"My most memorable moment would also have to be just being around my teammates as well. The year didn't go as planned, but we (the team) grew together as the year went on. Good Luck next year!"

#55 Zach Drajić
Fullback / Defensive End

"My most memorable moment of this season would have to be the entire year! Overall, I enjoyed helping the underclassmen learn how to become better athletes and better people. We were close teammates! Good Luck next year!"

PLYMOUTH

A NEW

When you picture cross teams, you think of scrawny guys right? Not this team, we are a new breed of runner. We lift more then we run, but when the competition comes around we can muscle through the miles. Fartleks, repeats, and Indian runs; Please, they come natural to us.

Going from Football to Cross Country was a big change for me. I miss football, but the memories and friends I made during cross will last a long time.

This years xc team consisted of 3 seniors, 3 juniors, 2 sophomores and 1 freshmen. The teams number one runner is Justin Miller while spots 2 -7 always changed during the race. This unit was lead by Captains Alex Mowry (3rd year runner) and Mitchell McKenzie (2nd year runner). They are all guided by their coach, Marty McKenzie.

"I came into this expecting two competitive teams and that's what we have as of right now. If we can just battle against some injuries, the sky is the limit."

2009 Girls Cross Country

Stephanie Grube, Alyssa Brown, Sarah Shirey, Bridget Sutter and Katie Brodezeller

Coach McKenzie

The girls team this year was relatively small. It consisted of Sarah Shirey, Bridget Sutter, Katie Brodzellar, Allyssa Brown, and Stephanie Grube. Early on Bridget was the number 1 runner but unfortunately she got injured at the Plymouth meet reducing the team to 4 runners. Sarah lead the squad soon after being the set number 1 runner. Stephanie Grube became the number 2 runner while Allyssa Brown, who is new to running, filled in the 3 spot with Katie Brodzellar rounding up the 4th spot. Even though the team was a small one, they competed in every race they ran in and getting better each time. This is a young team with room to improve!

Bonfire Highlight

This years bonfire was a fun filled success. There were a lot of cool activities put on for us by student council. Thank you goes out to all of them for this years fun filled Community Bonfire Night. Plymouth's student body participated in activities like the classical cross-dresser contest, football toss and kick, three leg racing, tug-of-war, doughnut on a string, the limbo, freezing our butts off from the cold, and hanging out by the fire with our buddies trying to keep warm. Also we thank our school cheerleaders for thier wonderful Performance at the 2009-2010 annual Community Bonfire Night. It was a blast!

.....Bonfire Night

Bonfire Highlight continued.....
 We would love to thank our local fire department for that especially. We all had a blast when we viewed classmates eating doughnuts off of a string. It was quite a site believe you me! Then, how low can you go, sometimes hurts your back to watch, haha. However, no back injuries were encured through it. Let me tell you, seeing a classmate dressed in drag is worth going! Good thing no one had a run in their pantyhose.

VARSITY cheer Leaders

Chelsea

This is Chelsea Runkle's 5th season and this year she is the Varsity Football Cheerleading Captain. Her favorite thing is being a good squad and having fun. Outside of school Chelsea enjoys spending time with friends. Her favorite memory is going to Chicago her freshman year.

Linsey

This is Linsey Lewis's 3rd season of cheerleading. Her favorite thing is to have fun and goof off. She is 16 and a Junior. Her most memorable moment is when Chelsea fell in front of the mini's. Outside of school she enjoys spending time with friends and family.

Sarah

Sarah Manuel is 17 and a Junior here at Plymouth. She has been cheering since 7th grade and also participated in minis. Her favorite thing about Cheerleading is the feel of the game, being peppy, loud, and cheering on the team. Outside of school, Sarah enjoys being active, playing the guitar, being outside, and hanging with her friends and boyfriend.

Tiffany

Tiffany Taylor is a Junior here at Plymouth and has been cheering for 3 seasons. Her most memorable moment was during the game of minis. On the back of her shirt her name was backwards (Ynaffit). Greens husband yelled from the stands if she was dislexic! Outside of school Tiffany enjoys to sing and dance.

Debrina

This is Debrina Bolen's first season of High School Cheerleading. She is 14 and a Freshman. Her favorite thing about cheerleading is learning new dances. So far, Debrina's most memorable moment is changing out of her majorette uniform into her cheerleading uniform and putting on the wrong uniform. In her spare time she loves to listen to music and hangout with friends.

Emily

Emily Jamerson is 15 and is a freshman. This is her first season as a High School Cheerleader. Her favorite part of cheerleading so far is pep rallies and the dances. Her most memorable moment is at practice when Tiffany pulled up her pants super high and had glasses on and acted all silly and geeky. In her spare time, she likes to listen to music and hang out with her friends.

"We had a young, but talented squad this season. Chelsea did a great job leading as a captain and everyone worked well together."

Abigail Michelle Finnegan

Abigail Michelle Finnegan passed away in a car accident December 19, 2009.

-Abby was always smiling and always knew how to make a sad moment a happy one. She never put anyone down and was there for you no matter what. She believed not only in herself, but the ones she cared about too. She was beautiful on the inside and out. She's missed by many, and loved by all.

She's number 45 in our scorebooks, but she will always be number one in our hearts.

We had a blast making breakfast for the boys on tournament day. We fed them donuts, waffles, cookies, muffins, fruit, sausage, and french toast. (Of course it was the sugar made them win the games)

Yearbook class of 2011,

Here's some advice. Get all of your pages done **EARLY!** It isn't very fun coming in to work on them when its the last week and you don't have to be here. Work really hard and have an amazing year-book. I'm so very jealous that you guys can work on the **WHOLE** page and don't have to use guides. I'll be back to criticize!

"I have enjoyed being in yearbook these last two years and being the editor this year. I would like to thank Mr. Lewis for putting up with my last minute work, letting me spend three hours on the computer every day, and for storing my food.

Sincerely,
me.
