# We Got Spirit

## Spirit Week

Spirit week is an opportunity for members from every grade to come together to show pride and involvement with their school. Spirit days are chosen by students via popular vote. This year's spirit days were hat day, jersey day, 'merica day, Big Red day, and pajama day. Students from all different grades, ages, and backgrounds participated in each day.

# How 'Bout You?

## Homecoming 2018

Spirit week is always accompanied with extracurricular activities at PHS. PowderPuff football and volleyball are opportunities for students who don't normally participate in either sport to come together as a team. Classes are pitted against each other tournament style until one class is crowned victorious. This year, Seniors sent competition packing in both sports. This makes four years in a row that the senior class has emerged victorious in the PowderPuff games.

# A Night of MEMORIES

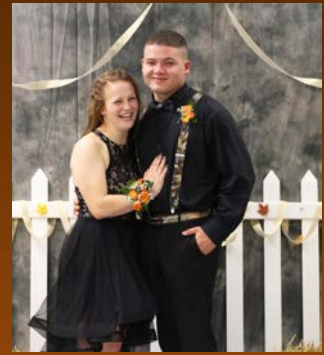

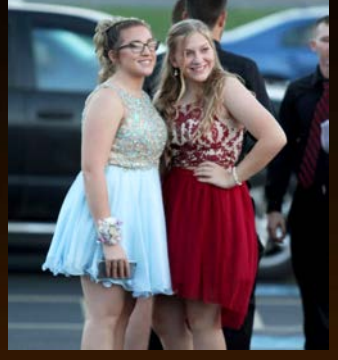

*The 2018 homecoming was a  
BLAST!  
Full of wonderful memories!*

*Homecoming 2018 had a good turnout with over 150 students appearing, most with guests! Friends and couples danced the night away during the fall-themed gathering in celebration of a tradition that started back in the early 1900's on college campuses. Much has changed since then, but Homecoming still remains an important time for many to remember and reconnect to their community—the place they grew up and the people they grew close with.*

**The Plymouth FFA has been hosting the blood drive for about 9 years, the very first one was hosted in November 2010. There are about 20-30 people who donate at each blood drive. Mrs. Ringler takes a lot of time out of her busy schedule to host these blood drives. Mrs. Ringler's favorite memory was when Zach Arnold was holding someones hand and he ended up passing out but he wasn't even the one donating.**

# Senior Feast

Senior Feast has been a tradition for the senior class of PHS for many years. Mrs. Grube has been in charge of co-ordinating the event every month for about 12 years after taking over for Mrs. Daniels. The event allows the senior class to come together and bond under the great unifier of the world: food. In one of the most memorable Feasts of the year, the class worked in unison to make over seven different types of pizza.

**OSA has done a lot of projects and fundraisers this year. In November, they went to Mt. Gilead Christian School and did a variety of service projects presented by each school. Our school provided the makings for cards for soldiers. In September (football) and January (basketball), they did a raffle drawing at the game to raise money and awareness of the Magic Yarn Project. On May 10, they had their second annual all-school service project.**
