Rod Stewart- *Forever Young*

May the good Lord be with you, down every road you roam,
and may sunshine and happiness surround you,
when you're far from home.
And may you grow to be proud, dignified and true,
and do unto others as you'd have done to you.
Be courageous and be brave,
and in my heart you'll always stay forever young, forever young.

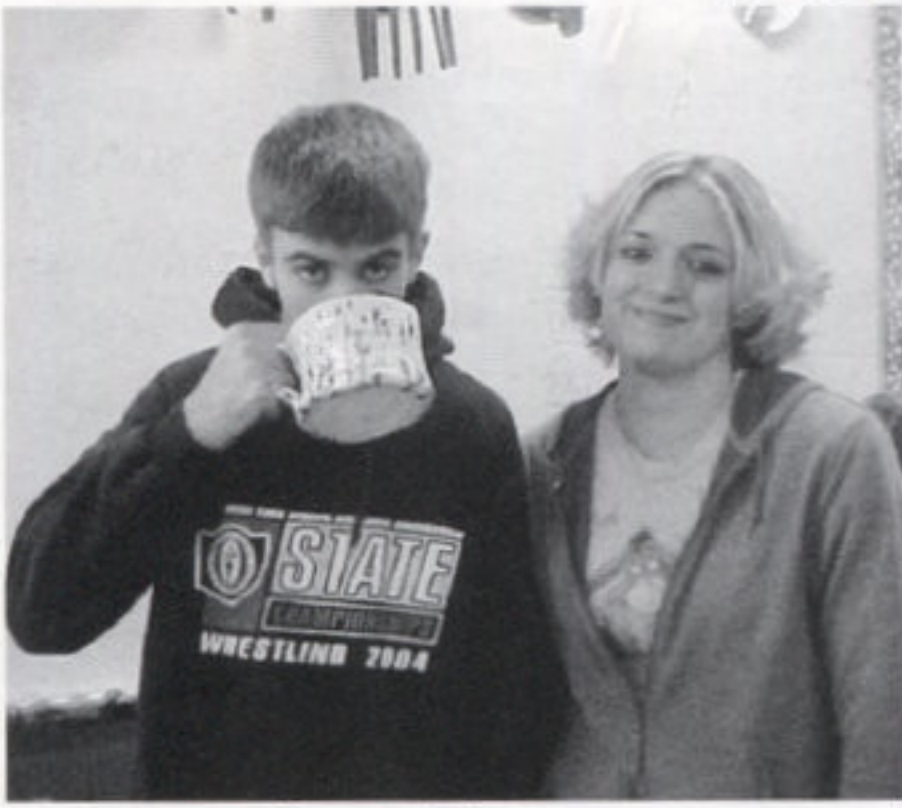

May good fortune be with you, may your guiding light be strong.
build a stairway to heaven with a prince or a vagabond.
And may you never love in vain, and in my heart you will remain
forever young, forever young, forever young, forever young,
forever young, forever young.

And when you finally fly away,
I'll be hoping that I've served you well,
for all the wisdom of a lifetime no one can ever tell.
But whatever road you choose, I'm right behind you, win or lose,
forever young, forever young, forever young, forever young,
forever young, forever young, forever young, forever young !

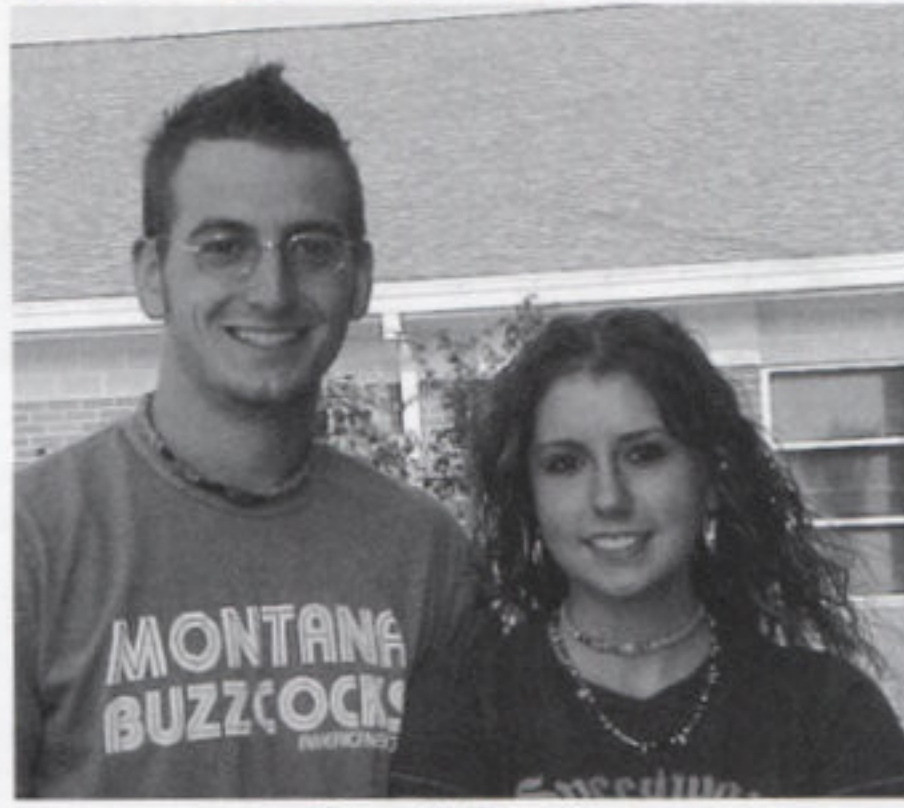

May You Stay Forever Young

Prom

As we gather this evening to celebrate the future, we must take a moment to look back on the past to remember a special person in our lives. This person was an inspiration to me and everyone who knew her. She exceeded all expectations that people set for her. She was a friend to everyone. She was always there to give advice or just to listen if she was needed.

Megan Faith Paulo was my best friend, and she was the best thing that ever happened to me. She was always there for me, and I was always there for her. I remember back in preschool and elementary school I would never want to go, but she convinced me to go with her words and her awesome smile that she had on her face all the time. I wish I could see that smile again, and I would do the same.

Megan passed away on November 24, 1998 when she was only 12 years old, it tore me up inside, but everyday I just remember that I will see her again someday. Today she would be graduating with the class of 2004.

Megan we miss you and love you. We know that you will be with us until we see you again.

A Letter From the Editors...

This year has been full of many ups and downs, but we all managed to pull together and get the job done. We did great things this year like polling the school body on our book theme, thus the song titles on many of the pages, finally earning a party for meeting a deadline, and our dreaded quarrels over the cover design. Hopefully everyone will enjoy our designs and choices for many years to come.
