'85 In Review

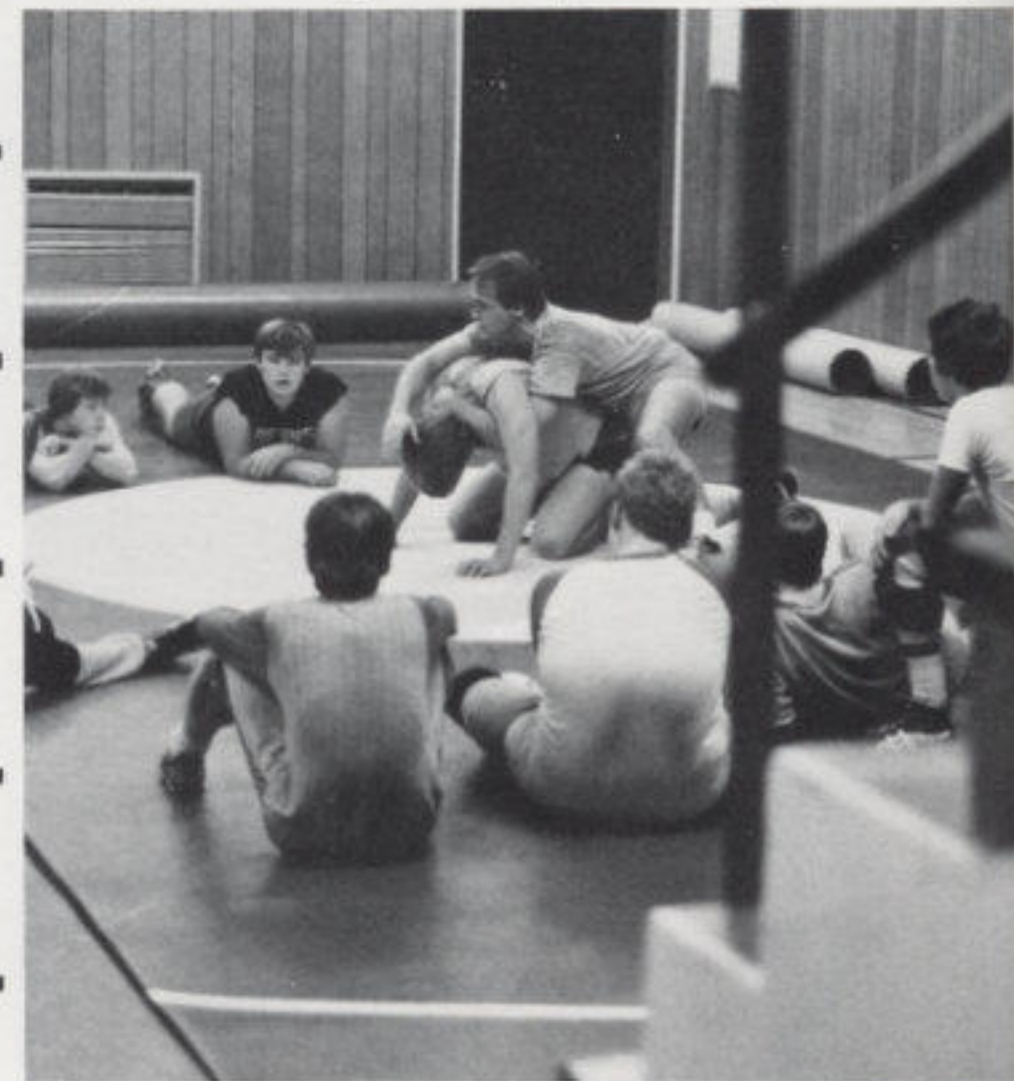

Throughout the year memories are made. There will be many times when you, the reader, will want to relive these times.

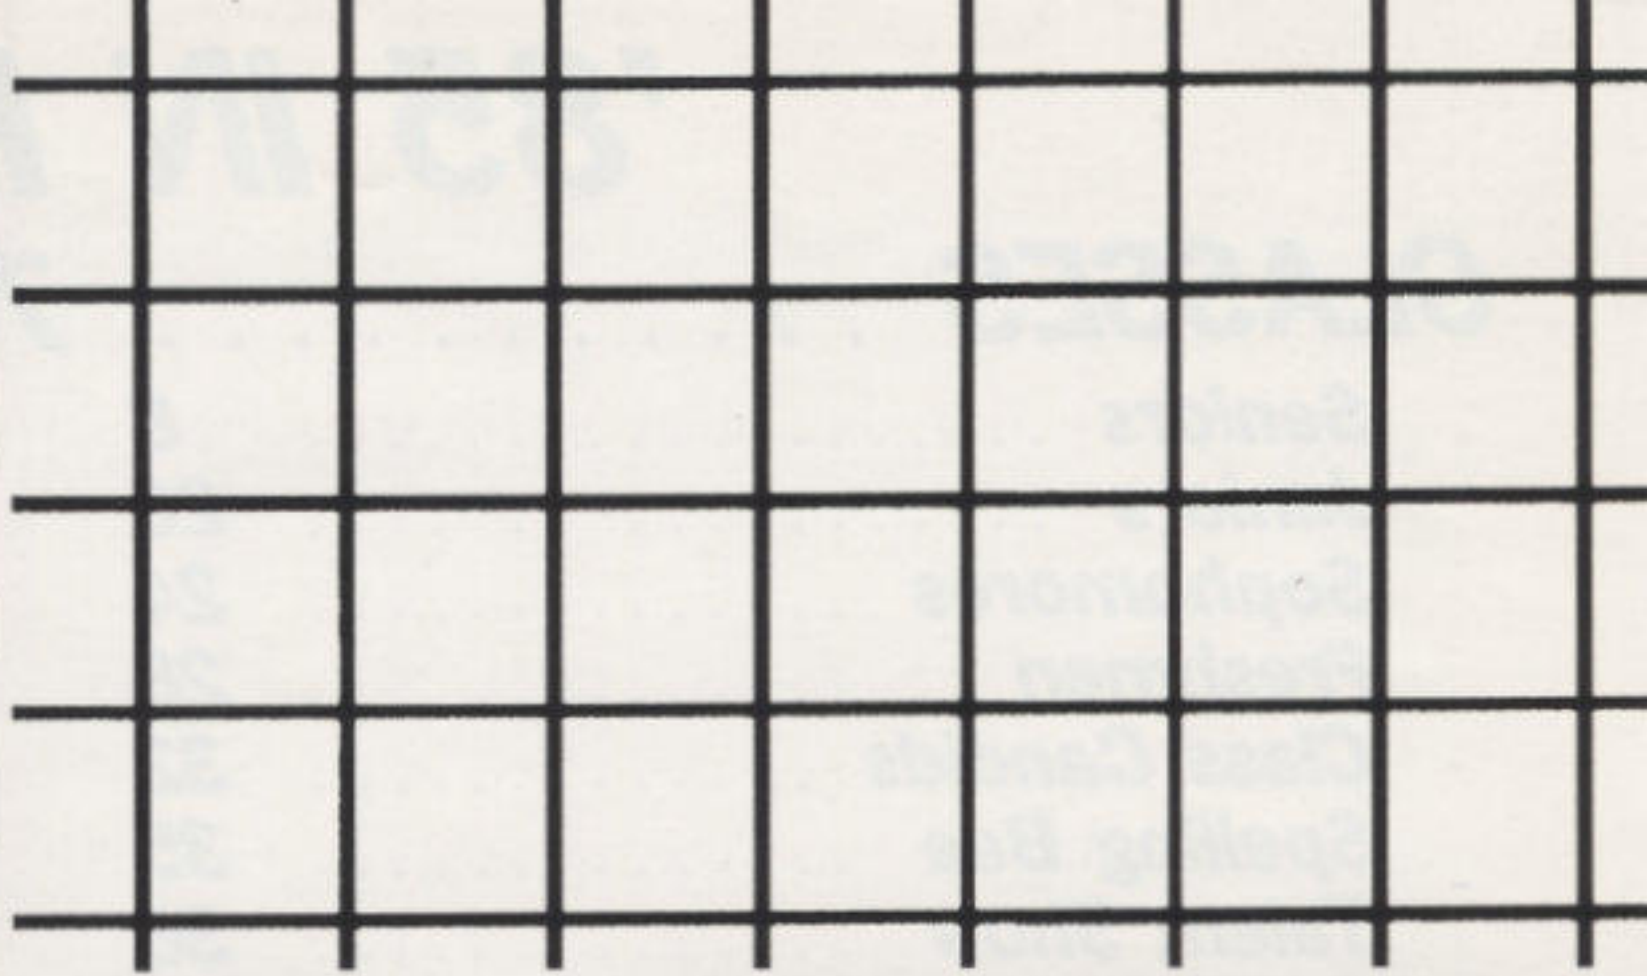

One of the best ways to relive these memories is through the pages of this book, for in these pages are captured the smiles, laughter, courage, and life of Plymouth High.

We the 1984-85 yearbook staff have experienced and shared these times with you. Therefore, we have attempted to accurately record these memories so that in the coming years you may come to cherish them.

So the memories may never fade from your heart and mind, follow us through the book as we present: '85 IN REVIEW.

Pioneer Joint Vocational School (PJVS) has a diversified range of specialized trades from which the student may choose. He may learn anything from dental assistance to machine trades. He may choose between blue collar or white collar professions. He may go to learn a specific trade by which to support himself or as a basis for further study.

This is the 17th year Plymouth has had students who have opted for study at PJVS. Plymouth Seniors accounted for 26 of the Pioneer students and our Juniors added 21 to the roll.

We wish all of our Pioneer graduates the best in their professions as they use what they have learned at PJVS for the betterment of society.

BEHIND THE SCENES

This is my fourth and final year on the P.H.S. yearbook staff. It has been an experience I will never forget. To be able to see the pictures, articles, and layouts transformed into a book filled with memories of the year, is a very rewarding experience.

What goes on before that exciting day in Sept. when the final product arrive, is very important. We start in the fall brainstorming for our theme. The theme is, perhaps, the most important part of the book. It guides our thoughts and designs throughout the year.

After we have our theme, there are many layouts to be designed. Dominate shapes, tool lines, page background, and artwork must all be used to create a pleasing effect. We pride ourselves on our diversified and artistic layouts.

I must take this time to thank my yearbook staff for their hard work and creative designs. They were open to creative criticism and always willing to help each other and work together to accomplish our tasks.

We all want to express appreciation to Mrs. Hudson, our advisor, for her more experienced judgement on the important things. I would like to thank Bertha Hall for her help on the Senior section. Also Mrs. Ream's Senior English class and Creative Writing class for contributing articles for some of our sections. We also want to thank the student body, the faculty, coaches and advisors for their patience and cooperation with our photographers and reporters.

I hope that you, the spirit and the life of Plymouth High, will enjoy our review of the year, 1985.

Sincerely,
Your Editor,
Sarah Keinath

MUSIC

Practice Brings Trophies

The Plymouth High School Band put a lot of hard work and extra time into practicing their marching and playing this past year. Directed by Mr. Conklin, the band was very successful. They won several trophies by marching in parades including one at Cedar Point. They also performed at halftime of the Varsity Football games.

The Concert Band held two performances; one at Christmas and the other in the spring.

This year's officers were: Renee Carter, Pres.; Karel Edler, Vice Pres.; Debbie Schrader, Sec./Treas.; Bertha Hall, Lib.

New Uniforms And Spirit

This year's Flag Corp consisted of seven girls under the direction of Barb Pfaff.

The girls all received new uniforms, flags, and flag poles. In order to raise the money for them the girls rented a dunking machine which was used at both the Shiloh Ox Roast and the Plymouth Fireman's Festival. They have a lot of pride in their new uniforms and the hard work that went into getting them.

The first performance for the majorettes was at Cedar Point on June 27. The girls did an admirable job despite the rain. Throughout the summer, the girls marched with the band in various parades.

During football season the girls really got to perform. This past year they twirled streamers, flags, batons, and fire.

BIG RED

Expectations And Accomplishments

Hopes were high as the Plymouth Big Red Vikings started their 1984-85 season with Co-captains, David Burks, Scott Ryman, and Mike Hawkins. There were 9 Seniors, 9 Juniors, 5 Sophomores, and 14 Freshman on the team this season.

Despite hard work and determination the Vikings suffered a big loss against the Seneca East Tigers, 27-0 to open the season. The next week the Big Red went ahead in the first half, 6-0, but they again fell to defeat 6-7. The following week turned out much better as the Big Red walked over Northmor, 18-2. The fourth game of the season opened league competition with a win over New London, 12-8.

Hopes were high, but the turnout wasn't what was expected as the Vikings lost to Monroeville, 27-14.

The following week saw the homecoming game against a winless Crestview. The Big Red had suffered many injuries which only helped Crestview as they defeated the Big Red, 12-6. The Big Red was still without many starters as they went down to Edison, 14-7.

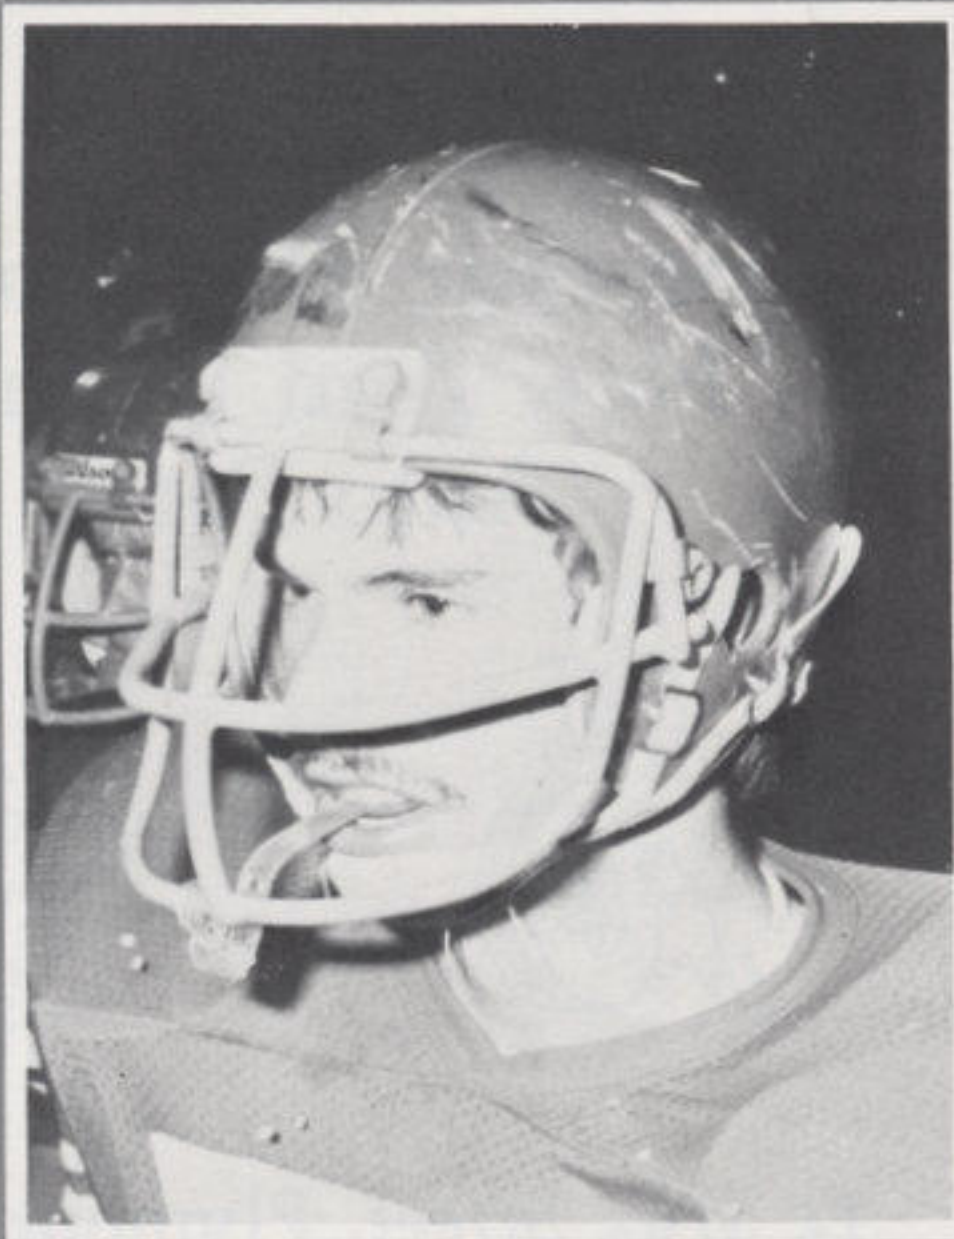

The Black River game was one of the Big Red's strongest showings, but they still suffered a sad defeat at 29-24.

The next week saw a welcomed change as the Big Red defeated South Central, 10-7.

The final game of the season was much like the rest of the year's games as the Big Red was once again defeated.

Expectations for the 84-85 season were higher than the accomplishments, but everyone worked hard and had a good time along the way.

The cheerleaders have been working very hard since last June.

Both squads attended UCA Camp at The Ohio State University the week of July 10-13. They endured four days of grueling sun and heat, learning cheers, chants, stunts, and dances to bring home to enthusiastic Big Red Fans. The Varsity Squad was among only 8 squads of approximately 60 to compete in the dance competition. Several superior and excellent ribbons were awarded to both squads during cheer competitions.

Besides car washes, the cheerleaders held dances after football games and a Chilli Supper for the community at The Shiloh American Legion. They also sponsored a Fun Night which included dancing, refreshments, ping pong, cards, and a video tape showing of the 1983 Fireland's Conference Championship game. The money raised from these activities was used to purchase new basketball uniforms. Also, on January 18, the Varsity squad had a Cheer Clinic for children in grades K-4. Approximately 46 girls performed at halftime of the Boys Varsity game.

They were also busy making signs, planning pep rallies, decorating lockers, and helping with the Booster Drive. They received Footballs donated by the 1st. National Bank of Shelby and Basketballs donated by the Plymouth Volunteer Fire Department as spirit raisers for the games.

The 1984 Plymouth Big Red Cross Country team finished their season with the best win-loss record of the decade, 10-5. The team consisted of 5 Freshmen, 5 Sophomores, 5 Juniors, and 1 Senior, Rob Beck, who was unable to complete the season due to an injury.

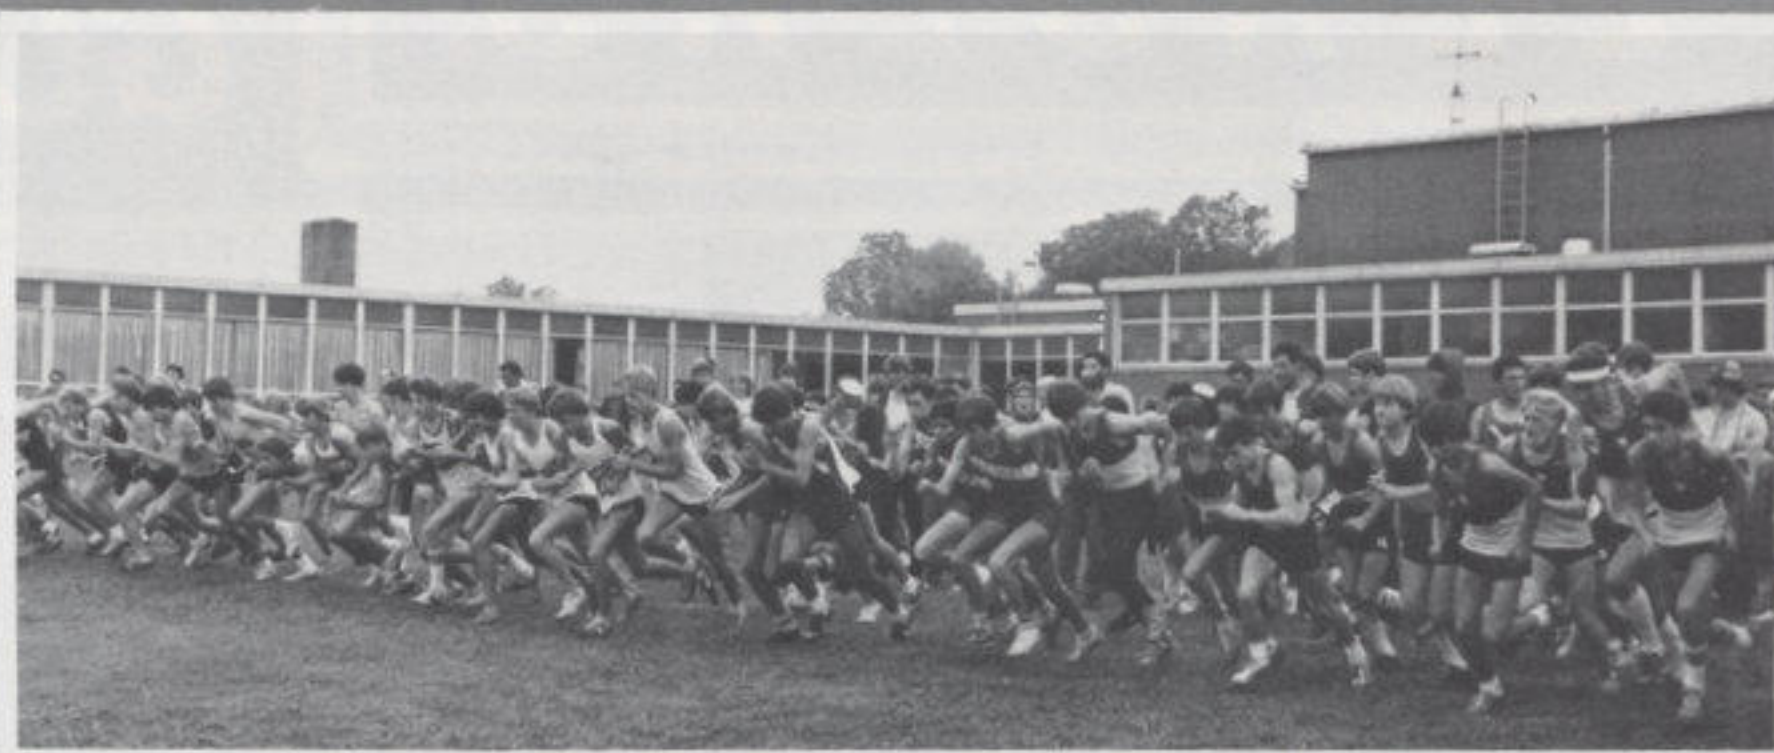

Third year coaches, Paul Gase and Tim Nesbitt feel that the high-light of the Varsity season was a close 3rd place finish at the Old Fort Invitational. The reserve team also did well, finishing 2nd.

The Varsity finished with a winning record in the Firelands Conference this year, when it came in as the 5th best team in the conference. The Reserve team should be congratulated for ending their season with the conference championship.

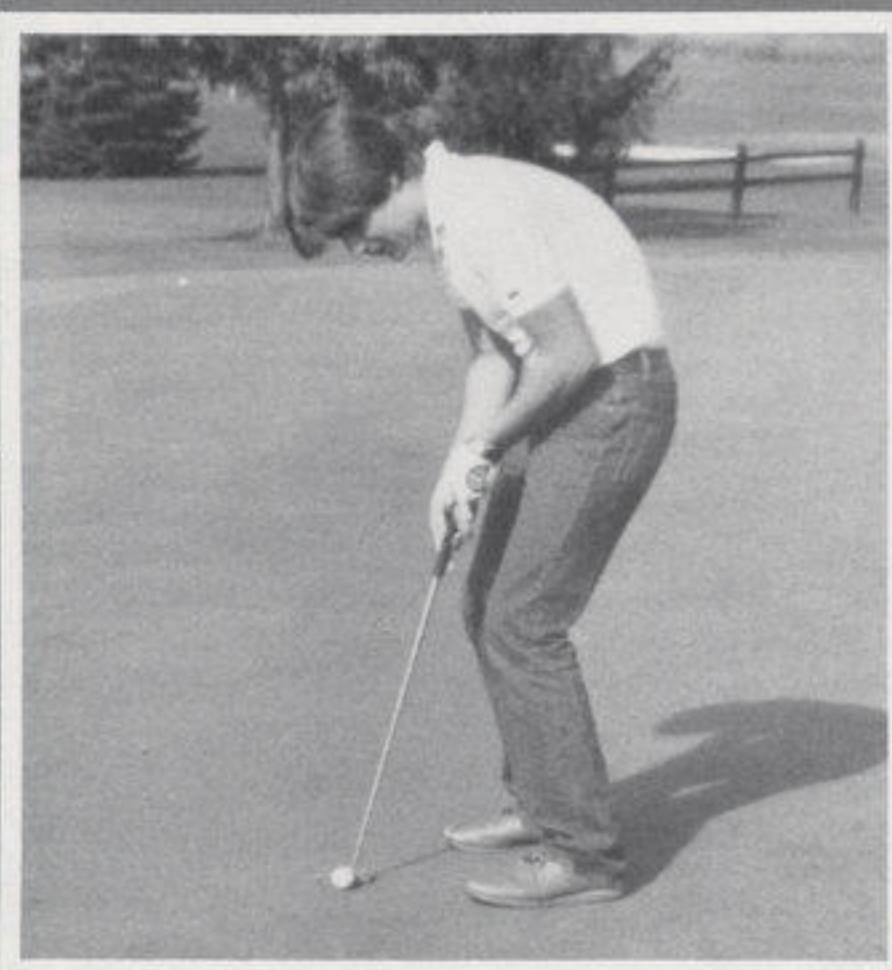

The Most Valuable Runner award went to Sophomore, Jamie Beck, who ran first for the team practically the entire season. The Coaches' award was presented to Junior, Kris Barnthouse, who ran as second-man most of the season. The Most Improved Award was earned by Mike Studer, also a Junior, who was able to run varsity because of his hard work and training during the off-season.

With the entire team returning next year, the coaches and team are looking forward to an even better season in '85.

A DRIVE TO SUCCESS

High Hopes

The 1984 Golf team finished sixth in the Firelands Conference. Sophomore Larry Trout was medalist in the conference meet at Woody Ridge with a 38-37-75. He had an average of 40.8 to take M.V.P.

The 1985 Golf team has high hopes when all but one, Senior Rick Tash will be back. The rest of the team included Juniors; Kevin Taylor, Chris Runkle, Craig Runkle; Sophomores; Jason Robinson, Glen Welker; and Freshmen; Scott Gano, Ronnie Stephens, and Aaron Barker.

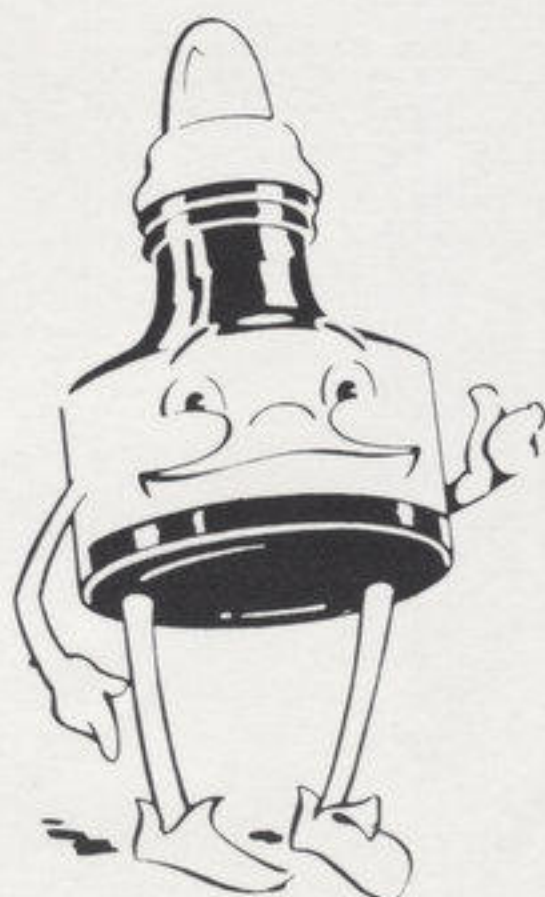

We would like to congratulate coach Dave Dunn for a successful season.

The 'Cream Of The Crop'

The Varsity Volleyball team ended the season with a record of 2-17. The two games they won were against Mapleton. The last win was on Parents' Night. Volleyballers approached their last home game against Mapleton with a winning attitude, as coach Hutton has said, "We knew we could win, play for enjoyment, and not get tense and uptight."

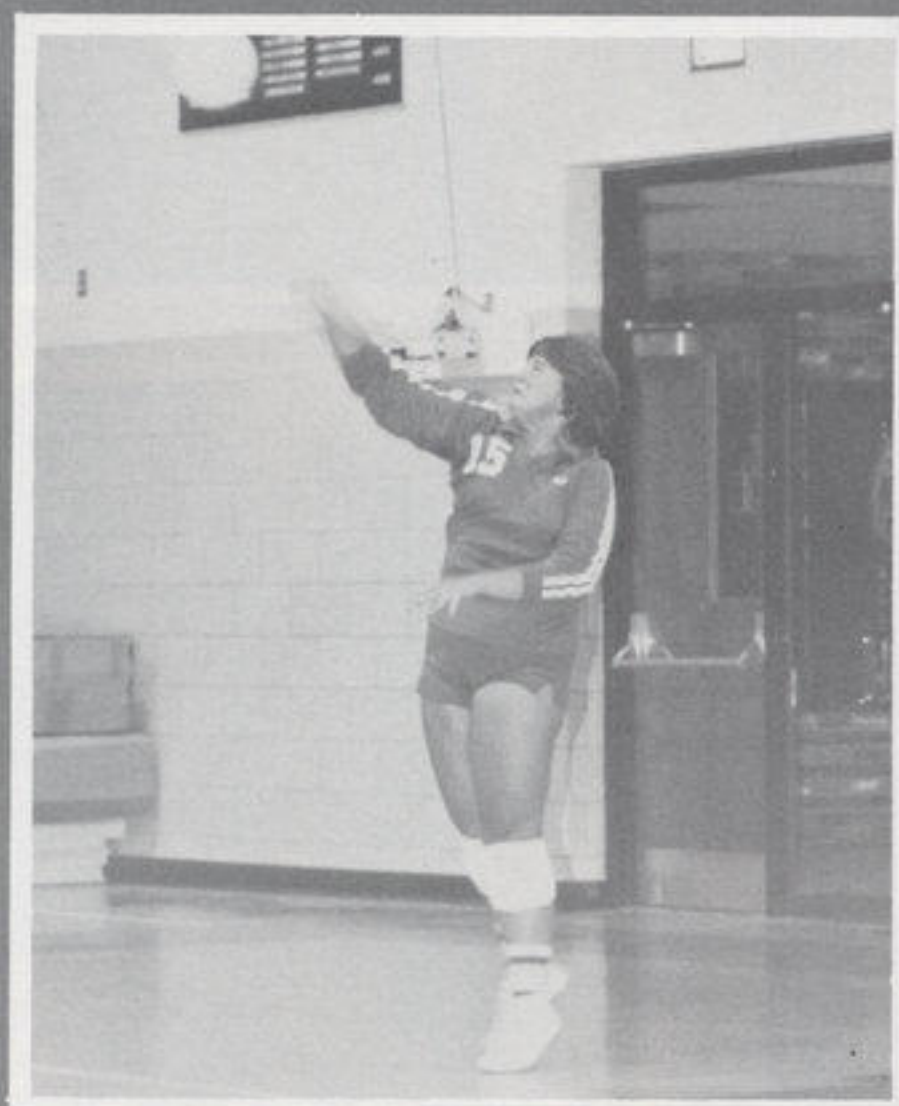

The awards given at the Winter Sports Banquet were: Sarah Robinson-Most Valuable, Karen Thornsberry-Most Improved, Tracy Keene, Bertha Hall, and Sandi Polachek-Most Scholastic in the Conference.

Sectionals were Saturday, October 20. The first game was against New London, but the Big Red Volleyballers fell to defeat.

Other vitally important positions were: Tammy Tash-Scorebook, Kay Neidermeier and Kathy Montgomery-Stats, Shannon Estes and Tammy Oney-Line Judges.

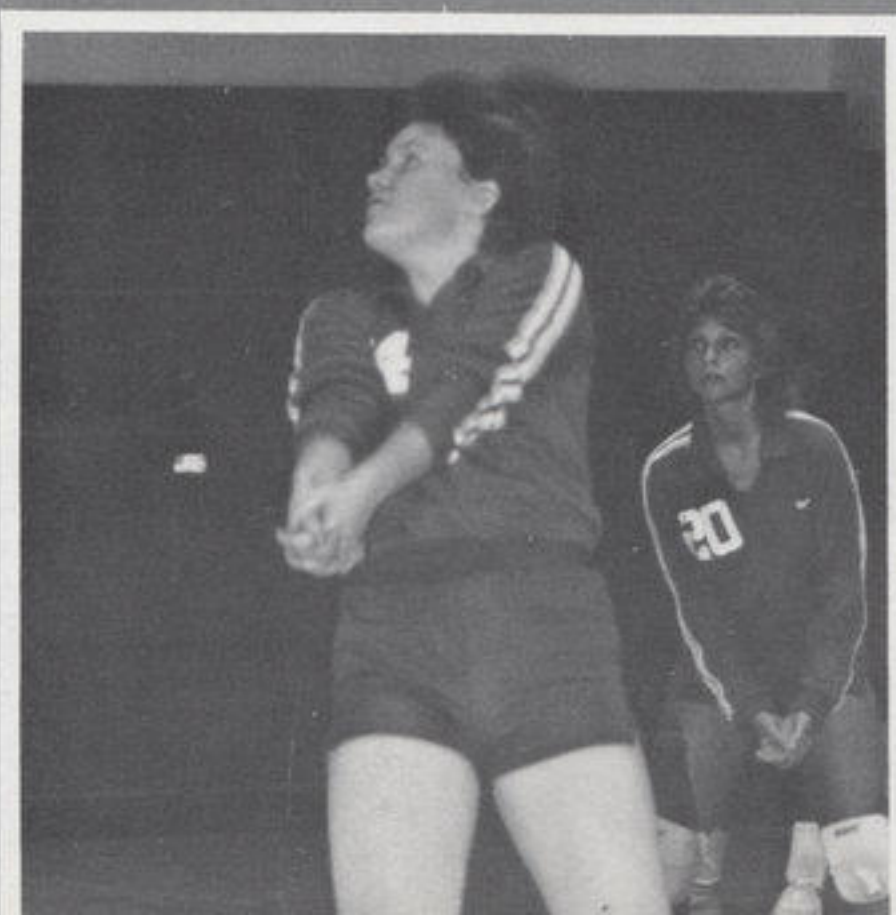

The team should be very thankful for such a great coach. For some Seniors she was the fourth coach they've had in four years. The coach was very direct and self-explanatory when she said, "I enjoyed working with the girls this season. I had the 'Cream of the Crop' so to speak. Next season, I will stride for more teamwork, and playing together as one, instead of having girls play as individuals. We had our difficulties, but in the end I saw a lot of improvement from everybody. The Sophomores this season are going to develop into fantastic players." She also said, "They were a wonderful group of girls to work with in my first year as head coach at Plymouth. I will sincerely miss the Seniors, and wish them the best of luck. As for the rest of the team be ready to go to work in August!"

Determination And Teamwork

The Reserve Volleyball squad was one of "Determination and Teamwork" Says first year coach Frankle. The team topped last years record of 2 - 14 with four hard fought victories against Mapleton, New London, and dumped South Central into the losing column twice.

"The team did well for having only four second year players." Remarks the coach. The squad consisted of Co - Captains, Junior #77 Sheri Bisel, and Sophomore # 14 Barb Click. Other Sophomores were, # 57 Janelle Miller, # 22 Christian Thompson, # 47 Lana Laser, # 10 Sandy Elliot, and # 16 Barb York. Freshmen were, # 12 Donell Branham, # 3 Tammy Isacc, # 11 Tammy Montgomery, # 34 Kathy Welker, and # 27 Jenny Cole.

To prove the coaches point of the team doing well, there were some outstanding statistics. Barb Click, who started out as a setter and ended up being a leading spiker, led the squad in passing, setting, and dunking. Serving went to Kathy Welker, while spiking went to Sheri Bisel. Defensive leaders in blocking and saving were Barb York and Tammy Montgomery

Next year's Reserve squad will be one of different faces and styles but with coach Frankle's help, I'm sure they will be a hard working, winning team.

VARSITY GIRLS BASKETBALL

Scoring Record Broken

Head coach, Mark McDaniel in his first year here, coached the team led by captain Rhonda Branham to an overall record of 6-15 and 4-10 in the Firelands Conference.

Rhonda highlighted the season for the team, as well as herself, by breaking the school's 4-year scoring record, formerly held by Renee Taylor. Rhonda played four years here at P.H.S, showing great talent, as well as a winning attitude.

Near the middle of the season, additional help was needed, so three Reserve members were pulled up from the Reserve team to help out. They played with the Reserve as well as the Varsity. Donell Branham, Barb Click, and Karen Thornsberry gained very valuable experience that will come in handy in their remaining years of basketball.

The Lady Vikes advanced to the second tournament game of the Single A Tournament, but fell to defeat. Despite their record, improvement showed through in the end, as we were all proud of their advancement in the tournament.

Three seniors, 4 juniors, 4 sophomores, and 1 freshman made up the 1984-85 Girls' Varsity Basketball team.

Many close games were lost to Edison 16-21, Crestline 12-18, Mapleton 12-16.

Due to a shortage of Varsity players, 3 Reserve girls played with the Varsity squad for almost half of the season, and useful experience was gained.

The team consisted of 1 junior, 5 sophomores, and 7 freshmen. Team co-captains were Dianna Hudson and Barb Click.

Kneeling: Michelle Collins, Karen Thornsberry, Barb Click, Kathy Welker, Christian Thompson, Donell Branham.

For the first time in over 12 years, the boys' Varsity Basketball team ended a season with a winning record. The P.H.S. Big Red finished overall with a record of 11-10.

PROM NIGHT '85

The 1985 Junior-Senior Prom was held Saturday, May 11 in the high school gymnasium. The junior class and their advisor, Mrs. Holt, contributed much time and effort toward making the prom a great success. The gym reflected the image of a garden with the colors being peach and seafoam green.

A tradition was started this year with the crowning of a prom king and queen. Five boys and five girls from the senior class who recieved the most votes from an election held the week preceeding the prom were voted on the evening of the prom to see who would be chosen king and queen. The students cast their votes upon arrival at the prom.

The results of the election were as follows: Prom King-Jesse Miller, Queen-Tracy Keene, Prince-David Burks, Princess-Lenora Caudill. The remaining court members were: Tim Deskins, Renee Carter, Jeff Lasch, Bertha Hall, Scott Ryman, and Debbie Schrader.

Post Prom was held at the Mansfield Cinema World where the students enjoyed a movie.

A NEW FACE AT P.H.S.

This fall a new face appeared among the teaching staff here at P.H.S. Professor Jerry Bidwell of the Ohio State University, Mansfield Campus, came, upon request, to teach French II, to six students who needed the course for college entrance.

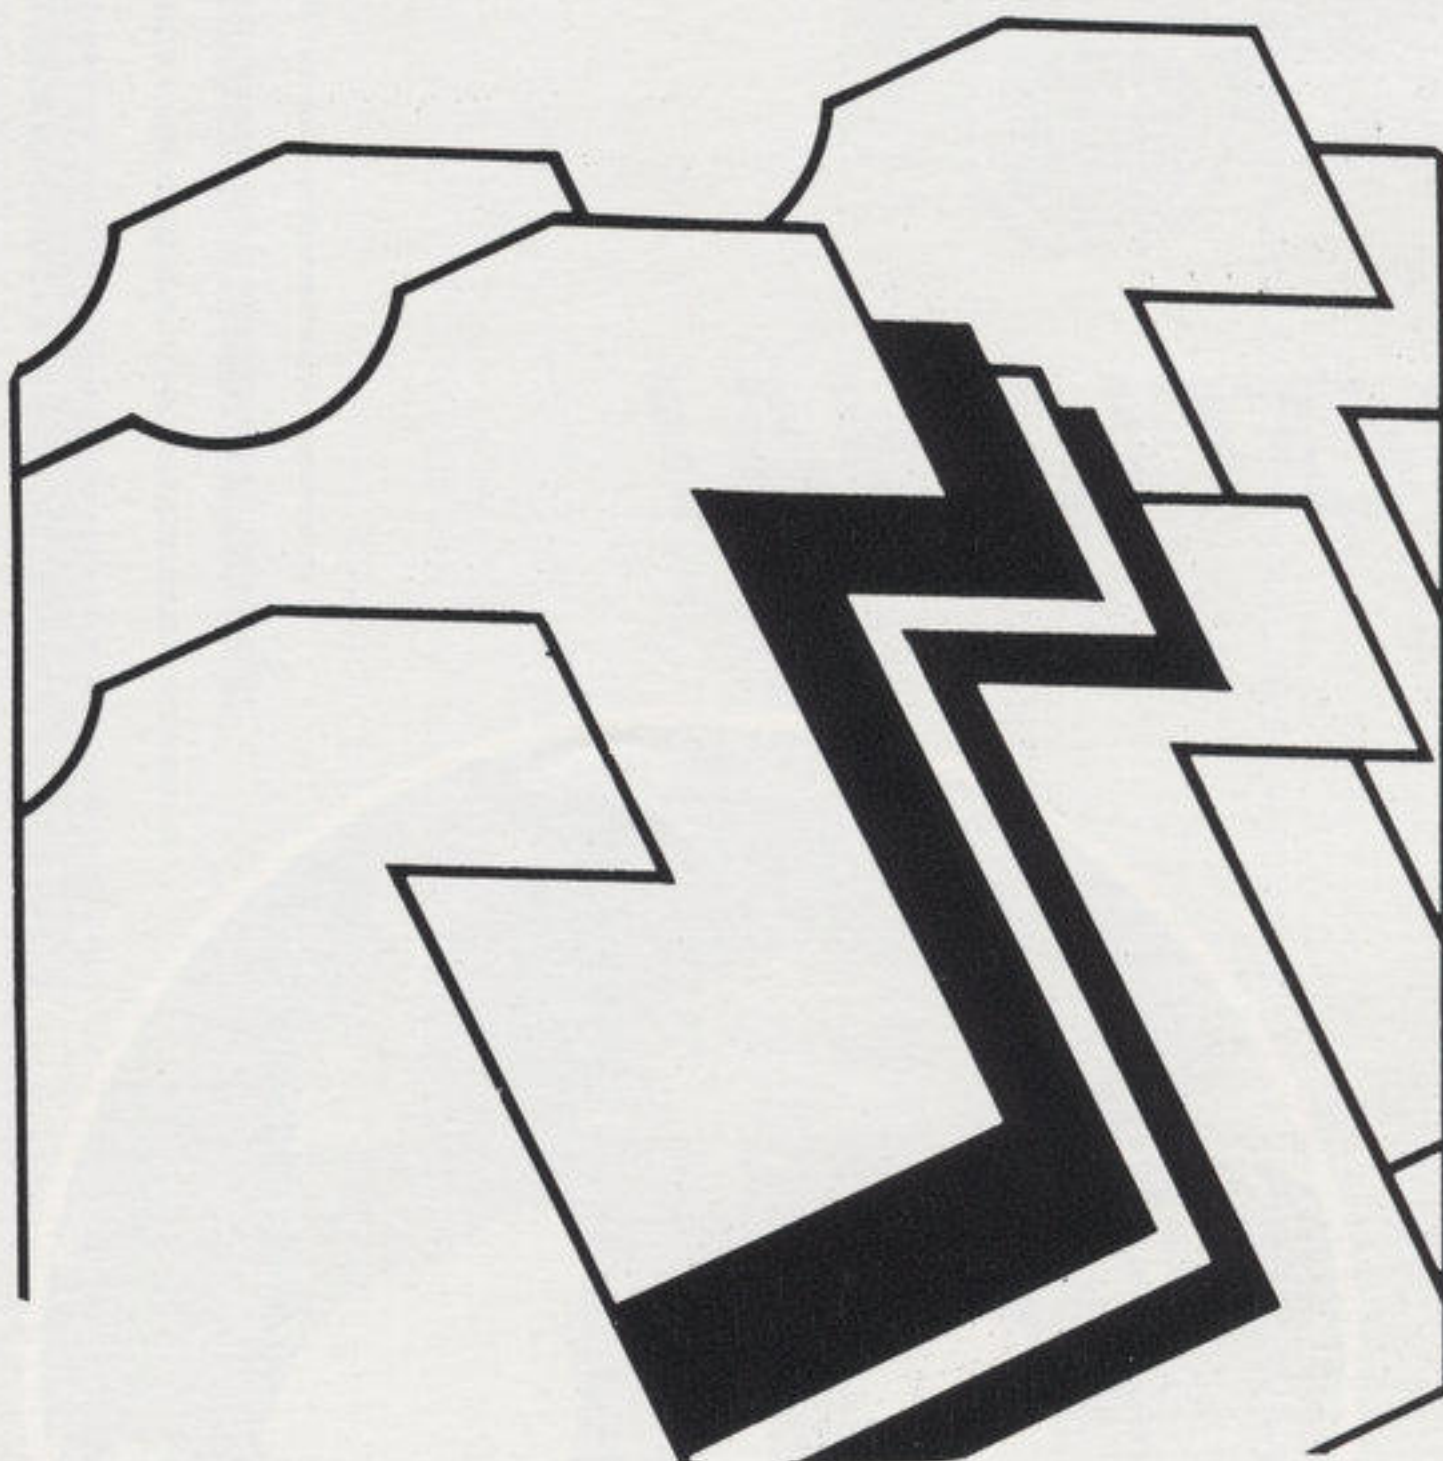

His teaching qualifications are outstanding. Among them include actual study in France. His personality and generosity were equally outstanding, as he took time out of his busy schedule for his students here at Plymouth. We hope Mr. Bidwell enjoyed his year here at P.H.S. as much as we his students did.

1) America's newest super star, Eddie Murphy promoting his smash hit "Beverly Hills Cop".

2) Everybody's hero, the great Yankee Man., Yogi Berra.

3) The world was shocked when pictures of famine struck Ethiopia appeared in the media.

4) No one can forget the paralyzing blizzard that struck the Midwest in late Jan. and mid Feb. We got two weeks off school and had to postpone the King of Hearts' dance until March. We also had to postpone spring vacation indefinitely.

5) We had many natural disasters this year including the floods and the wave of tornados that struck southern Ohio and Penn. on graduation night. Many people lost their lives and many more were left homeless. The President sent federal aid and Vice President Bush visited the hardest hit areas.

6) The 10th ranked Boston College Eagles accepted an invitation to play in the cotton Bowl on New Year's Day. Doug Flutie star quarterback, leading candidate for the Heisman Trophy, threw a 48 yard touchdown pass on the final play of the game against Miami, to give the Eagles a 47-45 win over the defending national champions.

7) The "Unicorn" being featured in Ringling Bros. and Barnum Bailey Circus made its debut at Madison Square Garden. The Living Unicorn (as it's billed) is a lovely silver-fleeced animal with a single horn growing from the center of its forehead. One of the goat's horns was surgically removed and the other is pulled to the center of the goat's head where it continues to grow. There was much controversy over the humanity of the action, and the effect it would have on the public.

8) Subway vigilante, Bernard Getz, raised an important question in the public's mind when he shot three teenagers who were trying to rob him. Was it self defence or attempted man-slaughter? Will others follow his example? Will his case set a precedent for future such cases? Will our children be reading about it in their government books?

9) Space, the final frontier. There were many new break-throughs in space study this past year. The returning space shuttle, that can be launched time and again, the talk of growing plants and building homes in space and the female astronauts, are all great steps for mankind.

10) Las Vegas, April 15th, the Welterweight Championship fight. Marvelous Marvin Hagler retained his title in the fight with Tommy Hearnes.

11) The first black man to run for the Presidential nomination, Jesse Jackson went on many crusades during his campaign for the Democratic ticket. There was also another first in politics, Geraldine Ferraro the first woman to run for Vice President shared the Democratic ticket with Walter Mondale.

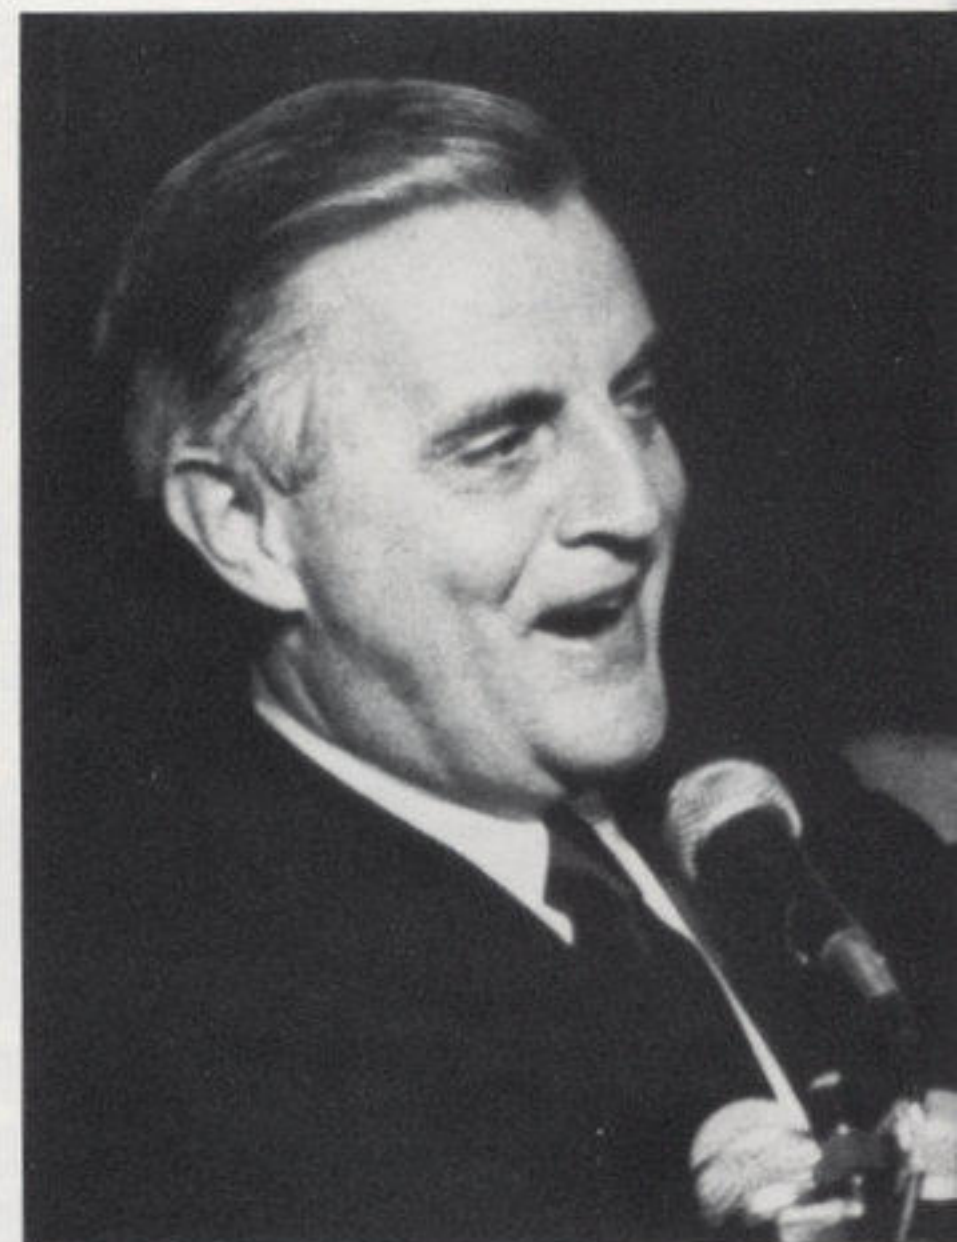

12) The official portrait of the President of the United States of America, Ronald Reagan. He became the oldest President ever to serve in 1980 and is now serving an unprecedent second term.

13) Walter Mondale, endorsed by the U.A.W. and the N.E.A., along with his running mate, Geraldine Ferraro, lost in the biggest landslide in the history of politics. He carried only his home state and the District of Columbia.

Many things rocked our world and changed our lives during the past year. Here on these two pages is just a small sample of the year's events. Follow us as we review:

'85 IN THE NEWS

Allow us please, to mention a few more events which touched our lives in one way or another:

Barney Clark's artificial heart led to three other such operations. The world watched as he recovered and grieved when he passed from our midst.

Baby Fay touched our hearts and our values when the world debated her baboon heart.

Seven small wonders entered the lives of astonished Sam and Patty Frustaci. We all wondered at their arrival.

A large group of caring musicians joined efforts and "We Are The World" soared to the top of the charts.

A riot in Belgium at the soccer stadium killed over thirty people and prompted officials to ban public soccer games throughout Europe.

A survivalist camp where over 40 mutilated bodies were found was dubbed the "Survivalist Death Camp".

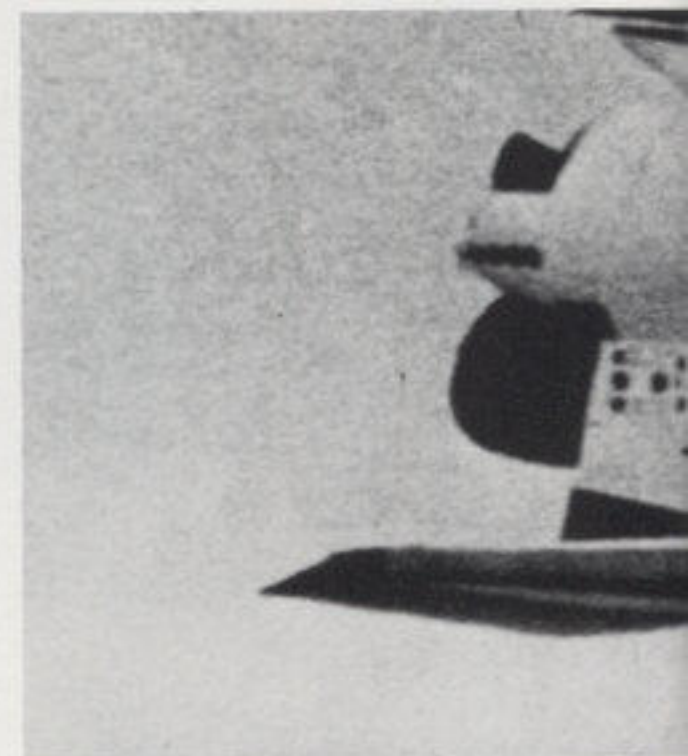

The U. S.'s hands were tied when members of the Shiite Moslem terrorist group seized a TWA jet and held many of the 153 passengers captive, most of which were U. S. citizens. Their demand; the release of Arab prisoners held by Israel.

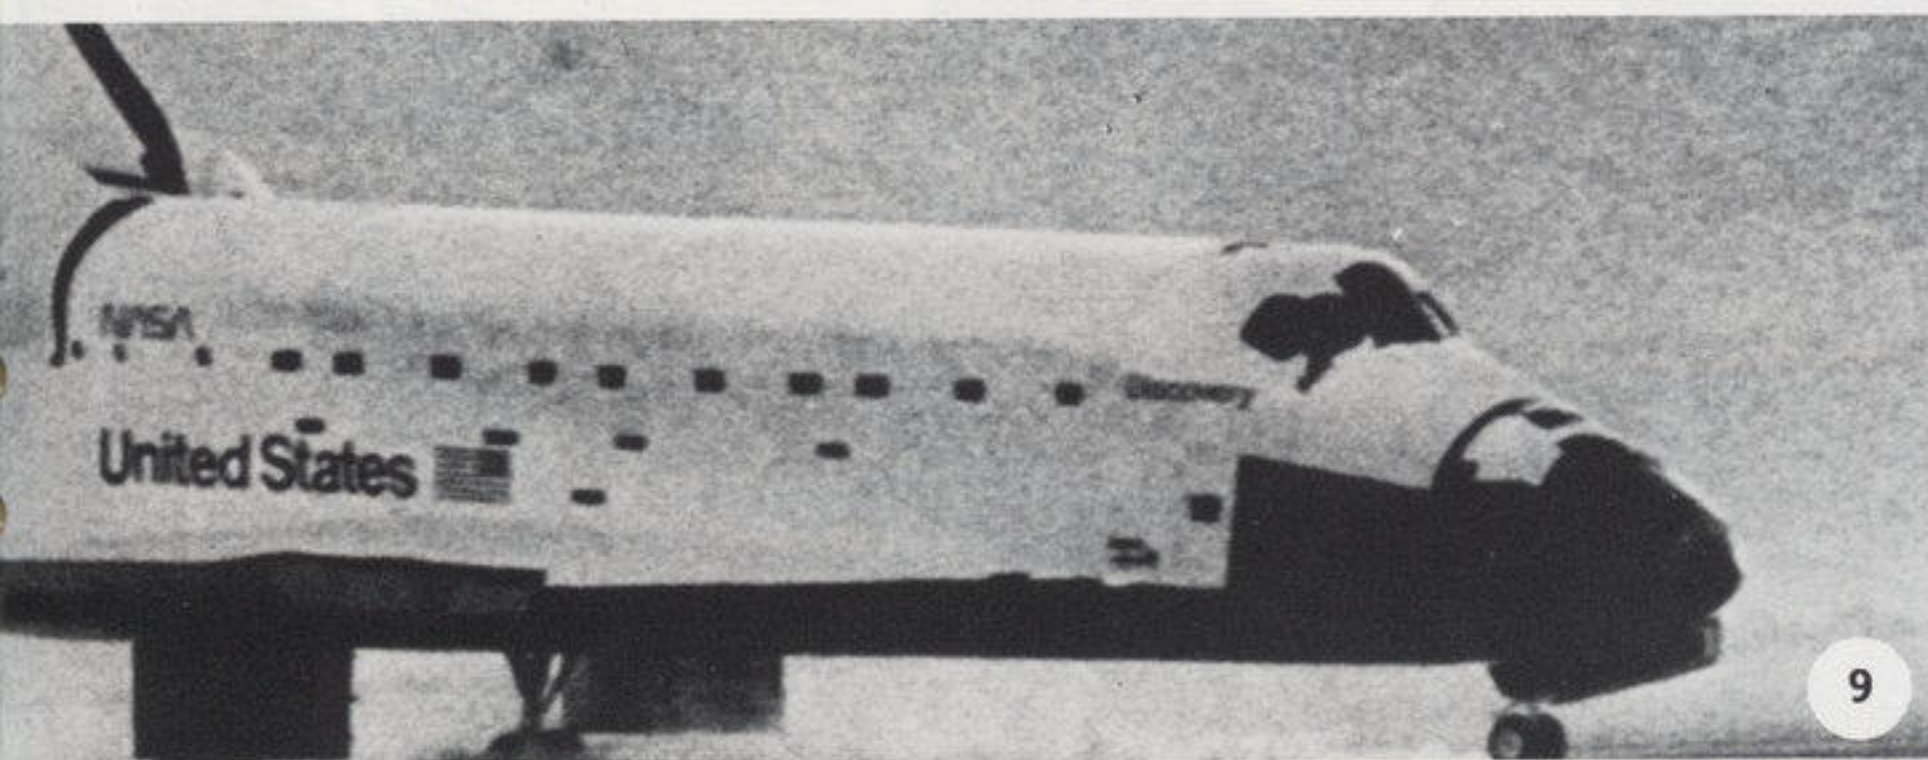

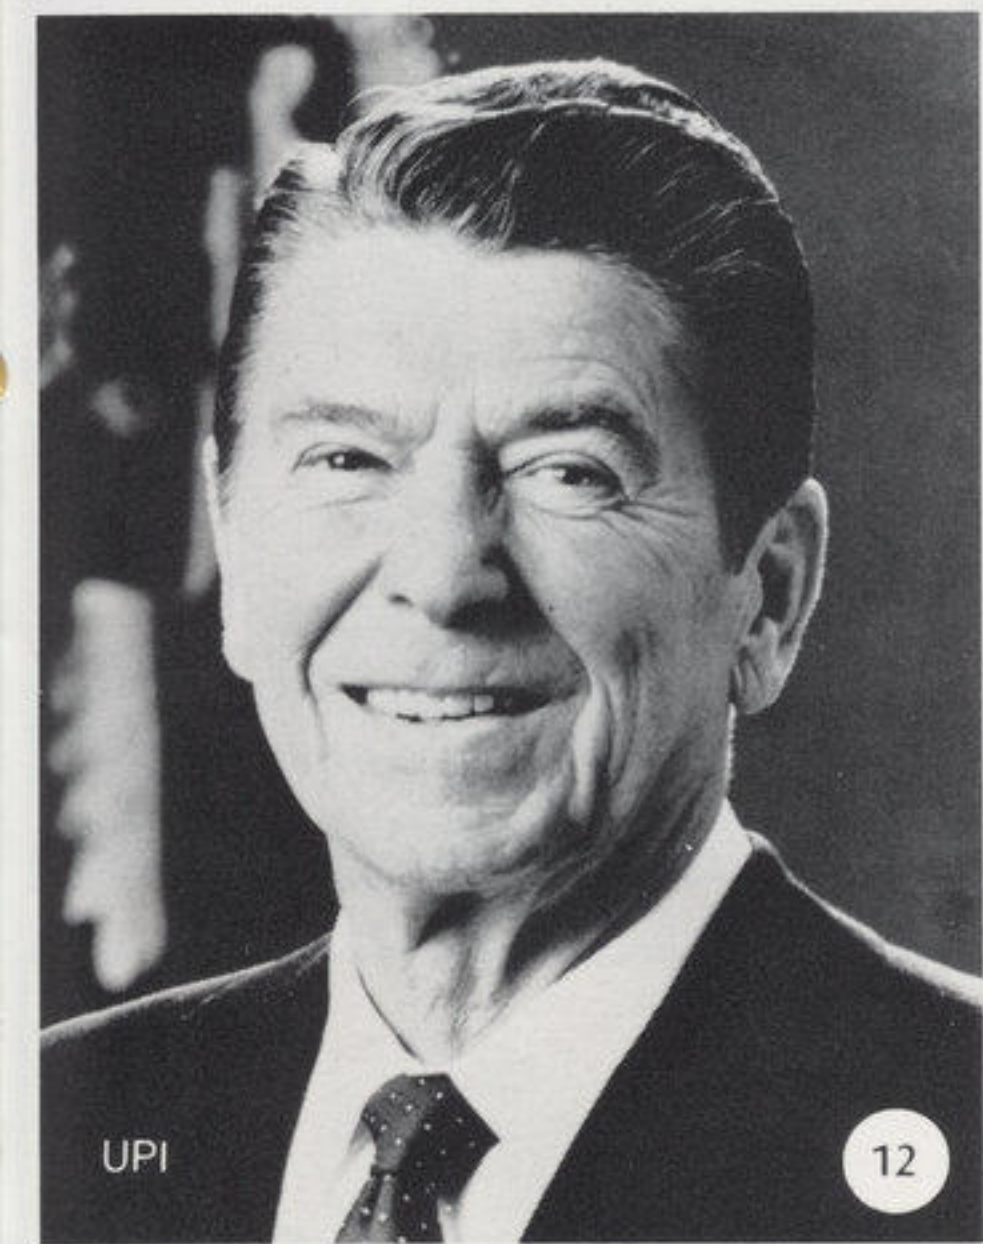

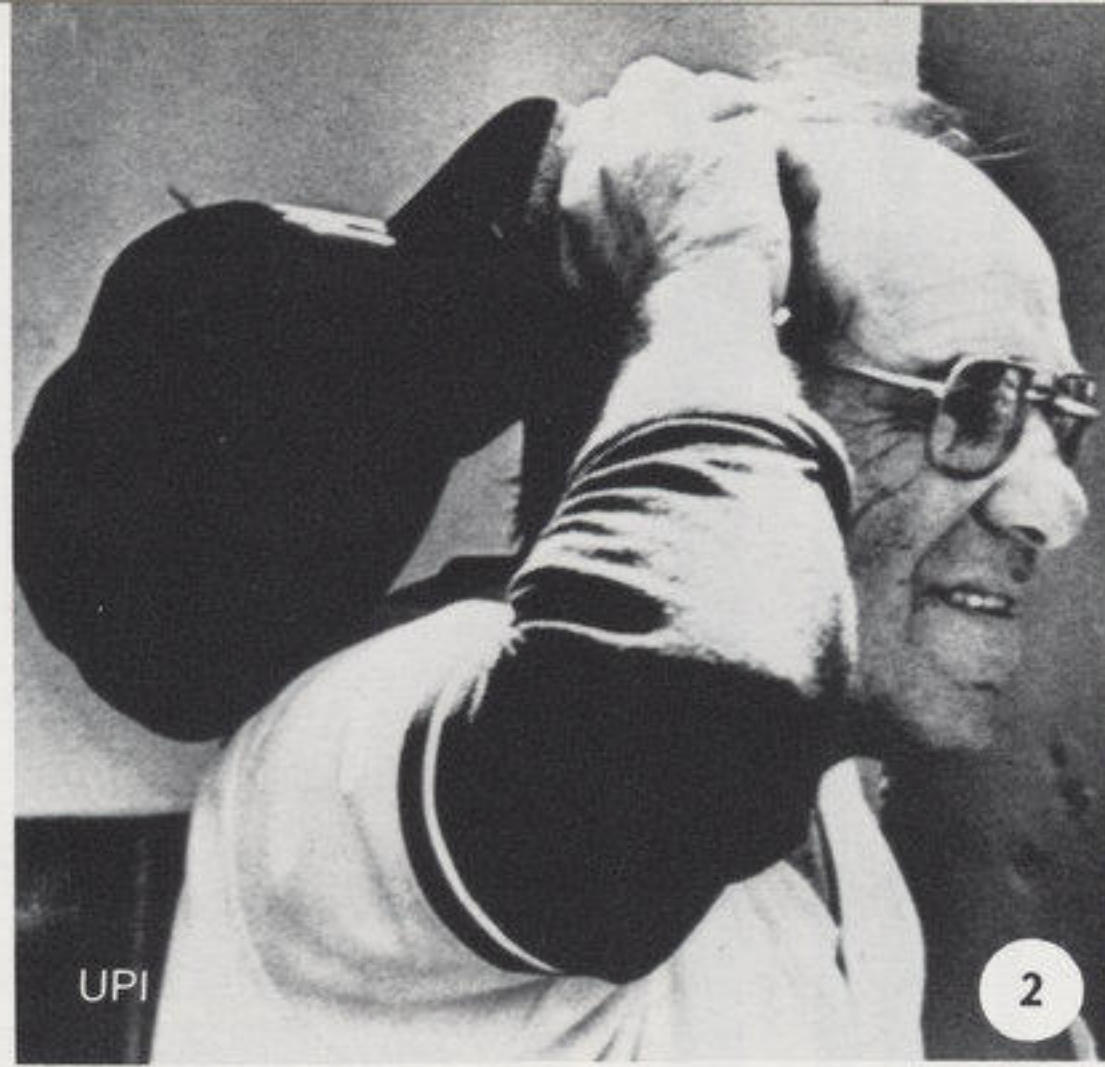

The whole country was shocked as a bank in Cincinnati shut its doors.

An outbreak of salmonella in Illinois caused hundreds of gallons of milk to be taken from the shelves.

Everyone joined in the hunt for missing children as their pictures began appearing on milk cartons, grocery bags, television and on countless billboards and posters across the U. S.

SUZON MOOREMAN—My senior year is one I'll never forget because of all the things that are happening. I'll miss all my friends, but the memories will always remain in my mind.

JEANNIE MANUEL—As graduation draws near I sadden with the thoughts of leaving my friends and family, but on the other hand I'm looking forward to college and meeting new friends.

SCOTT RYMAN—I can't wait till it's over, but as the days pass and it gets closer I know I am going to miss my friends. When I look back on the good times and think of what's ahead I know it will be just great.

JESSE JAMES—I think it's a turning point in my life. I am no longer a student, but have the challenge of the rest of my life.

ROBERT STEVENS—I think it is a big step into the real world.

KATHY NESTER—My senior year has really gone by fast; it has had it's ups and downs, but overall I wouldn't have missed it for the world.

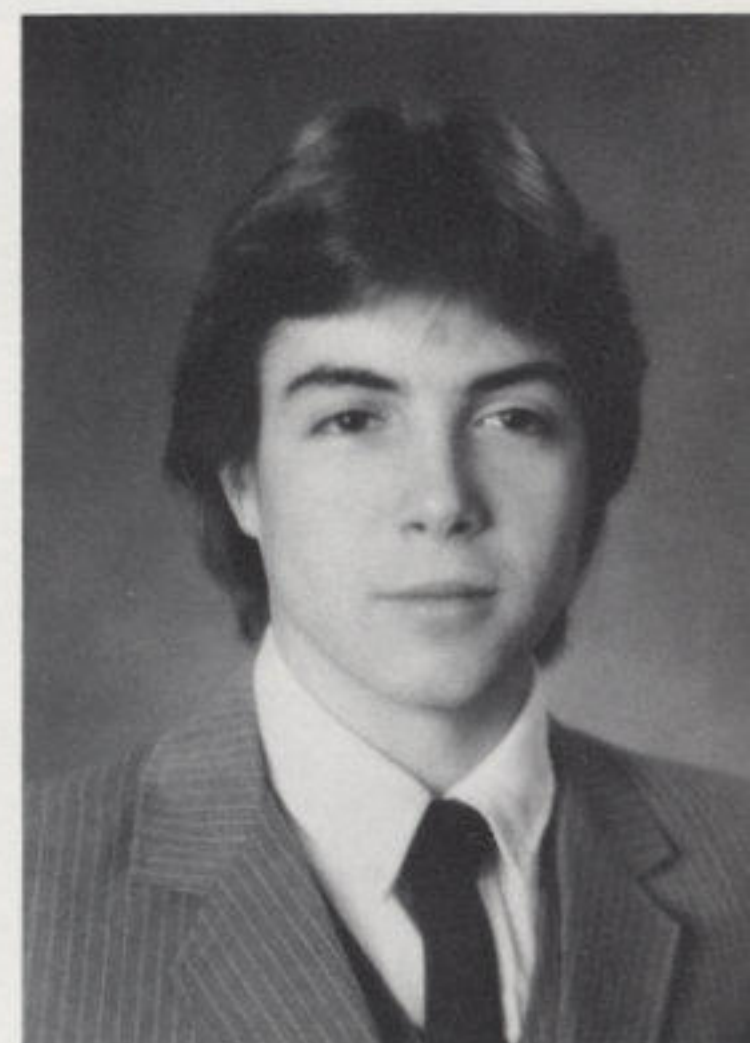

JESSE MILLER—I have waited all year to graduate, and now that it is at hand I sort of regret having to go.

SARAH KEINATH—Look not upon it as an ending; nor as a beginning, but as one important step on the road to life.

MICHELE WRIGHT—It's scary and great!

JEFF CAUDILL—Ready to move on!

AMY CUPPY—My senior year was my best ever. There have been some rough times, but in the end I wouldn't trade it for anything. Goodbye P.H.S.—Hello world!!!

106TH COMMENCEMENT

Presenting The Plymouth School Class Of 1985

Jesse Miller: 6 yr. Class
President
Invocation

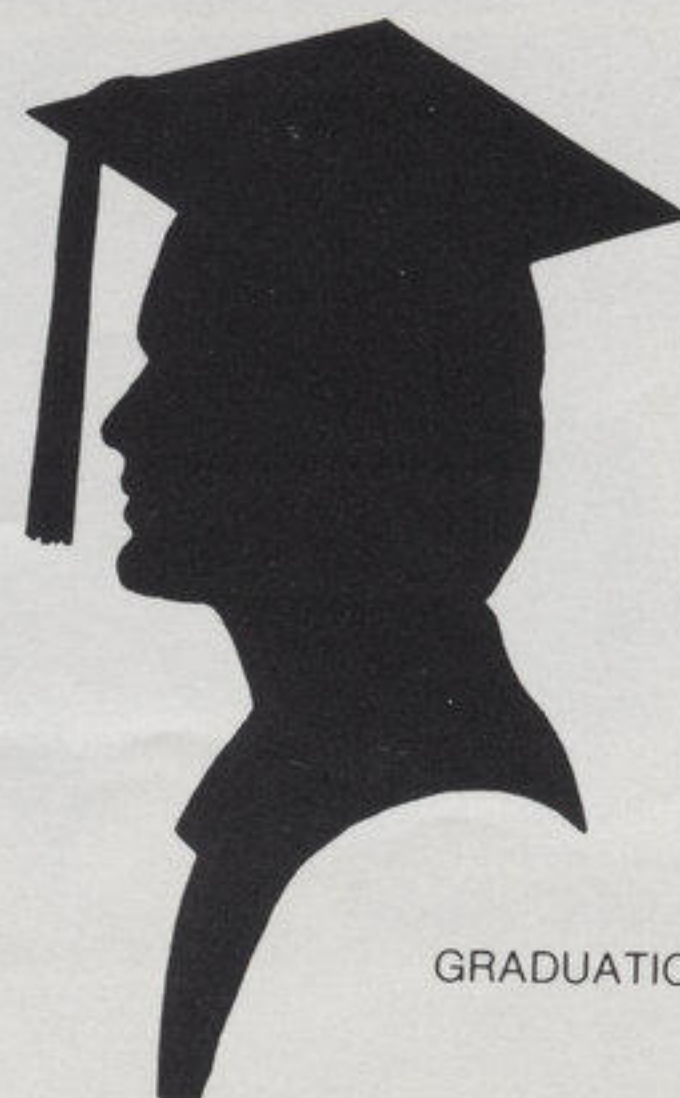

Mrs. Albright, the senior class advisor, was presented with a token of thanks from the senior class of '85. It was a pendulum wall clock with a complementary inscription on the face. It was but a small token of the class's gratitude for her unre-served dedication to making their senior year an event they will never forget.

COMMENCEMENT EXERCISE

May 31, 1985
8:00 p.m.

The 88 members of the Plymouth Class of '85 held true to one very important tradition when they took part in the 106th Commencement Exercise of Plymouth High School.

Due to new enforcement of the mandatory 180 day school year, it was impossible to dismiss the seniors a week early, as previously done. Faculty and students worked together to get final grades tabulated and make the last week of high school for the class one they would never forget. Pic-nics, dinners, movie vidios, decorations, and other activities kept them busy right down to the last day. That day being May 31, the day of graduation. So changed another tradition. Graduation had previously been on Sunday afternoon. The choice was put before the class and Friday was the overwhelming choice.

There were many changes this year, but it is hoped that it has made the road easier for future generations of Plymouth High School graduates.

Once again the sounds of graduation filled the halls of P.H.S. Yes, just as it did many other times with the voices of parents, grandparents and other relatives of this year's honored few. They are proud to hail from P.H.S. It is a tradition they will be proud to hand down to their children in the years to come.

It was a time to share with family and friends. Joy of accomplishment and expectation of the future was mingled with the sadness of a final departure; departure into the world to make dreams come true and lives successful. Congratulations and good-bye Plymouth Class of '85. There will never be another quite like you!
