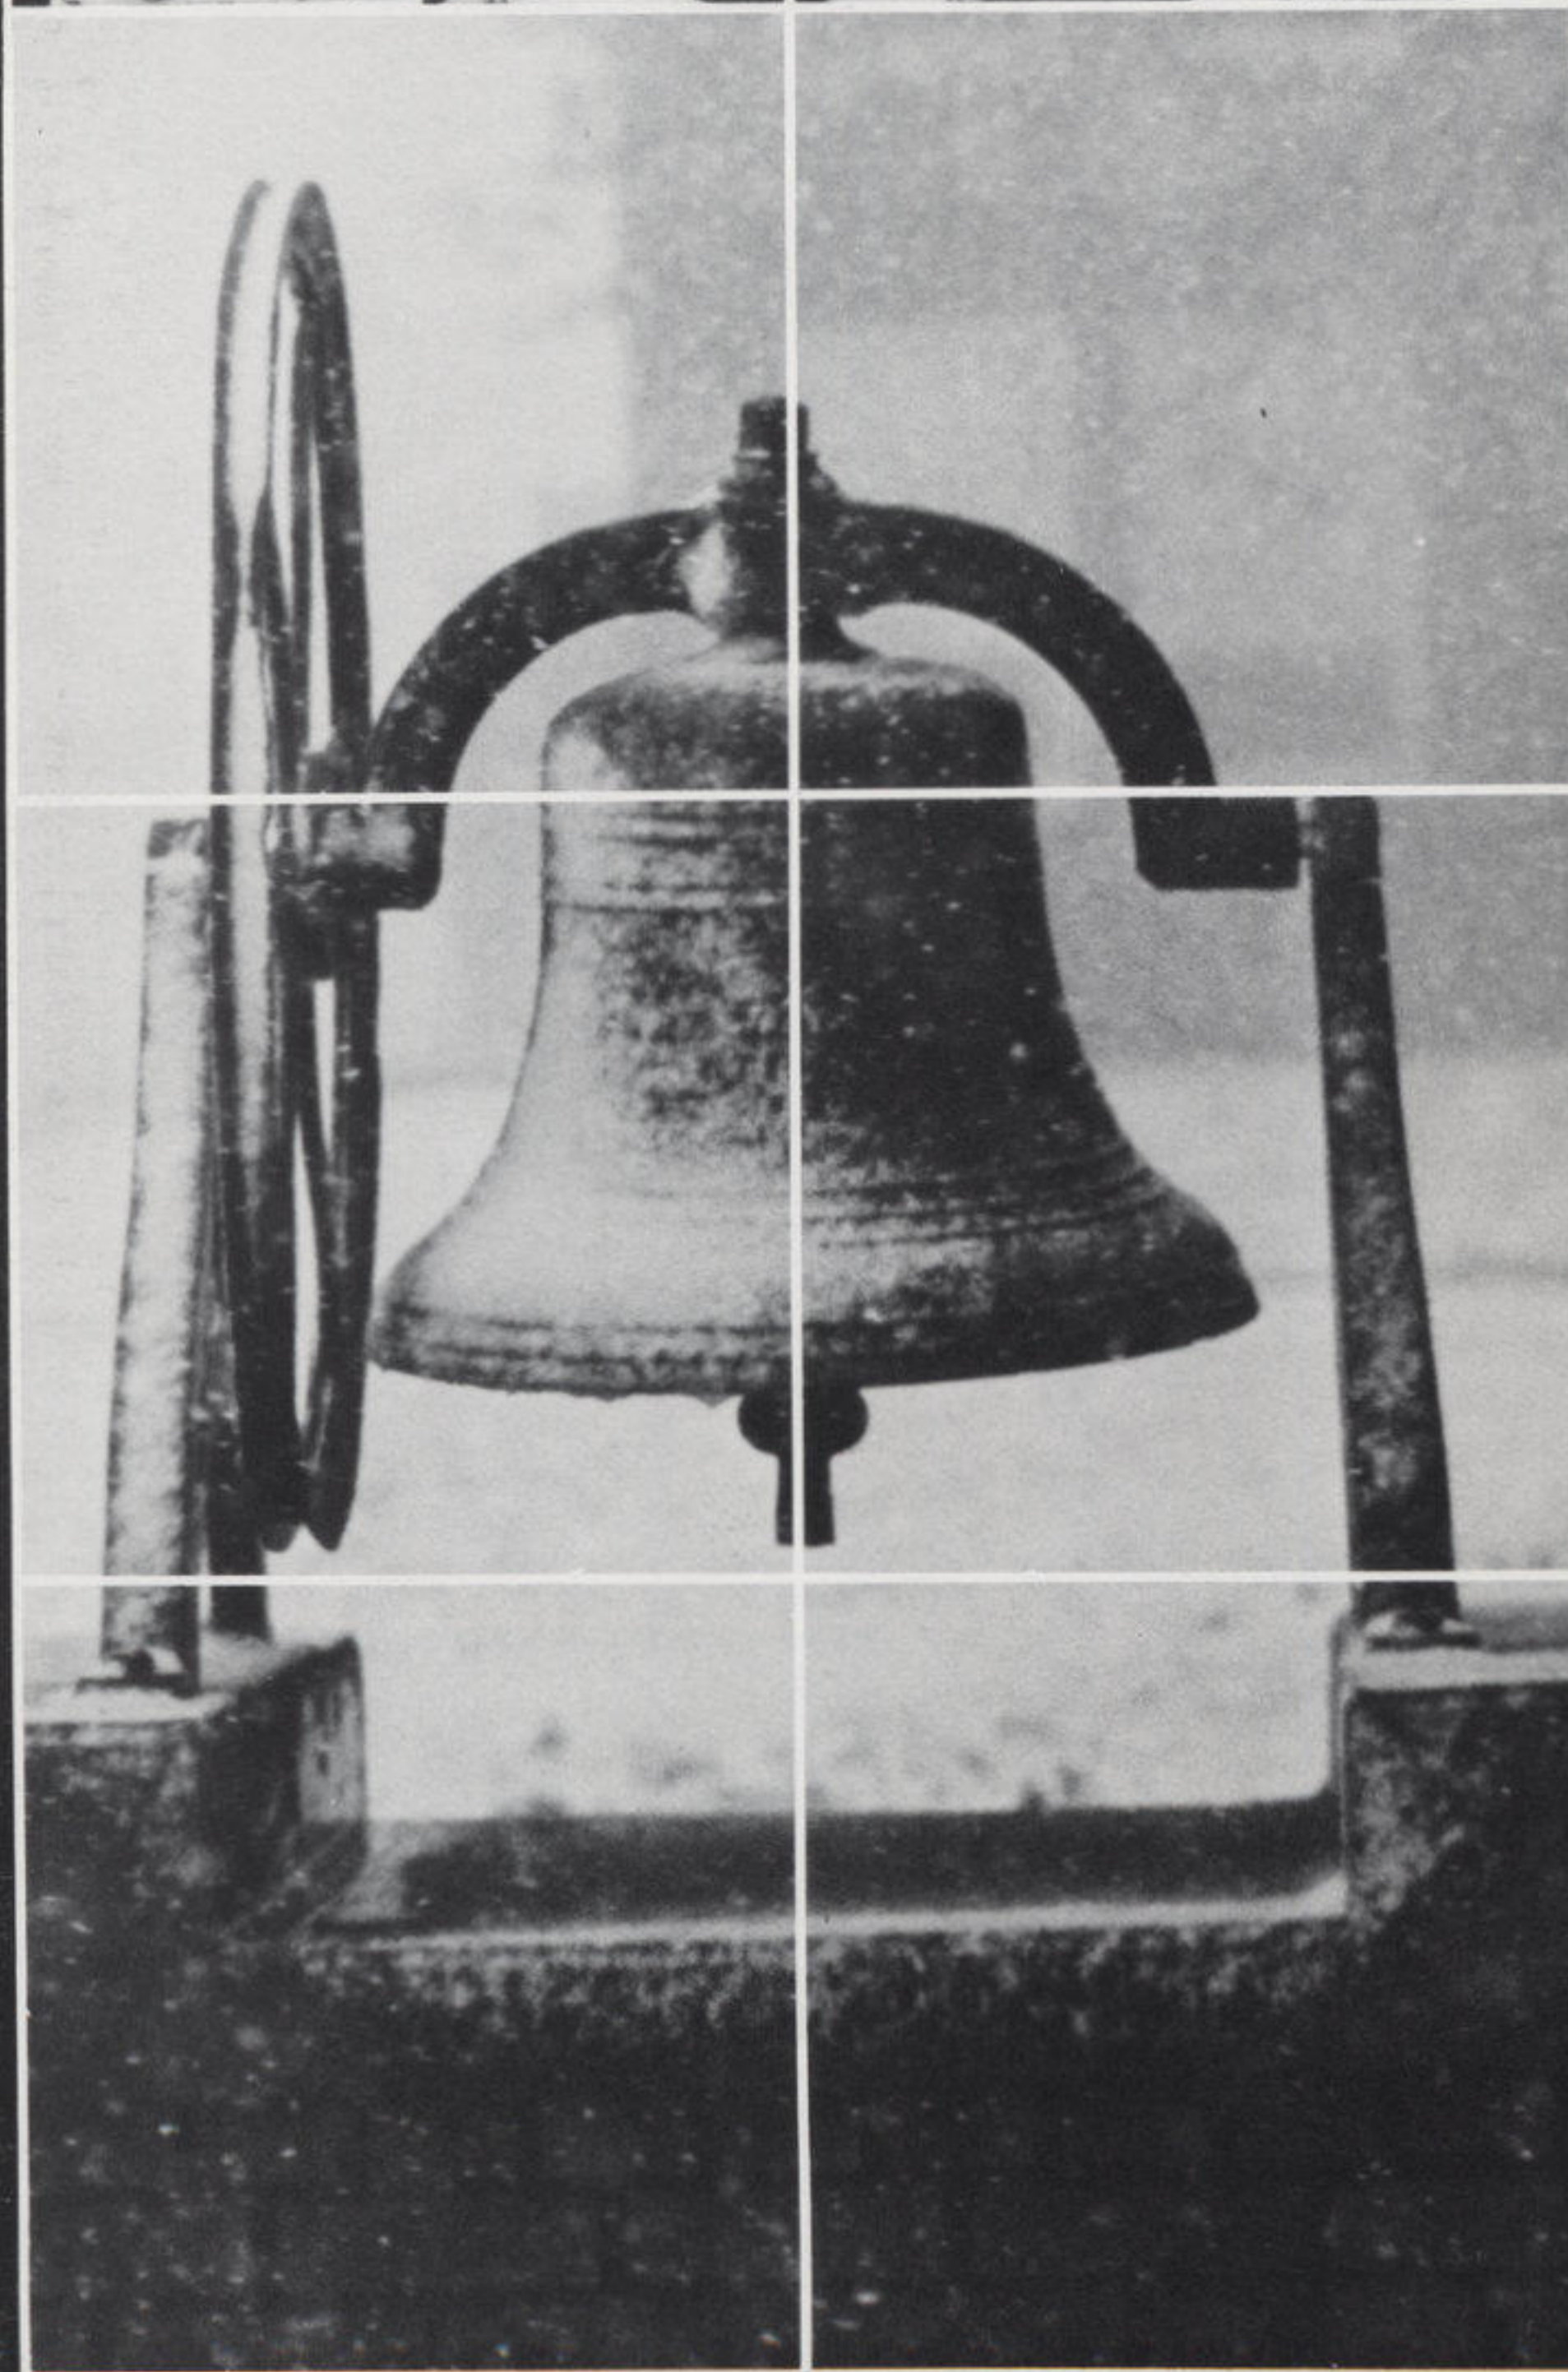

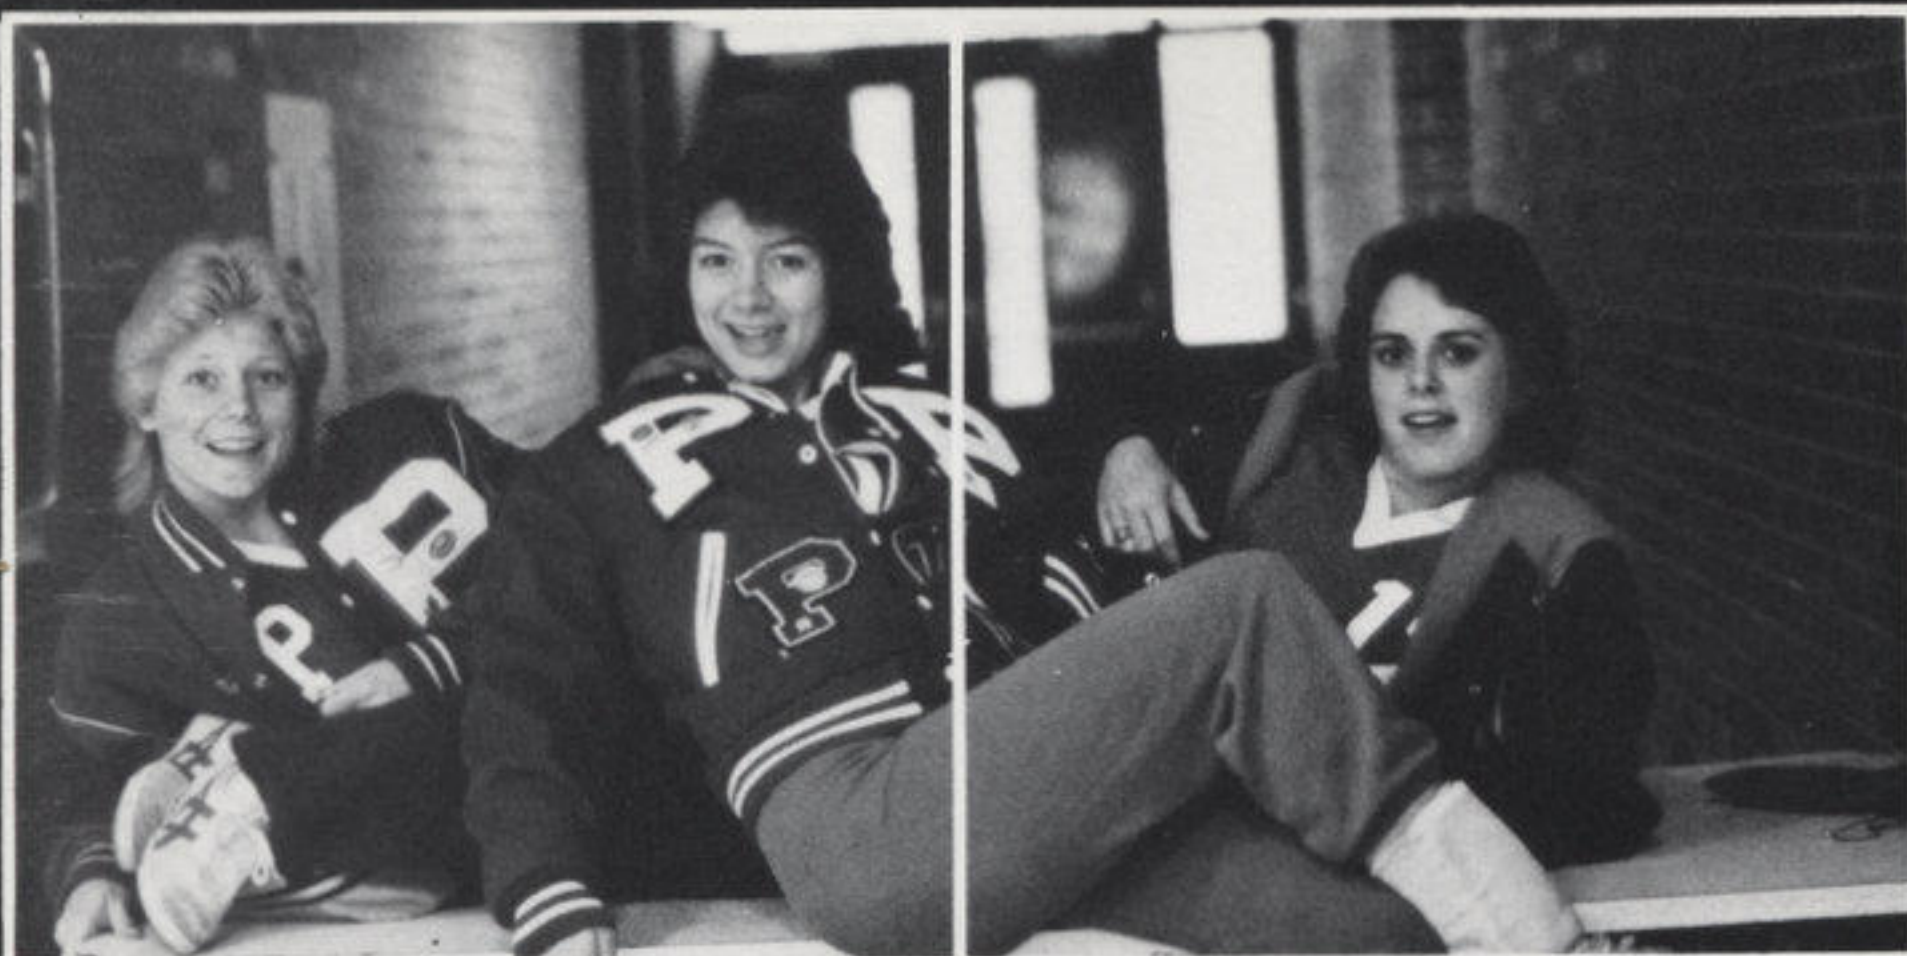

The 1984 Annual Staff held a poetry competition in which contestants had to write their feelings and sentiments regarding our school and its people. The poems also had to convey steps taken during the year so as to coincide with our theme.

We received many fine poems and it was difficult choosing which ones to use.

The poems printed in this book were ones we felt best described the feelings and nature of the past year.

We hope you enjoy them.

A STEP ABOVE THE REST

We look at the past
At all our failures
We learned from our
mistakes
And built for the future
We accomplished so much
This past year
That's what makes us . . .
A Step Above the Rest.

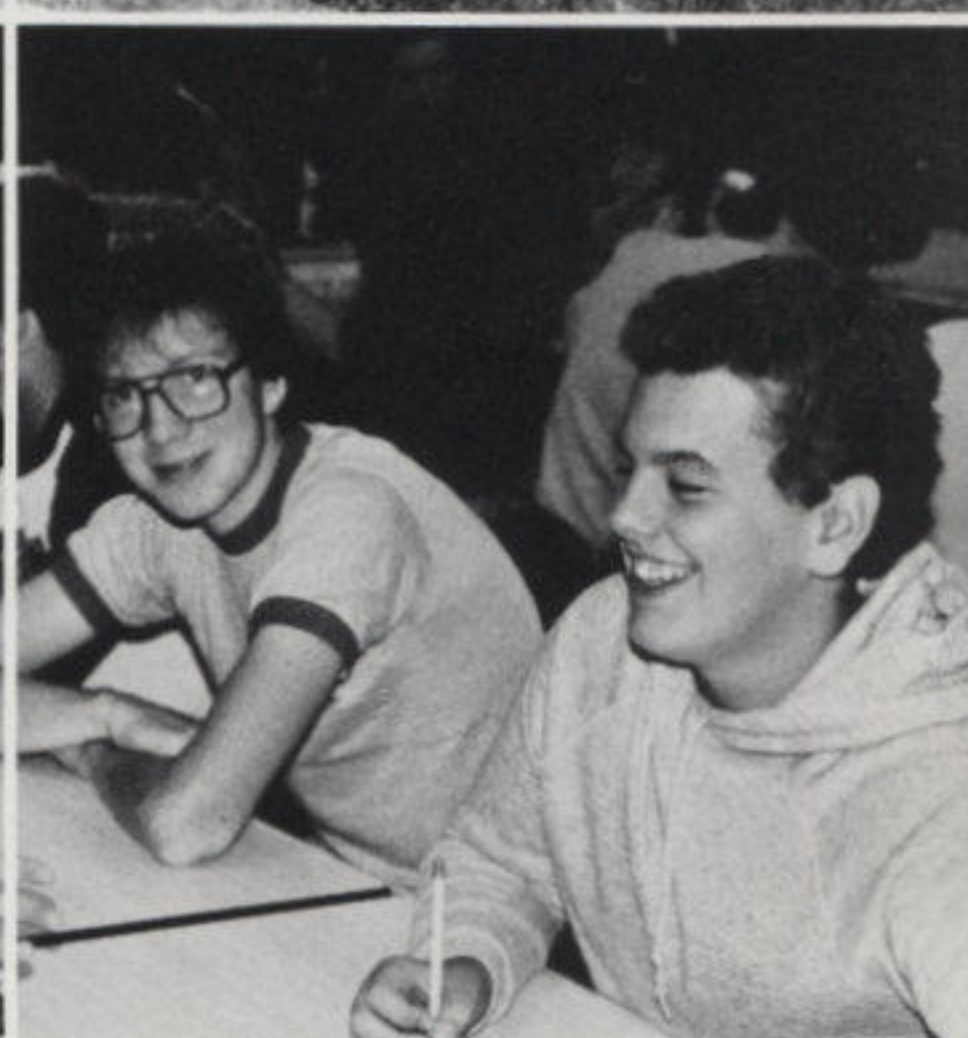

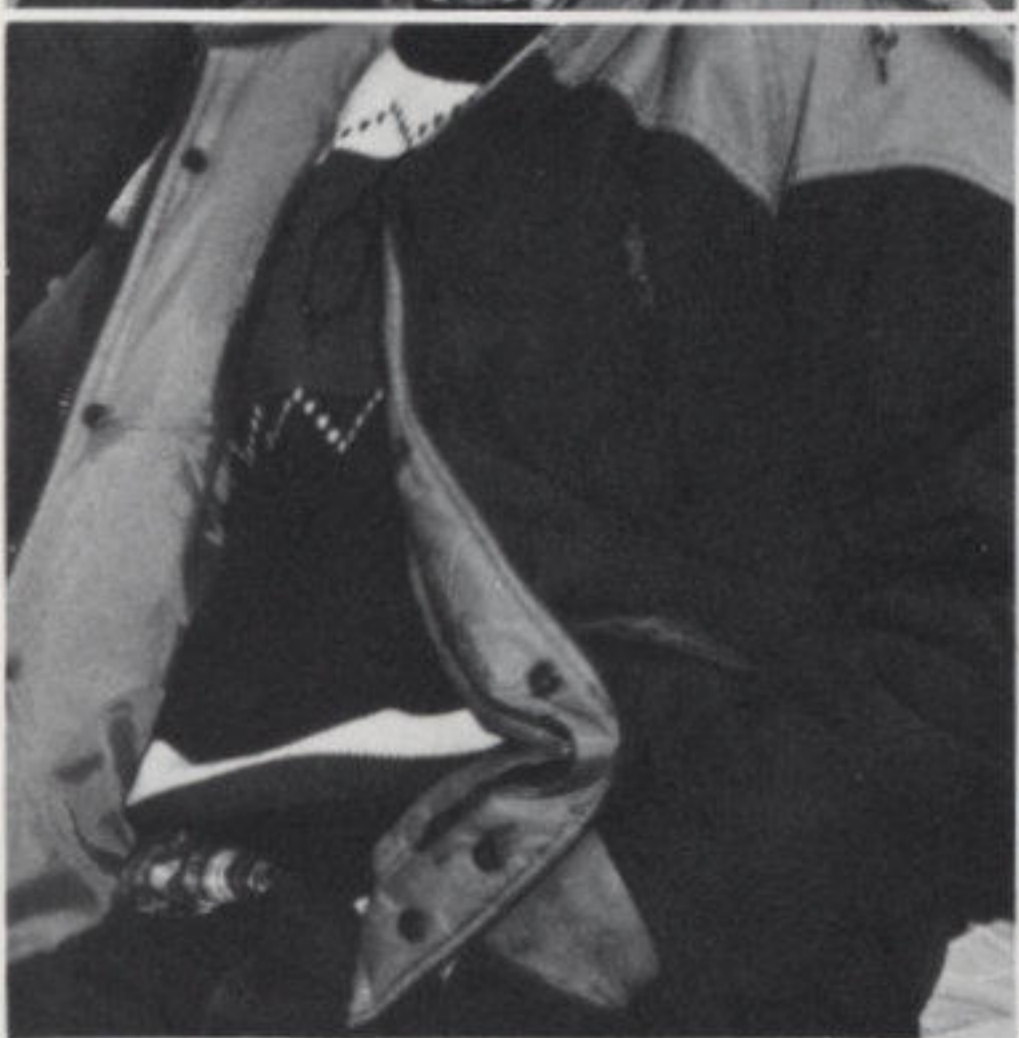

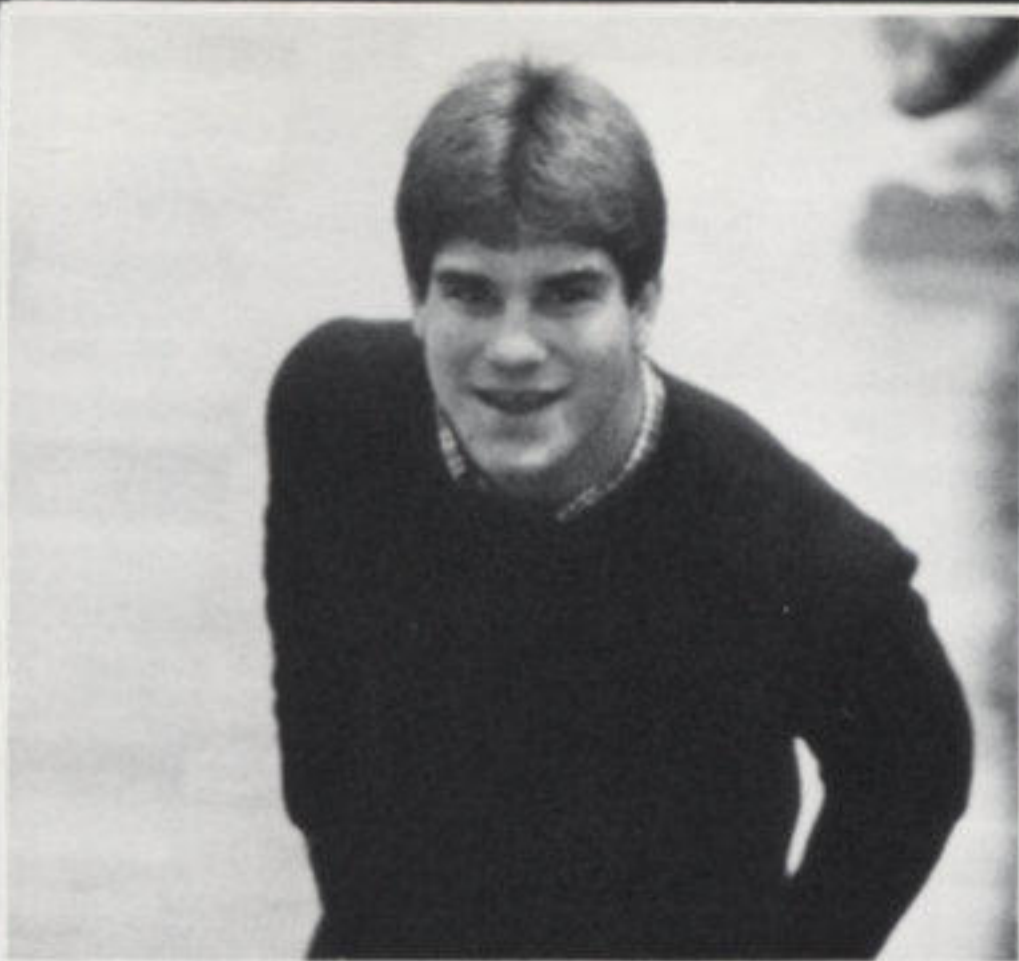

by Tom Trout

STEP BY STEP

The years are fast, the days are slow
 From class to class we will go
 Four of the greatest years of our lives
 Each day a new piece of life's puzzle
 Each day we grow closer only to be torn apart
 Day by day, step by step
 These are the times we will treasure.

STEPS TO OUR SUCCESS

We are the mighty Big Red team
Full of courage and self esteem
We have pride in our school
Which is our most important tool
We can work well together
In all kinds of weather
Though our team is rather small
We have more ability overall
These above as you can see
Made us F.C. Champs in '83.

The 1983 Cheerleaders proved to have a champion year this school year in more ways than one. They had many things to cheer about.

First of all, this summer, both J.V. and Varsity squads attended UCA Cheerleading Camp at Bowling Green State University. They endured four days of grueling sun and heat, learning cheers, chants, stunts, dances and various other routines to bring home to

unexpected Big Red Fans. On the fourth and final day, all the hard work paid off. The Varsity squad, with the help of the J.V.'s spirit and enthusiasm, was chosen to compete in district competition, an honor received by only 8 squads out of approximately 50.

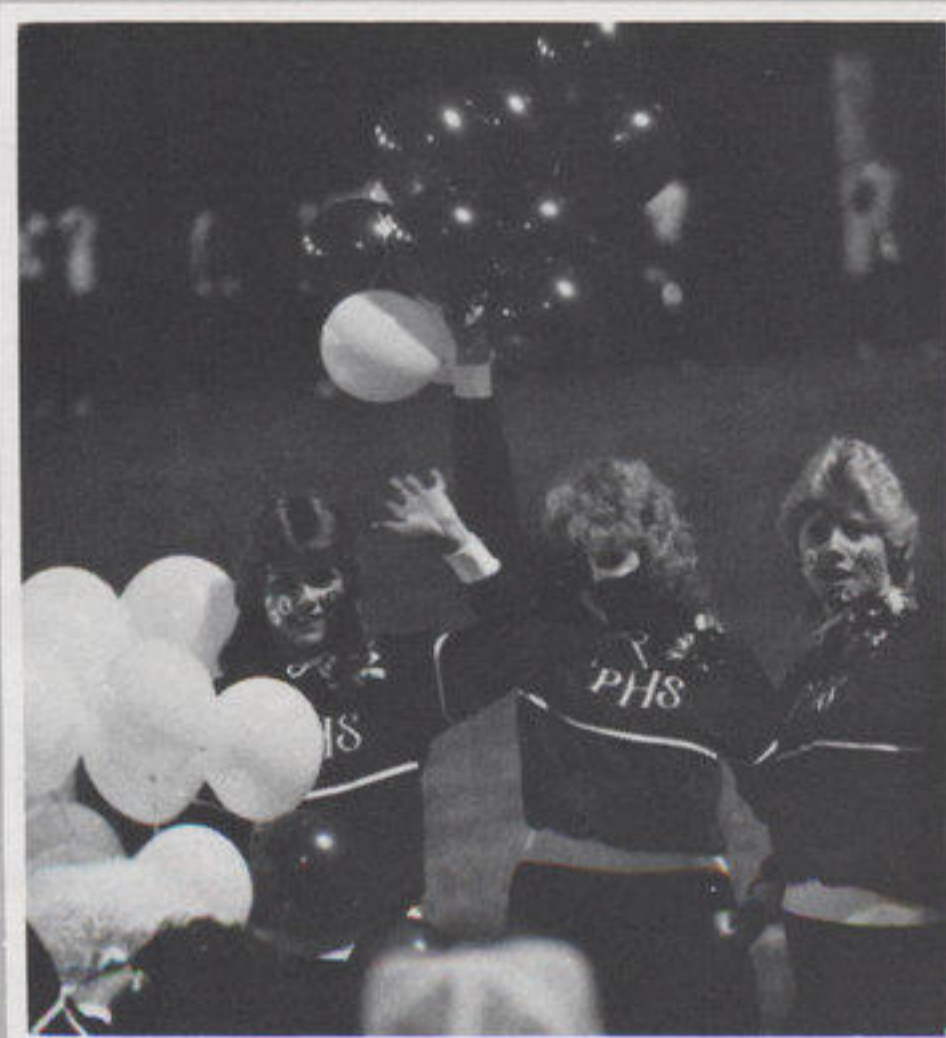

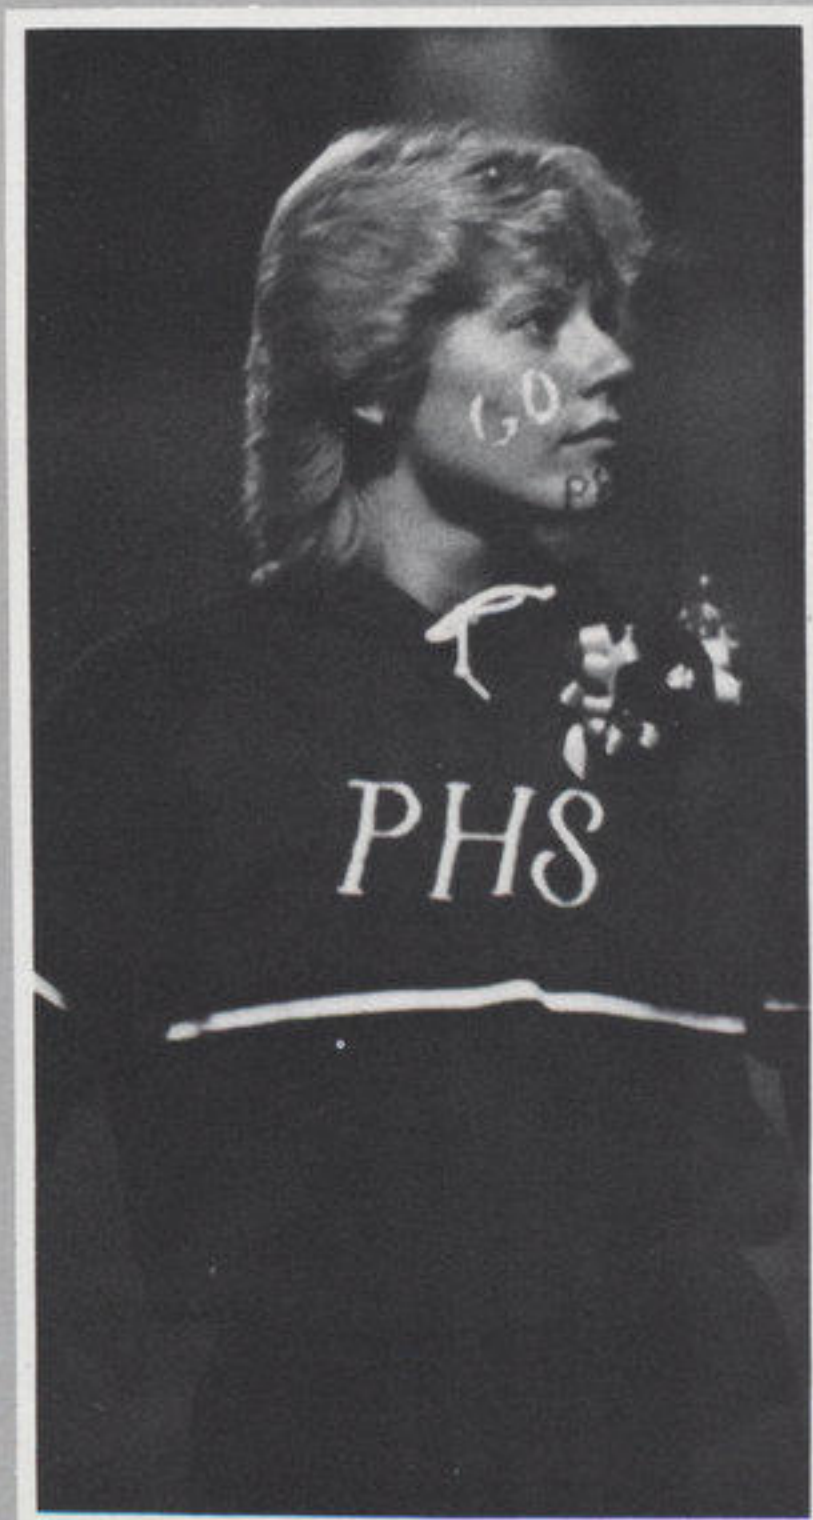

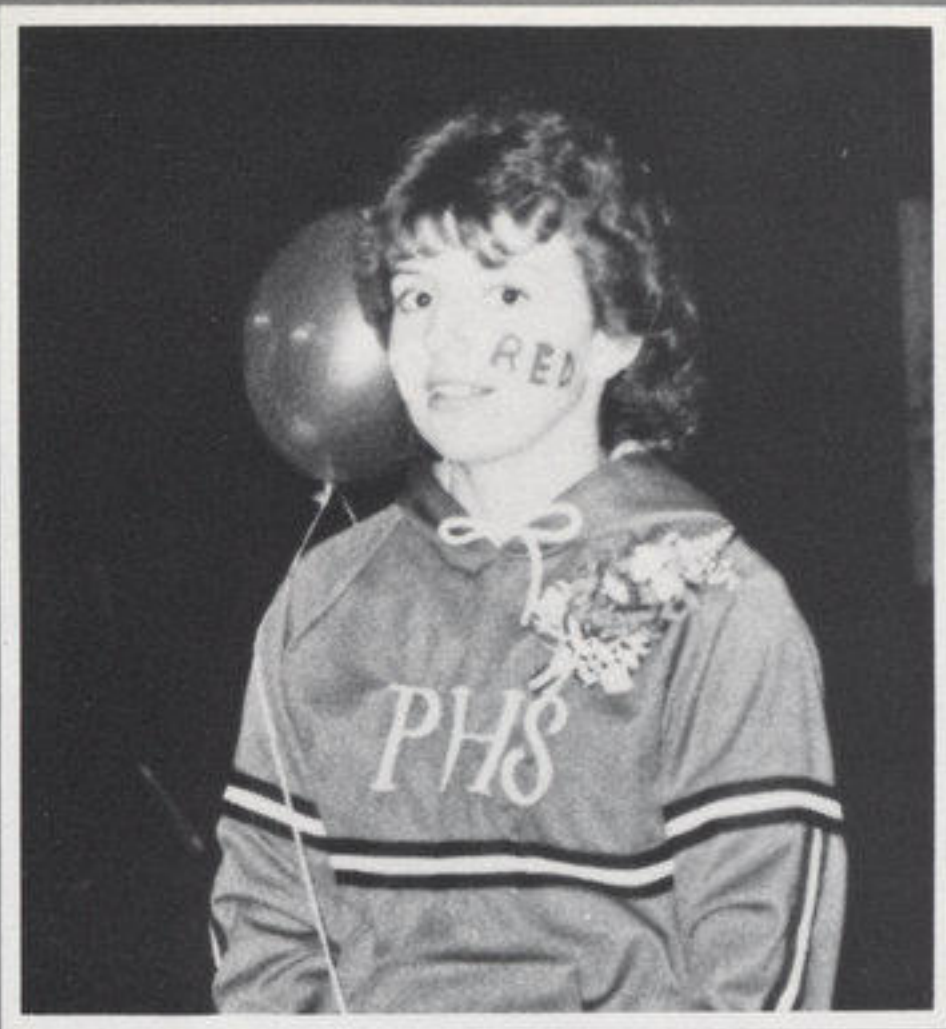

They then went on to win the competition and came home very exhausted, but happy winners.

Having a very successful football season also gave the P.H.S.

Cheerleaders something to shout about. Ending with a 10-1 season and winning the Firelands Conference game gave the girls many things to be busy with; such as making spirit signs for the halls, decorating the lockerroom for the players, planning school and community pep rallies, and even a team send off before the Edison regular season game.

VICTORIES UNLIMITED

The Big Red Football program has been through some lean years. In the past four years the overall record was 3-34-1, but this year was different. Their record was 10-1, they were crowned Firelands Conference Champions, won the most games ever won by a football team in Plymouth, and they received many other honors.

The Big Red won their first home game in over four years by defeating Seneca East 14-7. For the Seniors, it was their first home win ever.

Plymouth won again as they passed Lucas 26-0. The dominating defense held the Cubs to only 69 yards rushing.

After defeating Northmor 35-0 the third game of the season, Plymouth was tied for 2nd place and was the top rated class A team in the News Journal's Elite Football Rating. At the same time they were ranked 14th in Ohio in the AP poll.

One of the highlights of the season for the players and Mr. Roll was beating Monroeville. The Eagles were picked to win but the Big Red proved themselves as a contending force in the Firelands with a 17-14 win over the powerful Eagles.

The only loss this season came from Edison. The much larger Chargers used their home field to their advantage, and although the Big Red never gave up they were defeated 39-6.

The Big Red then blasted Crestview 35-8 and took the lead in the Southern Division of the Conference. Plymouth had a total of 403 offensive yards while Crestview had only 184.

Homecoming proved to be a joyous celebration as Plymouth flew over Norwalk St. Paul 39-0. The Big Red was ahead 14-0 after only 3 minutes were gone in the first quarter.

The Big Red easily handled Black River crushing the Pirates 40-12. Plymouth scored in every quarter and had a total of 420 offensive yards of which 234 were passing.

Plymouth clinched the Southern

Division with a 21-0 win over South Central. This was our eighth win, breaking the school record that was set in 1956, of more immediate importance, it gave us game 11.

In the final game of the season, the Big Red overcame a stubborn Mapleton with a score of 21-8. It was a great ending to a great season!

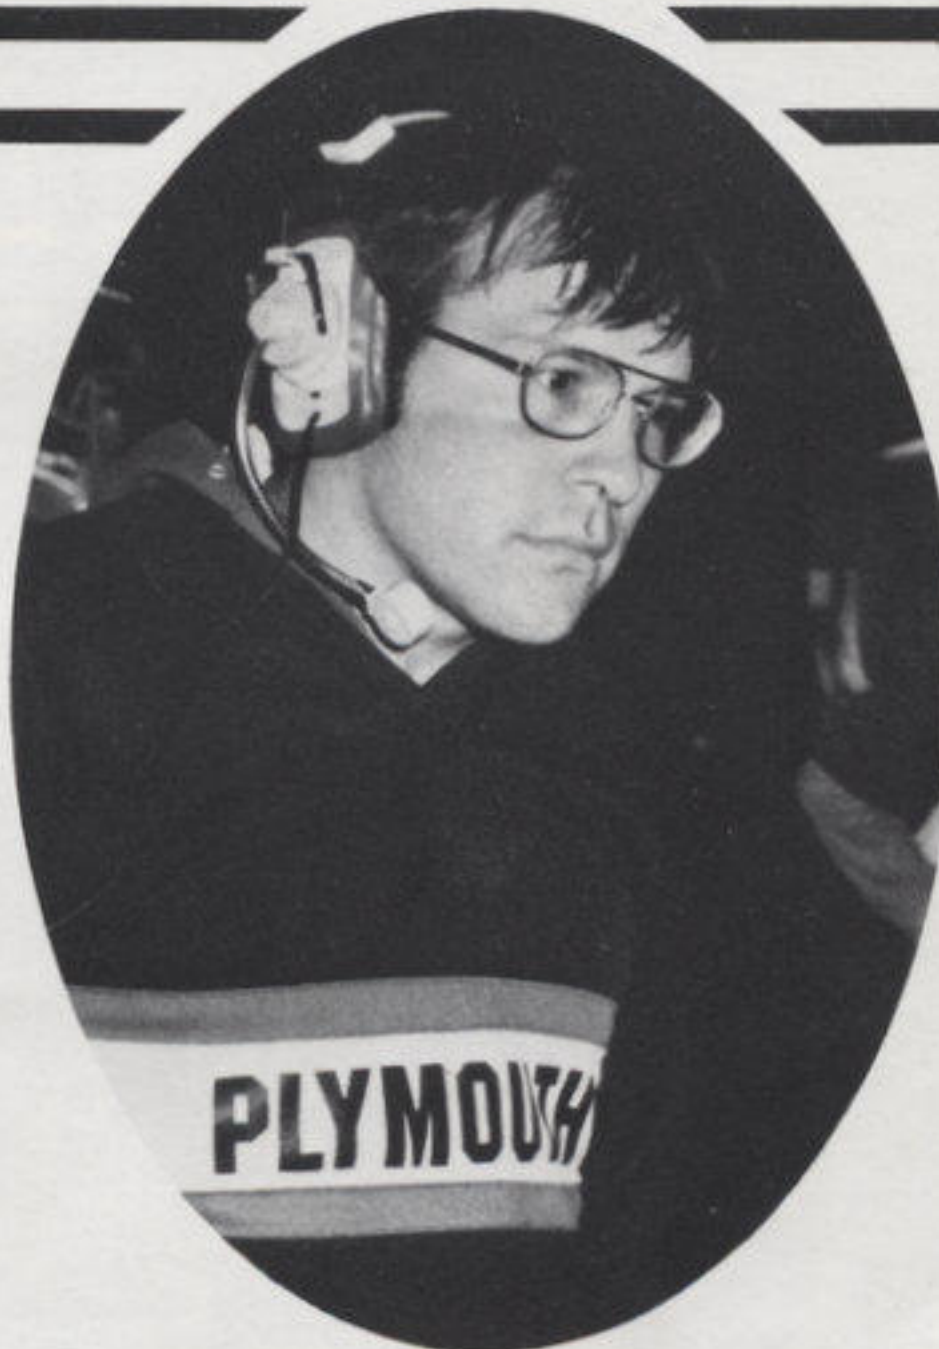

The support for the team was outstanding to say the least. Everywhere you went you saw signs encouraging the team on. They were in stores, yards, and in cars. Many people decorated their car windows with shoe polish, letting everyone, everywhere, know our team, fans, and spirit were built of championship material.

Many thank-yous need to go out to the entire community and many individuals, but the biggest thank you of all should go to the entire team for giving us so many things to cheer about and be proud of.

FIRELANDS CHAM

The Big Red ended its best season ever by defeating the Class AA Edison Chargers 13-6 and winning its first Firelands Conference Title.

The week before the game, the whole town was riding an emotional high. This was evident by the many colorful signs and banners displayed by all the townspeople. The support was also visible by the large turn out at the pep rally held Thursday night and the exceptionally good showing of fans and supporters at Friday night's championship game.

By the time the Football players came out onto the field, there was a brisk wind blowing and a healthy dusting of snow causing the playing field to be a treacherous surface of mud and slush.

Edison saw the endzone their first and only time when they capitalized on a Big Red First Quarter fumble. The following quarter went by quickly with neither squad visiting their opponents endzone.

The Big Red took chances on a long drive with two critical fourth down calls. On both calls, it was Richard Cunningham who tore up the Chargers defensive line as he picked up both first downs. Rod Hampton then completed a 27-yard scoring pass to Tom Baker on the left sideline. Mike McKenzie's kick was blocked and the score was tied 6-6.

The emotion shown by the Plymouth players was passed on to the fans. Soon everyone was on their feet. With only 2:07 left, Mike

McKenzie found a hole in the Edison line and squeezed through into the endzone for the winning touchdown. His extra point was also good and the Big Red gained an insurmountable lead of 13-6. As time ran out, the Plymouth fans swarmed onto the field on which the long awaited championship victory became reality.

Upon their return to Plymouth the team received a royal welcome starting in New Haven where the buses were met by the entire police force and fire squads along with many of the fans. They escorted the buses back to the High School where most of the town was waiting to congratulate the new FIRELANDS CONFERENCE CHAMPIONS!!

KRANZ MAKES STATE

Senior Loren Kranz had an outstanding year in Cross Country. He set a new school record of 16:14 and lead the team throughout the year winning most of the dual and tri meets. He finished his running career placing 13th in the state class A competition. Loren held the position of team captain this year and offered excellent leadership to the team. He has certainly has been an inspiration to us all.

record 9-7	

The 1983-1984 Big red Cross Country team finished their season with a very respectable 9-6 overall record and a 5-5 Firelands Conference Record. The team was coached for the second year by Mr. Paul Gase and Mr. Tim Nesbitt. The team captain was senior Loren Kranz.

The Big Red was a team of youth with mostly freshmen and sophomores making up the varsity squad. Despite the overall inexperience and a few injuries that plagued the team, the harriers won decisively over such teams as Hillsdale and St. Pete's and Conference teams like Mapleton, South Central, and Edison.

The Big Red finished their season well on a cold rainy Saturday. They finished 4th in their sectional and advanced onto the District meet in Lima for the first time in nine years. Although the whole team did not qualify for the state meet, an individual, Loren Kranz, did. The next week at the state meet Kranz did exceptionally well finishing 13th out of the entire Class A field.

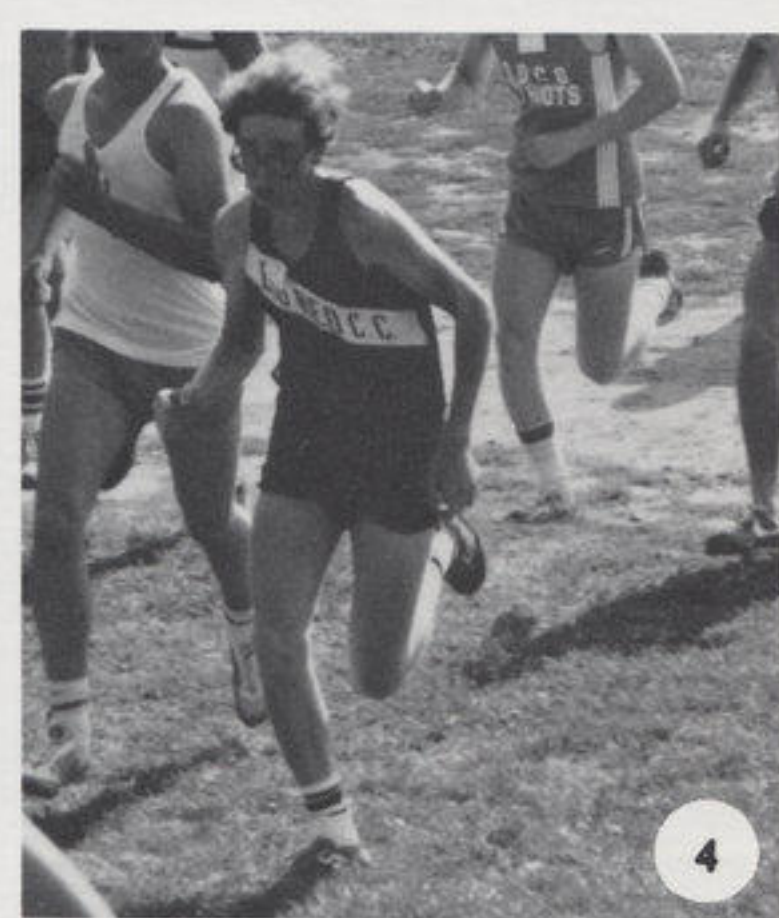

The Big Red is looking forward to next year when the now more experienced underclassmen will make up a stronger team.

GIRLS HAVE TOUGH SCHEDULE

Despite a very tough schedule and a lack of size, the girls basketball team ended with an overall record of 8-12 and a conference record of 6-7.

The team's tough defense helped them to win many games and held them close in the games they lost. It was very frustrating for the team to lose so many close games, but Coach Ream did an excellent job of trying to keep the spirit up. He stood behind his team and never stopped believing in them.

FRESHMEN

The Freshman boy's basketball team, led by captains Mike Lasch and Jason Robinson, completed a successful season winning 8 games and losing 6. The Freshmen didn't have a lot of height but made up for it with hard work and excellent shooting.

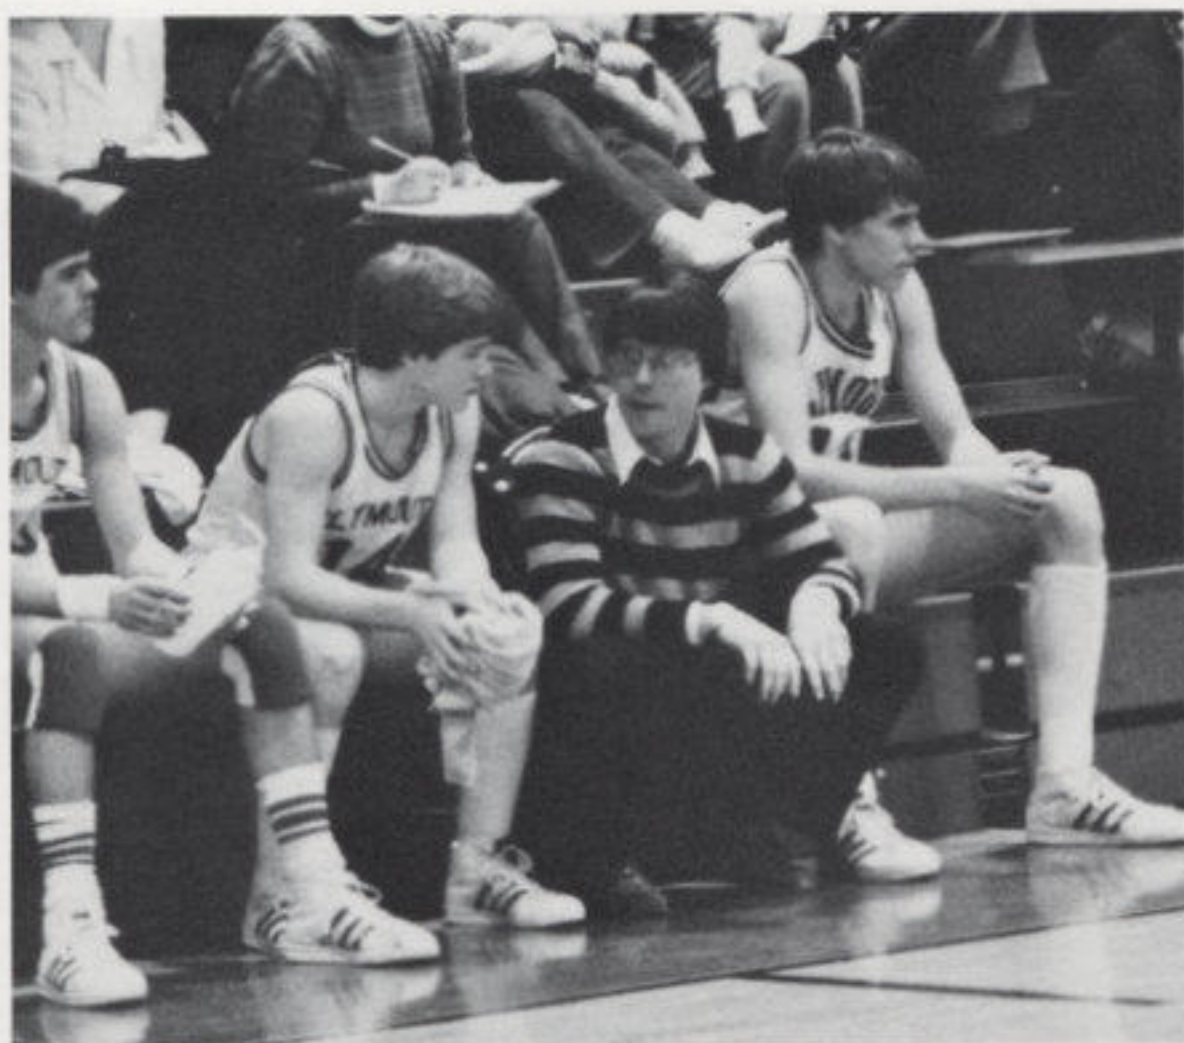

RESERVE

The 1983-84 Reserve Basketball team had a very successful season under a new reserve coach, Mr. Keith Diebler. They tied the school record for the most seasonal wins, winning 14 and losing only 6, and had a winning streak of 9 games. Coach Diebler attributes their success to hard work and hustle during practices and games throughout the season. Steve Hall led the team in scoring and Kevin Taylor pulled down the most rebounds for the reserves on defense.

The 1983-84 Varsity boys basketball team ended with the best seasonal record the boy's have had in seven years, winning 9 and losing 11. One of the highlights of the season was Rodney Hampton, a team captain, making the News Journal All-Star Team.

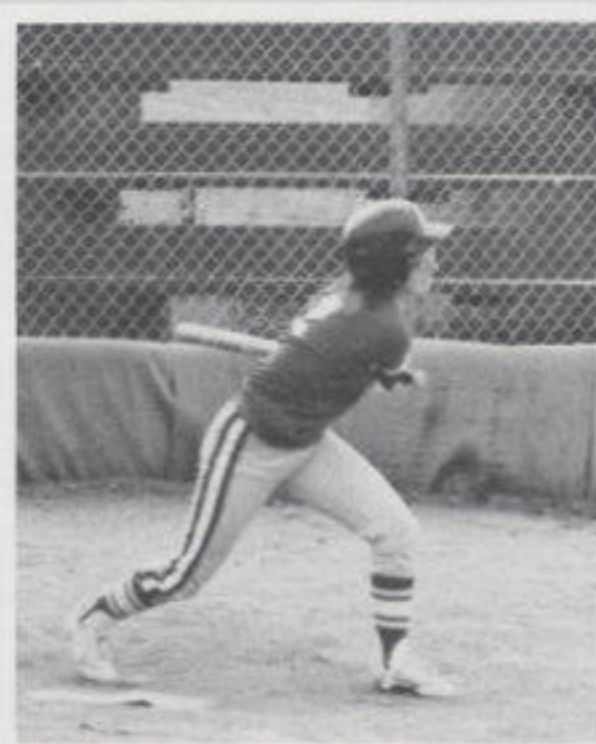

STEPPING ON BASE

The 1984 Softball Team was a relatively young one, consisting mostly of Freshmen. Although the team didn't come out on top, Coach Richard Roll expects great things for the future.

This year's team lost only two seniors, Co-Captains, Marty Reynolds, and Patti Griffiths. Marty Reynolds received the highest batting average award, while Patti Griffiths was chosen M.V.P.

One of the highlights of the season was the double revenge taken on Black River after they had defeated us once before.

1984 BIG RED VARSITY BASEBALL

For the third time in the history of Plymouth High School Baseball, our Big Red team reached the regional playoffs. With a conference record of 3 and 10, the Big Red won their two sectional games, whomping Lucas 12-0 and then defeating St. Peters 8-3. Advancing to District Tournaments, Plymouth won both games again overcoming Fremont St. Josephs 8-2 and then playing their best defensive game of the season against New London. They executed a much deserved 3-2 victory under tremendous pressure against the New London team, advancing them to the regional playoffs.

With determination and dedication, the Big Red team traveled to Findaly, Ohio for their first regional game. They had to take a heart-breaking loss to Northwood High School with a final score of 16-5.

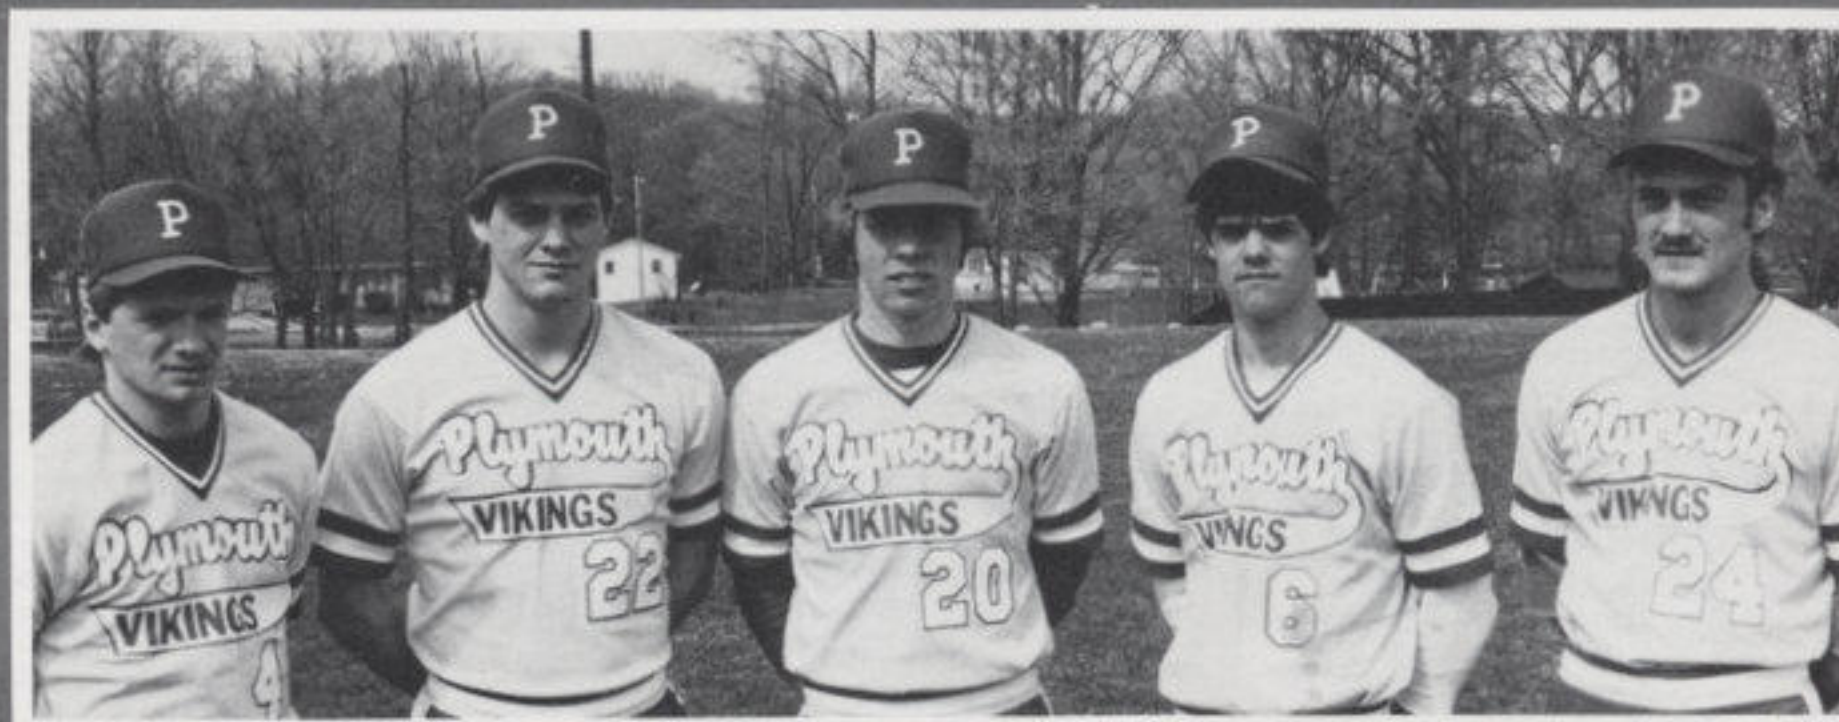

Rodney Hampton recieved the most valuable player award for the 1984 season. Leading hitter award went to Senior Tom Baker.

Overall the Big Red Baseball team had a successful season. Coach Dunn believes the teams successes resulted from a lot of determination and desire. He would also like to extend a special thanks to Shelli Mowry, Sandi Polachek and Marilyn Tackett.

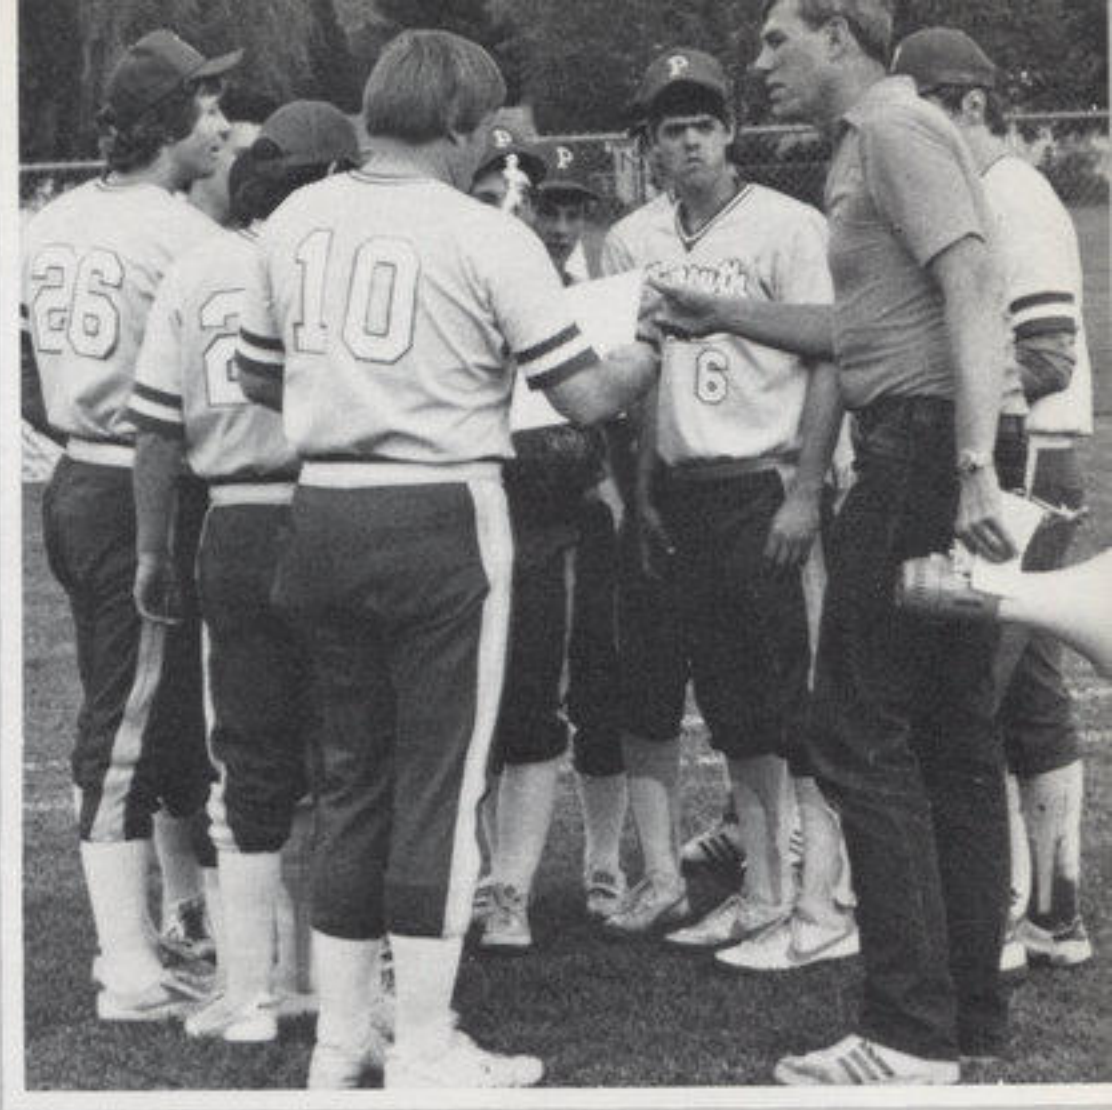

Congratulations to the 1984 Big Red Baseball Team!!!!

CUNNINGHAM

Senior, Richard Cunningham had a very successful year in both football and wrestling. This team captain was a district champ and a state competitor in the 175 pound weight class.

PARRIGAN

Sophomore, Terry Parrigan had a season to be proud of. He was district champ and a state qualifier in the 98 pound class. He led the team with 17 pins.

The 1983-84 wrestling team, coached by Mr. Richard Roll and Mr. Kevin Steiments, saw some individual successes, although not seeing their best season. Senior, Rich Cunningham and sophomore, Terry Parrigan were both District Champs who advanced to state level competition. Junior Adams, also a senior, achieved a 4th place in the district and moved on to regional competition.

The returning lettermen from the 1982-83 team were: T. Parrigan, J. Echelbarger, J. James, B. Hess, L. Brooks, J. Adams, and R. Cunningham. The team captains were Rich Cunningham, Brian Hess, Jr. Adams, and Todd Reed. Terry Parrigan led the team with 17 pins.

This year Plymouth started a Jr. High wrestling program which will improve teams in the years to come. Jr. High wrestlers can now learn the fundamentals not previously taught until high school.

RUNNING THEIR WAY TO SUCCESS

The 1983-84 Boys Varsity Track team ran its way to one of its best cumulative seasonal records in several years. Coach Keith Diebler guided the team to several victories despite the cold, wet weather that hampered the team's performances at meets and practices alike. One of the highlights of the season was the obliteration of St. Paul at the boys' last home meet. There were also many individual successes during the season. Steve Jamerson pole-vaulted to a fifth place of 11 feet 6 inches at the District Finals and Richard Cunningham ran his best time in the 440 yard dash to capture fifth place. Other individuals that did well in District Finals were Paul Manuel in shot, and Kevin Taylor in the 440 yd. dash, both achieving 6th place finishes. The most valuable player of the year was Richard Cunningham who scored 101½ points during the course of the season. The most improved trophy was awarded to Paul Manuel.

ONE STEP FROM

The 1983-84 girls' track team was given many chances to show their support for the spring sport. Many of the girls wouldn't have done as well as they did if it weren't for the help of their coach, Paul McClintock. The girls beat only one team this year, which was Norwalk St. Paul with a score of 73-55. It seems as though the girls had to work harder this year, because of the two events that were added, which were the 300

hurdles that Kim Daron, Paula Stephens and Karnel Edler ran, and the 2 miles that Karnel Edler, Barb Harness, and Rhonda Sexton ran. The team's hard work at practice paid off when they achieved their personal goals and strived for higher ones. The two co-captains, Kim Daron and Paula Stephens gave a lot of support to their coach and underclassmen during the track season. Both co-captains will miss their coach and team-

mates and hope that next year the team works together and achieves goals that are set and makes new goals to break by themselves. Coach Mr. C. wants the girls to dedicate themselves and pick up from where they left off by winning their last meet of the season and carry on the crown of victory to only improve themselves and strive for their goals. Somebody has to be a leader so others can follow.

Left to right, top to bottom, S. McDaniels, K. Howell, T. Tackett, Y. Sauders, B. Wright, L. Thompson, K. Neidermier, B. Harness, L. Fidler, K. Edler, P. Stephens, S. Stephens, Not Pictured are K. Daron, R. Sexton, J. Miller.

Coach Mr. McClintock enjoys the tough finish that the girls gave in the mile relay. 4. Kim Daron beats her time while getting her first place ever in an individual event. 5. Clockwise: S. FINISH

STEPPING . . . TOWARD A STRONGER FUTURE

The 1983 golf team is a team of the future. With 2 freshmen, 2 sophomores, and 1 junior representing the varsity. The Linksters broke into the win column early with league wins over Monroeville and Edison. During the entire year they were able to be extremely competitive despite their youth and inexperience. The season was ended

with a 5-14 record. On a very dreary October day the 1983 squad highlighted the season with a 380 total in the league meet. This was good for a 5th place finish and was just 7 strokes away from 3rd place.

The 1983 squad was led by Larry Trout with a competitive stroke avg. of 41.8 and a league individual finish of 5th out of 35 golfers.

STUDENT COUNCIL

Student Council with Mike McKenzie as President, Jesse Miller as Vice President, and Kim Daron as Secretary-Treasurer spent much time and energy in making this year's Homecoming a success. They planned special events such as hat, clash, and red and white days for homecoming week. They saw to it that the ceremony ran smoothly, decorated for the dance and arranged for refreshments. All in all it was a job well done. As Mrs. Kirkpatrick said, "I thought the Homecoming Dance was a big success. Everything went smooth and very good."

NATIONAL HONOR SOCIETY

This year the N.H.S. sponsored more events than ever before.

It started with the formal induction ceremony in Nov. Mrs. Albright felt it was one of the nicest in many years. A former member, Todd Kranz, spoke, some N.H.S. members sang, and the Jazz band played.

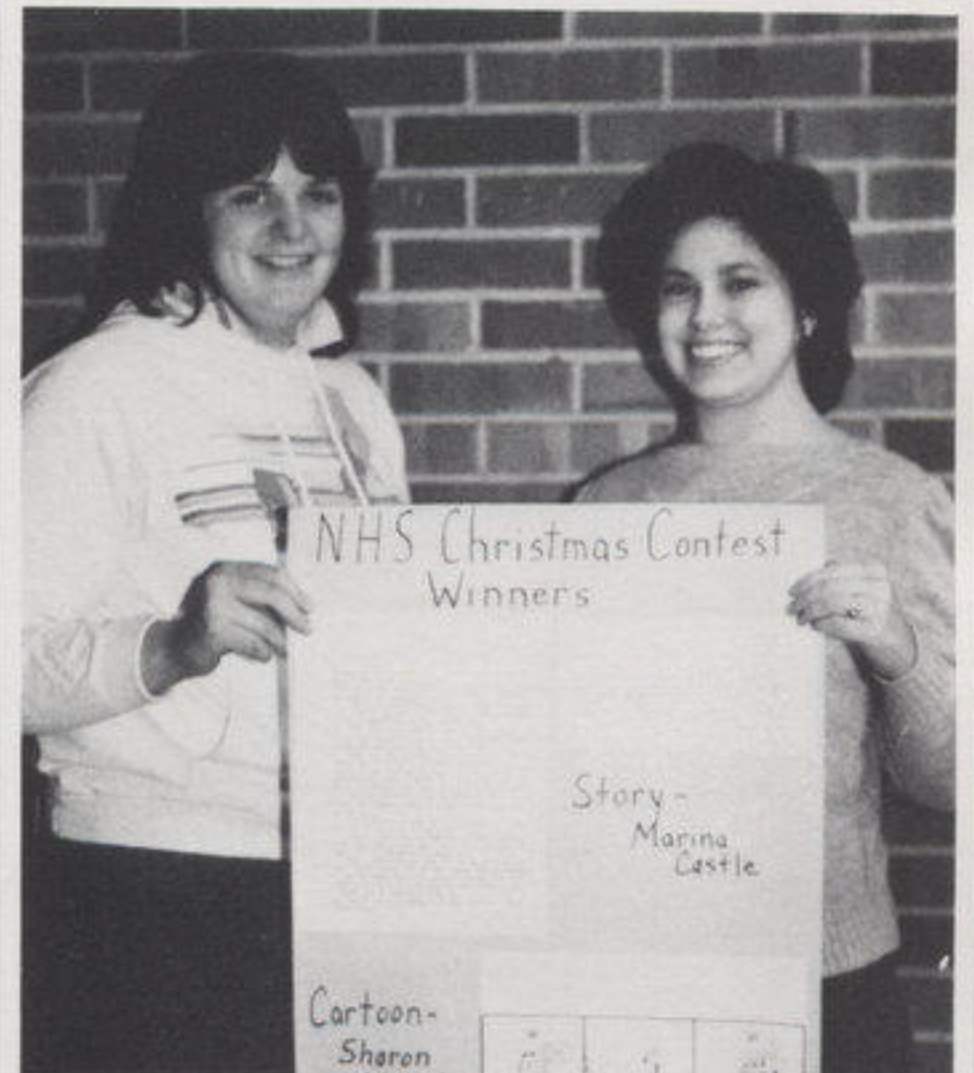

One of the activities sponsored by the N.H.S. allowed PHS students to show off their storytelling and artistic capabilities in a Christmas story and cartoon contest. The best story was written by Marina Castle and Sharon Williston created the prize-winning cartoon.

The 3rd Annual Spelling Bee was held March 14 with Dan Sponseller capturing his second spelling bee title in three years.

STRIVING TO ACCOMPLISH

NATIONAL HONOR SOCIETY-45

YEARBOOKIE ROOKIES

Every editor's dream is that the excitement shown at the beginning of the year by the new yearbook staff will carry them through the final deadline in June. There were many things to learn and much work to do, but this year's devoted staff showed time and again that they were willing to give of their time; willing to keep working until they got it just right and always willing to help each other.

There was a lot of brainstorming, hard work, and creative ideas that went into the book to make it one of our best. I hope that you will enjoy taking steps back in time as you look through the pages of this book in days to come.

I personally want to thank Michelle Hamons, my co-editor, for keeping things organized, Mrs. Hudson, our advisor, for trusting in us, and this year's staff for a great book. I hope you take the time to thank them as well.

Sarah Keinath
1984 Co-editor

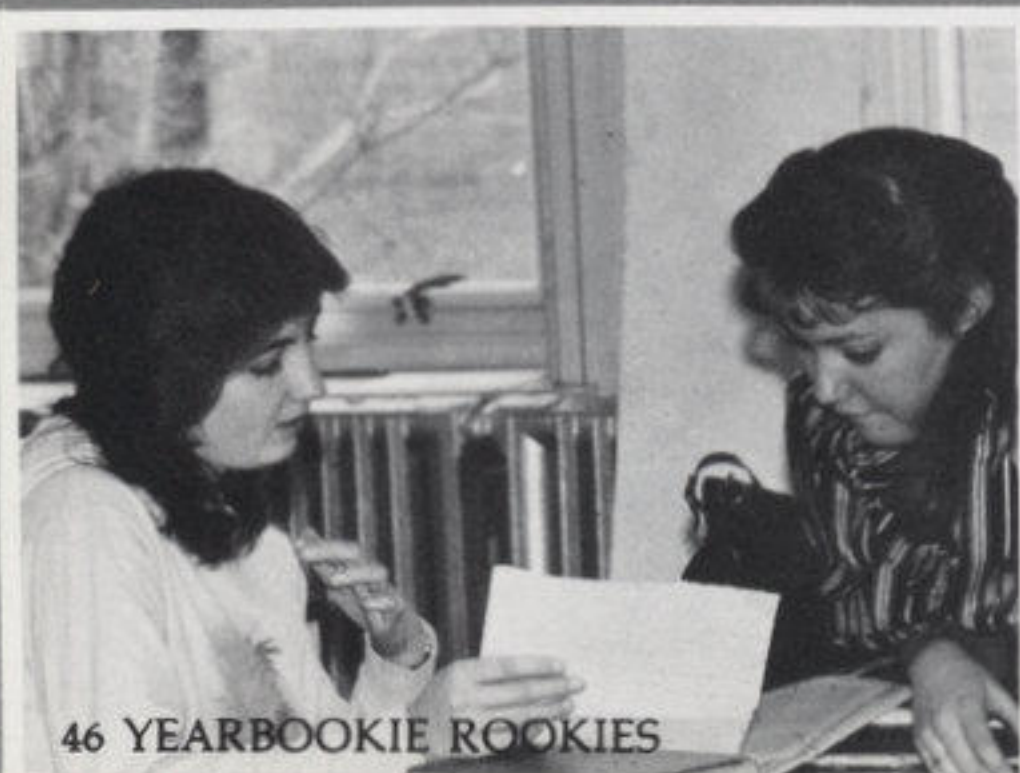

The 1984 yearbook staff encountered many changes this year. Not only in numbers (we expanded from 6 people to 14), but also in talent. Every staff member was selectively chosen and each proved their worth.

Having so many people that worked well together this year was a great asset. Because everyone worked hard to meet deadlines, layouts were completed without too much panic.

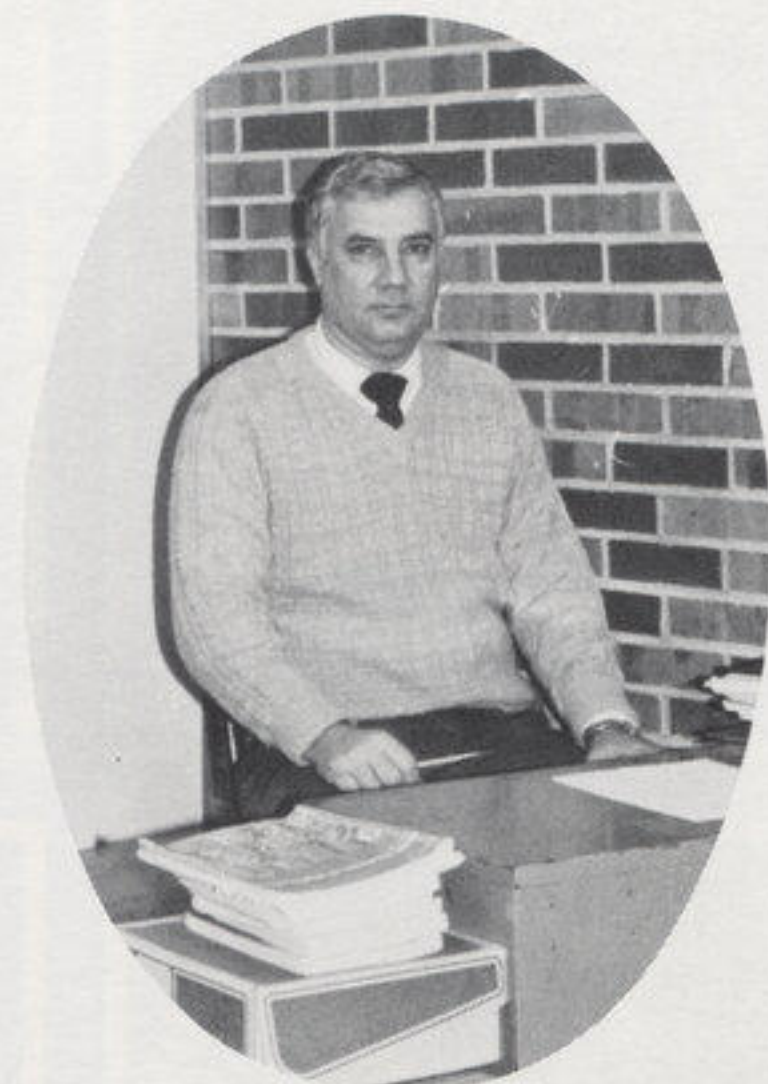

We took very much consideration and pride in producing and writing our 1984 Havamal. We hope you enjoy and treasure it as much as we enjoyed making it.

I want to give a special thanks to Mrs. Hudson for instilling in us the desire to have an excellent yearbook; to Sarah Keinath for having so much patience with her co-editor; and a special thanks to you the reader, because without you there would be no annual.

Michelle Hamons
1984 Co-editor

MUSIC

STEPPING IN TIME . . . WITH THE MARCHING BAND

The Plymouth High School Marching Band marched the team on to victory. Directed by Mr. Conklin, the band was very successful. They won several trophies by marching in parades at New London, Mansfield, Plymouth, Shiloh, Ashland, and Cedar Point.

The band along with the majorettes and flag girls put a lot of hard work and extra time into practicing their marching, playing, and twirling.

The band had four officers who worked hard to keep everything in order. They were Pres.-Lynn Snider, V. Pres.-Glenda Will, Sec. and Treas.-Debbie Schrader, Librarian-Lisa King.

Directly following football sea-

son the band begins rehearsing music for their first concert.

At the end of the school year a banquet is held at which members are recognized and awards are received.

The presentation was a difficult but very rewarding one to perform. There were many mornings, evenings, and Sunday afternoons taken from individuals time and schedules, but each and every cast member was very cooperative.

A special thanks should also go to Angie Beverly, Student Director, Shelly Dent, Prompter, Accompanist, Lynn Snider and Miss Joni Rinaldi for such dedication in producing successful musicals.

We've Got Tonight

REMEMBER WHEN . . .

1. Janelle Miller tried to skateboard across the Spanish room?
2. It took forever to get out of school early because of the snow?
3. Patti Carnahan was in step during marching band?
4. Winifred Johnson got the nickname "Wicked Winnie?"
5. Kyle Sammons tried to eat her ink pen?
7. We won the Firelands Conference?
8. Kelly Wilson shook her fingernail polish up and it exploded?

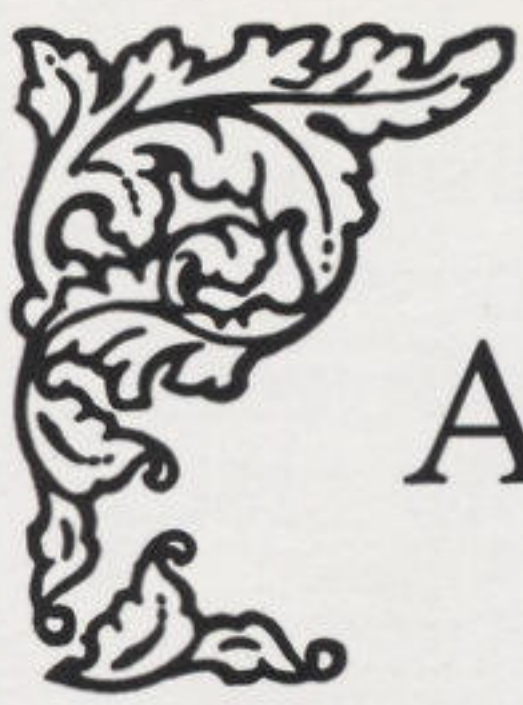

TO THE SENIORS

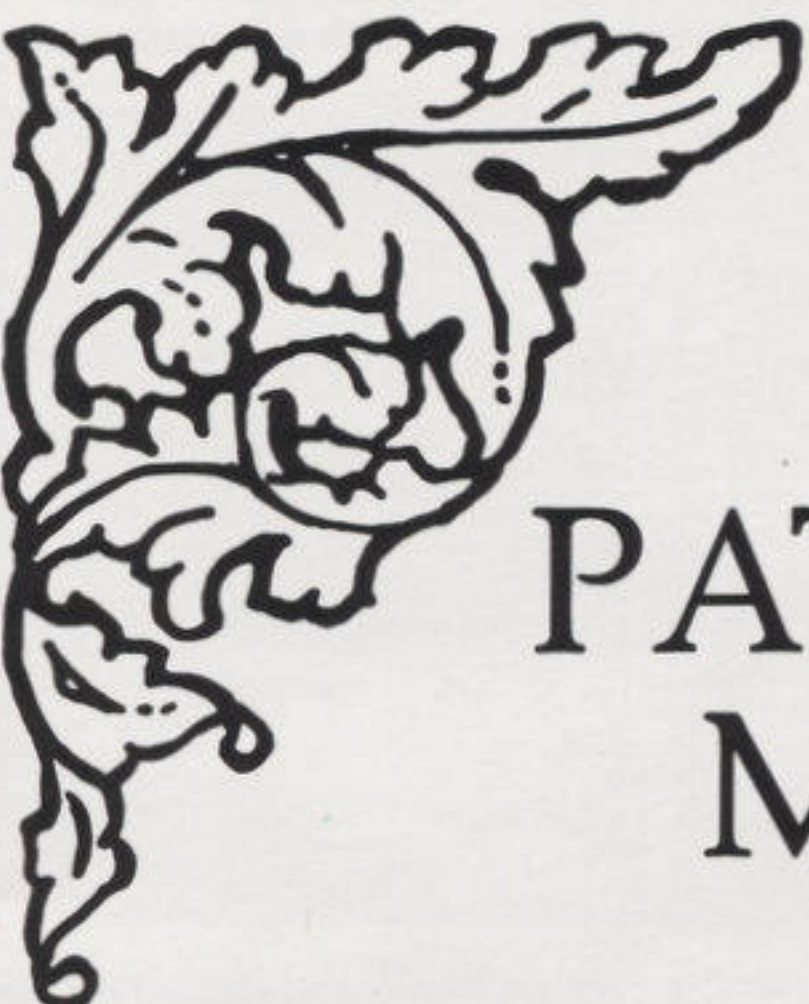

Remember When you rode your first bicycle-without training wheels?
 Remember When your parents took you to McDonalds-despite all your squeels?
 Remember When you went out on your very first date? And all the times you made it home a few minutes too late?
 Remember When you were a freshmen and thought, "Wow, three years to go?" And now you're a senior and wish it would have gone slow?
 So now remember, seniors, all the "good" times you had and look back on these years that weren't really so bad, With a feeling that comes from deep down within, for the rest of your life-right now begins.
